FOR IMMEDIATE RELEASE

**Pitney Bowes Announces Reference Yield,
Total Consideration and Tender Offer Consideration
for Cash Tender Offers for Notes**

STAMFORD, Conn.– (BUSINESS WIRE) – March 11, 2013 – Pitney Bowes Inc. (NYSE:PBI) (the “Company,” “us” or “Pitney Bowes”) today announced the Reference Yield, Total Consideration and Tender Offer Consideration (each as defined below) for its previously announced cash tender offers (the “Offers”) for its 4.875% Medium-Term Notes due 2014 (the “2014 Notes”), 5.000% Notes due 2015 (the “2015 Notes”) and 4.750% Medium-Term Notes due 2016 (the “2016 Notes” and, together with the 2014 Notes and the 2015 Notes, the “Notes”).

The Offers are being made pursuant to an Offer to Purchase, dated February 26, 2013 (the “Offer to Purchase”) and related Letter of Transmittal, dated February 26, 2013 (the “Letter of Transmittal”) which set forth a description of the terms and conditions of the Offers.

The consideration to be paid in each of the Offers has been determined in the manner described in the Offer to Purchase by reference to a fixed spread over the yield to maturity (the “Reference Yield”) of the applicable U.S. Treasury Security specified in the table below and on the cover page of the Offer to Purchase in the column entitled “Reference U.S. Treasury Security.” Holders who validly tender and do not validly withdraw Notes at or prior to the Early Tender Time (as defined below) that are accepted for purchase will receive the applicable “Total Consideration” listed in the table below, which includes an early tender payment of \$30 per \$1,000 principal amount of Notes accepted for purchase (the “Early Tender Premium”). Holders who validly tender after the Early Tender Time but at or prior to the Expiration Time (as defined below) that are accepted for purchase will receive the Total Consideration listed in the table below minus the Early Tender Premium (the “Tender Offer Consideration”). In addition, in each case holders will receive accrued and unpaid interest on their Notes up to, but excluding, the applicable settlement date.

(1) Per \$1,000 principal amount of Notes.

The Offers are scheduled to expire at 11:59 p.m., New York City time, on March 25, 2013, unless any one or more of the Offers are extended or earlier terminated by the Company in its sole discretion (such date and time, as the same may be extended with respect to any one or more of the Offers, the "Expiration Time"). Holders of the Notes must validly tender their Notes at or before 5:00 p.m., New York City time, on March 11, 2013, unless extended by the Company (such date and time, as the same may be extended with respect to any one or more of the Offers, the "Early Tender Time"), to be eligible to receive the Total Consideration. Tenders of the Notes may be validly withdrawn at any time prior to 5:00 p.m., New York City time, on March 11, 2013, unless extended by the Company with respect to any one or more of the Offers. After such time, the Notes may not be validly withdrawn except as otherwise provided in the Offer to Purchase or as required by law.

The principal amount of each series of Notes purchased pursuant to the Offers will not exceed the applicable "Maximum Series Tender Cap" set forth in the table above. Subject to the terms and conditions of the Offers, the Company may, at its option, accept for purchase and pay for (i) promptly after the Early Tender Time and at or prior to the Expiration Time (such payment date being the "Early Settlement Date"), a portion of the Notes of any series that are validly tendered and not validly withdrawn at or prior to the Early Tender Time up to the applicable Maximum Series Tender Cap, and (ii) promptly after the Expiration Time, accept for purchase and pay for a principal amount of the Notes of each series up to the applicable Maximum Series Tender Cap, less the principal amount of any Notes of such series purchased on the Early Settlement Date (if any), in each case subject to proration as described in the Offer to Purchase. If the aggregate principal amount of Notes for a particular series validly tendered at or prior to the Early Tender Time is equal to or in excess of the applicable Maximum Series Tender Cap, no additional Notes of such series will be accepted for purchase after the Early Tender Time.

Each Offer is being made independent of each other Offer. No Offer is conditioned on any of the other Offers or upon any minimum principal amount of the Notes of any series being tendered. The Company may extend or otherwise

amend the Early Tender Time or the Expiration Time, or increase or decrease the Maximum Series Tender Caps, with respect to any or all of the Offers, without extending or otherwise reinstating the withdrawal rights of Holders, with respect to one or more of the Offers, unless required by law (as determined by the Company in its sole discretion).

The Company's obligation to accept for purchase, and to pay for, any Notes validly tendered pursuant to the Offers is subject to and conditioned upon the satisfaction of, or the Company's waiver of, the conditions described in the Offer to Purchase.

This press release is neither an offer to purchase nor a solicitation of an offer to sell securities. No offer, solicitation, purchase or sale will be made in any jurisdiction in which such offer, solicitation, or sale would be unlawful. The Offers are being made solely pursuant to the terms and conditions set forth in the Offer to Purchase and the Letter of Transmittal.
