## EXPLANATORY NOTE

On September 6, 2017, Pitney Bowes Inc. (“PBI”) filed a current report on Form 8-K (the “Original Form 8-K”) with the Securities and Exchange Commission disclosing that it had entered into an Agreement and Plan of Merger (the “Agreement”), dated as of September 6, 2017, among PBI, Neutron Acquisition Corp. (“Sub”), an indirect wholly owned subsidiary of PBI, NGS Holdings, Inc. (the “Company”) and Littlejohn Fund IV, L.P. (“Littlejohn”), solely in its capacity as stockholder representative. This Amendment No. 1 amends and restates the disclosures under Item 1.01 of the Original Form 8-K in their entirety and includes the Agreement as Exhibit 2.1 hereto. Except as otherwise provided herein, the other disclosures made in the Original Form 8-K remain unchanged.

### **ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

PBI entered into the Agreement, dated as of September 6, 2017, among PBI, Sub, the Company and Littlejohn, solely in its capacity as stockholder representative, pursuant to which PBI has agreed, among other things, to acquire all of the issued and outstanding equity interests of the Company (the “Merger”) for \$475,000,000 (equal to approximately 1.0x the Company’s revenue for the year ended December 31, 2016) in cash consideration, subject to certain adjustments. On September 6, 2017, PBI issued a press release announcing the entry into the Agreement. A copy of the press release, which was filed as Exhibit 99.1 to the Original Form 8-K, is incorporated herein by reference.

The consummation of the Merger is subject to customary conditions, including the expiration or termination of any applicable waiting period (and any extension thereof) under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the absence of any government order or other legal restraint prohibiting the consummation of the transactions contemplated by the Agreement. In addition, the obligation of PBI to consummate the Merger is subject to the absence of any event, change, occurrence, development or effect having occurred from the date of the Agreement that has had or continues to have a Material Adverse Effect (as defined in the Agreement).

The Agreement contains provisions giving each of PBI and the Company rights to terminate the Agreement under specified circumstances, including if the closing has not occurred on or before November 6, 2017.

The Agreement includes customary representations, warranties and covenants of PBI and the Company.

The foregoing description of the Agreement and the transactions contemplated thereby is qualified in its entirety by the full text of the Agreement, a copy of which is attached hereto as Exhibit 2.1 and incorporated herein by reference.

The Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about PBI or the Company or any of their respective businesses, subsidiaries or affiliates. The representations, warranties and covenants contained in the Agreement (a) were made by the parties thereto only for purposes of that agreement and as of specific dates; (b) were made solely for the benefit of the parties to the Agreement; (c) may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Agreement; (d) may have been made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing these matters as facts; and (e) may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants as characterizations of the actual state of facts or condition of PBI or the Company or any of their respective businesses, subsidiaries or affiliates. Additionally, the representations, warranties, covenants, conditions and other terms of the Agreement may be subject to subsequent waiver or modification. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Agreement.

---

PBI expects to finance the Merger with debt financing, which may include debt securities issued in one or more capital markets transactions, term loans, or other types of debt financing, or a combination thereof, together with cash on hand at PBI.

We want to caution readers that any forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 may change based on various factors. Section 2.1 The Merger. Upon the terms and subject to the conditions of this Agreement, at the Effective Time and in accordance with the DGCL, Sub shall be merged with and into the Company pursuant to which (a) the separate corporate existence of Sub shall cease, (b) the Company shall be the surviving corporation in the Merger (the “Surviving Corporation”) and shall continue its corporate existence under the laws of the State of Delaware as a wholly owned Subsidiary of the Acquiror and (c) all of the properties, rights, privileges, powers and franchises of the Company will vest in the Surviving Corporation, and all of the debts, liabilities, obligations and duties of the Company will become the debts, liabilities, obligations and duties of the Surviving Corporation.

Section 2.2 Closing; Effective Time.

(a) The closing of the Merger (the "Closing") shall take place at the offices of Gibson, Dunn & Crutcher LLP, 200 Park Ave, New York, New York, 10166, at 10:00 a.m., Eastern time, as soon as reasonably practicable, but no later than the later of (i) September 20, 2017, or (ii) the third Business Day following the satisfaction or, to the extent permitted by applicable Law, waiver of all conditions to the obligations of the parties set forth in Article VI (other than such conditions as may, by their nature, only be satisfied at the Closing or on the Closing Date, but subject to the satisfaction or waiver of such conditions), or at such other place or at such other time or on such other date as the parties mutually may agree in writing. The day on which the Closing takes place is referred to as the "Closing Date."

(b) As soon as practicable on the Closing Date, the parties shall cause a certificate of merger in customary form to be executed and filed with the Secretary of State of the State of Delaware (the "Certificate of Merger"), executed in accordance with the relevant provisions of the DGCL. The Merger shall become effective upon the filing of the Certificate of Merger with the Secretary of State of the State of Delaware or at such other time as the parties shall agree and as shall be specified in the Certificate of Merger. The date and time when the Merger shall become effective is herein referred to as the "Effective Time."

Section 2.3 Effects of the Merger. The Merger shall have the effects provided for herein and in the applicable provisions of the DGCL.

Section 2.4 Certificate of Incorporation and Bylaws. From and after the Effective Time, (a) the certificate of incorporation of Sub, as in effect immediately prior to the Effective Time, shall be the certificate of incorporation of the Surviving Corporation until amended in accordance with the provisions thereof and applicable Law; provided, that such certificate of incorporation shall reflect as of the Effective Time "NGS Holdings, Inc." as the name of the Surviving Corporation and (b) the bylaws of Sub, as in effect immediately prior to the Effective Time, shall be the bylaws of the Surviving Corporation until amended in accordance with the provisions thereof, the certificate of incorporation and applicable Law.

Section 2.5 Directors; Officers. From and after the Effective Time, (a) the directors of Sub serving immediately prior to the Effective Time shall be the directors of the Surviving Corporation until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be and (b) the officers of the Company serving immediately prior to the Effective Time shall be the officers of the Surviving Corporation until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be.

Section 2.7 Conversion of Stock. At the Effective Time, by virtue of the Merger and without any further action on the part of the Acquiror, Sub, the Company or any holder of any Shares or any shares of capital stock of Sub:

(a) each Share issued and outstanding immediately prior to the Effective Time (other than Cancelled Shares and any Dissenting Shares) shall be cancelled and converted into the right to receive the Closing Per Share Merger Consideration, in cash, without interest, together with any amounts that may be payable in respect of such Share from the Adjustment Escrow Account and the Stockholder Representative Expense Holdback Amount as provided in this Agreement and the Adjustment Escrow Agreement;

(b) each Share that is owned by the Acquiror or Sub immediately prior to the Effective Time shall automatically be cancelled and retired and shall cease to exist, and no cash or other consideration shall be delivered or deliverable in exchange therefor;

If, after the Effective Time, any such holder fails to perfect or withdraws or loses his right to appraisal, such Dissenting Shares shall thereupon be treated as if they had been converted as of the Effective Time into the right to receive the portion of the Merger Consideration, if any, to which such holder is entitled, without interest. From and after the Effective Time, the Dissenting Shares shall automatically be cancelled and retired and shall cease to exist, and any holder of Dissenting Shares shall cease to have any rights with respect thereto, except as provided in Section 262 of the DGCL. The Company shall give the Acquiror (a) reasonably prompt notice of any demands received by the Company for appraisal of Shares pursuant to the DGCL or any withdrawals of

such demands received by the Company and (b) the opportunity to direct and control all negotiations and proceedings with respect to such demands; provided, that the Acquiror shall reasonably consult with the Company with respect to any such negotiations and proceedings and the Company shall not be required to pay any amounts prior to the Closing in settlement of any such negotiations or proceedings. The Company shall not, except with the prior written consent of the Acquiror, make any payment with respect to, or settle or offer to settle, such demands.

The holder of any In-the-Money Option shall also be entitled to any amounts that may be payable in respect of such Option from the Adjustment Escrow Account and the Stockholder Representative Expense Holdback Amount as provided in this Agreement and the Adjustment Escrow Agreement, at the respective times and subject to the contingencies specified herein. The amounts described in this Section 2.9(a) shall be deemed to have been paid in full satisfaction of all rights pertaining to such In-the-Money Options.

(b) At the Effective Time, each outstanding Out-of-the-Money Option (whether vested or unvested) shall be cancelled without consideration and shall be of no further force and effect.

Section 2.10 Payment for Shares and Options.

(a) Prior to the Effective Time, the Acquiror shall designate a bank or trust company that is approved by the Stockholder Representative (which approval shall not be unreasonably withheld, conditioned or delayed) to act as paying agent in connection with the Merger (the "Paying Agent") pursuant to a paying agent agreement providing for, among other things, the matters set forth in this Section 2.10 and otherwise reasonably satisfactory to the parties hereto. Prior to the Effective Time, the Acquiror shall deposit with the Paying Agent, for the benefit of holders of Shares (each, a "Stockholder") and Persons that held In-the-Money Options as of immediately prior to the Effective Time who are not current or former employees, cash in an amount equal to (i) the Estimated Merger Consideration, minus (ii) the portion of the Option Payment Amount attributable to compensatory In-the-Money Options held by current or former employees, minus (iii) the Aggregate Option Exercise Price minus (iv) the aggregate Closing Per Share Merger Consideration to be directly paid from the Acquiror to any Stockholder (the "Payment Fund"). The expenses of the Paying Agent shall be paid by the Acquiror or the Surviving Corporation, as the case may be.

(b) The Paying Agent shall invest any cash included in the Payment Fund as directed by the Acquiror or, after the Effective Time, the Surviving Corporation, in: (i) direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America with a remaining term at the time of acquisition

thereof not in excess of 90 days, (ii) money market accounts or certificates of deposit maturing within 90 days of the acquisition thereof and issued by a bank or trust company organized under the laws of the United States of America or a state thereof and having a combined capital surplus in excess of \$500,000,000, or (iii) commercial paper issued by a domestic corporation and given a rating of no lower than A-1 by Standard & Poor's Corporation or P-1 by Moody's Investors Service, Inc. Any interest and other income resulting from such investments shall be paid as directed by the Acquiror or, after the Effective Time, the Surviving Corporation.

(c) As part of the Merger Consideration, concurrently with the Effective Time, the Acquiror shall deposit or cause to be deposited with the Company the portion of the Option Payment Amount attributable to compensatory In-the-Money Options held by current or former employees, by wire transfer of immediately available funds. Promptly following the Effective Time (and in any event on or prior to the second payroll date following the Closing Date), the Surviving Corporation shall make payments to holders of such outstanding In-the-Money Options as set forth in the first sentence of Section 2.9(a) utilizing the Surviving Corporation's payroll system.

Upon surrender of a Certificate for cancellation to the Paying Agent, together with such properly completed and duly executed Letter of Transmittal, the holder of such Certificate (other than any Stockholder who is to be directly paid from the Acquiror) shall be entitled to receive in exchange therefor (as promptly as practicable following such surrender, and in no event more than two Business Days after such surrender, or in the case of any Stockholder that surrenders a Certificate for cancellation, together with a duly executed Letter of Transmittal, no later than three Business Days prior to the Closing Date, no later than the first Business Day after the Closing Date) an amount in cash equal to (A) the Closing Per Share Merger Consideration, multiplied by (B) the number of Shares formerly represented by such Certificate, without interest, and such Certificate shall, upon such surrender, be cancelled. If payment in respect of any Certificate is to be made to a Person other than the Person in whose name such Certificate is registered in the transfer records of the Company, it shall be a condition of payment that the Certificate so surrendered shall be properly endorsed or shall otherwise be in proper form for transfer and that the Person requesting such payment shall have established to the satisfaction of the Acquiror and the Paying Agent that any transfer and other Taxes required by reason of such payment to a Person other than the registered holder of such Certificate have been paid or are not applicable. Until surrendered in accordance with the provisions of this Section 2.10, any Certificate (other than Certificates representing Cancelled Shares and any Dissenting Shares) shall be deemed, at any time after the Effective Time, to represent only the right to receive the portion of the Merger Consideration payable with respect thereto, in cash, without interest, as contemplated herein. In addition, promptly following the Effective Time, the Surviving Corporation shall cause the Paying Agent to make payments to holders of In-the-

Money Options (other than in respect of compensatory In-the-Money Options held by current or former employees) as set forth in the first sentence of Section 2.9(a).

(e) At the Effective Time, the stock transfer books of the Company shall be updated to reflect the transfer of the Shares to the Acquiror in accordance with the terms herein, and subsequently such books shall be closed and there shall be no further registration of transfers of any shares of capital stock thereafter on the records of the Company. If, after the Effective Time, a Certificate (other than Certificates representing Cancelled Shares) is presented to the Surviving Corporation for any reason, it shall be cancelled and exchanged as provided in this Section 2.10.

(f) All cash paid upon conversion of the Shares in accordance with the terms of this Article II shall be deemed to have been paid in full satisfaction of all rights pertaining to such Shares. From and after the Effective Time, the holders of Certificates shall cease to have any rights with respect to Shares represented thereby, except as otherwise provided herein or by applicable Law.

(g) If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the holder thereof in the form attached to the Letter of Transmittal and, if required by the Surviving Corporation, the posting by such Person of a bond in such reasonable amount as the Surviving Corporation may direct as indemnity against any claim that may be made against it with respect to such Certificate, the Surviving Corporation shall cause the Paying Agent to pay in exchange for such lost, stolen or destroyed Certificate the relevant portion of the Merger Consideration payable in respect thereof pursuant to Section 2.10(d) for Shares represented thereby.

(h) At any time following the expiration of 12 months after the Effective Time, the Surviving Corporation shall be entitled to require the Paying Agent to deliver to it any funds (including any interest received with respect thereto) which had been made available to the Paying Agent and which have not been disbursed to holders of Certificates, and such funds shall thereafter become the property of the Surviving Corporation. Thereafter, such holders shall be entitled to look to the Surviving Corporation (subject to applicable abandoned property, escheat or similar Law) only as general creditors thereof with respect to the applicable consideration payable as contemplated by this Agreement upon due surrender of their Certificates, without any interest thereon. Any portion of such remaining cash unclaimed by Stockholders as of a date which is immediately prior to such time as such amounts would otherwise escheat to or become property of any Governmental Authority shall, to the extent permitted by applicable Law, become the property of the Surviving Corporation, free and clear of any claims or interest of any Person previously entitled thereto.

(i) Notwithstanding anything to the contrary contained herein, none of the parties hereto, the Surviving Corporation or the Paying Agent shall be liable to any Person if the Merger Consideration is delivered to a public official as required by any applicable abandoned property, escheat or similar Law.

(j) Any interest and other income resulting from investments of the Payment Fund shall be treated as accrued by the Acquiror and, after the Effective Time, the Surviving Corporation for U.S. federal income tax purposes.

Section 2.11 Closing Payments. At the Closing, the Acquiror will make (or cause to be made) the following payments, in each case by wire transfer of immediately available funds to the account or accounts designated by the payee in writing no later than two Business Days prior to the Closing Date:

(e) on behalf of the Company, the amount payable to each counterparty or holder of Indebtedness identified on Schedule 2.11(e) other than the Retained Indebtedness on such schedule (which schedule shall be updated to include any Indebtedness incurred after the date hereof) in order to fully discharge such Indebtedness and terminate all applicable obligations and liabilities of the Company and any of its Affiliates related thereto; and

The Stockholder Representative shall be deemed to have agreed with all items and amounts of Closing Net Working Capital, Closing Indebtedness, Closing Cash and/or Closing Transaction Expenses not specifically referenced in the Notice of Disagreement, and such items and amounts shall not be subject to review in accordance with Section 2.12(d).

(d) During the 30-day period following delivery of a Notice of Disagreement by the Stockholder Representative to the Acquiror, the parties in good faith shall seek to resolve in writing any differences that they may have with respect to the calculation of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and/or Closing Transaction Expenses as specified therein. Any disputed items resolved in writing between the Acquiror and the Stockholder Representative within such 30 day period shall be final and binding with respect to such items, and if the Stockholder Representative and the Acquiror agree in writing on the resolution of each disputed item specified by the Stockholder Representative in the Notice of Disagreement and the amount of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and/or Closing Transaction Expenses, the amounts so determined shall be final and binding on the parties for all purposes hereunder. If the Acquiror and the Stockholder Representative have not resolved all such differences by the end of such 30-day period, the Acquiror and the Stockholder Representative shall submit, in writing, to an independent public accounting firm (the "Independent Accounting Firm"), their briefs detailing their views as to the correct nature and amount of each item in the Notice of Disagreement remaining in dispute and the amounts of the Closing Net Working Capital, Closing Indebtedness and/or Closing Cash, Closing Transaction Expenses, and the Independent Accounting Firm shall make a written determination as to each such disputed item in the Notice of Disagreement remaining in dispute and the amount of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and/or Closing Transaction Expenses. The Independent Accounting Firm shall be Deloitte LLP or, if such firm is unable or unwilling to act, such other independent public accounting firm as shall be agreed in writing by the Stockholder Representative and the Acquiror. The Acquiror and the Stockholder Representative shall use their commercially reasonable efforts to cause the

Independent Accounting Firm to render a written decision resolving the matters submitted to it within 30 days following the submission thereof. The Independent Accounting Firm shall consider only those items and amounts in the Acquiror's and the Stockholder Representative's respective calculations of the Closing Net Working Capital, Closing Indebtedness and/or Closing Cash Closing Transaction Expenses that are identified as being items and amounts in the Notice of Disagreement to which the Acquiror and the Stockholder Representative have been unable to agree. The scope of the disputes to be resolved by the Independent Accounting Firm shall be limited to correcting mathematical errors and determining whether the items and amounts in the Notice of Disagreement remaining in dispute were determined in accordance with the Applicable Accounting Principles and the Sample Statement and the Independent Accounting Firm is not to make any other determination, including any determination as to whether the Target Net Working Capital is correct, adequate or sufficient. In resolving any disputed item, the Independent Accounting Firm may not assign a value to any item greater than the greatest value for such item claimed by either party or less than the smallest value for such item claimed by either party. The Independent Accounting Firm's determination of the Closing Net Working Capital, Closing Indebtedness, Closing Cash and Closing Transaction Expenses shall be based solely on written materials submitted by the Acquiror and the Stockholder Representative (i.e., not on independent review). The determination of the Independent Accounting Firm shall be conclusive and binding upon the parties hereto and shall not be subject to appeal or further review. Judgment may be entered upon the written determination of the Independent Accounting Firm in accordance with Section 8.10.

(e) The costs of any dispute resolution pursuant to this Section 2.12, including the fees and expenses of the Independent Accounting Firm and of any enforcement of the determination thereof, shall be borne by the Acquiror and the Stockholder Representative in inverse proportion as they may prevail on the matters resolved by the Independent Accounting Firm, which proportionate allocation shall be calculated on an aggregate basis based on the relative dollar values of the amounts in dispute and shall be determined by the Independent Accounting Firm at the time the determination of such firm is rendered on the merits of the matters submitted. The fees and disbursements of the Representatives of each party incurred in connection with the preparation or review of the Final Closing Statement and preparation or review of any Notice of Disagreement, as applicable, shall be borne by such party.

(f) The Acquiror, the Company and the Stockholder Representative will, and the Acquiror will cause the Surviving Corporation (following the Closing through the resolution of any adjustment to the Merger Consideration contemplated by this Section 2.12) to, afford the other party and its Representatives reasonable access, during normal business hours and upon reasonable prior notice, to the personnel, properties, books and records of the Company and its Subsidiaries or the Surviving Corporation and its Subsidiaries, as the case may be, and to any other information reasonably requested for purposes of preparing and reviewing the calculations contemplated by this Section 2.12. Each party shall authorize its accountants to disclose work papers generated by such accountants in connection with preparing and reviewing the calculations specified in this Section 2.12; provided, that such accountants shall not be obligated to make any work papers available except in accordance with such accountants' disclosure procedures and then only after the non-client party has signed an agreement relating to access to such work papers in form and substance acceptable to such accountants.

(g) The Merger Consideration shall be adjusted, upwards or downwards, as follows:

(i) For the purposes of this Agreement, the “Net Adjustment Amount” means an amount, which may be positive or negative, equal to (A) the Closing Net Working Capital as finally determined pursuant to this Section 2.12 minus the Estimated Net Working Capital, plus (B) the Estimated Indebtedness minus the Closing Indebtedness as finally determined pursuant to this Section 2.12, plus (C) the Closing Cash as finally determined pursuant to this Section 2.12 minus the Estimated Cash, plus (D) the Estimated Transaction Expenses minus the Closing Transaction Expenses as finally determined pursuant to this Section 2.12;

(ii) If the Net Adjustment Amount is positive, the Merger Consideration shall be adjusted upwards in an amount equal to the Net Adjustment Amount. In such event, the Acquiror shall pay an aggregate amount equal to the Net Adjustment Amount to (A) the Paying Agent for delivery to the Stockholders and Persons that held In-the-Money Options as of immediately prior to the Effective Time who are not current or former employees and (B) the Surviving Corporation for delivery to the current or former employees that held In-the-Money Options as of immediately prior to the Effective Time through the Surviving Corporation’s payroll system, which payments shall be made pro rata in accordance with each holder’s respective Fully Diluted Percentage; and

(iii) If the Net Adjustment Amount is negative (in which case the “Net Adjustment Amount” for purposes of this clause (iii) shall be deemed to be equal to the absolute value of such amount), the Merger Consideration shall be adjusted downwards in an amount equal to the Net Adjustment Amount. In such event, the Stockholder Representative (on behalf of the Equityholders) and the Acquiror shall jointly instruct the Escrow Agent to (A) if the Net Adjustment Amount equals or exceeds the Adjustment Escrow Amount, promptly deliver to the Acquiror the Adjustment Escrow Amount from the Adjustment Escrow Account, or (B) if the Adjustment Escrow Amount exceeds the Net Adjustment Amount, promptly deliver to the Acquiror the Net Adjustment Amount from the Adjustment Escrow Account. In the case of clause (A) above, if the Net Adjustment Amount exceeds the Adjustment Escrow Amount, at the Acquiror’s request, each Equityholder shall pay to the Stockholder Representative, for payment to the Acquiror, such Equityholder’s pro rata share of such excess in accordance with such Equityholder’s respective Fully Diluted Percentage, and the Stockholder Representative shall deliver the aggregate amount so received by the Stockholder Representative to the Acquiror within three Business Days of receipt thereof by wire transfer of immediately available funds to such account or accounts as may be designated in writing by the Acquiror. In the case of clause (A) above, if the Net Adjustment Amount exceeds the Adjustment Escrow Amount, and any Equityholder fails to timely pay its pro rata share of such excess in accordance with such Equityholder’s respective Fully Diluted Percentage, the Stockholder Representative shall be entitled to use all or a portion of the Stockholder Representative Expense Holdback Amount to comply with the provisions of this Section 2.12(g).

(iv) If (A) the Net Adjustment Amount is negative and (B) the Adjustment Escrow Amount exceeds the absolute value of the Net Adjustment Amount, then the Stockholder Representative and the Acquiror shall jointly instruct the Escrow Agent to arrange

for the distribution of such excess from the Adjustment Escrow Account to (1) the Paying Agent for delivery to the Stockholders and Persons that held In-the-Money Options as of immediately prior to the Effective Time who are not current or former employees and (2) the Surviving Corporation for delivery to the current or former employees that held In-the-Money Options as of immediately prior to the Effective Time, which payments shall be made pro rata in accordance with their respective Fully Diluted Percentages, and no further payment shall be payable by the Acquiror or the Stockholder Representative (on behalf of the Stockholders) under this Section 2.12.

(v) Payments in respect of this Section 2.12(g) shall be made (A) in the case of Stockholders and Persons that held In-the-Money Options as of immediately prior to the Effective Time who are not current or former employees, within three Business Days of final determination of the Net Adjustment Amount pursuant to the provisions of this Section 2.12 by wire transfer of immediately available funds to such account or accounts as may be designated in writing by the party entitled to such payment at least two Business Days prior to such payment date and (B) in the case of the current or former employees that held In-the-Money Options as of immediately prior to the Effective Time, on or prior to the second payroll date immediately following the final determination of the Net Adjustment Amount pursuant to the provisions of this Section 2.12 through the Surviving Corporation's payroll system.

(vi) For the avoidance of doubt, this Section 2.12 is not intended to be used to permit the introduction of different judgments, accounting methodologies (including with respect to accruals and reserves), policies, principles, practices, procedures or classifications for purposes of calculating amounts referred to in this Section 2.12, or to adjust for any inconsistencies between the Applicable Accounting Principles, on the one hand, and GAAP, on the other.

Section 2.13 Stockholder Representative.

(a) Immediately upon the approval of this Agreement by the requisite vote or written consent of the Stockholders, each Stockholder and holder of Options shall be deemed to have consented to the appointment of Littlejohn Fund IV, L.P. as such Stockholder's representative and attorney-in-fact (the "Stockholder Representative"), with full power of substitution to act on behalf of the Equityholders to the extent and in the manner set forth in this Agreement and the Adjustment Escrow Agreement, including with respect to any Actions or Judgments relating to Claims made by an Acquiror Indemnitee pursuant to Article VIII hereof. All decisions, actions, consents and instructions by the Stockholder Representative shall be binding upon all of the Equityholders, and no Person shall have the right to object to, dissent from, protest or otherwise contest the same. The Acquiror shall not have the right to object to, dissent from, protest or otherwise contest the authority of the Stockholder Representative. The Acquiror and Sub shall be entitled to rely on any decision, action, consent or instruction of the Stockholder Representative as being the decision, action, consent or instruction of the Equityholders, and the Acquiror and Sub are hereby relieved from any liability to any Person for acts done by them in accordance with any such decision, act, consent or instruction. By their approval of this Agreement, the Stockholders shall be deemed to have waived, any claims they may have or assert, including those that may arise in the future, against the Stockholder Representative for any action or inaction taken or not taken by the Stockholder Representative in

connection with such Person's capacity as Stockholder Representative except to the extent that such action or inaction shall have been held by a court of competent jurisdiction to constitute gross negligence or willful misconduct.

(b) The Stockholder Representative shall have the right to recover from, in its sole discretion, the Stockholder Representative Expense Holdback Amount and amounts actually released by the Escrow Agent to the Stockholder Representative from the Adjustment Escrow Account, prior to any distribution to the Stockholders, the Stockholder Representative's documented reasonable out-of-pocket expenses incurred in the performance of its duties hereunder ("Charges"), including, without limitation, those resulting from the employment of financial advisors, attorneys, auditors and other advisors and agents assisting in the assessment of arbitration, litigation and settlement of any disputes arising under this Agreement. In the event the remaining Stockholder Representative Expense Holdback Amount is at any time insufficient to satisfy the Charges, then each Equityholder will be obligated (severally) to pay its Fully Diluted Percentage of such deficit. Any portion of the Stockholder Representative Expense Holdback Amount that is remaining upon completion of the Stockholder Representative's duties hereunder shall be distributed by the Stockholder Representative to the holders of Shares and In-the-Money Options in accordance with their respective Fully Diluted Percentages.

(c) The Stockholder Representative may resign at any time, and may be removed for any reason or no reason by the vote or written consent of Stockholders holding a majority of the aggregate Fully Diluted Share Number at the Effective Time (the "Majority Holders"). In the event of the death, incapacity, resignation or removal of the Stockholder Representative, a new Stockholder Representative shall be appointed by the vote or written consent of the Majority Holders. Notice of such vote or a copy of the written consent appointing such new Stockholder Representative shall be sent to the Acquiror and, after the Effective Time, to the Surviving Corporation, such appointment to be effective upon the later of the date indicated in such consent or the date such consent is received by the Acquiror and, after the Effective Time, the Surviving Corporation.

(d) The approval of this Agreement by the requisite vote or written consent of Stockholders shall also be deemed to constitute approval of all arrangements relating to the transactions contemplated hereby and to the provisions hereof binding upon the Stockholders.

Section 2.14 Withholding. Notwithstanding anything to the contrary herein, the Acquiror, Sub, the Surviving Corporation, the Paying Agent, the Stockholder Representative, the Escrow Agent and the Company and its Subsidiaries shall be entitled to deduct and withhold from any amount otherwise payable to any Person pursuant to this Agreement such amounts as it is required by any Law to deduct and withhold with respect to Taxes and any amounts so withheld shall be promptly remitted to the appropriate Governmental Authority. To the extent that amounts are so withheld and paid to the appropriate Governmental Authority in accordance with all applicable Law, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made.

any such conflicts, violations, breaches, defaults or other occurrences that would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or prevent, materially delay or materially impede the performance by the Company of its obligations under this Agreement or the consummation of the transactions contemplated hereby.

(b) Assuming the accuracy of the representations and warranties of the Acquiror and Sub in Section 4.3(b), the Company is not required to file, seek or obtain any notice, authorization, approval, order, permit or consent of, or with, any Governmental Authority in connection with the execution, delivery and performance by the Company of this Agreement or the consummation of the transactions contemplated hereby and the performance by the Company of its obligations hereunder, except (i) for any filings required to be made under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”), (ii) for the filing of the Certificate of Merger with the Secretary of State of the State of Delaware, (iii) for such filings as may be required by any applicable federal or state securities or “blue sky” Laws, (iv) where failure to obtain such consent, approval, authorization or action, or to make such filing or notification, would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or prevent, materially delay or materially impede the performance by the Company of its obligations under this Agreement or the consummation of the transactions contemplated hereby, or (v) as may be necessary as a result of any facts or circumstances relating to the Acquiror or any of its Affiliates.

Except as set forth on Schedule 3.13(d) of the Disclosure Schedules, the Leased Real Property is occupied exclusively by the Company and its Subsidiaries, and there is no lease, sublease, license or occupancy agreement affecting any Leased Real Property other than the applicable Lease. Neither the Company nor any of its Subsidiaries has collaterally assigned or granted any other security interest in any Leased Real Property or any interest therein.

(h) There are no Contracts, including but not limited to any service Contracts, that if terminated would grant any party the right to either (i) terminate any Lease affiliated with any such Contract or (ii) assign any such affiliated Lease to a new third party lessee without the consent of the Acquiror, as successor lessee to the Company or its Subsidiaries, the effect of which in either instance would be the loss of the leasehold interest in the applicable Leased Real Property.

(i) Neither the Company nor any of its Subsidiaries has received notice (written or oral) from any counterparty to any Lease of such Person's intent not to renew or extend the term of such Lease upon expiration.

Notwithstanding anything to the contrary contained herein, the Acquiror and Sub acknowledge and agree that their obligations to effect the Merger are not contingent on the ability to obtain any third party financing.

Section 4.6 Brokers. Except for Citigroup Global Markets Inc., the fees, commissions and expenses of which will be paid by the Acquiror, no broker, finder or investment banker is entitled to any brokerage, finder's or other fee or commission in connection with the transactions contemplated hereby based upon arrangements made by or on behalf of the Acquiror or Sub.

The Company and its Subsidiaries will each use commercially reasonable efforts to make appropriate substitute arrangements and obtain consents to permit reasonable disclosure under circumstances in which the restrictions in the preceding sentence apply.

(b) In order to facilitate the resolution of any claims made against or incurred by the Stockholders (as they relate to the Company and its Subsidiaries), the Acquiror shall cause the Surviving Corporation to (i) retain the books and records relating to the Company and its Subsidiaries relating to periods prior to the Closing for the applicable period required by the Acquiror's record retention policies and (ii) for a period of seven years after the Closing, afford the Stockholder Representative, upon reasonable notice, reasonable access (including the right to make, at the Stockholder Representative's expense, photocopies) to such books and records retained in accordance with clause (i) solely for such purpose; provided, however, that (x) any such access or furnishing of information shall be conducted at the applicable Stockholder Representative's expense, during normal business hours, under the supervision of the Surviving Corporation's personnel and in such a manner as not to interfere unreasonably with the normal operations of the Surviving Corporation, (y) such access shall be subject to the Equityholders'

obligations to keep such information confidential pursuant to Section 8.21 and shall be limited to information required in connection with the resolutions of such claims and (z) the Surviving Corporation shall not be required to disclose any information (I) if the Surviving Corporation determines, in its reasonable judgment after consultation with outside legal counsel, that such disclosure would (A) jeopardize any attorney-client or other legal privilege or (B) contravene any applicable Laws, fiduciary duty or binding Contract entered into prior to the date hereof, (II) if the parties are adverse parties in any Action and such information is pertinent thereto, or (III) that should not be disclosed due to its competitively sensitive nature. The Company and its Subsidiaries will each use commercially reasonable efforts at the expense of the Stockholder Representative to make appropriate substitute arrangements and obtain consents to permit reasonable disclosure under circumstances in which the restrictions in the preceding sentence apply.

Section 5.3 Stockholder Consent. (a) As soon as practicable following the date of this Agreement, the Company shall take all action necessary in accordance with the DGCL and the Company's certificate of incorporation and bylaws to duly call, give notice of, convene and hold a meeting of the Company's Stockholders for Stockholders to obtain the Company Stockholder Approval or solicit the written consent of Stockholders with respect thereto, and to obtain executed Restrictive Covenant Agreements and Stockholder Consent and Agreements from the Persons set forth on Schedule 5.3(a) of the Disclosure Schedules.

(b) Promptly following, but in no event more than five Business Days after, receipt of the written consents pursuant to clause (a), the Company shall prepare and mail a notice (the "Stockholder Notice") to every Stockholder that did not execute a written consent in accordance with Section 228(e) of the DGCL and the bylaws of the Company. The Stockholder Notice shall include therewith a copy of Section 262 of the DGCL, and shall be sufficient in form and substance to start the 20-day period during which a Stockholder must demand appraisal of such Shares as contemplated by Section 262(d)(2) of the DGCL. All materials submitted to the Stockholders in accordance with this Section 5.3 will be subject to the Acquiror's advance review and reasonable approval.

Section 5.4 Notification of Certain Matters. Until the Closing, each party hereto shall promptly notify the other parties in writing (and will subsequently keep the other informed on a current basis of any material developments related to such notice) of any fact, change, condition, circumstance or occurrence or nonoccurrence of any event of which it is aware that will or is reasonably likely to result in any of the conditions set forth in Article VI of this Agreement becoming incapable of being satisfied.

Section 5.5 Takeover Statutes. If any state Takeover Statute or similar Law shall become applicable to the transactions contemplated by this Agreement or the Ancillary Agreements, each of the Company and the Acquiror and their respective board of directors shall grant such approvals and take such actions as are reasonably necessary so that the transactions contemplated hereby or thereby may be consummated as promptly as practicable on the terms contemplated hereby or thereby and otherwise act to eliminate or minimize the effects of such statute or regulation on the transactions contemplated hereby or thereby.

Section 5.6 Stock Option Plan. Prior to the Effective Time, the Company shall take any actions necessary or appropriate under the NGS Holdings, Inc. Equity Incentive Plan to provide that, (i) at the Effective Time, each then outstanding In-the-Money Option shall terminate and the holder thereof shall have the right to receive the consideration set forth in Section 2.9 in respect thereof and each then-outstanding Out-of-the-Money Option shall be cancelled without consideration and shall be of no further force and effect and (ii) following the Effective Time, no Company Personnel shall have any right under the NGS Holdings, Inc. Equity Incentive Plan or any other Employee Plan to acquire any capital stock of the Company or any of its Subsidiaries or any other equity interest therein.

Section 5.7 Employee Benefits.

(a) The Acquiror shall provide, or cause to be provided, to the employees of the Company and its Subsidiaries who are employed in the United States (the “Affected Employees”), for a period of one year following the Effective Time, compensation and employee benefits that in the aggregate are at least comparable to those currently provided by the Company and its Subsidiaries to such employees, and the Acquiror shall cause to be provided to any Affected Employee who is terminated during such one-year period following the Effective Time severance benefits at least comparable to those currently provided by the Company and its Subsidiaries to similarly situated employees as set forth in Schedule 5.7(a) of the Disclosure Schedules. From and after the Effective Time, the Acquiror shall cause the Surviving Corporation and its Subsidiaries, as applicable, to honor the terms of existing employment, severance, change of control and salary continuation agreements between the Company or any of its Subsidiaries and any current or former officer, director, employee or consultant of the Company or any of its Subsidiaries or group of such officers, directors, employees or consultants, in each case, to the extent the Company or any of its Subsidiaries would have been required to perform such agreement and as such agreement may be amended from time to time in accordance with its terms.

(b) The Acquiror shall, or shall cause the Surviving Corporation to, honor all unused vacation, holiday, sickness and personal days accrued by the employees of the Company and its Subsidiaries under the policies and practices of the Company and its Subsidiaries. In the event of any change in the welfare benefits provided to any employee of the Company or any of its Subsidiaries under any plan, the Acquiror shall, or shall cause the Surviving Corporation to, (i) waive all limitations as to preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to the Affected Employees and their covered dependents under such plan (except to the extent that such conditions, exclusions or waiting periods would apply under the Company’s or such Subsidiary’s then existing plans absent any change in such welfare coverage plan) and (ii) provide each Affected Employee and his or her covered dependents with credit for any co-payments and deductibles paid prior to any such change in coverage in satisfying any applicable deductible or out-of-pocket requirements under such new or changed plan. The Acquiror shall, or shall cause the Surviving Corporation to, provide each Affected Employee with credit for all service with the Company and its Affiliates for purposes of determining eligibility to participate, level of benefits and vesting (but not for purposes of (A) early retirement eligibility and (B) benefits accruals under any defined benefit pension plan) under each employee benefit plan, policy, program or arrangement in which such Affected Employee is eligible to participate, except to the extent that it would result

in a duplication of benefits with respect to the same period of services and no such service shall be recognized for purposes of any employee benefit plan, policy, program or arrangement that is grandfathered or frozen with respect to levels of benefits or participation.

(c) If requested by the Acquiror in writing at least five Business Days prior to the Closing Date, the Company shall, or shall cause its Subsidiaries to, terminate any and all Employee Plans intended to qualify under Section 401(k) of the Code (the “401(k) Plan(s)”), effective not later than the Business Day immediately preceding the Closing Date. In the event that the Acquiror requests that such 401(k) Plan(s) be terminated, the Company shall provide the Acquiror with evidence that such 401(k) Plan(s) have been terminated pursuant to resolution of the Company’s board of directors not later than two Business Days immediately preceding the Closing Date. In such event, the Acquiror shall permit Affected Employees with account balances under the 401(k) Plan(s) to directly roll over their entire accounts (including any loan notes) to a tax-qualified defined contribution plan maintained by the Acquiror or an Affiliate so long as such direct rollover is elected by the applicable Affected Employee in accordance with applicable Law (and, in the case of loan notes, so long as such loan notes are permitted under the terms of Acquiror’s or its Affiliate’s tax qualified defined contribution plan).

(d) Nothing contained in this Section 5.7 shall be construed to (i) create any third party beneficiary rights in any Company Personnel (including any dependent or beneficiary thereof), including in respect of continued employment for specified period or compensation, benefits or other terms and conditions of employment that may be provided by the Acquiror, the Surviving Corporation or any of their Subsidiaries or under any employee benefit plans they maintain, (ii) require the Acquiror or the Surviving Corporation to continue any specific employee benefit plans be treated as an establishment, adoption or amendment of any particular employee benefit plan, or (iv) prevent the Acquiror, the Surviving Corporation or any of their Subsidiaries from amending or terminating any of their benefit plans or any Employee Plan in accordance with its terms.

Section 5.8 Confidentiality. Each of the parties shall hold, and shall cause its Representatives to hold in confidence all documents and information furnished to it by or on behalf of any other party to this Agreement in connection with the transactions contemplated hereby pursuant to the terms of the non-disclosure agreement dated May 5, 2017, as amended on July 14, 2017 between the Acquiror and the Company (together, the “Non-Disclosure Agreement”), which shall continue in full force and effect until the Closing Date, at which time such Non-Disclosure Agreement and the obligations of the parties under this Section 5.8 shall terminate. If for any reason this Agreement is terminated prior to the Closing Date, the Non-Disclosure Agreement shall nonetheless continue in full force and effect in accordance with its terms.

Section 5.9 Consents and Filings; Further Assurances.

(a) Each of the parties shall cooperate with each other and use commercially reasonable efforts, subject to Section 5.9(b), to take, or cause to be taken, all appropriate action and to do, or cause to be done, all things reasonably necessary, proper or advisable on its part under this Agreement and applicable Law or otherwise to consummate and make effective the transactions contemplated by this Agreement and the Ancillary Agreements as promptly as

practicable, including to (i) obtain from Governmental Authorities all consents, approvals, authorizations, waivers, qualifications and orders as are necessary for the consummation of the transactions contemplated by this Agreement and the Ancillary Agreements, and (ii) promptly (and in no event later than five Business Days after the date hereof) make all necessary filings, and thereafter make any other required submissions, with respect to this Agreement required under the HSR Act or any other applicable Law. The Acquiror shall pay all filing fees and other charges for the filing under the HSR Act by all parties.

(b) Without limiting the generality of the parties' undertaking pursuant to Section 5.9(a), the Acquiror agrees to use, during the period prior to the Termination Date, its reasonable best efforts to avoid or eliminate each and every impediment under any antitrust, competition or trade regulation Law reasonably asserted by any Governmental Authority so as to enable the parties hereto to expeditiously close the transactions contemplated by this Agreement and the Ancillary Agreements as promptly as practicable. In addition, the Acquiror shall use its reasonable best efforts to defend through litigation on the merits any claim asserted in court by any Governmental Authority in order to avoid entry of, or to have vacated or terminated, any Judgment (whether temporary, preliminary or permanent) that would prevent the Closing by the Termination Date. Notwithstanding anything to the contrary in this Agreement, nothing in this Section 5.9 shall require the Acquiror to propose, negotiate, commit to and effect, by consent decree, hold separate orders, or otherwise, (i) the sale, divestiture, licensing or disposition of any of its assets, properties or businesses (or portion thereof) or of the assets, properties or businesses to be acquired by it pursuant hereto, or (ii) any regulatory conditions, undertakings, limitations or behavioral remedies with respect to the Acquiror or any of its Subsidiaries (including after the Closing, the Surviving Corporation) or the ownership or conduct of its business following Closing, and the Company and its Representatives shall not propose or agree to any such consent decree or hold separate order without the Acquiror's prior written consent.

(c) Each of the parties shall promptly notify the other parties of any communication it or any of its Affiliates receives from any Governmental Authority relating to the matters that are the subject of this Agreement and permit the other parties to review in advance any proposed communication by such party to any Governmental Authority. No party to this Agreement shall agree to participate in any meeting with any Governmental Authority in respect of any filings, investigation or other inquiry unless it consults with the other parties in advance and, to the extent permitted by such Governmental Authority, gives the other parties the opportunity to attend and participate at such meeting. Subject to the Non-Disclosure Agreement and the obligation of the Company and its Representatives to keep all such information confidential and to not use such information for any other purpose, the parties will coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other parties may reasonably request in connection with the foregoing and in seeking early termination of any applicable waiting periods including under the HSR Act. Subject to the Non-Disclosure Agreement and the obligation of the Company and its Representatives to keep all such information confidential and to not use such information for any other purpose, the parties will provide each other with copies of all correspondence, filings or communications between them or any of their Representatives, on the one hand, and any Governmental Authority or members of its staff, on the other hand, with respect to this Agreement and the transactions contemplated hereby.

(d) Certain consents and waivers with respect to the transactions contemplated by this Agreement may be required from parties to contracts to which the Company or a Subsidiary of the Company is a party that have not been and may not be obtained. Neither the Company nor any of its Affiliates shall have any liability to the Acquiror arising out of or relating to the failure to obtain any consents or waivers that may be required in connection with the transactions contemplated by this Agreement or because of the termination of any contract as a result thereof.

(e) The Company shall (i) inform the Acquiror as soon as reasonably practicable of any material communication (written or oral) between the Company or any of its Subsidiaries and (A) any Postal Authority concerning any Material Contract with such Postal Authority or concerning the transactions contemplated by this Agreement, (B) solely with respect to the Leased Real Property set forth on Schedule 5.9(e)(i) of the Disclosure Schedules, the lessor or any other third party associated with the development and construction (including any engineers, contractors and consultants) concerning the development or construction of such Leased Real Property (including by providing the Acquiror with copies of specifications and plans regarding any Leased Real Property) or the transactions contemplated by this Agreement and (C) any lessor of any of the Leased Real Properties set forth on Schedule 5.9(e)(ii) of the Disclosure Schedules concerning any renewal of the applicable Lease or the transactions contemplated by this Agreement, and (ii) to the extent reasonably practicable, provide the Acquiror with a reasonable opportunity to provide the Company feedback on any such communication. For the avoidance of doubt, material communications shall only include communications between the Company or any of its Subsidiaries, on the one hand, and any Postal Authority, lessor or other Person described in the foregoing clauses (A), (B) and (C), respectively, on the other hand, concerning the matters described in the foregoing clauses (A), (B) and (C), as applicable.

Section 5.10 Public Announcements. On and after the date hereof and through the Closing Date, the parties shall consult with each other before issuing, and give each other the reasonable opportunity to review and comment upon, any press release, employee announcement or otherwise making any public statements with respect to this Agreement or the transactions contemplated hereby, and none of the parties shall issue any press release, employee announcement or make any public statement regarding the transactions contemplated hereby prior to obtaining the other parties' written approval, which approval shall not be unreasonably withheld, delayed or conditioned, except that no such approval shall be necessary to the extent disclosure may be required by applicable Law or any listing agreement of any party hereto.

Section 5.11 Directors' and Officers' Indemnification.

(a) The Acquiror agrees that all rights to indemnification or exculpation now existing in favor of the directors, officers, employees and agents of the Company or any of its Subsidiaries, solely with respect to actions and omissions occurring prior to the Closing Date, as provided in the Company's or such Subsidiary's certificate of incorporation, bylaws or other similar governing documents in effect as of the date hereof, shall survive the Closing and shall continue in full force and effect for a period of not less than six years and that the Company and its Subsidiaries will perform and discharge the obligations to provide such indemnity and exculpation after the Closing; provided, however, that all rights to indemnification and

exculpation in respect of any Action arising out of or relating to matters existing or occurring at or prior to the Closing Date and asserted or made within such six-year period shall continue until the final disposition of such Action. From and after the Closing, the Acquiror shall not, and shall cause each of its Subsidiaries and Affiliates (including the Surviving Corporation) not to, amend, repeal or otherwise modify the indemnification provisions of the Surviving Corporation's certificate of incorporation, bylaws or other similar governing documents as in effect as of the date hereof, solely with respect to actions and omissions occurring prior to the Closing Date in any manner that would adversely affect the rights thereunder of individuals who at the Closing were directors, officers, employees, or agents of the Company or its Subsidiaries.

(b) For a period of six years from the Closing Date, the Acquiror shall either cause to be maintained in effect the current policies of directors' and officers' liability insurance maintained by the Company and its Subsidiaries, solely with respect to actions and omissions occurring prior to the Closing Date, or cause to be provided substitute policies or purchase or cause the Company to purchase, a "tail policy" in either case of at least the same coverage and amounts containing terms and conditions that are at least as favorable as the policy currently in effect with respect to actions and omissions occurring prior to the Closing Date; provided, however, that after the Closing, the Acquiror and the Company shall not be required to pay with respect to such insurance policies in respect of any one policy year annual premiums in excess of 300% of the current annual premium paid by the Company in respect of the coverage required to be obtained pursuant hereto, but in such case shall purchase as much coverage as reasonably practicable for such amount; provided, further, that if the Company purchases a "tail policy" and the coverage thereunder costs more than 300% of the current annual premium, the Company shall purchase the maximum amount of coverage that can be obtained for 300% of the current annual premium. The fees, costs and expenses incurred in connection with such "tail policy" shall be paid by or on behalf of the Company and shall be deemed a Transaction Expense.

(c) The Acquiror covenants, for itself and its Affiliates, successors and assigns, that it and they shall not institute any Action in any court or before any administrative agency or before any other tribunal against any of the current directors of the Company and its Subsidiaries, in their capacity as such, with respect to any liabilities, actions or causes of action, judgments, claims or demands of any nature or description (consequential, compensatory, punitive or otherwise), in each such case solely to the extent resulting from their approval of this Agreement or their approval of the transactions contemplated hereby.

(d) In the event the Acquiror, the Company or any of their respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity in such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then and in either such case, the Acquiror shall make proper provision so that the successors and assigns of the Acquiror or the Company, as the case may be, shall assume the obligations set forth in this Section 5.11.

(e) The provisions of this Section 5.11 shall survive the consummation of the Closing and continue for the periods specified herein. This Section 5.11 is intended to benefit the directors, officers, employees and agents of the Company and its Subsidiaries and their respective heirs, successors and assigns, each of whom may enforce the provisions of this

Section 5.11 (whether or not parties to this Agreement). Each of the Persons referenced in the immediately preceding sentence are intended to be third party beneficiaries of this Section 5.11.

Section 5.12 Resignations. As requested by the Acquiror, prior to the Closing Date, the Company shall deliver to the Acquiror the resignations of all the directors and officers of each of its Subsidiaries, in each case serving immediately prior to the Effective Time, which resignations shall be effective at the Effective Time.

Section 5.13 Transfer Taxes. Any and all transfer, sales, use, value added, excise, stock transfer, stamp, recording, registration and any similar Taxes ("Transfer Taxes") that become payable in connection with the transactions contemplated hereby shall be borne equally by the Acquiror and the Equityholders, and the Acquiror shall prepare and timely file, or cause to be prepared and timely filed, all Tax Returns required to be filed with respect to Transfer Taxes. The Stockholder Representative shall cooperate with the Acquiror in preparing, executing and filing any Tax Returns with respect to such Transfer Taxes.

Section 5.14 Exclusive Dealing. Between the date of this Agreement and the Effective Time, the Company and its Subsidiaries shall not, and shall cause their respective Representatives and Affiliates not to, take, directly or indirectly, any action to initiate, assist, facilitate, respond to, solicit, negotiate, encourage (including by way of furnishing information), discuss, accept or otherwise pursue any offer or inquiry from any Person (a) to engage in any Business Combination with any Person other than the Acquiror and its Affiliates, or (b) to reach any agreement or understanding (whether or not such agreement or understanding is oral, absolute, revocable, contingent or conditional) for, or otherwise attempt to consummate, any Business Combination other than the transactions with the Acquiror contemplated hereby. The Company agrees that it and its Subsidiaries will immediately cease, and will cause each of their respective Representatives and Affiliates to immediately cease, all discussions and negotiations with any Person (other than the Acquiror and its Affiliates) concerning a Business Combination.

Section 5.15 Closing Date Payment Schedule. At least three Business Days prior to the Closing, the Company shall prepare and deliver to the Acquiror a schedule setting forth as of the Closing Date, the calculation of the Estimated Merger Consideration and the Closing Per Share Merger Consideration and to the extent applicable for each holder of Shares or Options, (i) such holder's name and address, (ii) the number of Shares, Company Common Stock, Non-Voting Common Stock, In-the-Money Options and Out-of-the-Money Options held by such holder, (iii) the number of shares of Non-Voting Common Stock (or Company Common Stock) issuable upon the exercise of In-the-Money Options held by such holder and the aggregate exercise price of such In-the-Money Options, (iv) the aggregate Closing Per Share Merger Consideration to be paid to such holder at the Closing pursuant to Section 2.7(a) and the aggregate portion of the Option Payment Amount to be paid to such holder at the Closing pursuant to Section 2.9, and (v) such holder's Fully Diluted Percentage (the "Closing Date Payment Schedule"). The Company may update the Closing Date Payment Schedule from time to time prior to the Closing, and shall provide the Acquiror with a final Closing Date Payment Schedule prior to the Closing.

Section 5.16 Section 280G Matters. The Company shall take all necessary actions (including obtaining any required waivers or consents from "disqualified individuals" (as defined in Treasury Regulation 1.280G-1)) to submit for approval or disapproval, in a manner that

satisfies 280G(b)(5) of the Code and the final Treasury Regulations issued thereunder, the right of each disqualified individual to receive or retain, as applicable, that portion of any payments and benefits that, together with any other payments and benefits the disqualified individual may become entitled to receive that may be considered “parachute payments” under Section 280G(b)(2) of the Code, exceeds 299% of such disqualified individual’s “base amount” (as defined in Section 280G(b)(3) of the Code). No later than two Business Days prior to the Closing Date, the Company shall deliver to the Acquiror evidence of the results of such vote. The Company shall forward to the Acquiror at least two Business Days prior to the submission to the Persons entitled to vote on such matters copies of all documents prepared by the Company in connection with this Section 5.16 for the Acquiror’s review and comment, and the Company shall consider in good faith such comments of the Acquiror that are received at least one Business Day prior to the submission to the Persons entitled to vote on such matters.

Section 5.17 R&W Insurance Policy. The Acquiror has caused the insurer under the R&W Insurance Policy to waive all rights of subrogation against the Company and the Equityholder Releasers, except in respect of Fraud, and will not amend such waiver in the R&W Insurance Policy.

Section 5.18 Littlejohn Party Contracts. The Company and their respective Affiliates and Subsidiaries shall take all actions necessary to (i) terminate with no continuing obligations or Liabilities all Contracts between the Company or any of its Subsidiaries, on the one hand, and any Littlejohn Party or Littlejohn Parties, on the other hand (other than the Contracts set forth on Schedule 5.18 of the Disclosure Schedules), with such termination to be effective immediately prior to the Closing, and (ii) cause any and all Liabilities of the Company and its Subsidiaries under any and all such Contracts to be extinguished or paid prior to 11:59 p.m. on the day prior to the Closing Date, without any payment by or Liability of the Company or any of its Subsidiaries on or after the Closing.

Section 6.4 Frustration of Closing Conditions. No party may rely on the failure of any condition set forth in this Article VI to be satisfied if such failure was principally caused by such party’s failure to perform in all material respects any of its obligations under this Agreement, including with respect to the obligation to use efforts to cause the Closing to occur as required by Section 5.9.

## **ARTICLE VII TERMINATION**

Section 7.1 Termination. This Agreement may be terminated at any time prior to the Closing:

(a) by mutual written consent of the Acquiror and the Company;

(b) (i) by the Company, if the Company is not then in material breach of its obligations under this Agreement and the Acquiror or Sub breaches or fails to perform in any respect any of their representations, warranties or covenants contained in this Agreement and such breach or failure to perform (A) would give rise to the failure of a condition set forth in Section 6.2, (B) cannot be or has not been cured within 30 days following delivery of written

notice by the Company of such breach or failure to perform, and (C) has not been waived by the Company; or (ii) by the Acquiror, if neither the Acquiror nor Sub is in material breach of its obligations under this Agreement and the Company breaches or fails to perform in any respect any of its representations, warranties or covenants contained in this Agreement and such breach or failure to perform (A) would give rise to the failure of a condition set forth in Section 6.3, (B) cannot be or has not been cured within 30 days following delivery of written notice by the Acquiror of such breach or failure to perform, and (C) has not been waived by the Acquiror;

(c) by either the Company or the Acquiror if the Merger shall not have been consummated by November 6, 2017 (the "Termination Date"); provided, that the right to terminate this Agreement under this Section 7.1(c) shall not be available if the failure of the party so requesting termination to fulfill any obligation under this Agreement in any material respects shall have been the cause of the failure of the Merger to be consummated on or prior to such date; provided, further, that if as of the Termination Date, all of the conditions precedent to the Closing other than the condition set forth in Section 6.1(b) (and other than those conditions that by their terms are to be satisfied at the Closing or on the Closing Date) shall have been satisfied as of the Termination Date, then either the Acquiror or the Company may unilaterally extend the Termination Date until December 4, 2017 upon written notice to the other prior to November 6, 2017, in which case the Termination Date shall be deemed for all purposes to be December 4, 2017.

(d) by either the Company or the Acquiror in the event that any Governmental Authority shall have issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement and such order, decree, ruling or other action shall have become final and nonappealable; provided, that the party so requesting termination shall have complied with Section 5.9 in all material respects; or

(e) by the Acquiror within 72 hours of execution of this Agreement, if (i) the Company Stockholder Approval and (ii) the Stockholder Consent and Agreements from the Persons set forth on Schedule 7.1(e)(ii)(x) of the Disclosure Schedules and the Restrictive Covenant Agreements from the Persons set forth on Schedule 7.1(e)(ii)(y) of the Disclosure Schedules shall not have been delivered to the Acquiror within 48 hours of execution of this Agreement.

The party seeking to terminate this Agreement pursuant to this Section 7.1 (other than Section 7.1(a)) shall give prompt written notice of such termination to the other parties.

Section 7.2 Effect of Termination. In the event of termination of this Agreement as provided in Section 7.1, this Agreement shall forthwith become void and there shall be no liability on the part of any party, except (a) for the provisions of Section 3.22 and Section 4.6 relating to broker's fees and finder's fees, Section 5.8 relating to confidentiality, Section 5.10 relating to public announcements, this Section 7.2 and Article VIII, and (b) that nothing herein shall relieve any party from liability for any Fraud or willful breach of this Agreement.

**ARTICLE VIII**  
**GENERAL PROVISIONS**

Section 8.1 Nonsurvival of Covenants, Agreements, Representations and Warranties None of the representations, warranties, covenants and agreements in this Agreement and in any certificate, instrument, agreement or other document delivered pursuant to this Agreement (other than the Ancillary Agreements) shall survive the Effective Time, other than those obligations, agreements or covenants of the parties that by their terms apply, or are to be performed in whole or in part, after the Effective Time, which obligations (including pursuant to the Ancillary Agreements), agreements or covenants shall survive until performed or expired pursuant to their terms.

Section 8.2 Fees and Expenses. Except as otherwise provided herein, all fees and expenses incurred in connection with or related to this Agreement and the Ancillary Agreements and the transactions contemplated hereby and thereby shall be paid by the party incurring such fees or expenses, whether or not such transactions are consummated; provided, however, that the Acquiror shall pay or cause the Surviving Corporation to pay any Transaction Expenses, to the extent included in the calculation of the Closing Transaction Expenses reflected in the Final Closing Statement, that remain unpaid as of the Closing. In the event of termination of this Agreement, the obligation of each party to pay its own expenses will be subject to any rights of such party arising from a breach of this Agreement by the other.

Section 8.3 Amendment and Modification. This Agreement may be amended, modified or supplemented by the parties hereto only by written agreement of the parties hereto, as authorized by their respective boards of directors at any time prior to the Closing Date (notwithstanding receipt of the Company Stockholder Approval); provided, however, that after approval of the transactions contemplated hereby by the Stockholders, no amendment shall be made which pursuant to applicable Law requires further approval by such Stockholders without such further approval. This Agreement may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing specifically designated as an amendment hereto, signed on behalf of each of the parties in interest at the time of the amendment.

Section 8.4 Waiver; Extension. At any time prior to the Effective Time, the Acquiror, on the one hand and on behalf of itself and Sub, and the Company, on the other hand, may (a) extend the time for performance of any of the obligations or other acts of the other party contained herein, (b) waive any inaccuracies in the representations and warranties of the other party contained herein or in any document, certificate or writing delivered by such party pursuant hereto, or (c) waive compliance by the other party with any of the agreements or conditions contained herein. Any agreement on the part of any party to any such extension or waiver shall be valid only if set forth in a written agreement signed on behalf of such party. No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. Any agreement on the part of any party to any such waiver shall be valid only if set forth in a written instrument executed and delivered by a duly authorized officer on behalf of such party.

When a reference is made in this Agreement to a Section, Article, Exhibit or Schedule such reference shall be to a Section, Article, Exhibit or Schedule of this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement or in any Exhibit or Schedule are for convenience of reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. All words used in this Agreement will be construed to be of such gender or number as the circumstances require.

Any capitalized terms used in any Exhibit or Schedule but not otherwise defined therein shall have the meaning as defined in this Agreement. All Exhibits and Schedules annexed hereto or referred to herein are hereby incorporated in and made a part of this Agreement as if set forth herein. The word “including” and words of similar import when used in this Agreement will mean “including, without limitation,” unless otherwise specified. The words “hereof,” “herein,” “hereto” and “hereunder” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision in this Agreement. The terms “or,” “any” or “either” are not exclusive. The word “extent” in the phrase “to the extent” shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” References to days mean calendar days unless otherwise specified. Any statute defined or referred to herein or in any statute that is referred to herein means such statute as from time to time amended, modified or supplemented, including by succession of comparable successor statutes and references to all attachments thereto and instruments incorporated therein.

Section 8.7 Entire Agreement. This Agreement (including the Exhibits and Schedules hereto), the Ancillary Agreements and the Non-Disclosure Agreement constitute the entire agreement, and supersede all prior written agreements, arrangements, communications and understandings and all prior and contemporaneous oral agreements, arrangements, communications and understandings among the parties with respect to the subject matter hereof and thereof. Neither this Agreement nor any Ancillary Agreement shall be deemed to contain or imply any restriction, covenant, representation, warranty, agreement or undertaking of any party with respect to the transactions contemplated hereby or thereby other than those expressly set forth herein or therein or in any document required to be delivered hereunder or thereunder, and none shall be deemed to exist or be inferred with respect to the subject matter hereof. Notwithstanding any oral agreement or course of conduct of the parties or their Representatives to the contrary, no party to this Agreement shall be under any legal obligation to enter into or complete the transactions contemplated hereby unless and until this Agreement shall have been executed and delivered by each of the parties.

Section 8.8 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party hereto, and nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the parties and their respective successors and permitted assigns any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement, except (a) with respect to the provisions of Section 5.11, which shall inure to the benefit of the Persons benefiting therefrom who are expressly intended to be third party beneficiaries thereof, (b) after the Effective Time, the right of the holders of Shares and Options to receive the payments contemplated by the applicable provisions of Article II, in each case, after the Effective Time in accordance with the terms of this Agreement, and (c) prior to the Effective Time, the right of the Company, on behalf of the holders of Shares and Options, to pursue damages (including claims for damages based on loss of the economic benefits of the transaction to the holders of Shares and Options) in the event of the Acquiror’s or Sub’s breach of this Agreement; provided, that the rights to pursue damages on behalf of the holders of Shares and Options relating to such Shares and Options shall only be enforceable on behalf of such holders by the Company (or any successor in interest thereto) in its sole and absolute discretion, and may, in the Company’s sole and absolute discretion, be retained by the Company (or any successor in interest thereto) for the use and benefit of the Company (or any successor in interest

thereto) on behalf of the holders of Shares and Options in any manner the Company (or any successor in interest thereto) deems fit.

Section 8.9 Governing Law. This Agreement and all disputes or controversies arising out of or relating to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of Delaware.

Section 8.10 Submission to Jurisdiction. Each of the parties irrevocably agrees that any legal action or proceeding arising out of or relating to this Agreement brought by any party or its successors or assigns against any other party shall be brought and determined exclusively in the Court of Chancery of the State of Delaware, provided, that if jurisdiction is not then available in the Court of Chancery of the State of Delaware, then any such legal action or proceeding may be brought in any federal court located in the State of Delaware, or if jurisdiction is not then available in both the Court of Chancery of the State of Delaware and the federal courts within the State of Delaware, any other Delaware state court, and, in each case, any appellate court therefrom. Each of the parties hereby irrevocably submits to the exclusive jurisdiction of the aforesaid courts for itself and with respect to its property, generally and unconditionally, with regard to any such action or proceeding arising out of or relating to this Agreement and the transactions contemplated hereby. Each of the parties agrees not to commence any action, suit or proceeding relating thereto except in the courts described above in Delaware, other than actions in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in Delaware as described herein. Each of the parties further agrees that notice as provided herein shall constitute sufficient service of process and the parties further waive any argument that such service is insufficient. Each of the parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby, any claim (a) that it is not personally subject to the jurisdiction of the courts in Delaware as described herein for any reason, (b) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts and (c) that (i) the suit, action or proceeding in any such court is brought in an inconvenient forum, (ii) the venue of such suit, action or proceeding is improper or (iii) this Agreement, or the subject matter hereof, may not be enforced in or by such courts.

Section 8.11 Disclosure Generally. Notwithstanding anything to the contrary contained in the Disclosure Schedules or in this Agreement, the information and disclosures contained in any Disclosure Schedule shall be deemed to be disclosed and incorporated by reference in any other Disclosure Schedule as though fully set forth in such Disclosure Schedule only to the extent the applicability of such information and disclosure is reasonably apparent from the face of such disclosure. The fact that any item of information is disclosed in any Disclosure Schedule shall not be construed to mean that such information is required to be disclosed by this Agreement. Such information and the dollar thresholds set forth herein shall not be used as a basis for interpreting the terms “material” or “Material Adverse Effect” or other similar terms in this Agreement.

Section 8.12 Personal Liability. This Agreement shall not create or be deemed to create or permit any personal liability or obligation on the part of any officer, director, employee or Representative of any party hereto, in their capacities as such, or investor of any of the Littlejohn Funds, in their capacities as such, in each case, except in the case of Fraud.

Section 8.13 Assignment; Successors. Neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated, in whole or in part, by operation of law or otherwise, by any party without the prior written consent of the Acquiror (in the case of an assignment by the Company) or the Company (in the case of an assignment by the Acquiror or Sub), and any such assignment without such prior written consent shall be null and void; provided, however, no assignment shall relieve the assignor of its obligations hereunder; provided, further, that the Acquiror or Sub, upon prior written notice to the Company, may assign, in its sole discretion, any or all of its rights, interests and obligations under this Agreement (i) in the case of the Acquiror, to any direct and indirect wholly owned U.S. Subsidiary of the Acquiror and (ii) in the case of Sub, to the Acquiror or to any direct or indirect wholly owned U.S. Subsidiary of the Acquiror; provided, that no such assignment shall relieve the Acquiror or Sub, as applicable, of any of its obligations hereunder. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

Section 8.14 Enforcement. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, each of the parties shall be entitled to specific performance of the terms hereof, including an injunction or injunctions to prevent breaches of this Agreement, and to enforce specifically the terms and provisions of this Agreement in the Court of Chancery of the State of Delaware, provided, that if jurisdiction is not then available in the Court of Chancery of the State of Delaware, then in any federal court located in the State of Delaware, or if jurisdiction is not then available in both the Court of Chancery of the State of Delaware and the federal courts within the State of Delaware, any other Delaware state court, and, in each case, any appellate court therefrom, this being in addition to any other remedy to which such party is entitled at law or in equity. Each of the parties hereby further waives (a) any defense in any action for specific performance that a remedy at law would be adequate and (b) any requirement under any law to post security as a prerequisite to obtaining equitable relief.

Section 8.15 Currency. All references to “dollars” or “\$” or “US\$” in this Agreement or any Ancillary Agreement refer to United States dollars, which is the currency used for all purposes in this Agreement and any Ancillary Agreement.

Section 8.16 Severability. Whenever possible, each provision or portion of any provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision or portion of any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable Law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction so long as the economic and legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to either party, and this Agreement shall be reformed, construed and enforced in such jurisdiction as negotiated

by the parties in good faith so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

Section 8.17 Waiver of Jury Trial. EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 8.18 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

Section 8.19 Facsimile or .pdf Signature. This Agreement may be executed by facsimile or .pdf signature and a facsimile or .pdf signature shall constitute an original for all purposes.

Section 8.20 Legal Representation.

(a) The Acquiror, on behalf of itself and its Affiliates (including after the Closing, the Surviving Corporation), acknowledges that Gibson Dunn & Crutcher LLP ("Gibson Dunn") acts or has acted as counsel for the Stockholders, the Stockholder Representative and the Company and may continue to represent the Stockholders, the Stockholder Representative or any of their respective Affiliates with respect to this Agreement and the transactions contemplated by this Agreement. Accordingly, the Acquiror, on behalf of itself and its Affiliates (including after the Closing, the Surviving Corporation), consents to such representation and waives any conflict that may result therefrom, provided, that such waiver is conditioned on (i) no Person from Gibson Dunn who is currently working on, or who has in the past five years worked on, any of the Acquiror's or its current or past Affiliates' matters representing the Stockholders, the Stockholder Representative, (prior to the Closing) the Company, or any of their respective Affiliates in connection with this Agreement or the transactions contemplated by this Agreement (provided, that those Gibson Dunn Persons approved in writing by the Acquiror may so represent such Persons), and (ii) Gibson Dunn not representing the Stockholders, the Stockholder Representative or (prior to the Closing) the Company, or any of their respective Affiliates in connection with any dispute (including any Action but excluding any dispute regarding the Final Closing Statement) arising from this Agreement or the transactions contemplated by this Agreement.

(b) The Acquiror, on behalf of itself and its Affiliates (including after the Closing, the Surviving Corporation), acknowledges and agrees that all confidential communications between the Stockholders, the Stockholder Representative, the Company and its Subsidiaries and any of their respective Affiliates, on the one hand, and Gibson Dunn, on the other hand, in the course of Gibson Dunn's engagement in connection with this Agreement and the Ancillary Agreements and the transactions contemplated hereby and thereby (the "Acquisition Engagement"), and any attendant attorney-client privilege, attorney work product protection, and expectation of client confidentiality applicable thereto, shall be deemed to belong

solely to the Stockholders and the Stockholder Representative, and not to the Company and its Subsidiaries, and shall not pass to or be claimed, held, or used by the Acquiror or any of its Affiliates (including after the Closing, the Surviving Corporation). Accordingly, the Acquiror and its Affiliates (including after the Closing, the Surviving Corporation) shall not have ownership of any such communications (or to the files of Gibson Dunn relating to the Acquisition Engagement), regardless of such communications may be stored or located, and the Acquiror, on behalf of itself and its Affiliates (including after the Closing, the Surviving Corporation) irrevocably waives any right it may have to obtain such communications or other information or documentation relating to the Acquisition Engagement on the basis of any purported ownership; provided, that nothing herein shall require the Acquiror and its Affiliates to destroy communications already in its possession. The Acquiror hereby agrees not to assert, and to cause each of its Affiliates (including after the Closing, the Surviving Corporation) not to assert, any attorney-client privilege held by the Company and its Subsidiaries, or any officer, employee, director or manager thereof, with respect to any communication occurring with Gibson Dunn and relating to the Acquisition Engagement, it being the intention of the parties that all such rights to such attorney-client privilege and to control such attorney-client privilege shall be retained by the Stockholders and the Stockholder Representative, provided, that all such communications shall be kept confidential and this Section 8.20 shall not constitute or be construed as a waiver or release of Gibson Dunn's obligation to keep confidential any communication or information in its possession.

Section 8.21 Agreements by the Equityholders. By the acceptance of any portion of the Merger Consideration or the acceptance of a right to receive any portion of the Closing Per Share Merger Consideration, such Equityholder:

(a) approves, consents to and agrees to be bound by all provisions of this Agreement applicable to the Equityholders, including the determination and payment of the Closing Per Share Merger Consideration and the Net Adjustment Amount (and the withholding and payment of the Adjustment Escrow Amount and the Net Adjustment Amount) pursuant to Section 2.7 and Section 2.12, the treatment of Options pursuant to Section 2.9, the appointment and authorization of the Stockholder Representative pursuant to Section 2.13;

(b) effective as of the Closing Date, on behalf of such Equityholder and its past, present or future agents, partners, heirs, officers, directors, equityholders, Subsidiaries and Affiliates and each of their respective successors and assigns (collectively, the "Equityholder Releasers") hereby (i) irrevocably and unconditionally releases, acquits and forever discharges, to the fullest extent permitted by Law, the Surviving Corporation, the Subsidiaries of the Company, the Company, the Acquiror, Sub and each of their respective past, present or future successors, assigns, employees, agents, equityholders, members, partners, officers, managers, directors, counsel, Subsidiaries and Affiliates (collectively, the "Acquiror Releasees"), of and from any and all Actions, Judgments and Losses of any kind, nature and description whatsoever, (including attorneys' and other professional fees and expenses), whether now known or unknown, suspected or unsuspected, which such Equityholder Releaser or its successors or assigns ever had, now has or may in the future have on or by reason of any matter, cause or thing whatsoever related to such Equityholder's investment in or ownership of (or purported investment in or ownership of) the Shares or Options, as applicable, or any other equity interest held (or purported to be held) by such Equityholder with respect to the Company or any of its

Subsidiaries or their respective businesses through the Closing Date or the transactions contemplated hereby prior to or on the Closing Date, and any rights under the NGS Holdings, Inc. Equity Incentive Plan and the Stockholders' Agreement, except for such Equityholder's rights and interests under the terms and conditions of this Agreement, the Letters of Transmittal and the Ancillary Agreements, provided, that the foregoing clause (i) shall not apply to any Losses or claims made by an Equityholder in its capacity as a current or former employee of the Company or any of its Subsidiaries against an Acquiror Releasee arising out of or relating to the employment, termination of employment, or compensation or benefits in respect thereof, and (ii) agrees not to, and agrees to cause its respective agents, partners, heirs, officers, directors, equityholders, Subsidiaries and Affiliates, and each of their respective successors and assigns, not to, assert any claim released in the foregoing against the Acquiror Releasees; provided, that, notwithstanding the foregoing, each Equityholder Releasor retains and does not release its rights and interests under the terms and conditions of this Agreement, the Letters of Transmittal, the Ancillary Agreements or, to the extent applicable, any director and officer indemnification insurance policy;

(c) agrees that, as of the Effective Time, the Stockholders' Agreement shall be terminated and, except as otherwise expressly provided therein (including with respect to any provisions therein which expressly survive the termination thereof (including the provisions set forth in Section 11 thereof)), shall have no further force or effect;

(d) agrees, for a period of five years following the Closing Date, to keep, and to cause its Affiliates and their respective Representatives to keep, confidential and not disclose to any other Person, or use for their own benefit or the benefit of any other Person, all confidential information relating to the Acquiror, the Company and their respective Subsidiaries and their businesses, including trade secrets, pricing policies, marketing plans or strategies, product development plans, business acquisition plans (including identified acquisition targets), inventions, carrier and customer lists, and including any information furnished pursuant to Section 5.2(a), and shall not disclose such information to any other Person; provided, however, that this Section 8.21 shall not apply (i) with respect to any Littlejohn Party (other than Persons described in clause (ii) of such definition), Paribas North America, Inc. or Clarendon Resources IV, LLC, to information regarding the financial performance of the Company provided to current or potential limited partners, co-investors and Representatives in connection with capital raising activities or reporting obligations (so long as, in each case, such disclosure shall not be used in a manner competitive to the interests of the Company or involve the disclosure of Trade Secrets of the Company, and is effected in a manner consistent with customary practices, including with respect to confidentiality) or (ii) to any information that (A) is or becomes generally available to the public other than as a result of disclosure in violation of this Section 8.21, (B) was available to such Equityholder on a non-confidential basis prior to the disclosure of such confidential information to such Equityholder, provided that the source of such information was not known by such Equityholder or any of its Representatives, after reasonable inquiry, to be bound by a confidentiality obligation with respect to such information, (C) becomes available after the Closing Date to such Equityholder on a non-confidential basis from a Person who, to the knowledge of such Equityholder, is not otherwise bound by any obligation of confidentiality, or (D) is independently developed by such Equityholder without reference to or use of any information from the Company;

(e) represents and warrants as of the date of this Agreement and as of the Closing Date, except in the case of representations and warranties that are made as of a specified date, that (i) as of immediately prior to the Effective Time, the Shares and Options set forth on the Closing Date Payment Schedule represent all equity interests of the Company owned by such Equityholder, (ii) such Equityholder is the record and beneficial owner of, and has good and valid title to, such Shares and the Certificates representing such Shares, free and clear of all Encumbrances, proxies, voting trusts or agreements, understandings or arrangements, and has the sole power (without the consent of any other Person) to transfer, vote and execute stockholder written consents with respect to such Shares, and no other Person has any right or interest to acquire or vote any such Shares and (iii) assuming that the Acquiror has the requisite power and authority to be the lawful owner of the Shares, at the Effective Time, good and valid title to such Shares will pass to the Acquiror, free and clear of all Encumbrances, proxies, voting trusts or agreements, understandings or arrangements; and

(f) acknowledges and agrees that (i) the payment of such Equityholder's Closing Per Share Merger Consideration represents full and final payment in respect of such Equityholder's Shares or any other claimed equity interest of the Company and (ii) so long as the Acquiror, Sub and the Surviving Corporation distribute the Closing Per Share Merger Consideration in accordance with the terms hereof, the Acquiror, Sub, the Surviving Corporation and their respective Affiliates are released with respect to liabilities arising from any calculation of the Closing Per Share Merger Consideration by the Company in a manner inconsistent with the Company's certificate of incorporation.

Section 8.22 No Presumption Against Drafting Party. Each of the Acquiror, Sub and the Company acknowledges that each party to this Agreement has been represented by legal counsel in connection with this Agreement and the transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would require interpretation of any claimed ambiguities in this Agreement against the drafting party has no application and is expressly waived.
