ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Indentures

On March 19, 2020, Pitney Bowes Inc. (the “Company”) completed the sale of \$400.0 million of 6.875% senior unsecured notes due 2027 (the “2027 Notes”) and \$350.0 million of 7.250% senior unsecured notes due 2029 (the “2029 Notes” and, together with the 2027 Notes, the “Notes”). The Company received net proceeds from the offering of approximately \$739.0 million, after deducting related fees and expenses. The Company used a portion of the proceeds of the offering, together with cash on hand, to (i) repay a portion of the borrowings outstanding under its secured term loan B facility (the “Term Loan B Repayment”), (ii) pay the tender offer consideration for \$356.3 million in aggregate principal amount of its 3.875% Notes due 2022 (the “2022 Notes”), 4.700% Notes due 2023 (the “2023 Notes”) and 4.625% Notes due 2024 (the “2024 Notes” and, together with the 2022 Notes and 2023 Notes, the “Existing Tender Notes”) that were validly tendered (and not validly withdrawn) by holders prior to 5:00 p.m., New York City time on March 19, 2021 (the “Early Tender Time”) and accepted by the Company and (iii) pay fees and expenses in connection with the offering. The Company intends to use the remainder of proceeds of the offering, together with cash on hand, to (i) pay the tender offer consideration payable for any Existing Tender Notes that are tendered after the Early Tender Time and prior to 11:59 p.m., New York City time, on April 2, 2021 (unless extended or earlier terminated by the Company) (the “Expiration Time”), up to the existing series tender cap applicable to each series of Existing Tender Notes pursuant to the concurrent Tender Offers (as described below); and (ii) pay the fees and expenses in connection with the concurrent Tender Offers.

The 2027 Notes were issued pursuant to an indenture, dated March 19, 2021 (the “2027 Notes Indenture”), among the Company, certain subsidiaries of the Company as the guarantors party thereto (the “Guarantors”), and Truist Bank, as trustee (the “Trustee”). The 2029 Notes were issued pursuant to an indenture, dated March 19, 2021 (the “2029 Notes Indenture” and, together with the 2027 Notes Indenture, the “Indentures”), among the Company, the Guarantors and the Trustee. The Notes are the general senior unsecured obligations of the Company and are fully and unconditionally guaranteed by the Guarantors, and may be guaranteed by additional subsidiaries of the Company under certain circumstances after the issue date of the Notes. Each Indenture limits the ability of the Company and certain of the Company’s subsidiaries to, among other things, incur or create certain liens, incur certain guaranteed indebtedness for borrowed money or capital markets debt and consolidate or merge with, or convey, sell or lease all or substantially all of the Company’s assets to, another person. Certain of these covenants are subject to suspension upon the occurrence of certain events as set forth in the applicable Indenture.

The Company may redeem the Notes of either series, in whole or in part, at any time and from time to time prior to March 15, 2024 at a price equal to 100% of the aggregate principal amount of the Notes of such series, plus accrued and unpaid interest, if any, to, but excluding, the applicable redemption date, plus an applicable make-whole premium. The Company may redeem the Notes of either series, in whole or in part, at any time and from time to time on or after March 15, 2024, at the applicable redemption prices set forth in the applicable Indenture, plus accrued and unpaid interest, if any, to, but excluding, the applicable redemption date. In addition, the Company may redeem up to 40% of the aggregate principal amount of the Notes of either series at any time prior to March 15, 2024 in an amount not to exceed the net cash proceeds from certain equity offerings at a redemption price of 106.875% (in the case of the 2027 Notes) and 107.250% (in the case of the 2029 Notes), plus accrued and unpaid interest, if any, to, but excluding, the applicable redemption date.

If a change of control (as defined in the applicable Indenture) occurs and a series of Notes are rated below specified ratings within a specified period of time after the occurrence of such change of control, the Company must give all holders of such series of Notes the opportunity to sell to the Company their Notes at 101% of their principal amount, plus accrued and unpaid interest, if any, to, but not including, the date of repurchase.

Each Indenture contains customary events of default, which include (subject in certain cases to customary grace and cure periods) nonpayment of principal or interest; breach of other covenants or agreements in the Indenture; certain events of bankruptcy affecting the Company or any of its significant subsidiaries; and failure of certain guarantees of the Notes to be enforceable.

The offering and sale of each series of Notes was not registered under the Securities Act of 1933, as amended, and the Notes may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. The Notes were resold to persons reasonably believed to be “qualified institutional buyers” in the United States as defined in Rule 144A under the Securities Act of 1933, as amended, and non-U.S. persons outside the United States under Regulation S under the Securities Act of 1933, as amended.

The foregoing description of the Indentures and the Notes does not purport to be complete and is qualified in its entirety by reference to the Indentures and the forms of Notes, copies of which are attached as Exhibits 4.1, 4.2, 4.3 and 4.4 to this Current Report on Form 8-K and incorporated into this Item 1.01 by reference.

First Amendment to the Credit Agreement

On March 19, 2021 the Company entered into a First Amendment (the “Amendment”) to the Credit Agreement, dated as of November 1, 2019 (as previously amended, the “Existing Credit Agreement”), by and among the Company, the subsidiaries of the Company party thereto, the lenders and issuing banks party thereto and JPMorgan Chase Bank, N.A., as administrative agent (“JPM”). The Amendment provides for (i) extending the maturity date of each of the revolving loan and tranche A term loan facilities outstanding under the Existing Credit Agreement to the fifth anniversary of the Amendment effective date, (ii) delaying the step-downs applicable to the total adjusted leverage ratio financial covenant, (iii) increasing the size of the baskets available to incur incremental first lien secured debt (from \$200.0 million to \$300.0 million) and make distributions and dividends (from \$50.0 million to \$150.0 million), (iv) increasing the first lien leverage ratio incurrence test subject to which unlimited additional first lien debt may be incurred (from 2.25:1.00 to 2.75:1.00) and unlimited dividends and distributions may be made (from 2.50:1.00 to 3.00:1.00) and (v) certain other changes set forth in the Amendment.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated into this Item 1.01 by reference.

First Refinancing Facility Agreement

On March 19, 2021, the Company entered into a First Refinancing Facility Agreement (the “Refinancing Agreement”) to the Existing Credit Agreement. The Refinancing Agreement provides for the incurrence of a \$450.0 million senior secured tranche B term loan facility (the “New Term Loan B Facility”). The proceeds of the New Term Loan B Facility were used for a portion of the Term Loan B Repayment. Loans under the New Term Loan B Facility bear interest at LIBOR plus 4.00% and amortize at a rate of 1.00% per annum. The New Term Loan B Facility matures on March 19, 2028.

The foregoing description of the Refinancing Agreement does not purport to be complete and is qualified in its entirety by reference to the Refinancing Agreement, a copy of which is attached as Exhibit 10.2 to this Current Report on Form 8-K and incorporated into this Item 1.01 by reference.

ITEM 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated into this Item 2.03 by reference.

ITEM 8.01. OTHER EVENTS.

On March 22, 2020, the Company issued a press release announcing the early tender time results of its previously announced cash tender offers (each, a “Tender Offer” and together, the “Tender Offers”) to purchase up to \$375.0 million aggregate principal amount of its outstanding Existing Tender Notes. Additionally, the Company announced that it amended the terms and conditions of the Tender Offers to (i) extend the deadline for receiving the applicable early tender premium with respect to the 2024 Notes through the Expiration Time (unless extended or earlier terminated by the Company), (ii) increase the maximum aggregate principal amount of 2023 Notes that it will accept for purchase from \$125.0 million to \$180.0 million and (iii) increase the maximum aggregate principal amount of 2022 Notes that it will accept for purchase from \$25.0 million to \$80.0 million. A copy of the press release announcing the early tender time results of and amendments to the Tender Offers is attached hereto as Exhibit 99.1 to this Current Report on Form 8-K and is hereby incorporated herein by reference.

This Current Report on Form 8-K, including the press release incorporated by reference, is neither an offer to sell nor a solicitation of offers to buy any Existing Tender Notes. The Tender Offers are being made only pursuant to the offer to purchase of the Company, dated March 8, 2020. The Tender Offers are not being made to holders of Existing Tender Notes in any jurisdiction in which the making or acceptance thereof would not be in compliance with the securities, blue sky or other laws of such jurisdiction.

ARTICLE 1

DEFINITIONS AND INCORPORATION BY REFERENCE

Section 1.01 *Definitions.*

“*144A Global Note*” means a Global Note substantially in the form of Exhibit A hereto bearing the Global Note Legend and the Private Placement Legend and deposited with or on behalf of, and registered in the name of, the Depository or its nominee, issued in a denomination equal to the outstanding principal amount of the Notes sold in reliance on Rule 144A.

“*Additional Notes*” means any Notes (other than the Initial Notes), if any, issued under this Indenture in accordance with Sections 2.02 and 2.14.

“*Adjusted Treasury Rate*” means, as of any Redemption Date, the weekly average rounded to the nearest 1/100th of a percentage point (for the most recently completed week for which such information is available as of the date that is two Business Days prior to such Redemption Date) of the yield to maturity of United States Treasury securities with a constant maturity (as compiled and published in Federal Reserve Statistical Release H.15 with respect to each applicable day during such week or, if such Statistical Release is no longer published or the relevant information does not appear thereon, any publicly available source of similar market data) most nearly equal to the period from such Redemption Date to March 15, 2024; provided, however, that if the period from such Redemption Date to March 15, 2024 is not equal to the constant maturity of a United States Treasury security for which such a yield is given, the Adjusted Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of United States Treasury securities for which such yields are given, except that if the period from such Redemption Date to March 15, 2024 is less than one year, the weekly average yield on actively traded United States Treasury securities adjusted to a constant maturity of one year shall be used. Any such Adjusted Treasury Rate shall be determined, and the information required to be obtained for its calculation shall be obtained, by the Issuer.

“*Affiliate*” means, with respect to any specified Person, any other Person who directly or indirectly through one or more intermediaries controls, or is controlled by, or is under common control with, such specified Person. The term “control” means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings correlative of the foregoing.

“*Agent*” means any Registrar, co-registrar, Paying Agent or additional paying agent.

“*Applicable Premium*” means, with respect to any Note on any Redemption Date, the greater of:

(1) 1.0% of the principal amount of such Note; and

(2) the excess, if any, of (a) the present value at such Redemption Date of (i) the redemption price of such Note at March 15, 2024 (such redemption price being set forth in the table appearing in paragraph 5(c) of the Notes), plus (ii) all required interest payments due on such Note through March 15, 2024 (excluding accrued but unpaid interest to such Redemption Date), computed using a discount rate equal to the Adjusted Treasury Rate as of such Redemption Date, plus 50 basis points; over (b) the principal amount of such Note.

Calculation of the Applicable Premium will be made by the Issuer or on behalf of the Issuer by such Person as the Issuer shall designate; provided that such calculation or the correctness thereof shall not be a duty or obligation of the Trustee.

“*Applicable Procedures*” means, with respect to any transfer or exchange of or for beneficial interests in any Global Note, the rules and procedures of the Depositary, Euroclear and Clearstream that apply to such transfer or exchange.

“*Attributable Debt*” in respect of a sale and leaseback arrangement means, at the time of determination, the lesser of:

(1) the sale price of the asset or property to be leased multiplied by a fraction the numerator of which is the remaining portion of the base term of the lease and the denominator of which is the base term of the lease; and

(2) the total rental payments under the lease discounted to present value using an interest factor determined in accordance with generally accepted financial practice; provided that if the Issuer cannot readily determine that interest factor, an annual rate of 11% shall be used for that purpose, compounded semi-annually. For purposes of this clause (2) the Issuer shall exclude from rental payments any amounts paid on account of property taxes, maintenance, repairs, insurance, water rates and other items which are not payments for property rights.

“*Bankruptcy Law*” means Title 11, United States Bankruptcy Code of 1978, as amended, or any similar United States federal or state law relating to bankruptcy, insolvency, receivership, winding-up, liquidation, reorganization or relief of debtors or any amendment to, succession to or change in any such law.

“*Board Resolution*” means, with respect to any Person, a copy of a resolution certified by the Secretary or an Assistant Secretary of such Person to have been duly adopted by the Board of Directors of such Person and to be in full force and effect on the date of such certification, and delivered to the Trustee.

“*Business Day*” means a day other than a Saturday, a Sunday or any other day on which banking institutions in The City of New York, or the state in which the Corporate Trust Office of the Trustee is located, are authorized or required by law or executive order to remain closed.

“*Capital Lease Obligations*” of any Person means the obligations of such Person to pay rent or other amounts under any lease of (or other arrangement conveying the right to use) real or personal property, or a combination thereof, which obligations are required to be classified and accounted for as finance leases on a balance sheet of such Person under GAAP, and the amount of such obligations shall be the capitalized amount thereof determined in accordance with GAAP.

“*Capital Markets Debt*” means any Indebtedness that is a security initially issued in a transaction made in reliance on Rule 144A under the Securities Act or outside the United States pursuant to Regulation S of the Securities Act or a security that is sold or subject to resale pursuant to a registration statement under the Securities Act.

Notwithstanding the foregoing, a transaction will not be deemed to involve a Change of Control if (1) the Issuer becomes a direct or indirect wholly-owned subsidiary of a holding company and (2)(A) the direct or indirect holders of the Voting Stock of such holding company immediately following that transaction are substantially the same as the holders of the Voting Stock of the Issuer immediately prior to that transaction or (B) immediately following that transaction, no Person or group (other than a holding company satisfying the requirements of this sentence) is the beneficial owner, directly or indirectly, of more than 50% of the Voting Stock of such holding company.

ARTICLE 2

THE NOTES

Section 2.01 *Form and Dating.*

(a) *General.* The Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A attached hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage (*provided* that any such notation, legend or endorsement required by usage is in a form reasonably acceptable to the Issuer). Each Note shall be dated the date of its authentication. The Notes shall be in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global Notes.* Notes issued in global form shall be substantially in the form of Exhibit A attached hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges, repurchases, and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 and shall be made on the records of the Trustee and the Depositary.

(c) *Euroclear and Clearstream Procedures Applicable.* The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Global Notes that are held by Participants through Euroclear or Clearstream.

Section 2.02 *Execution and Authentication.*

At least one Officer of the Issuer must sign the Notes for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

A Note shall not be valid until authenticated by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated under this Indenture.

The Trustee shall authenticate and deliver: (i) on the Issue Date, an aggregate principal amount of \$400 million of 6.875% Senior Notes due 2027 and (ii) Additional Notes for an original issue in an aggregate principal amount specified in an Authentication Order pursuant to this Section 2.02 and Section 2.14, in each case upon a written order of the Issuer signed by at least one Officer of the Issuer (an “*Authentication Order*”). Such Authentication Order shall specify the amount of the Notes to be authenticated and the date on which the original issue of the Notes is to be authenticated.

The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer.

Section 2.03 *Registrar and Paying Agent.*

The Issuer shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“*Registrar*”) and an office or agency where Notes may be presented for payment (“*Paying Agent*”). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Issuer may appoint one or more co-registrars and one or more additional paying agents. The term “*Registrar*” includes any co-registrar and the term “*Paying Agent*” includes any additional paying agent. The Issuer may change any Paying Agent or Registrar without notice to any Holder, but with written notice thereof to the Paying Agent and Registrar. The Issuer shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar.

The Issuer initially appoints The Depository Trust Company (“*DTC*”) to act as Depositary with respect to the Global Notes.

The Issuer initially appoints the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Global Notes.

In acting hereunder and in connection with the Notes, the Registrar and the Paying Agent shall act solely as agents of the Issuer, and will not thereby assume any obligations towards or relationship of agency or trust for or with any Holder of the Notes.

Section 2.04 *Paying Agent to Hold Money in Trust.*

The Issuer shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and shall notify the Trustee in writing of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require in writing a Paying Agent to pay all money held by it in trust to the Trustee. The Issuer at any time may require in writing a Paying Agent to pay all money held by it in trust to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer or any of its Subsidiaries) shall have no further liability for the money. If the Issuer or any of its Subsidiaries acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuer or any of its Subsidiaries, the Trustee shall serve as Paying Agent for the Notes.

Section 2.05 *Holder Lists.*

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.06 *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred except in whole (but not in part) by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or to another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. All Global Notes shall be exchanged by the Issuer for Definitive Notes if:

(1) the Depository (a) notifies the Issuer that it is unwilling or unable to continue as Depository for the Global Notes or (b) has ceased to be a clearing agency registered under the Exchange Act and, in each case, a successor Depository is not appointed by the Issuer within 120 days after the date of such notice from the Depository;

(2) the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of the Definitive Notes; or

(3) there has occurred and is continuing a Default with respect to the Notes.

Upon the occurrence of any of the preceding events in (1), (2) or (3) above, Definitive Notes shall be issued in such names as the Depository shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Sections 2.07 or 2.10, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a); however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) or (c).

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either:

(A) both:

(i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(B) both:

(i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in clause (i) above.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(g).

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee shall take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee shall take delivery in the form of a beneficial interest in the Regulation S Global Note then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(4) *Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note.* A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

and, in each such case, if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(g) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(2) No service charge shall be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06 and 9.05).

(3) The Registrar shall not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) The Issuer shall not be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of sending of a notice of redemption of Notes for redemption under Section 3.02 and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected nor incur any liability by notice to the contrary.

(7) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(9) The Trustee shall have no responsibility or obligation to any beneficial owner in a Global Note, a Participant, an Indirect Participant or other Person with respect to the accuracy of the records of the applicable Depository or their respective nominees or of any Participant, with respect to any ownership interest in the Notes or with respect to the delivery to any Participant, Indirect Participant, beneficial owner or other Person (other than the Depository of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes). All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes and this Indenture shall be given or made only to or upon the order of the registered holders (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in a Global Note shall be exercised only through the Depository, subject to the applicable procedures. The Trustee shall be entitled to conclusively rely and shall be fully protected in relying upon information furnished by the Depository with respect to their members, participants and any beneficial owners. The Trustee shall be entitled conclusively to deal with the Depository, and any nominee thereof, that is the registered holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest, and the giving of instructions or directions by or to the owner or holder of a beneficial ownership interest in such Global Note) as the sole holder of such Global Note and shall have no obligations to the beneficial owners thereof. The Trustee shall not have any responsibility or liability for the records of any such depository, including records in respect of beneficial ownership interests in respect of any such Global Note, for any transactions between the Depository and any Participant or between or among the Depository, any such Participant and/or any holder or owner of a beneficial interest in such Global Note, or for any transfers of beneficial interests in any such Global Note.

(10) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Notes (including any transfers between or among Depository Participants or beneficial owners of interests in any Global Notes) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Trustee nor any Agent shall have any responsibility or incur any liability for any actions taken or not taken by the Depository.

Section 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Issuer and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuer shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. Security and/or an indemnity must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent and any authenticating agent from any loss, claim or liability that any of them may suffer if a Note is replaced. The Issuer may charge for its expenses, including the Trustee's expenses, in replacing a Note.

Every replacement Note is an additional obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If there has been irrevocably deposited with the Paying Agent (other than the Issuer, a Subsidiary or an Affiliate of any thereof), on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer or any Guarantor, or by any Person directly or indirectly controlled by the Issuer or any Guarantor, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuer considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare and, upon receipt of an Authentication Order, the Trustee shall authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such canceled Notes in accordance with its then standard procedures (subject to the record retention requirement of the Exchange Act). Certification of the disposal of all canceled Notes shall be delivered to the Issuer upon its written request therefor. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuer shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuer (or, upon five Business Days' prior written request of the Issuer, the Trustee in the name and at the expense of the Issuer) shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *CUSIP Numbers.*

The Issuer in issuing the Notes may use CUSIP numbers (if then generally in use), and, if so, the Trustee will use CUSIP numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption will not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the CUSIP numbers.

Section 2.14 *Issuance of Additional Notes.*

The Issuer will be entitled, from time to time, without consent of the Holders, to issue Additional Notes under this Indenture with identical terms as the Initial Notes issued on the Issue Date other than with respect to (i) the date of issuance and, if applicable, initial accrual of interest, (ii) the issue price and (iii) any adjustments in order to conform to and ensure compliance with the Securities Act (or other applicable securities laws). The Initial Notes issued on the Issue Date and any Additional Notes will be treated as a single class for all purposes under this Indenture; *provided* that in the event any Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such non-fungible Additional Notes will be issued with a separate CUSIP number.

With respect to any Additional Notes, the Issuer will set forth in an Officers' Certificate or in a resolution of the Board of Directors of the Issuer, copies of which will be delivered to the Trustee, the following information:

- (1) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;
- (2) the issue price, the issue date and the CUSIP number of such Additional Notes; and
- (3) whether such Additional Notes will be subject to transfer restrictions.

ARTICLE 3

REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of paragraph 5 of the Notes, it must furnish to the Trustee, at least 10 days but not more than 60 days before the redemption date (or such longer period before the redemption date as the Trustee may agree), an Officers' Certificate setting forth:

- (1) the clause of the Notes pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed.*

In the event that less than all of the Notes are to be redeemed at any time pursuant to a redemption made pursuant to paragraph 5 of the Notes, selection of the Notes for redemption shall be made on a pro rata basis (if the Notes are issued in physical form) or in accordance with the Depository's applicable procedures (if the Notes are issued in global form) and, in each case, if the Notes are listed on a national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed; *provided, however*, that no Notes of a principal amount of \$2,000 or less shall be redeemed in part. The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03 *Notice of Redemption.*

At least 10 days, and no more than 60 days, before a Redemption Date, the Issuer shall mail or cause to be mailed, or deliver electronically or cause to be delivered electronically for any Notes held by the Depository, a notice of redemption to each Holder of a Note at his or her last address as the same appears on the registry books maintained by the Registrar pursuant to Section 2.04, except that redemption notices may be mailed, or delivered electronically for any Notes held by the Depository, more than 60 days prior to a Redemption Date if the notice is issued in connection with a Legal Defeasance or Covenant Defeasance of the Issuer's obligations pursuant to Article 8 or a satisfaction and discharge of this Indenture pursuant to Article 11, or if the Redemption Date is delayed as provided for in Section 3.04. If the Issuer mails such notice to Holders, it shall mail a copy of such notice to the Trustee at the same time.

The notice shall identify the Notes to be redeemed (including CUSIP Number(s)) and shall state:

(1) the redemption date;

(2) the redemption price;

(3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued in the name of the applicable Holder upon cancellation of the original Note;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph of the Notes pursuant to which the Notes called for redemption are being redeemed;

(8) that no representation is made as to the correctness or accuracy of the CUSIP numbers, if any, listed in such notice or printed on the Notes; and

(9) any condition precedent to the redemption and related information as required by Section 3.04.

At the Issuer's written request, the Trustee shall give the notice of redemption in the Issuer's name and at its expense; *provided, however*, that the Issuer has delivered to the Trustee, at least 15 days prior to the redemption date (or such shorter period as the Trustee may agree (but in no case less than 10 days prior to the redemption date)), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph along with a copy of the redemption notice to be delivered to the Holders. The Issuer may provide in a notice of redemption that payment of the redemption price and the performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

Section 3.04 *Effect of Notice of Redemption.*

Except as provided in the immediately following sentence, once a notice of redemption is delivered in accordance with Section 3.03, subject to the satisfaction (or waiver) of any conditions precedent, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price. Any redemption or notice may, at the Issuer's option, be subject to the satisfaction (or waiver by the Issuer in its sole discretion) of one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction (or waiver) of one or more conditions precedent, such notice shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion) or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been (or, in the Issuer's sole determination, are not expected to be) satisfied by the Redemption Date, or by the Redemption Date so delayed.

The Issuer may provide in any notice that payment of the redemption price and accrued and unpaid interest, if any, and the performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

Section 3.05 *Deposit of Redemption or Purchase Price.*

Prior to 11:00 a.m., New York City time, on the relevant redemption date or required purchase date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of, and accrued interest on, all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest on, all Notes to be redeemed or purchased.

If the Issuer complies with the provisions of the preceding paragraph, on and after the redemption or required purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Issuer shall issue and, upon receipt of an Authentication Order, the Trustee shall authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

The Issuer may at any time and from time to time, at its option, redeem the Notes outstanding (in whole or in part) as provided in paragraph 5 of the Notes.

Section 3.08 *Mandatory Redemption.*

The Issuer is not required to make any mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE 4

COVENANTS

Section 4.01 *Payment of Notes.*

The Issuer shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if there has been irrevocably deposited with the Paying Agent, if other than the Issuer or a Subsidiary thereof, as of 11:00 a.m., New York City time, on the due date money by or on behalf of the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the rate equal to the then applicable interest rate on the Notes. Interest on the Notes shall accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

Section 4.02 *Maintenance of Office or Agency.*

The Issuer shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03.

Section 4.03 *Reports.*

So long as any of the Notes remain outstanding and “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, and are not eligible to be resold pursuant to Rule 144(b)(1) of the Securities Act, the Issuer will furnish to the Holders of the Notes and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act (for so long as such information is required in order to permit resales of the Notes pursuant to Rule 144A).

Section 4.04 *Compliance Certificate.*

(a) The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Issuer, an Officers' Certificate stating that in the course of the performance by the signer of its duties as an officer of the Issuer he or she would normally have knowledge of any Default or Event of Default and whether or not the signer knows of any Default or Event of Default that occurred during such period and if any specifying such Default or Event of Default, its status and what action the Issuer has taken, is taking or proposes to take with respect thereto.

(b) The Issuer shall provide an Officers' Certificate to the Trustee promptly upon any such officer obtaining knowledge of any Default or Event of Default that has occurred and, if applicable, describe such Default or Event of Default and the status thereof. For purposes of this Section 4.04(b), such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

Section 4.05 *Liens.*

(a) So long as any of the Notes remain outstanding, the Issuer will not, nor will it permit any of its Restricted Subsidiaries to, incur, issue, assume, Guarantee or otherwise become liable for any Indebtedness that is secured by a Lien (other than Permitted Liens) on any asset or property now owned or hereafter acquired by the Issuer or any of its Restricted Subsidiaries, without in any such case effectively providing that all of the Notes and Note Guarantees will be secured equally and ratably with (or prior to) such Indebtedness (provided that any Lien created for the benefit of the Holders of the Notes pursuant to this sentence may provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Lien that resulted in such Lien being created for the benefit of the Holders of the Notes).

(b) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness and any Increased Amount shall not be considered an additional incurrence of secured Indebtedness for purposes of this covenant. The "*Increased Amount*" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference, any fees, underwriting discounts, accrued and unpaid interest, premiums and other costs and expenses incurred in connection therewith and increases in the amount (or the dollar equivalent amount) of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Section 4.06 *Guaranteed Indebtedness.*

(a) So long as any of the Notes remain outstanding, the Issuer will not, nor will it permit any of its Restricted Subsidiaries that are Wholly Owned Subsidiaries to, Guarantee any Indebtedness for borrowed money or any Capital Markets Debt (other than Permitted Guaranteed Indebtedness) that is incurred, issued or assumed by the Issuer or any of its Restricted Subsidiaries that are Wholly-Owned Subsidiaries or for which the Issuer or any of its Restricted Subsidiaries that are Wholly-Owned Subsidiaries otherwise becomes liable.

(b) With respect to any Guarantee in respect of Indebtedness referred to in Section 4.06(a) that was permitted at the time of the incurrence of such Guarantee, such Guarantee shall also be permitted in respect of any Increased Amount of such Indebtedness and any Increased Amount shall not be considered an additional Guarantee or additional incurrence of such Indebtedness for purposes of this Section 4.06.

Section 4.07 Sales and Leasebacks.

So long as any of the Notes remain outstanding, the Issuer will not, nor will it permit any of its Restricted Subsidiaries to, enter into any sale and leaseback arrangement involving any asset or property of the Issuer or any of its Restricted Subsidiaries which has a term of more than three years, except for sale and leaseback arrangements between the Issuer and a Wholly Owned Subsidiary of the Issuer that is a Restricted Subsidiary or between Wholly Owned Subsidiaries of the Issuer that are Restricted Subsidiaries, unless:

(1) the Issuer or such Restricted Subsidiary of the Issuer enters into the sale and leaseback transaction within 180 days after the asset or property is acquired, constructed or placed into service;

(2) the rent that the Issuer or such Restricted Subsidiary of the Issuer pays under the related lease is reimbursed under a contract between the Issuer or such Restricted Subsidiary of the Issuer and the United States government or one of its agencies or instrumentalities;

(3) the aggregate amount of all Attributable Debt with respect to sale and leaseback transactions does not exceed 15.0% of Consolidated Net Tangible Assets; or

(4) the Issuer applies or causes to be applied an amount equal to, in the case of a sale or transfer for cash, the lesser of the net proceeds of the sale or transfer of the asset or property and the net book value, or, in the case of a sale or transfer otherwise than for cash, the lesser of the Fair Market Value of the asset or property (as determined by the Issuer in good faith) and its net book value, within 180 days of the effective date of the sale and leaseback arrangement to the retirement of unsubordinated Indebtedness of the Issuer or any of its Restricted Subsidiaries, which may include the Notes; *provided* that the requirement in this clause (4) may not be satisfied by retiring Indebtedness that the Issuer or its Restricted Subsidiaries were otherwise obligated to repay within the 180-day period.

Section 4.08 Change of Control Offer.

(a) If a Change of Control Triggering Event occurs, unless the Issuer has exercised its option to redeem the Notes in whole pursuant to this Indenture and the Notes, the Issuer shall make an offer (the "*Change of Control Offer*") to each Holder of Notes to repurchase all or any part (equal to a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes to be repurchased, plus accrued and unpaid interest, if any, on such Notes to, but not including, the repurchase date (the "*Change of Control Payment*"), subject to the rights of Holders of the Notes on a regular record date to receive interest due on the related interest payment date falling on or prior to the repurchase date. Within 30 days following any Change of Control Triggering Event or, at the Issuer's option, prior to any Change of Control, but after public announcement of the transaction that constitutes or may constitute a Change of Control Triggering Event, the Issuer shall transmit a notice to each Holder, with a copy to the Trustee, describing the transactions and events that constitute or may constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the "*Change of Control Payment Date*"). The notice, if transmitted prior to the date of consummation of the Change of Control, shall state that the offer to purchase is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date. In the event that such offer to purchase fails to satisfy the condition in the immediately preceding sentence, the Issuer shall cause another notice meeting the aforementioned requirements to be transmitted to Holders.

(b) On the Change of Control Payment Date, the Issuer shall, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) irrevocably deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted, together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being repurchased.

The Paying Agent shall promptly transmit to each Holder of properly tendered Notes the Change of Control Payment for such Notes being repurchased, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to the unreurchased portion, if any, of any Notes surrendered; *provided* that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(c) The Issuer shall not be required to make a Change of Control Offer upon the occurrence of a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Issuer and such third party repurchases all Notes properly tendered and not withdrawn under its offer.

(d) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes, the Issuer shall comply with those securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue of any such conflict.

Section 4.09 *Designation of Restricted and Unrestricted Subsidiaries and Investments in Unrestricted Subsidiaries.*

(a) The Board of Directors of the Issuer may designate any Subsidiary of the Issuer (including any newly-acquired or newly-formed Subsidiary) to be an Unrestricted Subsidiary so long as:

(1) such Subsidiary does not own any Equity Interests of, or own or hold any Lien on any property of, the Issuer or any other Subsidiary of the Issuer that is not a Subsidiary of the Subsidiary to be so designated;

(2) such Subsidiary and each of its Subsidiaries has not at the time of designation, and does not thereafter, incur any Indebtedness pursuant to which the lender has recourse to any of the assets of the Issuer or any of its Restricted Subsidiaries (not including Standard Securitization Undertakings or a pledge of Equity Interests in such Unrestricted Subsidiary); and

(3) the aggregate Fair Market Value of each Subsidiary of the Issuer designated as an Unrestricted Subsidiary (or the portion thereof allocable to the direct or indirect Investment of the Issuer therein in the case of a non-Wholly Owned Subsidiary) (as determined in good faith by the Issuer at the time of each such designation), together with the aggregate amount of all Investments made by the Issuer and its Restricted Subsidiaries in Unrestricted Subsidiaries of the Issuer pursuant to the proviso to the immediately succeeding paragraph, would not exceed the greater of (i) \$500.0 million and (ii) 10% of the Consolidated Total Assets of the Issuer and its Restricted Subsidiaries. If at any time an Unrestricted Subsidiary of the Issuer fails to comply with clauses (1) and (2) of this Section 4.09(a), such Subsidiary shall no longer constitute an Unrestricted Subsidiary.

(b) The Issuer will not make and will not permit any of its Restricted Subsidiaries to make any Investment in an Unrestricted Subsidiary of the Issuer; *provided* that the Issuer and its Restricted Subsidiaries may make any Investment in an Unrestricted Subsidiary of the Issuer so long as the aggregate amount of all Investments made by the Issuer and its Restricted Subsidiaries in Unrestricted Subsidiaries, together with the aggregate Fair Market Value of each Subsidiary of the Issuer designated as an Unrestricted Subsidiary (or the portion thereof allocable to the direct or indirect Investment of the Issuer therein in the case of a non-Wholly Owned Subsidiary) (as determined in good faith by the Issuer at the time of each such designation), would not exceed the greater of (a) \$500.0 million and (b) 10% of the Consolidated Total Assets of the Issuer and its Restricted Subsidiaries measured at the time any such Investment is made.

(c) The Board of Directors of the Issuer may designate any Unrestricted Subsidiary to be a Restricted Subsidiary only if immediately before and immediately after giving effect to such designation, no Default or Event of Default shall have occurred and be continuing.

(d) Any such designation by the Board of Directors of the Issuer under Section 4.09(a) or Section 4.09(c) shall be evidenced to the Trustee by promptly filing with the Trustee a copy of the Board Resolution giving effect to such designation and an Officers' Certificate certifying that such designation complied with the foregoing provisions.

Section 4.10 *Additional Note Guarantees.*

If, after the date hereof, (1) any Wholly Owned U.S. Subsidiary (including any newly formed or newly acquired Wholly Owned U.S. Subsidiary) of the Issuer that is a Restricted Subsidiary that is not then a Guarantor (x) incurs or guarantees any Indebtedness under the Existing Credit Agreement or (y) guarantees any Capital Markets Debt issued by the Issuer or any Guarantor with an aggregate outstanding principal amount in excess of \$100.0 million or (2) the Issuer otherwise elects to have any of its Restricted Subsidiaries become a Guarantor, then, in each such case, the Issuer shall cause such Restricted Subsidiary to, within 30 days thereafter, execute and deliver to the Trustee a supplemental indenture pursuant to which such Restricted Subsidiary shall become a Guarantor under this Indenture and provide a Note Guarantee on the same terms and conditions as those set forth in this Indenture and applicable to the other Guarantors and deliver an Officers' Certificate and Opinion of Counsel reasonably satisfactory to the Trustee. The form of such supplemental indenture is attached as Exhibit E hereto.

Section 4.11 *Covenant Suspension.*

(a) If on any date following the Issue Date, (i) the Notes attain Investment Grade Ratings from two Rating Agencies and (ii) no Default or Event of Default has occurred and is continuing under the Indenture, then, beginning on that day, Sections 4.06, 4.09 and 4.10 will not be applicable to the Notes (collectively, the "*Suspended Covenants*").

(b) If on any subsequent date two of the Rating Agencies shall have assigned to the Notes ratings below Investment Grade Ratings, the Suspended Covenants will be reinstated as of and from the time at which the Issuer obtains actual knowledge of such rating decline (any such time, a "*Reversion Time*"). The period of time between the suspension of covenants as set forth above and the Reversion Time is referred to as the "*Suspension Period*." If at any time during a Suspension Period any Subsidiary of the Issuer issues, assumes, incurs, enters into any guarantee of or otherwise becomes liable for (collectively, "*Incur*") Indebtedness or enters into any transaction that, in each case, if Incurred or entered into at a time other than during a Suspension Period would have required such Subsidiary to become a Guarantor with respect to the Notes pursuant to Section 4.10, then, within 30 days of the Reversion Time, such Subsidiary shall become a Guarantor of the Notes, execute a supplemental indenture to the Indenture in the form attached as Exhibit E hereto and deliver an Officers' Certificate and Opinion of Counsel reasonably satisfactory to the Trustee. With respect to any designation of a Subsidiary of the Issuer as an Unrestricted Subsidiary or any Investment in an Unrestricted Subsidiary made, in each case, after any Reversion Time, the amount of the aggregate Fair Market Value of each Subsidiary of the Issuer designated as an Unrestricted Subsidiary (or the portion thereof allocable to the direct or indirect Investment of the Issuer therein in the case of a non-Wholly Owned Subsidiary) (as determined in good faith by the Issuer at the time of each such designation), together with the aggregate amount of all Investments made by the Issuer and its Restricted Subsidiaries in Unrestricted Subsidiaries of the Issuer pursuant to the proviso to Section 4.09(b) will be calculated as if the covenant described under such caption had been in effect prior to, but not during, the Suspension Period.

(c) The Trustee shall not have any duty to monitor any Suspension Period or Reversion Time or to notify Holders of such.

Section 4.12 *Stay, Extension and Usury Laws.*

(a) The Issuer and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenant that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

ARTICLE 5

SUCCESSORS

Section 5.01 *Merger, Consolidation and Sale of Assets.*

(a) The Issuer may consolidate with, sell, convey or lease (and may cause or permit any Restricted Subsidiary of the Issuer to sell, convey or lease) all or substantially all of the Issuer's assets to, or merge with or into, any other Person, only if:

(1) either (x) the Issuer is the continuing corporation or (y) the successor Person is a corporation organized and validly existing under the laws of the United States or any state thereof or the District of Columbia and expressly assumes the due and punctual payment of the principal of and premium, if any, and interest on all of the Notes, according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of the Notes and this Indenture to be performed or observed by the Issuer;

(2) immediately after such merger, consolidation, sale, conveyance or lease, no Default or Event of Default shall have occurred or be continuing; and

(3) in the case of (1)(y) above, the Issuer or such successor corporation shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such merger, consolidation, sale, conveyance or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with the applicable provisions of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied.

(b) For purposes of Section 5.01(a), the sale, lease or conveyance of all the assets, or substantially all the assets, of one or more Restricted Subsidiaries of the Issuer, the Equity Interests of which constitutes all or substantially all the assets of the Issuer, shall be deemed to be the transfer of substantially all the assets of the Issuer.

(c) Upon any such merger, consolidation, sale, conveyance or lease in accordance with this Section 5.01, in which the Issuer is not the continuing corporation, the successor corporation formed by such consolidation or into which the Issuer is merged or to which such sale, conveyance or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture and the Notes with the same effect as if such surviving entity had been named as such.

(d) Notwithstanding the foregoing, this Section 5.01 will not apply to any sale, assignment, transfer, conveyance, lease or other disposition of assets between or among the Issuer and any one or more of its Restricted Subsidiaries or between or among any one or more of the Issuer's Restricted Subsidiaries. Section 5.01(a)(2) will not apply to (i) any merger or consolidation of any Restricted Subsidiary with or into the Issuer or (ii) a merger or consolidation of the Issuer with or into an affiliate of the Issuer solely for the purpose of reincorporating the Issuer in another jurisdiction.

DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

Each of the following is an “*Event of Default*”:

- (1) the failure to pay interest on the Notes when the same becomes due and payable and the default continues for a continuous period of 30 days;
- (2) the failure to pay the principal on the Notes, when such principal becomes due and payable, at maturity, upon redemption or otherwise;
- (3) a default in the observance or performance of any other covenant or agreement contained in this Indenture which default continues for a period of 90 days after the Issuer receives written notice specifying the default (and demanding that such default be remedied) from the Trustee or the Holders of at least 25% of the outstanding principal amount of the Notes (except in the case of a default with respect to Section 5.01, which will constitute an Event of Default with such notice requirement but without such passage of time requirement);
- (4) the entry by a court of competent jurisdiction of (A) a decree or order for relief in respect of the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (B) a decree or order adjudging the Issuer or any Significant Subsidiary bankrupt or insolvent, or seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or any Significant Subsidiary under any applicable federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Issuer or any Significant Subsidiary or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and any such decree or order for relief shall continue to be in effect, or any such other decree or order shall be unstayed and in effect, for a period of 60 consecutive days;
- (5) (A) the commencement by the Issuer or any Significant Subsidiary of a voluntary case or proceeding under any applicable Bankruptcy Law or any other case or proceeding to be adjudicated bankrupt or insolvent, (B) the Issuer or any Significant Subsidiary consents to the entry of a decree or order for relief in respect of the Issuer or such Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or to the commencement of any bankruptcy or insolvency case or proceeding against it, (C) the Issuer or any Significant Subsidiary files a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, (D) the Issuer or any Significant Subsidiary (x) consents to the filing of such petition or the appointment of, or taking possession by, a custodian, receiver, liquidator, assignee, trustee, sequestrator or similar official of the Issuer or such Significant Subsidiary or of any substantial part of its property, (y) makes an assignment for the benefit of creditors or (z) admits in writing its inability to pay its debts generally as they become due or (E) the Issuer or any Significant Subsidiary takes any corporate action in furtherance of any such actions in this clause (5); or
- (6) except as permitted by this Indenture, any Note Guarantee of any Significant Subsidiary is declared to be unenforceable or invalid by any final and nonappealable judgment or decree or ceases for any reason to be in full force and effect, or any Guarantor that is a Significant Subsidiary or any Person acting on behalf of the Issuer or any such Guarantor denies or disaffirms the obligations of such Guarantor in writing under its Note Guarantee and such default continues for 10 days after the Issuer receives written notice specifying the default (and demanding that such default be remedied) from the Trustee or the Holders of at least 25% of the outstanding principal amount of the Notes.

Section 6.02 Acceleration.

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(4) or Section 6.01(5) with respect to the Issuer) shall occur and be continuing, the Trustee or the Holders of at least 25% in principal amount of outstanding Notes may declare the principal of and accrued interest on all the Notes under this Indenture to be due and payable by notice in writing to the Issuer and the Trustee specifying the respective Event of Default and that it is a “notice of acceleration,” and the same shall become immediately due and payable. If an Event of Default specified in Section 6.01(4) or Section 6.01(5) with respect to the Issuer occurs and is continuing, then all unpaid principal of, and premium, if any, and accrued and unpaid interest on all of the outstanding Notes shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) At any time after a declaration of acceleration with respect to the Notes as described in clause (a) of this Section 6.02, the Holders of a majority in principal amount of the Notes may rescind and cancel such declaration and its consequences:

(1) if the rescission would not conflict with any judgment or decree;

(2) if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of the acceleration;

(3) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid; and

(4) if the Issuer has paid the Trustee its reasonable compensation and reimbursed the Trustee for all costs, expenses, disbursements and advances.

(c) No such rescission shall affect any subsequent Default or impair any right consequent thereto.

Section 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes, the Note Guarantees or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

(a) The Holders of a majority in aggregate principal amount of the then outstanding Notes may waive any existing Default or Event of Default under the Notes, and its consequences, except a Default or Event of Default:

(1) in respect of the payment of the principal of (or premium, if any, on) or interest on the Notes; or

(2) in respect of a covenant or provision of this Indenture that under Article 9 cannot be modified or amended without the consent of each Holder affected.

(b) Upon any such waiver, such Default or Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture with respect to the Notes; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Subject to all provisions of this Indenture and applicable law, the Holders of a majority in aggregate principal amount of the then outstanding Notes have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders) or that may involve the Trustee in personal liability. The Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 6.06 *Limitation on Suits.*

Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;
- (3) such Holders have offered the Trustee indemnity and/or security satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity; and

(5) Holders of a majority in aggregate principal amount of the then-outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

Section 6.07 *Rights of Holders to Receive Payment.*

Notwithstanding any other provision of this Indenture, the contractual right of any Holder to receive payment of principal, premium, if any, and interest on the Notes, on or after the respective due dates expressed in the Notes (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as Trustee of an express trust against the Issuer and each Guarantor for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that such payments shall be made directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee hereunder. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee and the Agents, and their respective agents and attorneys for amounts due under the terms of this Indenture, including payment of all compensation, costs, expenses and liabilities incurred, and all advances made, by the Trustee and the Agents and the costs and expenses of collection;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

Third: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

ARTICLE 7

TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants, duties, or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of gross negligence or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of certificates or opinions specifically required by any provision hereof to be furnished to it, the Trustee shall examine the certificates and opinions to determine whether or not they, on their face, conform to the requirements of this Indenture (but need not to verify, confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate security and/or indemnity against such risk or liability is not reasonably assured to it.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely in good faith upon any document believed by it to be genuine and to have been signed or presented by the proper Person or Persons. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the acts, omissions, misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture *provided, however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence. The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties of the Trustee.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by an Officer of the Issuer.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee security and/or indemnity satisfactory to it against any loss, claim, liability, cost or expense that might be incurred by it in compliance with such request or direction.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes, the Issuer and this Indenture.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be compensated, reimbursed, or indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder and each Agent.

(i) The Trustee may request that the Issuer deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(j) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(l) Delivery of reports, information and documents to the Trustee described in Section 4.03 of this Indenture is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely conclusively on Officers' Certificates). The Trustee is under no duty to examine such reports, information or documents to ensure compliance with the provision of this Indenture or to ascertain the correctness or otherwise of the information or the statements contained therein.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.09 and 7.10.

Section 7.04 *Trustee's Disclaimer.*

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Notes or the Notes Guarantee, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and the Trustee has notice thereof in accordance with Section 7.02(g), the Trustee shall mail (at the Issuer's expense) to Holders a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default relating to the payment of principal of, premium, if any, or interest on, any Note, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *Compensation and Indemnity.*

(a) The Issuer shall pay to the Trustee from time to time such reasonable compensation for its acceptance of this Indenture and services hereunder as agreed to in writing between the Issuer and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a Trustee of an express trust. The Issuer shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances, costs and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee against any and all losses, liabilities, claims, damages or expenses (including reasonable attorneys' fees and expenses) incurred by it arising out of or in connection with the administration of this trust, the acceptance or administration of its duties under this Indenture or the exercise of its rights and powers under this Indenture, the Notes or the Notes Guarantees, including the costs and expenses of enforcing this Indenture against the Issuer and the Guarantors (including this Section 7.06) and defending itself against any claim (whether asserted by the Issuer, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense shall be determined by a court of competent jurisdiction in a final non-appealable decision to have been caused by its own gross negligence or willful misconduct. The Trustee shall notify the Issuer promptly of any claim of which a Responsible Officer has received written notice for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer or any of the Guarantors of their obligations hereunder.

(c) The obligations of the Issuer and the Guarantors under this Section 7.06 shall survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee.

(d) To secure the Issuer's and the Guarantors' payment obligations in this Section 7.06, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(4) or 6.01(5) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) "Trustee" for the purposes of this Section 7.06 shall include (i) any predecessor or successor Trustee and such predecessor or successor Trustee's officers, directors, employees, and agents, and (ii) the Trustee in each of its capacities hereunder and each agent, custodian and other person employed to act hereunder.

Section 7.07 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer at least 30 days prior to the effective date of such resignation. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing at least 30 days prior to the effective date of such removal. The Issuer may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.09;

(2) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer, or the Holders of at least 10% in principal amount of the then outstanding Notes may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Issuer's obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

Section 7.08 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or banking association, the successor corporation or banking association without any further act shall be the successor Trustee.

Section 7.09 *Eligibility; Disqualification.*

There shall at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that together with its affiliates has a combined capital and surplus of at least \$50.0 million as set forth in its most recent published annual report of condition. No Person directly or indirectly controlling, controlled by or under common control with the Issuer or any Guarantor shall serve as the Trustee.

Section 7.10 *Preferential Collection of Claims Against Issuer.*

The provisions of TIA § 311 are hereby expressly incorporated by reference herein and made a part hereof with the same force and effect as if reproduced in its entirety herein. If any provision of this Indenture limits, qualifies or conflicts with § 311 of the TIA, the provision of § 311 of the TIA shall control.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may, at any time, elect to have either Section 8.02 or 8.03 applied to all outstanding Notes and all obligations of the Guarantors with respect to the Note Guarantees upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.02, the Issuer and each of the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuer and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on written request of and at the expense of the Issuer, shall execute proper instruments, which shall be prepared and delivered to the Trustee by the Issuer, acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due from the trust fund referred to in Section 8.04;
- (2) the Issuer's obligations with respect to such Notes under Sections 2.07, 2.10 and 4.02;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuer's and the Guarantors' obligations in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Section 8.02, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 8.03 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuer and its Subsidiaries shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from each of their obligations under the covenants contained in Sections 4.03, 4.04(a), 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11 and Section 5.01 with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and the Note Guarantees, the Issuer and its Subsidiaries may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.03 subject to the satisfaction of the conditions set forth in Section 8.04, Sections 6.01(3) and 6.01(6) and, to the extent relating to a Significant Subsidiary of the Issuer, Sections 6.01(4) and 6.01(5) shall not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03:

(1) the Issuer must irrevocably deposit with the Trustee, in trust for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be;

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that:

(A) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in applicable U.S. federal income tax law,

(C) in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the applicable Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that the applicable Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or insofar as Events of Default from bankruptcy or insolvency events are concerned, at any time in the period ending on the 91st day after the date of deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, the Indenture or any other material agreement or instrument to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound;

(6) the Issuer shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over any other creditors of the Issuer or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Issuer or others;

(7) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with; and

(8) no event or condition shall exist that would prevent the Issuer from making payments of the principal of, premium, if any, and interest on the Notes on the date of such deposit on the date of such deposit.

(b) Notwithstanding the foregoing, the Opinion of Counsel required by clause (2) above with respect to a Legal Defeasance need not be delivered if all Notes not theretofore delivered to the Trustee for cancellation (1) have become due and payable or (2) will become due and payable on the maturity date within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer and the Guarantors, jointly and severally, shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee shall deliver or pay to the Issuer from time to time upon the written request of the Issuer any money or U.S. Government Obligations held by it as provided in Section 8.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Issuer.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter be permitted to look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any United States dollars or U.S. Government Obligations in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; *provided, however*, that, if the Issuer makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the cash or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders.*

(a) Without the consent of any Holders, the Issuer, the Guarantors and the Trustee, at any time and from time to time, may amend or supplement this Indenture, the Notes or the Note Guarantees in form satisfactory to the Trustee, for any of the following purposes:

(1) to evidence the succession of another Person to the Issuer and complying with Article Five;

(2) to add to the covenants of the Issuer for the benefit of the Holders of the Notes or to surrender any right or power herein conferred upon the Issuer;

(3) to add any additional Events of Default for the benefit of the Holders of the Notes;

(4) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Notes and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 7.08;

(5) to cure any ambiguity, defect or inconsistency;

(6) to secure the Notes pursuant to the requirements of Section 4.05 or otherwise;

(7) to comply with the rules of any applicable Depository;

(8) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Notes in uncertificated form;

(9) to conform any provision of this Indenture, any supplemental indenture, the Notes or the Note Guarantees to the "Description of the Notes" contained in the Offering Memorandum to the extent that such description was intended to be a verbatim recitation of a provision in this Indenture, the Notes or the Note Guarantees, in each case as conclusively evidenced by an Officers' Certificate;

(10) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes;

(11) to comply with requirements of the SEC in order to effect the qualification of this Indenture under the TIA, if applicable;

(12) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture; or

(13) to make any other amendments, modifications or supplements hereto or to the Notes or the Note Guarantees, provided, that such amendments, modifications or supplements shall not adversely affect the rights of any Holder of the Notes in any material respect.

(b) Upon the written request of the Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amendment or supplement to this Indenture, and upon receipt by the Trustee of the documents described in Section 7.02(b), the Trustee shall join with the Issuer and the Guarantors in the execution of any amendment or supplement to this Indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders.*

(a) Except as provided below in this Section 9.02, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture (including, without limitation, Section 4.08), the Note Guarantees or the Notes (and any documents related thereto) with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and, subject to Sections 6.04 and 6.07, any existing Default or Event of Default or non-compliance with any provision of this Indenture, the Note Guarantees or the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes).

(b) Upon the written request of the Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amendment or supplement to this Indenture, and upon the filing with the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02(b), the Trustee shall join with the Issuer and the Guarantors in the execution of such amendment or supplement to this Indenture unless such amendment or supplement directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amendment or supplement.

(c) It is not necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it is sufficient if such consent approves the substance thereof.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall deliver to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver. Subject to Sections 6.04 and 6.07, the Holders of a majority in aggregate principal amount of the Notes then outstanding, voting as a single class, may waive compliance in a particular instance by the Issuer and the Guarantors with any provision of this Indenture, the Notes, or the Note Guarantees. However, without the consent of each Holder affected, an amendment, modification, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the amount of such Notes whose Holders must consent to an amendment;

(2) reduce the rate of or change or have the effect of changing the time for payment of interest, including defaulted interest, on such Notes;

(3) reduce the principal of or change or have the effect of changing the fixed maturity of such Notes, or change the date on which such Notes may be subject to redemption or reduce the redemption price therefor;

(4) make such Notes payable in money other than that stated in such Notes;

(5) make any change in provisions of this Indenture providing for the contractual right of each Holder to receive payment of principal of and interest on such Notes on or after the due date thereof or to bring suit to enforce such payment, or permitting Holders of a majority in principal amount of such Notes to waive Defaults or Events of Default;

(6) modify or change any provision of such Indenture or the related definitions affecting the ranking of such Notes or the related Note Guarantees in a manner which adversely affects the Holders;

(7) release any Guarantor constituting a Significant Subsidiary from any of its obligations under its Note Guarantee relating to such Notes or such Indenture, except in accordance with the terms of such Indenture.

Section 9.03 *Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes shall be set forth in an amended or supplemental indenture that complies with the TIA as then in effect, but only if this Indenture is then qualified under the TIA.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee shall sign any amendment or supplement to this Indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuer may not sign an amendment or supplement to this Indenture until the Board of Directors of the Issuer approves of such amendment or supplement. In executing any amendment or supplement to this Indenture, the Trustee shall be provided with and (subject to Section 7.01) shall be fully protected in relying upon, in addition to the documents required by Section 12.03, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amendment or supplement is authorized or permitted by this Indenture, and is the legal, valid and binding obligation of the Issuer and the Guarantors, enforceable in accordance with its terms.

NOTE GUARANTEES

Section 10.01 *Guarantee.*

(a) Subject to this Article 10, each Guarantor hereby, jointly and severally with any other Guarantor, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(1) the principal of, premium, if any, and interest on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other Obligations of the Issuer to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, each Guarantor shall be obligated, jointly and severally with any other Guarantor, to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of merger, insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture (including payment in full of the principal thereof and interest thereon or as otherwise provided in this Indenture) or by release in accordance with the provisions of this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid by either the Issuer or the Guarantors to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(d) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all Obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such Obligations as provided in Article 6, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee.

(e) At any time that there is more than one Guarantor party hereto, all Guarantors desire to allocate among themselves (collectively, the “Contributing Guarantors”), in a fair and equitable manner, the economic consequences resulting from the performance of their respective obligations arising under this Indenture. Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a “Funding Guarantor”) under its Notes Guarantee at any time that there is more than one Guarantor party hereto such that its Aggregate Payments exceed its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor’s Aggregate Payments to equal its Fair Share as of such date. “Fair Share” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Contributing Guarantor, to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors, multiplied by (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under their respective Notes Guarantees in respect of the obligations guaranteed. “Fair Share Contribution Amount” means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under its Notes Guarantee that would not render its obligations hereunder or thereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of the Bankruptcy Code or any comparable applicable provisions of state law; provided that solely for purposes of calculating the Fair Share Contribution Amount with respect to any Contributing Guarantor for purposes of this Section 10.01, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. “Aggregate Payments” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (1) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of its Notes Guarantee (including in respect of this Section 10.01), minus (2) the aggregate amount of all payments received on or before such date by such Guarantor from the other Contributing Guarantors as contributions under this Section 10.01. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. Each Contributing Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 10.01(e). For the avoidance of doubt, nothing in this Section 10.01(e) shall limit or impair, by implication or otherwise, each Guarantor’s obligations under its Note Guarantee.

Section 10.02 *Limitation on Guarantor Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor shall be limited to the maximum amount that shall, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03 *Execution and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 10.01, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit D hereto shall be endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee at the time such Guarantor provides its Note Guarantee and that this Indenture (or a supplemental indenture hereto as provided in Section 4.10) shall be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

Section 10.04 Releases.

(a) The Note Guarantee of a Guarantor will be released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) the Issuer or a Restricted Subsidiary of the Issuer;

(2) in connection with any sale or other disposition of all of the Equity Interests of that Guarantor to a Person that is not (either before or after giving effect to such transaction) the Issuer or a Restricted Subsidiary of the Issuer;

(3) if the Issuer designates such Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture;

(4) in connection with any merger or consolidation of that Guarantor with and into the Issuer or any other Guarantor that is the surviving Person in such merger or consolidation, or upon the liquidation of such Guarantor following the transfer of all of its assets to the Issuer or another Guarantor;

(5) at the election of the Issuer, upon or after the release or discharge of the Guarantee by such Guarantor under the Existing Credit Agreement or, as applicable, the Guarantee by such Guarantor in respect of the Capital Markets Debt that resulted in the obligation of such Guarantor to Guarantee the Notes, except in each case a release or discharge by or as a result of payment in connection with the enforcement of remedies under such Guarantee (it being understood that a release subject to contingent reinstatement is still a release, and that if any such Guarantee is reinstated, such Note Guarantee will also be reinstated to the extent that such Guarantor would then be required to provide a Note Guarantee pursuant to this Indenture); provided that after giving effect to the release of the Note Guarantee of such Guarantor under this clause (5) (and all other substantially concurrent releases of Guarantees made by such Guarantor), such Guarantor does not Guarantee the Existing Credit Agreement or any Capital Markets Debt issued by the Issuer or a Guarantor with an aggregate outstanding principal amount in excess of \$100.0 million;

(6) in the case of any Restricted Subsidiary of the Issuer that becomes a Guarantor at the Issuer's election pursuant to clause (2) under Section 4.10 upon written notice to the Trustee of the Issuer's election to release such Guarantor (unless otherwise provided in the applicable supplemental indenture pursuant to which such Restricted Subsidiary becomes a Guarantor) or in any other circumstance described in the applicable supplemental indenture pursuant to which such Restricted Subsidiary becomes a Guarantor; or

(7) upon legal defeasance in accordance with Article 8 or satisfaction and discharge in accordance with Article 11.

(b) Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 10.04 shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of such Guarantor under this Indenture as provided in and subject to any limitations contained in this Article 10.

(c) Upon delivery to the Trustee of an Officers' Certificate and Opinion of Counsel to the effect that the applicable requirement set forth in any of clauses (1) through (7) of Section 10.04(a) has been complied with, the Trustee, at the Issuer's expense, will execute any documents reasonably requested by the Issuer to evidence the release of the applicable Note Guarantee.

SATISFACTION AND DISCHARGE

Section 11.01 *Satisfaction and Discharge.*

This Indenture will be discharged with respect to the Notes and will cease to be of further effect (except as to surviving rights of transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes under this Indenture when:

(1) either:

(a) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation; or

(b) all the Notes not theretofore delivered to the Trustee for cancellation have become due and payable within one year or as a result of a mailing of a notice of redemption and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee cash or non-callable U.S. Government Obligations or a combination thereof in an amount sufficient to pay and discharge the entire Indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on such Notes to the date of deposit (in the case of Notes that have become due and payable), redemption or their Stated Maturity, as applicable, together with irrevocable instructions from the Issuer or such Guarantor directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(2) the Issuer or any Guarantor has paid all other sums payable under such Indenture in respect of such Notes by the Issuer; and

(3) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under such Indenture relating to the satisfaction and discharge of such Indenture in respect of such Notes have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to sub-clause (b) of clause (1) of this Section 11.01, the provisions of Sections 11.02 and 8.06 shall survive. In addition, nothing in this Section 11.01 shall be deemed to discharge those provisions of Section 7.06, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 11.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06, all money deposited with the Trustee pursuant to Section 11.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law; *provided* that, if there is a tender offer by the Issuer for outstanding Notes that is in progress at the time of such deposit, such money deposited with the Trustee pursuant to Section 11.01 may be applied to pay any cash consideration for any Notes validly tendered into such tender offer and not validly withdrawn so long as prior to any such application the Issuer delivers an Officers' Certificate to the Trustee certifying that after giving effect to such application, the amount remaining on deposit with the Trustee will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes (excluding Notes delivered to the Trustee for cancellation and Notes to be repurchased in such tender offer) for principal, premium, if any, and accrued interest to the date of maturity or redemption, as the case may be.

To the extent that and so long as the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01; *provided, however*, that if the Issuer has made any payment of principal of, premium, if any, or interest on any Notes following the reinstatement of their obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

Section 12.13 *Table of Contents, Headings, etc.*

The Table of Contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

Section 12.14 *Waiver of Jury Trial.*

(1) *INTEREST.* Pitney Bowes Inc., a Delaware corporation (the “*Issuer*” or the “*Company*”), promises to pay interest on the principal amount of this Note at 6.875% per annum from March 19, 2021 until maturity. The Issuer shall pay interest semi-annually in arrears on March 15 and September 15 of each year, or if any such day is not a Business Day, on the next day that is a Business Day (each, an “*Interest Payment Date*”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from March 19, 2021; *provided* that the first Interest Payment Date shall be September 15, 2021. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate equal to the then applicable interest rate on the Notes. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the rate equal to the then applicable interest rate on the Notes. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT.* The Issuer shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on the March 1 or September 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes shall be payable as to principal, interest and premium, if any, at the office or agency of the Paying Agent at its Corporate Trust Office, or, at the option of the Issuer, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal, interest and premium, if any, on all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Issuer or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, Truist Bank, the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without notice to any Holder. The Issuer or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE.* The Issuer issued the Notes under an Indenture dated as of March 19, 2021 (the “*Indenture*”), among the Issuer, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. In the event of a conflict between the terms and provisions of the Indenture on the one hand and the terms and provisions of this Note or any Note Guarantee on the other hand, the terms and provisions of the Indenture shall govern and be controlling. The Notes are general unsecured obligations of the Issuer. Subject to the conditions set forth in the Indenture, the Issuer may issue Additional Notes.

(5) *OPTIONAL REDEMPTION.*

(a) Except as set forth below, the Issuer will not be entitled to redeem the Notes at its option.

(b) At any time prior to March 15, 2024, the Issuer may redeem all or a part of the Notes, upon notice as described in Section 3.03 of the Indenture, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium, *plus* accrued and unpaid interest if any, to, but excluding, the redemption date (the “*Redemption Date*”), subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date.

(c) On and after March 15, 2024, the Issuer may redeem the Notes, in whole or in part, upon notice as described in Section 3.03 of the Indenture, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon, if any, to, but excluding, the applicable Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date, if redeemed during the 12-month period beginning on March 15 of each of the years indicated below:

Year	Percentage
2024	103.438%
2025	101.719%
2026 and thereafter	100.000%

(d) In addition, until March 15, 2024, the Issuer may, at its option, on one or more occasions redeem up to 40% of the aggregate principal amount of Notes (including Additional Notes) issued under the Indenture at a redemption price equal to 106.875% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to, but not including, the applicable Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date, with funds in an aggregate amount not exceeding the net cash proceeds of one or more Equity Offerings; *provided* that at least 50% of the sum of the aggregate principal amount of (x) Notes originally issued under the Indenture and (y) any Additional Notes issued under the Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption (unless, in connection therewith, all remaining Notes will be redeemed); *provided, further*, that each such redemption occurs within 180 days of the date of closing of each such Equity Offering.

(e) Notwithstanding the foregoing, in connection with any tender offer for any Notes, if Holders of not less than 90% in the aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuer, or any other Person making such tender offer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer will have the right, upon notice given not more than 30 days following such purchase pursuant to such tender offer, to redeem all of the Notes that remain outstanding following such purchase at a price in cash equal to the highest price offered to each Holder in such tender offer, plus, to the extent not included in the tender offer payment, accrued and unpaid interest to but excluding the Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date).

(6) **MANDATORY REDEMPTION.** The Issuer shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) **REPURCHASE AT THE OPTION OF HOLDER.** The Issuer may be required to repurchase the Notes as a result of a Change of Control, as provided in Section 4.08 of the Indenture. Holders may elect to have such Notes purchased pursuant to a Change of Control Offer by completing the form entitled “*Option of Holder to Elect Purchase*” attached to the Notes.

(8) **NOTICE OF REDEMPTION.** Notice of redemption shall be provided pursuant to Section 3.03 of the Indenture.

(9) **DENOMINATIONS, TRANSFER, EXCHANGE.** The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuer need not exchange or register the transfer of any Notes for a period of 15 days before the date of sending a notice of redemption of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(10) *PERSONS DEEMED OWNERS*. The registered Holder of a Note may be treated as its owner for all purposes.

(11) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture, the Note Guarantees or the Notes (and any documents related thereto) may be amended or supplemented, both with and without the consent of the Holders of Notes, as provided in Article 9 of the Indenture.

(12) *DEFAULTS AND REMEDIES*. Events of Default include default for 30 days in the payment when due of interest on the Notes, default in the payment when due (at maturity, upon redemption, acceleration or otherwise) of the principal of, or premium, if any, on the Notes, as well as other Events of Default set forth in Section 6.01 of the Indenture. The Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuer is required, promptly upon any officer obtaining knowledge of any Default or Event of Default that has occurred, to provide an Officers' Certificate to the Trustee.

(13) *TRUSTEE DEALINGS WITH ISSUER*. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuer or its Affiliates, and may otherwise deal with the Issuer or its Affiliates, as if it were not the Trustee.

No director, officer, employee, incorporator, stockholder, member or other holder of Equity Interests of the Issuer or any Guarantor, in their capacities as such and without limiting the Note Guarantees, shall have any liability for any obligations of the Issuer or Guarantors under the Notes, the Note Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability that may arise other than pursuant to a Note Guarantee. The waiver and release are part of the consideration for the issuance of the Notes.

(15) *AUTHENTICATION*. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(16) *ABBREVIATIONS*. FORM OF SUPPLEMENTAL INDENTURE
TO BE DELIVERED BY SUBSEQUENT GUARANTORS

SUPPLEMENTAL INDENTURE (this "*Supplemental Indenture*"), dated as of _____, 20____, among Pitney Bowes Inc., a Delaware corporation (the "*Issuer*"), the undersigned Restricted Subsidiary (the "*Guaranteeing Subsidiary*") and Truist Bank, as trustee under the Indenture referred to below (the "*Trustee*").

W I T N E S E T H

WHEREAS, the Issuer has heretofore executed and delivered to the Trustee an indenture (the "*Indenture*"), dated as of March 19, 2021 providing for the issuance of 6.875% Senior Notes due 2027 (the "*Notes*");

WHEREAS, the Indenture provides that under certain circumstances the Guarantoring Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guarantoring Subsidiary shall unconditionally guarantee all of the Issuer's Obligations under the Notes and the Indenture on the terms and conditions set forth herein (the "*Note Guarantee*"); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Guarantoring Subsidiary and the Trustee mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

1. CAPITALIZED TERMS. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

2. AGREEMENT TO GUARANTEE. The Guarantoring Subsidiary hereby provides an unconditional Guarantee on the terms and subject to the conditions set forth in the Note Guarantee and in the Indenture, including Article 10 thereof, with the same force and effect as if the Guarantoring Subsidiary was an original signatory to the Indenture.

No director, officer, employee, incorporator, stockholder, member or other holder of Equity Interests of the Guarantoring Subsidiary, in their capacities as such and without limiting the Note Guarantees, shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, any Note Guarantees, the Indenture or this Supplemental Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of the Notes by accepting a Note waives and releases all such liability that may arise other than pursuant to a Note Guarantee. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws.

4. NEW YORK LAW TO GOVERN. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES AND THE NOTE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES THEREOF RELATING TO CONFLICTS OF LAW (OTHER THAN SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, AND ANY SUCCESSOR STATUTE OR STATUTES).

Each signed copy shall be an original (including copies transmitted via facsimile or electronic mail), but all of them together represent the same agreement. The exchange of copies of this Supplemental Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Supplemental Indenture as to the parties hereto and may be used in lieu of the original Supplemental Indenture and signature pages for all purposes.

6. EFFECT OF HEADINGS. The Section headings herein are for convenience only and shall not affect the construction hereof.

7. THE TRUSTEE. INDENTURE, dated as of March 19, 2021, among Pitney Bowes Inc., a Delaware corporation (the “*Issuer*”), the Guarantors from time to time parties hereto, and Truist Bank, as trustee (the “*Trustee*”).

The Issuer, the Guarantors and the Trustee agree as follows for the benefit of each other and for the equal and ratable benefit of the Holders (as defined herein) of the Issuer’s 7.250% Senior Notes due 2029 (the “*Notes*”):

ARTICLE 1

DEFINITIONS AND INCORPORATION BY REFERENCE

Section 1.01 *Definitions.*

“*144A Global Note*” means a Global Note substantially in the form of Exhibit A hereto bearing the Global Note Legend and the Private Placement Legend and deposited with or on behalf of, and registered in the name of, the Depository or its nominee, issued in a denomination equal to the outstanding principal amount of the Notes sold in reliance on Rule 144A.

“*Additional Notes*” means any Notes (other than the Initial Notes), if any, issued under this Indenture in accordance with Sections 2.02 and 2.14.

“*Adjusted Treasury Rate*” means, as of any Redemption Date, the weekly average rounded to the nearest 1/100th of a percentage point (for the most recently completed week for which such information is available as of the date that is two Business Days prior to such Redemption Date) of the yield to maturity of United States Treasury securities with a constant maturity (as compiled and published in Federal Reserve Statistical Release H.15 with respect to each applicable day during such week or, if such Statistical Release is no longer published or the relevant information does not appear thereon, any publicly available source of similar market data) most nearly equal to the period from such Redemption Date to March 15, 2024; provided, however, that if the period from such Redemption Date to March 15, 2024 is not equal to the constant maturity of a United States Treasury security for which such a yield is given, the Adjusted Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of United States Treasury securities for which such yields are given, except that if the period from such Redemption Date to March 15, 2024 is less than one year, the weekly average yield on actively traded United States Treasury securities adjusted to a constant maturity of one year shall be used. Any such Adjusted Treasury Rate shall be determined, and the information required to be obtained for its calculation shall be obtained, by the Issuer.

“*Affiliate*” means, with respect to any specified Person, any other Person who directly or indirectly through one or more intermediaries controls, or is controlled by, or is under common control with, such specified Person. The term “control” means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings correlative of the foregoing.

“*Agent*” means any Registrar, co-registrar, Paying Agent or additional paying agent.

“*Applicable Premium*” means, with respect to any Note on any Redemption Date, the greater of:

(1) 1.0% of the principal amount of such Note; and

(2) the excess, if any, of (a) the present value at such Redemption Date of (i) the redemption price of such Note at March 15, 2024 (such redemption price being set forth in the table appearing in paragraph 5(c) of the Notes), plus (ii) all required interest payments due on such Note through March 15, 2024 (excluding accrued but unpaid interest to such Redemption Date), computed using a discount rate equal to the Adjusted Treasury Rate as of such Redemption Date, plus 50 basis points; over (b) the principal amount of such Note.

Calculation of the Applicable Premium will be made by the Issuer or on behalf of the Issuer by such Person as the Issuer shall designate; provided that such calculation or the correctness thereof shall not be a duty or obligation of the Trustee.

“*Applicable Procedures*” means, with respect to any transfer or exchange of or for beneficial interests in any Global Note, the rules and procedures of the Depository, Euroclear and Clearstream that apply to such transfer or exchange.

“*Attributable Debt*” in respect of a sale and leaseback arrangement means, at the time of determination, the lesser of:

(1) the sale price of the asset or property to be leased multiplied by a fraction the numerator of which is the remaining portion of the base term of the lease and the denominator of which is the base term of the lease; and

(2) the total rental payments under the lease discounted to present value using an interest factor determined in accordance with generally accepted financial practice; provided that if the Issuer cannot readily determine that interest factor, an annual rate of 11% shall be used for that purpose, compounded semi-annually. For purposes of this clause (2) the Issuer shall exclude from rental payments any amounts paid on account of property taxes, maintenance, repairs, insurance, water rates and other items which are not payments for property rights.

“*Bankruptcy Law*” means Title 11, United States Bankruptcy Code of 1978, as amended, or any similar United States federal or state law relating to bankruptcy, insolvency, receivership, winding-up, liquidation, reorganization or relief of debtors or any amendment to, succession to or change in any such law.

“*Board of Directors*” means, as to any Person, the board of directors or similar governing body of such Person or any duly authorized committee thereof.

“*Board Resolution*” means, with respect to any Person, a copy of a resolution certified by the Secretary or an Assistant Secretary of such Person to have been duly adopted by the Board of Directors of such Person and to be in full force and effect on the date of such certification, and delivered to the Trustee.

“*Business Day*” means a day other than a Saturday, a Sunday or any other day on which banking institutions in The City of New York, or the state in which the Corporate Trust Office of the Trustee is located, are authorized or required by law or executive order to remain closed.

“*Capital Lease Obligations*” of any Person means the obligations of such Person to pay rent or other amounts under any lease of (or other arrangement conveying the right to use) real or personal property, or a combination thereof, which obligations are required to be classified and accounted for as finance leases on a balance sheet of such Person under GAAP, and the amount of such obligations shall be the capitalized amount thereof determined in accordance with GAAP.

ARTICLE 2

THE NOTES

Section 2.01 *Form and Dating.*

(a) *General.* The Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A attached hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage (*provided* that any such notation, legend or endorsement required by usage is in a form reasonably acceptable to the Issuer). Each Note shall be dated the date of its authentication. The Notes shall be in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global Notes.* Notes issued in global form shall be substantially in the form of Exhibit A attached hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges, repurchases, and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 and shall be made on the records of the Trustee and the Depositary.

(c) *Euroclear and Clearstream Procedures Applicable.* The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Global Notes that are held by Participants through Euroclear or Clearstream.

Section 2.02 *Execution and Authentication.*

At least one Officer of the Issuer must sign the Notes for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

A Note shall not be valid until authenticated by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been duly authenticated under this Indenture.

The Trustee shall authenticate and deliver: (i) on the Issue Date, an aggregate principal amount of \$350 million of 7.250% Senior Notes due 2029 and (ii) Additional Notes for an original issue in an aggregate principal amount specified in an Authentication Order pursuant to this Section 2.02 and Section 2.14, in each case upon a written order of the Issuer signed by at least one Officer of the Issuer (an “*Authentication Order*”). Such Authentication Order shall specify the amount of the Notes to be authenticated and the date on which the original issue of the Notes is to be authenticated.

The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. The Issuer may change any Paying Agent or Registrar without notice to any Holder, but with written notice thereof to the Paying Agent and Registrar. The Issuer shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar.

The Issuer initially appoints The Depository Trust Company (“*DTC*”) to act as Depository with respect to the Global Notes.

The Issuer initially appoints the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Global Notes.

In acting hereunder and in connection with the Notes, the Registrar and the Paying Agent shall act solely as agents of the Issuer, and will not thereby assume any obligations towards or relationship of agency or trust for or with any Holder of the Notes.

Section 2.04 Paying Agent to Hold Money in Trust.

The Issuer shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and shall notify the Trustee in writing of any default by the Issuer in making any such payment. While any such default continues, the Trustee may require in writing a Paying Agent to pay all money held by it in trust to the Trustee. The Issuer at any time may require in writing a Paying Agent to pay all money held by it in trust to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer or any of its Subsidiaries) shall have no further liability for the money. If the Issuer or any of its Subsidiaries acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuer or any of its Subsidiaries, the Trustee shall serve as Paying Agent for the Notes.

Section 2.05 *Holder Lists.*

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.06 *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred except in whole (but not in part) by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Notes shall be exchanged by the Issuer for Definitive Notes if:

(1) the Depositary (a) notifies the Issuer that it is unwilling or unable to continue as Depositary for the Global Notes or (b) has ceased to be a clearing agency registered under the Exchange Act and, in each case, a successor Depositary is not appointed by the Issuer within 120 days after the date of such notice from the Depositary;

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either:

(A) both:

(i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(B) both:

(i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in clause (i) above.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(g).

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee shall take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

and, in each such case, if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred.

(g) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(2) No service charge shall be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06 and 9.05).

(3) The Registrar shall not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) The Issuer shall not be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of sending of a notice of redemption of Notes for redemption under Section 3.02 and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected nor incur any liability by notice to the contrary.

(7) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(9) The Trustee shall have no responsibility or obligation to any beneficial owner in a Global Note, a Participant, an Indirect Participant or other Person with respect to the accuracy of the records of the applicable Depository or their respective nominees or of any Participant, with respect to any ownership interest in the Notes or with respect to the delivery to any Participant, Indirect Participant, beneficial owner or other Person (other than the Depository of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes). All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes and this Indenture shall be given or made only to or upon the order of the registered holders (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in a Global Note shall be exercised only through the Depository, subject to the applicable procedures. The Trustee shall be entitled to conclusively rely and shall be fully protected in relying upon information furnished by the Depository with respect to their members, participants and any beneficial owners. The Trustee shall be entitled conclusively to deal with the Depository, and any nominee thereof, that is the registered holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest, and the giving of instructions or directions by or to the owner or holder of a beneficial ownership interest in such Global Note) as the sole holder of such Global Note and shall have no obligations to the beneficial owners thereof. The Trustee shall not have any responsibility or liability for the records of any such depository, including records in respect of beneficial ownership interests in respect of any such Global Note, for any transactions between the Depository and any Participant or between or among the Depository, any such Participant and/or any holder or owner of a beneficial interest in such Global Note, or for any transfers of beneficial interests in any such Global Note.

(10) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Notes (including any transfers between or among Depository Participants or beneficial owners of interests in any Global Notes) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Trustee nor any Agent shall have any responsibility or incur any liability for any actions taken or not taken by the Depository.

Section 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Issuer and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuer shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. Security and/or an indemnity must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent and any authenticating agent from any loss, claim or liability that any of them may suffer if a Note is replaced. The Issuer may charge for its expenses, including the Trustee's expenses, in replacing a Note.

Every replacement Note is an additional obligation of the Issuer and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If there has been irrevocably deposited with the Paying Agent (other than the Issuer, a Subsidiary or an Affiliate of any thereof), on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer or any Guarantor, or by any Person directly or indirectly controlled by the Issuer or any Guarantor, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuer considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare and, upon receipt of an Authentication Order, the Trustee shall authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such canceled Notes in accordance with its then standard procedures (subject to the record retention requirement of the Exchange Act). Certification of the disposal of all canceled Notes shall be delivered to the Issuer upon its written request therefor. The Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuer shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuer (or, upon five Business Days' prior written request of the Issuer, the Trustee in the name and at the expense of the Issuer) shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *CUSIP Numbers.*

The Issuer in issuing the Notes may use CUSIP numbers (if then generally in use), and, if so, the Trustee will use CUSIP numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption will not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the CUSIP numbers.

Section 2.14 *Issuance of Additional Notes.*

The Issuer will be entitled, from time to time, without consent of the Holders, to issue Additional Notes under this Indenture with identical terms as the Initial Notes issued on the Issue Date other than with respect to (i) the date of issuance and, if applicable, initial accrual of interest, (ii) the issue price and (iii) any adjustments in order to conform to and ensure compliance with the Securities Act (or other applicable securities laws). The Initial Notes issued on the Issue Date and any Additional Notes will be treated as a single class for all purposes under this Indenture; *provided* that in the event any Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such non-fungible Additional Notes will be issued with a separate CUSIP number.

With respect to any Additional Notes, the Issuer will set forth in an Officers' Certificate or in a resolution of the Board of Directors of the Issuer, copies of which will be delivered to the Trustee, the following information:

- (1) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;
- (2) the issue price, the issue date and the CUSIP number of such Additional Notes; and
- (3) whether such Additional Notes will be subject to transfer restrictions.

ARTICLE 3

REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of paragraph 5 of the Notes, it must furnish to the Trustee, at least 10 days but not more than 60 days before the redemption date (or such longer period before the redemption date as the Trustee may agree), an Officers' Certificate setting forth:

- (1) the clause of the Notes pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed.*

In the event that less than all of the Notes are to be redeemed at any time pursuant to a redemption made pursuant to paragraph 5 of the Notes, selection of the Notes for redemption shall be made on a pro rata basis (if the Notes are issued in physical form) or in accordance with the Depository's applicable procedures (if the Notes are issued in global form) and, in each case, if the Notes are listed on a national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed; *provided, however*, that no Notes of a principal amount of \$2,000 or less shall be redeemed in part. The Trustee shall promptly notify the Issuer in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03 *Notice of Redemption.*

At least 10 days, and no more than 60 days, before a Redemption Date, the Issuer shall mail or cause to be mailed, or deliver electronically or cause to be delivered electronically for any Notes held by the Depository, a notice of redemption to each Holder of a Note at his or her last address as the same appears on the registry books maintained by the Registrar pursuant to Section 2.04, except that redemption notices may be mailed, or delivered electronically for any Notes held by the Depository, more than 60 days prior to a Redemption Date if the notice is issued in connection with a Legal Defeasance or Covenant Defeasance of the Issuer's obligations pursuant to Article 8 or a satisfaction and discharge of this Indenture pursuant to Article 11, or if the Redemption Date is delayed as provided for in Section 3.04. If the Issuer mails such notice to Holders, it shall mail a copy of such notice to the Trustee at the same time.

The notice shall identify the Notes to be redeemed (including CUSIP Number(s)) and shall state:

(1) the redemption date;

(2) the redemption price;

(3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued in the name of the applicable Holder upon cancellation of the original Note;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph of the Notes pursuant to which the Notes called for redemption are being redeemed;

(8) that no representation is made as to the correctness or accuracy of the CUSIP numbers, if any, listed in such notice or printed on the Notes; and

(9) any condition precedent to the redemption and related information as required by Section 3.04.

At the Issuer's written request, the Trustee shall give the notice of redemption in the Issuer's name and at its expense; *provided, however*, that the Issuer has delivered to the Trustee, at least 15 days prior to the redemption date (or such shorter period as the Trustee may agree (but in no case less than 10 days prior to the redemption date)), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph along with a copy of the redemption notice to be delivered to the Holders. The Issuer may provide in a notice of redemption that payment of the redemption price and the performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

Section 3.04 *Effect of Notice of Redemption.*

Except as provided in the immediately following sentence, once a notice of redemption is delivered in accordance with Section 3.03, subject to the satisfaction (or waiver) of any conditions precedent, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price. Any redemption or notice may, at the Issuer's option, be subject to the satisfaction (or waiver by the Issuer in its sole discretion) of one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction (or waiver) of one or more conditions precedent, such notice shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion) or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been (or, in the Issuer's sole determination, are not expected to be) satisfied by the Redemption Date, or by the Redemption Date so delayed.

The Issuer may provide in any notice that payment of the redemption price and accrued and unpaid interest, if any, and the performance of the Issuer's obligations with respect to such redemption may be performed by another Person.

Section 3.05 *Deposit of Redemption or Purchase Price.*

Prior to 11:00 a.m., New York City time, on the relevant redemption date or required purchase date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of, and accrued interest on, all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent shall promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest on, all Notes to be redeemed or purchased.

If the Issuer complies with the provisions of the preceding paragraph, on and after the redemption or required purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Issuer shall issue and, upon receipt of an Authentication Order, the Trustee shall authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

The Issuer may at any time and from time to time, at its option, redeem the Notes outstanding (in whole or in part) as provided in paragraph 5 of the Notes.

Section 3.08 *Mandatory Redemption.*

The Issuer is not required to make any mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE 4

COVENANTS

Section 4.01 *Payment of Notes.*

The Issuer shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if there has been irrevocably deposited with the Paying Agent, if other than the Issuer or a Subsidiary thereof, as of 11:00 a.m., New York City time, on the due date money by or on behalf of the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the rate equal to the then applicable interest rate on the Notes. Interest on the Notes shall accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

Section 4.02 *Maintenance of Office or Agency.*

The Issuer shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03.

Section 4.03 *Reports.*

So long as any of the Notes remain outstanding and “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, and are not eligible to be resold pursuant to Rule 144(b)(1) of the Securities Act, the Issuer will furnish to the Holders of the Notes and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act (for so long as such information is required in order to permit resales of the Notes pursuant to Rule 144A).

Section 4.04 *Compliance Certificate.*

(a) The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Issuer, an Officers' Certificate stating that in the course of the performance by the signer of its duties as an officer of the Issuer he or she would normally have knowledge of any Default or Event of Default and whether or not the signer knows of any Default or Event of Default that occurred during such period and if any specifying such Default or Event of Default, its status and what action the Issuer has taken, is taking or proposes to take with respect thereto.

(b) The Issuer shall provide an Officers' Certificate to the Trustee promptly upon any such officer obtaining knowledge of any Default or Event of Default that has occurred and, if applicable, describe such Default or Event of Default and the status thereof. For purposes of this Section 4.04(b), such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

Section 4.05 *Liens.*

(a) So long as any of the Notes remain outstanding, the Issuer will not, nor will it permit any of its Restricted Subsidiaries to, incur, issue, assume, Guarantee or otherwise become liable for any Indebtedness that is secured by a Lien (other than Permitted Liens) on any asset or property now owned or hereafter acquired by the Issuer or any of its Restricted Subsidiaries, without in any such case effectively providing that all of the Notes and Note Guarantees will be secured equally and ratably with (or prior to) such Indebtedness (provided that any Lien created for the benefit of the Holders of the Notes pursuant to this sentence may provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Lien that resulted in such Lien being created for the benefit of the Holders of the Notes).

(b) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness and any Increased Amount shall not be considered an additional incurrence of secured Indebtedness for purposes of this covenant. The "*Increased Amount*" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference, any fees, underwriting discounts, accrued and unpaid interest, premiums and other costs and expenses incurred in connection therewith and increases in the amount (or the dollar equivalent amount) of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Section 4.06 *Guaranteed Indebtedness.*

(a) So long as any of the Notes remain outstanding, the Issuer will not, nor will it permit any of its Restricted Subsidiaries that are Wholly Owned Subsidiaries to, Guarantee any Indebtedness for borrowed money or any Capital Markets Debt (other than Permitted Guaranteed Indebtedness) that is incurred, issued or assumed by the Issuer or any of its Restricted Subsidiaries that are Wholly-Owned Subsidiaries or for which the Issuer or any of its Restricted Subsidiaries that are Wholly-Owned Subsidiaries otherwise becomes liable.

(b) With respect to any Guarantee in respect of Indebtedness referred to in Section 4.06(a) that was permitted at the time of the incurrence of such Guarantee, such Guarantee shall also be permitted in respect of any Increased Amount of such Indebtedness and any Increased Amount shall not be considered an additional Guarantee or additional incurrence of such Indebtedness for purposes of this Section 4.06.

Section 4.07 *Sales and Leasebacks.*

So long as any of the Notes remain outstanding, the Issuer will not, nor will it permit any of its Restricted Subsidiaries to, enter into any sale and leaseback arrangement involving any asset or property of the Issuer or any of its Restricted Subsidiaries which has a term of more than three years, except for sale and leaseback arrangements between the Issuer and a Wholly Owned Subsidiary of the Issuer that is a Restricted Subsidiary or between Wholly Owned Subsidiaries of the Issuer that are Restricted Subsidiaries, unless:

- (1) the Issuer or such Restricted Subsidiary of the Issuer enters into the sale and leaseback transaction within 180 days after the asset or property is acquired, constructed or placed into service;
- (2) the rent that the Issuer or such Restricted Subsidiary of the Issuer pays under the related lease is reimbursed under a contract between the Issuer or such Restricted Subsidiary of the Issuer and the United States government or one of its agencies or instrumentalities;
- (3) the aggregate amount of all Attributable Debt with respect to sale and leaseback transactions does not exceed 15.0% of Consolidated Net Tangible Assets; or
- (4) the Issuer applies or causes to be applied an amount equal to, in the case of a sale or transfer for cash, the lesser of the net proceeds of the sale or transfer of the asset or property and the net book value, or, in the case of a sale or transfer otherwise than for cash, the lesser of the Fair Market Value of the asset or property (as determined by the Issuer in good faith) and its net book value, within 180 days of the effective date of the sale and leaseback arrangement to the retirement of unsubordinated Indebtedness of the Issuer or any of its Restricted Subsidiaries, which may include the Notes; *provided* that the requirement in this clause (4) may not be satisfied by retiring Indebtedness that the Issuer or its Restricted Subsidiaries were otherwise obligated to repay within the 180-day period.

Section 4.08 *Change of Control Offer.*

(a) If a Change of Control Triggering Event occurs, unless the Issuer has exercised its option to redeem the Notes in whole pursuant to this Indenture and the Notes, the Issuer shall make an offer (the “*Change of Control Offer*”) to each Holder of Notes to repurchase all or any part (equal to a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes to be repurchased, plus accrued and unpaid interest, if any, on such Notes to, but not including, the repurchase date (the “*Change of Control Payment*”), subject to the rights of Holders of the Notes on a regular record date to receive interest due on the related interest payment date falling on or prior to the repurchase date. Within 30 days following any Change of Control Triggering Event or, at the Issuer’s option, prior to any Change of Control, but after public announcement of the transaction that constitutes or may constitute a Change of Control Triggering Event, the Issuer shall transmit a notice to each Holder, with a copy to the Trustee, describing the transactions and events that constitute or may constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the “*Change of Control Payment Date*”). The notice, if transmitted prior to the date of consummation of the Change of Control, shall state that the offer to purchase is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date. In the event that such offer to purchase fails to satisfy the condition in the immediately preceding sentence, the Issuer shall cause another notice meeting the aforementioned requirements to be transmitted to Holders.

(b) On the Change of Control Payment Date, the Issuer shall, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) irrevocably deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted, together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being repurchased.

The Paying Agent shall promptly transmit to each Holder of properly tendered Notes the Change of Control Payment for such Notes being repurchased, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to the unreurchased portion, if any, of any Notes surrendered; *provided* that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(c) The Issuer shall not be required to make a Change of Control Offer upon the occurrence of a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Issuer and such third party repurchases all Notes properly tendered and not withdrawn under its offer.

(d) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any such securities laws or regulations conflict with the Change of Control Offer provisions of the Notes, the Issuer shall comply with those securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.08 by virtue of any such conflict.

Section 4.09 *Designation of Restricted and Unrestricted Subsidiaries and Investments in Unrestricted Subsidiaries.*

(a) The Board of Directors of the Issuer may designate any Subsidiary of the Issuer (including any newly-acquired or newly-formed Subsidiary) to be an Unrestricted Subsidiary so long as:

(1) such Subsidiary does not own any Equity Interests of, or own or hold any Lien on any property of, the Issuer or any other Subsidiary of the Issuer that is not a Subsidiary of the Subsidiary to be so designated;

(2) such Subsidiary and each of its Subsidiaries has not at the time of designation, and does not thereafter, incur any Indebtedness pursuant to which the lender has recourse to any of the assets of the Issuer or any of its Restricted Subsidiaries (not including Standard Securitization Undertakings or a pledge of Equity Interests in such Unrestricted Subsidiary); and

(3) the aggregate Fair Market Value of each Subsidiary of the Issuer designated as an Unrestricted Subsidiary (or the portion thereof allocable to the direct or indirect Investment of the Issuer therein in the case of a non-Wholly Owned Subsidiary) (as determined in good faith by the Issuer at the time of each such designation), together with the aggregate amount of all Investments made by the Issuer and its Restricted Subsidiaries in Unrestricted Subsidiaries of the Issuer pursuant to the proviso to the immediately succeeding paragraph, would not exceed the greater of (i) \$500.0 million and (ii) 10% of the Consolidated Total Assets of the Issuer and its Restricted Subsidiaries. If at any time an Unrestricted Subsidiary of the Issuer fails to comply with clauses (1) and (2) of this Section 4.09(a), such Subsidiary shall no longer constitute an Unrestricted Subsidiary.

(b) The Issuer will not make and will not permit any of its Restricted Subsidiaries to make any Investment in an Unrestricted Subsidiary of the Issuer; *provided* that the Issuer and its Restricted Subsidiaries may make any Investment in an Unrestricted Subsidiary of the Issuer so long as the aggregate amount of all Investments made by the Issuer and its Restricted Subsidiaries in Unrestricted Subsidiaries, together with the aggregate Fair Market Value of each Subsidiary of the Issuer designated as an Unrestricted Subsidiary (or the portion thereof allocable to the direct or indirect Investment of the Issuer therein in the case of a non-Wholly Owned Subsidiary) (as determined in good faith by the Issuer at the time of each such designation), would not exceed the greater of (a) \$500.0 million and (b) 10% of the Consolidated Total Assets of the Issuer and its Restricted Subsidiaries measured at the time any such Investment is made.

(c) The Board of Directors of the Issuer may designate any Unrestricted Subsidiary to be a Restricted Subsidiary only if immediately before and immediately after giving effect to such designation, no Default or Event of Default shall have occurred and be continuing.

(d) Any such designation by the Board of Directors of the Issuer under Section 4.09(a) or Section 4.09(c) shall be evidenced to the Trustee by promptly filing with the Trustee a copy of the Board Resolution giving effect to such designation and an Officers' Certificate certifying that such designation complied with the foregoing provisions.

Section 4.10 *Additional Note Guarantees.*

If, after the date hereof, (1) any Wholly Owned U.S. Subsidiary (including any newly formed or newly acquired Wholly Owned U.S. Subsidiary) of the Issuer that is a Restricted Subsidiary that is not then a Guarantor (x) incurs or guarantees any Indebtedness under the Existing Credit Agreement or (y) guarantees any Capital Markets Debt issued by the Issuer or any Guarantor with an aggregate outstanding principal amount in excess of \$100.0 million or (2) the Issuer otherwise elects to have any of its Restricted Subsidiaries become a Guarantor, then, in each such case, the Issuer shall cause such Restricted Subsidiary to, within 30 days thereafter, execute and deliver to the Trustee a supplemental indenture pursuant to which such Restricted Subsidiary shall become a Guarantor under this Indenture and provide a Note Guarantee on the same terms and conditions as those set forth in this Indenture and applicable to the other Guarantors and deliver an Officers' Certificate and Opinion of Counsel reasonably satisfactory to the Trustee. The form of such supplemental indenture is attached as Exhibit E hereto.

Section 4.11 *Covenant Suspension.*

(a) If on any date following the Issue Date, (i) the Notes attain Investment Grade Ratings from two Rating Agencies and (ii) no Default or Event of Default has occurred and is continuing under the Indenture, then, beginning on that day, Sections 4.06, 4.09 and 4.10 will not be applicable to the Notes (collectively, the "*Suspended Covenants*").

(b) If on any subsequent date two of the Rating Agencies shall have assigned to the Notes ratings below Investment Grade Ratings, the Suspended Covenants will be reinstated as of and from the time at which the Issuer obtains actual knowledge of such rating decline (any such time, a "*Reversion Time*"). The period of time between the suspension of covenants as set forth above and the Reversion Time is referred to as the "*Suspension Period*." If at any time during a Suspension Period any Subsidiary of the Issuer issues, assumes, incurs, enters into any guarantee of or otherwise becomes liable for (collectively, "*Incur*") Indebtedness or enters into any transaction that, in each case, if Incurred or entered into at a time other than during a Suspension Period would have required such Subsidiary to become a Guarantor with respect to the Notes pursuant to Section 4.10, then, within 30 days of the Reversion Time, such Subsidiary shall become a Guarantor of the Notes, execute a supplemental indenture to the Indenture in the form attached as Exhibit E hereto and deliver an Officers' Certificate and Opinion of Counsel reasonably satisfactory to the Trustee. With respect to any designation of a Subsidiary of the Issuer as an Unrestricted Subsidiary or any Investment in an Unrestricted Subsidiary made, in each case, after any Reversion Time, the amount of the aggregate Fair Market Value of each Subsidiary of the Issuer designated as an Unrestricted Subsidiary (or the portion thereof allocable to the direct or indirect Investment of the Issuer therein in the case of a non-Wholly Owned Subsidiary) (as determined in good faith by the Issuer at the time of each such designation), together with the aggregate amount of all Investments made by the Issuer and its Restricted Subsidiaries in Unrestricted Subsidiaries of the Issuer pursuant to the proviso to Section 4.09(b) will be calculated as if the covenant described under such caption had been in effect prior to, but not during, the Suspension Period.

(c) The Trustee shall not have any duty to monitor any Suspension Period or Reversion Time or to notify Holders of such.

Section 4.12 *Stay, Extension and Usury Laws.*

(a) The Issuer and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenant that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

ARTICLE 5

SUCCESSORS

Section 5.01 *Merger, Consolidation and Sale of Assets.*

(a) The Issuer may consolidate with, sell, convey or lease (and may cause or permit any Restricted Subsidiary of the Issuer to sell, convey or lease) all or substantially all of the Issuer's assets to, or merge with or into, any other Person, only if:

(1) either (x) the Issuer is the continuing corporation or (y) the successor Person is a corporation organized and validly existing under the laws of the United States or any state thereof or the District of Columbia and expressly assumes the due and punctual payment of the principal of and premium, if any, and interest on all of the Notes, according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of the Notes and this Indenture to be performed or observed by the Issuer;

(2) immediately after such merger, consolidation, sale, conveyance or lease, no Default or Event of Default shall have occurred or be continuing; and

(3) in the case of (1)(y) above, the Issuer or such successor corporation shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such merger, consolidation, sale, conveyance or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with the applicable provisions of this Indenture and that all conditions precedent in this Indenture relating to such transaction have been satisfied.

(b) For purposes of Section 5.01(a), the sale, lease or conveyance of all the assets, or substantially all the assets, of one or more Restricted Subsidiaries of the Issuer, the Equity Interests of which constitutes all or substantially all the assets of the Issuer, shall be deemed to be the transfer of substantially all the assets of the Issuer.

(c) Upon any such merger, consolidation, sale, conveyance or lease in accordance with this Section 5.01, in which the Issuer is not the continuing corporation, the successor corporation formed by such consolidation or into which the Issuer is merged or to which such sale, conveyance or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture and the Notes with the same effect as if such surviving entity had been named as such.

(d) Notwithstanding the foregoing, this Section 5.01 will not apply to any sale, assignment, transfer, conveyance, lease or other disposition of assets between or among the Issuer and any one or more of its Restricted Subsidiaries or between or among any one or more of the Issuer's Restricted Subsidiaries. Section 5.01(a)(2) will not apply to (i) any merger or consolidation of any Restricted Subsidiary with or into the Issuer or (ii) a merger or consolidation of the Issuer with or into an affiliate of the Issuer solely for the purpose of reincorporating the Issuer in another jurisdiction.

DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

Each of the following is an “*Event of Default*”:

(1) the failure to pay interest on the Notes when the same becomes due and payable and the default continues for a continuous period of 30 days;

(2) the failure to pay the principal on the Notes, when such principal becomes due and payable, at maturity, upon redemption or otherwise;

(3) a default in the observance or performance of any other covenant or agreement contained in this Indenture which default continues for a period of 90 days after the Issuer receives written notice specifying the default (and demanding that such default be remedied) from the Trustee or the Holders of at least 25% of the outstanding principal amount of the Notes (except in the case of a default with respect to Section 5.01, which will constitute an Event of Default with such notice requirement but without such passage of time requirement);

(4) the entry by a court of competent jurisdiction of (A) a decree or order for relief in respect of the Issuer or any Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or (B) a decree or order adjudging the Issuer or any Significant Subsidiary bankrupt or insolvent, or seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or any Significant Subsidiary under any applicable federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Issuer or any Significant Subsidiary or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and any such decree or order for relief shall continue to be in effect, or any such other decree or order shall be unstayed and in effect, for a period of 60 consecutive days;

(5) (A) the commencement by the Issuer or any Significant Subsidiary of a voluntary case or proceeding under any applicable Bankruptcy Law or any other case or proceeding to be adjudicated bankrupt or insolvent, (B) the Issuer or any Significant Subsidiary consents to the entry of a decree or order for relief in respect of the Issuer or such Significant Subsidiary in an involuntary case or proceeding under any applicable Bankruptcy Law or to the commencement of any bankruptcy or insolvency case or proceeding against it, (C) the Issuer or any Significant Subsidiary files a petition or answer or consent seeking reorganization or relief under any applicable federal or state law, (D) the Issuer or any Significant Subsidiary (x) consents to the filing of such petition or the appointment of, or taking possession by, a custodian, receiver, liquidator, assignee, trustee, sequestrator or similar official of the Issuer or such Significant Subsidiary or of any substantial part of its property, (y) makes an assignment for the benefit of creditors or (z) admits in writing its inability to pay its debts generally as they become due or (E) the Issuer or any Significant Subsidiary takes any corporate action in furtherance of any such actions in this clause (5); or

(6) except as permitted by this Indenture, any Note Guarantee of any Significant Subsidiary is declared to be unenforceable or invalid by any final and nonappealable judgment or decree or ceases for any reason to be in full force and effect, or any Guarantor that is a Significant Subsidiary or any Person acting on behalf of the Issuer or any such Guarantor denies or disaffirms the obligations of such Guarantor in writing under its Note Guarantee and such default continues for 10 days after the Issuer receives written notice specifying the default (and demanding that such default be remedied) from the Trustee or the Holders of at least 25% of the outstanding principal amount of the Notes.

Section 6.02 *Acceleration.*

(a) If an Event of Default (other than an Event of Default specified in Section 6.01(4) or Section 6.01(5) with respect to the Issuer) shall occur and be continuing, the Trustee or the Holders of at least 25% in principal amount of outstanding Notes may declare the principal of and accrued interest on all the Notes under this Indenture to be due and payable by notice in writing to the Issuer and the Trustee specifying the respective Event of Default and that it is a “notice of acceleration,” and the same shall become immediately due and payable. If an Event of Default specified in Section 6.01(4) or Section 6.01(5) with respect to the Issuer occurs and is continuing, then all unpaid principal of, and premium, if any, and accrued and unpaid interest on all of the outstanding Notes shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) At any time after a declaration of acceleration with respect to the Notes as described in clause (a) of this Section 6.02, the Holders of a majority in principal amount of the Notes may rescind and cancel such declaration and its consequences:

(1) if the rescission would not conflict with any judgment or decree;

(2) if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of the acceleration;

(3) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid; and

(4) if the Issuer has paid the Trustee its reasonable compensation and reimbursed the Trustee for all costs, expenses, disbursements and advances.

(c) No such rescission shall affect any subsequent Default or impair any right consequent thereto.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes, the Note Guarantees or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

(a) The Holders of a majority in aggregate principal amount of the then outstanding Notes may waive any existing Default or Event of Default under the Notes, and its consequences, except a Default or Event of Default:

(1) in respect of the payment of the principal of (or premium, if any, on) or interest on the Notes; or

(2) in respect of a covenant or provision of this Indenture that under Article 9 cannot be modified or amended without the consent of each Holder affected.

(b) Upon any such waiver, such Default or Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture with respect to the Notes; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Subject to all provisions of this Indenture and applicable law, the Holders of a majority in aggregate principal amount of the then outstanding Notes have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders) or that may involve the Trustee in personal liability. The Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 6.06 *Limitation on Suits.*

Except to enforce the right to receive payment of principal, premium, if any, or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;

(3) such Holders have offered the Trustee indemnity and/or security satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of security and/or indemnity; and

(5) Holders of a majority in aggregate principal amount of the then-outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

Section 6.07 *Rights of Holders to Receive Payment.*

Notwithstanding any other provision of this Indenture, the contractual right of any Holder to receive payment of principal, premium, if any, and interest on the Notes, on or after the respective due dates expressed in the Notes (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as Trustee of an express trust against the Issuer and each Guarantor for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that such payments shall be made directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee hereunder. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee and the Agents, and their respective agents and attorneys for amounts due under the terms of this Indenture, including payment of all compensation, costs, expenses and liabilities incurred, and all advances made, by the Trustee and the Agents and the costs and expenses of collection;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

Third: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

ARTICLE 7

TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants, duties, or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of gross negligence or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of certificates or opinions specifically required by any provision hereof to be furnished to it, the Trustee shall examine the certificates and opinions to determine whether or not they, on their face, conform to the requirements of this Indenture (but need not to verify, confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate security and/or indemnity against such risk or liability is not reasonably assured to it.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely in good faith upon any document believed by it to be genuine and to have been signed or presented by the proper Person or Persons. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the acts, omissions, misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture *provided, however*, that the Trustee's conduct does not constitute willful misconduct or gross negligence. The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as duties of the Trustee.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer shall be sufficient if signed by an Officer of the Issuer.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee security and/or indemnity satisfactory to it against any loss, claim, liability, cost or expense that might be incurred by it in compliance with such request or direction.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes, the Issuer and this Indenture.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be compensated, reimbursed, or indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder and each Agent.

(i) The Trustee may request that the Issuer deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(j) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(l) Delivery of reports, information and documents to the Trustee described in Section 4.03 of this Indenture is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely conclusively on Officers' Certificates). The Trustee is under no duty to examine such reports, information or documents to ensure compliance with the provision of this Indenture or to ascertain the correctness or otherwise of the information or the statements contained therein.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.09 and 7.10.

Section 7.04 *Trustee's Disclaimer.*

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Notes or the Notes Guarantee, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and the Trustee has notice thereof in accordance with Section 7.02(g), the Trustee shall mail (at the Issuer's expense) to Holders a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default relating to the payment of principal of, premium, if any, or interest on, any Note, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *Compensation and Indemnity.*

(a) The Issuer shall pay to the Trustee from time to time such reasonable compensation for its acceptance of this Indenture and services hereunder as agreed to in writing between the Issuer and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a Trustee of an express trust. The Issuer shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances, costs and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Issuer and the Guarantors, jointly and severally, shall indemnify the Trustee against any and all losses, liabilities, claims, damages or expenses (including reasonable attorneys' fees and expenses) incurred by it arising out of or in connection with the administration of this trust, the acceptance or administration of its duties under this Indenture or the exercise of its rights and powers under this Indenture, the Notes or the Notes Guarantees, including the costs and expenses of enforcing this Indenture against the Issuer and the Guarantors (including this Section 7.06) and defending itself against any claim (whether asserted by the Issuer, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense shall be determined by a court of competent jurisdiction in a final non-appealable decision to have been caused by its own gross negligence or willful misconduct. The Trustee shall notify the Issuer promptly of any claim of which a Responsible Officer has received written notice for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer or any of the Guarantors of their obligations hereunder.

(c) The obligations of the Issuer and the Guarantors under this Section 7.06 shall survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee.

(d) To secure the Issuer's and the Guarantors' payment obligations in this Section 7.06, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(4) or 6.01(5) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) "Trustee" for the purposes of this Section 7.06 shall include (i) any predecessor or successor Trustee and such predecessor or successor Trustee's officers, directors, employees, and agents, and (ii) the Trustee in each of its capacities hereunder and each agent, custodian and other person employed to act hereunder.

Section 7.07 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer at least 30 days prior to the effective date of such resignation. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing at least 30 days prior to the effective date of such removal. The Issuer may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.09;

(2) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of the Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer, or the Holders of at least 10% in principal amount of the then outstanding Notes may petition, at the expense of the Issuer, any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Issuer's obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

Section 7.08 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or banking association, the successor corporation or banking association without any further act shall be the successor Trustee.

Section 7.09 *Eligibility; Disqualification.*

There shall at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that together with its affiliates has a combined capital and surplus of at least \$50.0 million as set forth in its most recent published annual report of condition. No Person directly or indirectly controlling, controlled by or under common control with the Issuer or any Guarantor shall serve as the Trustee.

Section 7.10 *Preferential Collection of Claims Against Issuer.*

The provisions of TIA § 311 are hereby expressly incorporated by reference herein and made a part hereof with the same force and effect as if reproduced in its entirety herein. If any provision of this Indenture limits, qualifies or conflicts with § 311 of the TIA, the provision of § 311 of the TIA shall control.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may, at any time, elect to have either Section 8.02 or 8.03 applied to all outstanding Notes and all obligations of the Guarantors with respect to the Note Guarantees upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.02, the Issuer and each of the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuer and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on written request of and at the expense of the Issuer, shall execute proper instruments, which shall be prepared and delivered to the Trustee by the Issuer, acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due from the trust fund referred to in Section 8.04;
- (2) the Issuer's obligations with respect to such Notes under Sections 2.07, 2.10 and 4.02;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuer's and the Guarantors' obligations in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Section 8.02, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 8.03 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuer and its Subsidiaries shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from each of their obligations under the covenants contained in Sections 4.03, 4.04(a), 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11 and Section 5.01 with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, *Covenant Defeasance* means that, with respect to the outstanding Notes and the Note Guarantees, the Issuer and its Subsidiaries may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees shall be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.03 subject to the satisfaction of the conditions set forth in Section 8.04, Sections 6.01(3) and 6.01(6) and, to the extent relating to a Significant Subsidiary of the Issuer, Sections 6.01(4) and 6.01(5) shall not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03:

(1) the Issuer must irrevocably deposit with the Trustee, in trust for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be;

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that:

(A) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in applicable U.S. federal income tax law,

(C) in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the applicable Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that the applicable Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or insofar as Events of Default from bankruptcy or insolvency events are concerned, at any time in the period ending on the 91st day after the date of deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, the Indenture or any other material agreement or instrument to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound;

(6) the Issuer shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over any other creditors of the Issuer or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Issuer or others;

(7) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with; and

(8) no event or condition shall exist that would prevent the Issuer from making payments of the principal of, premium, if any, and interest on the Notes on the date of such deposit on the date of such deposit.

(b) Notwithstanding the foregoing, the Opinion of Counsel required by clause (2) above with respect to a Legal Defeasance need not be delivered if all Notes not theretofore delivered to the Trustee for cancellation (1) have become due and payable or (2) will become due and payable on the maturity date within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer and the Guarantors, jointly and severally, shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee shall deliver or pay to the Issuer from time to time upon the written request of the Issuer any money or U.S. Government Obligations held by it as provided in Section 8.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Issuer.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter be permitted to look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, shall thereupon cease.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any United States dollars or U.S. Government Obligations in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; *provided, however*, that, if the Issuer makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the cash or U.S. Government Obligations held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders.*

(a) Without the consent of any Holders, the Issuer, the Guarantors and the Trustee, at any time and from time to time, may amend or supplement this Indenture, the Notes or the Note Guarantees in form satisfactory to the Trustee, for any of the following purposes:

(1) to evidence the succession of another Person to the Issuer and complying with Article Five;

(2) to add to the covenants of the Issuer for the benefit of the Holders of the Notes or to surrender any right or power herein conferred upon the Issuer;

(3) to add any additional Events of Default for the benefit of the Holders of the Notes;

(4) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Notes and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 7.08;

(5) to cure any ambiguity, defect or inconsistency;

(6) to secure the Notes pursuant to the requirements of Section 4.05 or otherwise;

(7) to comply with the rules of any applicable Depositary;

(8) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Notes in uncertificated form;

(9) to conform any provision of this Indenture, any supplemental indenture, the Notes or the Note Guarantees to the "Description of the Notes" contained in the Offering Memorandum to the extent that such description was intended to be a verbatim recitation of a provision in this Indenture, the Notes or the Note Guarantees, in each case as conclusively evidenced by an Officers' Certificate;

(10) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes;

(11) to comply with requirements of the SEC in order to effect the qualification of this Indenture under the TIA, if applicable;

(12) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture;
or

(13) to make any other amendments, modifications or supplements hereto or to the Notes or the Note Guarantees, provided, that such amendments, modifications or supplements shall not adversely affect the rights of any Holder of the Notes in any material respect.

(b) Upon the written request of the Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amendment or supplement to this Indenture, and upon receipt by the Trustee of the documents described in Section 7.02(b), the Trustee shall join with the Issuer and the Guarantors in the execution of any amendment or supplement to this Indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders.*

(a) Except as provided below in this Section 9.02, the Issuer, the Guarantors and the Trustee may amend or supplement this Indenture (including, without limitation, Section 4.08), the Note Guarantees or the Notes (and any documents related thereto) with the consent of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and, subject to Sections 6.04 and 6.07, any existing Default or Event of Default or non-compliance with any provision of this Indenture, the Note Guarantees or the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes).

(b) Upon the written request of the Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amendment or supplement to this Indenture, and upon the filing with the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02(b), the Trustee shall join with the Issuer and the Guarantors in the execution of such amendment or supplement to this Indenture unless such amendment or supplement directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amendment or supplement.

(c) It is not necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it is sufficient if such consent approves the substance thereof.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall deliver to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment, supplement or waiver. Subject to Sections 6.04 and 6.07, the Holders of a majority in aggregate principal amount of the Notes then outstanding, voting as a single class, may waive compliance in a particular instance by the Issuer and the Guarantors with any provision of this Indenture, the Notes, or the Note Guarantees. However, without the consent of each Holder affected, an amendment, modification, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the amount of such Notes whose Holders must consent to an amendment;

(2) reduce the rate of or change or have the effect of changing the time for payment of interest, including defaulted interest, on such Notes;

(3) reduce the principal of or change or have the effect of changing the fixed maturity of such Notes, or change the date on which such Notes may be subject to redemption or reduce the redemption price therefor;

(4) make such Notes payable in money other than that stated in such Notes;

(5) make any change in provisions of this Indenture providing for the contractual right of each Holder to receive payment of principal of and interest on such Notes on or after the due date thereof or to bring suit to enforce such payment, or permitting Holders of a majority in principal amount of such Notes to waive Defaults or Events of Default;

(6) modify or change any provision of such Indenture or the related definitions affecting the ranking of such Notes or the related Note Guarantees in a manner which adversely affects the Holders;

(7) release any Guarantor constituting a Significant Subsidiary from any of its obligations under its Note Guarantee relating to such Notes or such Indenture, except in accordance with the terms of such Indenture.

Section 9.03 *Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes shall be set forth in an amended or supplemental indenture that complies with the TIA as then in effect, but only if this Indenture is then qualified under the TIA.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee shall sign any amendment or supplement to this Indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuer may not sign an amendment or supplement to this Indenture until the Board of Directors of the Issuer approves of such amendment or supplement. In executing any amendment or supplement to this Indenture, the Trustee shall be provided with and (subject to Section 7.01) shall be fully protected in relying upon, in addition to the documents required by Section 12.03, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amendment or supplement is authorized or permitted by this Indenture, and is the legal, valid and binding obligation of the Issuer and the Guarantors, enforceable in accordance with its terms.

NOTE GUARANTEES

Section 10.01 *Guarantee.*

(a) Subject to this Article 10, each Guarantor hereby, jointly and severally with any other Guarantor, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(1) the principal of, premium, if any, and interest on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other Obligations of the Issuer to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, each Guarantor shall be obligated, jointly and severally with any other Guarantor, to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of merger, insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenants that this Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture (including payment in full of the principal thereof and interest thereon or as otherwise provided in this Indenture) or by release in accordance with the provisions of this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid by either the Issuer or the Guarantors to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(d) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all Obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such Obligations as provided in Article 6, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee.

(e) At any time that there is more than one Guarantor party hereto, all Guarantors desire to allocate among themselves (collectively, the “*Contributing Guarantors*”), in a fair and equitable manner, the economic consequences resulting from the performance of their respective obligations arising under this Indenture. Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a “*Funding Guarantor*”) under its Notes Guarantee at any time that there is more than one Guarantor party hereto such that its Aggregate Payments exceed its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor’s Aggregate Payments to equal its Fair Share as of such date. “*Fair Share*” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Contributing Guarantor, to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors, multiplied by (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under their respective Notes Guarantees in respect of the obligations guaranteed. “*Fair Share Contribution Amount*” means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under its Notes Guarantee that would not render its obligations hereunder or thereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of the Bankruptcy Code or any comparable applicable provisions of state law; *provided* that solely for purposes of calculating the Fair Share Contribution Amount with respect to any Contributing Guarantor for purposes of this Section 10.01, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. “*Aggregate Payments*” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (1) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of its Notes Guarantee (including in respect of this Section 10.01), minus (2) the aggregate amount of all payments received on or before such date by such Guarantor from the other Contributing Guarantors as contributions under this Section 10.01. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. Each Contributing Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 10.01(e). For the avoidance of doubt, nothing in this Section 10.01(e) shall limit or impair, by implication or otherwise, each Guarantor’s obligations under its Note Guarantee.

Section 10.02 *Limitation on Guarantor Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor shall be limited to the maximum amount that shall, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03 *Execution and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 10.01, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit D hereto shall be endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee at the time such Guarantor provides its Note Guarantee and that this Indenture (or a supplemental indenture hereto as provided in Section 4.10) shall be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

Section 10.04 Releases.

(a) The Note Guarantee of a Guarantor will be released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) the Issuer or a Restricted Subsidiary of the Issuer;

(2) in connection with any sale or other disposition of all of the Equity Interests of that Guarantor to a Person that is not (either before or after giving effect to such transaction) the Issuer or a Restricted Subsidiary of the Issuer;

(3) if the Issuer designates such Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture;

(4) in connection with any merger or consolidation of that Guarantor with and into the Issuer or any other Guarantor that is the surviving Person in such merger or consolidation, or upon the liquidation of such Guarantor following the transfer of all of its assets to the Issuer or another Guarantor;

(5) at the election of the Issuer, upon or after the release or discharge of the Guarantee by such Guarantor under the Existing Credit Agreement or, as applicable, the Guarantee by such Guarantor in respect of the Capital Markets Debt that resulted in the obligation of such Guarantor to Guarantee the Notes, except in each case a release or discharge by or as a result of payment in connection with the enforcement of remedies under such Guarantee (it being understood that a release subject to contingent reinstatement is still a release, and that if any such Guarantee is reinstated, such Note Guarantee will also be reinstated to the extent that such Guarantor would then be required to provide a Note Guarantee pursuant to this Indenture); provided that after giving effect to the release of the Note Guarantee of such Guarantor under this clause (5) (and all other substantially concurrent releases of Guarantees made by such Guarantor), such Guarantor does not Guarantee the Existing Credit Agreement or any Capital Markets Debt issued by the Issuer or a Guarantor with an aggregate outstanding principal amount in excess of \$100.0 million;

(6) in the case of any Restricted Subsidiary of the Issuer that becomes a Guarantor at the Issuer's election pursuant to clause (2) under Section 4.10 upon written notice to the Trustee of the Issuer's election to release such Guarantor (unless otherwise provided in the applicable supplemental indenture pursuant to which such Restricted Subsidiary becomes a Guarantor) or in any other circumstance described in the applicable supplemental indenture pursuant to which such Restricted Subsidiary becomes a Guarantor; or

(7) upon legal defeasance in accordance with Article 8 or satisfaction and discharge in accordance with Article 11.

(b) Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 10.04 shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of such Guarantor under this Indenture as provided in and subject to any limitations contained in this Article 10.

(c) Upon delivery to the Trustee of an Officers' Certificate and Opinion of Counsel to the effect that the applicable requirement set forth in any of clauses (1) through (7) of Section 10.04(a) has been complied with, the Trustee, at the Issuer's expense, will execute any documents reasonably requested by the Issuer to evidence the release of the applicable Note Guarantee.

SATISFACTION AND DISCHARGE

Section 11.01 *Satisfaction and Discharge.*

This Indenture will be discharged with respect to the Notes and will cease to be of further effect (except as to surviving rights of transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes under this Indenture when:

(1) either:

(a) all the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust) have been delivered to the Trustee for cancellation; or

(b) all the Notes not theretofore delivered to the Trustee for cancellation have become due and payable within one year or as a result of a mailing of a notice of redemption and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee cash or non-callable U.S. Government Obligations or a combination thereof in an amount sufficient to pay and discharge the entire Indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on such Notes to the date of deposit (in the case of Notes that have become due and payable), redemption or their Stated Maturity, as applicable, together with irrevocable instructions from the Issuer or such Guarantor directing the Trustee to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(2) the Issuer or any Guarantor has paid all other sums payable under such Indenture in respect of such Notes by the Issuer; and

(3) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under such Indenture relating to the satisfaction and discharge of such Indenture in respect of such Notes have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to sub-clause (b) of clause (1) of this Section 11.01, the provisions of Sections 11.02 and 8.06 shall survive. In addition, nothing in this Section 11.01 shall be deemed to discharge those provisions of Section 7.06, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 11.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06, all money deposited with the Trustee pursuant to Section 11.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law; *provided* that, if there is a tender offer by the Issuer for outstanding Notes that is in progress at the time of such deposit, such money deposited with the Trustee pursuant to Section 11.01 may be applied to pay any cash consideration for any Notes validly tendered into such tender offer and not validly withdrawn so long as prior to any such application the Issuer delivers an Officers' Certificate to the Trustee certifying that after giving effect to such application, the amount remaining on deposit with the Trustee will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes (excluding Notes delivered to the Trustee for cancellation and Notes to be repurchased in such tender offer) for principal, premium, if any, and accrued interest to the date of maturity or redemption, as the case may be.

To the extent that and so long as the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01; *provided, however*, that if the Issuer has made any payment of principal of, premium, if any, or interest on any Notes following the reinstatement of their obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. Each Holder by accepting a Note waives and releases all such liability that may arise other than pursuant to a Note Guarantee. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 12.08 *Governing Law.*

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES AND THE NOTE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES THEREOF RELATING TO CONFLICTS OF LAW (OTHER THAN SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, AND ANY SUCCESSOR STATUTE OR STATUTES).

Section 12.13 *Table of Contents, Headings, etc.*

The Table of Contents and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

Section 12.14 *Waiver of Jury Trial.*

EACH OF THE ISSUER, THE GUARANTORS, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTION CONTEMPLATED HEREBY.

Section 12.15 *Force Majeure.*

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including strikes, work stoppages, accidents, acts of war or terrorism, pandemics, epidemics, recognized public emergencies, quarantine restrictions, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services, hacking, cyber-attacks, and other use or infiltration of the Trustee's technological infrastructure exceeding authorized access; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(1) *INTEREST*. Pitney Bowes Inc., a Delaware corporation (the “*Issuer*” or the “*Company*”), promises to pay interest on the principal amount of this Note at 7.250% per annum from March 19, 2021 until maturity. The Issuer shall pay interest semi-annually in arrears on March 15 and September 15 of each year, or if any such day is not a Business Day, on the next day that is a Business Day (each, an “*Interest Payment Date*”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from March 19, 2021; *provided* that the first Interest Payment Date shall be September 15, 2021. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate equal to the then applicable interest rate on the Notes. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the rate equal to the then applicable interest rate on the Notes. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT*. The Issuer shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on the March 1 or September 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes shall be payable as to principal, interest and premium, if any, at the office or agency of the Paying Agent at its Corporate Trust Office, or, at the option of the Issuer, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal, interest and premium, if any, on all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Issuer or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, Truist Bank, the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without notice to any Holder. The Issuer or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The Issuer issued the Notes under an Indenture dated as of March 19, 2021 (the “*Indenture*”), among the Issuer, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. In the event of a conflict between the terms and provisions of the Indenture on the one hand and the terms and provisions of this Note or any Note Guarantee on the other hand, the terms and provisions of the Indenture shall govern and be controlling. The Notes are general unsecured obligations of the Issuer. Subject to the conditions set forth in the Indenture, the Issuer may issue Additional Notes.

(5) *OPTIONAL REDEMPTION*.

(a) Except as set forth below, the Issuer will not be entitled to redeem the Notes at its option.

(b) At any time prior to March 15, 2024, the Issuer may redeem all or a part of the Notes, upon notice as described in Section 3.03 of the Indenture, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium, *plus* accrued and unpaid interest if any, to, but excluding, the redemption date (the “*Redemption Date*”), subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date.

(c) On and after March 15, 2024, the Issuer may redeem the Notes, in whole or in part, upon notice as described in Section 3.03 of the Indenture, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon, if any, to, but excluding, the applicable Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date, if redeemed during the 12-month period beginning on March 15 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2024	103.625%
2025	102.417%
2026	101.208%
2027 and thereafter	100.000%

(d) In addition, until March 15, 2024, the Issuer may, at its option, on one or more occasions redeem up to 40% of the aggregate principal amount of Notes (including Additional Notes) issued under the Indenture at a redemption price equal to 107.250% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to, but not including, the applicable Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the Redemption Date, with funds in an aggregate amount not exceeding the net cash proceeds of one or more Equity Offerings; *provided* that at least 50% of the sum of the aggregate principal amount of (x) Notes originally issued under the Indenture and (y) any Additional Notes issued under the Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption (unless, in connection therewith, all remaining Notes will be redeemed); *provided, further*, that each such redemption occurs within 180 days of the date of closing of each such Equity Offering.

(e) Notwithstanding the foregoing, in connection with any tender offer for any Notes, if Holders of not less than 90% in the aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuer, or any other Person making such tender offer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer will have the right, upon notice given not more than 30 days following such purchase pursuant to such tender offer, to redeem all of the Notes that remain outstanding following such purchase at a price in cash equal to the highest price offered to each Holder in such tender offer, plus, to the extent not included in the tender offer payment, accrued and unpaid interest to but excluding the Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date).

(6) *MANDATORY REDEMPTION*. The Issuer shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) *REPURCHASE AT THE OPTION OF HOLDER*. The Issuer may be required to repurchase the Notes as a result of a Change of Control, as provided in Section 4.08 of the Indenture. Holders may elect to have such Notes purchased pursuant to a Change of Control Offer by completing the form entitled “*Option of Holder to Elect Purchase*” attached to the Notes.

(8) *NOTICE OF REDEMPTION*. Notice of redemption shall be provided pursuant to Section 3.03 of the Indenture.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuer need not exchange or register the transfer of any Notes for a period of 15 days before the date of sending a notice of redemption of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(10) *PERSONS DEEMED OWNERS*. The registered Holder of a Note may be treated as its owner for all purposes.

(11) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture, the Note Guarantees or the Notes (and any documents related thereto) may be amended or supplemented, both with and without the consent of the Holders of Notes, as provided in Article 9 of the Indenture.

(12) *DEFAULTS AND REMEDIES*. Events of Default include default for 30 days in the payment when due of interest on the Notes, default in the payment when due (at maturity, upon redemption, acceleration or otherwise) of the principal of, or premium, if any, on the Notes, as well as other Events of Default set forth in Section 6.01 of the Indenture. The Issuer is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuer is required, promptly upon any officer obtaining knowledge of any Default or Event of Default that has occurred, to provide an Officers' Certificate to the Trustee.

(13) *TRUSTEE DEALINGS WITH ISSUER*. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuer or its Affiliates, and may otherwise deal with the Issuer or its Affiliates, as if it were not the Trustee.

W I T N E S E T H

WHEREAS, the Issuer has heretofore executed and delivered to the Trustee an indenture (the “*Indenture*”), dated as of March 19, 2021 providing for the issuance of 7.250% Senior Notes due 2029 (the “*Notes*”);

WHEREAS, the Indenture provides that under certain circumstances the Guaranting Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guaranting Subsidiary shall unconditionally guarantee all of the Issuer’s Obligations under the Notes and the Indenture on the terms and conditions set forth herein (the “*Note Guarantee*”); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Guaranting Subsidiary and the Trustee mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

1. CAPITALIZED TERMS. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

2. AGREEMENT TO GUARANTEE. The Guaranting Subsidiary hereby provides an unconditional Guarantee on the terms and subject to the conditions set forth in the Note Guarantee and in the Indenture, including Article 10 thereof, with the same force and effect as if the Guaranting Subsidiary was an original signatory to the Indenture.

FIRST AMENDMENT dated as of March 19, 2021 (this "Amendment"), to the CREDIT AGREEMENT dated as of November 1, 2019 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among PITNEY BOWES INC., a Delaware corporation (the "Borrower"), the LENDERS and ISSUING BANKS party thereto and JPMORGAN CHASE BANK, N.A. ("JPMorgan"), as administrative agent.

WHEREAS the Borrower has requested that the Credit Agreement be amended as set forth herein;

WHEREAS the Lenders party hereto are willing to consent to such amendments on the terms and subject to the conditions set forth herein;

WHEREAS each Tranche A Term Lender that does not execute and deliver a signature page to this Amendment (each, a "Non-Consenting Lender") will be deemed not to have agreed to this Amendment and will be subject to the mandatory assignment provisions of Section 9.02(c) of the Credit Agreement upon the effectiveness of this Amendment on the First Amendment Effective Date (as defined below);

WHEREAS JPMorgan, MUFG Bank, Ltd., Truist Securities, Inc., Citibank, N.A., Goldman Sachs Bank USA and Citizens Bank, N.A. have been appointed by the Borrower to act, and have agreed to act, as joint lead arrangers and joint bookrunners for this Amendment (in such capacities, the "Lead Arrangers").

NOW, THEREFORE, in consideration of the mutual agreements herein contained and other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, and subject to the conditions set forth herein, the parties hereto hereby agree as follows:

SECTION 1. Interpretation.

(a) Capitalized terms used and not defined herein (including in the recitals hereto) shall have the meanings assigned to such terms in the Credit Agreement. The rules of interpretation set forth in Section 1.03 of the Credit Agreement are hereby incorporated by reference herein, *mutatis mutandis*.

SECTION 2. Amendments to the Credit Agreement; Assignment of Term Loans of Non-Consenting Lenders. (a) Effective as of the First Amendment Effective Date, the Credit Agreement is hereby amended by deleting the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and adding the underlined text (indicated textually in the same manner as the following example: underlined text) as set forth on Exhibit A attached hereto; provided that notwithstanding the foregoing, the amendments set forth in Exhibit A to (i) the definition of "Alternate Base Rate", (ii) Section 1.08 and (iii) Section 2.14 and the definitions of terms used therein (including component definitions thereof) shall not apply and shall be given no effect with respect to the Incremental Tranche B Term Loans.

(b) Pursuant to Section 9.02(c) of the Credit Agreement, on the First Amendment Effective Date, each Non-Consenting Lender shall be deemed to have assigned, delegated and transferred all of its Tranche A Term Loans, together with all of its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17 of the Credit Agreement) and obligations under the Loan Documents in respect thereof, to Citibank, N.A., as assignee (in such capacity, the "Purchasing Consenting Lender"). Upon payment to a Non-Consenting Lender of an amount equal to the outstanding principal amount of its Tranche A Term Loans, accrued interest thereon and all other amounts payable to it pursuant to the Credit Agreement from the Purchasing Consenting Lender (in the case of such principal and accrued interest) or the Borrower (in the case of all other amounts) and the satisfaction of all other requirements set forth in Section 9.02(c) of the Credit Agreement with respect to the assignment of such Non-Consenting Lender's Tranche A Term Loans (but without the requirement of any further action on the part of such Non-Consenting Lender or any other party to the Credit Agreement), such Non-Consenting Lender shall cease to be a party to the Credit Agreement in its capacity as a Tranche A Term Lender and the Purchasing Consenting Lender shall be deemed to have consented to this Amendment with respect to the Tranche A Term Loans purchased from such Non-Consenting Lender. This Amendment (i) shall constitute the notice to each Non-Consenting Lender and the Administrative Agent required pursuant to Section 9.02(b) of the Credit Agreement with respect to the assignments contemplated by this Section 2(b) and (ii) shall be deemed to be an Assignment and Assumption with respect to such assignments.

SECTION 3. Representations and Warranties. The Borrower (with respect to itself and, where applicable, the Restricted Subsidiaries) represents and warrants to the Administrative Agent and to the Lenders on and as of the First Amendment Effective Date that:

(a) this Amendment and the transactions contemplated hereby are within each Loan Party's corporate or other organizational powers and have been duly authorized by all necessary corporate or other organizational and, if required, stockholder or other equityholder action;

(b) this Amendment has been duly authorized, executed and delivered by the Borrower and each other Loan Party and constitutes the legal, valid and binding obligation of such Person, enforceable against such Person in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law;

(c) the representations and warranties of each Loan Party set forth in the Loan Documents are true and correct in all material respects (or, in the case of representations and warranties qualified as to materiality or Material Adverse Effect, in all respects), except in the case of any such representation and warranty that expressly relates to a prior date, in which case such representation and warranty is true and correct in all material respects (or in all respects, as applicable) as of such earlier date (it being understood and agreed that the reference in Section 3.15 of the Credit Agreement to "the Closing Date, after giving effect to the Transactions" shall be deemed to refer instead to "the First Amendment Effective Date, after giving effect to the transactions to be consummated on the First Amendment Effective Date"); and

(d) at the time of and immediately after giving effect to this Amendment and the transactions contemplated hereby, no Default or Event of Default shall have occurred and be continuing.

SECTION 4. Effectiveness. This Amendment shall become effective as of the date first above written (the "First Amendment Effective Date") upon satisfaction of the following conditions:

(a) the Administrative Agent shall have received (i) counterparts of this Amendment that, when taken together, bear the signatures of the Borrower, each other Loan Party, each Revolving Lender, each Tranche A Term Lender (after giving effect to the assignment of the Tranche A Term Loans of the Non-Consenting Lenders to the Purchasing Consenting Lender pursuant to Section 2(b) hereof) and Lenders collectively constituting the Required Lenders, (ii) a copy of (A) each organizational document of each Loan Party certified, to the extent applicable, as of a recent date by the applicable Governmental Authority, (B) signature and incumbency certificates of the responsible officers of each Loan Party executing this Amendment, (C) copies of resolutions of the board of directors or managers, shareholders, partners, and/or similar governing bodies of each Loan Party approving and authorizing the execution, delivery and performance of this Amendment, certified as of the First Amendment Effective Date by a secretary, an assistant secretary or a responsible officer of such Loan Party as being in full force and effect without modification or amendment and (D) a good standing certificate (to the extent such concept, or an analogous concept, exists) from the applicable Governmental Authority of each Loan Party's jurisdiction of incorporation, organization or formation, and (iii) favorable written opinions (addressed to the Administrative Agent and the Lenders and dated the First Amendment Effective Date) of (A) Gibson, Dunn & Crutcher LLP, external counsel for the Loan Parties, (B) Day Pitney LLP, external Connecticut counsel for the Loan Parties and (C) Julie Solomon, internal counsel for the Loan Parties, in each case in form and substance reasonably satisfactory to the Administrative Agent;

(b) the Administrative Agent shall have received all fees and other amounts due and payable on or prior to the First Amendment Effective Date, including pursuant to Section 10 hereof, to the extent invoiced at least three Business Days prior to the First Amendment Effective Date (or such shorter period agreed by the Borrower in its sole discretion), reimbursement or payment of all reasonable, documented and invoiced out-of-pocket expenses (including fees, charges and disbursements of counsel) required to be reimbursed or paid by any Loan Party hereunder, under any other Loan Document or under any other agreement entered into by any of the Lead Arrangers or the Administrative Agent, on the one hand, and any of the Loan Parties, on the other hand;

(c) the Administrative Agent shall have received a certificate from a Financial Officer of the Borrower, substantially in the form of Exhibit L to the Credit Agreement, certifying as to the solvency of the Borrower and its Restricted Subsidiaries as of the First Amendment Effective Date on a consolidated basis after giving effect to the Amendment;

(d) (i) the Administrative Agent shall have received, at least three Business Days prior to the First Amendment Effective Date, all documentation and other information required by bank regulatory authorities under applicable “know your customer” and anti-money laundering rules and regulations, including, without limitation, the USA PATRIOT Act, that has been requested at least 10 Business Days prior to the First Amendment Effective Date and (ii) to the extent the Borrower qualifies as a “legal entity customer” under the Beneficial Ownership Regulation and any Lender has requested in a written notice to the Borrower at least 10 Business Days prior to the First Amendment Effective Date a Beneficial Ownership Certification in relation to the Borrower, such Lender shall have received such Beneficial Ownership Certification with respect to the Borrower at least three Business Days prior to the First Amendment Effective Date (provided that, upon the execution and delivery by such Lender of its signature page to this Amendment, the conditions set forth in this clause (v) shall be deemed to be satisfied); and

(e) the Administrative Agent shall have received a certificate, dated the First Amendment Effective Date and signed by a Financial Officer or the President or a Vice President of the Borrower, confirming accuracy of the representations and warranties set forth in Section 3.

SECTION 5. Effects on Loan Documents; No Novation. (a) Except as expressly set forth herein, this Amendment (i) shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders, the Administrative Agent, the Borrower or any other Loan Party under the Credit Agreement or any other Loan Document and (ii) shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle the Borrower or any other Loan Party to any future consent to, or waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document in similar or different circumstances. After the First Amendment Effective Date, any reference in the Loan Documents to the Credit Agreement shall mean the Credit Agreement as modified hereby. This Amendment shall constitute a “Loan Document” for all purposes of the Credit Agreement and the other Loan Documents.

(b) This Amendment shall not extinguish the obligations for the payment of money outstanding under the Credit Agreement or discharge or release the priority of any Security Document. Nothing herein contained shall be construed as a substitution or novation of the Obligations outstanding under the Credit Agreement or any Security Document, which shall remain in full force and effect, except as modified hereby. Nothing expressed or implied in this Amendment or any other document contemplated hereby shall be construed as a release or other discharge of any Loan Party under any Loan Document from any of its obligations and liabilities thereunder.

SECTION 6. Mortgaged Property. Within 90 days after the First Amendment Effective Date (or by such later date as the Administrative Agent in its sole discretion may permit), the Borrower shall deliver, with respect to each Mortgaged Property, (i) an amendment of the existing Mortgage (the "Mortgage Amendment") approved by local counsel reasonably acceptable to the Administrative Agent, and in form reasonably necessary to reflect that the lien securing the Obligations under the Credit Agreement (as amended) encumbers such Mortgaged Property and further to grant, preserve, protect, confirm and perfect the lien and security interest thereby created and perfected; (ii) date-down and modification endorsements to the existing lender's title insurance policy, reflecting that there are no encumbrances affecting the Mortgaged Property except as permitted under the Credit Agreement, and in each case in form and substance reasonably satisfactory to the Administrative Agent, (iii) a favorable opinion of local counsel in the jurisdiction in which the Mortgaged Property is located for the benefit of the Administrative Agent and the Lenders with respect to the enforceability of the Mortgage Amendment, together with such other opinions as the Administrative Agent shall require, and in form and substance reasonably acceptable to the Administrative Agent (it being understood and agreed that the form and substance of the opinions delivered in connection with the existing Mortgage are reasonably acceptable) and (iv) such further documents, instruments, acts or agreements as the Administrative Agent may reasonably request to affirm, secure, renew or perfect the liens of the Mortgage as amended. The Borrower shall also provide flood determinations and flood insurance with respect to each Mortgaged Property as required by Section 5.07(b) of the Credit Agreement.

SECTION 7. Miscellaneous. The provisions of Sections 9.09, 9.10 and 9.11 of the Credit Agreement are hereby incorporated by reference herein, *mutatis mutandis*.

SECTION 8. Counterparts. This Amendment may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Amendment and/or any document to be signed in connection with this Amendment and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be.

SECTION 9. Reaffirmation. Each of the Loan Parties hereby (a) reaffirms its obligations under the Credit Agreement and each other Loan Document to which it is a party, in each case as modified by this Amendment, (b) reaffirms all Liens on the Collateral which have been granted by it in favor of the Administrative Agent (for the benefit of the Secured Parties) pursuant to the Loan Documents and (c) acknowledges and agrees that the guarantees of the Loan Parties and the grants of security interests by the Loan Parties contained in the Collateral Agreement and the other Security Documents are, and shall remain, in full force and effect in respect of, and to secure, the Obligations (including the Tranche A Term Loans and the Revolving Commitments and the extensions of credit thereunder, in each case as extended hereby).

SECTION 10. Consent Fee. The Borrower agrees to pay to the Administrative Agent, for the account of each Revolving Lender and Tranche A Term Lender that shall have executed and irrevocably delivered a signature page to this Amendment to the Administrative Agent on or prior to 5:00 p.m. New York City time, on March 12, 2021, a consent fee in an amount equal to 0.25% of the aggregate principal amount of the Revolving Commitment (whether drawn or undrawn) and the Tranche A Term Loans of such Lender (determined after giving effect to the assignments of Tranche A Term Loans on the First Amendment Effective Date pursuant to Section 2(b) hereof) on the First Amendment Effective Date.

For the avoidance of doubt, if the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any financial ratio or test (excluding, for the avoidance of doubt, any ratio contained in Sections 6.12 or 6.13) or basket availability with respect to any Limited Condition Transaction on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or, in the case of a Limited Condition Transaction described in clause (i) thereof, the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such subsequent transaction is permitted under this Agreement or any Loan Document, any such ratio, test or basket shall be required to comply with any such ratio, test or basket on a Pro Forma Basis assuming such Limited Condition Transaction and the other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until such time as the applicable Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated or expires.

(b) Notwithstanding anything to the contrary herein, with respect to any Indebtedness or Liens incurred in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (including, without limitation, any tests based on the Consolidated Total Leverage Ratio, Consolidated Interest Expense, Adjusted Consolidated Interest Expense, the First Lien Leverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Interest Coverage Ratio, Consolidated EBITDA or Adjusted Consolidated EBITDA) (any such amounts, the "Fixed Amounts") substantially concurrently with any

SECTION 1.07. Divisions. For all purposes under this Agreement, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction’s laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

SECTION 1.08. Interest Rates; LIBOR Notification. The interest rate on a Loan denominated in Dollars or a Permitted Foreign Currency may be derived from an interest rate benchmark that is, or may in the future become, the subject of regulatory reform. Regulators have signaled the need to use alternative benchmark reference rates for some of these interest rate benchmarks and, as a result, such interest rate benchmarks may cease to comply with applicable laws and regulations, may be permanently discontinued, and/or the basis on which they are calculated may change. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the “IBA”) for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Eurocurrency Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. Upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event, a Term ESTR Transition Event or an Early Opt-~~in~~ Election, Section 2.14(b) ~~provides a~~ (c) provide the mechanism for determining an alternative rate of interest. The Administrative Agent will promptly notify the Borrower, pursuant to Section 2.14(~~d~~), of any change to the reference rate upon which the interest rate on Eurocurrency Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of “LIBO Rate” or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.14(b) or (c), whether upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event, a Term ESTR Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.14(~~e~~)), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the LIBO Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

SECTION 1.09. Permitted Foreign Currency Calculations. (a) For purposes of determining the Dollar Equivalent of any Loan or Letter of Credit denominated in a Permitted Foreign Currency or any related amount, the Administrative Agent shall determine the Exchange Rate as of each applicable Exchange Rate Date with respect to each Permitted Foreign Currency in which any requested or outstanding Loan or Letter of Credit is denominated and shall apply such Exchange Rates to determine such amount (in each case after giving effect to any Loan to be made or repaid or Letter of Credit issued on or prior to the applicable date for such calculation), and each such amount shall be the Dollar Equivalent of such Loan or Letter of Credit until the next required calculation thereof pursuant to this paragraph; provided that the Administrative Agent shall in addition determine the Dollar Equivalent of any Letter of Credit denominated in any Permitted Foreign Currency as provided in Sections 2.05(e) and 2.05(n).

(b) For purposes of any determination under Section 6.01, 6.02, 6.04 or 6.05 or under Article VII, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than Dollars shall be translated into the Dollar Equivalent at the currency exchange rates in effect on the date of such determination (with such currency exchange rates being determined by the Borrower in good faith); provided that no Default shall arise as a result of any limitation set forth in Section 6.01, 6.02, 6.04 or 6.05 being exceeded solely as a result of changes in currency exchange rates from the currency exchange rates applicable at the time or times the applicable transaction was initially consummated in reliance on the applicable exception to the limitation set forth in such Section.

At the time that each ABR Revolving Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not be more than a total of ten Eurocurrency Borrowings at any time outstanding unless the Administrative Agent otherwise agrees. Notwithstanding anything to the contrary herein, an ABR Revolving Borrowing may be in an aggregate amount that is equal to the entire unfunded balance of the Aggregate Revolving Commitment or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.05(e).

(vii) that as of such date Sections 4.02(a) and 4.02(b) are satisfied.

If no election as to the Type of Borrowing is specified, then, if the specified currency of such Borrowing is (a) Dollars, the requested Borrowing shall be an ABR Borrowing, and (b) Euros or Sterling, the requested Borrowing shall be a Eurocurrency Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. If no currency is specified with respect to any requested Revolving Loan, the Borrower shall be deemed to have selected Dollars. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Bank as necessary to enable such Issuing Bank to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. An Issuing Bank shall not be obligated to issue any trade Letter of Credit (unless it otherwise consents) and no Letter of Credit shall be issued, amended, renewed or extended unless (and upon issuance, amendment, renewal or extension of any Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (i) the sum of the LC Exposure shall not exceed the LC Sublimit, (ii) the Aggregate Revolving Exposure shall not exceed the Aggregate Revolving Commitment, (iii) the face amount of the Letters of Credit issued by the applicable Issuing Bank shall not exceed the LC Commitment of such Issuing Bank (unless it otherwise agrees) and (iv) following the effectiveness of any Maturity Date Extension Request with respect to the Revolving Commitments of any Class, the LC Exposure in respect of all Letters of Credit of such Class having an expiration date after the fifth Business Day prior to the applicable Existing Maturity Date shall not exceed the aggregate Revolving Commitments of such Class of the Consenting Lenders extended pursuant to Section 2.22. Each Issuing Bank agrees that it shall not permit any issuance, amendment, renewal or extension of a Letter of Credit to occur unless it shall give to the Administrative Agent written notice thereof as required under paragraph (l) of this Section. Notwithstanding anything herein to the contrary, an Issuing Bank shall have no obligation hereunder to issue any Letter of Credit if (x) any law applicable to such Issuing Bank from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit the issuance of letters of credit generally or the Letter of Credit in particular or (y) such issuance shall violate such Issuing Bank's internal policies that are applicable to letters of credit generally.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Revolving Maturity Date (unless such Letters of Credit have been cash collateralized or backstopped on or prior to such fifth Business Day pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank); provided that (x) any Letter of Credit may, upon the request of the Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional periods (but not beyond the date that is five Business Days prior to the Revolving Maturity Date (unless such Letters of Credit have been cash collateralized or backstopped on or prior to such fifth Business Day pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank)) unless the applicable Issuing Bank notifies the beneficiary thereof at least 30 days prior to the then-applicable expiration date that such Letter of Credit will not be renewed and (y) clause (c) (i) above shall not apply to a Letter of Credit if such long-dated Letter of Credit is consented to by the applicable Issuing Bank. For the avoidance of doubt, if the Revolving Maturity Date in respect of any Class of Revolving Commitments shall be extended pursuant to Section 2.22, "Revolving Maturity Date" as referenced in this paragraph shall refer, with respect to the Class of Letters of Credit associated with such Class of Revolving Commitments, to the Revolving Maturity Date in respect of any Class of Revolving Commitments as extended pursuant to Section 2.22; provided that, notwithstanding anything in this Agreement (including Section 2.22 hereof) or any other Loan Document to the contrary, the Revolving Maturity Date, as such term is used in reference to any Issuing Bank or any Letter of Credit issued thereby, may not be extended with respect to any Issuing Bank without the prior written consent of such Issuing Bank.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the

applicable Issuing Bank or the Lenders, the Issuing Bank that is the issuer of such Letter of Credit hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrower for any reason. Such payment by the Revolving Lenders shall be made (i) if the currency of the applicable LC Disbursement or reimbursement payment shall be in Dollars, then in Dollars and (ii) subject to paragraph (n) of this Section, if the currency of the applicable LC Disbursement or reimbursement shall be a Permitted Foreign Currency, then in Dollars in an amount equal to the Dollar Equivalent of such LC Disbursement or reimbursement payment, calculated by the Administrative Agent using the Exchange Rate on the applicable LC Participation Calculation Date. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender further acknowledges and agrees that, in issuing, amending, renewing or extending any Letter of Credit, the applicable Issuing Bank shall be entitled to rely, and shall not incur any liability for relying, upon the representation and warranty of the Borrower deemed made pursuant to Section 4.02 unless, at least one Business Day prior to the time such Letter of Credit is issued, amended, renewed or extended (or, in the case of an automatic renewal permitted pursuant to paragraph (c) of this Section, at least one Business Day prior to the time by which the election not to extend must be made by the applicable Issuing Bank), the Majority in Interest of the Revolving Lenders shall have notified the applicable Issuing Bank (with a copy to the Administrative Agent) in writing that, as a result of one or more events or circumstances described in such notice, one or more of the conditions precedent set forth in Section 4.02(a) or 4.02(b) would not be satisfied if such Letter of Credit were then issued, amended, renewed or extended (it being understood and agreed that, in the event any Issuing Bank shall have received any such notice, no Issuing Bank shall have any obligation to issue, amend, renew or extend any Letter of Credit until and unless it shall be satisfied that the events and circumstances described in such notice shall have been cured or otherwise shall have ceased to exist).

(e) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, then the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount in the currency of such LC Disbursement equal to such LC Disbursement not later than 12:00 noon, Local Time, on the Business Day immediately following the day that the Borrower receives such notice; provided that, in the case of an LC Disbursement denominated in Dollars in an amount equal to or in excess of \$500,000, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Borrowing in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing. If the Borrower fails to reimburse any LC Disbursement by the time specified above in this paragraph, the applicable Issuing Bank shall promptly notify the Administrative Agent, and the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the currency and amount of the payment then due from the Borrower in respect thereof and such Revolving Lender's

Applicable Percentage thereof. Promptly following receipt of such notice, each applicable Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the amount then due from the Borrower in the currency of the applicable LC Disbursement, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders under this paragraph), and the Administrative Agent shall promptly remit to the applicable Issuing Bank the amounts so received by it from the applicable Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of an ABR Revolving Borrowing as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision thereof or hereof, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, the Issuing Banks or any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit, any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank (as finally determined by a court of competent jurisdiction in a final and nonappealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the

terms of such Letter of Credit, and any such acceptance or refusal shall be deemed not to constitute gross negligence or willful misconduct.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Administrative Agent and the Borrower in writing (via hand delivery, facsimile or other electronic imaging) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the applicable Revolving Lenders with respect to any such LC Disbursement in accordance with paragraph (e) of this Section.

(h) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement in full, at (i) in the case of any LC Disbursement denominated in Dollars, and at all times following the conversion to Dollars of the reimbursement obligation with respect to any LC Disbursement made in Euro or Sterling pursuant to paragraph (e) of this Section, at the rate per annum then applicable to ABR Revolving Loans and (ii) in the case of an LC Disbursement denominated in any other Permitted Foreign Currency, at all times prior to the conversion of the reimbursement obligation with respect thereto to Dollars pursuant to paragraph (e) of this Section, at a rate per annum determined by the applicable Issuing Bank (which determination will be conclusive absent manifest error) to represent its cost of funds plus the Applicable Rate used to determine interest applicable to LIBOR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement in full when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment, and shall be payable on demand or, if no demand has been made, on the date on which the Borrower reimburses the applicable LC Disbursement in full.

(i) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day on which the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, a Majority in Interest of the Revolving Lenders) demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders, an amount in cash (in the currency of each applicable Letter of Credit) equal to the LC Exposure of the Revolving Lenders with respect to the Letters of Credit issued on behalf of the Borrower as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Section 7.01. The Borrower also shall deposit cash collateral in accordance with this paragraph as and to the extent required by Section 2.11(b), 2.20(c) or 2.22(c). Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of

the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Notwithstanding the terms of any Security Document, moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to (i) the consent of a Majority in Interest of the Revolving Lenders (treating the Classes of Revolving Commitments and Revolving Loans as one Class) and (ii) in the case of any such application at a time when any Revolving Lender is a Defaulting Lender (but only if, after giving effect thereto, the remaining cash collateral shall be less than the aggregate LC Exposure of all the Defaulting Lenders), the consent of each Issuing Bank), be applied to satisfy other obligations of the Borrower under this Agreement. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived. If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.11(b), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower to the extent that, after giving effect to such return, the Aggregate Revolving Exposure in respect of the Revolving Commitments or Revolving Loans would not exceed the Aggregate Revolving Commitment and no Default shall have occurred and be continuing. If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.20(c), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower to the extent that, after giving effect to such return, no Issuing Bank shall have any exposure in respect of any outstanding Letter of Credit that is not fully covered by the Revolving Commitments of the non-Defaulting Lenders and/or the remaining cash collateral and no Default shall have occurred and be continuing

(j) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time with notice to the Administrative Agent, designate as additional Issuing Banks one or more Revolving Lenders, that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower and shall specify the LC Commitment of such Issuing Bank, executed by the Borrower, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and (ii) references herein to the term "Issuing Bank" shall be deemed to include such Revolving Lender in its capacity as an issuer of Letters of Credit hereunder.

(k) Resignation or Termination of an Issuing Bank. Any Issuing Bank may resign as a "Issuing Bank" hereunder upon 30 days' prior written notice to the Administrative Agent, the Lenders, and the Borrower; provided that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant Issuing Bank shall have identified a successor Issuing Bank reasonably acceptable to the Borrower willing to accept its appointment as successor Issuing Bank and the effectiveness of such resignation shall be conditioned upon such successor assuming the rights and duties of the Issuing Bank. In the event of any such resignation as Issuing Bank, the Borrower shall be entitled to appoint from among the Lenders a successor Issuing Bank hereunder; provided, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of the resigning Issuing Bank except as expressly provided above. The Borrower may terminate the appointment of any Issuing Bank as an "Issuing Bank" hereunder by providing a written notice thereof to such Issuing Bank, with a copy

to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Issuing Bank acknowledging receipt of such notice and (ii) the third Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such resignation or termination shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the resigning or terminated Issuing Bank pursuant to Section 2.12(b). Notwithstanding the effectiveness of any such resignation or termination, the resigning or terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or termination, but shall not be required to issue any additional Letters of Credit.

(l) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancelations and all disbursements and reimbursements, (ii) reasonably prior to the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the stated amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date, amount and currency of such LC Disbursement, (iv) on any Business Day on which the Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and the currency and amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(m) LC Exposure Determination. For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at the time of determination.

SECTION 2.06. Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 3:00 p.m., Local Time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower and designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement denominated in Dollars as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.05(e) to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may

assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, (A) in the case of Loans denominated in Dollars, the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (B) in the case of Loans denominated in a Permitted Foreign Currency, the Overnight Eurocurrency Rate or (ii) in the case of the Borrower, the interest rate applicable to (A) in the case of Loans denominated in Dollars, ABR Loans of the applicable Class and (B) in the case of Loans denominated in a Permitted Foreign Currency, the interest rate applicable to the subject Loan pursuant to Section 2.13. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.07. Interest Elections. (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a Borrowing of a different Type (provided that Eurocurrency Borrowings denominated in a Permitted Foreign Currency may not be converted into ABR Borrowings but instead must be prepaid in the original currency of such Loan) or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election in writing by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery, facsimile or other electronic transmission to the Administrative Agent of a written Interest Election Request signed by a Financial Officer of the Borrower.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is to be a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period (i) in the case of a Eurocurrency Borrowing denominated in Dollars, such Borrowing shall be converted to an ABR Borrowing and (ii) in the case of a Eurocurrency Borrowing denominated in a Permitted Foreign Currency, such Borrowing shall be continued as a Borrowing of the applicable Type for an Interest Period of one month. Notwithstanding any contrary provision hereof, if an Event of Default under clause (h) or (i) of Section 7.01 has occurred and is continuing with respect to the Borrower, or if any other Event of Default has occurred and is continuing and the Administrative Agent, at the request of a Majority in Interest of the Lenders of any Class has notified the Borrower of the election to give effect to this sentence on account of such other Event of Default, then, in each such case, so long as such Event of Default is continuing, (i) no outstanding Borrowing denominated in Dollars may be converted to or continued as a Eurocurrency Borrowing, (ii) unless repaid, each Eurocurrency Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid, each Eurocurrency Borrowing denominated in a Permitted Foreign Currency shall be continued as a Eurocurrency Borrowing with an Interest Period of one month's duration.

SECTION 2.08. Termination and Reduction of Commitments. (a) Unless previously terminated, (i) the Tranche A Term Commitments shall automatically terminate and be reduced to \$0 on the Closing Date upon the making of the Tranche A Term Loans and (ii) the Revolving Commitments shall automatically terminate and be reduced to \$0 on the Revolving Maturity Date.

(b) The Borrower may at any time terminate, or from time to time permanently reduce, the Commitments of any Class; provided that (i) each partial reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11, the Aggregate Revolving Exposure would exceed the Aggregate Revolving Commitment.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination or reduction of the Revolving Commitments delivered under this paragraph may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

SECTION 2.09. Repayment of Loans; Evidence of Debt. (a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan made by such Revolving Lender to the Borrower on the Revolving Maturity Date and (ii) to the Administrative Agent for the account of each Tranche A Term Lender the then unpaid principal amount of each Tranche A Term Loan made by such Tranche A Term Lender to the Borrower as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder. The records maintained by the Administrative Agent and the Lenders shall be prima facie evidence of the existence and amounts of the obligations of the Borrower in respect of Loans made to the Borrower, LC Disbursements, interest and fees due or accrued, in each case, with respect to the Borrower hereunder; provided that the failure of the Administrative Agent or any Lender to maintain such records or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section, the accounts maintained by the Administrative Agent maintained pursuant to paragraph (c) of this Section shall control.

(c) The Administrative Agent shall, in connection with maintenance of the Register in accordance with Section 9.04(b)(iv) maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal, premium, interest or fees due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) Any Lender may request that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrower of such Loans shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

SECTION 2.10. Amortization of Tranche A Term Loans. (a) Subject to adjustment pursuant to paragraph (c) of this Section, the Borrower shall repay to the Administrative Agent, for the account of each Tranche A Term Lender, Tranche A Term Borrowings on each date set forth below in the aggregate principal amount set forth opposite such date (provided that if any such date is not a Business Day, such payment shall be due on the immediately preceding Business Day):

Any optional prepayment by the Borrower of Incremental Tranche B Term Loans shall be applied to reduce the subsequent scheduled repayments to be made pursuant to this Section as directed by the Borrower.

SECTION 2.11. Prepayment of Loans. (a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, without premium or penalty, subject to Section 2.11(h) below and Section 2.16.

(b) In the event and on each occasion that the Aggregate Revolving Exposure exceeds the Aggregate Revolving Commitment (including as a result of any revaluation of the Dollar Equivalent of any Loan or Letter of Credit pursuant to Section 1.09), the Borrower shall, within one Business Day, prepay its Revolving Borrowings (or, if no such Revolving Borrowings are outstanding, deposit cash collateral in an account with the Administrative Agent in accordance with Section 2.05(i)) in an aggregate amount equal to such excess.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any Restricted Subsidiary in respect of any Prepayment Event (including by the Administrative Agent as loss payee in respect of any Prepayment Event

described in clause (b) of the definition of the term “Prepayment Event”), the Borrower shall, within five Business Days after such Net Proceeds are received, prepay Term Borrowings in an aggregate amount equal to 100% of the amount of such Net Proceeds (or, if the Borrower or any of its Restricted Subsidiaries has incurred Indebtedness that is permitted under Section 6.01 that is secured, on an equal and ratable basis with the Term Loans, by a Lien on the Collateral permitted under Section 6.02, and such Indebtedness is required to be prepaid or redeemed with the Net Proceeds of any event described in clause (a) or (b) of the definition of the term “Prepayment Event”, then by such lesser percentage of such Net Proceeds such that such Indebtedness receives no greater than a ratable percentage of such Net Proceeds based upon the aggregate principal amount of the Term Loans and such Indebtedness then outstanding) (such Net Proceeds amount, as reduced in accordance with the proviso to this paragraph (c), the “Net Proceeds Prepayment Amount”); provided that, in the case of any event described in clause (a) or (b) of the definition of the term “Prepayment Event” and so long as no Event of Default under Section 7.01(a), 7.01(b) or, solely with respect to the Borrower, Section 7.01(h) or 7.01(i) has occurred and be continuing if the Borrower shall, on or prior to the date of the required prepayment, deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Borrower intends to cause the Net Proceeds from such event (or a portion thereof specified in such certificate) to be applied within 365 days after receipt of such Net Proceeds to be reinvested in the business of the Borrower or its Restricted Subsidiaries, or to enter into an acquisition permitted by this Agreement, then no prepayment shall be required pursuant to this paragraph in respect of the Net Proceeds in respect of such event (or the portion of such Net Proceeds specified in such certificate, if applicable) except to the extent of any such Net Proceeds that have not been so applied by the end of such 365-day period (or within a period of 180 days thereafter if by the end of such initial 365-day period the Borrower or one or more Restricted Subsidiaries shall have committed to invest such proceeds), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so applied.

(d) Following the end of each fiscal year of the Borrower, commencing with the fiscal year ending December 31, 2020, the Borrower shall prepay Term Borrowings in an aggregate amount equal to the Specified ECF Percentage of Excess Cash Flow for such fiscal year (such amount, as reduced in accordance with the provisos to this paragraph (d), the “ECF Sweep Amount”); provided that such amount shall be reduced by the aggregate amount of prepayments of Term Borrowings and Revolving Borrowings (but only to the extent accompanied by a permanent reduction of the corresponding Commitment) made pursuant to paragraph (a) of this Section and the aggregate amount of voluntary prepayments or repurchases of other Indebtedness secured by the Collateral on a pari passu basis to the Liens on the Collateral securing the Obligations, in each case, during such fiscal year (and, at the Borrower’s option (and without deducting such amounts against the subsequent fiscal year’s prepayment computation pursuant to this paragraph (d)), after the end of such fiscal year but prior to the date on which the prepayment pursuant to this Section for such fiscal year is required to have been made); provided further that, in the case of any Term Loan (or other relevant Indebtedness) prepaid in connection with the purchase thereof by a Purchasing Borrower Party pursuant to Section 9.04(e) at a discount to par (or the below-par purchase or prepayment of any other relevant Indebtedness), the prepayment required pursuant to this Section shall be reduced, with respect to the prepayment of such Term Loan (or other Indebtedness), only by the actual amount of cash paid to the applicable Lender or Lenders (or other lender(s) or holder(s)) in connection with such purchase. Each prepayment pursuant to this paragraph shall be made on or before the date on which financial statements are delivered pursuant to Section 5.01(a) with respect to the fiscal year for which Excess Cash Flow is being calculated (and in any event not later than the last day on which such financial statements may be delivered in compliance with such Section).

(e) Notwithstanding any other provisions of Section 2.11(c) or (d), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event by or Excess Cash Flow of a Foreign Subsidiary of the Borrower giving rise to a prepayment pursuant to Section 2.11(c) or (d) (a “Foreign Prepayment Event”) are prohibited or delayed by applicable local law from being repatriated to the Borrower, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or (d), as the case may be, and such amounts may be retained by such Subsidiary, and once the Borrower has determined in good faith that such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law, then the amount of such Net Proceeds or Excess Cash Flow will be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved if such amounts were repatriated) to the repayment of the Term Loans pursuant to Section 2.11(c) or (d), as applicable, (B) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would have a material adverse tax or cost consequence with respect to such Net Proceeds or Excess Cash Flow, the amount of Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary; provided that when the Borrower determines in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would no longer have a material adverse tax consequence with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow shall be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved against if such amounts were repatriated) to the repayment of the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable, and (C) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would give rise to a risk of liability for the directors of such Subsidiary, the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary.

(f) Prior to any optional prepayment of Borrowings under this Section, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment delivered pursuant to paragraph (g) of this Section. In the event of any mandatory prepayment of Term Borrowings made at a time when Term Borrowings of more than one Class remain outstanding, the aggregate amount of such prepayment shall be allocated among the Term Borrowings of each such Class (including the Incremental Tranche B Term Loans and, to the extent provided in the Incremental Facility Amendment or Refinancing Facility Agreement for any Class of other Incremental Term Loans or Refinancing Term Loans, respectively, the Borrowings of such Class) pro rata based on the aggregate principal amount of outstanding Borrowings of each such Class; provided that any Term Lender (including each Incremental Tranche B Term Lender and, to the extent provided in the Incremental Facility Amendment or Refinancing Facility Agreement for any Class of other Incremental Term Loans or Refinancing Term Loans, any Lender that holds ~~Incremental~~ Term Loans of such Class) may elect, by notice to the Administrative Agent in writing (via hand delivery, facsimile or other electronic imaging) at least one Business Day prior to the required prepayment date, to decline all or any portion of any prepayment of its Loans pursuant to this Section (other than (x) an optional prepayment pursuant to paragraph (a) of this Section or (y) a mandatory prepayment triggered by an event described in clause (c) of the definition of the term “Prepayment Event”

neither of which may be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay such Loans may be retained by the Borrower.

(g) The Borrower shall notify the Administrative Agent in writing (via hand delivery, facsimile or other electronic imaging) of any optional prepayment and, to the extent practicable, any mandatory prepayment hereunder (i) in the case of a prepayment of a Eurocurrency Borrowing, not later than 1:00 p.m., Local Time, three Business Days before the date of prepayment or (ii) in the case of a prepayment of an ABR Borrowing, not later than 1:00 p.m., New York City time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that (A) if a notice of optional prepayment is given in connection with a conditional notice of termination of the Revolving Commitments as contemplated by Section 2.08, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.08 and (B) a notice of prepayment of Term Borrowings pursuant to paragraph (a) of this Section may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13.

(h) In the event that, on or prior to the date that is twelve months after December 18, 2019, the Borrower (A) prepays, repays, refinances, substitutes or replaces any Incremental Tranche B Term Loans in connection with a Repricing Transaction (including, for the avoidance of doubt, any prepayment made as a result of a Prepayment Event described in clause (c) thereof that constitutes a Repricing Transaction) or (B) effects any amendment, modification or waiver of, or consent under, this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each applicable Incremental Tranche B Term Lender, (I) in the case of clause (A), a premium of 1.00% of the aggregate principal amount of the Incremental Tranche B Term Loans so prepaid, repaid, refinanced, substituted or replaced and (II) in the case of clause (B), a fee equal to 1.00% of the aggregate principal amount of the Incremental Tranche B Term Loans that are the subject of such Repricing Transaction outstanding immediately prior to such amendment. If, on or prior to the date that is twelve months after December 18, 2019, all or any portion of the Incremental Tranche B Term Loans held by any Incremental Tranche B Term Lender are prepaid, repaid, refinanced, substituted or replaced pursuant to Section 2.19 as a result of, or in connection with, such Incremental Tranche B Term Lender not agreeing or otherwise consenting to any waiver, consent, modification or amendment in connection with a Repricing Transaction, such prepayment, repayment, refinancing, substitution or replacement will be made at 101% of the principal amount so prepaid, repaid, refinanced, substituted or replaced. All such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction in Dollars and in immediately available funds.

SECTION 2.12. Fees. (a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender (other than a Defaulting Lender) in accordance

with its Pro Rata Share of the Aggregate Revolving Commitments for the period from and including the Closing Date to but excluding the date on which the Revolving Commitments terminate (or are otherwise reduced to zero), a commitment fee which shall accrue at the Applicable Rate on the average daily unfunded amount of the aggregate Revolving Commitment of such Revolving Lender. Such accrued commitment fees accrued through and including the last day of March, June, September and December of each year shall be payable in arrears on the fifteenth day following such last day and on the date on which all the Revolving Commitments terminate, commencing on the first such date to occur after the Closing Date. For purposes of computing commitment fees, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender.

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate then used to determine the interest rate applicable to Eurocurrency Revolving Loans on the average daily amount of such Lender's aggregate LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which all of such Lender's Revolving Commitments terminate and the date on which such Lender ceases to have any LC Exposure and (ii) to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.125% on the average daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date of termination of all the Revolving Commitments and the date on which there ceases to be any such LC Exposure, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the fifteenth day following such last day, commencing on the first such date to occur after the Closing Date; provided that all such fees shall be payable on the date on which all the Revolving Commitments terminate and any such fees accruing after the date on which all the Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand.

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(d) The Borrower agrees to pay to the Arrangers and the Administrative Agent, for the account of each applicable Arranger and Lender, such other fees as shall have been separately agreed upon in writing (including pursuant to the Fee Letter and including upfront fees, which may be in the form of original issues discounts to the Loans) in the amounts and at the times so specified.

(e) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Revolving Lenders entitled thereto. Fees paid hereunder shall not be refundable under any circumstances.

(f) All commitment fees, participation fees, fronting fees and other fees payable pursuant to this Section and all interest shall be computed on the basis of a year of 360 days, except that (i) interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate and (ii) interest computed for any Borrowing denominated in Sterling shall, in each case, be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

SECTION 2.13. Interest. (a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted Eurocurrency Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, and an Event of Default under Section 7.01(a), (b), (h) or (i) shall have occurred and be continuing, such overdue amount shall bear interest, on and from such date, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other overdue amount, 2.00% per annum plus the rate applicable to ABR Revolving Loans as provided in paragraph (a) of this Section. Payment or acceptance of the increased rates of interest provided for in this paragraph (c) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent, any Issuing Bank or any Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of a Revolving Loan of any Class, upon termination of the Revolving Commitments of such Class; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of a Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

SECTION 2.14. Alternate Rate of Interest.

(a) ~~Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section 2.14, if~~ prior to the commencement of any Interest Period for a Eurocurrency Borrowing of any Class:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted Eurocurrency Rate or the LIBO Rate, as the case may be, for such Interest Period; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by a Majority in Interest of the Lenders of such Class that Adjusted Eurocurrency Rate or the LIBO Rate as the

case may be, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders of such Class by telephone, facsimile or other electronic imaging as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders of such Class that the circumstances giving rise to such notice no longer exist, (i) in the case of Borrowings denominated in Dollars, (A) any Interest Election Request that requests the conversion of any Borrowing of such Class to, or continuation of any Borrowing of such Class as, a Eurocurrency Borrowing shall be ineffective, and such Borrowing shall be continued as an ABR Borrowing and (B) any Borrowing Request for a Eurocurrency Borrowing of such Class shall be made as a request for an ABR Borrowing, and (ii) in the case of Borrowings denominated in Euros or Sterling, until the Administrative Agent notifies such Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) if such Eurocurrency Loan is denominated in Dollars, then on the last day of interest that shall apply to such Borrowing the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent shall determine adequately and fairly reflects the cost to such Lenders (or Lender) of making or maintaining their to, and shall constitute, an ABR Loan denominated in Dollars on such day and (ii) if such Eurocurrency Loan is denominated in any Permitted Foreign Currency, then such Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), at the Borrower's election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Eurocurrency Loan, such Eurocurrency Loan denominated in any Permitted Foreign Currency other than Dollars shall be deemed to be a Eurocurrency Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Eurocurrency Loans (or its Loan) included denominated in Dollars at such Borrowing for such Interest Period plus the Applicable Rate then in effect for Eurocurrency Loans time.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, ~~upon the occurrence of~~ a Benchmark Transition Event or an Early Opt-in Election, as applicable, ~~the Administrative Agent and the Borrower may amend~~ and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) or (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement to replace the LIBO Rate with or any other Loan Document and (y) if a Benchmark Replacement ~~Any such amendment with is determined in accordance with clause (3) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in~~ respect ~~to aof any~~ Benchmark ~~Transition Event will become effective~~ setting at or after 5:00 p.m., New York City time, on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has ~~posted such proposed amendment to all Lenders and the Borrower, so long as the Administrative Agent has~~ not received, by such time, written notice of

objection to such ~~proposed amendment~~ **Benchmark Replacement** from Lenders comprising the Required Lenders of each Class; ~~provided that, with respect to any proposed amendment containing any SOFR-Based Rate, the Lenders shall be entitled to object only to the Benchmark Replacement Adjustment contained therein. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders of each Class have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of LIBO Rate with a Benchmark Replacement will occur prior to the applicable Benchmark Transition Start Date.~~

(c) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, (x) with respect to a Loan denominated in Dollars, if a Term SOFR Transition Event and its related Benchmark Replacement Date or (y) with respect to a Loan denominated in Euros, if a Term ESTR Transition Event and its related Benchmark Replacement Date, as applicable, have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that, this clause (c) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Borrower a Term SOFR Notice or a Term ESTR Notice, as applicable. For the avoidance of doubt, the Administrative Agent shall not be required to deliver any (x) Term SOFR Notice after the occurrence of a Term SOFR Transition Event or (y) Term ESTR Notice after the occurrence of a Term ESTR Transition Event, and may do so in its sole discretion.

~~(d)-(e)~~ In connection with the implementation of a Benchmark Replacement, the Administrative Agent and the Borrower will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement; ~~provided that the Administrative Agent shall post any such amendment implementing such Benchmark Replacement Conforming Changes to the Lenders reasonably promptly after such amendment becomes effective~~ or any other Loan Document.

~~(e)-(f)~~ The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes ~~and~~, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. ~~(e) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be~~

~~ineffective, (ii) if any Borrowing Request requests a Eurocurrency Borrowing denominated in Dollars, such Borrowing shall be made as an ABR Borrowing and (iii) any request by the Borrower for a Eurocurrency Borrowing denominated in a Permitted Foreign Currency shall be ineffective~~

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR, Term ESTR or LIBO Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Eurocurrency Borrowing of, conversion to or continuation of Eurocurrency Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) the Borrower will be deemed to have converted any request for a Eurocurrency Borrowing denominated in dollars into a request for a Borrowing of or conversion to ABR Loans or (y) any Eurocurrency Borrowing denominated in a Permitted Foreign Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Eurocurrency Loan in any Permitted Foreign Currency is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Eurocurrency Loan, then until such time as a Benchmark Replacement for such Permitted Foreign Currency is implemented pursuant to this Section 2.14, (i) if such Eurocurrency Loan is denominated in Dollars, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, an ABR Loan denominated in Dollars on such day or (ii) if such Eurocurrency Loan is denominated in any Permitted Foreign Currency, then such Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), at the Borrower's election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Eurocurrency Loan, such Eurocurrency Loan denominated in any Permitted Foreign Currency shall be deemed to be a Eurocurrency Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Eurocurrency Loans denominated in Dollars at such time.

SECTION 2.15. Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any such reserve requirement reflected in the Adjusted Eurocurrency Rate) or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender, such Issuing Bank or such other Recipient hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender, such Issuing Bank or such other Recipient, the Borrower will pay to such Lender, such Issuing Bank or such other Recipient, as applicable, such additional amount or amounts as will compensate such Lender, such Issuing Bank or such other Recipient, as applicable, for such additional costs or expenses incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has had or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy), then, from time to time upon the request of such Lender or such Issuing Bank, the Borrower will pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section and the calculation thereof shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as applicable, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or expenses incurred or reductions suffered more than 180 days prior to the date that such Lender or such Issuing Bank, as applicable, notifies the Borrower of the Change in Law giving rise to such increased costs or expenses or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or expenses or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding any other provision of this Section, no Lender or Issuing Bank shall demand compensation for any increased cost or reduction pursuant to this Section if (i) it shall not at the time be the general policy or practice of such Lender or Issuing Bank to demand such compensation in similar circumstances under comparable provisions of other credit agreements and (ii) such increased cost or reduction is due to market disruption, unless such circumstances generally affect the banking market and when the Required Lenders have made such a request.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto (whether or not such notice may be revoked in accordance with the terms hereof) or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19(b) or 9.02(c), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event (excluding loss of profit). In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted Eurocurrency Rate, that would have been applicable to such Loan (but not including the Applicable Rate applicable thereto), for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate that such Lender would bid were it to bid, at the commencement of such period, for deposits in the applicable currency of a comparable amount and period from other banks in the London interbank market. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section and the reasons therefor, and showing the calculation thereof, shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof. Notwithstanding the foregoing, this Section will not apply to losses, costs or expenses resulting from Taxes.

SECTION 2.17. Taxes. (a) Payment Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under this Agreement or any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by

a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case that are payable or paid by the Administrative Agent in connection with this Agreement or any other Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from, or reduction of, withholding Tax with respect to payments made under this Agreement or any other Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and

executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), 2.17(f)(ii)(B) or 2.17(f)(ii)(D)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under this Agreement or any other Loan Document, executed originals of IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under this Agreement or any other Loan Document, IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10-percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a

“U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN or Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 or Exhibit J-3, IRS Form W-9 and/or another certification document from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-4 on behalf of each such direct or indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from, or a reduction in, U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under this Agreement or any other Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the Closing Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts paid

pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph, in no event will any indemnified party be required to pay any amount to any indemnifying party pursuant to this paragraph the payment of which would place such indemnified party in a less favorable net after-Tax position than such indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Loan Documents.

(i) For purposes of this Section, the term "Lender" includes any Issuing Bank and the term "applicable law" includes FATCA.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Setoffs. (a) Except to the extent otherwise provided herein, the Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 1:00 p.m., New York City time), on the date when due, in immediately available funds, without any defense, setoff, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account or accounts as may be specified by the Administrative Agent, except that payments required to be made directly to any Issuing Bank shall be so made, payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payment received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under this Agreement or any other Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder of principal or interest in respect of any Loan or LC Disbursement shall, except as otherwise expressly provided herein, be made in the currency of such Loan or LC Disbursement; all other payments hereunder and under each other Loan Document shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements,

interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Revolving Loans, Term Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans, Term Loans and participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall notify the Administrative Agent of such fact and shall purchase (for cash at face value) participations in the Revolving Loans, Term Loans and participations in LC Disbursements of other Lenders to the extent necessary so that the aggregate amount of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans, Term Loans and participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any Eligible Assignee, to the Borrower or any Subsidiary or other Affiliate thereof in a transaction that complies with the terms of Section 9.04(e) or (f), as applicable. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders or the Issuing Banks, as applicable, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Banks, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(d) or (e), 2.06(a) or (b), 2.17(e), 2.18(d) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations in respect of such payment until all such unsatisfied obligations have been discharged and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any

such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders. (a) If any

Lender requests compensation under Section 2.15, or if any Loan Party is required to pay any Indemnified Taxes or additional amounts to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agree to pay all reasonable and documented assignment fees in connection with any such designation or assignment and delegation.

(b) If (i) any Lender has requested compensation under Section 2.15, (ii) a Loan Party is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender has become a Defaulting Lender or (iv) any Lender has become a Declining Lender under Section 2.22, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents (or, in the case of any such assignment and delegation resulting from a Lender having become a Declining Lender, all its interests, rights and obligations under this Agreement and the other Loan Documents as a Lender of the applicable Class with respect to which such Lender is a Declining Lender) to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and, if a Revolving Commitment is being assigned, each Issuing Bank), which consent shall not unreasonably be withheld or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed participations in LC Disbursements, accrued interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder (including, if applicable, the prepayment fee pursuant to Section 2.11(h) (with such assignment being deemed to be an optional prepayment for purposes of determining the applicability of such Section)) (if applicable, in each case only to the extent such amounts relate to its interest as a Lender of a particular Class) from the assignee (in the case of such principal and accrued interest and fees (other than any fee payable pursuant to Section 2.11(h)) or the Borrower (in the case of all other amounts (including any fee payable pursuant to Section 2.11(h))), (C) the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b), (D) in the case of any such assignment and delegation resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a material reduction in such compensation or payments and (E) such assignment and delegation does not conflict with applicable law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver or consent by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the

Borrower to require such assignment and delegation have ceased to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

SECTION 2.20. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) commitment fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) the Commitments, Loans and Revolving Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders or any other requisite Lenders have taken or may take any action hereunder or under any other Loan Document (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders adversely affected thereby shall, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof;

(c) if any LC Exposure exists at the time a Revolving Lender becomes a Defaulting Lender, then:

(i) [reserved];

(ii) all or any part of the LC Exposure (other than any portion thereof attributable to unreimbursed LC Disbursements with respect to which such Defaulting Lender shall have funded its participation as contemplated by Sections 2.05(e) and 2.05(f)) of such Defaulting Lender shall be reallocated among the non-Defaulting Revolver Lenders in accordance with their respective Applicable Percentages but only to the extent that (x) the sum of all non-Defaulting Revolving Lenders' Revolving Exposures plus such Defaulting Lender's LC Exposure does not exceed the sum of all non-Defaulting Revolving Lenders' Revolving Commitments and (y) such reallocation does not cause the aggregate Revolving Exposure of any non-Defaulting Lender to exceed such non-Defaulting Lender's Revolving Commitment; provided that, subject to Section 9.18, no reallocation under this clause (ii) shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender's increased exposure following such reallocation;

(iii) if the reallocation described in clause (ii) above cannot, or can only partially, be effected, the Borrower shall within one Business Day following notice by the Administrative Agent cash collateralize for the benefit of the Issuing Banks the portion of such Defaulting Lender's LC Exposure that has not been reallocated in accordance with the procedures set forth in Section 2.05(i) for so long as such LC Exposure is outstanding;

(iv) if any portion of such Defaulting Lender's LC Exposure is cash collateralized pursuant to clause (iii) above, the Borrower shall not be required

to pay participation fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such portion of such Defaulting Lender's LC Exposure for so long as such Defaulting Lender's LC Exposure is cash collateralized;

(v) if any portion of the LC Exposure of such Defaulting Lender is reallocated pursuant to clause (ii) above, then the fees payable to the Lenders pursuant to Sections 2.12(a) and 2.12(b) shall be adjusted to give effect to such reallocation;

(vi) [reserved]; and

(vii) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (ii) or (iii) above, then, without prejudice to any rights or remedies of any Issuing Bank or any other Lender hereunder, all participation fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Banks (and allocated among them ratably based on the amount of such Defaulting Lender's LC Exposure attributable to Letters of Credit issued by each Issuing Bank) until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(d) so long as such Revolving Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, amend, renew or extend any Letter of Credit unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be fully covered by the Revolving Commitments of the non-Defaulting Revolving Lenders and/or cash collateral provided by the Borrower in accordance with Section 2.20(c), and participating interests in any such issued, amended, renewed or extended Letter of Credit will be allocated among the non-Defaulting Revolving Lenders in a manner consistent with Section 2.20(c)(ii) (and such Defaulting Lender shall not participate therein).

In the event that (i) a Bankruptcy Event with respect to a Revolving Lender Parent shall occur following the Closing Date and for so long as such Bankruptcy Event shall continue or (ii) any applicable Issuing Bank has a good faith belief that any Revolving Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, such Issuing Bank shall not be required to issue, amend, renew or extend any Letter of Credit, unless such Issuing Bank shall have entered into arrangements with the Borrower or the applicable Revolving Lender, satisfactory to such Issuing Bank to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Borrower and each applicable Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused the applicable Revolving Lender to be a Defaulting Lender, then the LC Exposure of the Revolving Lenders shall be readjusted to reflect the inclusion of such Revolving Lender's Revolving Commitment and on such date such Revolving Lender shall purchase at par such of the Revolving Loans of the applicable Class of the other Revolving Lenders of such Class as the Administrative Agent shall determine may be necessary in order for such Revolving Lender to hold such Revolving Loans of such Class in accordance with its Applicable Percentage; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Revolving Lender was a Defaulting Lender; provided further that, except as otherwise expressly agreed by the affected parties, no change hereunder from a Defaulting Lender to a non-Defaulting Lender will constitute a waiver or release of any

claim of any party hereunder arising from such Revolving Lender's having been a Defaulting Lender.

SECTION 2.21. Incremental Extensions of Credit. (a) At any time and from time to time, commencing on the Closing Date and ending on the latest Maturity Date, subject to the terms and conditions set forth herein, the Borrower may, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request (i) to add one or more additional tranches of term loans denominated in Dollars (the "Incremental Term Loans"), (ii) one or more increases in the aggregate amount of any Class of Term Loans (each such increase, a "Incremental Term Loan Increase"), (iii) to add one or more additional tranches of revolving commitments (each, an "Incremental Revolving Commitment"), and the loans made pursuant thereto, the "Incremental Revolving Loans"), (iv) solely during the Revolving Availability Period, one or more increases in the aggregate amount of the Revolving Commitments (each such increase, a "Revolving Commitment Increase" and, together with the Incremental Term Loans, any Incremental Term Loan Increase, any Alternative Incremental Facility Debt and the Incremental Revolving Commitments, the "Incremental Extensions of Credit", the Incremental Revolving Commitments and the Incremental Revolving Loans, together with the Incremental Term Loans, any Revolving Commitment Increase and any Incremental Term Loan Increase, the "Incremental Facilities") or (v) Alternative Incremental Facility Debt, in an aggregate principal amount of up to (i) the sum of (x) the greater of \$~~200,000,000~~300,000,000 and ~~40.075.0~~% of Consolidated EBITDA for the four consecutive fiscal quarters of the Borrower most recently ended on such date for which financial statements have been delivered pursuant to Section 5.01(a) or (b), plus (y) the amount of any voluntary prepayments of the Term Loans and any Alternative Incremental Facility Debt and permanent reductions in the amount of the Revolving Commitments, in each case, to the extent not funded with long-term Indebtedness (the sum of (x) and (y), the "Incremental Dollar Basket"), plus (ii) an additional amount if, after giving effect to the incurrence of such additional amount and the application of the proceeds therefrom (assuming that the full amount of such Incremental Extensions of Credit being established on such date has been funded on such date), the First Lien Leverage Ratio is equal to or less than ~~2.25~~2.75 to 1.00 (assuming any such Incremental Revolving Commitments being established on such date are fully drawn and excluding any amounts incurred concurrently in reliance on the Incremental Dollar Basket) (it being understood that if the proceeds of the relevant Incremental Extensions of Credit will be applied to finance a Limited Condition Transaction and the Borrower has made an LCT Election, compliance with the First Lien Leverage Ratio test prescribed above may be determined as of the LCT Test Date in respect of such Limited Condition Transaction on a Pro Forma Basis) (the "Incremental Ratio Basket"); provided that, at the time of each such request and upon the effectiveness of each Incremental Facility Amendment, (A) no Event of Default has occurred and is continuing or shall result therefrom (or, in the event the proceeds of any Incremental Extension of Credit are used to finance any Limited Condition Transaction permitted hereunder for which the Borrower has made an LCT Election, no Event of Default shall exist and be continuing as of the LCT Test Date for such Limited Condition Transaction), (B) the representations and warranties of the Borrower and each other Loan Party, as applicable, set forth in the Loan Documents would be true and correct in all material respects (or, in the case of representations and warranties qualified as to materiality or Material Adverse Effect, in all respects) on and as of the date of, and immediately after giving effect to, the incurrence of such Incremental Extension of Credit (or, if incurred in connection with a Limited Condition Transaction, on the LCT Test Date) (provided that in the event the proceeds of any Incremental Extension of Credit are used to finance any Investment permitted hereunder, such condition precedent related to the making and accuracy of such representations and warranties may be waived or limited as agreed between the Borrower and the Lenders providing such Incremental Extension of Credit, without the consent

of any other Lenders) and (C) the Borrower shall have delivered a certificate of a Financial Officer to the effect set forth in clauses (A) and (B) above. Each Class of Incremental Term Loans and Incremental Revolving Commitments, and each Revolving Commitment Increase, shall be in an integral multiple of the \$5,000,000 and be in an aggregate principal amount that is not less than \$25,000,000; provided that such amount may be less than \$25,000,000 if such amount represents all the remaining availability under the aggregate principal amount of Incremental Extensions of Credit set forth above.

(b) The Incremental Facilities (i) shall be documented pursuant to an Incremental Facility Amendment and rank pari passu in right of payment in respect of the Collateral and with the Obligations in respect of the Revolving Commitments and the Initial Term Loans, (ii) shall not have a borrower other than the Borrower, (iii) shall not be secured by any property or assets of the Borrower or any Restricted Subsidiary other than the Collateral or guaranteed by any Subsidiaries other than the Loan Parties and (iv) shall, except as otherwise set forth herein, be on terms and subject to conditions as agreed between the Borrower and the Lenders providing the applicable Incremental Extension of Credit and to the extent such terms (other than with respect to maturity, amortization and pricing) are inconsistent with those governing the other Loans hereunder, the covenants and events of default of any Incremental Facility shall be, when taken as a whole, no more favorable to the Lenders providing the applicable Incremental Facility than the terms governing the Loans hereunder (as determined in good faith by the Borrower), unless (1) the Lenders receive the benefit of such more restrictive terms (it being understood to the extent that any covenant is added for the benefit of any Incremental Facility, no consent shall be required from the Administrative Agent or any Lender to the extent that such covenant is also added for the benefit of the Lenders), (2) such more restrictive terms only apply after the Latest Maturity Date or (3) such terms shall be reasonably satisfactory to the Administrative Agent and the Borrower; provided, further, that (A) any Incremental Tranche A Term Loan shall not have (1) a final maturity date earlier than the Tranche A Term Maturity Date (but may have "springing maturity" provisions that are not more favorable to the lenders than those contained in this Agreement with respect to the Tranche A Term Loans) or (2) a weighted average life to maturity that is shorter than the remaining weighted average life to maturity of the then-remaining Tranche A Term Loans; provided that the requirements set forth in the foregoing clause (A) shall not apply to any Indebtedness consisting of a customary bridge facility so long as such bridge facility converts into long-term Indebtedness that satisfies this clause (A); (B) any Incremental Tranche B Term Loan shall not have (1) a final maturity date earlier than the Maturity Date for any then outstanding Term Loans (but may have "springing maturity" provisions that are not more favorable to the lenders than those contained in this Agreement with respect to the then outstanding Term Loans) or (2) a weighted average life to maturity that is shorter than the remaining weighted average life to maturity of the then-remaining Term Loans; provided that the requirements set forth in the foregoing clause (B) shall not apply to any Indebtedness consisting of a customary bridge facility so long as such bridge facility converts into long-term Indebtedness that satisfies this clause (B); (C) any Incremental Revolving Commitment or any Revolving Commitment Increase shall not have a maturity date that is earlier than the Revolving Maturity Date and shall not require any scheduled amortization or mandatory commitment reductions prior to the Revolving Maturity Date and (D) any Incremental Term Loan Increase shall be treated the same as the Class of Term Loans being increased (including with respect to maturity date thereof), shall be considered to be part of the Class of Term Loans being increased and shall be on the same terms applicable to such Term Loans. Notwithstanding anything to the contrary in this Agreement and for the avoidance of doubt, any Incremental Facility Amendment may contain "most favored lender" and call protection provisions and, in the case of any Incremental Facility Amendment documenting any Incremental Tranche B Term Loan, provisions then customary for loans of such Type.

Notwithstanding the foregoing, if the all-in-yield applicable to any such Incremental Term Loan B Facility determined as of the initial funding date for such Incremental Term Loan B Facility is more than 0.50% higher than the corresponding all-in-yield applicable to the Incremental Tranche B Term Loans, then the interest rate margin for the Incremental Tranche B Term Loans shall be increased by an amount equal to the difference between the all-in-yield with respect to such Incremental Term Loan B Facility and the corresponding all-in-yield on the Incremental Tranche B Term Loans, minus 0.50% (for purposes of such calculation and with respect to any such facility, (x) subject to clause (z) below, all-in yield shall be deemed to include all upfront fees and original issue discount (based on a four-year average life to maturity or, if less, the remaining life to maturity) payable to all lenders providing such facility, (y) if the Incremental Term Loan B Facility includes a "LIBOR" interest rate floor greater than the applicable interest rate floor with respect to the Incremental Tranche B Term Loans and such floor is greater than the LIBO Rate for a 3-month Interest Period at such time, such excess amount (above the greater of such floor and such LIBO Rate) shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the interest rate margin under the Incremental Tranche B Term Loans shall be required, but only to the extent an increase in the interest rate floor in the Incremental Tranche B Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case, the interest rate floor (but not the interest rate margin) applicable to the Incremental Tranche B Term Loans shall be increased to the extent of such excess and (z) all-in yield shall exclude structuring, advisory, success, underwriting, commitment, arrangement, ticking, amendment, consent and similar fees payable in connection therewith whether or not shared with all lenders providing such facility and any other fees not paid by the Borrower generally to all lenders providing such facility ratably or, if only one lender (or affiliated group of lenders) is providing such facility, are fees of the type not customarily shared with lenders generally).

(c) Any additional bank, financial institution, existing Lender or other Person that elects to extend Incremental Extensions of Credit (i) shall, to the extent a consent would be required under Section 9.04 if such additional bank, financial institution, existing Lender or other Person were taking an assignment of Loans or Commitments, be approved by the Borrower and the Administrative Agent (and, in the case of any Incremental Revolving Commitment or Revolving Commitment Increase, each applicable Issuing Bank) (such approval not be unreasonably withheld) (any such bank, financial institution, existing Lender or other Person being called an "Additional Lender") and (ii) if not already a Lender, shall become a Lender under this Agreement pursuant to an amendment (an "Incremental Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each such Additional Lender and the Administrative Agent. No Lender shall be obligated to provide any Incremental Extension of Credit unless it so agrees. Commitments in respect of any Incremental Extension of Credit shall become Commitments (or in the case of any Revolving Commitment Increase to be provided by an existing Revolving Lender, an increase in such Lender's Revolving Commitment) under this Agreement upon the effectiveness of the applicable Incremental Facility Amendment. An Incremental Facility Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement or to any other Loan Document as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section (including to provide for voting provisions applicable to the Additional Lenders comparable to the provisions of clause (B) of the second proviso of Section 9.02(b)). To the extent required by the relevant Additional Lenders as set forth in the relevant Incremental Facility Amendment, the effectiveness of any Incremental Facility Amendment and the making of the initial Borrowings thereunder shall be subject to the satisfaction on the effective date thereof of each of the conditions set forth in clauses (a) and (b) of Section 4.02 (it being

understood and agreed that all references to a Borrowing in clauses (a) and (b) of Section 4.02 shall be deemed to refer to the applicable Incremental Facility Amendment).

(d) On the date of effectiveness of any Revolving Commitment Increase, (i) the aggregate principal amount of the Revolving Loans outstanding (the "Existing Revolving Borrowings") immediately prior to the effectiveness of such Revolving Commitment Increase shall be deemed to be repaid, (ii) each Revolving Commitment Increase Lender that shall have had a Revolving Commitment prior to the effectiveness of such Revolving Commitment Increase shall pay to the Administrative Agent in same day funds an amount equal to the amount, if any, by which (A) (1) such Revolving Commitment Increase Lender's Applicable Percentage (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Resulting Revolving Borrowings (as hereinafter defined) exceeds (B) (1) such Revolving Commitment Increase Lender's Applicable Percentage (calculated without giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Existing Revolving Borrowings, (iii) each Revolving Commitment Increase Lender that shall not have had a Revolving Commitment prior to the effectiveness of such Revolving Commitment Increase shall pay to the Administrative Agent in same day funds an amount equal to (1) such Revolving Commitment Increase Lender's Applicable Percentage (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Resulting Revolving Borrowings, (iv) after the Administrative Agent receives the funds specified in clauses (ii) and (iii) above, the Administrative Agent shall pay to each Revolving Lender of the Applicable Class the portion of such funds that is equal to the amount, if any, by which (A) (1) such Revolving Lender's Applicable Percentage (calculated without giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Existing Revolving Borrowings, exceeds (B) (1) such Revolving Lender's Applicable Percentage (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Resulting Revolving Borrowings, (v) after the effectiveness of such Revolving Commitment Increase, the Borrower shall be deemed to have made new Revolving Borrowings (the "Resulting Revolving Borrowings") in an aggregate principal amount equal to the aggregate principal amount of the Existing Revolving Borrowings and of the Types and for the Interest Periods specified in a Borrowing Request delivered to the Administrative Agent in accordance with Section 2.03 (and the Borrower shall deliver such Borrowing Request), (vi) each Revolving Lender of the Applicable Class shall be deemed to hold its Applicable Percentage of each Resulting Revolving Borrowing (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) and (vii) the Borrower shall pay each Revolving Lender any and all accrued but unpaid interest on its Loans comprising the Existing Revolving Borrowings. The deemed payments of the Existing Revolving Borrowings made pursuant to clause (i) above shall be subject to compensation by the Borrower pursuant to the provisions of Section 2.16 if the date of the effectiveness of such Revolving Commitment Increase occurs other than on the last day of the Interest Period relating thereto. Upon each Revolving Commitment Increase pursuant to this Section, each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Revolving Commitment Increase Lender, and each such Revolving Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Lender's participations hereunder in outstanding Letters of Credit such that, after giving effect to such Revolving Commitment Increase and each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit held by each Revolving Lender (including each such Revolving Commitment Increase Lender) will equal such Revolving Lender's Applicable Percentage.

(e) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

(f) The Borrower may (i) incur Incremental Facilities under the Incremental Dollar Basket or the Incremental Ratio Basket in such order as it may elect in its sole discretion and shall be allowed to classify under which basket such Incremental Facilities are being incurred at the time of such Incurrence and (ii) later reclassify Indebtedness incurred under the Incremental Dollar Basket as incurred under the Incremental Ratio Basket, if at the time of such reclassification, the Borrower would have been permitted to incur such Indebtedness under the Incremental Ratio Basket.

SECTION 2.22. Extension of Maturity Date.

(a) The Borrower may, by delivery of a Maturity Date Extension Request to the Administrative Agent (which shall promptly deliver a copy thereof to each of the Lenders) not less than 30 days prior to the then-existing Maturity Date for the applicable Class of Commitments and/or Loans hereunder to be extended (the "Existing Maturity Date"), request that the Lenders extend the Existing Maturity Date in accordance with this Section; provided that, for the avoidance of doubt, each Lender may elect to agree or not agree, in its sole discretion, to an extension of a Maturity Date. Each Maturity Date Extension Request shall (i) specify the applicable Class of Commitments and/or Loans hereunder to be extended, (ii) specify the date to which the applicable Maturity Date is sought to be extended, (iii) specify the changes, if any, to the Applicable Rate to be applied in determining the interest payable on the Loans of, and fees payable hereunder to, Consenting Lenders (as defined below) in respect of that portion of their Commitments and/or Loans extended to such new Maturity Date and the time as of which such changes will become effective (which may be prior to the Existing Maturity Date) and (iv) specify any other amendments or modifications to this Agreement to be effected in connection with such Maturity Date Extension Request; provided that no such changes or modifications requiring approvals pursuant to the provisos to Section 9.02(b) shall become effective prior to the Existing Maturity Date unless such other approvals have been obtained. In the event a Maturity Date Extension Request shall have been delivered by the Borrower, each Lender shall have the right to agree to the extension of the Existing Maturity Date and other matters contemplated thereby on the terms and subject to the conditions set forth therein (each Lender agreeing to the Maturity Date Extension Request being referred to herein as a "Consenting Lender") and each Lender not agreeing thereto being referred to herein as a "Declining Lender"), which right may be exercised by written notice thereof, specifying the maximum amount of the Commitment and/or Loans of such Lender with respect to which such Lender agrees to the extension of the Maturity Date, delivered to the Borrower (with a copy to the Administrative Agent) not later than a day to be agreed upon by the Borrower and the Administrative Agent following the date on which the Maturity Date Extension Request shall have been delivered by the Borrower (it being understood and agreed that any Lender that shall have failed to exercise such right as set forth above shall be deemed to be a Declining Lender). If a Lender elects to extend only a portion of its then existing Commitment and/or Loans, it will be deemed for purposes hereof to be a Consenting Lender in respect of such extended portion and a Declining Lender in respect of the remaining portion of its Commitment and/or Loans, and the aggregate principal amount of each Type and currency of Loans of the applicable Class of such Lender shall be allocated ratably among the extended and non-extended portions of the Loans of such Lender based on the aggregate principal amount of such Loans so extended and not extended. If Consenting Lenders shall have agreed to such Maturity Date Extension Request

in respect of Commitments and/or Loans held by them, then, subject to paragraph (d) of this Section, on the date specified in the Maturity Date Extension Request as the effective date thereof (the "Extension Effective Date"), (i) the Existing Maturity Date of the applicable Commitments and/or Loans shall, as to the Consenting Lenders, be extended to such date as shall be specified therein, (ii) the terms and conditions of the applicable Commitments and/or Loans of the Consenting Lenders (including interest and fees (including Letter of Credit fees) payable in respect thereof) shall be modified as set forth in the Maturity Date Extension Request and (iii) such other modifications and amendments hereto specified in the Maturity Date Extension Request shall (subject to any required approvals (including those of the Required Lenders) having been obtained) become effective.

(b) Notwithstanding the foregoing, the Borrower shall have the right, in accordance with the provisions of Sections 2.19(b) and 9.04, at any time prior to the Existing Maturity Date, to replace a Declining Lender (for the avoidance of doubt, only in respect of that portion of such Lender's Commitment and/or Loans subject to a Maturity Date Extension Request that it has not agreed to extend) with a Lender or other financial institution that will agree to such Maturity Date Extension Request, and any such replacement Lender shall for all purposes constitute a Consenting Lender in respect of the Commitment and/or Loans assigned to and assumed by it on and after the effective time of such replacement.

(c) If a Maturity Date Extension Request has become effective hereunder:

(i) solely in respect of a Maturity Date Extension Request that has become effective in respect of the Revolving Commitments, not later than the fifth Business Day prior to the Existing Maturity Date, the Borrower shall make prepayments of Revolving Loans and shall provide cash collateral in respect of Letters of Credit, in each case, in the manner set forth in Section 2.05(i), such that, after giving effect to such prepayments and such provision of cash collateral, the Aggregate Revolving Exposure as of such date will not exceed the aggregate Revolving Commitments of the Consenting Lenders extended pursuant to this Section (and the Borrower shall not be permitted thereafter to request any Revolving Loan or any issuance, amendment, renewal or extension of a Letter of Credit if, after giving effect thereto, the Aggregate Revolving Exposure would exceed the aggregate amount of the Revolving Commitments so extended);

(ii) solely in respect of a Maturity Date Extension Request that has become effective in respect of the Revolving Commitments, on the Existing Maturity Date, the Revolving Commitment of each Declining Lender shall, to the extent not assumed, assigned or transferred as provided in paragraph (b) of this Section, terminate, and the Borrower shall repay all the Revolving Loans made by each Declining Lender to the Borrower to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder, it being understood and agreed that, subject to satisfaction of the conditions set forth in Section 4.02, such repayments may be funded with the proceeds of new Revolving Borrowings made simultaneously with such repayments by the Consenting Lenders, which such Revolving Borrowings shall be made ratably by the Consenting Lenders in accordance with their extended Revolving Commitments; and

(iii) solely in respect of a Maturity Date Extension Request that has become effective in respect of a Class of Term Loans, on the Existing Maturity Date, the Borrower shall repay all the Loans of such Class made by each Declining Lender to the Borrower, to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder, it being understood and agreed that, subject to satisfaction of the conditions set forth in Section 4.02, such repayments may be funded with the proceeds of new Revolving Borrowings made simultaneously with such repayments by the Revolving Lenders.

(d) Notwithstanding the foregoing, no Maturity Date Extension Request shall become effective hereunder unless, on the Extension Effective Date, the conditions set forth in clauses (a) and (b) of Section 4.02 shall be satisfied (with all references in such Section to a Borrowing being deemed to be references to such Maturity Date Extension Request) and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer of the Borrower.

(e) Notwithstanding any provision of this Agreement to the contrary, it is hereby agreed that no extension of an Existing Maturity Date in accordance with the express terms of this Section, or any amendment or modification of the terms and conditions of the Commitments and the Loans of the Consenting Lenders effected pursuant thereto, shall be deemed to (i) violate the last sentence of Section 2.08(c) or Section 2.18(b) or 2.18(c) or any other provision of this Agreement requiring the ratable reduction of Commitments or the ratable sharing of payments or (ii) require the consent of all Lenders or all affected Lenders under Section 9.02(b).

(f) The Borrower, the Administrative Agent and the Consenting Lenders may enter into an amendment to this Agreement to effect such modifications as may be necessary to reflect the terms of any Maturity Date Extension Request that has become effective in accordance with the provisions of this Section.

(g) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

SECTION 2.23. Refinancing Facilities. (a) The Borrower may, on one or more occasions, by written notice to the Administrative Agent, obtain Refinancing Term Loan Indebtedness. Each such notice shall specify the date (each, a "Refinancing Effective Date") on which the Borrower proposes that such Refinancing Term Loan Indebtedness shall be made, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent; provided that:

(i) no Event of Default of the type set forth in Section 7.01(a), (b), (h) (with respect to the Borrower) or (i) (with respect to the Borrower) shall have occurred and be continuing;

(ii) substantially concurrently with the incurrence of such Refinancing Term Loan Indebtedness, the Borrower shall repay or prepay then outstanding Term Borrowings of the applicable Class made to the Borrower (together with any accrued but unpaid interest thereon and any prepayment premium with

respect thereto) in an aggregate principal amount equal to the Net Proceeds of such Refinancing Term Loan Indebtedness, and any such prepayment of Term Borrowings of such Class shall be applied to reduce the subsequent scheduled repayments of Term Borrowings of such Class to be made pursuant to Section 2.09(a) ratably,

(iii) such notice shall set forth, with respect to the Refinancing Term Loan Indebtedness established thereby in the form of Refinancing Term Loans, to the extent applicable, the following terms thereof: (a) the designation of such Refinancing Term Loans as a new "Class" for all purposes hereof, (b) the stated termination and maturity dates applicable to the Refinancing Term Loans of such Class, (c) amortization applicable thereto and the effect thereon of any prepayment of such Refinancing Term Loans, (d) the interest rate or rates applicable to the Refinancing Term Loans of such Class, (e) the fees applicable to the Refinancing Term Loans of such Class, (f) any original issue discount applicable thereto, (g) the initial Interest Period or Interest Periods applicable to Refinancing Term Loans of such Class and (h) any voluntary or mandatory commitment reduction or prepayment requirements applicable to Refinancing Term Loans of such Class (which prepayment requirements may provide that such Refinancing Term Loans may participate in any mandatory prepayment on a pro rata basis with any Class of existing Term Loans, but may not provide for prepayment requirements that are materially more favorable to the Lenders holding such Refinancing Term Loans than to the Lenders holding such Class of Term Loans) and any restrictions on the voluntary or mandatory reductions or prepayments of Refinancing Term Loans of such Class, and

(iv) such Refinancing Term Loan Indebtedness will, to the extent secured, rank pari passu or junior in right of payment and of security with the other Loans and Commitments hereunder on the terms set out in an Acceptable Intercreditor Agreement.

(b) Any Lender or any other Eligible Assignee approached by the Borrower to provide all or a portion of the Refinancing Term Loan Indebtedness may elect or decline, in its sole discretion, to provide any Refinancing Term Loan Indebtedness.

(c) Any Refinancing Term Loans shall be established pursuant to a Refinancing Facility Agreement executed and delivered by the Borrower, each Refinancing Term Lender providing such Refinancing Term Loan and the Administrative Agent, which shall be consistent with the provisions set forth in clause (a) above (but which shall not require the consent of any other Lender). Each Refinancing Facility Agreement shall be binding on the Lenders, the Loan Parties and the other parties hereto and may effect amendments to the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect provisions of this Section, including any amendments necessary to treat such Refinancing Term Loans as a new "Class" of loans hereunder. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Facility Agreement.

(d) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

ARTICLE III

Representations and Warranties

The Borrower (with respect to itself and, where applicable, the Restricted Subsidiaries) represents and warrants to the Administrative Agent, each of the Issuing Banks and each of the Lenders that:

SECTION 3.01. Organization; Powers. Each of the Borrower and the Restricted

Subsidiaries (a) is duly organized, validly existing and, to the extent that such concept is applicable in the relevant jurisdiction, in good standing (to the extent such concept exists in the relevant jurisdictions) under the laws of the jurisdiction of its organization (except, in the case of any Restricted Subsidiary, to the extent the failure to be so could not (either individually or in the aggregate) reasonably be expected to result in a Material Adverse Effect), (b) has the corporate or other organizational power and authority to carry on its business as now conducted, to execute, deliver and perform its obligations under this Agreement and each other Loan Document and (c) except where the failure to be so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and, to the extent that such concept exists in the relevant jurisdiction, is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02. Authorization; Due Execution and Delivery; Enforceability.

This Agreement has been duly authorized, executed and delivered by the Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of the Borrower or such Loan Party, as applicable, enforceable against such Person in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03. Governmental Approvals; No Conflicts. SECTION 5.08. [Reserved].

SECTION 5.09. Books and Records; Inspection and Audit Rights. The Borrower will, and will cause each of its Restricted Subsidiaries to keep proper books of record and accounts in which full, true and correct entries, in conformity with GAAP and all

Requirements of Law are made of all dealings and transactions in relation to its business and activities. The Borrower will, and will cause each of its Restricted Subsidiaries to, permit any representatives designated by the Administrative Agent or any Lender, upon at least 3 Business Days' notice, to visit and inspect its properties, to examine and make extracts from its books and records, to discuss its affairs, finances and condition with its officers and independent accountants; provided that, unless an Event of Default shall have occurred and be continuing, the Borrower shall be provided an opportunity to participate in any such discussions with such accountants, all at such reasonable times during regular office hours but no more often than one (1) time during any calendar year absent the existence of an Event of Default; provided that excluding any such visits and inspections during the continuation of an Event of Default, only the Administrative Agent on behalf of the Lenders may exercise visitation and inspection rights of the Administrative Agent and the Lenders under this Section; provided, further that none of the Borrower or any Restricted Subsidiary will be required to disclose, permit the inspection, examination or making copies or abstracts of, or discussion of, any document, information or other matter (i) that constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure to the Administrative Agent or any Lender (or their respective representatives or contractors) is prohibited by Requirement of Law or any binding agreement (not created in contemplation thereof) or (iii) that is subject to attorney-client or similar privilege or constitutes attorney work product.

SECTION 5.10. Compliance with Laws. The Borrower will, and will take reasonable action to cause each of its Restricted Subsidiaries to, comply with all Requirements of Law (including ERISA, Environmental Laws and the USA PATRIOT Act) with respect to it or its property, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 5.11. Use of Proceeds; Letters of Credit. (a) The proceeds of the Term Loans, together with cash on hand, will be used solely for (i) the payment of fees and expenses payable in connection with the Transactions, (ii) the Refinancing and (iii) general corporate purposes. On the Closing Date, the proceeds of the Revolving Loans will be used for working capital and other general corporate purposes of the Restricted Group. Thereafter, the proceeds of the Revolving Loans, as well as the proceeds of any Incremental Extension of Credit (unless otherwise provided in the applicable Incremental Facility Amendment) will be used for working capital and other general corporate purposes, including acquisitions and other Investments and Restricted Payments permitted by this Agreement, of the Borrower and the Restricted Subsidiaries. No part of the proceeds of any Loan will be used in violation of the representation set forth in Section 3.10. Letters of Credit will be used by the Borrower and the Restricted Subsidiaries for general corporate purposes.

(b) The Borrower will not request any Borrowing or any Letter of Credit, and the Borrower shall not use, and shall procure that its Subsidiaries and its or their respective directors, officers and employees shall not use, the proceeds of any Borrowing or Letter of Credit (A) in furtherance of an offer, payment, promise to pay or authorization of the payment or giving of money, or anything else of value, to any Person in material violation of any Anti-Corruption Laws by the Borrower or any of its Subsidiaries, (B) for the purpose of funding, financing or facilitating any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, except to the extent permitted for a Person required to comply with Sanctions, or (C) in any manner that would result in the violation of any Sanctions applicable to any party hereto.

SECTION 5.12. Additional Subsidiaries. (a) If any additional Subsidiary (other than any Excluded Subsidiary) is formed or acquired or if any Subsidiary ceases to be an Excluded Subsidiary or becomes a Designated Subsidiary, in each case after the Closing Date, the Borrower will, as promptly as practicable and, in any event, within 90 days (or such longer period as the Administrative Agent, acting reasonably, may agree to in writing (including electronic mail)) after such Subsidiary is formed or acquired or ceases to be an Excluded Subsidiary or becomes a Designated Subsidiary, notify the Administrative Agent thereof and, to the extent applicable, cause the Collateral and Guarantee Requirement to be satisfied with respect to such Subsidiary (and any Material Real Property owned by such Subsidiary) and with respect to any Equity Interest in or Indebtedness of such Subsidiary owned by or on behalf of any Loan Party and such other documents, certificates and opinions consistent with those delivered pursuant to Sections 4.01(b) and (c) that the Administrative Agent may reasonably request with respect to such Subsidiary.

(b) The Borrower may designate by writing to the Administrative Agent any wholly owned Restricted Subsidiary that is a U.S. Subsidiary and otherwise an Excluded Subsidiary as a Designated Subsidiary (each such Restricted Subsidiary, a "Designated Subsidiary").

SECTION 5.13. Further Assurances. (a) The Borrower will, and will cause each of its Subsidiaries that is a Loan Party to, execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, mortgages, deeds of trust and other documents, and the recording of instruments in the United States Patent and Trademark Office and the United States Copyright Office), that may be required under any applicable law, or that the Administrative Agent or the Required Lenders may reasonably request, to cause the Collateral and Guarantee Requirement to be and remain satisfied and are necessary in the applicable jurisdiction in order for Liens in the Collateral to remain perfected, all at the expense of the Loan Parties. Notwithstanding anything contained in this Agreement, no Mortgage shall be executed and delivered to the Administrative Agent with respect to any real property located in an area identified by the Federal Emergency Management Agency (or any successor agency) as a "special flood hazard area" with respect to which flood insurance has been made available under Flood Insurance Laws unless and until each Lender has received, at least 30 calendar days prior to such execution and delivery, a "Life-of-Loan" Federal Emergency Management Agency Standard Flood Hazard Determination (together with a notice about special flood hazard area status and flood disaster assistance duly executed by the Borrower and each applicable mortgagor relating thereto) (provided, that in no event shall the Borrower be required to deliver more than one flood determination to the Lenders as a whole) and each such lender has confirmed to the Administrative Agent that flood insurance due diligence and flood insurance compliance has been completed to its reasonable satisfaction (such written confirmation not to be unreasonably withheld or delayed); provided however that the time period for execution and delivery of any such Mortgage (and any related documents pursuant to the Collateral and Guarantee Requirement) by the applicable Loan Party shall, to the extent necessary, be automatically extended to the date on which the Administrative Agent is permitted under this Section to enter into such Mortgage.

(b) If any material assets (other than Excluded Property) including any Material Real Property, or any IP Rights (other than Excluded Property) are acquired by a Loan Party after the Closing Date (other than assets constituting Collateral under the applicable Security Document that become subject to the Lien created by such Security Document upon acquisition thereof), the Borrower will notify the Administrative Agent and the Lenders thereof, and, if

requested by the Administrative Agent or the Required Lenders, the Borrower will cause such assets to be subjected to a Lien securing the Obligations and will, subject to the Collateral and Guarantee Requirement, take, and cause the Loan Parties to take, such actions as shall be necessary to grant and perfect such Liens, including actions described in paragraph (a) of this Section, and otherwise cause the Collateral and Guarantee Requirement to be satisfied, all at the expense of the Loan Parties.

(c) Notwithstanding anything herein to the contrary, with respect to pledges of, or grants of security interests in, assets acquired by a Loan Party after the Closing Date (including Equity Interests of newly-acquired Restricted Subsidiaries) or that cease to be Excluded Property after the Closing Date, the Loan Parties shall have the timeframe set forth in the definition of "Collateral and Guarantee Requirement", or provided for in the Collateral Agreement or other applicable Security Document, or if no timeframe is so provided, ninety (90) days (or such longer period as agreed by the Administrative Agent, acting reasonably) after the date of such acquisition (or after the date such assets cease to be Excluded Property) to comply with the requirements of clauses (a) and (b) above.

SECTION 5.14. Credit Ratings. The Borrower will use commercially reasonable efforts to cause the credit facilities made available under this Agreement to be continuously rated by S&P and Moody's (but not any particular rating). The Borrower will use commercially reasonable efforts to maintain a corporate rating (but not any particular rating) from S&P and a corporate family rating (but not any particular rating) from Moody's, in each case, in respect of the Borrower.

SECTION 5.15. Post-Closing Date Matters. As promptly as practicable, and in any event within the time period specified in Schedule 5.15 (or such longer period as the Administrative Agent, acting reasonably, may agree to in writing), after the Closing Date, (i) the Borrower shall, and shall cause each of its subsidiaries that is a Loan Party to, deliver all Mortgages that are required to be delivered pursuant to, and otherwise satisfy, the Collateral and Guarantee Requirement (if any), except to the extent otherwise agreed by the Administrative Agent pursuant to its authority as set forth in the definition of the term "Collateral and Guarantee Requirement" and (ii) the Borrower shall deliver, or cause to be delivered, the items specified in Schedule 5.15 hereof or complete such undertakings described on Schedule 5.15 hereof, if any, on or before the dates specified with respect to such items, or such later dates as may be agreed to by, or as may be waived by, the Administrative Agent in its reasonable discretion.

SECTION 5.16. [Reserved].

SECTION 5.17. Designation of Subsidiaries. The Borrower may at any time designate any Restricted Subsidiary as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary; provided that (a) immediately before and after such designation, no Default or Event of Default shall have occurred and be continuing or would result from such designation and (b) no Subsidiary may be designated as an Unrestricted Subsidiary if it (i) is a "restricted subsidiary" or a "guarantor" (or any similar designation) for the Existing Senior Notes or any Material Indebtedness that is subordinated in right of payment to the Obligations, (ii) holds any IP Rights that are material to the operation of the business of the Borrower and the Restricted Subsidiaries or (iii) holds any Equity Interests in any Restricted Subsidiary. The designation of any Subsidiary as an Unrestricted Subsidiary shall constitute an Investment by the parent company of such Subsidiary therein under Section 6.04(u) at the date of designation in an amount equal to the fair market value of such parent company's investment therein. The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute (i) the

incurrence at the time of designation of any Indebtedness or Liens of such Subsidiary, and the making of an Investment by such Subsidiary in any Investments of such Subsidiary, in each case existing at such time, and (ii) a return on any Investment in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the fair market value at the date of such designation of the Borrower's or its Subsidiary's (as applicable) Investment in such Subsidiary.

(d) Notwithstanding anything herein to the contrary, no Foreign Subsidiary shall Guarantee any Material Indebtedness of the Borrower or any U.S. Subsidiary that is a Loan Party

unless substantially contemporaneously with the incurrence of such Guarantee such Foreign Subsidiary shall Guarantee the Obligations pursuant to documentation reasonably acceptable to the Administrative Agent.

renewals, replacements and refinancings thereof so long as the principal amount of such extensions, renewals and replacements does not exceed the principal amount of the obligations being extended, renewed or replaced or, in the case of any such obligations constituting Indebtedness, that are permitted under Section 6.01(a)(xxiv) as Refinancing Indebtedness in respect of Indebtedness permitted under Section 6.01(a)(vii);

(v) Liens on fixed or capital assets acquired, constructed, repaired, replaced or improved (including any such assets made the subject of a Capital Lease Obligation incurred) by the Borrower or any Restricted Subsidiary; provided that (A) such Liens secure Indebtedness incurred to finance such acquisition, construction, repair, replacement or improvement and permitted by clause (vi) of Section 6.01(a) or any Refinancing Indebtedness in respect thereof permitted by clause (xxiv) of Section 6.01(a), (B) such Liens and the Indebtedness secured thereby are incurred prior to or within 270 days after such acquisition or the completion of such construction, repair, replacement or improvement (provided that this clause (B) shall not apply to any Refinancing Indebtedness permitted by clause (xxiv) of Section 6.01(a) or any Lien securing such Refinancing Indebtedness), (C) the Indebtedness secured thereby does not exceed the cost of acquiring, constructing, repairing, replacing or improving such fixed or capital asset and in any event, the aggregate principal amount of such Indebtedness does not exceed the amount permitted under the second proviso of Section 6.01(a)(vi) at any time outstanding and (D) such Liens shall not apply to any other property or assets of the Borrower or any Restricted Subsidiary (except assets financed by the same financing source in the ordinary course of business and after-acquired property that is affixed or incorporated into the asset(s) covered by such Lien or financed by Indebtedness permitted under Section 6.01(a)(vi));

(vi) the Borrower may make cash payments in lieu of the issuance of fractional shares in connection with the exercise or settlement of any warrants or other option or forward contract with respect to the Borrower's capital stock or the conversion or exchange of Convertible Indebtedness or other securities convertible into or exchangeable for Equity Interests in the Borrower;

(vii) the Borrower may repurchase Equity Interests upon the exercise of stock options if such Equity Interests represent a portion of the exercise price of such stock options (and related redemption or cancellation of shares for payment of taxes or other amounts relating to the exercise under such stock option or other benefit plans);

(viii) concurrently with any issuance of Qualified Equity Interests, the Borrower may redeem, purchase or retire any Equity Interests of the Borrower using the proceeds of, or convert or exchange any Equity Interests of the Borrower for, such Qualified Equity Interests;

(ix) the Borrower may make cash payments in connection with any conversion or exchange of Convertible Indebtedness in amount equal to the sum of (i) the principal amount of such Convertible Indebtedness and (ii) the proceeds of any payments received by the Borrower or any of its Restricted Subsidiaries pursuant to the exercise, settlement or termination of any related Permitted Bond Hedge Transaction;

(x) the Borrower may make payments in connection with a Permitted Bond Hedge Transaction and the settlement of any related Permitted Warrant Transaction (i) by delivery of shares of the Borrower's Equity Interests upon net share settlement thereof or (ii) by (A) set-off against the related Permitted Bond Hedge Transaction and (B) payment of an early termination amount thereof in common Equity Interests of the Borrower upon any early termination thereof;

(xi) the Borrower may declare and make Restricted Payments in an aggregate amount not to exceed, at the time such Restricted Payments are made and after giving effect thereto, the sum of (A) ~~\$50,000,000~~150,000,000 plus (B) the Available Amount at such time; provided that the Borrower may only make Restricted Payments under this clause (xi) if (x) no Event of Default has occurred and is continuing (or would result therefrom) and (y) after giving effect thereto on a Pro Forma Basis, the Borrower would be in compliance with Sections 6.12 and 6.13; and

(xii) (i) any non-cash repurchases or withholdings of Equity Interests in connection with the exercise of stock options, warrants or similar rights if such Equity Interests represent a portion of the exercise of, or withholding obligations with respect to, such options, warrants or similar rights (for the avoidance of doubt, it being understood that any required withholding or similar tax related thereto may be paid by the Borrower or any Restricted Subsidiary in

cash), and (ii) loans or advances to officers, directors and employees of the Borrower or any Restricted Subsidiary in connection with such Person's purchase of Equity Interests of the Borrower, provided that no cash is actually advanced pursuant to this clause (ii) other than to pay taxes due in connection with such purchase, unless immediately repaid.

(b) The Borrower will not, nor will the Borrower permit any Restricted Subsidiary to, prepay, redeem, purchase or otherwise satisfy any Indebtedness that is subordinated in right of payment to the Obligations (excluding, for the avoidance of doubt, any subordinated obligations owing to the Borrower or any Restricted Subsidiary) (collectively, "Restricted Debt Payments"), except for:

(i) payments of Indebtedness created under this Agreement or any other Loan Document;

(ii) regularly scheduled interest and principal payments as and when due in respect of any such Indebtedness, other than payments in respect of such Indebtedness prohibited by the subordination provisions thereof;

(iii) refinancings of Indebtedness with the proceeds of other Indebtedness permitted under Section 6.01;

(iv) payments of or in respect of Indebtedness in an amount equal to, at the time such payments are made and after giving effect thereto, the Available Amount at such time; provided that (x) no Default or Event of Default shall have occurred and be continuing (or would result therefrom) and (y) after giving effect thereto on a Pro Forma Basis, the Borrower would be in compliance with Sections 6.12 and 6.13;

(v) Restricted Debt Payments so long as, after giving effect thereto, the Consolidated Total Leverage Ratio does not exceed ~~2.50:1.00~~ 3.00:1.00;

(vi) payments required by the terms of the relevant Indebtedness, which terms are designed to ensure such instrument would not be treated, at issuance, as an "applicable high yield discount obligation" within the meaning of Section 163(i) of the Code; and

(vii) the conversion of such Indebtedness to, or exchange of such Indebtedness for, Qualified Equity Interests of the Borrower.

For purposes of this Section, if any Restricted Payment (or a portion thereof) would be permitted pursuant to one or more provisions described above and/or one or more of the exceptions contained in this Section, the Borrower and the Restricted Subsidiaries may divide and classify such Restricted Payment (or a portion thereof) in any manner that complies with this covenant.

SECTION 6.09. Transactions with Affiliates. The Borrower will not, nor will the Borrower permit any Restricted Subsidiary to, sell, lease or otherwise transfer any assets to, or purchase, lease or otherwise acquire any assets from, or otherwise engage in any other transactions involving aggregate consideration in excess of \$20,000,000 with, any of its Affiliates, except (i) transactions that are at prices and on terms and conditions not less favorable to the Borrower or such Restricted Subsidiary, taken as a whole, than could be obtained on an

arm's-length basis from unrelated third parties, (ii) transactions (A) between or among the Loan Parties not involving any other Affiliate or (B) between or among Restricted Subsidiaries that are not Loan Parties, (iii) Restricted Payments permitted under Section 6.08 and Investments in Subsidiaries (and in any other Person that is an Affiliate of the Borrower solely by virtue of the Borrower owning, directly or indirectly through one or more Subsidiaries, Equity Interests in such Person and Controlling such person) permitted under Section 6.04 and any other transaction involving the Borrower and the Restricted Subsidiaries permitted under Section 6.03 to the extent such transaction is between the Borrower and one or more Restricted Subsidiaries or between two or more Restricted Subsidiaries and Section 6.05 (to the extent such transaction is not required to be for fair value thereunder), (iv) the payment of reasonable fees to directors of the Borrower or any Restricted Subsidiary who are not employees of the Borrower or any Restricted Subsidiary, and compensation and employee benefit arrangements paid to, and indemnities provided for the benefit of, directors, officers, consultants or employees of the Borrower or the Restricted Subsidiaries in the ordinary course of business, (v) any issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment agreements, stock options and stock ownership plans approved by the Borrower's board of directors, (vi) employment and severance arrangements entered into in the ordinary course of business between the Borrower or any Restricted Subsidiary and any employee thereof and approved by the Borrower's board of directors, and (vii) payments made to other Restricted Subsidiaries arising from or in connection with any customary tax consolidation and grouping arrangements.

SECTION 6.10. Restrictive Agreements. The Borrower will not, nor will the Borrower permit any Restricted Subsidiary to enter into or permit to exist any agreement or other arrangement that prohibits, restricts or imposes any condition upon (a) the ability of the Borrower or any Restricted Subsidiary to create, incur or permit to exist any Lien upon any of its assets that are Collateral or required to be Collateral to secure the Obligations or (b) the ability of any Restricted Subsidiary that is not a Loan Party to pay dividends or other distributions with respect to any of its Equity Interests, to make or repay loans or advances to the Borrower or any Loan Party or to transfer any of its properties or assets to the Borrower or any Loan Party; provided that the foregoing shall not apply to (A) restrictions and conditions imposed by law or by this Agreement, any Loan Document, any Incremental Facility Amendment, any Refinancing Facility Agreement, any document governing any Refinancing Term Loan Indebtedness or Refinancing Indebtedness or any document governing Alternative Incremental Facility Debt, (B) restrictions and conditions imposed by the Existing Senior Notes Documents as in effect on the Closing Date or any agreement or document evidencing other Indebtedness permitted under clause (ii) of Section 6.01(a); provided that the restrictions and conditions contained in any such agreement or document taken as a whole are not materially less favorable (as determined by the Borrower in good faith) to the Lenders than the restrictions and conditions imposed by the Existing Senior Notes Documents or restrictions otherwise customary for the relevant type of Indebtedness (which may be in the form of "high-yield-style" notes or term loans), (C) in the case of any Restricted Subsidiary that is not a wholly owned Restricted Subsidiary, restrictions and conditions imposed by its organizational documents or any related joint venture or similar agreements; provided that such restrictions and conditions apply only to such Restricted Subsidiary and to the Equity Interests of such Restricted Subsidiary, (D) customary restrictions and conditions (as determined by the Borrower in good faith) contained in agreements relating to the sale of a Restricted Subsidiary or any assets of the Borrower or any Restricted Subsidiary, in each case pending such sale; provided that such restrictions and conditions apply only to such Restricted Subsidiary or the assets that are to be sold and, in each case, such sale is permitted hereunder, (E) restrictions and conditions existing on the Closing Date and identified on Schedule 6.10 (and any extension or renewal of, or any amendment, modification or replacement

of the documents set forth on such schedule that do not expand the scope of, any such restriction or condition in any material respect), (F) restrictions and conditions imposed by any agreement relating to Indebtedness of any Restricted Subsidiary in existence at the time such Restricted Subsidiary became a Restricted Subsidiary and otherwise permitted by clause (vii) of Section 6.01(a) or to any restrictions in any Indebtedness of a non-Loan Party Restricted Subsidiary permitted by clause (viii) or clause (xix) of Section 6.01(a), in each case if such restrictions and conditions apply only to such Restricted Subsidiary and its subsidiaries, (G) customary prohibitions, restrictions and conditions (as determined by the Borrower in good faith) contained in agreements relating to a Permitted Receivables Facility, (H) any encumbrance or restriction under documentation governing other Indebtedness of the Borrower and any Restricted Subsidiaries permitted to be incurred pursuant to Section 6.01, provided that such encumbrances or restrictions will not materially impair (as determined by the Borrower in good faith) (1) the Borrower's ability to make principal and interest payments hereunder or (2) the ability of the Loan Party to provide any Lien upon any of its assets that are Collateral or required to be Collateral, (I) customary provisions in leases, licenses, sublicenses and other contracts (including non-exclusive licenses and sublicenses of intellectual property) restricting the assignment thereof, (J) restrictions imposed by any agreement relating to secured Indebtedness or other Liens permitted by this Agreement to the extent such restriction applies only to the property securing such Indebtedness or covered by such Liens, (K) restrictions on cash (or Permitted Investments) or other deposits imposed by agreements entered into in the ordinary course of business (or other restrictions on cash or deposits subject to or constituting Permitted Encumbrances), (L) customary restrictions contained in leases, subleases, licenses, sublicenses or asset sale agreements otherwise permitted hereby so long as such restrictions relate only to the assets subject thereto, (M) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of the Borrower or any Restricted Subsidiary and (N) customary net worth provisions contained in real property leases entered into by Subsidiaries, so long as the Borrower has determined in good faith that such net worth provisions would not reasonably be expected to impair the ability of the Borrower and its Subsidiaries to meet their ongoing obligations.

SECTION 6.11. Amendment of Material Documents, Etc. The Borrower will not, nor will the Borrower permit any of its Restricted Subsidiaries to, amend, modify or waive its certificate of incorporation, bylaws or other organizational documents, if the effect of such amendment, modification or waiver would be materially adverse to the Lenders without the consent of the Required Lenders.

SECTION 6.12. Consolidated Adjusted Interest Coverage Ratio. The Borrower will not permit the Consolidated Adjusted Interest Coverage Ratio as of the end of any fiscal quarter of the Borrower ending on or after the Closing Date, in each case for any period of four consecutive fiscal quarters of the Borrower ending on the last day of such fiscal quarter, to be less than 2.75 to 1.00.

The provisions of this Section are solely for the benefit of the Revolving Lenders, the Tranche A Term Lenders and the Incremental Tranche B Term Lenders and, unless otherwise provided in any Incremental Facility Amendment, not for the benefit of any lenders providing any other Incremental Facility. Notwithstanding the provisions of Section 9.02, the Required Covenant Lenders may (i) amend or otherwise modify this Section or, solely for the purposes of this Section, the defined terms used, directly or indirectly, therein, or (ii) waive any non-compliance with Section 6.12 or any Event of Default resulting from such non-compliance, in each case without the consent of any other Lenders.

SECTION 6.13. Consolidated Adjusted Total Leverage Ratio. The Borrower will not permit the Consolidated Adjusted Total Leverage Ratio for any period of four consecutive fiscal quarters of the Borrower ending on or about any date during any period set forth below, to exceed the ratio set forth below opposite such period:

<u>Fiscal Quarter Ending</u>	<u>Consolidated Adjusted Total Leverage Ratio</u>
December 31, 2019	4.25 to 1.00

The provisions of this Section are solely for the benefit of the Revolving Lenders, the Tranche A Term Lenders and the Incremental Tranche B Term Lenders and, unless otherwise provided in any Incremental Facility Amendment, not for the benefit of any lenders providing any other Incremental Facility. Notwithstanding the provisions of Section 9.02, the Required Covenant Lenders may (i) amend or otherwise modify this Section or, solely for the purposes of this Section, the defined terms used, directly or indirectly, therein, or (ii) waive any non-compliance with this Section or any Event of Default resulting from such non-compliance, in each case without the consent of any other Lenders.

Notwithstanding the foregoing, following the completion of a Permitted Acquisition involving aggregate consideration in excess of \$100,000,000 (a "Material Acquisition") that, on a pro forma basis would result in an increase in the Consolidated Adjusted Total Leverage Ratio, if the Borrower shall so elect by a notice delivered to the Administrative Agent within 30 days following such completion (a "Total Leverage Increase Election"), the applicable maximum Consolidated Adjusted Total Leverage Ratio set forth above with respect to each four-fiscal quarter period ending within 18 months following the completion of such Material Acquisition shall be increased by 0.50 to 1.00 (the period during which any such increase in the Consolidated Adjusted Total Leverage Ratio shall be in effect being called a "Total Leverage Increase Period"). The Borrower may terminate any Total Leverage Increase Period by a notice delivered to the Administrative Agent whereupon, on the last day of the fiscal quarter during which such notice was given and on the last day of each fiscal quarter thereafter until another Total Leverage Increase Period has commenced as provided in this paragraph, the maximum Consolidated Adjusted Total Leverage Ratio shall be the applicable ratio set forth above. If a Total Leverage Increase Election shall have been made in accordance with the terms of this paragraph, the Borrower may not make another Total Leverage Increase Election until a period of least one fiscal quarter during which a Total Leverage Increase Period is

not in effect shall have occurred following the termination or expiration of the most recent prior Total Leverage Increase Period.

SECTION 6.14. Changes in Fiscal Periods. The Borrower will not make any change in fiscal year; provided, however, that the Borrower may, upon written notice to the Administrative Agent, change its fiscal year to any other fiscal year reasonably acceptable to the Administrative Agent, in which case the Borrower and the Administrative Agent will, and are hereby authorized by the Lenders, to make any adjustments to this Agreement that are necessary to reflect such change in fiscal year.

ARTICLE VII

Events of Default

SECTION 7.01. Events of Default. If any of the following events (each such event, an “Event of Default”) shall occur:

(a) the Borrower shall fail to pay any principal of any Loan or any reimbursement obligation in respect of any LC Disbursement when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or otherwise;

(b) the Borrower shall fail to pay any interest on any Loan or any fee or any other amount (other than an amount referred to in clause (a) of this Section) payable under this Agreement or any other Loan Document, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of five Business Days;

(c) any representation or warranty made or deemed made by or on behalf of the Borrower or any Restricted Subsidiary in this Agreement or any other Loan Document, or in any report, certificate or financial statement furnished pursuant to or in connection with this Agreement or any other Loan Document, shall prove to have been incorrect in any material respect when made or deemed made and, to the extent capable of being cured, such incorrect representation or warranty shall remain incorrect for a period of 30 days following written notice thereof from the Administrative Agent to the Borrower;

(d) the Borrower shall fail to observe or perform any covenant, condition or agreement contained in Section 5.02(a), 5.04 (with respect to the existence of the Borrower), 5.11 or Article VI; provided that, unless otherwise provided in any Incremental Facility Amendment, any failure to comply with Section 6.12 or 6.13 shall not constitute an Event of Default with respect to any Incremental Loans (other than the Incremental Tranche B Term Loans) unless and until the Administrative Agent or the Required Covenant Lenders shall have terminated the Revolving Commitments or exercised remedies with respect to outstanding Revolving Loans, Tranche A Term Loans or Incremental Tranche B Term Loans pursuant to this Article VII;

(e) any Loan Party shall fail to observe or perform any covenant, condition or agreement contained in this Agreement or any other Loan Document (other than those specified in clause (a), (b) or (d) of this Section), and such failure shall continue unremedied for a period of 30 days after written notice thereof from the Administrative Agent or any Lender to the Borrower;

(f) the Borrower or any Restricted Subsidiary shall fail to make any payment (whether of principal, interest, premium or otherwise and regardless of amount) in respect of any Material Indebtedness when and as the same shall become due and payable (after giving effect to any applicable grace period under the documentation representing such Material Indebtedness);

(g) any event or condition occurs that results in any Material Indebtedness becoming due or being terminated or required to be prepaid, repurchased, redeemed or defeased prior to its scheduled maturity or that enables or permits (with all applicable grace periods in respect of such event or condition under the documentation representing such Material Indebtedness having expired); the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf, or, in the case of any Hedging Agreement, the applicable counterparty, to cause any Material Indebtedness to become due, or to terminate or require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; provided that this clause (g) shall not apply to (v) any secured Indebtedness that becomes due as a result of the voluntary sale, transfer or other disposition (including as a result of a casualty or condemnation event) of the assets securing such Indebtedness (to the extent such sale, transfer or other disposition is not prohibited under this Agreement), (w) any Indebtedness permitted by this Agreement that becomes due or required to be repurchased or offered to be repurchased as a result of the voluntary sale, transfer or other disposition (including as a result of a casualty or condemnation event) of assets of the Restricted Group pursuant to customary asset sale offer or asset sale prepayment provisions applicable to such Indebtedness (so long as the relevant sale, transfer or other disposition is not prohibited under this agreement or under the Agreement governing such other Indebtedness and the requirements of Section 2.11(c) have been or are being satisfied in connection therewith), (x) any Indebtedness that becomes due as a result of a voluntary refinancing thereof permitted under Section 6.01, (y) any conversion of, or trigger of conversion rights with respect to, any Convertible Indebtedness in accordance with its terms (whether or not such conversion is to be settled in cash or capital stock or a combination thereof) unless such conversion results from any event of default thereunder or a “change of control”, “fundamental change” or similar occurrence thereunder or (z) termination events or similar events occurring under any Hedging Agreement (other than a termination event or similar event as to which the Borrower or any of its Restricted Subsidiaries is the defaulting party) that constitutes Material Indebtedness (it being understood that paragraph (f) of this Section will apply to any failure to make any payment required as a result of such termination or similar event);

(h) except as otherwise provided in Section 7.02, (i) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (A) liquidation, reorganization or other relief in respect of the Borrower or any Restricted Subsidiary or its debts, or of a substantial part of its assets, under any Federal, State or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (B) the appointment of a receiver, trustee, custodian, sequestrator, conservator, liquidator, administrative receiver, administrator, receiver and manager or similar official for the Borrower or any Restricted Subsidiary or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered or (ii) the Borrower or any Loan Party that is a Material Subsidiary (A) admits publicly its inability to pay its debts as they fall due or (B) has a moratorium declared in relation to any of its Indebtedness;

(i) except as otherwise provided in Section 7.02, the Borrower or any Restricted Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation (other than any liquidation permitted under Section 6.03(a)(iv)), reorganization or other relief

(j) [reserved];

(k) one or more judgments for the payment of money in an aggregate amount in excess of \$75,000,000 (other than any such judgment covered by insurance (other than under a self-insurance program) to the extent a claim therefor has been made in writing and liability therefor has not been denied by the insurer) shall be rendered against the Borrower, any Restricted Subsidiary or any combination thereof and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Borrower or any Restricted Subsidiary that are material to the business and operations of the Borrower or any Restricted Subsidiary, taken as a whole, to enforce any such judgment;

(l) an ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred and are continuing and remain uncured, would reasonably be expected to result in a Material Adverse Effect;

(m) any Lien purported to be created under any Security Document shall cease to be, or shall be asserted by any Loan Party not to be, a valid and perfected Lien on any material portion of the Collateral, with the priority required by the applicable Security Document, except as a result of (i) permission under any Loan Document (including the sale or other disposition of the applicable Collateral in a transaction permitted under the Loan Documents), (ii) the release thereof as provided in Section 9.14, (iii) the Administrative Agent's failure to (A) maintain possession of any stock certificate, promissory note or other instrument delivered to it under any Security Document or (B) file Uniform Commercial Code continuation statements (or equivalent statements in any other relevant jurisdiction) or (iv) as to Collateral consisting of Mortgaged Property, to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage;

(n) any material Security Document shall cease to be, or shall be asserted by any Loan Party not to be a legal, valid and binding obligation of any Loan Party party thereto, except as expressly permitted hereunder or thereunder or as a result of the release thereof as provided in the applicable Loan Document or Section 9.14;

(o) any Guarantee purported to be created under any Loan Document shall cease to be or shall be asserted by any Loan Party not to be, in full force and effect, except as in accordance with the terms of the Loan Documents (including a result of the release thereof as provided in the applicable Loan Document or Section 9.14); or

(p) a Change in Control shall occur;

then, and in every such event (other than an event with respect to the Borrower described in clause (h) or (i) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the

Borrower, take any or all of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, (ii) declare the Loans then outstanding to be due and payable in whole (or in part (but ratably as among the Classes of Loans and the Loans of each Class at such time outstanding), in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower hereunder, shall become due and payable immediately and (iii) require the deposit of cash collateral in respect of LC Exposure as provided in Section 2.05(i), in each case, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in the case of any event with respect to the Borrower described in clause (h) or (i) of this Section, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower hereunder, shall immediately and automatically become due and payable and the deposit of such cash collateral in respect of LC Exposure shall immediately and automatically become due, in each case, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; provided, however, that, unless otherwise provided in any Incremental Facility Amendment, upon the occurrence and during the continuance of any Event of Default attributable to a failure to comply with Section 6.12 or 6.13, (w) actions pursuant to clause (i) may be taken by a Majority in Interest of the Revolving Lenders (excluding any Defaulting Lenders) with respect to the Revolving Loans only (without the requirement for Required Lender action) or by the Administrative Agent at the direction of such Lenders, (x) actions pursuant to clause (ii) with respect to the Tranche A Term Loans may be taken by a Majority in Interest of the Tranche A Term Lenders (excluding any Defaulting Lenders) with respect to the Tranche A Term Loans only (without the requirement for Required Lender action) or by the Administrative Agent at the direction of such Lenders, (y) actions pursuant to clause (ii) with respect to the Incremental Tranche B Term Loans may be taken by Required Covenant Lenders (without the requirement for Required Lender action) or by the Administrative Agent at the direction of such Lenders and (z) only if action has been taken in respect of such Event of Default under clause (i) (with respect to the Revolving Loans) by a Majority in Interest of the Revolving Lenders (excluding any Defaulting Lenders) or by the Administrative Agent at the direction of such Lenders or has been taken in respect of such Event of Default under clause (ii) (with respect to the Tranche A Term Loans or the Incremental Tranche B Term Loans) by a Majority in Interest of the Tranche A Term Lenders or the Required Covenant Lenders, as the case may be (excluding in each case any Defaulting Lenders) or by the Administrative Agent at the direction of such Lenders, then such Event of Default will be deemed to be an Event of Default with respect to any Incremental Facility or Refinancing Term Loans hereunder and the remedies set forth above can be exercised in respect of any such Incremental Facility or Refinancing Term Loans.

SECTION 7.02. Exclusion of Certain Subsidiaries. Solely for the purposes of determining whether a Default has occurred under clause (h) or (i) of Section 7.01, any reference in any such paragraph to any Restricted Subsidiary shall be deemed not to include any Restricted Subsidiary affected by any event or circumstance referred to in such paragraph that is not a Material Subsidiary; provided that (i) if it is necessary to exclude more than one Restricted Subsidiary from clause (h) or (i) of Section 7.01 pursuant to this paragraph in order to avoid a Default, the aggregate consolidated assets of all such excluded Restricted Subsidiaries as of such last day may not exceed 7.5% of the Consolidated Total Assets of the Borrower and the Restricted Subsidiaries and the aggregate consolidated revenues of all such excluded Restricted Subsidiaries for such four fiscal quarter period may not exceed 7.5% of the consolidated

revenues of the Borrower and the Restricted Subsidiaries and (ii) in no circumstance shall the Borrower be excluded from clause (h) of (i) of Section 7.01.

ARTICLE VIII

The Administrative Agent

SECTION 8.01. Appointment and Other Matters.

(a) Each of the Lenders and the Issuing Banks hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors to serve as administrative agent and collateral agent under the Loan Documents and authorizes the Administrative Agent to take such actions and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the United States of America, each of the Lenders and the Issuing Banks hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's or such Issuing Bank's behalf. Without limiting the foregoing, each Lender and each Issuing Bank hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders and the Issuing Banks (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. Without limiting the generality of the foregoing:

(i) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender, Issuing Bank or holder of any other obligation other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term "agent" (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and the transactions contemplated hereby;

(ii) where the Administrative Agent is required or deemed to act as a trustee in respect of any Collateral over which a security interest has been created pursuant to a Loan Document expressed to be governed by the laws of the United States of America, any State thereof or the District of Columbia, the obligations and liabilities of the Administrative Agent to the Secured Parties in

its capacity as trustee shall be excluded to the fullest extent permitted by applicable law;

(iii) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender or Issuing Bank for any sum or the profit element of any sum received by the Administrative Agent for its own account.

(c) The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender or an Issuing Bank as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent. The terms "Issuing Banks", "Lenders", "Required Lenders" and any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity as a Lender, Issuing Bank or as one of the Required Lenders, as applicable. The Person serving as Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders or the Issuing Banks.

(d) The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents); provided that the Administrative Agent shall not be required to take any action that (i) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification satisfactory to it from the Lenders and the Issuing Banks with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided, and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, any Subsidiary or any other Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity.

(e) The Administrative Agent may perform any of and all its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of and all their respective duties and exercise their respective rights and powers by or through their respective Related Parties. The exculpatory provisions of this

Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

(f) In case of the pendency of any proceeding with respect to any Loan Party under any Federal, State or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.16, 2.17 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender, each Issuing Bank and each other Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Issuing Banks or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to, or accept or adopt on behalf of any Lender or Issuing Bank, any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

(g) Notwithstanding anything herein to the contrary, neither the Arrangers nor any Person named on the cover page of this Agreement as a Syndication Agent or a Documentation Agent shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities provided for hereunder.

(h) The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrower or any Subsidiary shall have any rights as a third party beneficiary of any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and the Guarantees of the Obligations provided under the Loan Documents, to have agreed to the provisions of this Article.

SECTION 8.02. Administrative Agent's Reliance, Indemnification, Etc.

(a) Neither the Administrative Agent nor any of its Related Parties shall be (i) liable for any action taken or omitted to be taken by it under or in connection with this Agreement or the other Loan Documents (x) with the consent of or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or (y) in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and nonappealable judgment) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by fax, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of any Loan Party to perform its obligations hereunder or thereunder.

(b) The Administrative Agent shall be deemed not to have knowledge of any (i) notice of any of the events or circumstances set forth or described in Section 5.02 unless and until written notice thereof stating that it is a "notice under Section 5.02" in respect of this Agreement and identifying the specific clause under said Section is given to the Administrative Agent by the Borrower, or (ii) notice of any Default or Event of Default unless and until written notice thereof (stating that it is a "notice of default") is given to the Administrative Agent by the Borrower, a Lender or an Issuing Bank. Further, the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in this Agreement or any other Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of this Agreement or any other Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article IV or elsewhere in this Agreement or any other Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent or (vi) the creation, perfection or priority of Liens on the Collateral. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any loss, cost or expense suffered by the Borrower, any Subsidiary, any Lender or any Issuing Bank as a result of, any determination of the Revolving Exposure or the component amounts thereof or any portion thereof attributable to each Lender or Issuing Bank.

(c) Without limiting the foregoing, the Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 9.04, (ii) may rely on the Register to the extent set forth in Section 9.04(b), (iii) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants

or experts, (iv) makes no warranty or representation to any Lender or Issuing Bank and shall not be responsible to any Lender or Issuing Bank for any statements, warranties or representations made by or on behalf of any Loan Party in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit and (vi) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

SECTION 8.03. Successor Administrative Agent.

(a) Subject to the terms of this paragraph, the Administrative Agent may resign from its capacity as such upon 30 days' notice of its intent to resign to the Lenders, the Issuing Banks and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower (which shall not be unreasonably withheld or delayed), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed by the Borrower and such successor.

(b) Notwithstanding paragraph (a) of this Section, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders, the Issuing Banks and the Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents; provided that, solely for purposes of maintaining any security interest granted to the Administrative Agent under any Security Document for the benefit of the Secured Parties, the retiring Administrative Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties and, in the case of any Collateral in the possession of the Administrative Agent, shall continue to hold such Collateral, in each case until such time as a successor Administrative Agent is appointed and accepts such appointment in accordance with this paragraph (it being understood and agreed that the retiring Administrative Agent shall have no duty or obligation to take any further action under any Security Document, including any action required to maintain the perfection of any such security interest), and (ii) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative

Agent; provided that (A) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall also directly be given or made to each Lender and each Issuing Bank. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent and in respect of the matters referred to in the proviso under clause (i) above.

SECTION 8.04. Acknowledgements of Lenders and Issuing Banks.

(a) Each Lender and each Issuing Bank acknowledges that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and that it has, independently and without reliance upon the Administrative Agent, any Arranger or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Closing Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, this Agreement and each other Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Closing Date.

(c) (i) Each Lender and Issuing Bank hereby agrees that (x) if the Administrative Agent notifies such Lender or Issuing Bank that the Administrative Agent has determined in its sole discretion that any funds received by such Lender or Issuing Bank from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender or Issuing Bank (whether or not known to such Lender or Issuing Bank), and demands the return of such Payment (or a portion thereof), such Lender or Issuing Bank shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent

permitted by applicable law, such Lender or Issuing Bank shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender or Issuing Bank under this Section 8.04(c) shall be conclusive, absent manifest error.

(ii) Each Lender and Issuing Bank hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender and Issuing Bank agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender or Issuing Bank shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party.

(iv) Each party's obligations under this Section 8.04(c) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 8.05. Collateral Matters.

(a) Except (x) with respect to the exercise of setoff rights of any Lender in accordance with Section 9.08 or (y) with respect to a Secured Party's right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms thereof.

(b) In furtherance of the foregoing and not in limitation thereof, no arrangements in respect of Cash Management Services the obligations under which constitute

Secured Cash Management Obligations and no Hedging Agreement the obligations under which constitute Secured Hedging Obligations will create (or be deemed to create) in favor of any Secured Party that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under this Agreement or any other Loan Document. By accepting the benefits of the Collateral, each Secured Party that is a party to any such arrangement in respect of Cash Management Services or any Hedging Agreement shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

(c) The Secured Parties party hereto irrevocably authorize the Administrative Agent, at its option and in its discretion, to release or subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document and any Acceptable Intercreditor Agreement to the holder of any Lien on such property that is permitted by Section 6.02(a)(v). The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

(d) The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the applicable Collateral in satisfaction of some or all of such Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders

contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the applicable Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

(e) The Lenders and the other Secured Parties party hereto hereby irrevocably authorize and instruct the Administrative Agent to, without any further consent of any Lender or any other Secured Party, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify any Acceptable Intercreditor Agreement; provided that the specific consent of counterparties to any Hedging Agreement the obligations under which constitute Secured Hedging Obligations, each provider of Cash Management Services the obligations under which constitute Secured Cash Management Obligations, or each Issuing Bank shall be required for any amendment, renewal, extension, supplement, restatement, replacement or waiver to the extent its rights and obligations solely in its capacity as such are materially adversely affected. The Lenders and the other Secured Parties irrevocably agree that any Acceptable Intercreditor Agreement entered into by the Administrative Agent shall be binding on the Secured Parties, and each Lender and each of the other Secured Parties hereby agrees that it will take no actions contrary to the provisions of an Acceptable Intercreditor Agreement. The foregoing provisions are intended as an inducement to any provider of any Indebtedness not prohibited by Section 6.01 hereof to extend credit to the Loan Parties and such persons are intended third-party beneficiaries of such provisions.

SECTION 8.06. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of the Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of, or

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

(i) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make any Communications by posting such Communication on Debt Domain, IntraLinks, SyndTrak or any other electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Platform").

(ii) Although the Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a user ID/password authorization system) and the Platform is secured through a per-deal authorization method whereby each user may access the Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuing Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Platform, and that there are confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Banks and the Borrower hereby approves distribution of the Communications through the Platform and understands and assumes the risks of such distribution.

(iii) THE PLATFORM AND THE COMMUNICATIONS ARE PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM

VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY DOCUMENTATION AGENT, ANY SYNDICATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, "**APPLICABLE PARTIES**") HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, ANY ISSUING BANK OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE PLATFORM EXCEPT TO THE EXTENT SUCH DAMAGES ARE FOUND IN A FINAL AND NON-APPEALABLE JUDGMENT OF A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM THE BAD FAITH, WILLFUL MISCONDUCT OR GROSS NEGLIGENCE OF AN APPLICABLE PARTY OR ANY OF ITS RELATED PARTIES.

(iv) Each Lender and each Issuing Bank agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender or Issuing Bank (as applicable) for purposes of the Loan Documents. Each Lender and each Issuing Bank agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender's or Issuing Bank's (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(v) Nothing herein shall prejudice the right of the Administrative Agent, any Lender or any Issuing Bank to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 9.02. Waivers; Amendments. (a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Without limiting the generality of the foregoing, the execution and delivery of this Agreement, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or

demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Sections 2.14(b), 2.21, 2.22, 2.23 and 9.02(c), none of this Agreement, any other Loan Document or any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower, the Administrative Agent and the Required Lenders (provided that the Administrative Agent shall post any such amendments reasonably promptly after such amendment becomes effective) and, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood and agreed that a waiver of any Default or Event of Default will not constitute an increase in the Commitment of any Lender), (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, in each case without the written consent of each Lender adversely affected thereby (it being understood and agreed that a waiver of any Default or Event of Default will not constitute a reduction in the principal amount of any Loan), (iii) postpone the scheduled maturity date of any Loan, or the date of any scheduled payment of the principal amount of any Term Loan under Section 2.10 or the applicable Incremental Facility Amendment or the required date of reimbursement of any LC Disbursement, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender adversely affected thereby (it being understood and agreed that a waiver of any Default or Event of Default will not constitute a postponement of the scheduled maturity date of any loan, or the date of any scheduled payment of principal, interest or fees payable hereunder), (iv) change the last sentence of Section 2.08(c), Section 2.18(a), Section 2.18(b), Section 2.18(c) or any other Section hereof or any other Loan Document providing for the ratable treatment of the Lenders, in each case in a manner that would alter the pro rata termination of commitments or sharing of payments required thereby, without the written consent of each Lender adversely affected thereby, (v) change any of the provisions of this Section or the definition of the term "Required Lenders" or "Majority in Interest" or any other provision of this Agreement or any other Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or otherwise modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as applicable); provided that, with the consent of the Required Lenders, the provisions of this Section and the definition of the term "Required Lenders" or "Majority in Interest" may be amended to include references to any new class of loans created under this Agreement (or to lenders extending such loans) on substantially the same basis as the corresponding references relating to the existing Classes of Loans or Lenders; provided further that the definition of "Required Covenant Lenders" may be amended to include the Lenders in respect of any additional Incremental Facility that will have the benefit of Section 6.12 or 6.13 to the extent provided in any Incremental Facility Amendment without the consent of any other Lenders, (vi) release all or substantially all of the value of the Guarantees provided by the Loan Parties under the Security Documents, in each case without the written consent of each Lender (except as expressly provided in Section 9.14 or the Security Documents) (including any such release by the Administrative Agent in connection with any sale or other disposition of any Subsidiary upon the exercise of remedies under the Security Documents), it being understood and agreed that an amendment or other modification of the type of obligations guaranteed under the Security Documents shall not be deemed to be a release of any Guarantee), (vii) release all or substantially all the Collateral from the Liens of the Security Documents

without the written consent of each Lender (except as expressly provided in Section 9.14 or the applicable Security Document (including any such release by the Administrative Agent in connection with any sale or other disposition of the Collateral upon the exercise of remedies under the Security Documents), it being understood and agreed that an amendment or other modification of the type of obligations secured by the Security Documents shall not be deemed to be a release of the Collateral from the Liens of the Security Documents), (viii) waive any condition set forth in Section 4.01 (other than as it relates to the payment of fees and expenses of counsel), or, in the case of any Loans made or Letters of Credit issued on the Closing Date, Section 4.02, without the written consent of each Lender with a Revolving Commitment and each Issuing Bank (as applicable), (ix) change any provisions of this Agreement or any other Loan Document in a manner that by its terms adversely affects the rights in respect of Collateral securing the obligations owed to, or payments due to, Lenders holding Loans of any Class differently than those holding Loans of any other Class, without the written consent of Lenders representing a Majority in Interest of each affected Class, (x) change the rights of the Tranche A Term Lenders to decline mandatory prepayments as provided in Section 2.11 or the rights of any Additional Lenders of any Class to decline mandatory prepayments of Term Loans of such Class as provided in the applicable Incremental Facility Amendment, without the written consent of Tranche A Term Lenders or Additional Lenders of such Class, as applicable, holding a majority of the outstanding Tranche A Term Loans or Incremental Term Loans of such Class or (xi) change Section 6.12 or 6.13 or the definitions of "Consolidated Adjusted Interest Coverage Ratio" or "Consolidated Adjusted Total Leverage Ratio" (or in each case any of the component definitions thereof), in each case solely as used within such Sections, without the written consent of the Required Covenant Lenders (and the Consent of any other Lenders shall not be required); provided further that (A) no such agreement shall amend, modify, extend or otherwise affect the rights or obligations of the Administrative Agent or any Issuing Bank without the prior written consent of the Administrative Agent or such Issuing Bank, as applicable, (B) any waiver, amendment or other modification of this Agreement that by its terms affects the rights or duties under this Agreement of the Lenders of one or more Classes (but not the Lenders of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite number or percentage in interest of each affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time (provided that any change that would directly and adversely affect a Class of Lenders hereunder shall require the written consent of the Majority in Interest with respect to each such Class directly and adversely affected thereby) and (C) if the terms of any waiver, amendment or other modification of this Agreement or any other Loan Document provide that any Class of Loans (together with all accrued interest thereon and all accrued fees payable with respect to the Commitments of such Class) will be repaid or paid in full, and the Commitments of such Class (if any) terminated, as a condition to the effectiveness of such waiver, amendment or other modification, then so long as the Loans of such Class (together with such accrued interest and fees) are in fact repaid or paid in full and such Commitments are in fact terminated, in each case prior to or substantially simultaneously with the effectiveness of such amendment, then such Loans and Commitments shall not be included in the determination of the Required Lenders with respect to such amendment. Notwithstanding any of the foregoing, (1) no consent with respect to any waiver, amendment or other modification of this Agreement or any other Loan Document shall be required of any Defaulting Lender, except with respect to any waiver, amendment or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be affected by such waiver, amendment or other modification, (2) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent (i) to cure any ambiguity, omission, mistake, defect or inconsistency, (ii) to comply with local law or advice of local counsel, (iii) to cause any guarantee, collateral security

document (including Mortgages) or other document to be consistent with this Agreement, the other Loan Documents and each Acceptable Intercreditor Agreement or (iv) to give effect to the provisions of Section 2.14(b) or to amend time periods, minimum amounts and currency exchange rate calculations mechanics with respect to borrowing and payment mechanics with respect to the Revolving Commitments solely to the extent necessary to implement a Permitted Foreign Currency and (3) this Agreement may be amended to provide for Incremental Extensions of Credit in the manner contemplated by Section 2.21, the extension of the Maturity Date as provided in Section 2.22 and the incurrence of Refinancing Commitments and Refinancing Loans as provided in Section 2.23, in each case without any additional consents, and such amendments may effect such changes to the Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower, to give effect to the existence and the terms of the Incremental Extensions of Credit, the extension of the Maturity Date or the incurrence of Refinancing Commitments and Refinancing Loans, as applicable, and to the extent permitted under the terms of this Agreement, will be effective to amend the terms of this Agreement and the other applicable Loan Documents (including to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other applicable Loan Documents with the other Term Loans and the accrued interest and fees in respect thereof and to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders), in each case, without any further action or consent of any other party to any Loan Document.

(c) In connection with any Proposed Change requiring the consent of all Lenders or all affected Lenders, if the consent of the Required Lenders (and, to the extent any Proposed Change requires the consent of Lenders holding Loans of any Class pursuant to clause (iv) of paragraph (b) of this Section, the consent of a Majority in Interest of the outstanding Loans and unfunded Commitments of such Class) to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section being referred to as a “Non-Consenting Lender” for purposes of this clause (c)), then the Borrower may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) if the Administrative Agent is not such Non-Consenting Lender, the Borrower shall have received the prior written consent of the Administrative Agent (and, if a Revolving Commitment is being assigned, each Issuing Bank), which consent shall not unreasonably be withheld or delayed, (ii) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (with such assignment being deemed to be an optional prepayment for purposes of determining the applicability of such Section) from the assignee (in the case of such principal and accrued interest and fees or the Borrower (in the case of all other amounts)), (iii) the Borrower or such assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b), (iv) such assignment does not conflict with applicable law and (v) the assignee shall have given its consent to such Proposed Change and, as a result of such assignment and delegation and any contemporaneous assignments and delegations and consents, such Proposed Change can be effected. Any assignment required pursuant to this Section may be effected pursuant to an Assignment and Assumption executed by the Borrower, the

Administrative Agent and the assignee, and the Lender required to make such assignment shall not be required to be a party to such Assignment and Assumption.

(d) Notwithstanding anything herein to the contrary, the Administrative Agent may, without the consent of any Secured Party, consent to a departure by any Loan Party from any covenant of such Loan Party set forth in this Agreement or any Security Document to the extent such departure is consistent with the authority of the Administrative Agent set forth in the definition of the term "Collateral and Guarantee Requirement".

(e) The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute waivers, amendments or other modifications on behalf of such Lender. Any waiver, amendment or other modification effected in accordance with this Section, shall be binding upon each Person that is at the time thereof a Lender and each Person that subsequently becomes a Lender.

SECTION 9.03. Expenses; Indemnity; Damage Waiver. (a) The Borrower shall pay (i) all reasonable, documented and invoiced out-of-pocket expenses incurred by the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents and their respective Affiliates (without duplication), including the reasonable fees and documented charges and disbursements of a single primary counsel and to the extent reasonably determined by the Administrative Agent to be necessary, one local counsel in each appropriate jurisdiction, in connection with the structuring, arrangement and syndication of the credit facilities provided for herein and any credit or similar facility refinancing or replacing, in whole or in part, any of the credit facilities provided for herein, as well as the preparation, negotiation, execution, delivery and administration of this Agreement, the other Loan Documents or any waiver, amendments or modifications of the provisions hereof or thereof, (ii) all reasonable, documented and invoiced out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable, documented and invoiced out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank, any Lender or any Arranger, including the reasonable, documented and invoiced fees, charges and disbursements of counsel for any of the foregoing, in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Borrower shall indemnify the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee"), against, and hold each Indemnitee harmless from, any and all ~~losses, claims, damages, penalties, liabilities~~ Liabilities and related expenses (including the reasonable and documented fees, charges and disbursements of one firm of counsel for all such Indemnitees, taken as a whole, and, if reasonably necessary, of a single firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee and, if reasonably necessary, of another firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for such affected Indemnitee)), incurred by or asserted against such Indemnitees arising out of, in connection with or as a result of any actual or prospective claim, litigation, investigation or proceeding relating to

This paragraph shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) To the extent that the Borrower fails to indefeasibly pay any amount required to be paid by it under paragraph (a) or (b) of this Section to the Administrative Agent, any Issuing Bank or any Related Party of any of the foregoing (and without limiting its obligation to do so), each Lender severally agrees to pay to the Administrative Agent, such Issuing Bank or such Related Party, as applicable, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (it being understood and agreed that the Borrower's failure to pay any such amount shall not relieve the Borrower of any default in the payment thereof); provided that the unreimbursed expense or ~~indemnified loss, claim, damage, liability~~ **Liability** or related expense, as applicable, was incurred by or asserted against the Administrative Agent or such Issuing Bank in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or any Issuing Bank in connection with such capacity; provided further that, with respect to such unpaid amounts owed to any Issuing Bank in its capacity as such, or to any Related Party of any of the foregoing acting for any Issuing Bank in connection with such capacity, only the Revolving Lenders shall be required to pay such unpaid amounts. For purposes of this Section, a Lender's "pro rata share" shall be determined by its share of the sum of the total Revolving Exposure, unfunded Revolving Commitments and, except for purposes of the second proviso of the immediately preceding sentence, the outstanding Term Loans and unfunded Term Commitments, in each case at that time. The obligations of the Lenders under this paragraph are subject to the last sentence of Section 2.02(a) (which shall apply mutatis mutandis to the Lenders' obligations under this paragraph).

Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section), the Arrangers, the Syndication Agents, the Documentation Agents and, to the extent expressly contemplated hereby, the Related Parties of any of the Administrative Agent, any Arranger, any Syndication Agent, any Documentation Agent, any Issuing Bank and any Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign and delegate to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent of (A) the Borrower (such consent not to be unreasonably withheld or delayed); provided that no consent of the Borrower shall be required (1) for assignments of Commitments or Loans of any Class to another Lender under such Class, an Affiliate of a Lender under such Class or an Approved Fund and (2) if an Event of Default of the type set forth in Section 7.01(a), (b), (h) or (i) has occurred and is continuing, for any other assignment and delegation; provided further that the Borrower

shall be deemed to have consented to an assignment and delegation of rights and obligations unless it shall object thereto by written notice to the Administrative Agent within five Business Days after having received notice thereof, (B) the Administrative Agent (such consent not to be unreasonably withheld or delayed); provided that no consent of the Administrative Agent shall be required for an assignment and delegation of all or any portion of a Term Commitment or Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund and (C) each Issuing Bank (such consent not to be unreasonably withheld or delayed) in the case of any assignment and delegation of all or a portion of a Revolving Commitment or any Lender's obligations in respect of its LC Exposure.

(ii) Assignments and delegations shall be subject to the following additional conditions: (A) except in the case of an assignment and delegation to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment and delegation of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment and delegation (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment and delegation or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment and delegation is delivered to the Administrative Agent) shall not be less than \$5,000,000 or, in the case of an Incremental Tranche B Term Loan, \$1,000,000 (treating contemporaneous assignments by or to two or more Approved Funds as a single assignment for purposes of such minimum transfer amount), unless each of the Borrower and the Administrative Agent otherwise consents (such consent not to be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if an Event of Default of the type set forth in Section 7.01(a), (b), (h) or (i) has occurred and is continuing, (B) each partial assignment and delegation shall be made as an assignment and delegation of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit the assignment and delegation of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment and delegation shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; provided that (1) only one such processing and recordation fee shall be payable in the event of simultaneous assignments and delegations by or to two or more Approved Funds, (2) the Administrative Agent may waive or reduce such fee in its sole discretion and (3) with respect to any assignment and delegation pursuant to Section 2.19(b) or 9.02(c), the parties hereto agree that such assignment and delegation may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment and delegation need not be a party thereto, and (D) the assignee shall deliver to the Administrative Agent any tax forms required by Section 2.17(f) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain MNPI) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable law, including Federal, State and foreign securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned and delegated by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned and delegated by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment, delegation or other transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and, as to entries pertaining to it, any Issuing Bank or any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon receipt by the Administrative Agent of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(f) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment and delegation required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that the Administrative Agent shall not be required to accept such Assignment and Assumption or so record the information contained therein if the Administrative Agent reasonably believes that such Assignment and Assumption lacks any written consent required by this Section or is otherwise not in proper form, it being acknowledged that the Administrative Agent shall have no duty or obligation (and shall incur no liability) with respect to obtaining (or confirming the receipt) of any such written consent or with respect to the form of (or any defect in) such Assignment and Assumption, any such duty and obligation being solely with the assigning Lender and the assignee. No assignment or delegation shall be effective for purposes of this

Agreement unless it has been recorded in the Register as provided in this paragraph and, following such recording, unless otherwise determined by the Administrative Agent (such determination to be made in the sole discretion of the Administrative Agent, which determination may be conditioned on the consent of the assigning Lender and the assignee), shall be effective notwithstanding any defect in the Assignment and Assumption relating thereto. Each assigning Lender and the assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the Administrative Agent that all written consents required by this Section with respect thereto (other than the consent of the Administrative Agent) have been obtained and that such Assignment and Assumption is otherwise duly completed and in proper form, and each assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the assigning Lender and the Administrative Agent that such assignee is an Eligible Assignee.

(vi) The words “execution”, “signed”, “signature” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as applicable, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar State laws based on the Uniform Electronic Transactions Act.

(c) Participations. Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Bank, sell participations to one or more Eligible Assignees (each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitments and Loans of any Class); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations (C) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and (D) the Participant will under no circumstances (x) be subrogated to, or substituted in respect of, the Lender’s claims under this Agreement and (y) have otherwise any contractual relationship with, or rights against, the Borrower under or in relation to this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (i), (ii), (iii), (vi) or (vii) in the first proviso to Section 9.02(b) that affects such Participant or requires the approval of all the Lenders. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) (it being understood and agreed that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment and delegation pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section and (B) shall not be entitled to receive any greater

payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such participation was made with the Borrower's prior written consent. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement or any other Loan Document (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Certain Pledges. Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Bank, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to a natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other "central" bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Purchasing Borrower Parties. Notwithstanding anything else to the contrary contained in this Agreement (including, without limitation, the definition of "Eligible Assignee"), any Lender may assign and delegate all or a portion of its Term Loans to any Purchasing Borrower Party (x) through open market purchases made by such Purchasing Borrower Party on a non-pro rata basis (subject to clause (v) below) or (y) otherwise in accordance with clauses (i) through (vii) below (which assignment and delegation, in the case of the foregoing clauses (x) and (y) will not constitute a prepayment of Loans for any purposes of this Agreement and the other Loan Documents); provided that, in the case of assignments and delegations made pursuant to the foregoing clause (y):

(i) no Default or Event of Default has occurred and is continuing or would result therefrom;

(ii) each Auction Purchase Offer shall be conducted in accordance with the procedures, terms and conditions set forth in this paragraph and the Auction Procedures;

(iii) the assigning Lender and Purchasing Borrower Party purchasing such Lender's Term Loans, as applicable, shall execute and deliver to the

Administrative Agent an Affiliated Lender Assignment and Assumption in lieu of an Assignment and Assumption;

(iv) for the avoidance of doubt, the Lenders shall not be permitted to assign or delegate Revolving Commitments or Revolving Exposure to a Purchasing Borrower Party;

(v) to the extent permitted by applicable law, any Term Loans assigned and delegated to any Purchasing Borrower Party shall be automatically and permanently cancelled upon the effectiveness of such assignment and delegation and will thereafter no longer be outstanding for any purpose hereunder (it being understood and agreed that (A) except as expressly set forth in any such definition, any gains or losses by any Purchasing Borrower Party upon purchase or acquisition and cancellation of such Term Loans shall not be taken into account in the calculation of Excess Cash Flow, Consolidated Net Income and Consolidated EBITDA and (B) any purchase of Term Loans pursuant to this paragraph (f) shall not constitute a voluntary prepayment of Term Loans for purposes of this Agreement);

(vi) the applicable Assignment and Assumption shall include or be supplemented by a customary “big boy” representation from each of the Purchasing Borrower Party and the assignee or assignor, as the case may be (it being agreed that no Purchasing Borrower Party shall be required to make a representation as to absence of MNPI); and

(vii) no Purchasing Borrower Party may use the proceeds from Revolving Loans to purchase any Term Loans.

(f) [Reserved].

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in this Agreement and the other Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Arrangers, any Syndication Agent, any Documentation Agent, any Issuing Bank, any Lender or any Affiliate of any of the foregoing may have had notice or knowledge of any Default or incorrect representation or warranty at the time this Agreement or any other Loan Document is executed and delivered or any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any LC Exposure is outstanding and so long as the Commitments have not expired or terminated. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement or any other Loan Document, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Revolving Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank, or

being supported by a letter of credit that names such Issuing Bank as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a "Letter of Credit" outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(d) or 2.05(e). The provisions of Sections 2.15, 2.16, 2.17, 2.18(e) and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment or prepayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of ~~this Agreement by facsimile transmission~~ any Loan Document and/or (y) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 9.01), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an "Ancillary Document") that is an Electronic Signature transmitted by fax, emailed pdf, or any other electronic imaging means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, ~~, such other Loan Document or such Ancillary Document, as applicable.~~ The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower without further verification thereof and without any obligation to review the appearance or form of any such Electronic signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders and the ~~Loan Parties; Borrower, Electronic Signatures transmitted by telecopy,~~

emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement ~~or , any other Loan Documents (in each case, including with respect to any signature pages thereto) Document and/or any Ancillary Document~~ shall have the same legal effect, validity and enforceability as any paper original, ~~and~~ (ii) the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of ~~the~~this Agreement, any other Loan Documents Document and/or any Ancillary Document based solely on the lack of paper original copies of ~~any~~this Agreement, such other Loan Documents Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Administrative Agent's and/or any Lender's reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrower to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) or other amounts at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrower against any of and all the obligations then due of the Borrower now or hereafter existing under this Agreement held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement and although such obligations of the Borrower are owed to a branch or office of such Lender or such Issuing Bank different from the branch or office holding such deposit or obligated on such Indebtedness. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender and each Issuing Bank under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process. (a) This Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the State of New York.

(b) The Borrower irrevocably and unconditionally agrees that it will not, and will not permit any controlled Subsidiary to, commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, any Lender, any Issuing Bank or any Related Party of any of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in the Borough of Manhattan and of the United States District Court for the Southern District of New York (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits, for itself and its property, to the jurisdiction of such courts and agrees that all claims in respect of any action, litigation or proceeding shall be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such Federal court. Each party hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, any Lender or any Issuing Bank may otherwise have to bring any action, litigation or proceeding relating to this Agreement or any other Loan Document against any Loan Party or any of its properties in the courts of any jurisdiction.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action, litigation or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent, the Lenders and the Issuing Banks agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Related Parties, including accountants, legal counsel and other agents and advisors, it being understood and agreed that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and any failure of such Persons acting on behalf of the Administrative Agent, any Issuing Bank or the relevant Lender to comply with this Section shall constitute a breach of this Section by the Administrative Agent, such Issuing Bank or the relevant Lender, as applicable, (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (provided, that to the extent practicable and permitted by law, the Borrower has been notified prior to such disclosure so that the Borrower may seek, at the Borrower's sole expense, a protective order or other appropriate remedy), (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, provided that each Lender and the Administrative Agent shall use commercially reasonable efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies (f) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its Related Parties) to any Hedging Agreement relating to the Borrower or any Subsidiary and its obligations hereunder or under any other Loan Document, (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided for herein or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facilities provided for herein, (h) with the consent of the Borrower, (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Lender or any Issuing Bank or any Affiliate of any of the foregoing on a non-confidential basis from a source other than the Borrower or any Subsidiary, which source is not known by the recipient of such information to be subject to a confidentiality obligation or (j) to any credit insurance provider relating to the Borrower or its Obligations. For purposes of this Section, "Information" means all information received from the Borrower or any Subsidiary relating to the Borrower or any Subsidiary or their businesses, other than any such information that is available to the Administrative Agent, any Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.13. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or participation in any LC Disbursement, together with all fees, charges and other amounts that are treated as interest on such Loan or LC Disbursement or participation therein under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender or Issuing Bank holding such Loan or LC Disbursement or participation therein in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof,

shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan or LC Disbursement or participation therein but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender or Issuing Bank in respect of other Loans or LC Disbursements or participation therein or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender or Issuing Bank.

SECTION 9.14. Release of Liens and Guarantees. Subject to the reinstatement provisions set forth in any applicable Security Document, a Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Loan Party shall be automatically released, upon the consummation of any transaction permitted by this Agreement as a result of which such Loan Party ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary (or in case the Borrower elects that any Designated Subsidiary that would otherwise constitute an Excluded Subsidiary cease to be a Designated Subsidiary); provided that, if so required by this Agreement, the Required Lenders (or if applicable, the Lenders) shall have consented to such transaction and the terms of such consent shall not have provided otherwise; provided, further, however, that notwithstanding the foregoing, without the consent of the Required Lenders, no Loan Party that is a Restricted Subsidiary shall be released from its obligations under the Loan Documents if such Loan Party becomes an Excluded Subsidiary solely pursuant to clause (b) of the definition of "Excluded Subsidiary" solely by virtue of a disposition of Equity Interests (unless, for the avoidance of doubt, another clause of the definition of "Excluded Subsidiary" is then applicable), unless such disposition is a good faith disposition to a bona-fide unaffiliated third party whose primary purpose is not the release of the Guarantee and obligations of such Loan Party under the Loan Documents. Upon any sale or other transfer by any Loan Party (other than to the Borrower or any other Loan Party) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral pursuant to Section 9.02, the security interests in such Collateral created by the Security Documents shall be automatically released. Upon the release of any Loan Party from its Guarantee in compliance with this Agreement, the security interest in any Collateral owned by such Loan Party created by the Security Documents shall be automatically released. Upon the designation of a Restricted Subsidiary as an Unrestricted Subsidiary in compliance with this Agreement, the security interest created by the Security Documents in the Equity Interests of such Unrestricted Subsidiary shall be automatically released. On the date on which all (1) Obligations have been paid in full in cash (other than (x) Secured Hedging Obligations not yet due and payable, (y) Secured Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable) and (2) all Letters of Credit have expired or been terminated (other than Letters of Credit that have been cash collateralized or backstopped in an amount, by an institution and otherwise pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank), all obligations under the Loan Documents and all security interests under the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section, and in connection with any Collateral becoming Excluded Property, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to file or register in any office, or to evidence, such termination or release, or, in the case of Collateral becoming Excluded Property, to effect, to file or register in any office, or to evidence the release of any security interest created by the Security Documents in such assets. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the

Administrative Agent. Each of the Secured Parties irrevocably authorizes the Administrative Agent, at its option and in its discretion, to effect the releases set forth in this Section.

SECTION 9.15. Certain Notices. Each Lender, each Issuing Bank and the -Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that, pursuant to the requirements of the USA PATRIOT Act and/or the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender, such Issuing Bank or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the USA PATRIOT Act and the Beneficial Ownership Regulation, and each Loan Party agrees to provide such information from time to time to such Lender, such Issuing Bank and the Administrative Agent, as applicable.

SECTION 9.16. No Fiduciary Relationship. The Borrower, on behalf of itself and its subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Borrower, the Subsidiaries and their respective Affiliates, on the one hand, and the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks and their respective Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks or their respective Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications. The Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks and their respective Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Borrower, the Subsidiaries and their respective Affiliates, and none of the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks or any of their respective Affiliates has any obligation to disclose any of such interests to the Borrower, the Subsidiaries or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower hereby waives and releases any claims that it or any of its Affiliates may have against the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks or any of their respective Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.17. Non-Public Information. (a) Each Lender acknowledges that all information, including requests for waivers and amendments, furnished by the Borrower or the Administrative Agent pursuant to or in connection with, or in the course of administering, this Agreement will be syndicate-level information, which may contain MNPI. Each Lender represents to the Borrower and the Administrative Agent that (i) it has developed compliance procedures regarding the use of MNPI and that it will handle MNPI in accordance with such procedures and applicable law, including Federal, State and foreign securities laws, and (ii) it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain MNPI in accordance with its compliance procedures and applicable law, including Federal, State and foreign securities laws.

(b) The Borrower and each Lender acknowledge that, if information furnished the Borrower pursuant to or in connection with this Agreement is being distributed by the Administrative Agent through the Platform, (i) the Administrative Agent may post any information that the Borrower has indicated as containing MNPI solely on that portion of the

Platform as is designated for Lenders' employees and representatives willing to receive such MNPI (such employees and representatives, "Private-Siders"); and (ii) if the Borrower has not indicated whether any information furnished by it pursuant to or in connection with this Agreement contains MNPI, the Administrative Agent reserves the right to post such information solely on that portion of the Platform as is designated for Private-Siders. The Borrower agrees to clearly designate all information provided to the Administrative Agent by or on behalf of the Borrower that is suitable to be made available to Lenders' public-side employees and representatives who do not wish to receive MNPI (such employees and representatives, "Public-Siders"), and the Administrative Agent shall be entitled to rely on any such designation by the Borrower without liability or responsibility for the independent verification thereof.

SECTION 9.18. Acknowledgement and Consent to Bail-In of EEA Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or Issuing Bank that is an EEA Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of an EEA the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by ~~an EEA~~ the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or Issuing Bank party hereto that is an EEA Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of ~~any EEA~~ the applicable Resolution Authority.

SECTION 9.19. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent

may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

SECTION 9.20. Cashless Settlement. Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent and such Lender.

SECTION 9.21. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

FIRST REFINANCING FACILITY AGREEMENT dated as of March 19, 2021 (this "Agreement"), to the CREDIT AGREEMENT dated as of November 1, 2019 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among PITNEY BOWES INC., a Delaware corporation (the "Borrower"), the LENDERS and ISSUING BANKS party thereto and JPMORGAN CHASE BANK, N.A. ("JPMorgan"), as administrative agent.

WHEREAS the Borrower, in accordance with Section 2.23 of the Credit Agreement, has requested that the financial institutions set forth on Schedule I hereto (the "Refinancing Tranche B Term Lenders") commit to make Refinancing Term Loans to the Borrower in an aggregate principal amount of \$450,000,000 (the "Refinancing Tranche B Term Loans") on the Refinancing Tranche B Term Effective Date (as defined below) (the commitment of each Refinancing Tranche B Term Lender to provide its applicable portion of the Refinancing Tranche B Term Loans, as set forth opposite such Refinancing Tranche B Term Lender's name on Schedule I hereto, is such Refinancing Tranche B Term Lender's "Refinancing Tranche B Term Commitment"), the proceeds of which will be used to (a) refinance a portion of the Incremental Tranche B Term Loans outstanding under the Credit Agreement and (b) pay fees and expenses incurred in connection with the foregoing;

WHEREAS the Refinancing Tranche B Term Lenders are willing to make the Refinancing Tranche B Term Loans to the Borrower on the Refinancing Tranche B Term Effective Date on the terms and subject to the conditions set forth herein and in the Credit Agreement;

WHEREAS in accordance with Sections 2.23 and 9.02, the Credit Agreement may be amended to give effect to the existence and terms of the Refinancing Tranche B Term Loans; and

WHEREAS JPMorgan, MUFG Bank, Ltd., Truist Securities, Inc., Citibank, N.A., Goldman Sachs Bank USA and Citizens Bank, N.A., have been appointed by the Borrower to act, and have agreed to act, as joint lead arrangers and joint bookrunners for the Refinancing Tranche B Term Loans (in such capacities, the "Lead Arrangers").

NOW, THEREFORE, in consideration of the mutual agreements herein contained and other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, and subject to the conditions set forth herein, the parties hereto hereby agree as follows:

SECTION 1. Interpretation.

(a) Capitalized terms used and not defined herein (including in the recitals hereto) shall have the meanings assigned to such terms in the Credit Agreement. The rules of interpretation set forth in Section 1.03 of the Credit Agreement are hereby incorporated by reference herein, *mutatis mutandis*.

SECTION 2. Refinancing Tranche B Term Loans.

(a) On the terms and subject to the conditions set forth herein and in the Credit Agreement, each Refinancing Tranche B Term Lender hereby agrees, severally and not jointly, to make a Refinancing Tranche B Term Loan to the Borrower on the Refinancing Tranche B Term Effective Date in an aggregate principal amount equal to its Refinancing Tranche B Term Commitment. The proceeds of the Refinancing Tranche B Term Loans shall be used by the Borrower for the purposes set forth in the recitals to this Agreement.

(b) The Refinancing Tranche B Term Loans shall constitute a new Class of Term Loans under the Credit Agreement and shall have the terms applicable to "Refinancing Tranche B Term Loans" thereunder. The initial Interest Period for the Refinancing Tranche B Term Loans shall be as set forth in the Borrowing Request with respect to the Refinancing Tranche B Term Loans. Unless the context shall otherwise require, from and after the Refinancing Tranche B Term Effective Date, each Refinancing Tranche B Term Lender shall constitute a "Term Lender" and "Lender", each Refinancing Tranche B Term Commitment shall constitute a "Commitment" and the loans made thereunder shall constitute "Refinancing Term Loans", "Refinancing Tranche B Term Loans" and "Loans", in each case for all purposes of the Credit Agreement and the other Loan Documents.

(c) The Borrower may make only one borrowing under the Refinancing Tranche B Term Commitments on the Refinancing Tranche B Term Effective Date. Any amount borrowed under this Section 2 and subsequently repaid or prepaid may not be reborrowed. Each Refinancing Tranche B Term Lender's Refinancing Tranche B Term Commitment shall terminate immediately and without further action on the Refinancing Tranche B Term Effective Date after giving effect to the initial funding of such Refinancing Tranche B Term Lender's Refinancing Tranche B Term Loans on the Refinancing Tranche B Term Effective Date. The Refinancing Tranche B Term Loans shall be denominated in Dollars.

(d) This Agreement shall satisfy the requirements of Section 2.23(a) of the Credit Agreement regarding the delivery of a written notice with respect to the Refinancing Tranche B Term Commitments contemplated by this Agreement.

(e) The Refinancing Tranche B Term Loans funded on the Refinancing Tranche B Term Effective Date will be funded with an original issue discount of 99% (it being agreed that the Borrower shall be obligated to repay 100% of the principal amount of the Refinancing Tranche B Term Loans and interest shall accrue on 100% of the principal amount of the Refinancing Tranche B Term Loans, in each case as provided in the Credit Agreement).

SECTION 3. Amendments to the Credit Agreement. Effective as of the Refinancing Tranche B Term Effective Date, the Credit Agreement is hereby amended by deleting the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and adding the underlined text (indicated textually in the same manner as the following example: underlined text) as set forth on Exhibit A attached hereto.

SECTION 4. Representations and Warranties. The Borrower (with respect to itself and, where applicable, the Restricted Subsidiaries) represents and warrants to the Administrative Agent and to the Refinancing Tranche B Term Lenders on and as of the Refinancing Tranche B Term Effective Date that:

(a) this Agreement and the transactions contemplated hereby are within each Loan Party's corporate or other organizational powers and has been duly authorized by all necessary corporate or other organizational and, if required, stockholder or other equityholder action;

(b) this Agreement has been duly authorized, executed and delivered by the Borrower and each Loan Party and constitutes the legal, valid and binding obligation of such Person, enforceable against such Person in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law;

(c) the representations and warranties of each Loan Party set forth in the Loan Documents are true and correct in all material respects (or, in the case of representations and warranties qualified as to materiality or Material Adverse Effect, in all respects), except in the case of any such representation and warranty that expressly relates to a prior date, in which case such representation and warranty is true and correct in all material respects (or in all respects, as applicable) as of such earlier date (it being understood and agreed that the reference in Section 3.15 of the Credit Agreement to "the Closing Date, after giving effect to the Transactions" shall be deemed to refer instead to "the Refinancing Tranche B Term Effective Date, after giving effect to the transactions to be consummated on the Refinancing Tranche B Term Effective Date"); and

(d) at the time of and immediately after giving effect to the making of the Refinancing Tranche B Term Loans, no Default or Event of Default shall have occurred and be continuing.

SECTION 5. Effectiveness. This Agreement shall become effective as of the date first above written (the "Refinancing Tranche B Term Effective Date") upon satisfaction of the following conditions:

(a) the Administrative Agent shall have received (i) counterparts of this Agreement that, when taken together, bear the signatures of the Borrower, each other Loan Party and each Refinancing Tranche B Term Lender, (ii) a copy of (A) each organizational document of each Loan Party certified, to the extent applicable, as of a recent date by the applicable Governmental Authority, (B) signature and incumbency certificates of the responsible officers of each Loan Party executing this Agreement, (C) copies of resolutions of the board of directors or managers, shareholders, partners, and/or similar governing bodies of each Loan Party approving and authorizing the execution, delivery and performance of this Agreement, certified as of the Refinancing Tranche B Term Effective Date by a secretary, an assistant secretary or a responsible officer of such Loan Party as being in full force and effect without modification or amendment and (D) a good standing certificate (to the extent such concept, or an analogous concept, exists) from the applicable Governmental Authority of each Loan Party's jurisdiction of incorporation, organization or formation, and (iii) favorable written opinions (addressed to the Administrative Agent and the Refinancing Tranche B Term Lenders and dated the Refinancing Tranche B Term Effective Date) of (A) Gibson, Dunn & Crutcher LLP, external counsel for the Loan Parties, (B) Day Pitney LLP, external Connecticut counsel for the Loan Parties and (C) Julie Solomon, internal counsel for the Loan Parties, in each case in form and substance reasonably satisfactory to the Administrative Agent;

(b) the Administrative Agent shall have received all fees and other amounts due and payable on or prior to the Refinancing Tranche B Term Effective Date, to the extent invoiced at least three Business Days prior to the Refinancing Tranche B Term Effective Date (or such shorter period agreed by the Borrower in its sole discretion), reimbursement or payment of all reasonable, documented and invoiced out-of-pocket expenses (including fees, charges and disbursements of counsel) required to be reimbursed or paid by any Loan Party hereunder, under any other Loan Document or under any other agreement entered into by any of the Arrangers, the Administrative Agent and the Refinancing Tranche B Term Lenders, on the one hand, and any of the Loan Parties, on the other hand;

(c) the Borrower shall have delivered to the Administrative Agent, (i) in accordance with Section 2.03 of the Credit Agreement, a Borrowing Request with respect to the borrowing of the Refinancing Tranche B Term Loans to be made on the Refinancing Tranche B Term Effective Date and (ii) in accordance with Section 2.11 of the Credit Agreement, a notice of prepayment with respect to the prepayment of Incremental Tranche B Term Loans to be made on the Refinancing Tranche B Term Effective Date;

(d) the Administrative Agent shall have received a certificate from a Financial Officer of the Borrower, substantially in the form of Exhibit L to the Credit Agreement, certifying as to the solvency of the Borrower and its Restricted Subsidiaries as of the Refinancing Tranche B Term Effective Date on a consolidated basis after giving effect to the Agreement;

(e) (i) the Administrative Agent shall have received, at least three Business Days prior to the Refinancing Tranche B Term Effective Date, all documentation and other information required by bank regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the USA PATRIOT Act, that has been requested at least 10 Business Days prior to the Refinancing Tranche B Term Effective Date and (ii) to the extent the Borrower qualifies as a "legal entity customer" under the Beneficial Ownership Regulation and a Refinancing Tranche B Term Lender has requested in a written notice to the Borrower at least 10 Business Days prior to the Refinancing Tranche B Term Effective Date a Beneficial Ownership Certification in relation to the Borrower, such Refinancing Tranche B Term Lender shall have received such Beneficial Ownership Certification with respect to the Borrower at least three Business Days prior to the Refinancing Tranche B Term Effective Date (provided that, upon the execution and delivery by such Refinancing Tranche B Term Lender of its signature page to this Agreement, the conditions set forth in this clause (v) shall be deemed to be satisfied); and

(f) the Administrative Agent shall have received a certificate, dated the Refinancing Tranche B Term Effective Date and signed by a Financial Officer or the President or a Vice President of the Borrower, confirming accuracy of the representations and warranties set forth in Section 4.

SECTION 6. Effects on Loan Documents; No Novation. (a) Except as expressly set forth herein, this Agreement (i) shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders, the Administrative Agent, the Borrower or any other Loan Party under the Credit Agreement or any other Loan Document and (ii) shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle the Borrower or any other Loan Party to any future consent to, or waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document in similar or different circumstances. After the Refinancing Tranche B Term Effective Date, any reference in the Loan Documents to the Credit Agreement shall mean the Credit Agreement as modified hereby. This Agreement shall constitute a "Loan Document" and a "Refinancing Facility Agreement" for all purposes of the Credit Agreement and the other Loan Documents.

(b) This Agreement shall not extinguish the obligations for the payment of money outstanding under the Credit Agreement or discharge or release the priority of any Security Document. Nothing herein contained shall be construed as a substitution or novation of the Obligations outstanding under the Credit Agreement or any Security Document, which shall remain in full force and effect, except as modified hereby. Nothing expressed or implied in this Agreement or any other document contemplated hereby shall be construed as a release or other discharge of any Loan Party under any Loan Document from any of its obligations and liabilities thereunder.

SECTION 7. Mortgaged Property. Within 90 days after the Refinancing Tranche B Term Effective Date (or by such later date as the Administrative Agent in its sole discretion may permit), the Borrower shall deliver, with respect to each Mortgaged Property, (i) an amendment of the existing Mortgage (the "Mortgage Amendment") approved by local counsel reasonably acceptable to the Administrative Agent, and in form reasonably necessary to reflect that the lien securing the Obligations under the Credit Agreement (as amended) encumbers such Mortgaged Property and further to grant, preserve, protect, confirm and perfect the lien and security interest thereby created and perfected; (ii) date-down and modification endorsements to the existing lender's title insurance policy, reflecting that there are no encumbrances affecting the Mortgaged Property except as permitted under the Credit Agreement, and in each case in form and substance reasonably satisfactory to the Administrative Agent, (iii) a favorable opinion of local counsel in the jurisdiction in which the Mortgaged Property is located for the benefit of the Administrative Agent and the Lenders with respect to the enforceability of the Mortgage Amendment, together with such other opinions as the Administrative Agent shall require, and in form and substance reasonably acceptable to the Administrative Agent (it being understood and agreed that the form and substance of the opinions delivered in connection with the existing Mortgage are reasonably acceptable) and (iv) such further documents, instruments, acts or agreements as the Administrative Agent may reasonably request to affirm, secure, renew or perfect the liens of the Mortgage as amended. The Borrower shall also provide flood determinations and flood insurance with respect to each Mortgaged Property as required by Section 5.07(b) of the Credit Agreement.

SECTION 8. Miscellaneous. The provisions of Sections 9.09, 9.10 and 9.11 of the Credit Agreement are hereby incorporated by reference herein, *mutatis mutandis*.

SECTION 9. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement and/or any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be.

SECTION 10. Reaffirmation. Each of the Loan Parties hereby (a) reaffirms its obligations under the Credit Agreement and each other Loan Document to which it is a party, in each case as modified by this Agreement, (b) reaffirms all Liens on the Collateral which have been granted by it in favor of the Administrative Agent (for the benefit of the Secured Parties) pursuant to the Loan Documents and (c) acknowledges and agrees that the guarantees of the Loan Parties and the grants of security interests by the Loan Parties contained in the Collateral Agreement and the other Security Documents are, and shall remain, in full force and effect in respect of, and to secure, the Obligations (including the Refinancing Tranche B Term Commitments and the Refinancing Tranche B Term Loans made hereunder).

For the avoidance of doubt, if the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any financial ratio or test (excluding, for the avoidance of doubt, any ratio contained in Sections 6.12 or 6.13) or basket availability with respect to any Limited Condition Transaction on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or, in the case of a Limited Condition Transaction described in clause (i) thereof, the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such subsequent transaction is permitted under this Agreement or any Loan Document, any such ratio, test or basket shall be required to comply with any such ratio, test or basket on a Pro Forma Basis assuming such Limited Condition Transaction and the other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until such time as the applicable Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated or expires.

(b) Notwithstanding anything to the contrary herein, with respect to any Indebtedness or Liens incurred in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (including, without limitation, any tests based on the Consolidated Total Leverage Ratio, Consolidated Interest Expense, Adjusted Consolidated Interest Expense, the First Lien Leverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Interest Coverage Ratio, Consolidated EBITDA or Adjusted Consolidated EBITDA) (any such amounts, the "Fixed Amounts") substantially concurrently with any Indebtedness or Liens incurred in reliance on a provision of this Agreement that requires compliance with a financial ratio or test (including any tests based on the Consolidated Total Leverage Ratio, Consolidated Interest Expense, Adjusted Consolidated Interest Expense, the

First Lien Leverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Interest Coverage Ratio, Consolidated EBITDA or Adjusted Consolidated EBITDA) (any such amounts, the “Incurrence-Based Amounts”), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the incurrence of the Incurrence-Based Amounts.

SECTION 1.07. Divisions. For all purposes under this Agreement, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction’s laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

SECTION 1.08. Interest Rates; LIBOR Notification. The interest rate on a Loan denominated in Dollars or a Permitted Foreign Currency may be derived from an interest rate benchmark that is, or may in the future become, the subject of regulatory reform. Regulators have signaled the need to use alternative benchmark reference rates for some of these interest rate benchmarks and, as a result, such interest rate benchmarks may cease to comply with applicable laws and regulations, may be permanently discontinued, and/or the basis on which they are calculated may change. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the “IBA”) for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that commencing in 2022, the London interbank offered rate may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on Eurocurrency Loans. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. Upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event, a Term ESTR Transition Event or an Early Opt-in Election, Section 2.14(b) ~~provides a~~ (c) provide the mechanism for determining an alternative rate of interest. The Administrative Agent will promptly notify the Borrower, pursuant to Section 2.14(~~d~~e), of any change to the reference rate upon which the interest rate on Eurocurrency Loans is based. However, the Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to the London interbank offered rate or other rates in the definition of “LIBO Rate” or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.14(b) ~~or (c)~~, whether upon the occurrence of a Benchmark Transition Event, a Term SOFR Transition Event, a Term ESTR Transition Event or an Early Opt-in Election, and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.14(~~e~~d)), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the LIBO Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

SECTION 1.09. Permitted Foreign Currency Calculations. (a) For purposes of determining the Dollar Equivalent of any Loan or Letter of Credit denominated in a Permitted

Foreign Currency or any related amount, the Administrative Agent shall determine the Exchange Rate as of each applicable Exchange Rate Date with respect to each Permitted Foreign Currency in which any requested or outstanding Loan or Letter of Credit is denominated and shall apply such Exchange Rates to determine such amount (in each case after giving effect to any Loan to be made or repaid or Letter of Credit issued on or prior to the applicable date for such calculation), and each such amount shall be the Dollar Equivalent of such Loan or Letter of Credit until the next required calculation thereof pursuant to this paragraph; provided that the Administrative Agent shall in addition determine the Dollar Equivalent of any Letter of Credit denominated in any Permitted Foreign Currency as provided in Sections 2.05(e) and 2.05(n).

(b) For purposes of any determination under Section 6.01, 6.02, 6.04 or 6.05 or under Article VII, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than Dollars shall be translated into the Dollar Equivalent at the currency exchange rates in effect on the date of such determination (with such currency exchange rates being determined by the Borrower in good faith); provided that no Default shall arise as a result of any limitation set forth in Section 6.01, 6.02, 6.04 or 6.05 being exceeded solely as a result of changes in currency exchange rates from the currency exchange rates applicable at the time or times the applicable transaction was initially consummated in reliance on the applicable exception to the limitation set forth in such Section.

ARTICLE II

The Credits

SECTION 2.01. Commitments. Subject to the terms and conditions set forth herein, (a) each Tranche A Term Lender agrees to make a Tranche A Term Loan denominated in Dollars to the Borrower on the Closing Date in a principal amount not exceeding its Tranche A Term Commitment and (b) each Revolving Lender agrees to make Revolving Loans denominated in Dollars or a Permitted Foreign Currency to the Borrower from time to time, in each case during the Revolving Availability Period, in an aggregate principal amount that will not result in such Revolving Lender's Revolving Exposure exceeding such Lender's Revolving Commitment or the Aggregate Revolving Exposure exceeding the Aggregate Revolving Commitment. Tranche A Term Loans may be ABR Loans or Eurocurrency Loans, as further provided herein. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Loans. Amounts repaid or prepaid in respect of Term Loans may not be reborrowed.

SECTION 2.02. Loans and Borrowings. (a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.16, each Borrowing shall be comprised entirely of ABR Loans or Eurocurrency Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan advanced to it in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurocurrency Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; provided that a Eurocurrency Borrowing that results from a continuation of an outstanding Eurocurrency Borrowing may be in an aggregate amount that is equal to such outstanding Borrowing. At the time that each ABR Revolving Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not be more than a total of ten Eurocurrency Borrowings at any time outstanding unless the Administrative Agent otherwise agrees. Notwithstanding anything to the contrary herein, an ABR Revolving Borrowing may be in an aggregate amount that is equal to the entire unfunded balance of the Aggregate Revolving Commitment or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.05(e).

SECTION 2.03. Requests for Borrowings. To request a Borrowing, the Borrower shall notify the Administrative Agent of such request by submitting a Borrowing Request (a) in the case of a Eurocurrency Borrowing, not later than 11:00 a.m., Local Time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 1:00 p.m., New York City time, on the date of the proposed Borrowing. Each such Borrowing Request shall be irrevocable (provided that the Borrowing Request in connection with any acquisition or other investment permitted under Section 6.04 may be conditioned on the closing of such acquisition or other investment, as applicable) and shall be confirmed promptly by hand delivery or facsimile to the Administrative Agent of a written Borrowing Request signed by a Financial Officer of the Borrower. Each such Borrowing Request shall specify the following information (to the extent applicable, in compliance with Sections 2.01 and 2.02):

- (i) specifying the Class of the requested Borrowing;
- (ii) the currency and the aggregate amount of such Borrowing;
- (iii) the requested date of such Borrowing, which shall be a Business Day;
- (iv) whether such Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing;
- (v) in the case of a Eurocurrency Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";
- (vi) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06(a), or, if the Borrowing is being requested to finance the reimbursement of an LC Disbursement in accordance with Section 2.05(e), the identity of the Issuing Bank that made such LC Disbursement; and
- (vii) that as of such date Sections 4.02(a) and 4.02(b) are satisfied.

If no election as to the Type of Borrowing is specified, then, if the specified currency of such Borrowing is (a) Dollars, the requested Borrowing shall be an ABR Borrowing, and (b) Euros or

Sterling, the requested Borrowing shall be a Eurocurrency Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. If no currency is specified with respect to any requested Revolving Loan, the Borrower shall be deemed to have selected Dollars. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04. [Reserved].

SECTION 2.05. Letters of Credit. (a) General. Subject to the terms and conditions set forth herein, the Borrower may request (and each Issuing Bank shall issue) Letters of Credit for the Borrower's own account (or for the account of any Restricted Subsidiary so long as such Issuing Bank has completed its customary "know your client" procedures with respect to such Subsidiary), in each case, denominated in Dollars or any Permitted Foreign Currency and in a form reasonably acceptable to the Administrative Agent and the applicable Issuing Bank, at any time and from time to time during the Revolving Availability Period. The Borrower unconditionally and irrevocably agrees that, in connection with any Letter of Credit issued for the account of any Subsidiary as provided above, the Borrower will be fully responsible for the reimbursement of LC Disbursements, the payment of interest thereon and the payment of fees due under Section 2.12(b) in respect thereof to the same extent as if it were the sole account party in respect of such Letter of Credit. Notwithstanding anything contained in any letter of credit application or other agreement (other than this Agreement or any Security Document) submitted by the Borrower to, or entered into by the Borrower with, any Issuing Bank relating to any Letter of Credit, (i) all provisions of such letter of credit application or other agreement purporting to grant Liens in favor of such Issuing Bank to secure obligations in respect of such Letter of Credit shall be disregarded, it being agreed that such obligations shall be secured to the extent provided in this Agreement and in the Security Documents, and (ii) in the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of such letter of credit application or such other agreement, as applicable, the terms and conditions of this Agreement shall control. On the Closing Date (or on the date specified in the relevant notice to the Administrative Agent), each Existing Letter of Credit shall, without any further action by any Person, be deemed to have been issued as a Letter of Credit hereunder (without any breakage or transfer charges in connection therewith) and shall for all purposes hereof (including paragraphs (d) and (e) of this Section) be treated as and constitute a Letter of Credit.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit (other than any automatic renewal permitted pursuant to paragraph (c) of this Section), the Borrower shall hand deliver or fax (or transmit by electronic communication, if arrangements for doing so have been approved by such Issuing Bank) to the applicable Issuing Bank and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the requested date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the currency and amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be requested by the applicable Issuing Bank as necessary to enable such Issuing Bank to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of

credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. An Issuing Bank shall not be obligated to issue any trade Letter of Credit (unless it otherwise consents) and no Letter of Credit shall be issued, amended, renewed or extended unless (and upon issuance, amendment, renewal or extension of any Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (i) the sum of the LC Exposure shall not exceed the LC Sublimit, (ii) the Aggregate Revolving Exposure shall not exceed the Aggregate Revolving Commitment, (iii) the face amount of the Letters of Credit issued by the applicable Issuing Bank shall not exceed the LC Commitment of such Issuing Bank (unless it otherwise agrees) and (iv) following the effectiveness of any Maturity Date Extension Request with respect to the Revolving Commitments of any Class, the LC Exposure in respect of all Letters of Credit of such Class having an expiration date after the fifth Business Day prior to the applicable Existing Maturity Date shall not exceed the aggregate Revolving Commitments of such Class of the Consenting Lenders extended pursuant to Section 2.22. Each Issuing Bank agrees that it shall not permit any issuance, amendment, renewal or extension of a Letter of Credit to occur unless it shall give to the Administrative Agent written notice thereof as required under paragraph (l) of this Section. Notwithstanding anything herein to the contrary, an Issuing Bank shall have no obligation hereunder to issue any Letter of Credit if (x) any law applicable to such Issuing Bank from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit the issuance of letters of credit generally or the Letter of Credit in particular or (y) such issuance shall violate such Issuing Bank's internal policies that are applicable to letters of credit generally.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Revolving Maturity Date (unless such Letters of Credit have been cash collateralized or backstopped on or prior to such fifth Business Day pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank); provided that (x) any Letter of Credit may, upon the request of the Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional periods (but not beyond the date that is five Business Days prior to the Revolving Maturity Date (unless such Letters of Credit have been cash collateralized or backstopped on or prior to such fifth Business Day pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank)) unless the applicable Issuing Bank notifies the beneficiary thereof at least 30 days prior to the then-applicable expiration date that such Letter of Credit will not be renewed and (y) clause (c)(i) above shall not apply to a Letter of Credit if such long-dated Letter of Credit is consented to by the applicable Issuing Bank. For the avoidance of doubt, if the Revolving Maturity Date in respect of any Class of Revolving Commitments shall be extended pursuant to Section 2.22, "Revolving Maturity Date" as referenced in this paragraph shall refer, with respect to the Class of Letters of Credit associated with such Class of Revolving Commitments, to the Revolving Maturity Date in respect of any Class of Revolving Commitments as extended pursuant to Section 2.22; provided that, notwithstanding anything in this Agreement (including Section 2.22 hereof) or any other Loan Document to the contrary, the Revolving Maturity Date, as such term is used in reference to any Issuing Bank or any Letter of Credit issued thereby, may not be extended with respect to any Issuing Bank without the prior written consent of such Issuing Bank.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Lenders, the Issuing Bank that is the issuer of such Letter of Credit hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from

such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrower for any reason. Such payment by the Revolving Lenders shall be made (i) if the currency of the applicable LC Disbursement or reimbursement payment shall be in Dollars, then in Dollars and (ii) subject to paragraph (n) of this Section, if the currency of the applicable LC Disbursement or reimbursement shall be a Permitted Foreign Currency, then in Dollars in an amount equal to the Dollar Equivalent of such LC Disbursement or reimbursement payment, calculated by the Administrative Agent using the Exchange Rate on the applicable LC Participation Calculation Date. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender further acknowledges and agrees that, in issuing, amending, renewing or extending any Letter of Credit, the applicable Issuing Bank shall be entitled to rely, and shall not incur any liability for relying, upon the representation and warranty of the Borrower deemed made pursuant to Section 4.02 unless, at least one Business Day prior to the time such Letter of Credit is issued, amended, renewed or extended (or, in the case of an automatic renewal permitted pursuant to paragraph (c) of this Section, at least one Business Day prior to the time by which the election not to extend must be made by the applicable Issuing Bank), the Majority in Interest of the Revolving Lenders shall have notified the applicable Issuing Bank (with a copy to the Administrative Agent) in writing that, as a result of one or more events or circumstances described in such notice, one or more of the conditions precedent set forth in Section 4.02(a) or 4.02(b) would not be satisfied if such Letter of Credit were then issued, amended, renewed or extended (it being understood and agreed that, in the event any Issuing Bank shall have received any such notice, no Issuing Bank shall have any obligation to issue, amend, renew or extend any Letter of Credit until and unless it shall be satisfied that the events and circumstances described in such notice shall have been cured or otherwise shall have ceased to exist).

(e) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, then the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount in the currency of such LC Disbursement equal to such LC Disbursement not later than 12:00 noon, Local Time, on the Business Day immediately following the day that the Borrower receives such notice; provided that, in the case of an LC Disbursement denominated in Dollars in an amount equal to or in excess of \$500,000, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Borrowing in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing. If the Borrower fails to reimburse any LC Disbursement by the time specified above in this paragraph, the applicable Issuing Bank shall promptly notify the Administrative Agent, and the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the currency and amount of the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each applicable Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the amount

then due from the Borrower in the currency of the applicable LC Disbursement, in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders under this paragraph), and the Administrative Agent shall promptly remit to the applicable Issuing Bank the amounts so received by it from the applicable Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of an ABR Revolving Borrowing as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision thereof or hereof, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, the Issuing Banks or any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit, any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank (as finally determined by a court of competent jurisdiction in a final and nonappealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit, and any such acceptance or refusal shall be deemed not to constitute gross negligence or willful misconduct.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Administrative Agent and the Borrower in writing (via hand delivery, facsimile or other electronic imaging) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the applicable Revolving Lenders with respect to any such LC Disbursement in accordance with paragraph (e) of this Section.

(h) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement in full, at (i) in the case of any LC Disbursement denominated in Dollars, and at all times following the conversion to Dollars of the reimbursement obligation with respect to any LC Disbursement made in Euro or Sterling pursuant to paragraph (e) of this Section, at the rate per annum then applicable to ABR Revolving Loans and (ii) in the case of an LC Disbursement denominated in any other Permitted Foreign Currency, at all times prior to the conversion of the reimbursement obligation with respect thereto to Dollars pursuant to paragraph (e) of this Section, at a rate per annum determined by the applicable Issuing Bank (which determination will be conclusive absent manifest error) to represent its cost of funds plus the Applicable Rate used to determine interest applicable to LIBOR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement in full when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment, and shall be payable on demand or, if no demand has been made, on the date on which the Borrower reimburses the applicable LC Disbursement in full.

(i) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day on which the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, a Majority in Interest of the Revolving Lenders) demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders, an amount in cash (in the currency of each applicable Letter of Credit) equal to the LC Exposure of the Revolving Lenders with respect to the Letters of Credit issued on behalf of the Borrower as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Section 7.01. The Borrower also shall deposit cash collateral in accordance with this paragraph as and to the extent required by Section 2.11(b), 2.20(c) or 2.22(c). Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Notwithstanding the terms of any Security Document, moneys in such account shall be applied

by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to (i) the consent of a Majority in Interest of the Revolving Lenders (treating the Classes of Revolving Commitments and Revolving Loans as one Class) and (ii) in the case of any such application at a time when any Revolving Lender is a Defaulting Lender (but only if, after giving effect thereto, the remaining cash collateral shall be less than the aggregate LC Exposure of all the Defaulting Lenders), the consent of each Issuing Bank), be applied to satisfy other obligations of the Borrower under this Agreement. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived. If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.11(b), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower to the extent that, after giving effect to such return, the Aggregate Revolving Exposure in respect of the Revolving Commitments or Revolving Loans would not exceed the Aggregate Revolving Commitment and no Default shall have occurred and be continuing. If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.20(c), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower to the extent that, after giving effect to such return, no Issuing Bank shall have any exposure in respect of any outstanding Letter of Credit that is not fully covered by the Revolving Commitments of the non-Defaulting Lenders and/or the remaining cash collateral and no Default shall have occurred and be continuing

(j) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time with notice to the Administrative Agent, designate as additional Issuing Banks one or more Revolving Lenders, that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower and shall specify the LC Commitment of such Issuing Bank, executed by the Borrower, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and (ii) references herein to the term “Issuing Bank” shall be deemed to include such Revolving Lender in its capacity as an issuer of Letters of Credit hereunder.

(k) Resignation or Termination of an Issuing Bank. Any Issuing Bank may resign as a “Issuing Bank” hereunder upon 30 days’ prior written notice to the Administrative Agent, the Lenders, and the Borrower; provided that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant Issuing Bank shall have identified a successor Issuing Bank reasonably acceptable to the Borrower willing to accept its appointment as successor Issuing Bank and the effectiveness of such resignation shall be conditioned upon such successor assuming the rights and duties of the Issuing Bank. In the event of any such resignation as Issuing Bank, the Borrower shall be entitled to appoint from among the Lenders a successor Issuing Bank hereunder; provided, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of the resigning Issuing Bank except as expressly provided above. The Borrower may terminate the appointment of any Issuing Bank as an “Issuing Bank” hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Issuing Bank acknowledging receipt of such notice and (ii) the third Business Day following the date of the delivery thereof; provided that no such termination shall become

effective until and unless the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such resignation or termination shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the resigning or terminated Issuing Bank pursuant to Section 2.12(b). Notwithstanding the effectiveness of any such resignation or termination, the resigning or terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or termination, but shall not be required to issue any additional Letters of Credit.

(l) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancelations and all disbursements and reimbursements, (ii) reasonably prior to the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the stated amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date, amount and currency of such LC Disbursement, (iv) on any Business Day on which the Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and the currency and amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(m) LC Exposure Determination. For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at the time of determination.

SECTION 2.06. Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 3:00 p.m., Local Time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower and designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement denominated in Dollars as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.05(e) to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender

has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, (A) in the case of Loans denominated in Dollars, the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (B) in the case of Loans denominated in a Permitted Foreign Currency, the Overnight Eurocurrency Rate or (ii) in the case of the Borrower, the interest rate applicable to (A) in the case of Loans denominated in Dollars, ABR Loans of the applicable Class and (B) in the case of Loans denominated in a Permitted Foreign Currency, the interest rate applicable to the subject Loan pursuant to Section 2.13. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.07. Interest Elections. (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurocurrency Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a Borrowing of a different Type (provided that Eurocurrency Borrowings denominated in a Permitted Foreign Currency may not be converted into ABR Borrowings but instead must be prepaid in the original currency of such Loan) or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election in writing by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery, facsimile or other electronic transmission to the Administrative Agent of a written Interest Election Request signed by a Financial Officer of the Borrower.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is to be a Eurocurrency Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurocurrency Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period (i) in the case of a Eurocurrency Borrowing denominated in Dollars, such Borrowing shall be converted to an ABR Borrowing and (ii) in the case of a Eurocurrency Borrowing denominated in a Permitted Foreign Currency, such Borrowing shall be continued as a Borrowing of the applicable Type for an Interest Period of one month. Notwithstanding any contrary provision hereof, if an Event of Default under clause (h) or (i) of Section 7.01 has occurred and is continuing with respect to the Borrower, or if any other Event of Default has occurred and is continuing and the Administrative Agent, at the request of a Majority in Interest of the Lenders of any Class has notified the Borrower of the election to give effect to this sentence on account of such other Event of Default, then, in each such case, so long as such Event of Default is continuing, (i) no outstanding Borrowing denominated in Dollars may be converted to or continued as a Eurocurrency Borrowing, (ii) unless repaid, each Eurocurrency Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid, each Eurocurrency Borrowing denominated in a Permitted Foreign Currency shall be continued as a Eurocurrency Borrowing with an Interest Period of one month's duration.

SECTION 2.08. Termination and Reduction of Commitments. (a) Unless previously terminated, (i) the Tranche A Term Commitments shall automatically terminate and be reduced to \$0 on the Closing Date upon the making of the Tranche A Term Loans and (ii) the Revolving Commitments shall automatically terminate and be reduced to \$0 on the Revolving Maturity Date.

(b) The Borrower may at any time terminate, or from time to time permanently reduce, the Commitments of any Class; provided that (i) each partial reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11, the Aggregate Revolving Exposure would exceed the Aggregate Revolving Commitment.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three Business

Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination or reduction of the Revolving Commitments delivered under this paragraph may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

SECTION 2.09. Repayment of Loans; Evidence of Debt. (a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan made by such Revolving Lender to the Borrower on the Revolving Maturity Date and (ii) to the Administrative Agent for the account of each Tranche A Term Lender the then unpaid principal amount of each Tranche A Term Loan made by such Tranche A Term Lender to the Borrower as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder. The records maintained by the Administrative Agent and the Lenders shall be prima facie evidence of the existence and amounts of the obligations of the Borrower in respect of Loans made to the Borrower, LC Disbursements, interest and fees due or accrued, in each case, with respect to the Borrower hereunder; provided that the failure of the Administrative Agent or any Lender to maintain such records or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section, the accounts maintained by the Administrative Agent maintained pursuant to paragraph (c) of this Section shall control.

(c) The Administrative Agent shall, in connection with maintenance of the Register in accordance with Section 9.04(b)(iv) maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal, premium, interest or fees due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) Any Lender may request that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrower of such Loans shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

SECTION 2.10. Amortization of Tranche A Term Loans. (a) Subject to adjustment pursuant to paragraph (c) of this Section, the Borrower shall repay to the Administrative Agent, for the account of each Tranche A Term Lender, Tranche A Term Borrowings on each date set forth below in the aggregate principal amount set forth opposite such date (provided that if any such date is not a Business Day, such payment shall be due on the immediately preceding Business Day):

(d) Prior to any repayment of any Term Borrowings of any Class under this Section, the Borrower shall select the Borrowing or Borrowings of the applicable Class to be repaid and shall notify the Administrative Agent in writing (via hand delivery, facsimile or other electronic imaging) of such selection not later than 1:00 p.m., New York City time, three Business Days before the scheduled date of such repayment. Any optional prepayment by the Borrower of Incremental Tranche B Term Loans shall be applied to reduce the subsequent scheduled repayments to be made pursuant to this Section as directed by the Borrower.

(f) The Borrower shall repay to the Administrative Agent, for the account of each Refinancing Tranche B Term Lender, Refinancing Tranche B Term Loans made pursuant to the First Refinancing Facility Amendment on the last day of each fiscal quarter, commencing with the first full fiscal quarter ending after the First Refinancing Facility Agreement Effective Date, in an amount equal to 0.25% of the outstanding principal amount of the Refinancing Tranche B Term Loans on the First Refinancing Facility Agreement Effective Date, with the unpaid balance being payable on the Refinancing Tranche B Term Maturity Date. Any optional prepayment by the Borrower of Refinancing Tranche B Term Loans shall be applied to reduce the subsequent scheduled repayments to be made pursuant to this Section as directed by the Borrower.

SECTION 2.11. Prepayment of Loans. (a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, without premium or penalty, subject to Section 2.11(h) below and Section 2.16.

(b) In the event and on each occasion that the Aggregate Revolving Exposure exceeds the Aggregate Revolving Commitment (including as a result of any revaluation of the Dollar Equivalent of any Loan or Letter of Credit pursuant to Section 1.09), the Borrower shall, within one Business Day, prepay its Revolving Borrowings (or, if no such Revolving Borrowings are outstanding, deposit cash collateral in an account with the Administrative Agent in accordance with Section 2.05(i)) in an aggregate amount equal to such excess.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any Restricted Subsidiary in respect of any Prepayment Event (including by the Administrative Agent as loss payee in respect of any Prepayment Event described in clause (b) of the definition of the term "Prepayment Event"), the Borrower shall, within five Business Days after such Net Proceeds are received, prepay Term Borrowings in an aggregate amount equal to 100% of the amount of such Net Proceeds (or, if the Borrower or any of its Restricted Subsidiaries has incurred Indebtedness that is permitted under Section 6.01 that is secured, on an equal and ratable basis with the Term Loans, by a Lien on the Collateral permitted under Section 6.02, and such Indebtedness is required to be prepaid or redeemed with the Net Proceeds of any event described in clause (a) or (b) of the definition of the term "Prepayment Event", then by such lesser percentage of such Net Proceeds such that such Indebtedness receives no greater than a ratable percentage of such Net Proceeds based upon the aggregate principal amount of the Term Loans and such Indebtedness then outstanding) (such Net Proceeds amount, as reduced in accordance with the proviso to this paragraph (c), the "Net Proceeds Prepayment Amount"); provided that, in the case of any event described in clause (a) or (b) of the definition of the term "Prepayment Event" and so long as no Event of Default under Section 7.01(a), 7.01(b) or, solely with respect to the Borrower, Section 7.01(h) or 7.01(i) has occurred and be continuing if the Borrower shall, on or prior to the date of the required prepayment, deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Borrower intends to cause the Net Proceeds from such event (or a portion thereof specified in such certificate) to be applied within 365 days after receipt of such Net Proceeds to be reinvested in the business of the Borrower or its Restricted Subsidiaries, or to enter into an acquisition permitted by this Agreement, then no prepayment shall be required pursuant to this paragraph in respect of the Net Proceeds in respect of such event (or the portion of such Net Proceeds specified in such certificate, if applicable) except to the extent of any such Net Proceeds that have not been so applied by the end of such 365-day period (or within a period of 180 days thereafter if by the end of such initial 365-day period the Borrower or one or more Restricted Subsidiaries shall have committed to invest such proceeds), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so applied.

(d) Following the end of each fiscal year of the Borrower, commencing with the fiscal year ending December 31, 2020, the Borrower shall prepay Term Borrowings in an aggregate amount equal to the Specified ECF Percentage of Excess Cash Flow for such fiscal year (such amount, as reduced in accordance with the provisos to this paragraph (d), the "ECF Sweep Amount"); provided that such amount shall be reduced by the aggregate amount of prepayments of Term Borrowings and Revolving Borrowings (but only to the extent accompanied by a permanent reduction of the corresponding Commitment) made pursuant to paragraph (a) of this Section and the aggregate amount of voluntary prepayments or repurchases of other Indebtedness secured by the Collateral on a pari passu basis to the Liens on the

Collateral securing the Obligations, in each case, during such fiscal year (and, at the Borrower's option (and without deducting such amounts against the subsequent fiscal year's prepayment computation pursuant to this paragraph (d)), after the end of such fiscal year but prior to the date on which the prepayment pursuant to this Section for such fiscal year is required to have been made); provided further that, in the case of any Term Loan (or other relevant Indebtedness) prepaid in connection with the purchase thereof by a Purchasing Borrower Party pursuant to Section 9.04(e) at a discount to par (or the below-par purchase or prepayment of any other relevant Indebtedness), the prepayment required pursuant to this Section shall be reduced, with respect to the prepayment of such Term Loan (or other Indebtedness), only by the actual amount of cash paid to the applicable Lender or Lenders (or other lender(s) or holder(s)) in connection with such purchase. Each prepayment pursuant to this paragraph shall be made on or before the date on which financial statements are delivered pursuant to Section 5.01(a) with respect to the fiscal year for which Excess Cash Flow is being calculated (and in any event not later than the last day on which such financial statements may be delivered in compliance with such Section).

(e) Notwithstanding any other provisions of Section 2.11(c) or (d), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event by or Excess Cash Flow of a Foreign Subsidiary of the Borrower giving rise to a prepayment pursuant to Section 2.11(c) or (d) (a "Foreign Prepayment Event") are prohibited or delayed by applicable local law from being repatriated to the Borrower, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or (d), as the case may be, and such amounts may be retained by such Subsidiary, and once the Borrower has determined in good faith that such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law, then the amount of such Net Proceeds or Excess Cash Flow will be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved if such amounts were repatriated) to the repayment of the Term Loans pursuant to Section 2.11(c) or (d), as applicable, (B) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would have a material adverse tax or cost consequence with respect to such Net Proceeds or Excess Cash Flow, the amount of Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary; provided that when the Borrower determines in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would no longer have a material adverse tax consequence with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow shall be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved against if such amounts were repatriated) to the repayment of the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable, and (C) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would give rise to a risk of liability for the directors of such Subsidiary, the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary.

(f) Prior to any optional prepayment of Borrowings under this Section, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment delivered pursuant to paragraph (g) of this Section. In the event

of any mandatory prepayment of Term Borrowings made at a time when Term Borrowings of more than one Class remain outstanding, the aggregate amount of such prepayment shall be allocated among the Term Borrowings of each such Class (including the Incremental Tranche B Term Loans [and the Refinancing Tranche B Term Loans](#) and, to the extent provided in the Incremental Facility Amendment [or Refinancing Facility Agreement](#) for any Class of other Incremental Term Loans [or Refinancing Term Loans, respectively](#), the Borrowings of such Class) pro rata based on the aggregate principal amount of outstanding Borrowings of each such Class; provided that any Term Lender (including each Incremental Tranche B Term Lender and [Refinancing Tranche B Term Lender and](#), to the extent provided in the Incremental Facility Amendment [or Refinancing Facility Agreement](#) for any Class of other Incremental Term Loans [or Refinancing Term Loans](#), any Lender that holds ~~Incremental~~ Term Loans of such Class) may elect, by notice to the Administrative Agent in writing (via hand delivery, facsimile or other electronic imaging) at least one Business Day prior to the required prepayment date, to decline all or any portion of any prepayment of its Loans pursuant to this Section (other than (x) an optional prepayment pursuant to paragraph (a) of this Section or (y) a mandatory prepayment triggered by an event described in clause (c) of the definition of the term "Prepayment Event", neither of which may be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay such Loans may be retained by the Borrower.

(g) The Borrower shall notify the Administrative Agent in writing (via hand delivery, facsimile or other electronic imaging) of any optional prepayment and, to the extent practicable, any mandatory prepayment hereunder (i) in the case of a prepayment of a Eurocurrency Borrowing, not later than 1:00 p.m., Local Time, three Business Days before the date of prepayment or (ii) in the case of a prepayment of an ABR Borrowing, not later than 1:00 p.m., New York City time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that (A) if a notice of optional prepayment is given in connection with a conditional notice of termination of the Revolving Commitments as contemplated by Section 2.08, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.08 and (B) a notice of prepayment of Term Borrowings pursuant to paragraph (a) of this Section may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13.

(h) In the event that, on or prior to the date that is ~~twelve~~^{six} months after ~~December 18, 2019~~[the First Refinancing Facility Agreement Effective Date](#), the Borrower (A) prepays, repays, refinances, substitutes or replaces any ~~Incremental~~[Refinancing](#) Tranche B Term Loans in connection with a Repricing Transaction (including, for the avoidance of doubt, any prepayment made as a result of a Prepayment Event described in clause (c) thereof that constitutes a Repricing Transaction) or (B) effects any amendment, modification or waiver of, or consent under, this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each applicable ~~Incremental~~[Refinancing](#)

If, on or prior to the date that is ~~twelve~~six months after ~~December 18, 2019~~the First Refinancing Facility Agreement Effective Date, all or any portion of the ~~Incremental Refinancing~~ Tranche B Term Loans held by any ~~Incremental Refinancing~~ Tranche B Term Lender are prepaid, repaid, refinanced, substituted or replaced pursuant to Section 2.19 as a result of, or in connection with, such ~~Incremental Refinancing~~ Tranche B Term Lender not agreeing or otherwise consenting to any waiver, consent, modification or amendment in connection with a Repricing Transaction, such prepayment, repayment, refinancing, substitution or replacement will be made at 101% of the principal amount so prepaid, repaid, refinanced, substituted or replaced. All such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction in Dollars and in immediately available funds.

SECTION 2.12. Fees. (a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender (other than a Defaulting Lender) in accordance with its Pro Rata Share of the Aggregate Revolving Commitments for the period from and including the Closing Date to but excluding the date on which the Revolving Commitments terminate (or are otherwise reduced to zero), a commitment fee which shall accrue at the Applicable Rate on the average daily unfunded amount of the aggregate Revolving Commitment of such Revolving Lender. Such accrued commitment fees accrued through and including the last day of March, June, September and December of each year shall be payable in arrears on the fifteenth day following such last day and on the date on which all the Revolving Commitments terminate, commencing on the first such date to occur after the Closing Date. For purposes of computing commitment fees, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender.

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate then used to determine the interest rate applicable to Eurocurrency Revolving Loans on the average daily amount of such Lender's aggregate LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which all of such Lender's Revolving Commitments terminate and the date on which such Lender ceases to have any LC Exposure and (ii) to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.125% on the average daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date of termination of all the Revolving Commitments and the date on which there ceases to be any such LC Exposure, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the fifteenth day following such last day, commencing on the first such date to occur after the Closing Date; provided that all such fees shall be payable on the date on which all the Revolving Commitments terminate and any such fees accruing after the date on which all the Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand.

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(d) The Borrower agrees to pay to the Arrangers and the Administrative Agent, for the account of each applicable Arranger and Lender, such other fees as shall have been separately agreed upon in writing (including pursuant to the Fee Letter and including upfront fees, which may be in the form of original issues discounts to the Loans) in the amounts and at the times so specified.

(e) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Revolving Lenders entitled thereto. Fees paid hereunder shall not be refundable under any circumstances.

(f) All commitment fees, participation fees, fronting fees and other fees payable pursuant to this Section and all interest shall be computed on the basis of a year of 360 days, except that (i) interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate and (ii) interest computed for any Borrowing denominated in Sterling shall, in each case, be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

SECTION 2.13. Interest. (a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Eurocurrency Borrowing shall bear interest at the Adjusted Eurocurrency Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, and an Event of Default under Section 7.01(a), (b), (h) or (i) shall have occurred and be continuing, such overdue amount shall bear interest, on and from such date, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other overdue amount, 2.00% per annum plus the rate applicable to ABR Revolving Loans as provided in paragraph (a) of this Section. Payment or acceptance of the increased rates of interest provided for in this paragraph (c) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent, any Issuing Bank or any Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of a Revolving Loan of any Class, upon termination of the Revolving Commitments of such Class; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any

conversion of a Eurocurrency Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

SECTION 2.14. Alternate Rate of Interest.

(a) ~~Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section 2.14, if~~ prior to the commencement of any Interest Period for a Eurocurrency Borrowing of any Class:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted Eurocurrency Rate or the LIBO Rate, as the case may be, for such Interest Period; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by a Majority in Interest of the Lenders of such Class that Adjusted Eurocurrency Rate or the LIBO Rate as the case may be, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders of such Class by telephone, facsimile or other electronic imaging as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders of such Class that the circumstances giving rise to such notice no longer exist, (i) in the case of Borrowings denominated in Dollars, (A) any Interest Election Request that requests the conversion of any Borrowing of such Class to, or continuation of any Borrowing of such Class as, a Eurocurrency Borrowing shall be ineffective, and such Borrowing shall be continued as an ABR Borrowing and (B) any Borrowing Request for a Eurocurrency Borrowing of such Class shall be made as a request for an ABR Borrowing, and (ii) in the case of Borrowings denominated in Euros or Sterling, until the Administrative Agent notifies such Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) if such Eurocurrency Loan is denominated in Dollars, then on the last day of interest that shall apply to such Borrowing the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be such rate as converted by the Administrative Agent shall determine adequately and fairly reflects the cost to such Lenders (or Lender) of making or maintaining their to, and shall constitute, an ABR Loan denominated in Dollars on such day and (ii) if such Eurocurrency Loan is denominated in any Permitted Foreign Currency, then such Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), at the Borrower's election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Eurocurrency Loan, such Eurocurrency Loan denominated in any Permitted Foreign Currency other than Dollars shall be deemed to be a Eurocurrency Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Eurocurrency Loans (or its Loan) includeddenominated in Dollars at such Borrowing for such Interest Period plus the Applicable Rate then in effect for Eurocurrency Loans time.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, ~~upon the occurrence of if~~ a Benchmark Transition Event or an Early Opt-in Election, as applicable, ~~the Administrative Agent and the Borrower may amend~~ and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any

setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) or (2) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement to replace the LIBO Rate with or any other Loan Document and (y) if a Benchmark Replacement. ~~Any such amendment with~~ is determined in accordance with clause (3) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect to aof any Benchmark ~~Transition Event will become effective~~ setting at or after 5:00 p.m., New York City time, on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has ~~posted such proposed amendment to all Lenders and the Borrower, so long as the Administrative Agent has~~ not received, by such time, written notice of objection to such ~~proposed amendment~~ Benchmark Replacement from Lenders comprising the Required Lenders of each Class; ~~provided that, with respect to any proposed amendment containing any SOFR-Based Rate, the Lenders shall be entitled to object only to the Benchmark Replacement Adjustment contained therein. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders comprising the Required Lenders of each Class have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of LIBO Rate with a Benchmark Replacement will occur prior to the applicable Benchmark Transition Start Date.~~

(c) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, (x) with respect to a Loan denominated in Dollars, if a Term SOFR Transition Event and its related Benchmark Replacement Date or (y) with respect to a Loan denominated in Euros, if a Term ESTR Transition Event and its related Benchmark Replacement Date, as applicable, have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that, this clause (c) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Borrower a Term SOFR Notice or a Term ESTR Notice, as applicable. For the avoidance of doubt, the Administrative Agent shall not be required to deliver any (x) Term SOFR Notice after the occurrence of a Term SOFR Transition Event or (y) Term ESTR Notice after the occurrence of a Term ESTR Transition Event, and may do so in its sole discretion.

(d) ~~(e)~~ In connection with the implementation of a Benchmark Replacement, the Administrative Agent and the Borrower will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement; ~~provided that the Administrative Agent shall post any such amendment implementing such Benchmark Replacement Conforming Changes to the Lenders reasonably promptly after such amendment becomes effective~~ or any other Loan Document.

~~(e) (d)~~-The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes ~~and~~, (iv) the **removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the** commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party ~~hereto~~ **to this Agreement or any other Loan Document**, except, in each case, as expressly required pursuant to this Section.

~~(e) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing shall be ineffective, (ii) if any Borrowing Request requests a Eurocurrency Borrowing denominated in Dollars, such Borrowing shall be made as an ABR Borrowing and (iii) any request by the Borrower for a Eurocurrency Borrowing denominated in a Permitted Foreign Currency shall be ineffective~~

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR, Term ESTR or LIBO Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Eurocurrency Borrowing of, conversion to or continuation of Eurocurrency Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) the Borrower will be deemed to have converted any request for a Eurocurrency Borrowing denominated in dollars into a request for a Borrowing of or conversion to ABR Loans or (y) any Eurocurrency Borrowing denominated in a Permitted Foreign Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Eurocurrency Loan in any Permitted Foreign Currency is outstanding on the date of

the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Eurocurrency Loan, then until such time as a Benchmark Replacement for such Permitted Foreign Currency is implemented pursuant to this Section 2.14, (i) if such Eurocurrency Loan is denominated in Dollars, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, an ABR Loan denominated in Dollars on such day or (ii) if such Eurocurrency Loan is denominated in any Permitted Foreign Currency, then such Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), at the Borrower's election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Eurocurrency Loan, such Eurocurrency Loan denominated in any Permitted Foreign Currency shall be deemed to be a Eurocurrency Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Eurocurrency Loans denominated in Dollars at such time.

SECTION 2.15. Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any such reserve requirement reflected in the Adjusted Eurocurrency Rate) or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender, such Issuing Bank or such other Recipient hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender, such Issuing Bank or such other Recipient, the Borrower will pay to such Lender, such Issuing Bank or such other Recipient, as applicable, such additional amount or amounts as will compensate such Lender, such Issuing Bank or such other Recipient, as applicable, for such additional costs or expenses incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has had or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement, the

Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy), then, from time to time upon the request of such Lender or such Issuing Bank, the Borrower will pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section and the calculation thereof shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as applicable, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or expenses incurred or reductions suffered more than 180 days prior to the date that such Lender or such Issuing Bank, as applicable, notifies the Borrower of the Change in Law giving rise to such increased costs or expenses or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or expenses or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding any other provision of this Section, no Lender or Issuing Bank shall demand compensation for any increased cost or reduction pursuant to this Section if (i) it shall not at the time be the general policy or practice of such Lender or Issuing Bank to demand such compensation in similar circumstances under comparable provisions of other credit agreements and (ii) such increased cost or reduction is due to market disruption, unless such circumstances generally affect the banking market and when the Required Lenders have made such a request.

SECTION 2.16. Break Funding Payments. In the event of (a) the payment of any principal of any Eurocurrency Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurocurrency Loan on the date specified in any notice delivered pursuant hereto (whether or not such notice may be revoked in accordance with the terms hereof) or (d) the assignment of any Eurocurrency Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19(b) or 9.02(c), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event (excluding loss of profit). In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted Eurocurrency Rate, that would have been applicable to such Loan (but not including the Applicable Rate applicable thereto), for the period from the date of such event to the last day

of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate that such Lender would bid were it to bid, at the commencement of such period, for deposits in the applicable currency of a comparable amount and period from other banks in the London interbank market. A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section and the reasons therefor, and showing the calculation thereof, shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof. Notwithstanding the foregoing, this Section will not apply to losses, costs or expenses resulting from Taxes.

SECTION 2.17. Taxes. (a) Payment Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under this Agreement or any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the

obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case that are payable or paid by the Administrative Agent in connection with this Agreement or any other Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from, or reduction of, withholding Tax with respect to payments made under this Agreement or any other Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), 2.17(f)(ii)(B) or 2.17(f)(ii)(D)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under this Agreement or any other Loan Document, executed originals of IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal

withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under this Agreement or any other Loan Document, IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10-percent shareholder” of the Borrower within the meaning of Section 871(h)(3)(B) of the Code or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN or Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 or Exhibit J-3, IRS Form W-9 and/or another certification document from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-4 on behalf of each such direct or indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from, or a reduction in, U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under this Agreement or any other Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation

reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Closing Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts paid pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph, in no event will any indemnified party be required to pay any amount to any indemnifying party pursuant to this paragraph the payment of which would place such indemnified party in a less favorable net after-Tax position than such indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Loan Documents.

(i) For purposes of this Section, the term "Lender" includes any Issuing Bank and the term "applicable law" includes FATCA.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Setoffs. (a) Except to the extent otherwise provided herein, the Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 1:00 p.m., New York City time), on the date when due, in immediately available funds, without any defense, setoff, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall

be made to such account or accounts as may be specified by the Administrative Agent, except that payments required to be made directly to any Issuing Bank shall be so made, payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payment received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under this Agreement or any other Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder of principal or interest in respect of any Loan or LC Disbursement shall, except as otherwise expressly provided herein, be made in the currency of such Loan or LC Disbursement; all other payments hereunder and under each other Loan Document shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal or interest on any of its Revolving Loans, Term Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans, Term Loans and participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall notify the Administrative Agent of such fact and shall purchase (for cash at face value) participations in the Revolving Loans, Term Loans and participations in LC Disbursements of other Lenders to the extent necessary so that the aggregate amount of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal and accrued interest on their respective Revolving Loans, Term Loans and participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any Eligible Assignee, to the Borrower or any Subsidiary or other Affiliate thereof in a transaction that complies with the terms of Section 9.04(e) or (f), as applicable. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole

discretion, distribute to the Lenders or the Issuing Banks, as applicable, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Banks, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(d) or (e), 2.06(a) or (b), 2.17(e), 2.18(d) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations in respect of such payment until all such unsatisfied obligations have been discharged and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.15, or if any Loan Party is required to pay any Indemnified Taxes or additional amounts to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agree to pay all reasonable and documented assignment fees in connection with any such designation or assignment and delegation.

(b) If (i) any Lender has requested compensation under Section 2.15, (ii) a Loan Party is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender has become a Defaulting Lender or (iv) any Lender has become a Declining Lender under Section 2.22, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents (or, in the case of any such assignment and delegation resulting from a Lender having become a Declining Lender, all its interests, rights and obligations under this Agreement and the other Loan Documents as a Lender of the applicable Class with respect to which such Lender is a Declining Lender) to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and, if a Revolving Commitment is being assigned, each Issuing Bank), which consent shall not unreasonably be withheld or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed participations in LC Disbursements, accrued

interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder (including, if applicable, the prepayment fee pursuant to Section 2.11(h) (with such assignment being deemed to be an optional prepayment for purposes of determining the applicability of such Section)) (if applicable, in each case only to the extent such amounts relate to its interest as a Lender of a particular Class) from the assignee (in the case of such principal and accrued interest and fees (other than any fee payable pursuant to Section 2.11(h)) or the Borrower (in the case of all other amounts (including any fee payable pursuant to Section 2.11(h))), (C) the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b), (D) in the case of any such assignment and delegation resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a material reduction in such compensation or payments and (E) such assignment and delegation does not conflict with applicable law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver or consent by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation have ceased to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

SECTION 2.20. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) commitment fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) the Commitments, Loans and Revolving Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders or any other requisite Lenders have taken or may take any action hereunder or under any other Loan Document (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders adversely affected thereby shall, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof;

(c) if any LC Exposure exists at the time a Revolving Lender becomes a Defaulting Lender, then:

(i) [reserved];

(ii) all or any part of the LC Exposure (other than any portion thereof attributable to unreimbursed LC Disbursements with respect to which such Defaulting Lender shall have funded its participation as contemplated by Sections 2.05(e) and 2.05(f)) of such Defaulting Lender shall be reallocated among the non-Defaulting Revolver Lenders in accordance with their respective Applicable Percentages but only to the extent that (x) the sum of all non-Defaulting Revolving Lenders' Revolving Exposures plus such Defaulting Lender's LC Exposure does not exceed the sum of all non-Defaulting Revolving Lenders' Revolving Commitments and (y) such reallocation does not cause the aggregate Revolving Exposure of any non-Defaulting Lender to exceed such non-Defaulting Lender's Revolving Commitment; provided that,

subject to Section 9.18, no reallocation under this clause (ii) shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender's increased exposure following such reallocation;

(iii) if the reallocation described in clause (ii) above cannot, or can only partially, be effected, the Borrower shall within one Business Day following notice by the Administrative Agent cash collateralize for the benefit of the Issuing Banks the portion of such Defaulting Lender's LC Exposure that has not been reallocated in accordance with the procedures set forth in Section 2.05(i) for so long as such LC Exposure is outstanding;

(iv) if any portion of such Defaulting Lender's LC Exposure is cash collateralized pursuant to clause (iii) above, the Borrower shall not be required to pay participation fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such portion of such Defaulting Lender's LC Exposure for so long as such Defaulting Lender's LC Exposure is cash collateralized;

(v) if any portion of the LC Exposure of such Defaulting Lender is reallocated pursuant to clause (ii) above, then the fees payable to the Lenders pursuant to Sections 2.12(a) and 2.12(b) shall be adjusted to give effect to such reallocation;

(vi) [reserved]; and

(vii) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (ii) or (iii) above, then, without prejudice to any rights or remedies of any Issuing Bank or any other Lender hereunder, all participation fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Banks (and allocated among them ratably based on the amount of such Defaulting Lender's LC Exposure attributable to Letters of Credit issued by each Issuing Bank) until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(d) so long as such Revolving Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, amend, renew or extend any Letter of Credit unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be fully covered by the Revolving Commitments of the non-Defaulting Revolving Lenders and/or cash collateral provided by the Borrower in accordance with Section 2.20(c), and participating interests in any such issued, amended, renewed or extended Letter of Credit will be allocated among the non-Defaulting Revolving Lenders in a manner consistent with Section 2.20(c)(ii) (and such Defaulting Lender shall not participate therein).

In the event that (i) a Bankruptcy Event with respect to a Revolving Lender Parent shall occur following the Closing Date and for so long as such Bankruptcy Event shall continue or (ii) any applicable Issuing Bank has a good faith belief that any Revolving Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, such Issuing Bank shall not be required to issue, amend, renew or extend any Letter of Credit, unless such Issuing Bank shall have entered into arrangements

with the Borrower or the applicable Revolving Lender, satisfactory to such Issuing Bank to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Borrower and each applicable Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused the applicable Revolving Lender to be a Defaulting Lender, then the LC Exposure of the Revolving Lenders shall be readjusted to reflect the inclusion of such Revolving Lender's Revolving Commitment and on such date such Revolving Lender shall purchase at par such of the Revolving Loans of the applicable Class of the other Revolving Lenders of such Class as the Administrative Agent shall determine may be necessary in order for such Revolving Lender to hold such Revolving Loans of such Class in accordance with its Applicable Percentage; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Revolving Lender was a Defaulting Lender; provided further that, except as otherwise expressly agreed by the affected parties, no change hereunder from a Defaulting Lender to a non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Revolving Lender's having been a Defaulting Lender.

SECTION 2.21. Incremental Extensions of Credit. (a) At any time and from time to time, commencing on the Closing Date and ending on the latest Maturity Date, subject to the terms and conditions set forth herein, the Borrower may, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request (i) to add one or more additional tranches of term loans denominated in Dollars (the "Incremental Term Loans"), (ii) one or more increases in the aggregate amount of any Class of Term Loans (each such increase, a "Incremental Term Loan Increase"), (iii) to add one or more additional tranches of revolving commitments (each, an "Incremental Revolving Commitment", and the loans made pursuant thereto, the "Incremental Revolving Loans"), (iv) solely during the Revolving Availability Period, one or more increases in the aggregate amount of the Revolving Commitments (each such increase, a "Revolving Commitment Increase" and, together with the Incremental Term Loans, any Incremental Term Loan Increase, any Alternative Incremental Facility Debt and the Incremental Revolving Commitments, the "Incremental Extensions of Credit", the Incremental Revolving Commitments and the Incremental Revolving Loans, together with the Incremental Term Loans, any Revolving Commitment Increase and any Incremental Term Loan Increase, the "Incremental Facilities") or (v) Alternative Incremental Facility Debt, in an aggregate principal amount of up to (i) the sum of (x) the greater of ~~\$200,000,000~~ \$300,000,000 and ~~40.0~~ 75.0% of Consolidated EBITDA for the four consecutive fiscal quarters of the Borrower most recently ended on such date for which financial statements have been delivered pursuant to Section 5.01(a) or (b), plus (y) the amount of any voluntary prepayments of the Term Loans and any Alternative Incremental Facility Debt and permanent reductions in the amount of the Revolving Commitments, in each case, to the extent not funded with long-term Indebtedness (the sum of (x) and (y), the "Incremental Dollar Basket"), plus (ii) an additional amount if, after giving effect to the incurrence of such additional amount and the application of the proceeds therefrom (assuming that the full amount of such Incremental Extensions of Credit being established on such date has been funded on such date), the First Lien Leverage Ratio is equal to or less than ~~2.25~~ 2.75 to 1.00 (assuming any such Incremental Revolving Commitments being established on such date are fully drawn and excluding any amounts incurred concurrently in reliance on the Incremental Dollar Basket) (it being understood that if the proceeds of the relevant Incremental Extensions of Credit will be applied to finance a Limited Condition Transaction and the Borrower has made an LCT Election, compliance with the First Lien Leverage Ratio test prescribed above may be determined as of the LCT Test Date in respect of such Limited Condition Transaction on a Pro Forma Basis) (the "Incremental Ratio")

Basket"); provided that, at the time of each such request and upon the effectiveness of each Incremental Facility Amendment, (A) no Event of Default has occurred and is continuing or shall result therefrom (or, in the event the proceeds of any Incremental Extension of Credit are used to finance any Limited Condition Transaction permitted hereunder for which the Borrower has made an LCT Election, no Event of Default shall exist and be continuing as of the LCT Test Date for such Limited Condition Transaction), (B) the representations and warranties of the Borrower and each other Loan Party, as applicable, set forth in the Loan Documents would be true and correct in all material respects (or, in the case of representations and warranties qualified as to materiality or Material Adverse Effect, in all respects) on and as of the date of, and immediately after giving effect to, the incurrence of such Incremental Extension of Credit (or, if incurred in connection with a Limited Condition Transaction, on the LCT Test Date) (provided that in the event the proceeds of any Incremental Extension of Credit are used to finance any Investment permitted hereunder, such condition precedent related to the making and accuracy of such representations and warranties may be waived or limited as agreed between the Borrower and the Lenders providing such Incremental Extension of Credit, without the consent of any other Lenders) and (C) the Borrower shall have delivered a certificate of a Financial Officer to the effect set forth in clauses (A) and (B) above. Each Class of Incremental Term Loans and Incremental Revolving Commitments, and each Revolving Commitment Increase, shall be in an integral multiple of the \$5,000,000 and be in an aggregate principal amount that is not less than \$25,000,000; provided that such amount may be less than \$25,000,000 if such amount represents all the remaining availability under the aggregate principal amount of Incremental Extensions of Credit set forth above.

(b) The Incremental Facilities (i) shall be documented pursuant to an Incremental Facility Amendment and rank pari passu in right of payment in respect of the Collateral and with the Obligations in respect of the Revolving Commitments and the Initial Term Loans, (ii) shall not have a borrower other than the Borrower, (iii) shall not be secured by any property or assets of the Borrower or any Restricted Subsidiary other than the Collateral or guaranteed by any Subsidiaries other than the Loan Parties and (iv) shall, except as otherwise set forth herein, be on terms and subject to conditions as agreed between the Borrower and the Lenders providing the applicable Incremental Extension of Credit and to the extent such terms (other than with respect to maturity, amortization and pricing) are inconsistent with those governing the other Loans hereunder, the covenants and events of default of any Incremental Facility shall be, when taken as a whole, no more favorable to the Lenders providing the applicable Incremental Facility than the terms governing the Loans hereunder (as determined in good faith by the Borrower), unless (1) the Lenders receive the benefit of such more restrictive terms (it being understood to the extent that any covenant is added for the benefit of any Incremental Facility, no consent shall be required from the Administrative Agent or any Lender to the extent that such covenant is also added for the benefit of the Lenders), (2) such more restrictive terms only apply after the Latest Maturity Date or (3) such terms shall be reasonably satisfactory to the Administrative Agent and the Borrower; provided, further, that (A) any Incremental Tranche A Term Loan shall not have (1) a final maturity date earlier than the Tranche A Term Maturity Date (but may have "springing maturity" provisions that are not more favorable to the lenders than those contained in this Agreement with respect to the Tranche A Term Loans) or (2) a weighted average life to maturity that is shorter than the remaining weighted average life to maturity of the then-remaining Tranche A Term Loans; provided that the requirements set forth in the foregoing clause (A) shall not apply to any Indebtedness consisting of a customary bridge facility so long as such bridge facility converts into long-term Indebtedness that satisfies this clause (A); (B) any Incremental Tranche B Term Loan shall not have (1) a final maturity date earlier than the Maturity Date for any then outstanding Term Loans (but may have "springing maturity" provisions that are not more favorable to the lenders than

those contained in this Agreement with respect to the then outstanding Term Loans) or (2) a weighted average life to maturity that is shorter than the remaining weighted average life to maturity of the then-remaining Term Loans; provided that the requirements set forth in the foregoing clause (B) shall not apply to any Indebtedness consisting of a customary bridge facility so long as such bridge facility converts into long-term Indebtedness that satisfies this clause (B); (C) any Incremental Revolving Commitment or any Revolving Commitment Increase shall not have a maturity date that is earlier than the Revolving Maturity Date and shall not require any scheduled amortization or mandatory commitment reductions prior to the Revolving Maturity Date and (D) any Incremental Term Loan Increase shall be treated the same as the Class of Term Loans being increased (including with respect to maturity date thereof), shall be considered to be part of the Class of Term Loans being increased and shall be on the same terms applicable to such Term Loans. Notwithstanding anything to the contrary in this Agreement and for the avoidance of doubt, any Incremental Facility Amendment may contain “most favored lender” and call protection provisions and, in the case of any Incremental Facility Amendment documenting any Incremental Tranche B Term Loan, provisions then customary for loans of such Type. Notwithstanding the foregoing, if the all-in-yield applicable to any such Incremental Term Loan B Facility determined as of the initial funding date for such Incremental Term Loan B Facility is more than 0.50% higher than the corresponding all-in-yield applicable to the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans, then the interest rate margin for the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans, as the case may be, shall be increased by an amount equal to the difference between the all-in-yield with respect to such Incremental Term Loan B Facility and the corresponding all-in-yield on the Incremental Tranche B Term Loans or Refinancing Tranche B Term Loans, as applicable, minus 0.50% (for purposes of such calculation and with respect to any such facility, (x) subject to clause (z) below, all-in yield shall be deemed to include all upfront fees and original issue discount (based on a four-year average life to maturity or, if less, the remaining life to maturity) payable to all lenders providing such facility, (y) if the Incremental Term Loan B Facility includes a “LIBOR” interest rate floor greater than the applicable interest rate floor with respect to the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans and such floor is greater than the LIBO Rate for a 3-month Interest Period at such time, such excess amount (above the greater of such floor and such LIBO Rate) shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the interest rate margin under the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans shall be required, but only to the extent an increase in the interest rate floor in the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans, as applicable, would cause an increase in the interest rate then in effect thereunder, and in such case, the interest rate floor (but not the interest rate margin) applicable to the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans, as applicable, shall be increased to the extent of such excess and (z) all-in yield shall exclude structuring, advisory, success, underwriting, commitment, arrangement, ticking, amendment, consent and similar fees payable in connection therewith whether or not shared with all lenders providing such facility and any other fees not paid by the Borrower generally to all lenders providing such facility ratably or, if only one lender (or affiliated group of lenders) is providing such facility, are fees of the type not customarily shared with lenders generally).

(c) Any additional bank, financial institution, existing Lender or other Person that elects to extend Incremental Extensions of Credit (i) shall, to the extent a consent would be required under Section 9.04 if such additional bank, financial institution, existing Lender or other Person were taking an assignment of Loans or Commitments, be approved by the Borrower and the Administrative Agent (and, in the case of any Incremental Revolving Commitment or Revolving Commitment Increase, each applicable Issuing Bank) (such approval not be

unreasonably withheld) (any such bank, financial institution, existing Lender or other Person being called an “Additional Lender”) and (ii) if not already a Lender, shall become a Lender under this Agreement pursuant to an amendment (an “Incremental Facility Amendment”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each such Additional Lender and the Administrative Agent. No Lender shall be obligated to provide any Incremental Extension of Credit unless it so agrees. Commitments in respect of any Incremental Extension of Credit shall become Commitments (or in the case of any Revolving Commitment Increase to be provided by an existing Revolving Lender, an increase in such Lender’s Revolving Commitment) under this Agreement upon the effectiveness of the applicable Incremental Facility Amendment. An Incremental Facility Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement or to any other Loan Document as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section (including to provide for voting provisions applicable to the Additional Lenders comparable to the provisions of clause (B) of the second proviso of Section 9.02(b)). To the extent required by the relevant Additional Lenders as set forth in the relevant Incremental Facility Amendment, the effectiveness of any Incremental Facility Amendment and the making of the initial Borrowings thereunder shall be subject to the satisfaction on the effective date thereof of each of the conditions set forth in clauses (a) and (b) of Section 4.02 (it being understood and agreed that all references to a Borrowing in clauses (a) and (b) of Section 4.02 shall be deemed to refer to the applicable Incremental Facility Amendment).

(d) On the date of effectiveness of any Revolving Commitment Increase, (i) the aggregate principal amount of the Revolving Loans outstanding (the “Existing Revolving Borrowings”) immediately prior to the effectiveness of such Revolving Commitment Increase shall be deemed to be repaid, (ii) each Revolving Commitment Increase Lender that shall have had a Revolving Commitment prior to the effectiveness of such Revolving Commitment Increase shall pay to the Administrative Agent in same day funds an amount equal to the amount, if any, by which (A) (1) such Revolving Commitment Increase Lender’s Applicable Percentage (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Resulting Revolving Borrowings (as hereinafter defined) exceeds (B) (1) such Revolving Commitment Increase Lender’s Applicable Percentage (calculated without giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Existing Revolving Borrowings, (iii) each Revolving Commitment Increase Lender that shall not have had a Revolving Commitment prior to the effectiveness of such Revolving Commitment Increase shall pay to the Administrative Agent in same day funds an amount equal to (1) such Revolving Commitment Increase Lender’s Applicable Percentage (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Resulting Revolving Borrowings, (iv) after the Administrative Agent receives the funds specified in clauses (ii) and (iii) above, the Administrative Agent shall pay to each Revolving Lender of the Applicable Class the portion of such funds that is equal to the amount, if any, by which (A) (1) such Revolving Lender’s Applicable Percentage (calculated without giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Existing Revolving Borrowings, exceeds (B) (1) such Revolving Lender’s Applicable Percentage (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Resulting Revolving Borrowings, (v) after the effectiveness of such Revolving Commitment Increase, the Borrower shall be deemed to have made new Revolving Borrowings (the “Resulting Revolving Borrowings”) in an aggregate principal amount equal to the aggregate principal amount of the Existing Revolving Borrowings and of the Types and for the Interest Periods specified in a Borrowing Request delivered to the Administrative Agent in accordance with Section 2.03 (and

the Borrower shall deliver such Borrowing Request), (vi) each Revolving Lender of the Applicable Class shall be deemed to hold its Applicable Percentage of each Resulting Revolving Borrowing (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) and (vii) the Borrower shall pay each Revolving Lender any and all accrued but unpaid interest on its Loans comprising the Existing Revolving Borrowings. The deemed payments of the Existing Revolving Borrowings made pursuant to clause (i) above shall be subject to compensation by the Borrower pursuant to the provisions of Section 2.16 if the date of the effectiveness of such Revolving Commitment Increase occurs other than on the last day of the Interest Period relating thereto. Upon each Revolving Commitment Increase pursuant to this Section, each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Revolving Commitment Increase Lender, and each such Revolving Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Lender's participations hereunder in outstanding Letters of Credit such that, after giving effect to such Revolving Commitment Increase and each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit held by each Revolving Lender (including each such Revolving Commitment Increase Lender) will equal such Revolving Lender's Applicable Percentage.

(e) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

(f) The Borrower may (i) incur Incremental Facilities under the Incremental Dollar Basket or the Incremental Ratio Basket in such order as it may elect in its sole discretion and shall be allowed to classify under which basket such Incremental Facilities are being incurred at the time of such Incurrence and (ii) later reclassify Indebtedness incurred under the Incremental Dollar Basket as incurred under the Incremental Ratio Basket, if at the time of such reclassification, the Borrower would have been permitted to incur such Indebtedness under the Incremental Ratio Basket.

SECTION 2.22. Extension of Maturity Date.

(a) The Borrower may, by delivery of a Maturity Date Extension Request to the Administrative Agent (which shall promptly deliver a copy thereof to each of the Lenders) not less than 30 days prior to the then-existing Maturity Date for the applicable Class of Commitments and/or Loans hereunder to be extended (the "Existing Maturity Date"), request that the Lenders extend the Existing Maturity Date in accordance with this Section; provided that, for the avoidance of doubt, each Lender may elect to agree or not agree, in its sole discretion, to an extension of a Maturity Date. Each Maturity Date Extension Request shall (i) specify the applicable Class of Commitments and/or Loans hereunder to be extended, (ii) specify the date to which the applicable Maturity Date is sought to be extended, (iii) specify the changes, if any, to the Applicable Rate to be applied in determining the interest payable on the Loans of, and fees payable hereunder to, Consenting Lenders (as defined below) in respect of that portion of their Commitments and/or Loans extended to such new Maturity Date and the time as of which such changes will become effective (which may be prior to the Existing Maturity Date) and (iv) specify any other amendments or modifications to this Agreement to be effected in connection with such Maturity Date Extension Request; provided that no such changes or modifications requiring approvals pursuant to the provisos to Section 9.02(b) shall become effective prior to the Existing Maturity Date unless such other approvals have been obtained. In

the event a Maturity Date Extension Request shall have been delivered by the Borrower, each Lender shall have the right to agree to the extension of the Existing Maturity Date and other matters contemplated thereby on the terms and subject to the conditions set forth therein (each Lender agreeing to the Maturity Date Extension Request being referred to herein as a “Consenting Lender” and each Lender not agreeing thereto being referred to herein as a “Declining Lender”), which right may be exercised by written notice thereof, specifying the maximum amount of the Commitment and/or Loans of such Lender with respect to which such Lender agrees to the extension of the Maturity Date, delivered to the Borrower (with a copy to the Administrative Agent) not later than a day to be agreed upon by the Borrower and the Administrative Agent following the date on which the Maturity Date Extension Request shall have been delivered by the Borrower (it being understood and agreed that any Lender that shall have failed to exercise such right as set forth above shall be deemed to be a Declining Lender). If a Lender elects to extend only a portion of its then existing Commitment and/or Loans, it will be deemed for purposes hereof to be a Consenting Lender in respect of such extended portion and a Declining Lender in respect of the remaining portion of its Commitment and/or Loans, and the aggregate principal amount of each Type and currency of Loans of the applicable Class of such Lender shall be allocated ratably among the extended and non-extended portions of the Loans of such Lender based on the aggregate principal amount of such Loans so extended and not extended. If Consenting Lenders shall have agreed to such Maturity Date Extension Request in respect of Commitments and/or Loans held by them, then, subject to paragraph (d) of this Section, on the date specified in the Maturity Date Extension Request as the effective date thereof (the “Extension Effective Date”), (i) the Existing Maturity Date of the applicable Commitments and/or Loans shall, as to the Consenting Lenders, be extended to such date as shall be specified therein, (ii) the terms and conditions of the applicable Commitments and/or Loans of the Consenting Lenders (including interest and fees (including Letter of Credit fees) payable in respect thereof) shall be modified as set forth in the Maturity Date Extension Request and (iii) such other modifications and amendments hereto specified in the Maturity Date Extension Request shall (subject to any required approvals (including those of the Required Lenders) having been obtained) become effective.

(b) Notwithstanding the foregoing, the Borrower shall have the right, in accordance with the provisions of Sections 2.19(b) and 9.04, at any time prior to the Existing Maturity Date, to replace a Declining Lender (for the avoidance of doubt, only in respect of that portion of such Lender’s Commitment and/or Loans subject to a Maturity Date Extension Request that it has not agreed to extend) with a Lender or other financial institution that will agree to such Maturity Date Extension Request, and any such replacement Lender shall for all purposes constitute a Consenting Lender in respect of the Commitment and/or Loans assigned to and assumed by it on and after the effective time of such replacement.

(c) If a Maturity Date Extension Request has become effective hereunder:

(i) solely in respect of a Maturity Date Extension Request that has become effective in respect of the Revolving Commitments, not later than the fifth Business Day prior to the Existing Maturity Date, the Borrower shall make prepayments of Revolving Loans and shall provide cash collateral in respect of Letters of Credit, in each case, in the manner set forth in Section 2.05(i), such that, after giving effect to such prepayments and such provision of cash collateral, the Aggregate Revolving Exposure as of such date will not exceed the aggregate Revolving Commitments of the Consenting Lenders extended pursuant to this Section (and the Borrower shall not be permitted thereafter to request any Revolving Loan or any issuance, amendment, renewal or extension

of a Letter of Credit if, after giving effect thereto, the Aggregate Revolving Exposure would exceed the aggregate amount of the Revolving Commitments so extended);

(ii) solely in respect of a Maturity Date Extension Request that has become effective in respect of the Revolving Commitments, on the Existing Maturity Date, the Revolving Commitment of each Declining Lender shall, to the extent not assumed, assigned or transferred as provided in paragraph (b) of this Section, terminate, and the Borrower shall repay all the Revolving Loans made by each Declining Lender to the Borrower to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder, it being understood and agreed that, subject to satisfaction of the conditions set forth in Section 4.02, such repayments may be funded with the proceeds of new Revolving Borrowings made simultaneously with such repayments by the Consenting Lenders, which such Revolving Borrowings shall be made ratably by the Consenting Lenders in accordance with their extended Revolving Commitments; and

(iii) solely in respect of a Maturity Date Extension Request that has become effective in respect of a Class of Term Loans, on the Existing Maturity Date, the Borrower shall repay all the Loans of such Class made by each Declining Lender to the Borrower, to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder, it being understood and agreed that, subject to satisfaction of the conditions set forth in Section 4.02, such repayments may be funded with the proceeds of new Revolving Borrowings made simultaneously with such repayments by the Revolving Lenders.

(d) Notwithstanding the foregoing, no Maturity Date Extension Request shall become effective hereunder unless, on the Extension Effective Date, the conditions set forth in clauses (a) and (b) of Section 4.02 shall be satisfied (with all references in such Section to a Borrowing being deemed to be references to such Maturity Date Extension Request) and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer of the Borrower.

(e) Notwithstanding any provision of this Agreement to the contrary, it is hereby agreed that no extension of an Existing Maturity Date in accordance with the express terms of this Section, or any amendment or modification of the terms and conditions of the Commitments and the Loans of the Consenting Lenders effected pursuant thereto, shall be deemed to (i) violate the last sentence of Section 2.08(c) or Section 2.18(b) or 2.18(c) or any other provision of this Agreement requiring the ratable reduction of Commitments or the ratable sharing of payments or (ii) require the consent of all Lenders or all affected Lenders under Section 9.02(b).

(f) The Borrower, the Administrative Agent and the Consenting Lenders may enter into an amendment to this Agreement to effect such modifications as may be necessary to reflect the terms of any Maturity Date Extension Request that has become effective in accordance with the provisions of this Section.

(g) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

SECTION 2.23. Refinancing Facilities. (a) The Borrower may, on one or more occasions, by written notice to the Administrative Agent, obtain Refinancing Term Loan Indebtedness. Each such notice shall specify the date (each, a “Refinancing Effective Date”) on which the Borrower proposes that such Refinancing Term Loan Indebtedness shall be made, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent; provided that:

(i) no Event of Default of the type set forth in Section 7.01(a), (b), (h) (with respect to the Borrower) or (i) (with respect to the Borrower) shall have occurred and be continuing;

(ii) substantially concurrently with the incurrence of such Refinancing Term Loan Indebtedness, the Borrower shall repay or prepay then outstanding Term Borrowings of the applicable Class made to the Borrower (together with any accrued but unpaid interest thereon and any prepayment premium with respect thereto) in an aggregate principal amount equal to the Net Proceeds of such Refinancing Term Loan Indebtedness, and any such prepayment of Term Borrowings of such Class shall be applied to reduce the subsequent scheduled repayments of Term Borrowings of such Class to be made pursuant to Section 2.09(a) ratably,

(iii) such notice shall set forth, with respect to the Refinancing Term Loan Indebtedness established thereby in the form of Refinancing Term Loans, to the extent applicable, the following terms thereof: (a) the designation of such Refinancing Term Loans as a new “Class” for all purposes hereof, (b) the stated termination and maturity dates applicable to the Refinancing Term Loans of such Class, (c) amortization applicable thereto and the effect thereon of any prepayment of such Refinancing Term Loans, (d) the interest rate or rates applicable to the Refinancing Term Loans of such Class, (e) the fees applicable to the Refinancing Term Loans of such Class, (f) any original issue discount applicable thereto, (g) the initial Interest Period or Interest Periods applicable to Refinancing Term Loans of such Class and (h) any voluntary or mandatory commitment reduction or prepayment requirements applicable to Refinancing Term Loans of such Class (which prepayment requirements may provide that such Refinancing Term Loans may participate in any mandatory prepayment on a pro rata basis with any Class of existing Term Loans, but may not provide for prepayment requirements that are materially more favorable to the Lenders holding such Refinancing Term Loans than to the Lenders holding such Class of Term Loans) and any restrictions on the voluntary or mandatory reductions or prepayments of Refinancing Term Loans of such Class, and

(iv) such Refinancing Term Loan Indebtedness will, to the extent secured, rank pari passu or junior in right of payment and of security with the other Loans and Commitments hereunder on the terms set out in an Acceptable Intercreditor Agreement.

(b) Any Lender or any other Eligible Assignee approached by the Borrower to provide all or a portion of the Refinancing Term Loan Indebtedness may elect or decline, in its sole discretion, to provide any Refinancing Term Loan Indebtedness.

(c) Any Refinancing Term Loans shall be established pursuant to a Refinancing Facility Agreement executed and delivered by the Borrower, each Refinancing Term Lender providing such Refinancing Term Loan and the Administrative Agent, which shall be consistent with the provisions set forth in clause (a) above (but which shall not require the consent of any other Lender). Each Refinancing Facility Agreement shall be binding on the Lenders, the Loan Parties and the other parties hereto and may effect amendments to the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect provisions of this Section, including any amendments necessary to treat such Refinancing Term Loans as a new "Class" of loans hereunder. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Facility Agreement.

(d) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

(xii) Liens securing Indebtedness incurred as secured Indebtedness under Section 6.01(a)(xv) or (xx) (or incurred as secured Refinancing Indebtedness in respect thereof permitted pursuant to clause (xxiv) of Section 6.01(a) so long as such Liens are subject to an Acceptable Intercreditor Agreement);

For purposes of determining compliance with this Section, (x) a Lien need not be incurred solely by reference to one category of Liens described in this Section but may be incurred under any combination of such categories (including in part under one such category and in part under any other such category) and (y) in the event that a Lien (or any portion thereof) meets the criteria of one or more of such categories hereof, the Borrower and the Restricted Subsidiaries shall, in their sole discretion, classify or reclassify such Lien (or any portion thereof) solely between and among such categories and, in each case, that would be permitted to be incurred in reliance on the applicable exception as of the date of such reclassification.

(i) any Restricted Subsidiary may merge into or consolidate with (A) the Borrower so long as the Borrower shall be the continuing or surviving Person (and continues to be organized under the laws of the same jurisdiction), (B) [reserved] and (C) any other Restricted Subsidiary in a transaction in which the surviving entity is a Restricted Subsidiary and, if any party to such merger or consolidation is a Loan Party, either (x) the continuing or surviving entity is a Loan Party or (y) the acquisition of such Loan Party by such continuing or surviving Person is otherwise permitted under 6.04; provided, that, after giving effect to any such activities under this Section, the Loan Parties are in compliance with the Collateral and Guarantee Requirement to the extent required by Sections 5.12 and 5.13;

The provisions of this Section are solely for the benefit of the Revolving Lenders, the Tranche A Term Lenders and the Incremental Tranche B Term Lenders and, unless otherwise provided in any Incremental Facility Amendment, not for the benefit of any lenders providing any other Incremental Facility. Notwithstanding the provisions of Section 9.02, the Required Covenant Lenders may (i) amend or otherwise modify this Section or, solely for the purposes of this Section, the defined terms used, directly or indirectly, therein, or (ii) waive any non-compliance with this Section or any Event of Default resulting from such non-compliance, in each case without the consent of any other Lenders.

Notwithstanding the foregoing, following the completion of a Permitted Acquisition involving aggregate consideration in excess of \$100,000,000 (a "Material Acquisition") that, on a pro forma basis would result in an increase in the Consolidated Adjusted Total Leverage Ratio, if the Borrower shall so elect by a notice delivered to the Administrative Agent within 30 days following such completion (a "Total Leverage Increase Election"), the applicable maximum Consolidated Adjusted Total Leverage Ratio set forth above with respect to each four-fiscal quarter period ending within 18 months following the completion of such Material Acquisition shall be increased by 0.50 to 1.00 (the period during which any such increase in the Consolidated Adjusted Total Leverage Ratio shall be in effect being called a "Total Leverage Increase Period"). The Borrower may terminate any Total Leverage Increase Period by a notice delivered to the Administrative Agent whereupon, on the last day of the fiscal quarter during which such notice was given and on the last day of each fiscal quarter thereafter until another Total Leverage Increase Period has commenced as provided in this paragraph, the maximum Consolidated Adjusted Total Leverage Ratio shall be the applicable ratio set forth above. If a Total Leverage Increase Election shall have been made in accordance with the terms of this paragraph, the Borrower may not make another Total Leverage Increase Election until a period of least one fiscal quarter during which a Total Leverage Increase Period is not in effect shall have occurred following the termination or expiration of the most recent prior Total Leverage Increase Period.

SECTION 6.14. Changes in Fiscal Periods. The Borrower will not make any change in fiscal year; provided, however, that the Borrower may, upon written notice to the Administrative Agent, change its fiscal year to any other fiscal year reasonably acceptable to the Administrative Agent, in which case the Borrower and the Administrative Agent will, and are hereby authorized by the Lenders, to make any adjustments to this Agreement that are necessary to reflect such change in fiscal year.

ARTICLE VII

Events of Default

SECTION 7.01. Events of Default. If any of the following events (each such event, an "Event of Default") shall occur:

(a) the Borrower shall fail to pay any principal of any Loan or any reimbursement obligation in respect of any LC Disbursement when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or otherwise;

(b) the Borrower shall fail to pay any interest on any Loan or any fee or any other amount (other than an amount referred to in clause (a) of this Section) payable under this

Agreement or any other Loan Document, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of five Business Days;

(c) any representation or warranty made or deemed made by or on behalf of the Borrower or any Restricted Subsidiary in this Agreement or any other Loan Document, or in any report, certificate or financial statement furnished pursuant to or in connection with this Agreement or any other Loan Document, shall prove to have been incorrect in any material respect when made or deemed made and, to the extent capable of being cured, such incorrect representation or warranty shall remain incorrect for a period of 30 days following written notice thereof from the Administrative Agent to the Borrower;

(d) the Borrower shall fail to observe or perform any covenant, condition or agreement contained in Section 5.02(a), 5.04 (with respect to the existence of the Borrower), 5.11 or Article VI; provided that, unless otherwise provided in any Incremental Facility Amendment, any failure to comply with Section 6.12 or 6.13 shall not constitute an Event of Default with respect to any Incremental Loans (other than the Incremental Tranche B Term Loans) unless and until the Administrative Agent or the Required Covenant Lenders shall have terminated the Revolving Commitments or exercised remedies with respect to outstanding Revolving Loans, Tranche A Term Loans or Incremental Tranche B Term Loans pursuant to this Article VII;

(e) any Loan Party shall fail to observe or perform any covenant, condition or agreement contained in this Agreement or any other Loan Document (other than those specified in clause (a), (b) or (d) of this Section), and such failure shall continue unremedied for a period of 30 days after written notice thereof from the Administrative Agent or any Lender to the Borrower;

(f) the Borrower or any Restricted Subsidiary shall fail to make any payment (whether of principal, interest, premium or otherwise and regardless of amount) in respect of any Material Indebtedness when and as the same shall become due and payable (after giving effect to any applicable grace period under the documentation representing such Material Indebtedness);

(g) any event or condition occurs that results in any Material Indebtedness becoming due or being terminated or required to be prepaid, repurchased, redeemed or defeased prior to its scheduled maturity or that enables or permits (with all applicable grace periods in respect of such event or condition under the documentation representing such Material Indebtedness having expired); the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf, or, in the case of any Hedging Agreement, the applicable counterparty, to cause any Material Indebtedness to become due, or to terminate or require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; provided that this clause (g) shall not apply to (v) any secured Indebtedness that becomes due as a result of the voluntary sale, transfer or other disposition (including as a result of a casualty or condemnation event) of the assets securing such Indebtedness (to the extent such sale, transfer or other disposition is not prohibited under this Agreement), (w) any Indebtedness permitted by this Agreement that becomes due or required to be repurchased or offered to be repurchased as a result of the voluntary sale, transfer or other disposition (including as a result of a casualty or condemnation event) of assets of the Restricted Group pursuant to customary asset sale offer or asset sale prepayment provisions applicable to such Indebtedness (so long as the relevant sale, transfer or other disposition is not prohibited under this agreement or under the Agreement governing such other Indebtedness and the requirements of Section 2.11(c) have been or are being satisfied in connection therewith), (x) any Indebtedness that becomes due as a result of a

voluntary refinancing thereof permitted under Section 6.01, (y) any conversion of, or trigger of conversion rights with respect to, any Convertible Indebtedness in accordance with its terms (whether or not such conversion is to be settled in cash or capital stock or a combination thereof) unless such conversion results from any event of default thereunder or a “change of control”, “fundamental change” or similar occurrence thereunder or (z) termination events or similar events occurring under any Hedging Agreement (other than a termination event or similar event as to which the Borrower or any of its Restricted Subsidiaries is the defaulting party) that constitutes Material Indebtedness (it being understood that paragraph (f) of this Section will apply to any failure to make any payment required as a result of such termination or similar event);

(h) except as otherwise provided in Section 7.02, (i) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (A) liquidation, reorganization or other relief in respect of the Borrower or any Restricted Subsidiary or its debts, or of a substantial part of its assets, under any Federal, State or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (B) the appointment of a receiver, trustee, custodian, sequestrator, conservator, liquidator, administrative receiver, administrator, receiver and manager or similar official for the Borrower or any Restricted Subsidiary or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered or (ii) the Borrower or any Loan Party that is a Material Subsidiary (A) admits publicly its inability to pay its debts as they fall due or (B) has a moratorium declared in relation to any of its Indebtedness;

(i) except as otherwise provided in Section 7.02, the Borrower or any Restricted Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation (other than any liquidation permitted under Section 6.03(a) (iv)), reorganization or other relief under any Federal, State or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (h) of this Section, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any Restricted Subsidiary or for a substantial part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding or (v) make a general assignment for the benefit of creditors;

(j) [reserved];

(k) one or more judgments for the payment of money in an aggregate amount in excess of \$75,000,000 (other than any such judgment covered by insurance (other than under a self-insurance program) to the extent a claim therefor has been made in writing and liability therefor has not been denied by the insurer) shall be rendered against the Borrower, any Restricted Subsidiary or any combination thereof and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Borrower or any Restricted Subsidiary that are material to the business and operations of the Borrower or any Restricted Subsidiary, taken as a whole, to enforce any such judgment;

(l) an ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred and are continuing and remain uncured, would reasonably be expected to result in a Material Adverse Effect;

(m) any Lien purported to be created under any Security Document shall cease to be, or shall be asserted by any Loan Party not to be, a valid and perfected Lien on any material portion of the Collateral, with the priority required by the applicable Security Document, except as a result of (i) permission under any Loan Document (including the sale or other disposition of the applicable Collateral in a transaction permitted under the Loan Documents), (ii) the release thereof as provided in Section 9.14, (iii) the Administrative Agent's failure to (A) maintain possession of any stock certificate, promissory note or other instrument delivered to it under any Security Document or (B) file Uniform Commercial Code continuation statements (or equivalent statements in any other relevant jurisdiction) or (iv) as to Collateral consisting of Mortgaged Property, to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage;

(n) any material Security Document shall cease to be, or shall be asserted by any Loan Party not to be a legal, valid and binding obligation of any Loan Party party thereto, except as expressly permitted hereunder or thereunder or as a result of the release thereof as provided in the applicable Loan Document or Section 9.14;

(o) any Guarantee purported to be created under any Loan Document shall cease to be or shall be asserted by any Loan Party not to be, in full force and effect, except as in accordance with the terms of the Loan Documents (including a result of the release thereof as provided in the applicable Loan Document or Section 9.14); or

(p) a Change in Control shall occur;

then, and in every such event (other than an event with respect to the Borrower described in clause (h) or (i) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, (ii) declare the Loans then outstanding to be due and payable in whole (or in part (but ratably as among the Classes of Loans and the Loans of each Class at such time outstanding), in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower hereunder, shall become due and payable immediately and (iii) require the deposit of cash collateral in respect of LC Exposure as provided in Section 2.05(i), in each case, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in the case of any event with respect to the Borrower described in clause (h) or (i) of this Section, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower hereunder, shall immediately and automatically become due and payable and the deposit of such cash collateral in respect of LC Exposure shall immediately and automatically become due, in each case, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; provided, however, that, unless otherwise provided in any Incremental Facility Amendment, upon the occurrence and during the continuance of any Event of Default attributable to a failure to comply with Section 6.12 or 6.13, (w) actions pursuant to clause (i) may be taken by a Majority in Interest of the Revolving Lenders (excluding any Defaulting Lenders) with respect to the Revolving Loans only (without the requirement for Required Lender action) or by the Administrative Agent at the direction of such Lenders, (x) actions pursuant to clause (ii) with respect to the Tranche A Term Loans may be taken by a Majority in Interest of the Tranche A Term Lenders (excluding any Defaulting Lenders) with

respect to the Tranche A Term Loans only (without the requirement for Required Lender action) or by the Administrative Agent at the direction of such Lenders, (y) actions pursuant to clause (ii) with respect to the Incremental Tranche B Term Loans may be taken by Required Covenant Lenders (without the requirement for Required Lender action) or by the Administrative Agent at the direction of such Lenders and (z) only if action has been taken in respect of such Event of Default under clause (i) (with respect to the Revolving Loans) by a Majority in Interest of the Revolving Lenders (excluding any Defaulting Lenders) or by the Administrative Agent at the direction of such Lenders or has been taken in respect of such Event of Default under clause (ii) (with respect to the Tranche A Term Loans or the Incremental Tranche B Term Loans) by a Majority in Interest of the Tranche A Term Lenders or the Required Covenant Lenders, as the case may be (excluding in each case any Defaulting Lenders) or by the Administrative Agent at the direction of such Lenders, then such Event of Default will be deemed to be an Event of Default with respect to any Incremental Facility or Refinancing Term Loans hereunder and the remedies set forth above can be exercised in respect of any such Incremental Facility or Refinancing Term Loans.

SECTION 7.02. Exclusion of Certain Subsidiaries. Solely for the purposes of determining whether a Default has occurred under clause (h) or (i) of Section 7.01, any reference in any such paragraph to any Restricted Subsidiary shall be deemed not to include any Restricted Subsidiary affected by any event or circumstance referred to in such paragraph that is not a Material Subsidiary; provided that (i) if it is necessary to exclude more than one Restricted Subsidiary from clause (h) or (i) of Section 7.01 pursuant to this paragraph in order to avoid a Default, the aggregate consolidated assets of all such excluded Restricted Subsidiaries as of such last day may not exceed 7.5% of the Consolidated Total Assets of the Borrower and the Restricted Subsidiaries and the aggregate consolidated revenues of all such excluded Restricted Subsidiaries for such four fiscal quarter period may not exceed 7.5% of the consolidated revenues of the Borrower and the Restricted Subsidiaries and (ii) in no circumstance shall the Borrower be excluded from clause (h) or (i) of Section 7.01.

ARTICLE VIII

The Administrative Agent

SECTION 8.01. Appointment and Other Matters.

(a) Each of the Lenders and the Issuing Banks hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors to serve as administrative agent and collateral agent under the Loan Documents and authorizes the Administrative Agent to take such actions and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the United States of America, each of the Lenders and the Issuing Banks hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's or such Issuing Bank's behalf. Without limiting the foregoing, each Lender and each Issuing Bank hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders and the Issuing

Banks (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. Without limiting the generality of the foregoing:

(i) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender, Issuing Bank or holder of any other obligation other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and the transactions contemplated hereby;

(ii) where the Administrative Agent is required or deemed to act as a trustee in respect of any Collateral over which a security interest has been created pursuant to a Loan Document expressed to be governed by the laws of the United States of America, any State thereof or the District of Columbia, the obligations and liabilities of the Administrative Agent to the Secured Parties in its capacity as trustee shall be excluded to the fullest extent permitted by applicable law;

(iii) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender or Issuing Bank for any sum or the profit element of any sum received by the Administrative Agent for its own account.

(c) The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender or an Issuing Bank as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent. The terms “Issuing Banks”, “Lenders”, “Required Lenders” and any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity as a Lender, Issuing Bank or as one of the Required Lenders, as applicable. The Person serving as Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders or the Issuing Banks.

(d) The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and

powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents); provided that the Administrative Agent shall not be required to take any action that (i) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification satisfactory to it from the Lenders and the Issuing Banks with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided, and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, any Subsidiary or any other Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity.

(e) The Administrative Agent may perform any of and all its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of and all their respective duties and exercise their respective rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

(f) In case of the pendency of any proceeding with respect to any Loan Party under any Federal, State or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.16, 2.17 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender, each Issuing Bank and each other Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Issuing Banks or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to, or accept or adopt on behalf of any Lender or Issuing Bank, any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

(g) Notwithstanding anything herein to the contrary, neither the Arrangers nor any Person named on the cover page of this Agreement as a Syndication Agent or a Documentation Agent shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities provided for hereunder.

(h) The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrower or any Subsidiary shall have any rights as a third party beneficiary of any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and the Guarantees of the Obligations provided under the Loan Documents, to have agreed to the provisions of this Article.

SECTION 8.02. Administrative Agent's Reliance, Indemnification, Etc.

(a) Neither the Administrative Agent nor any of its Related Parties shall be (i) liable for any action taken or omitted to be taken by it under or in connection with this Agreement or the other Loan Documents (x) with the consent of or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or (y) in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and nonappealable judgment) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by fax, emailed pdf, or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of any Loan Party to perform its obligations hereunder or thereunder.

(b) The Administrative Agent shall be deemed not to have knowledge of any (i) notice of any of the events or circumstances set forth or described in Section 5.02 unless and until written notice thereof stating that it is a "notice under Section 5.02" in respect of this Agreement and identifying the specific clause under said Section is given to the Administrative

Agent by the Borrower, or (ii) notice of any Default or Event of Default unless and until written notice thereof (stating that it is a “notice of default”) is given to the Administrative Agent by the Borrower, a Lender or an Issuing Bank. Further, the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in this Agreement or any other Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of this Agreement or any other Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article IV or elsewhere in this Agreement or any other Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent or (vi) the creation, perfection or priority of Liens on the Collateral. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any loss, cost or expense suffered by the Borrower, any Subsidiary, any Lender or any Issuing Bank as a result of, any determination of the Revolving Exposure or the component amounts thereof or any portion thereof attributable to each Lender or Issuing Bank.

(c) Without limiting the foregoing, the Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 9.04, (ii) may rely on the Register to the extent set forth in Section 9.04(b), (iii) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (iv) makes no warranty or representation to any Lender or Issuing Bank and shall not be responsible to any Lender or Issuing Bank for any statements, warranties or representations made by or on behalf of any Loan Party in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit and (vi) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

SECTION 8.03. Successor Administrative Agent.

(a) Subject to the terms of this paragraph, the Administrative Agent may resign from its capacity as such upon 30 days’ notice of its intent to resign to the Lenders, the Issuing Banks and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower (which shall not be unreasonably withheld or delayed), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, then the retiring Administrative Agent

may, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed by the Borrower and such successor.

(b) Notwithstanding paragraph (a) of this Section, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders, the Issuing Banks and the Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents; provided that, solely for purposes of maintaining any security interest granted to the Administrative Agent under any Security Document for the benefit of the Secured Parties, the retiring Administrative Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties and, in the case of any Collateral in the possession of the Administrative Agent, shall continue to hold such Collateral, in each case until such time as a successor Administrative Agent is appointed and accepts such appointment in accordance with this paragraph (it being understood and agreed that the retiring Administrative Agent shall have no duty or obligation to take any further action under any Security Document, including any action required to maintain the perfection of any such security interest), and (ii) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent; provided that (A) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall also directly be given or made to each Lender and each Issuing Bank. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent and in respect of the matters referred to in the proviso under clause (i) above.

SECTION 8.04. Acknowledgements of Lenders and Issuing Banks.

(a) Each Lender and each Issuing Bank acknowledges that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and that it has, independently and without reliance upon the Administrative Agent, any Arranger or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem

appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Closing Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, this Agreement and each other Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Closing Date.

(c) (i) Each Lender and Issuing Bank hereby agrees that (x) if the Administrative Agent notifies such Lender or Issuing Bank that the Administrative Agent has determined in its sole discretion that any funds received by such Lender or Issuing Bank from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender or Issuing Bank (whether or not known to such Lender or Issuing Bank), and demands the return of such Payment (or a portion thereof), such Lender or Issuing Bank shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender or Issuing Bank shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender or Issuing Bank under this Section 8.04(c) shall be conclusive, absent manifest error.

(ii) Each Lender and Issuing Bank hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender and Issuing Bank agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender or Issuing Bank shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party.

(iv) Each party's obligations under this Section 8.04(c) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 8.05. Collateral Matters.

(a) Except (x) with respect to the exercise of setoff rights of any Lender in accordance with Section 9.08 or (y) with respect to a Secured Party's right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms thereof.

(b) In furtherance of the foregoing and not in limitation thereof, no arrangements in respect of Cash Management Services the obligations under which constitute Secured Cash Management Obligations and no Hedging Agreement the obligations under which constitute Secured Hedging Obligations will create (or be deemed to create) in favor of any Secured Party that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under this Agreement or any other Loan Document. By accepting the benefits of the Collateral, each Secured Party that is a party to any such arrangement in respect of Cash Management Services or any Hedging Agreement shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

(c) The Secured Parties party hereto irrevocably authorize the Administrative Agent, at its option and in its discretion, to release or subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document and any Acceptable Intercreditor Agreement to the holder of any Lien on such property that is permitted by Section 6.02(a)(v). The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

(d) The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the applicable Collateral in satisfaction of some or all of such Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the

Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the applicable Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

(e) The Lenders and the other Secured Parties party hereto hereby irrevocably authorize and instruct the Administrative Agent to, without any further consent of any Lender or any other Secured Party, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify any Acceptable Intercreditor Agreement;

provided that the specific consent of counterparties to any Hedging Agreement the obligations under which constitute Secured Hedging Obligations, each provider of Cash Management Services the obligations under which constitute Secured Cash Management Obligations, or each Issuing Bank shall be required for any amendment, renewal, extension, supplement, restatement, replacement or waiver to the extent its rights and obligations solely in its capacity as such are materially adversely affected. The Lenders and the other Secured Parties irrevocably agree that any Acceptable Intercreditor Agreement entered into by the Administrative Agent shall be binding on the Secured Parties, and each Lender and each of the other Secured Parties hereby agrees that it will take no actions contrary to the provisions of an Acceptable Intercreditor Agreement. The foregoing provisions are intended as an inducement to any provider of any Indebtedness not prohibited by Section 6.01 hereof to extend credit to the Loan Parties and such persons are intended third-party beneficiaries of such provisions.

SECTION 8.06. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of the Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of, or performance of the Loans, the Letters of Credit, the Commitments, or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, and the conditions for exemptive relief thereunder are and will continue to be satisfied in connection therewith,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into,

participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

(iv) if to any other Lender, to it at its address or email address (or fax number) set forth in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by fax shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications, to the extent provided in paragraph (b) of this Section, shall be effective as provided in such paragraph.

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet and intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices under Article II to any Lender or any Issuing Bank if such Lender or such Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications or may be rescinded by any such Person by notice to each other such Person.

(c) Change of Address, etc. Any party hereto may change its address or fax number for notices and other communications hereunder by notice to the other parties hereto.

(d) Platform.

(i) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make any Communications by posting such Communication on Debt Domain, IntraLinks, SyndTrak or any other electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Platform").

(ii) Although the Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a user ID/password authorization system) and the Platform is secured through a per-deal authorization method whereby each user may access the

Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuing Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Platform, and that there are confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Banks and the Borrower hereby approves distribution of the Communications through the Platform and understands and assumes the risks of such distribution.

(iii) THE PLATFORM AND THE COMMUNICATIONS ARE PROVIDED “AS IS” AND “AS AVAILABLE”. THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY DOCUMENTATION AGENT, ANY SYNDICATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, “**APPLICABLE PARTIES**”) HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, ANY ISSUING BANK OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY’S OR THE ADMINISTRATIVE AGENT’S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE PLATFORM EXCEPT TO THE EXTENT SUCH DAMAGES ARE FOUND IN A FINAL AND NON-APPEALABLE JUDGMENT OF A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM THE BAD FAITH, WILLFUL MISCONDUCT OR GROSS NEGLIGENCE OF AN APPLICABLE PARTY OR ANY OF ITS RELATED PARTIES.

(iv) Each Lender and each Issuing Bank agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender or Issuing Bank (as applicable) for purposes of the Loan Documents. Each Lender and each Issuing Bank agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender’s or Issuing Bank’s (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(v) Nothing herein shall prejudice the right of the Administrative Agent, any Lender or any Issuing Bank to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 9.02. Waivers; Amendments. (a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Without limiting the generality of the foregoing, the execution and delivery of this Agreement, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Sections 2.14(b), 2.21, 2.22, 2.23 and 9.02(c), none of this Agreement, any other Loan Document or any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower, the Administrative Agent and the Required Lenders (provided that the Administrative Agent shall post any such amendments reasonably promptly after such amendment becomes effective) and, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood and agreed that a waiver of any Default or Event of Default will not constitute an increase in the Commitment of any Lender), (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, in each case without the written consent of each Lender adversely affected thereby (it being understood and agreed that a waiver of any Default or Event of Default will not constitute a reduction in the principal amount of any Loan), (iii) postpone the scheduled maturity date of any Loan, or the date of any scheduled payment of the principal amount of any Term Loan under Section 2.10 or the applicable Incremental Facility Amendment or the required date of reimbursement of any LC Disbursement, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender adversely affected thereby (it being understood and agreed that a waiver of any Default or Event of Default will not constitute a postponement of the scheduled maturity date of any loan, or the date of any scheduled payment of principal, interest or fees payable hereunder), (iv) change the last sentence of Section 2.08(c), Section 2.18(a), Section 2.18(b), Section 2.18(c) or any other Section hereof or any other Loan Document providing for the ratable treatment of the Lenders, in each case in a manner that would alter the pro rata termination of commitments or sharing of payments required thereby, without the written consent

of each Lender adversely affected thereby, (v) change any of the provisions of this Section or the definition of the term “Required Lenders” or “Majority in Interest” or any other provision of this Agreement or any other Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or otherwise modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as applicable); provided that, with the consent of the Required Lenders, the provisions of this Section and the definition of the term “Required Lenders” or “Majority in Interest” may be amended to include references to any new class of loans created under this Agreement (or to lenders extending such loans) on substantially the same basis as the corresponding references relating to the existing Classes of Loans or Lenders; provided further that the definition of “Required Covenant Lenders” may be amended to include the Lenders in respect of any additional Incremental Facility that will have the benefit of Section 6.12 or 6.13 to the extent provided in any Incremental Facility Amendment without the consent of any other Lenders, (vi) release all or substantially all of the value of the Guarantees provided by the Loan Parties under the Security Documents, in each case without the written consent of each Lender (except as expressly provided in Section 9.14 or the Security Documents) (including any such release by the Administrative Agent in connection with any sale or other disposition of any Subsidiary upon the exercise of remedies under the Security Documents), it being understood and agreed that an amendment or other modification of the type of obligations guaranteed under the Security Documents shall not be deemed to be a release of any Guarantee), (vii) release all or substantially all the Collateral from the Liens of the Security Documents without the written consent of each Lender (except as expressly provided in Section 9.14 or the applicable Security Document (including any such release by the Administrative Agent in connection with any sale or other disposition of the Collateral upon the exercise of remedies under the Security Documents), it being understood and agreed that an amendment or other modification of the type of obligations secured by the Security Documents shall not be deemed to be a release of the Collateral from the Liens of the Security Documents), (viii) waive any condition set forth in Section 4.01 (other than as it relates to the payment of fees and expenses of counsel), or, in the case of any Loans made or Letters of Credit issued on the Closing Date, Section 4.02, without the written consent of each Lender with a Revolving Commitment and each Issuing Bank (as applicable), (ix) change any provisions of this Agreement or any other Loan Document in a manner that by its terms adversely affects the rights in respect of Collateral securing the obligations owed to, or payments due to, Lenders holding Loans of any Class differently than those holding Loans of any other Class, without the written consent of Lenders representing a Majority in Interest of each affected Class, (x) change the rights of the Tranche A Term Lenders to decline mandatory prepayments as provided in Section 2.11 or the rights of any Additional Lenders of any Class to decline mandatory prepayments of Term Loans of such Class as provided in the applicable Incremental Facility Amendment, without the written consent of Tranche A Term Lenders or Additional Lenders of such Class, as applicable, holding a majority of the outstanding Tranche A Term Loans or Incremental Term Loans of such Class or (xi) change Section 6.12 or 6.13 or the definitions of “Consolidated Adjusted Interest Coverage Ratio” or “Consolidated Adjusted Total Leverage Ratio” (or in each case any of the component definitions thereof), in each case solely as used within such Sections, without the written consent of the Required Covenant Lenders (and the Consent of any other Lenders shall not be required); provided further that (A) no such agreement shall amend, modify, extend or otherwise affect the rights or obligations of the Administrative Agent or any Issuing Bank without the prior written consent of the Administrative Agent or such Issuing Bank, as applicable, (B) any waiver, amendment or other modification of this Agreement that by its terms affects the rights or duties under this Agreement of the Lenders of one or more Classes (but not the Lenders of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite number or percentage in interest of each affected Class of Lenders that would

be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time (provided that any change that would directly and adversely affect a Class of Lenders hereunder shall require the written consent of the Majority in Interest with respect to each such Class directly and adversely affected thereby) and (C) if the terms of any waiver, amendment or other modification of this Agreement or any other Loan Document provide that any Class of Loans (together with all accrued interest thereon and all accrued fees payable with respect to the Commitments of such Class) will be repaid or paid in full, and the Commitments of such Class (if any) terminated, as a condition to the effectiveness of such waiver, amendment or other modification, then so long as the Loans of such Class (together with such accrued interest and fees) are in fact repaid or paid in full and such Commitments are in fact terminated, in each case prior to or substantially simultaneously with the effectiveness of such amendment, then such Loans and Commitments shall not be included in the determination of the Required Lenders with respect to such amendment. Notwithstanding any of the foregoing, (1) no consent with respect to any waiver, amendment or other modification of this Agreement or any other Loan Document shall be required of any Defaulting Lender, except with respect to any waiver, amendment or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be affected by such waiver, amendment or other modification, (2) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent (i) to cure any ambiguity, omission, mistake, defect or inconsistency, (ii) to comply with local law or advice of local counsel, (iii) to cause any guarantee, collateral security document (including Mortgages) or other document to be consistent with this Agreement, the other Loan Documents and each Acceptable Intercreditor Agreement or (iv) to give effect to the provisions of Section 2.14(b) or to amend time periods, minimum amounts and currency exchange rate calculations mechanics with respect to borrowing and payment mechanics with respect to the Revolving Commitments solely to the extent necessary to implement a Permitted Foreign Currency and (3) this Agreement may be amended to provide for Incremental Extensions of Credit in the manner contemplated by Section 2.21, the extension of the Maturity Date as provided in Section 2.22 and the incurrence of Refinancing Commitments and Refinancing Loans as provided in Section 2.23, in each case without any additional consents, and such amendments may effect such changes to the Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower, to give effect to the existence and the terms of the Incremental Extensions of Credit, the extension of the Maturity Date or the incurrence of Refinancing Commitments and Refinancing Loans, as applicable, and to the extent permitted under the terms of this Agreement, will be effective to amend the terms of this Agreement and the other applicable Loan Documents (including to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other applicable Loan Documents with the other Term Loans and the accrued interest and fees in respect thereof and to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders), in each case, without any further action or consent of any other party to any Loan Document.

(c) In connection with any Proposed Change requiring the consent of all Lenders or all affected Lenders, if the consent of the Required Lenders (and, to the extent any Proposed Change requires the consent of Lenders holding Loans of any Class pursuant to clause (iv) of paragraph (b) of this Section, the consent of a Majority in Interest of the outstanding Loans and unfunded Commitments of such Class) to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section being referred to as a "Non-Consenting Lender" for purposes of this clause (c)), then the

Borrower may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) if the Administrative Agent is not such Non-Consenting Lender, the Borrower shall have received the prior written consent of the Administrative Agent (and, if a Revolving Commitment is being assigned, each Issuing Bank), which consent shall not unreasonably be withheld or delayed, (ii) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (with such assignment being deemed to be an optional prepayment for purposes of determining the applicability of such Section) from the assignee (in the case of such principal and accrued interest and fees or the Borrower (in the case of all other amounts)), (iii) the Borrower or such assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b), (iv) such assignment does not conflict with applicable law and (v) the assignee shall have given its consent to such Proposed Change and, as a result of such assignment and delegation and any contemporaneous assignments and delegations and consents, such Proposed Change can be effected. Any assignment required pursuant to this Section may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee, and the Lender required to make such assignment shall not be required to be a party to such Assignment and Assumption.

(d) Notwithstanding anything herein to the contrary, the Administrative Agent may, without the consent of any Secured Party, consent to a departure by any Loan Party from any covenant of such Loan Party set forth in this Agreement or any Security Document to the extent such departure is consistent with the authority of the Administrative Agent set forth in the definition of the term "Collateral and Guarantee Requirement".

(e) The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute waivers, amendments or other modifications on behalf of such Lender. Any waiver, amendment or other modification effected in accordance with this Section, shall be binding upon each Person that is at the time thereof a Lender and each Person that subsequently becomes a Lender.

SECTION 9.03. Expenses; Indemnity; Damage Waiver. (a) The Borrower shall pay (i) all reasonable, documented and invoiced out-of-pocket expenses incurred by the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents and their respective Affiliates (without duplication), including the reasonable fees and documented charges and disbursements of a single primary counsel and to the extent reasonably determined by the Administrative Agent to be necessary, one local counsel in each appropriate jurisdiction, in connection with the structuring, arrangement and syndication of the credit facilities provided for herein and any credit or similar facility refinancing or replacing, in whole or in part, any of the credit facilities provided for herein, as well as the preparation, negotiation, execution, delivery and administration of this Agreement, the other Loan Documents or any waiver, amendments or modifications of the provisions hereof or thereof, (ii) all reasonable, documented and invoiced out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable, documented and invoiced out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank, any Lender or any Arranger, including the reasonable, documented and invoiced fees, charges and disbursements of counsel for any of the

foregoing, in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Borrower shall indemnify the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”), against, and hold each Indemnitee harmless from, any and all ~~losses, claims, damages, penalties, liabilities~~ **Liabilities** and related expenses (including the reasonable and documented fees, charges and disbursements of one firm of counsel for all such Indemnitees, taken as a whole, and, if reasonably necessary, of a single firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee and, if reasonably necessary, of another firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for such affected Indemnitee)), incurred by or asserted against such Indemnitees arising out of, in connection with or as a result of any actual or prospective claim, litigation, investigation or proceeding relating to (i) the structuring, arrangement and syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement, the other Loan Documents or any other agreement or instrument contemplated hereby or thereby, **(ii) the performance by the parties to this Agreement or the other Loan Documents of their respective obligations hereunder or thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby, (iii) any action taken in connection with this Agreement, including, but not limited to, the payment of principal, interest and fees, (iv) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit) or (v) any actual or alleged presence or Release of Hazardous Materials on, at, to or from any Mortgaged Property or any other property currently or formerly owned or operated by the Borrower or any Subsidiary, or any other Environmental Liability related in any way to the Borrower or any Subsidiary, in each case, whether based on contract, tort or any other theory and whether initiated against or by any party to this Agreement or any other Loan Document, any Affiliate of any of the foregoing or any third party (and regardless of whether any Indemnitee is a party thereto); provided that the foregoing indemnity shall not, as to any Indemnitee, apply to any ~~losses, claims, damages, liabilities~~ **Liabilities** or related expenses to the extent they are found in a final and non-appealable judgment of a court of competent jurisdiction to have resulted from (A) the bad faith, willful misconduct or gross negligence of such Indemnitee, (B) a claim brought by the Borrower or any Subsidiary against such Indemnitee for material breach of such Indemnitee’s obligations under this Agreement or any other Loan Document or (C) a proceeding that does not involve an act or omission by the Borrower or any of its Affiliates and that is brought by an Indemnitee against any other Indemnitee (other than a proceeding that is brought against the Administrative Agent or any other agent or any Arranger in its capacity or in fulfilling its roles as an agent or arranger hereunder or any similar role with respect to the Indebtedness incurred or to be incurred hereunder). This paragraph shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.**

(c) To the extent that the Borrower fails to indefeasibly pay any amount required to be paid by it under paragraph (a) or (b) of this Section to the Administrative Agent,

any Issuing Bank or any Related Party of any of the foregoing (and without limiting its obligation to do so), each Lender severally agrees to pay to the Administrative Agent, such Issuing Bank or such Related Party, as applicable, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (it being understood and agreed that the Borrower's failure to pay any such amount shall not relieve the Borrower of any default in the payment thereof); provided that the unreimbursed expense or ~~indemnified loss, claim, damage, liability~~ **Liability**, or related expense, as applicable, was incurred by or asserted against the Administrative Agent or such Issuing Bank in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or any Issuing Bank in connection with such capacity; provided further that, with respect to such unpaid amounts owed to any Issuing Bank in its capacity as such, or to any Related Party of any of the foregoing acting for any Issuing Bank in connection with such capacity, only the Revolving Lenders shall be required to pay such unpaid amounts. For purposes of this Section, a Lender's "pro rata share" shall be determined by its share of the sum of the total Revolving Exposure, unfunded Revolving Commitments and, except for purposes of the second proviso of the immediately preceding sentence, the outstanding Term Loans and unfunded Term Commitments, in each case at that time. The obligations of the Lenders under this paragraph are subject to the last sentence of Section 2.02(a) (which shall apply mutatis mutandis to the Lenders' obligations under this paragraph).

(d) To the ~~fullest~~ extent permitted by applicable law, (i) the Borrower shall not assert, ~~or permit any of its Affiliates or Related Parties to assert, and~~ **and the Borrower** hereby waives, any claim against ~~any Indemnitee~~ **the Administrative Agent, any Arranger, any Syndication Agent, any Documentation Agent any Issuing Bank and any Lender, and any Related Party of any of the foregoing Persons (each such Person being called a "Lender-Related Person")** for any ~~damages~~ **Liabilities** arising from the use by others of information or other materials **(including, without limitation, any personal data)** obtained through telecommunications, electronic or other information transmission systems (including the Internet), ~~except to the extent such damages are found in a final and non-appealable judgment of a court of competent jurisdiction to have resulted from the bad faith, willful misconduct or gross negligence of any Indemnitee or Related Party of any Indemnitee or~~ (ii) ~~neither any Indemnitee nor any other party to this Agreement or any other Loan Document shall be liable~~ **and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability,** for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided that, nothing in this ~~clause~~ **Section 9.03(ii)d)** shall ~~limit the expense reimbursement and indemnification obligations of the Borrower set forth in paragraphs (a) and (b) of this~~ **relieve the Borrower of any obligation it may have to indemnify an Indemnitee, as provided in Section 9.03(b), against any special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.**

(e) All amounts due under this Section shall be payable promptly after written demand therefor.

SECTION 9.04. Successors and Assigns. (a) General. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign, delegate or otherwise transfer any of its rights or obligations hereunder without the prior written consent of

the Administrative Agent and each Lender and (ii) no Lender may assign, delegate or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section), the Arrangers, the Syndication Agents, the Documentation Agents and, to the extent expressly contemplated hereby, the Related Parties of any of the Administrative Agent, any Arranger, any Syndication Agent, any Documentation Agent, any Issuing Bank and any Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign and delegate to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent of (A) the Borrower (such consent not to be unreasonably withheld or delayed); provided that no consent of the Borrower shall be required (1) for assignments of Commitments or Loans of any Class to another Lender under such Class, an Affiliate of a Lender under such Class or an Approved Fund and (2) if an Event of Default of the type set forth in Section 7.01(a), (b), (h) or (i) has occurred and is continuing, for any other assignment and delegation; provided further that the Borrower shall be deemed to have consented to an assignment and delegation of rights and obligations unless it shall object thereto by written notice to the Administrative Agent within five Business Days after having received notice thereof, (B) the Administrative Agent (such consent not to be unreasonably withheld or delayed); provided that no consent of the Administrative Agent shall be required for an assignment and delegation of all or any portion of a Term Commitment or Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund and (C) each Issuing Bank (such consent not to be unreasonably withheld or delayed) in the case of any assignment and delegation of all or a portion of a Revolving Commitment or any Lender's obligations in respect of its LC Exposure.

(ii) Assignments and delegations shall be subject to the following additional conditions: (A) except in the case of an assignment and delegation to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment and delegation of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment and delegation (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment and delegation or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment and delegation is delivered to the Administrative Agent) shall not be less than \$5,000,000 or, in the case of an Incremental Tranche B Term Loan, \$1,000,000 (treating contemporaneous assignments by or to two or more Approved Funds as a single assignment for purposes of such minimum transfer amount), unless each of the Borrower and the Administrative Agent otherwise consents (such consent not to be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if an Event of Default of the type set forth in Section 7.01(a), (b), (h) or (i) has occurred and is continuing, (B) each partial assignment and delegation shall be made as an assignment and delegation of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit the assignment and delegation of a proportionate

part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment and delegation shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; provided that (1) only one such processing and recordation fee shall be payable in the event of simultaneous assignments and delegations by or to two or more Approved Funds, (2) the Administrative Agent may waive or reduce such fee in its sole discretion and (3) with respect to any assignment and delegation pursuant to Section 2.19(b) or 9.02(c), the parties hereto agree that such assignment and delegation may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment and delegation need not be a party thereto, and (D) the assignee shall deliver to the Administrative Agent any tax forms required by Section 2.17(f) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain MNPI) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable law, including Federal, State and foreign securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned and delegated by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned and delegated by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment, delegation or other transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and, as to entries pertaining to it, any Issuing Bank

or any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon receipt by the Administrative Agent of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(f) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment and delegation required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that the Administrative Agent shall not be required to accept such Assignment and Assumption or so record the information contained therein if the Administrative Agent reasonably believes that such Assignment and Assumption lacks any written consent required by this Section or is otherwise not in proper form, it being acknowledged that the Administrative Agent shall have no duty or obligation (and shall incur no liability) with respect to obtaining (or confirming the receipt) of any such written consent or with respect to the form of (or any defect in) such Assignment and Assumption, any such duty and obligation being solely with the assigning Lender and the assignee. No assignment or delegation shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph and, following such recording, unless otherwise determined by the Administrative Agent (such determination to be made in the sole discretion of the Administrative Agent, which determination may be conditioned on the consent of the assigning Lender and the assignee), shall be effective notwithstanding any defect in the Assignment and Assumption relating thereto. Each assigning Lender and the assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the Administrative Agent that all written consents required by this Section with respect thereto (other than the consent of the Administrative Agent) have been obtained and that such Assignment and Assumption is otherwise duly completed and in proper form, and each assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the assigning Lender and the Administrative Agent that such assignee is an Eligible Assignee.

(vi) The words "execution", "signed", "signature" and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as applicable, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar State laws based on the Uniform Electronic Transactions Act.

(c) Participations. Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Bank, sell participations to one or more Eligible Assignees (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitments and Loans of any Class); provided that

(A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations (C) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (D) the Participant will under no circumstances (x) be subrogated to, or substituted in respect of, the Lender's claims under this Agreement and (y) have otherwise any contractual relationship with, or rights against, the Borrower under or in relation to this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (i), (ii), (iii), (vi) or (vii) in the first proviso to Section 9.02(b) that affects such Participant or requires the approval of all the Lenders. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) (it being understood and agreed that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment and delegation pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section and (B) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such participation was made with the Borrower's prior written consent. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement or any other Loan Document (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Certain Pledges. Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Bank, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to a natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other "central" bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security

interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Purchasing Borrower Parties. Notwithstanding anything else to the contrary contained in this Agreement (including, without limitation, the definition of “Eligible Assignee”), any Lender may assign and delegate all or a portion of its Term Loans to any Purchasing Borrower Party (x) through open market purchases made by such Purchasing Borrower Party on a non-pro rata basis (subject to clause (v) below) or (y) otherwise in accordance with clauses (i) through (vii) below (which assignment and delegation, in the case of the foregoing clauses (x) and (y) will not constitute a prepayment of Loans for any purposes of this Agreement and the other Loan Documents); provided that, in the case of assignments and delegations made pursuant to the foregoing clause (y):

(i) no Default or Event of Default has occurred and is continuing or would result therefrom;

(ii) each Auction Purchase Offer shall be conducted in accordance with the procedures, terms and conditions set forth in this paragraph and the Auction Procedures;

(iii) the assigning Lender and Purchasing Borrower Party purchasing such Lender’s Term Loans, as applicable, shall execute and deliver to the Administrative Agent an Affiliated Lender Assignment and Assumption in lieu of an Assignment and Assumption;

(iv) for the avoidance of doubt, the Lenders shall not be permitted to assign or delegate Revolving Commitments or Revolving Exposure to a Purchasing Borrower Party;

(v) to the extent permitted by applicable law, any Term Loans assigned and delegated to any Purchasing Borrower Party shall be automatically and permanently cancelled upon the effectiveness of such assignment and delegation and will thereafter no longer be outstanding for any purpose hereunder (it being understood and agreed that (A) except as expressly set forth in any such definition, any gains or losses by any Purchasing Borrower Party upon purchase or acquisition and cancellation of such Term Loans shall not be taken into account in the calculation of Excess Cash Flow, Consolidated Net Income and Consolidated EBITDA and (B) any purchase of Term Loans pursuant to this paragraph (f) shall not constitute a voluntary prepayment of Term Loans for purposes of this Agreement);

(vi) the applicable Assignment and Assumption shall include or be supplemented by a customary “big boy” representation from each of the Purchasing Borrower Party and the assignee or assignor, as the case may be (it being agreed that no Purchasing Borrower Party shall be required to make a representation as to absence of MNPI); and

(vii) no Purchasing Borrower Party may use the proceeds from Revolving Loans to purchase any Term Loans.

(f) [Reserved].

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in this Agreement and the other Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Arrangers, any Syndication Agent, any Documentation Agent, any Issuing Bank, any Lender or any Affiliate of any of the foregoing may have had notice or knowledge of any Default or incorrect representation or warranty at the time this Agreement or any other Loan Document is executed and delivered or any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any LC Exposure is outstanding and so long as the Commitments have not expired or terminated. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement or any other Loan Document, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Revolving Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank, or being supported by a letter of credit that names such Issuing Bank as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a "Letter of Credit" outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(d) or 2.05(e). The provisions of Sections 2.15, 2.16, 2.17, 2.18(e) and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment or prepayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) or other amounts at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrower against any of and all the obligations then due of the Borrower now or hereafter existing under this Agreement held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement and although such obligations of the Borrower are owed to a branch or office of such Lender or such Issuing Bank different from the branch or office holding such deposit or obligated on such Indebtedness. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender and each Issuing Bank under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process. (a) This Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the State of New York.

(b) The Borrower irrevocably and unconditionally agrees that it will not, and will not permit any controlled Subsidiary to, commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, any Lender, any Issuing Bank or any Related Party of any of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in the Borough of Manhattan and of the United States District Court for the Southern District of New York (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits, for itself and its property, to the jurisdiction of such courts and agrees that all claims in respect of any action, litigation or proceeding shall be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such Federal court. Each party hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, any Lender or any Issuing Bank may otherwise have to bring any action, litigation or proceeding relating to this Agreement or any other Loan Document against any Loan Party or any of its properties in the courts of any jurisdiction.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action, litigation or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan

Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent, the Lenders and the Issuing Banks agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Related Parties, including accountants, legal counsel and other agents and advisors, it being understood and agreed that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and any failure of such Persons acting on behalf of the Administrative Agent, any Issuing Bank or the relevant Lender to comply with this Section shall constitute a breach of this Section by the Administrative Agent, such Issuing Bank or the relevant Lender, as applicable, (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (provided, that to the extent practicable and permitted by law, the Borrower has been notified prior to such disclosure so that the Borrower may seek, at the Borrower's sole expense, a protective order or other appropriate remedy), (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, provided that each Lender and the Administrative Agent shall use commercially reasonable efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies (f) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its Related Parties) to any Hedging Agreement relating to the Borrower or any Subsidiary and its obligations hereunder or under any other Loan Document, (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided for herein or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facilities provided for herein, (h) with the consent of the Borrower, (i) to the extent

such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Lender or any Issuing Bank or any Affiliate of any of the foregoing on a non-confidential basis from a source other than the Borrower or any Subsidiary, which source is not known by the recipient of such information to be subject to a confidentiality obligation or (j) to any credit insurance provider relating to the Borrower or its Obligations. For purposes of this Section, “Information” means all information received from the Borrower or any Subsidiary relating to the Borrower or any Subsidiary or their businesses, other than any such information that is available to the Administrative Agent, any Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.13. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or participation in any LC Disbursement, together with all fees, charges and other amounts that are treated as interest on such Loan or LC Disbursement or participation therein under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by the Lender or Issuing Bank holding such Loan or LC Disbursement or participation therein in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan or LC Disbursement or participation therein but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender or Issuing Bank in respect of other Loans or LC Disbursements or participation therein or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender or Issuing Bank.

SECTION 9.14. Release of Liens and Guarantees. Subject to the reinstatement provisions set forth in any applicable Security Document, a Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Loan Party shall be automatically released, upon the consummation of any transaction permitted by this Agreement as a result of which such Loan Party ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary (or in case the Borrower elects that any Designated Subsidiary that would otherwise constitute an Excluded Subsidiary cease to be a Designated Subsidiary); provided that, if so required by this Agreement, the Required Lenders (or if applicable, the Lenders) shall have consented to such transaction and the terms of such consent shall not have provided otherwise; provided, further, however, that notwithstanding the foregoing, without the consent of the Required Lenders, no Loan Party that is a Restricted Subsidiary shall be released from its obligations under the Loan Documents if such Loan Party becomes an Excluded Subsidiary solely pursuant to clause (b) of the definition of “Excluded Subsidiary” solely by virtue of a disposition of Equity Interests (unless, for the avoidance of doubt, another clause of the definition of “Excluded Subsidiary” is then applicable), unless such disposition is a good faith disposition to a bona-fide unaffiliated third party whose primary purpose is not the release of the Guarantee and obligations of such Loan Party under the Loan Documents. Upon any sale or other transfer by any Loan Party (other than to the Borrower or any other Loan Party) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under

any Security Document in any Collateral pursuant to Section 9.02, the security interests in such Collateral created by the Security Documents shall be automatically released. Upon the release of any Loan Party from its Guarantee in compliance with this Agreement, the security interest in any Collateral owned by such Loan Party created by the Security Documents shall be automatically released. Upon the designation of a Restricted Subsidiary as an Unrestricted Subsidiary in compliance with this Agreement, the security interest created by the Security Documents in the Equity Interests of such Unrestricted Subsidiary shall be automatically released. On the date on which all (1) Obligations have been paid in full in cash (other than (x) Secured Hedging Obligations not yet due and payable, (y) Secured Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable) and (2) all Letters of Credit have expired or been terminated (other than Letters of Credit that have been cash collateralized or backstopped in an amount, by an institution and otherwise pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank), all obligations under the Loan Documents and all security interests under the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section, and in connection with any Collateral becoming Excluded Property, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party's expense, all documents that such Loan Party shall reasonably request to file or register in any office, or to evidence, such termination or release, or, in the case of Collateral becoming Excluded Property, to effect, to file or register in any office, or to evidence the release of any security interest created by the Security Documents in such assets. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent. Each of the Secured Parties irrevocably authorizes the Administrative Agent, at its option and in its discretion, to effect the releases set forth in this Section.

SECTION 9.15. Certain Notices. Each Lender, each Issuing Bank and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that, pursuant to the requirements of the USA PATRIOT Act and/or the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender, such Issuing Bank or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the USA PATRIOT Act and the Beneficial Ownership Regulation, and each Loan Party agrees to provide such information from time to time to such Lender, such Issuing Bank and the Administrative Agent, as applicable.

SECTION 9.16. No Fiduciary Relationship. The Borrower, on behalf of itself and its subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Borrower, the Subsidiaries and their respective Affiliates, on the one hand, and the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks and their respective Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks or their respective Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications. The Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks and their respective Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Borrower, the Subsidiaries and their respective Affiliates, and none of the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks or any of their respective Affiliates has any obligation to disclose any of such interests to the Borrower, the Subsidiaries or

any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower hereby waives and releases any claims that it or any of its Affiliates may have against the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks or any of their respective Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.17. Non-Public Information. (a) Each Lender acknowledges that all information, including requests for waivers and amendments, furnished by the Borrower or the Administrative Agent pursuant to or in connection with, or in the course of administering, this Agreement will be syndicate-level information, which may contain MNPI. Each Lender represents to the Borrower and the Administrative Agent that (i) it has developed compliance procedures regarding the use of MNPI and that it will handle MNPI in accordance with such procedures and applicable law, including Federal, State and foreign securities laws, and (ii) it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain MNPI in accordance with its compliance procedures and applicable law, including Federal, State and foreign securities laws.

(b) The Borrower and each Lender acknowledge that, if information furnished the Borrower pursuant to or in connection with this Agreement is being distributed by the Administrative Agent through the Platform, (i) the Administrative Agent may post any information that the Borrower has indicated as containing MNPI solely on that portion of the Platform as is designated for Lenders' employees and representatives willing to receive such MNPI (such employees and representatives, "Private-Siders"); and (ii) if the Borrower has not indicated whether any information furnished by it pursuant to or in connection with this Agreement contains MNPI, the Administrative Agent reserves the right to post such information solely on that portion of the Platform as is designated for Private-Siders. The Borrower agrees to clearly designate all information provided to the Administrative Agent by or on behalf of the Borrower that is suitable to be made available to Lenders' public-side employees and representatives who do not wish to receive MNPI (such employees and representatives, "Public-Siders"), and the Administrative Agent shall be entitled to rely on any such designation by the Borrower without liability or responsibility for the independent verification thereof.

SECTION 9.18. Acknowledgement and Consent to Bail-In of EEA Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or Issuing Bank that is an EEA Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of an EEA the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by ~~an EEA the applicable~~ Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or Issuing Bank party hereto that is an EEA Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such ~~EEA~~**Affected** Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of ~~any EEA~~**the applicable** Resolution Authority.

SECTION 9.19. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

SECTION 9.20. Cashless Settlement. Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent and such Lender.

SECTION 9.21. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

- Increase in the Tender Caps for its 4.700% Notes due 2023 and its 3.875% Notes due 2022

STAMFORD, Conn.—(BUSINESS WIRE)—March 22, 2021—Pitney Bowes Inc. (NYSE: PBI) (the “Company” or “Pitney Bowes”) announced today the early tender results as of 5:00 p.m. New York City time, on March 19, 2021 (the “Early Tender Time”) for its previously announced cash tender offers (collectively, the “Tender Offers,” and each offer to purchase a series of notes individually, a “Tender Offer”) to purchase up to \$375,000,000 aggregate principal amount (the “Aggregate Maximum Principal Amount”) of the outstanding notes of the Company as set forth in the table below (collectively, the “Notes”) tendered from each holder (individually, a “Holder,” and collectively, the “Holders”) of the applicable Notes. Terms used but not defined herein have the meaning ascribed to them in the Offer to Purchase, dated March 8, 2021 (the “Offer to Purchase”).

In addition, Pitney Bowes announced today that it has amended the terms and conditions of the Tender Offers to extend the deadline for receiving the applicable Early Tender Premium (as defined below) with respect to the 4.625% Notes due 2024 (the “4.625% Notes”) as specified in the table below through 11:59 p.m., New York City time, on April 2, 2021, unless extended or earlier terminated by Pitney Bowes (the “Expiration Time”). Accordingly, Holders who validly tender 4.625% Notes at any time prior to the Expiration Time will now receive the applicable Total Consideration (as defined below) set forth in the table below (which includes the applicable Early Tender Premium) for such 4.625% Notes accepted for purchase. Furthermore, Pitney Bowes announced today that it has (i) increased the maximum aggregate principal amount of 4.700% Notes due 2023 (the “4.700% Notes”) that it will accept for purchase from an aggregate principal amount of \$125,000,000 of 4.700% Notes to an aggregate principal amount of \$180,000,000 of 4.700% Notes and (ii) increased the maximum aggregate principal amount of 3.875% Notes due 2022 (the “3.875% Notes”) that it will accept for purchase from an aggregate principal amount of \$25,000,000 of 3.875% Notes to an aggregate principal amount of \$80,000,000 of 3.875% Notes. Subject to these amendments to the Tender Offers, the Tender Offers are being made upon and are subject to the terms and conditions set forth in the Offer to Purchase.

The principal amount of each series of Notes that were validly tendered and not validly withdrawn in the Tender Offers as of the Early Tender Time is set forth in the table below:

Series of Notes ⁽³⁾	CUSIP Number(s)	Aggregate Principal Amount Outstanding	Waterfall Series Tender Cap	Acceptance Priority Level	As of the Early Tender Time

- (2) Includes the early tender premium set out in the table above for 4.700% Notes and 3.875% Notes validly tendered prior to the Early Tender Time (and not validly withdrawn) and 4.625% Notes validly tendered prior to the Expiration Time (and not validly withdrawn), and, in each case, accepted for purchase by the Company.
- (3) Interest rates included herein represent the respective initial interest rate of each series of Notes subject to the Tender Offers. Due to credit rating downgrades on each series of Notes since they were originally issued, the 4.700% Notes and the 3.875% Notes currently bear interest at a rate of 5.950% per annum and 5.375% per annum, respectively. On February 10, 2021, Standard & Poor’s downgraded the Company’s credit rating and the credit rating of its secured and unsecured debt. As a result of such downgrades, the interest rate payable on the 4.700% Notes will increase from 5.950% per annum to 6.200% per annum on April 1, 2021, and the interest rate on the 3.875% Notes will increase from 5.375% per annum to 5.625% per annum on May 15, 2021.

As previously announced, withdrawal rights for each of the Tender Offers expired at 5:00 p.m., New York City time, on March 19, 2021.
