The Schedule TO relates to the offer by the Purchaser to purchase all outstanding shares (the "Shares") of common stock, par value \$0.002 per share, of MapInfo Corporation, a Delaware corporation (the "Company"), at a purchase price of \$20.25 per Share in cash, without interest thereon, less any required withholding and transfer taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase dated March 22, 2007 (the "Offer to Purchase") and the related Letter of Transmittal (which, together with any amendments or supplements thereto, collectively constitute the "Offer"). Except as specifically provided herein, this Final Amendment does not modify any of the information previously reported on the Schedule TO.

Capitalized terms used and not otherwise defined herein shall have the meanings assigned to them in the Offer to Purchase.

**Items 1, 4, 8 and 11 of the Schedule TO.**

Items 1, 4, 8 and 11 of the Schedule TO are hereby amended and supplemented by including the following:

"The Depositary for the Offer has advised Pitney Bowes and the Purchaser, that, as of the expiration of the Offer, approximately 20.1 million Shares, including approximately 1.0 million Shares that were tendered pursuant to guaranteed delivery procedures, were validly tendered and not withdrawn in the Offer. Those Shares represent approximately 92.1 percent of the Company's outstanding Shares, including approximately 4.7 percent of outstanding Shares that were tendered pursuant to guaranteed delivery procedures. Following the expiration of the Offer, the Purchaser accepted for payment all Shares validly tendered and not withdrawn pursuant to the Offer.

Pursuant to the Merger Agreement, the Purchaser merged with and into the Company, with the Company continuing as the surviving corporation and a wholly-owned subsidiary of Pitney Bowes. By virtue of the Merger, each outstanding Share not tendered in the Offer, other than those held by holders who demand appraisal rights for such Shares under Delaware law, have been converted into the right to receive \$20.25 in cash, without interest (the same price paid in the Offer). In order to accomplish the Merger as a "short-form" merger, the Purchaser exercised the Top-Up Option which permitted it to purchase a limited number of additional Shares directly from the Company for \$20.25."
