**Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

Section 145 of the Delaware General Corporation Law allows for indemnification of any person who has been made, or threatened to be made, a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that he or she is or was serving as a director, officer, employee or agent of the registrant or by reason of the fact that he or she is or was serving at the request of the registrant as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. In certain circumstances, indemnity may be provided against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement if the person acted in good faith and in the manner reasonably believed by him to be in, or not opposed to, the best interests of the registrant and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. In any proceeding by or in the right of the registrant, no indemnification may be made if the person is found to be liable to the corporation, unless and only to the extent the court in which the proceeding is brought or the Delaware Court of Chancery orders such indemnification.

Section 102(b)(7) of the Delaware General Corporation Law provides that a certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or

---

omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 (relating to liability for unauthorized acquisitions or redemptions of, or dividends on, capital stock) of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit. The Registrant's Restated Certificate of Incorporation includes a provision limiting such liability.

The Restated Certificate of Incorporation of the Registrant provides that each person who was or is made a party to or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of the Registrant or is or was serving at the request of the Registrant as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, shall be indemnified and held harmless by the Registrant to the fullest extent authorized by the Delaware General Corporation Law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Registrant to provide broader indemnification rights than said law permitted the Registrant to provide prior to such amendment), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators. Such right to indemnification is a contract right and includes the right to be paid by the Registrant the expenses incurred in defending any such proceeding in advance of its final disposition; provided, however, that, if the Delaware General Corporation Law requires, the payment of such expenses incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding, shall be made only upon delivery to the Registrant of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to such indemnity.

The foregoing statements are specifically made subject to the detailed provisions of the Delaware General Corporation Law and the Restated Certificate of Incorporation of the Registrant.

The Registrant has a directors and officers liability insurance policy that will reimburse the Registrant for any payments that it shall make to directors and officers pursuant to law or the indemnification provisions of its Restated Certificate of Incorporation and that will, subject to certain exclusions contained in the policy, further pay any other costs, charges and expenses and settlements and judgments arising from any proceeding involving any director or officer of the Registrant in his or her past or present capacity as such, and for which he may be liable, except as to any liabilities arising from acts that are deemed to be uninsurable.

---

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

**Item 9. Undertakings.**

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

*provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

---

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Ladies and Gentlemen:

We have examined the Plan and the originals, or photostatic or certified copies, of such records of the Company and certificates of officers of the Company and of public officials and such other documents as we have deemed relevant and necessary as the basis for the opinions set forth below. We have also made such other investigations as we have deemed relevant and necessary or appropriate in connection with the opinion hereinafter set forth. In our examination, we have assumed the genuineness of all signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as copies. Finally, we have assumed the accuracy of all other information provided to us by the Company during the course of our investigations, on which we have relied in issuing the opinion expressed below.

Based upon the foregoing examination and in reliance thereon, and subject to the qualifications, assumptions and limitations stated herein and in reliance on statements of fact contained in the documents that we have examined, we are of the opinion that the Shares, when issued and sold in accordance with the terms set forth in the Plan and against payment therefor, and when the Registration Statement has become effective under the Securities Act, will be validly issued, fully paid and non-assessable.

We consent to the filing of this opinion as an exhibit to the Registration Statement. In giving this consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations of the Commission.

As used in the Plan, the following terms shall have the meanings set forth below:

- (a) "Affiliate" shall mean (i) any entity that, directly or through one or more intermediaries, is controlled by the Company or (ii) any entity in which the Company has a significant equity interest, as determined by the Committee. Aggregation rules set forth in Code Sections 409A and 414(b) and (c) will be used in determining Affiliate status, except that a 50% test, instead of an 80% test, shall be used to determine controlled group status, to the extent not inconsistent with rules of Code Section 409A.

- (e) "Change of Control" shall be deemed to have occurred for purposes of this Plan, if:

  - (ii) individuals who, as of the Effective Date, constitute the Board (as of such date, the "Incumbent Board") cease for any reason to constitute at least a majority of the Board, provided that any individual becoming a director subsequent to the Effective Date, whose election, or nomination for election by Pitney Bowes' shareholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office is in connection with an actual or threatened election contest relating to the election of the directors of Pitney Bowes Inc. (as such terms are used in Rule 14(a)(11) or Regulation 14A promulgated under the Exchange Act); or
  - (iii) there occurs either (A) the consummation of a reorganization, merger, consolidation, or sale or other disposition of all or substantially all of the assets of the Company, in each case, with respect to which the individuals and entities who were the respective beneficial owners of the common stock and voting securities of Pitney Bowes Inc. immediately prior to such reorganization, merger, consolidation or sale or other disposition do not, following such reorganization, merger, consolidation or sale or other disposition beneficially own, directly

or indirectly, more than 50% of, respectively, the then outstanding shares of common stock and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation resulting from such reorganization, merger, consolidation, or sale or other disposition or (B) an approval by the shareholders of Pitney Bowes Inc. of a complete liquidation or dissolution of Pitney Bowes Inc. or of the sale or other disposition of all or substantially all of the assets of Pitney Bowes Inc.

- (h) "Company" shall mean Pitney Bowes Inc. or any successor thereto.
- (i) "Covered Award" means an Award, other than an Option, Stock Appreciation Right or other Award with an exercise price per Share not less than the Fair Market Value of a Share on the date of grant of such Award, to a Covered Employee, if it is designated as such by the Committee at the time it is granted. Covered Awards are subject to the provisions of Section 15 of this Plan.
- (j) "Covered Employee" means any Participant who is, or who the Committee has determined may be at the time taxable income is realized with respect to an Award, a "covered employee" within the meaning of Section 162(m).
- (k) "Disability" shall have the meaning established by the Committee or, in the absence of Committee determination, shall mean a Participant who is "disabled" for two years under the provisions and procedures of the Pitney Bowes Long Term Disability (LTD) Plan, irrespective of whether the Participant is eligible to receive benefits under the LTD Plan, or a Participant entitled to receive benefits for two years under state worker's compensation laws.
- (l) "Dividend Equivalent" shall mean an amount payable in cash, as determined by the Committee under Section 7(c) of the Plan, with respect to a Restricted Stock or Stock Unit award equal to what would have been received if the shares underlying the Award had been owned by the Participant.
- (m) "Dividend Equivalent Shares" shall be Shares issued pursuant to the deemed reinvestment of dividends under Restricted Stock, Stock Units or other Awards, provided that such Shares shall be subject to the same vesting, risk of forfeiture, deferral or other conditions or restrictions as apply to the Restricted Stock, Stock Units or other Awards as to which they accrue, and to such further conditions or restrictions as the Committee may determine.

- (jj) "Termination of Employment" on Account of a Change of Control shall mean as follows:

illegal conduct or gross misconduct which is materially and demonstrably injurious to the Company, or (B) a termination of employment by the Participant for any one of the following Good Reasons (each of which constituting a "Good Reason"), subject to Section 2(jj)(iii) below:

1. The assignment following a Change of Control to a Participant of any duties inconsistent in any respect with the Participant's position, authority, duties and responsibilities as existed on the day immediately prior to the Change of Control, or any other action by the Company which results in a diminution in such position, authority, duties, or responsibilities, excluding for this purpose an isolated, insubstantial, and inadvertent action not taken in bad faith and which is remedied by the Company promptly after receipt of notice thereof given by the Participant;
2. Any failure by the Company following a Change of Control to continue to provide the Participant with annual salary, employee benefits, or other compensation equal to or greater than that to which such Participant was entitled immediately prior to the occurrence of the Change of Control, other than an isolated, insubstantial, and inadvertent failure not occurring in bad faith and which is remedied by the Company promptly after receipt of notice thereof given by the Participant;
3. Any failure by the Company following a Change of Control to continue to provide the Participant with the opportunity to earn either cash-based or stock-based incentive compensation on a basis at least equal to that provided to the Participant prior to the occurrence of the Change of Control, taking into account the level of compensation that can be earned and the relative difficulty of any associated performance goals;
4. The Company's requiring the Participant, after a Change of Control, to be based, at any office or location more than 35 miles farther from the Participant's place of residence than the office or location at which the Participant is employed immediately prior to the occurrence of the Change of Control or the Company's requiring the Participant to travel on Company business to a substantially greater extent than required immediately before the Change of Control;
5. Any failure by the Company, after a Change of Control, to require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) who acquired all or substantially all of the business and/or assets of the Company to expressly assume and agree to perform the Company's obligations under the Plan in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place.

Any good faith determination made by a Participant that a Good Reason described in subparagraphs 1 through 5 has occurred shall be conclusive, subject to Section 2(jj)(iii) below.

- (ii) Any termination by the Company or by the Participant for reasons described above shall be communicated by a Notice of Termination to the other party. Any Notice of Termination shall be by written instrument which (A) indicates the specific termination provision above relied upon, (B) sets forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Participant's employment under the provision so indicated, and (C) if the Date of Termination is other than the date of receipt of such notice, specifies the Date of Termination (which date shall not be more than 15 days after the giving of such notice). The failure by any Participant to set forth in the Notice of Termination any fact or circumstance which contributes to a showing of entitlement to terminate under subparagraphs (1) through (5) above shall not be deemed to be a waiver of any right of such Participant or preclude such Participant from asserting such fact or circumstance in enforcing his rights.
- (iii) Notwithstanding the foregoing, a Termination of Employment for Good Reason shall not occur if, within 30 days after the date the Participant gives a Notice of Termination to the Company after a Change of Control, the Company corrects the action or failure to act that constitutes the grounds for termination for Good Reason and as set forth in the Participant's Notice of Termination. If the Company does not correct the action or failure to act, the Participant must terminate his or her employment for Good Reason within 60 days after the end of the cure period, in order for the termination to be considered a Good Reason termination.

### **Section 3. Administration.**

- (a) Committee. The Plan shall be administered by the Committee. Any power of the Committee may also be exercised by the Board of Directors, except to the extent that the grant or exercise of such authority would cause any Award or transaction to become subject to (or lose an exemption under) the short-swing profit recovery provisions of Section 16(b) of the Securities Exchange Act of 1934, as amended ("Section 16(b)") or cause an Award designated as a Covered Award not to qualify for treatment as performance-based compensation under Section 162(m), unless the Board of Directors expressly determines not to obtain compliance with the provisions of Section 16(b) or Section 162(m), as applicable. To the extent that any permitted action taken by the Board of Directors conflicts with action taken by the Committee, the Board of Directors' action shall control. Subject to the terms of the Plan and applicable law, the Committee shall have full power and authority to:

- (i) designate Participants;
  - (ii) determine the type or types of Awards to be granted to each Participant under the Plan;
  - (iii) determine the number of Shares to be covered by (or with respect to which payments, rights, or other matters are to be calculated in connection with) Awards;
  - (iv) determine the terms and conditions of any Award;
  - (v) determine whether, to what extent, and under what circumstances Awards may be settled or exercised in cash, Shares, other securities, other Awards, or other property, or to what extent, and under what circumstances Awards may be canceled, forfeited, or suspended, and the method or methods by which Awards may be settled, exercised, canceled, forfeited, or suspended;
  - (vi) determine whether, to what extent, and under what circumstances cash, Shares, other securities, other Awards, other property, and other amounts payable with respect to an Award under the Plan shall be deferred either automatically or at the election of the holder thereof or of the Committee;
  - (vii) interpret and administer the Plan and any instrument or agreement relating to the Plan, or any Award made under the Plan, including any Award Agreement;
  - (viii) correct any defect or error, supply any omission, or reconcile any inconsistency in the administration of the Plan or in any Award Agreement in the manner and to the extent it shall deem desirable to effectuate the purposes of the Plan and the related Award;
  - (ix) establish, amend, suspend, rescind or reconcile such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan;
  - (x) determine the extent to which adjustments are required as a result of a merger, acquisition, consolidation, Change of Control, reorganization, reclassification, combination of shares, stock split, reverse stock split, spin-off, dividend distribution of securities, property, cash or any other event or transaction affecting the number or kind of outstanding Shares or equity; and
  - (xi) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan.
- (b) Committee Decisions. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan, any Award, or any Award Agreement, shall be within the sole discretion of the Committee or the Board as the case may be, may be made at any time, and shall be final, conclusive, and binding upon all Persons, including the Company, any Affiliate, any Participant, any holder or beneficiary of any Award, and any Employee.
- (c) Delegation. The Board or the Committee may, from time to time, authorize one or more officers of the Company to perform any or all things that the Committee is authorized and empowered to do or perform under the Plan, and for all purposes under this Plan, such officer or officers shall be treated as the Committee; provided, however, that the resolution so authorizing such officer or officers shall specify the total number of Awards (if any) such officer or officers may award pursuant to such delegated authority and any such Award shall be subject to the form of Award Agreement theretofore approved by the Committee. No such officer shall designate himself or herself as a recipient of any Awards granted under authority delegated to such officer. In addition, the Board or the Committee may delegate any or all aspects of the day-to-day administration of the Plan to one or more officers or employees of the Company or any subsidiary, and/or to one or more agents.

#### **Section 4. Shares Available for Awards .**

- (a) Maximum Shares Available. The maximum number of Shares that may be issued to Participants pursuant to Awards under the Plan shall be 19,000,000 Shares plus any Shares subject to outstanding Awards under the Prior Plan as of April 30, 2013 that on or after such date cease for any reason to be subject to such Awards (other than by reason of exercise or settlement of the Awards to the extent they are exercised for or settled in vested and nonforfeitable Shares) (collectively, the "Plan Maximum"), subject to adjustment as provided in Section 4(c) below. Only 11,500,000 Shares may be issued for Awards that are not Options or Stock Appreciation Rights. Pursuant to any Awards, the Company may in its discretion issue treasury Shares, authorized but previously unissued Shares or Shares purchased in the open market or otherwise pursuant to Awards hereunder. For the purpose of accounting for Shares available for Awards under the Plan, the following shall apply:
- (i) Only Shares relating to Awards actually issued or granted hereunder shall be counted against the Plan Maximum. Shares corresponding to Awards that by their terms expired, or that are forfeited, canceled or surrendered to the Company without consideration paid therefore and Shares subject to Awards, that are settled in cash shall not be counted against the Plan Maximum.

- (ii) Shares that are forfeited by a Participant after issuance, or that are reacquired by the Company after issuance without consideration paid therefore, shall be deemed to have never been issued under the Plan and accordingly shall not be counted against the Plan Maximum.
  - (iii) Dividend Equivalent Shares shall be counted against the Plan Maximum, and clauses (i) and (ii) of this Section shall not apply to such Awards.
  - (iv) Notwithstanding anything herein to the contrary, Shares subject to an Award under the Plan may not again be made available for issuance under the Plan if such Shares are: (A) Shares that were subject to an Option or a stock-settled Stock Appreciation Right and were not issued upon the net settlement or net exercise of such Option or Stock Appreciation Right, (B) Shares delivered to or withheld by the Company to pay the exercise price of an Option or the withholding taxes related to an Option or Stock Appreciation Right, or (C) Shares repurchased on the open market with the proceeds of an Option exercise.
- (b) Code Limitations. Subject to adjustment as provided in Section 4(c) below, the maximum number of Shares for which ISOs may be granted under the Plan shall not exceed the Plan Maximum as defined in Section 4(a) above, and the maximum number of Shares that may be the subject of Awards made to a single Participant in any one calendar year shall not exceed 1,200,000 not counting tandem SARs, which number is subject to adjustments as described in subsection (c) below to the extent the adjustment will not affect the status of such award as a performance-based compensation award under Code Section 162(m).
- (c) Adjustments to Avoid Dilution. Notwithstanding paragraphs (a) and (b) above, in the event of a stock dividend, extraordinary cash dividend, split-up or combination of Shares, merger, consolidation, reorganization, recapitalization, spin-off or other change in the corporate structure or capitalization affecting the outstanding common stock of the Company, the Committee shall make equitable adjustments to (i) the number or kind of Shares subject to the Plan Maximum that remain subject to outstanding Awards or available for issuance under the Plan, subject to the Plan Maximum as adjusted pursuant to Section 4, (ii) the number and type of Shares subject to the limitations set forth in Section 4(b), (iii) the number and type of Shares subject to outstanding Awards, and (iv) the grant, purchase, or exercise price with respect to any Award. Such adjustment may include provision for cash payment to the holder of an outstanding Award. Any adjustment to the limitations set forth in Section 4(b) shall be made in such manner as to preserve the ability to grant ISOs and Awards that qualify for deductibility under Section 162(m) and any other such adjustment may be designed to comply with applicable provisions of the Code, including without limitation Section 409A, may be designed to treat the Shares available under the Plan and subject to Awards as if they were all outstanding on the record date for such event or transaction or may be designed to increase the number of such Shares available under the Plan and subject to Awards to reflect a deemed reinvestment in Shares of the amount distributed to the Company's security holders in connection with such event or transaction. The determination of the Committee as to the adjustments or payments, if any, to be made shall be conclusive.
- (d) Substitute Awards. Substitute Awards shall not reduce the shares of Common Stock authorized for issuance under the Plan or authorized for grant to a Participant in any calendar year. Additionally, in the event that a company acquired by the Company or any subsidiary of the Company ("Subsidiary"), or with which the Company or any Subsidiary combines, has shares available under a pre-existing plan approved by shareholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the shares of Common Stock authorized for issuance under the Plan; provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not employees of the Company or Subsidiary before such acquisition or combination.

## **Section 5. Eligibility.**

Employees Eligible. An Employee of the Company or of any Affiliate shall be eligible to be a Participant as designated by the Committee.

## **Section 6. Awards.**

- (a) Terms Set Forth in Award Agreement. Awards may be granted at any time and from time to time prior to the termination of the Plan to an eligible Employee designated to be a Participant in the Plan as determined by the Committee. Awards may be granted for no cash consideration, or for such minimal cash consideration as the Committee may specify, or as may be required by applicable law. Awards may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or, subject to Section 4, in substitution for any other Award or any award granted under any other plan of the Company or any Affiliate. The terms and conditions of

each Award shall be set forth in an Award Agreement in a form approved by the Committee for such Award, which Award Agreement may contain such terms and conditions as specified from time to time by the Committee, provided such terms and conditions do not conflict with the Plan. The Award Agreement for any Award (other than Restricted Stock awards) shall include the time or times at or within which and the consideration for which any shares of Common Stock may be acquired from the Company. The terms of Awards may vary among Participants, and the Plan does not impose upon the Committee any requirement to make Awards subject to uniform terms. The Participant shall be deemed to accept the Awards and the terms of the Awards unless the Participant affirmatively waives acceptance of the Award. If the Participant does not agree to all terms of the Award, the Award is deemed null and void.

- (b) Separation from Service. Subject to the express provisions of the Plan, the Committee shall specify at or after the time of grant of an Award the provisions governing the effect(s) upon an Award of a Participant's separation from service not on account of a Change of Control. Termination from Employment on account of a Change of Control is defined in Section 2.
- (c) Rights of a Stockholder. A Participant shall have no rights as a stockholder with respect to shares of Common Stock covered by an Award (including voting rights) until the date the Participant becomes the holder of record of such shares of Common Stock. No adjustment shall be made for dividends or other rights for which the record date is prior to such date, except as provided in Section 8 or as the Committee otherwise provides.
- (d) Performance Awards. Subject to the other terms of this Plan, the Committee may condition the grant, retention, issuance, payment, release, vesting or exercisability of any Award, in whole or in part, upon the achievement of such performance criteria during a specified performance period(s). The performance criteria may include Qualifying Performance Criteria or other standards of financial performance and/or personal performance. The Committee shall determine in a timely manner after the performance period ends whether all or part of the conditions to payment of a Performance Award have been fulfilled and, if so, the amount, if any, of the payment to which the Participant is entitled.
- (e) Forms of Payment of Awards. Subject to the terms of the Plan and of any applicable Award Agreement, payments or transfers to be made by the Company or an Affiliate upon the grant, exercise, or payment of an Award may be made in such form or forms as the Committee shall determine, including, without limitation, cash, Shares, other securities, other Awards, or other property, or any combination thereof, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents in respect of installment or deferred payments. Notwithstanding the foregoing, unless the Committee expressly provides otherwise, with specific reference to this provision, the payment terms for any Award shall be implemented in a manner consistent with the requirements of Section 409A of the Code, to the extent applicable.
- (f) Share Certificates. All certificates for Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which such Shares or other securities are then listed, and any applicable Federal or state securities laws, and the Committee may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions. Unrestricted certificates representing Shares, evidenced in such manner as the Committee shall deem appropriate, which may include recording Shares on the stock records of the Company or by crediting Shares in an account established on the Participant's behalf with a brokerage firm or other custodian, in each case as determined by the Company, shall be delivered to the holder of Restricted Stock, Stock Units or any other relevant Award after such restricted Shares shall become Released Securities, subject to any delay in order to provide the Company such time as it determined appropriate to address tax withholding and other administrative matters.
- (g) Limits on Transfer of Awards. Awards made under this Plan shall be subject to the following limitations on transferability:
  - (i) Unless determined otherwise by the Committee, no Award and no right under any such Award shall be assignable, alienable, pledgeable, attachable, encumberable, saleable, or transferable by a Participant other than by will or by the laws of descent and distribution (or, in the case of Awards that are forfeited or canceled, to the Company). No Award and no right under any such Award shall be the subject of short term speculative trading in Company securities, including hedging, short sales, "put" or "call" options, swaps, collars or any other derivative transactions. No Award and no right under any such Award can be transferred for value or consideration. Any purported assignment, sale or transfer thereof shall be void and unenforceable against the Company or Affiliate. If the Committee so indicates in writing to a Participant, he or she may designate one or more beneficiaries who may exercise the rights of the Participant and receive any property distributable with respect to any Award upon the death of the Participant. Each Award, and each right under any Award,

shall be exercisable, during the Participant's lifetime only by the Participant or, if permissible under applicable law, by the Participant's guardian or legal representative.

(ii) Exceptions:

(A) *Gift Transfers*. Notwithstanding Section 6(g)(i) above, the Committee may permit, subject to establishment of appropriate administrative procedures, a Participant to transfer by gift an unexercised Stock Option or SAR and/or other unvested or unearned Awards, provided that the following conditions are met:

- (1) The donees of the gift transfer are limited to Family Members and Family Entities.
- (2) The Award is not further transferable by gift or otherwise by such Family Member or Family Entity.
- (3) All rights appurtenant to the Award, including any exercise rights, are irrevocably and unconditionally assigned to the donee.
- (4) Transfers under this Section 6(g) must meet all of the requirements under applicable provisions of the Code to be considered "gift" transfers.
- (5) The donor and the donee have executed such form of agreement as the Committee may require pursuant to which each agree to be subject to such terms and conditions with respect to the transferred Award as the Committee may specify.
- (6) The Employee has met any stock holding requirement imposed on such Employee by the Company, unless the requirement is waived by the Company.
- (7) Except to the extent specified otherwise in the agreement, the Committee provides for the Participant and transferee to execute, all vesting, exercisability and forfeiture provisions that are conditioned on the Participant's continued employment or service shall continue to be determined with reference to the Participant's employment or service (and not to the status of the transferee) after any transfer of an Award pursuant to this Section 6(g), and the responsibility to pay any taxes in connection with an Award shall remain with the Participant, notwithstanding any transfer other than by will or intestate succession.
- (8) For purposes of the Plan, the following definitions shall apply:
  - (i) Family Member means the Participant's natural or adopted child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, nephew, niece and any person sharing the Participant's household (other than a tenant or employee); and
  - (ii) Family Entity means any trust in which the Participant has more than a 50% beneficial interest and any entity in which the Participant and/or a Family Member owns more than 50% of the voting interests.

(B) *Estate Transfers*. In the case of death, Awards made hereunder may be transferred to the executor or personal representative of the Participant's estate or the Participant's heirs by will or the laws of descent and distribution.

(h) *Registration*. Any Shares granted under the Plan may be evidenced in such manner, as the Committee may deem appropriate, including without limitation, book-entry registration or issuance of a stock certificate or certificates. In the event any stock certificate is issued in respect of Stock granted under the Plan, such certificate shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Shares.

## **Section 7. Type of Awards.**

(a) *Options and Stock Appreciation Rights*. The Committee is hereby authorized to grant Options and Stock Appreciation Rights to Participants with the following terms and conditions and with such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine:

- (i) *Exercise Price*. The exercise price per Share under an Option shall be determined by the Committee; provided, however, that except in the case of Substitute Awards, no Option or Stock Appreciation Right granted hereunder may have an exercise price of less than 100% of Fair Market Value of a Share on the date of grant.
- (ii) *Times and Method of Exercise*. The Committee shall determine the time or times at which an Option or Stock Appreciation Right may be exercised in whole or in part; in no event, however, shall the period for

exercising an Option or a Stock Appreciation Right extend more than 10 years from the date of grant. The Committee shall also determine the method or methods by which Options and/or Stock Appreciation Rights may be exercised, and the form or forms (including without limitation, cash, Shares previously acquired and Shares otherwise issuable under the Option, other Awards, or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the relevant exercise price) in which payment of the exercise price of an Option may be made or deemed to have been made. The Committee may also allow cash and cashless exercise of an Option through a registered broker.

- (iii) *Incentive Stock Options.* Notwithstanding anything to the contrary in this Section 7(a), in the case of the grant of an Option intending to qualify as an Incentive Stock Option: (A) if the Participant owns stock possessing more than 10 percent of the combined voting power of all classes of stock of the Company (a "10% Stockholder"), the exercise price of such Incentive Stock Option must be at least 110 percent of the Fair Market Value of the Shares on the date of grant and the Option must expire within a period of not more than five (5) years from the date of grant, and (B) "termination of employment" will occur when the person to whom an Award was granted ceases to be an employee (as determined in accordance with Section 3401(c) of the Code and the regulations promulgated thereunder) of the Company and its subsidiaries. Notwithstanding anything in this Section 7(a) to the contrary, Options designated as Incentive Stock Options shall not be eligible for treatment under the Code as Incentive Stock Options (and instead will be deemed to be Non-Qualified Stock Options) to the extent that either (1) the aggregate Fair Market Value of Shares (determined as of the time of grant) with respect to which such Options are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any subsidiary) exceeds \$100,000, taking Options into account in the order in which they were granted, or (2) such Options otherwise remain exercisable but are not exercised within three months of termination of employment (or such other period of time provided in Section 422 of the Code).
- (iv) *Stock Appreciation Rights (SARs).* Stock Appreciation Rights may be granted to Participants from time to time either in tandem with or as a component of other Awards granted under the Plan ("tandem SARs") or not in conjunction with other Awards ("freestanding SARs") and may, but need not, relate to a specific Option granted under this Section 7(a). Any Stock Appreciation Right granted in tandem with an Award may be granted at the same time such Award is granted or at any time thereafter before exercise or expiration of such Award. Upon exercise of a tandem SAR as to some or all of the shares covered by the grant, the related Option shall be canceled automatically to the extent of the number of shares covered by such exercise. Conversely, if the related Option is exercised as to some or all of the shares covered by the grant, the related tandem SAR, if any, shall be canceled automatically to the extent of the number of shares covered by the Option exercise. All freestanding SARs shall be granted subject to the same terms and conditions applicable to Options as set forth in this Section 7 and all tandem SARs shall have the same exercise price, vesting, exercisability, forfeiture and termination provisions as the Award to which they relate. Stock Appreciation Rights may be settled in cash or stock at the discretion of the Committee.
- (v) *No Repricing and Reload Without Stockholder Approval.* Other than in connection with a change in the Company's capitalization (as described in Section 4(c) of the Plan), the Company shall not, without stockholder approval, (i) reduce the exercise price of an Option or Stock Appreciation Right, (ii) exchange an Option or Stock Appreciation Right with an exercise price in excess of Fair Market Value for cash, another Award or a new Option or Stock Appreciation Right with a lower exercise price or (iii) otherwise reprice any Option or Stock Appreciation Right. Options shall not be granted under the Plan in consideration for and shall not be conditioned upon the delivery of Shares to the Company in payment of the exercise price and/or tax withholding obligation under any other employee stock option (No Reload).
- (b) *Restricted Stock and Stock Units.* Subject to Section 4 hereof, the Committee is authorized to grant Awards of Restricted Stock and/or Stock Units to Participants with the following terms and conditions:

*Restrictions.* Restricted Stock and Stock Units may be granted at any time and from time to time prior to the termination of the Plan to Participants selected by the Committee. Restricted Stock is an Award or issuance of Shares of common stock the grant, issuance, retention, vesting and/or transferability of which is subject to such conditions (including, without limitation, continued employment over a specified period or the attainment of specified performance criteria (including, but not limited to, one or more Qualifying Performance Criteria in accordance with Section 15) and terms as the Committee deems appropriate, which conditions may lapse separately or concurrently at such time or times, in such installments or otherwise, as the Committee may deem appropriate. Stock Units are Awards denominated in units of common stock under which the issuance of Shares of common stock is subject to such conditions (including, without limitation, continued employment over a specified period or the attainment of specified performance criteria (including, but not limited to, one or more Qualifying Performance Criteria in accordance with Section 15)) and terms as the Committee deems appropriate. Each grant of Restricted Stock and Stock Units shall be evidenced by an Award Agreement. A Stock Unit may be settled in cash or Shares as the Committee may determine from time to time.

- (c) Dividend Equivalents. The Committee may (either alone or as a component of any other Award granted under the Plan) grant to Participants Dividend Equivalents under which the holders thereof shall be entitled to receive payments equivalent to dividends with respect to a number of Shares determined by the Committee, and the Committee may provide that such amounts shall be deemed to have been reinvested in Dividend Equivalent Shares or otherwise reinvested. Dividend equivalents may not be (i) granted in conjunction with options or SARs or (ii) paid to a Participant on any unearned performance shares until the performance criteria has been met.
- (d) Other Stock-Based Awards. The Committee is hereby authorized to grant to Participants such other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to Shares (including without limitation securities convertible into Shares), as are deemed by the Committee to be consistent with the purposes of the Plan.
  - (i) If applicable, Shares or other securities delivered pursuant to a purchase right granted under this Section 7(d) shall be purchased for such consideration, which may be paid by such method or methods and in such form or forms, including without limitation cash, Shares, other securities, other Awards or other property, or any combination thereof, as the Committee shall determine.
  - (ii) In granting any Other Stock-Based Award pursuant to this Section 7(d), the Committee shall also determine what effect the termination of employment of the Participant holding such Award shall have on the rights of the Participant pursuant to the Award.

## **Section 8. Vesting and Exercising.**

- (a) General. Subject to Plan terms, the Award Agreement shall designate the terms under which the Award vests and/or is exercisable according to terms and conditions authorized by the Committee. Unless the Board provides otherwise, vesting of stock option and SAR awards shall be pro rata over a three-year period following the award date. For purposes of the Plan, any reference to the "vesting" of an Option or a SAR shall mean any events or conditions which, if satisfied, entitle a Participant to exercise an Option or a SAR with respect to all or a portion of the Shares covered by the Option or a SAR. Vesting of a Restricted Stock Award or a Stock Unit shall mean any events or conditions which, if satisfied, entitle the Participant to the underlying stock certificate without restrictions (or cash as the case may be). Any awards of Restricted Stock or Stock Units as to which the sole restriction relates to the passage of time and continued employment must have a restriction period of not less than three years, except that such Award may allow pro-rata vesting during the restriction period. Any Award, other than an Award described in the immediately preceding sentence, must provide for the lapse of restrictions based on performance criteria and level of achievement versus criteria over a performance period of not less than one year, except in all cases, the Committee may provide for the satisfaction and/or lapse of all restrictions under any such Award in the event of the Participant's death, Disability or Retirement or a Change of Control and other similar events. Notwithstanding anything to the contrary herein, the Company reserves the right to make Awards representing up to 5% of the total Shares issued under the Plan that are fully vested upon the making of the Award. Moreover the Committee may in its sole discretion accelerate vesting of an Award made hereunder on account of a Termination with Conditions imposed as described under Section 8(b)(iii) in cases such as death, Disability and Retirement or following a Change of Control as discussed in Section 10 herein. Except as otherwise permitted by Section 409A of the Code, an Award constituting nonqualified deferred compensation subject to the provisions of Section 409A of the Code shall not be accelerated.
- (b) Termination of Employment. Unless the Committee specifies otherwise, either at the time of grant or thereafter, the following rules govern Awards upon a Participant's termination of employment not on account of a Change of Control:
  - (i) Death, Disability and Retirement. Unvested outstanding Awards forfeit at death, Disability or Retirement unless the Committee, in its sole discretion, provides for an additional exercise period beyond the Participant's death, Disability or Retirement in the Award Agreement or otherwise. If so provided, that period may not be longer than the original term of the Award. The Committee, in its sole discretion, may also establish special vesting requirements relating to unvested Stock Options, Restricted Stock and Stock Units at the Participant's death, Disability or Retirement. The Committee may waive in whole or in part any or all remaining restrictions and vest the Awards upon the Participant's death, Disability or Retirement. In addition, the Committee in its sole discretion may set forth special vesting rules with respect to Dividend Equivalents and Other Stock-Based Awards and may determine that the Participant's rights to Dividend Equivalents and Other Stock-Based Awards terminate at a date later than death, Disability and Retirement.
  - (ii) Sale of Business, Spin off Transactions. In the case of a sale of business or a spin off transaction that does not constitute a Change of Control, the Committee shall determine the treatment of all outstanding Awards, including without limitation, determining the vesting terms, conversion of Shares and continued exercisability. Unless otherwise provided for by the Committee, in the event the "business unit" (defined as a division, subsidiary, unit or other delineation that the Committee in its sole discretion may determine) for which the Par-

Participant performs substantially all of his or her services is spun off by the Company or an Affiliate in a transaction that qualifies as a tax-free distribution of stock under Section 355 of the Code, or is assigned, sold, outsourced or otherwise transferred, including an asset, stock or joint venture transaction, to an unrelated third party, such that after such transaction the Company owns or controls directly or indirectly less than 51% of the business unit, the affected Participant shall become: 100% vested in all outstanding Awards as of the date of the closing of such transaction, whether or not fully or partially vested, and such Participant shall be entitled to exercise such Options and Stock Appreciation Rights during the three (3) months following the closing of such transaction, unless the Committee has established an additional exercise period (but in any case not longer than the original option term). All Options and Stock Appreciation Rights which are unexercised at the end of such three (3) months or such additional exercise period shall be automatically forfeited.

- (iii) *Terminations with Conditions Imposed.* Notwithstanding the foregoing provisions describing the additional exercise and vesting periods for Awards upon termination of employment, the Committee may, in its sole discretion, condition the right of a Participant to vest or exercise any portion of a partially vested or exercisable Award for which the Committee has established at the time of making the Award an additional vesting or exercise period on the Participant's agreement to adhere to such conditions and stipulations which the Committee may impose, including, but not limited to, restrictions on the solicitation of employees or independent contractors, disclosure of confidential information, covenants not to compete, refraining from denigrating through adverse or disparaging communication, written or oral, whether or not true, the operations, business, management, products or services of the Company or its current or former employees and directors, including without limitation, the expression of personal views, opinions or judgments. The unvested Awards of any Participant for whom the Committee at the time of making the Award has given an additional vesting and exercise period subject to such conditions subsequent as set forth in this Section 8(b)(iii) shall be forfeited immediately upon a breach of such conditions.
- (iv) *Termination for Other Reasons.* If a Participant terminates employment for reasons other than those enumerated above or in Section 10 below and the Committee has not created special rules surrounding the circumstances of the employment termination, the following rules shall apply.
  - (A) *Options and SARs.* Any vested, unexercised portion of an Option or SAR at the time of the termination shall be forfeited in its entirety if not exercised by the Participant within three (3) months of the date of termination of employment. Any portion of such partially vested Option or SAR that is not vested at the time of termination shall be forfeited. Any outstanding Option or SAR granted to a Participant terminating employment other than for death, Disability or Retirement, for which no vesting has occurred at the time of the termination shall be forfeited on the date of termination.
  - (B) *Restricted Stock and RSUs.* All unvested Restricted Stock and Restricted Stock Units, or any unvested portion thereof, still subject to restrictions shall be forfeited upon termination of employment and reacquired by the Company.
  - (C) *Dividend Equivalents and Other Stock-Based Awards.* Any Dividend Equivalents or unvested portion of Other Stock-Based Awards made hereunder shall be forfeited upon termination of employment.

(c) Forfeiture and Recoupment of Awards

- (i) Notwithstanding anything to the contrary herein, if at any time (including after a notice of exercise has been delivered) the Committee, including any subcommittee or administrator authorized pursuant to Section 3(c) (any such person, an "Authorized Officer"), reasonably believes that a Participant has engaged in Gross Misconduct as defined in this Section, the Authorized Officer may suspend the Participant's right to exercise any Stock Option or SAR or receive Shares under any other Award pending a determination of whether the Participant has engaged in Gross Misconduct. If the Committee or an Authorized Officer determines a Participant has engaged in Gross Misconduct, as defined herein, (including any Participant who may otherwise qualify for Disability or Retirement status), the Participant shall forfeit all outstanding Awards, whether vested or unvested, as of the date such Gross Misconduct occurs. In addition, the Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to recoupment upon the occurrence of Gross Misconduct. For purposes of the Plan, Gross Misconduct shall be defined to mean (1) the Participant's conviction of a felony (or crime of similar magnitude in non-U.S. jurisdictions) in connection with the performance or nonperformance of the Participant's duties or (2) the Participant's willful act or failure to act in a way that results in material injury to the business or reputation of the Company or employees of the Company. "Material injury" for this purpose means substantial and not inconsequential as determined by the Committee, or its delegate. For this purpose there is no intended similarity between "Material Injury" and the accounting or securities standard of "materiality."
- (ii) The Committee, in its sole discretion, may forfeit any outstanding Award on account of a Participant's violation of the terms of the Proprietary Interest Protection Agreement or similar agreement signed by the Participant which prohibits the Participant's assignment of intellectual property, transmission of confidential information, competition or solicitation of employees or business.

- (iii) In the event of a restatement of the Company's financial results which consists of a misrepresentation of the financial state of the Company for purposes of the Securities Exchange Act of 1934, the Board, or its delegate, may, upon review of the facts and circumstances, take necessary and appropriate actions including adjusting, recouping or forfeiting any awards made or paid under this Plan to executive officers during the past 36 months where the payment or award was predicated upon the achievement of certain financial results that were subsequently subject of a restatement.

## **Section 9. Amendment and Termination of Awards .**

Except to the extent prohibited by applicable law and unless otherwise expressly provided in an Award Agreement or in the Plan, the following shall apply to all Awards.

- (a) Amendments to Awards. Subject to Section 11, the Committee may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue, cancel or terminate, any Award heretofore granted without the consent of any relevant Participant or holder or beneficiary of an Award. No such amendment, alteration, suspension, discontinuance, cancellation or termination may be made that would be adverse to the holder of such Award may be made without such holder's consent, provided that no such consent shall be required with respect to any amendment, alteration, suspension, discontinuance, cancellation or termination if the Committee determines in its sole discretion that such amendment, alteration, suspension, discontinuance, cancellation or termination either (i) is required or advisable in order for the Company, the Plan or the Award to satisfy or conform to any law or regulation or to meet the requirements of any accounting standard, or (ii) is not reasonably likely to significantly diminish the benefits provided under such Award, or that any such diminishment has been adequately compensated. Subject to the foregoing, the Committee shall not waive any condition or rights under, amend any terms or alter, suspend, discontinue, cancel or terminate any Award if such action would result in the imposition on the Award of the additional tax provided for under Section 409A of the Code.
- (b) Adjustments of Awards Upon Certain Acquisitions. In the event the Company or an Affiliate shall issue Substitute Awards, the Committee may make such adjustments, not inconsistent with the terms of the Plan, in the terms of Awards as it shall deem appropriate in order to achieve reasonable comparability or other equitable relationship between the assumed Awards and the Substitute Awards granted under the Plan.
- (c) Amendments. No amendment, modification or termination shall accelerate the payment date of any Award constituting nonqualified deferred compensation subject to the provisions of Section 409A of the Code, except to the extent permitted under Section 409A of the Code without the imposition of the additional tax provided for under Section 409A of the Code.

## **Section 10. Acceleration Upon a Change of Control .**

In the event of a Change of Control, the following shall apply:

- (a) Effect on Awards. If a Participant incurs a "Termination of Employment" on account of a Change of Control (as defined in Section 2 (ii) (as amended from time to time)) upon or within two years after a Change of Control, or if a Participant is terminated before a Change of Control at the request of a third party who has taken steps reasonably calculated to effect a Change of Control and a Change of Control subsequently occurs, then upon the later to occur of such Termination of Employment or Change of Control (such later event, the "Triggering Event"):
  - (i) Options and SARs. All Options and SARs outstanding on the date of such Triggering Event shall become immediately and fully exercisable without regard to any vesting schedule provided for in the Option or SAR.
  - (ii) Restricted Stock and Restricted Stock Units. On the date of such Triggering Event, all restrictions applicable to any Restricted Stock or Restricted Stock Unit shall terminate and be deemed to be fully satisfied for the entire stated restricted period of any such Award, and the total number of underlying Shares shall become Released Securities.
  - (iii) Dividend Equivalents. On the date of such Triggering Event, the holder of any outstanding Dividend Equivalent shall be entitled to surrender such Award to the Company and to receive payment of an amount equal to the amount that would have been paid over the remaining term of the Dividend Equivalent, as determined by the Committee.
  - (iv) Other Stock-Based Awards. On the date of such Triggering Event, all outstanding Other Stock-Based Awards of whatever type shall become immediately vested and payable in an amount that assumes that the Awards were outstanding for the entire period stated therein, as determined by the Committee.
  - (v) Performance Awards. On the date of such Triggering Event, Performance Awards for all performance periods, including those not yet completed, shall immediately become fully vested and payable in accordance with the following:

- (A) The total amount of Performance Awards conditioned on nonfinancial Performance Goals shall be immediately payable (or exercisable or released, as the case may be) as if the Performance Goals had been fully achieved for the entire performance period.
- (B) For Performance Awards conditioned on financial Performance Goals and payable in cash, the amount payable under such Award shall be the higher of (i) target performance and (ii) performance achieved through the end of the last fiscal quarter prior to the Triggering event as if satisfied for the entire performance period.
- (vi) The Committee's determination of amounts payable under this Section 10 shall be final. Except as otherwise provided in Section 10, any amounts due under this Section 10 shall be paid to Participants within 45 days after such Triggering Event.
- (vii) The provisions of this Section 10 shall not be applicable to any Award granted to a Participant if the Change of Control results from such Participant's beneficial ownership (within the meaning of Rule 13d-3 under the Securities and Exchange Act of 1934, as amended (the "Exchange Act")) of Shares or other Company common stock or Company voting securities as a Participant in a transaction described in (b) below.
- (viii) To the extent required to avoid any additional taxes or penalties under Section 409A of the Code, in the event of a resignation of a Participant on account of Good Reason (as defined in Section 2(e) above), if the period during which a payment or benefit may be made by the Company falls within more than one calendar year, such payment or benefit shall be provided to the Participant in the later calendar year.
- (b) *Change of Control Defined.* A "Change of Control" shall be deemed to have occurred as described in Section 2(e) (as amended from time to time). However, that, as to any Award under the Plan that consists of deferred compensation subject to Section 409A, the definition of "Change of Control" shall be deemed modified to the extent necessary to comply with Section 409A.

### **Section 11. Amendment or Termination of the Plan.**

Except to the extent limited under Section 15 herein, prohibited by applicable law or otherwise expressly provided in an Award Agreement or in the Plan, the Board of Directors may amend, alter, suspend, discontinue, or terminate the Plan, including without limitation any such action to correct any defect, supply any omission or reconcile any inconsistency in the Plan, without the consent of any stockholder, Participant, other holder or beneficiary of an Award, or Person; provided that any such amendment, alteration, suspension, discontinuation, or termination that would impair the rights of any Participant, or any other holder or beneficiary of any Award heretofore granted shall not be effective without the approval of the affected Participant(s); and provided further, that, notwithstanding any other provision of the Plan or any Award Agreement, without the approval of the stockholders of the Company no such amendment, alteration, suspension, discontinuation or termination shall be made that would:

- (a) increase the total number of Shares available for Awards under the Plan, except as provided in Section 4 hereof;
- (b) reduce the price at which Options or Stock Appreciation Rights may be granted below the price provided for in Section 7(a)(i);
- (c) reduce the exercise price of outstanding Options or Stock Appreciation Rights;
- (d) extend the term of this Plan;
- (e) change the class of persons eligible to be Participants;
- (f) otherwise amend the Plan in any manner requiring stockholder approval by law or under the New York Stock Exchange listing requirements; or
- (g) increase the individual maximum limits in Section 4.

### **Section 12. General Provisions.**

- (a) *Conditions and Restrictions Upon Securities Subject to Awards.* The Committee may provide that the Shares issued upon exercise of an Option or Stock Appreciation Right or otherwise subject to or issued under an Award shall be subject to such further agreements, restrictions, conditions or limitations as the Committee in its discretion may specify prior to the exercise of such Option or Stock Appreciation Right or the grant, vesting or settlement of such Award, including without limitation, conditions on vesting or transferability, forfeiture or repurchase provisions and method of payment for the Shares issued upon exercise, vesting or settlement of such Award (including the actual or constructive surrender of Shares already owned by the Participant) or payment of taxes arising in connection with an Award. Without limiting the foregoing, such restrictions may address the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any Shares issued under an Award, including without limitation (i) restrictions under an insider trading policy or pursuant to applicable law, (ii) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and holders of

other Company equity compensation arrangements, (iii) restrictions as to the use of a specified brokerage firm for such resales or other transfers and (iv) provisions requiring Shares to be sold on the open market or to the Company in order to satisfy tax withholding or other obligations.

- (b) Compliance with Laws and Regulations. This Plan, the grant, issuance, vesting, exercise and settlement of Awards thereunder, and the obligation of the Company to sell, issue or deliver Shares under such Awards, shall be subject to all applicable foreign, Federal, state and local laws, rules and regulations, stock exchange rules and regulations, and to such approvals by any governmental or regulatory agency as may be required. The Company shall not be required to register in a Participant's name or deliver any Shares prior to the completion of any registration or qualification of such shares under any foreign, Federal, state or local law or any ruling or regulation of any government body which the Committee shall determine to be necessary or advisable. To the extent the Company is unable to or the Committee deems it not appropriate or infeasible to obtain authorization from any regulatory body having jurisdiction, which authorization is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, or otherwise to satisfy the legal requirements in an applicable jurisdiction in a manner consistent with the intention of the Plan or any Award under the Plan, the Company and its Subsidiaries shall be relieved of any liability with respect to the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained. No Option or stock-settled Stock Appreciation Rights shall be exercisable and no Shares shall be issued and/or transferable under any other Award unless a registration statement with respect to the Shares underlying such Option or Stock Appreciation Rights is effective and current or the Company has determined that such registration is unnecessary.
- (c) No Rights to Awards. No Employee, Participant or other Person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Employees, Participants, or holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to each Participant.
- (d) No Limit on Other Compensation Agreements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation arrangements and such arrangements may be either generally applicable or applicable only in specific cases.
- (e) No Right to Employment. The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of the Company or any Affiliate. Further, the Company or an Affiliate may at any time dismiss a Participant from employment, free from any liability or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement.
- (f) Withholding. To the extent required by applicable Federal, state, local or foreign law, a Participant (including the Participant to whom an Award that has been transferred was originally granted) or in the case of the Participant's death, the Participant's estate or beneficiary, shall be required to satisfy, in a manner satisfactory to the Company, any withholding tax obligations that arise by reason of an Option or Stock Appreciation Right exercise, disposition of Shares issued under an Incentive Stock Option, the vesting of or settlement of an Award, an election pursuant to Section 83(b) of the Code or otherwise with respect to an Award. The Company and its Affiliates shall not be required to issue Shares, make any payment or to recognize the transfer or disposition of Shares until such obligations are satisfied. The Company or any Affiliate may withhold from any Award granted or any payment due or transfer made under any Award or under the Plan the amount (in cash, Shares, other securities, other Awards, or other property) of withholding Federal, state or local taxes due in respect of an Award, but no more than the minimum tax withholding required to comply with such law, its exercise, or any payment or transfer under such Award or under the Plan and to take such other action as may be necessary in the opinion of the Company or Affiliate to satisfy all obligations for the payment of such taxes.
- (g) Governing Law. The validity, construction, and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with the laws of the State of Delaware and applicable Federal law.
- (h) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction, or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person, or Award and the remainder of the Plan and any such Award shall remain in full force and effect.
- (i) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.
- (j) No Fractional Shares. No fractional Share shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities, or other property shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be canceled, terminated, or otherwise eliminated.

- (k) Headings. Headings are given to the sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

### **Section 13. Effective Date of the Plan.**

The Plan was approved by the Board of Directors on February 11, 2013 and shall have an effective date of May 13, 2013 (the "Effective Date"), subject to approval of the Plan by the stockholders of the Company at the May 2013 annual stockholders' meeting. Notwithstanding the foregoing, Plan provisions that contain an effective date other than May 13, 2013 shall be governed by such other effective date.

### **Section 14. Term of the Plan.**

No Award shall be granted under the Plan after February 10, 2023. However, unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee hereunder to amend, alter, adjust, suspend, discontinue, or terminate any such Award, or to waive any conditions or rights under any such Award, and the authority of the Board of Directors of the Company to amend, modify or terminate the Plan, shall extend beyond such date.

### **Section 15. Participants Subject to Sections 162(m) and 409A.**

- (a) The provisions of this Section 15 shall be applicable to all Covered Awards subject to IRC Section 162(m). Covered Awards shall be made subject to the achievement of one or more pre-established Performance Goals, in accordance with procedures to be established by the Committee from time to time. Notwithstanding any provision of the Plan to the contrary, the Committee shall not have discretion to waive or amend such Performance Goals or to increase the number of Shares subject to Covered Awards or the amount payable pursuant to Covered Awards after the Performance Goals have been established; provided, however, that the Committee may, in its sole discretion, reduce the number of Shares subject to Covered Awards or the amount which would otherwise be payable pursuant to Covered Awards; and provided, further, that the provisions of Section 9 shall override any contrary provision of this Section 15.
- (b) No Shares shall be delivered and no payment shall be made pursuant to a Covered Award unless and until the Committee shall have certified in writing that the applicable Performance Goals have been attained.
- (c) To the extent consistent with Section 162(m) of the Code, the Committee (A) shall appropriately adjust any evaluation of performance under a Performance Goal to eliminate the effects of charges for restructurings, discontinued operations, extraordinary items and all items of gain, loss or expense determined to be extraordinary or unusual in nature or related to the disposal of a segment or a business or related to a change in accounting principle all as determined in accordance with standards established by opinion No. 30 of the Accounting Principles Board (APB Opinion No. 30) or other applicable or successor accounting provisions, as well as the cumulative effect of accounting changes, in each case as determined in accordance with generally accepted accounting principles or identified in the Company's financial statements, including the notes thereto, and (B) may appropriately adjust any evaluation of performance under a Performance Goal to exclude any of the following events that occurs during a performance period: (i) asset write-downs, (ii) litigation, claims, judgments or settlements, (iii) the effect of changes in tax law or other such laws or provisions affecting reported results, (iv) accruals for reorganization and restructuring programs and (v) accruals of any amounts for payment under this Plan or any other compensation arrangement maintained by the Company. The Committee shall certify the extent to which any Qualifying Performance Criteria has been satisfied, and the amount payable as a result thereof, prior to payment, settlement or vesting of any Award that is intended to satisfy the requirements for "performance-based compensation" under Section 162(m) of the Code.
- (d) Section 409A Compliance. Awards under the Plan are intended to comply with Section 409A of the Code and all Awards shall be interpreted in accordance with such section and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the effective date of the Plan. Notwithstanding any provision of the Plan or any Award Agreement to the contrary, in the event that the Committee determines that any Award may or does not comply with Section 409A of the Code, the Company may adopt such amendments to the Plan and the affected Award (without Participant consent) or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Committee determines are necessary or appropriate to (i) exempt any Award from the application of Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to such Award, or (ii) comply with the requirements of Section 409A of the Code. The Committee may from time to time establish procedures pursuant to which Covered Employees will be permitted or required to defer receipt of amounts payable under Awards made under the Plan; provided, however, that any such deferral shall be implemented in a manner consistent with the requirements of Section 409A of the Code, to the extent applicable.
