ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On August 8, 2024, certain subsidiaries of Pitney Bowes Inc. (the “Company”) entered into a series of transactions designed to facilitate an orderly wind-down of the Company’s Global Ecommerce reporting segment. In connection with the wind-down, an affiliate of Hilco Commercial Industrial, LLC (“Hilco”) subscribed for 81% of the voting interests in DRF Logistics, LLC, an entity holding a substantial majority of the Global ecommerce segment’s assets and operations (such entity, together with its subsidiary, DRF, LLC, the “Ecommerce Debtors”), for *de minimis* consideration (the “GEC Sale”), with a subsidiary of the Company retaining 19% of the voting interests and 100% of the economic interests in DRF Logistics, LLC. The subscription was effected by a limited liability company agreement (the “LLCA”), which provides that the board of DRF Logistics, LLC will be managed by two independent initial managers. Pursuant to the LLCA, managers can be appointed or removed by vote of the majority of the voting interests in DRF Logistics, LLC. Under the LLCA, any action taken by the board of managers shall serve to bind DRF Logistics, LLC and such board shall have such authority, rights and powers to manage DRF Logistics, LLC. Subsequent to the GEC Sale, the Ecommerce Debtors, at the direction of their own governing bodies, filed petitions to commence Chapter 11 bankruptcy cases and conduct an orderly wind-down of the Ecommerce Debtors (the “Ecommerce Chapter 11 Cases”). The Company and its remaining subsidiaries did not file for Chapter 11 protection and will continue to operate their respective businesses as usual.

The foregoing description is intended to be a summary only and is qualified in its entirety by reference to the full text of the LLCA, which is attached to this Current Report on Form 8-K as Exhibit 10.1 and is incorporated herein by reference.

The Restructuring Support Agreement

On August 8, 2024, the Company entered into a Restructuring Support Agreement (together with all exhibits and schedules thereto, the “RSA”) with the Ecommerce Debtors, which contemplates the filing of the Ecommerce Chapter 11 Cases and a chapter 11 plan (the “Plan”) to implement the orderly wind-down of the Ecommerce Debtors. Capitalized terms used but not defined herein have the meanings ascribed to them in the RSA.

The RSA, including the Plan, other ancillary agreements, and the DIP Facility (as defined below) contemplate, among other things:

- an orderly wind-down of the Ecommerce Debtors and recovery for creditors commensurate with the success of the Ecommerce Debtors’ ability to liquidate their assets and repay the DIP Facility (as defined below);
- the continued provision of shared services between the Company and the Ecommerce Debtors, including shared insurance coverage and use of employees, through September 9, 2024, subject to extension by mutual agreement, but in no event beyond November 29, 2024, in exchange for consideration;
- a global settlement between the Company and the Ecommerce Debtors, including (among other things) a release of claims the Ecommerce Debtors may have against the Company, which release remains subject to approval of the Bankruptcy Court; and
- a senior secured, superpriority debtor-in-possession financing facility (the “DIP Facility”) comprised of a multi-draw debtor-in-possession term promissory note between PBIH as lender (the “DIP Lender”) and DRF Logistics, LLC, as borrower, in an aggregate principal amount of up to approximately \$45 million (contingent upon the Bankruptcy Court’s approval).

The foregoing description of the Restructuring Support Agreement and the transactions and documents contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Restructuring Support Agreement as filed as Exhibit 10.2 hereto and incorporated by reference herein.

The Settlement and Release Agreement

On August 8, 2024, the Company entered into a Settlement and Release Agreement (the “SRA”) with the Ecommerce Debtors, the Company and a subsidiary of the Company. The SRA contemplates the separation of the relationship and transactions among the Company and its subsidiaries, on the one hand, and the Ecommerce Debtors on the other, including the settlement and release by each party of certain claims.

The foregoing description of the SRA and the transactions and documents contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Restructuring Support Agreement as filed as Exhibit 10.3 hereto and incorporated by reference herein.

Credit Agreement Amendment and Note Purchase Agreement Amendment

In connection with the Ecommerce Chapter 11 Cases, on August 8, 2024, the Company entered into (i) the Seventh Amendment (the “Credit Agreement Amendment”) to the Credit Agreement, dated as of November 1, 2019, by and among the Company, the certain subsidiaries of the Company party thereto, the lenders and issuing banks party thereto and JPMorgan Chase Bank, N.A., as administrative agent (the “Credit Agreement”) and (ii) the First Amendment (the “NPA Amendment” and, together with the Credit Agreement Amendment, the “Amendments”) to the Note Purchase Agreement, dated as of July 31, 2023 (the “NPA”), by and among the Company, as issuer, the noteholders party thereto (including funds managed by Oaktree Capital Management, L.P.) and Alter Domus (US) LLC, as noteholder representative.

The Amendments make certain changes to the Credit Agreement and the NPA including: (i) releasing the Ecommerce Debtors from their obligations under the Credit Agreement and NPA, (ii) releasing the Ecommerce Debtors from any and all liens, guarantees and other encumbrances under the Credit Agreement and NPA, (iii) permitting the transactions contemplated by the Ecommerce Restructuring (as defined in the Amendments), including the provision of the DIP Facility to the Ecommerce Debtors, (iv) modifying the definition of consolidated EBITDA to remove historical results of the Global Ecommerce business and exclude costs incurred in connection with the Ecommerce Restructuring and (v) modifying certain collateral related terms and negative covenants. In addition, the Credit Agreement Amendment reduces the total aggregate amount of revolver commitments available to be borrowed from \$500 million to \$400 million.

The foregoing descriptions of the Amendments do not purport to be complete and are qualified in their entirety by reference to the Amendments, copies of which are attached as Exhibits 10.4 and 10.5, to this Current Report on Form 8-K and incorporated into this Item 1.01 by reference.

ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS.

The information set forth in Item 1.01 of this Current Report on Form 8-K regarding the Amendment is incorporated herein by reference.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

The information set forth in Item 1.01 of this Current Report on Form 8-K regarding the Amendment is incorporated herein by reference.

ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

The employment of James Fairweather as Executive Vice President and Chief Innovation Officer at the Company will end, effective April 1, 2025 (the “Separation Date”).

In connection with Mr. Fairweather’s separation from the Company, Mr. Fairweather executed a Separation and General Release Agreement (the “Separation Agreement”), pursuant to which, and subject to agreement to the terms included therein (including a release), Mr. Fairweather will be eligible to receive a cash payment equal to \$582,394, less applicable taxes and withholdings, which amount represents fifty (50) weeks’ worth of Mr. Fairweather’s base salary as in effect immediately prior to the Separation Date (the “Separation Amount”). In addition to the Separation Amount, Mr. Fairweather is also be entitled to a pro-rata annual bonus (subject to his satisfaction of the release agreement requirement), based on company performance, corresponding to the time he serves as Executive Vice President and Chief Innovation Officer in 2025 (the “Pro-Rata Bonus”) and other benefits. The Pro-Rata Bonus, if any, will be paid to Mr. Fairweather when annual bonuses for then-active employees of the Company are paid, but no later than March 15, 2026.

Additionally, under the terms of the Separation Agreement, Mr. Fairweather’s stock options and restricted stock units granted before the Separation date that are at least partially vested or outstanding for year as of the Separation Date will continue to vest and remain exercisable in accordance with the applicable vesting schedules. Upon becoming eligible for retirement, any outstanding stock awards and restricted stock units will immediately vest. The Company will pay a prorated payout for outstanding performance stock units or cash incentive units. Payout will be subject to a schedule based on total completed months of active service through the last day of work.

Over the next several months, Mr. Fairweather will focus on the wind-down of the Global Ecommerce segment and cost restructuring matters for the Company.

The foregoing description is intended to be a summary only and is qualified in its entirety by reference to the full text of the Separation Agreement, which is attached to this Current Report on Form 8-K as Exhibit 10.6 and is incorporated herein by reference.

In connection with the Ecommerce Chapter 11 Cases, the Company issued a press release on August 8, 2024, a copy of which is attached to this Form 8-K as Exhibit 99.1.

Except as otherwise provided in the Act, by applicable law or expressly in this Agreement, no Member will be obligated personally for any debt, obligation, or liability of the Company or other Members, whether arising in contract, tort, or otherwise, solely by reason of being a Member.

11.2 Indemnification

(a) To the fullest extent permitted under the Act, any Covered Person (as defined in section (c) below) shall be entitled to indemnification and reimbursement of reasonable expenses from the Company for and against any loss, damage, claim, or expense (including reasonable attorneys’ fees) (collectively, “**Losses**”) whatsoever incurred by the Covered Person relating to or arising out of any act or omission or alleged acts or omissions (whether or not constituting negligence) performed or omitted by any Covered Person on behalf of the Company; provided, however, that (i) any indemnity under this Section 11.2 shall be provided out of and to the extent of the Company assets only, and neither any Member or any other person shall have any personal liability to contribute to such indemnity by the Company; (ii) such Covered Person acted in good faith and in a manner believed by such Covered Person to be in, or not opposed to, the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe their conduct was unlawful; and (iii) such Covered Person’s conduct did not constitute fraud or willful misconduct, in either case as determined by a final, nonappealable order of a court of competent jurisdiction.

(b) Upon receipt by the Company of a written undertaking by or on behalf of the Covered Person to repay such amounts if it is finally judicially determined that the Covered Person is not entitled to indemnification under this Section 11.2, the Company shall advance, to the extent reasonably required, each Covered Person for reasonable legal or other expenses (as incurred) of such Covered Person in connection with investigating, preparing to defend, or defending any claim, lawsuit, or other proceeding relating to any Losses for which such Covered Person may be indemnified pursuant to this Section 11.2.

(c) For purposes of this Section 11.2, “**Covered Person**” means (i) each Member; (ii) each Manager of the Company; (iii) the affiliates of each Member and of each Manager and (iv) with respect to each of the parties set forth in the foregoing provisions (i), (ii), and (iii), their respective officers, directors, shareholders, partners, managers, members, employees, agents, or representatives, to the extent applicable.

11.3 Expenses.

(a) Except as otherwise provided in this Agreement, the Company shall be responsible for all expenses incurred in connection with the operation of the Company’s business, including (i) all costs, expenses and liabilities associated with the Company’s business, including routine administrative expenses, consulting, auditing, financing and legal fees, (ii) expenses incurred, costs, interest and other obligations in respect of money borrowed by the Company, (iii) costs of litigation or arbitration brought by or against the Company, including attorney’s fees and expenses, judgments and settlements, (iv) indemnification costs and expenses incurred by the Company under any contract to which it is a party, and (v) any taxes, fees and other governmental charges levied against the Company, including any expenses relating to any governmental inquiry of the Company or its business activities.

11.4 Exculpation.

(a) Except as otherwise provided in the Act, by applicable law, or expressly in this Agreement, no Manager will be obligated personally for any debt, obligation, or liability of the Company, whether arising in contract, tort, or otherwise, solely by reason of being a Manager.

(b) To the maximum extent permitted by applicable law, no officer (in such person’s capacity as such) shall be liable to the Company or to any Member for losses sustained or liabilities incurred as a result of any act or omission (in relation to the Company, any transaction, any investment or any business decision or action, including for breach of duties including fiduciary duties) taken or omitted by such officer (in such person’s capacity as such), unless there has been a final and non-appealable judgment entered by a court of competent jurisdiction determining that, in respect of such act or omission, and taking into account the acknowledgments and agreements set forth in this Agreement, such officer (in such person’s capacity as such) would have had such liability for such act or omission that an officer of the Company would have if the Company were a corporation organized under the laws of the State of Delaware.

(c) NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, TO THE FULLEST EXTENT PERMITTED BY LAW, NO MEMBER (IN HIS, HER OR ITS CAPACITY AS A MEMBER) OR MANAGER (IN HIS OR HER CAPACITY AS A MANAGER) OR OFFICER OF THE COMPANY (IN HIS OR HER CAPACITY AS AN OFFICER) SHALL BE LIABLE TO THE COMPANY, TO ANY MEMBER OR TO ANY OTHER PERSON MAKING CLAIMS ON BEHALF OF THE FOREGOING FOR CONSEQUENTIAL, EXEMPLARY, PUNITIVE, INCIDENTAL, INDIRECT OR SPECIAL DAMAGES, INCLUDING DAMAGES FOR LOSS OF PROFITS, LOSS OF USE OR REVENUE OR LOSSES BY REASON OF COST OF CAPITAL, ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE BUSINESS OF THE COMPANY OR ANY OF ITS CONTROLLED AFFILIATES, REGARDLESS OF WHETHER SUCH CLAIMS ARE BASED ON CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, VIOLATION OF ANY APPLICABLE DECEPTIVE TRADE PRACTICES ACT OR SIMILAR LAW OR ANY OTHER LEGAL OR EQUITABLE DUTY OR PRINCIPLE, AND THE COMPANY AND EACH MEMBER HEREBY RELEASE EACH OTHER MEMBER (IN HIS, HER OR ITS CAPACITY AS A MEMBER), MANAGER (IN HIS OR HER CAPACITY AS A MANAGER) AND OFFICER (IN HIS OR HER CAPACITY AS AN OFFICER) OF THE COMPANY FROM ANY SUCH DAMAGES.

(d) Notwithstanding anything in this Agreement to the contrary, nothing in this Section 11.4 shall limit or waive any claims against, actions, rights to sue, other remedies or other recourse the Company, any Member or any other Person may have against any Member, Manager or officer of the Company for a breach of contract claim relating to any binding agreement, including this Agreement.

14.3 Bankruptcy. Notwithstanding any provision of this Agreement to the contrary, the bankruptcy of any Member shall not cause such Member to cease to be a Member of the Company, and, upon occurrence of such an event, the business of the Company shall continue without dissolution. The retirement, resignation, expulsion or dissolution of any Member, or the occurrence of any other event under the Act that terminated the continued membership of any Member in the Company, shall not cause the Company to be dissolved or its affairs wound up, and, upon the occurrence of any such event, the business of the Company shall continue without dissolution.

14.4 Distributions. If the Company is to be terminated pursuant to this Section 14, the Company shall be liquidated and its business and affairs wound up in accordance with the Act and the following provisions:

15.3 Governing Law. This Agreement shall be governed by the laws of the State of Delaware.

15.4 Confidentiality. Notwithstanding anything in this Agreement to the contrary, each Member agrees that, except with the prior written consent of the Board, it shall at all times keep confidential and not divulge, furnish or make accessible to any person any confidential information, knowledge or data concerning or relating to the business or financial affairs of any other Member, the Company or any direct or indirect Subsidiary of the Company to which such Member has been or shall become privy by reason of this Agreement, discussions or negotiations relating to this Agreement or the relationship of the Members contemplated hereby; provided, however, that each Member may disclose confidential information to another Member, such Member's managers, partners, officers, employees, advisors, financing sources, accountants, attorneys, other advisors or representatives to the extent the disclosure to such Persons of such information is necessary for such Member's ownership, management or monitoring of its Interest or its investment in the Company and the Company's assets; provided, further, that (a) such Member's managers, partners, officers, employees, advisors, financing sources, accountants, attorneys, other advisors or representatives of such Member will be informed by such Member of the confidential nature of such information and shall be directed by such Member to keep such information confidential in accordance with this Section 15.4 and (b) each Member will be liable for any failure of any such Person to comply with this Section 15.4. The provisions of this Section 15.4 shall survive termination of this Agreement.

15.5 Severability. In the event that any provision of this Agreement shall be declared to be invalid, illegal, or unenforceable, such provision shall survive to the extent it is not so declared, and the validity, legality, and enforceability of the other provisions hereof shall not in any way be affected or impaired thereby, unless such action would substantially impair the benefits to any party of the remaining provisions of this Agreement.

15.6 Specific Performance. Each Member agrees that the Company and the other Member(s) would be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms and that monetary damages may not provide an adequate remedy in such event. Accordingly, it is agreed that, in addition to any other remedy to which the Company and the non-breaching Member(s) may be entitled, at law or in equity, the Company and the nonbreaching Member(s) are entitled to injunctive relief to prevent breaches of the provisions of this Agreement and to specifically enforce the terms and provisions hereof in any action instituted in any court of the United States or any state thereof having subject matter jurisdiction thereof.

15.7 Waiver of Trial by Jury. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT OF TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTER-CLAIM, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY MATTER ARISING HEREUNDER.

Each party agrees not to commence any such lawsuit, action, claim or other proceeding except in the Courts. The Members further agree, to the fullest extent permitted by law, that a final and nonappealable judgment against any of them in any action contemplated above shall be conclusive and may be enforced in any other jurisdiction within or outside the United States by suit on the judgment, a certified copy of which shall be conclusive evidence of the fact and amount of such judgment, a certified or exemplified copy of which shall be conclusive evidence of the fact and amount of such judgment.

15.9 No Third-Party Beneficiaries. Nothing in this Agreement, either express or implied, is intended to or shall confer upon any person other than the parties hereto, and their respective successors and permitted assigns, any rights, benefits, or remedies of any nature whatsoever under or by reason of this Agreement.

15.10 Pension Plans. PBIHI represents, warrants, and covenants that (i) neither the Company nor any of its subsidiaries have ever sponsored, maintained, contributed (or failed to make any contribution that it was required to make) to (A) a “defined benefit plan” as defined in Section 3(35) of Employee Retirement Income Security Act of 1974, as amended (“ERISA”) or any benefit plan that is or was subject to Title IV of ERISA, Sections 412 or 430 of the Code, or Section 302 of ERISA (any such plan, a “Pension Plan”) or (B) a “multiemployer plan,” as defined in Section 3(37) of ERISA, (ii) neither the Company nor any of its subsidiaries are subject to, and no facts exist that would be reasonably likely to subject the Company or any of its subsidiaries to, any lien pursuant to Section 430(k) of the Code or pursuant to Section 4068 of ERISA, and (iii) no Pension Plan sponsored by any ERISA Affiliate (defined below) is, or is expected, in “at risk” status (as defined in Section 430 of the Code or Section 303 of ERISA), where “ERISA Affiliate” means, any trade or business (whether or not incorporated) which is a member of a group of which PBIHI is a member and which would be deemed to be a “controlled group” or under “common control” within the meaning of Sections 414(b), (c), (m) or (o) of the Code or Sections 4001(a)(14) or 4001(b)(1) of ERISA.

THIS RESTRUCTURING SUPPORT AGREEMENT IS NOT AN OFFER WITH RESPECT TO ANY SECURITIES OR A SOLICITATION OF ACCEPTANCES OF A CHAPTER 11 PLAN WITHIN THE MEANING OF SECTIONS 1125 AND 1126 OF THE BANKRUPTCY CODE. ANY SUCH OFFER OR SOLICITATION WILL COMPLY WITH ALL APPLICABLE SECURITIES LAWS AND/OR PROVISIONS OF THE BANKRUPTCY CODE.

RESTRUCTURING SUPPORT AGREEMENT

This Restructuring Support Agreement (this “*Agreement*”) is made as of August 8, 2024, by and among (i) DRF Logistics, LLC (“*DRFL*”) and DRF, LLC (“*DRFLLC*”) (collectively, the “*Debtors*” and each a “*Debtor*”), (ii) Pitney Bowes, Inc. (“*PBI*”) and Pitney Bowes International Holdings, Inc. (“*PBIH*”), and (iii) the undersigned holders of Oaktree Secured Claims (as defined below) (collectively, “*Oaktree*” and together with PBI and PBIH, the “*Consenting Parties*”). DRFL, DRFLLC, PBI, PBIH and Oaktree are collectively referred to herein as the “*Parties*” and each individually as a “*Party*.”

RECITALS

A. Prior to August 8, 2024, PBI was the indirect corporate parent of the Debtors, and PBI and certain of its Affiliates from time to time supported the Debtors’ businesses by, among other things, (i) advancing funding to the Debtors and (ii) providing cash management services, sharing corporate services, sharing employee costs, and making available and sharing property useful for and supportive to the Debtors’ businesses (the services in the foregoing clause (ii), collectively, the “*Shared Services*”).

B. As a result of a number of factors, including the Debtors’ historic inability to generate sufficient cash flow to sustain their respective business operations, Pitney Bowes has funded over \$1.1 billion to the Debtors since 2015 to support the Debtors’ business operations and enable the Debtors to service their customers and pay their employees and creditors.

C. Prior to the date hereof, Pitney Bowes worked with its professional advisors to conduct a robust and comprehensive marketing process for the potential sale of the Debtors’ global ecommerce business as a going concern to one or more third parties.

D. Such marketing process did not result in any viable bids or any actionable transactions for the entirety of the Debtors’ business enterprise and as a result, on June 27, 2024, PBIH, as sole stockholder of DRFL, removed the directors of DRFL from the board of directors of DRFL (the “*DRFL Board*”) and appointed two independent directors to the DRFL Board.

E. Upon its reconstitution, the DRFL Board (i) explored and evaluated potential alternatives for the Debtors, including the orderly wind-down of the Debtors’ businesses outside of court or through the commencement of voluntary cases under chapter 11 of title 11 of the United States Code (the “*Bankruptcy Code*”) and (ii) conducted an investigation (the “*Investigation*”) into any and all potential Claims and causes of action held by DRFL or DRFLLC (or that would be held by their respective Estates (as defined below)) against Pitney

Bowes (the “**Potential Claims**”) and whether to prosecute, settle, release, discharge, or enter into any other agreement relating to the Potential Claims.

F. Pitney Bowes fully cooperated with the Debtors’ independent managers and professional advisors in connection with the Investigation, including by timely providing thousands of pages of requested documents and over 11 witness interviews.

G. On August 8, 2024, pursuant to that certain *Amended and Restated Limited Liability Company Agreement of DRF Logistics, LLC*, HCI DRF, LLC (“**Hilco**”) subscribed for, and PBIH issued to Hilco, 81% of the voting interests in DRFL, and following such subscription by Hilco, PBIH holds 100% of the economic interests and 19% of the voting interests in DRFL (the transactions described in this recital, the “**Hilco Subscription**”).

H. Following the Hilco Subscription, the Debtors will continue to require access to certain Shared Services and funding to continue operating and ultimately wind-down in an orderly manner for the benefit of their stakeholders. At the request of the Debtors, PBIH is willing to provide such funding in the form of a senior secured, superpriority debtor-in-possession financing.

I. On August 8, 2024, PBI and certain of its Affiliates, on one hand, and the Debtors, on the other hand, following good-faith and arm’s-length negotiations with each other, agreed to a settlement of all the Debtors’ claims and causes of action against Pitney Bowes, and to provide for other consideration, releases, and covenants subject to and in accordance with the terms and conditions of the Settlement and Release Agreement and the Plan (each as defined below).

J. On August 8, 2024, the DRFL Board authorized DRFL and DRFL authorized DRFLLC, to commence the voluntary cases under the Bankruptcy Code (the “**Chapter 11 Cases**”) in the United States Bankruptcy Court for the Southern District of Texas (the “**Bankruptcy Court**”) to effectuate an orderly wind-down and liquidation of DRFL and DRFLLC, which will be implemented, subject to the conditions set forth herein, through the proposed chapter 11 plan of liquidation for the Debtors attached to this Agreement as **Exhibit A** (including any schedules and exhibits attached thereto, and as may be amended, supplemented, or otherwise modified from time to time, so long as such plan is an Approved Plan (as defined below), the “**Plan**”).

K. In light of the foregoing, the Debtors, PBI, PBIH, and with respect to subsection (iv) below, Oaktree, following arm’s-length, good-faith negotiations, believe it is desirable and have mutually agreed to:

(i) settle all outstanding disputes with respect to the Potential Claims to avoid the substantial expense, burden, and risk of protracted litigation and to fully and finally resolve any and all Potential Claims against Pitney Bowes that may or could be asserted by the Debtors and their Estates;

(ii) enter into certain arrangements that provide for certain of the Parties’ use of, access to, and/or purchase of the Shared Services, in each case, in exchange for the fair market value of such Shared Services;

(iii) provide DRFL and DRFLLC with access to funding in the form of debtor-in-possession financing (as further described herein) to enable DRFL and DRFLLC to operate through a winddown; and

(iv) support, consent to, and consummate (as applicable) the liquidation of DRFL and DRFLLC through the Chapter 11 Cases, which shall be effectuated through the Plan.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, agree as follows:

9. **Governing Law; Jurisdiction; Waiver of Jury Trial.**

(a) This Agreement shall be construed and enforced in accordance with, and the rights of the Parties shall be governed by, the laws of the State of New York, without giving effect to the conflict of laws principles thereof.

Each of the Parties agrees not to commence any proceeding relating to this Agreement except in the NY Courts, other than proceedings in any court of competent jurisdiction to enforce any judgment, decree, or award rendered by any NY Court. Each of the Parties further agrees that notice as provided in Section 15 shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT, OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10. **Specific Performance/Remedies.** It is understood and agreed by the Parties that money damages would not be a sufficient remedy for any breach of this Agreement by any Party. Each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including reasonable attorneys' fees and costs), including an order of the Bankruptcy Court, requiring any Party to comply promptly with any of its obligations hereunder, as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy. The agreements, representations and obligations of the Parties herein are, in all respects, ratable and several and neither joint nor joint and several.

Any PBI Released Party who is not named as a Party hereto shall have the rights of an intended third-party beneficiary with respect to the provisions of this Agreement. Except as set forth in this Section 6.5, no other Person not a Party hereto shall be deemed a third-party beneficiary of any provision of this Agreement or shall otherwise be entitled to enforce any provision hereof.

Section 6.6 Counterparts. This Agreement may be executed and delivered in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts shall constitute one and the same instrument, and all signatures need not appear on any one counterpart. The Parties agree that this Agreement will be considered signed by a Party when the signature of such Party is delivered to the other Parties by electronic mail transmission in portable document format (pdf). Such electronic mail signature shall be treated in all respects as having the same effect as an original signature.

Section 6.9 Entire Agreement. This Agreement, including all the exhibits hereto, contains the entire understanding of the Parties with respect to the matters set forth herein and supersedes all prior agreements, covenants, arrangements, communications, representations or warranties made with respect to such matters, whether oral or written, by the Parties hereto or by any officer, employee or representative of any Party.

Section 6.10 Parties' Use Of Legal Counsel And Construction Of Agreement. Each of the Parties represents to each other Party hereto that it has discussed this Agreement with its counsel. This Agreement has been prepared through the joint efforts of all of the Parties. Neither the provisions of this Agreement nor any alleged ambiguity shall be interpreted or resolved against any Party on the ground that such Party's counsel drafted this Agreement, or based on any other rule of strict construction. Each of the Parties hereto represents and declares that such Party has carefully read this Agreement, and that such Party knows the contents hereof and signs the same freely and voluntarily. The Parties hereby acknowledge that they have been represented by legal counsel of their own choosing in negotiations for and preparation of this Agreement and that each of them has read the same and had their contents fully explained by such counsel and is fully aware of their contents and legal effect.

Section 6.11 Severability. The terms and provisions of this Agreement, the RSA, the SSA, and the DIP Note are an integrated, essential and non-severable part of this Agreement. If any term or provision of this Agreement, the RSA, the SSA, or the DIP Note shall be held to be invalid, unenforceable, void or voidable, or violative of applicable law, the remaining portions of this Agreement, the RSA, the SSA, and the DIP Note, as applicable, shall nevertheless remain in full force and effect so long as the economic and legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to the Parties.

Section 6.12 Specific Performance. Each of the Parties hereto acknowledges and agrees that the other Parties hereto and all PBI Released Parties hereunder would be irreparably damaged in the event any of the provisions of this Agreement are not performed in accordance with their specific terms or otherwise are breached, and that there is no adequate remedy at law with respect to any such breach. Accordingly, each of the Parties and their respective successors and permitted assigns agrees that the other Parties, all PBI Released Parties hereunder or their respective successors and permitted assigns shall, in addition to any other remedy to which they may be entitled, at law or in equity, be entitled to injunctive or other relief, including an order of the Bankruptcy Court or other court of competent jurisdiction, to prevent breaches or alleged or threatened breaches of the provisions of this Agreement and to specifically enforce this Agreement and the terms and provisions hereof.

Section 6.13 Termination. The PBI Entities may terminate this Agreement upon the Debtors' failure to comply with any of their respective obligations hereunder, including, for the avoidance of doubt, granting the releases of the PBI Released Parties as set forth herein and obtaining approval of this Agreement by the Bankruptcy Court by November 15, 2024. Upon such termination, all of the PBI Entities' obligations hereunder shall be void ab initio, and the PBI Entities shall be entitled to seek any and all damages against the Debtors to which they may be entitled at law or in equity.

Section 6.14 Governing Law; Submission to Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to such state's choice of law provisions which would require the application of the law of any other jurisdiction. By its execution and delivery of this Agreement, each of the Parties hereto irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding against it with respect to any matter arising under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, to the extent possible, shall be brought in the Bankruptcy Court and, by execution and delivery of this Agreement, each of the Parties hereto irrevocably accepts and submits itself to the exclusive jurisdiction of the Bankruptcy Court with respect to any such action, suit or proceeding, agrees that it shall bring any action, suit or proceeding relating to this Agreement in the Bankruptcy Court, and consents to the entry of final orders and judgments in any such action, suit, or proceeding by the Bankruptcy Court.

For the avoidance of doubt, (x) if any of such financial ratios or tests are exceeded (or, with respect to the Consolidated Interest Coverage Ratio or the Consolidated Adjusted Interest Coverage Ratio, not reached) as a result of fluctuations in such ratio or test (including due to fluctuations in Consolidated EBITDA or otherwise) at or prior to the consummation of the relevant Limited Condition Transaction, such financial ratios and tests and other provisions will not be deemed to have been exceeded (or, with respect to the Consolidated Interest Coverage Ratio or the Consolidated Adjusted Interest Coverage Ratio, not reached) as a result of such fluctuations solely for purposes of determining whether the Limited Condition Transaction is permitted hereunder and (y) such financial ratios and tests and other provisions shall not be tested at the time of consummation of such Limited Condition Transaction or related transaction. For the avoidance of doubt, if the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any financial ratio or test (excluding, for the avoidance of doubt, any ratio contained in Sections 6.12 or 6.13) or basket availability with respect to any Limited Condition Transaction on or following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or, in the case of a Limited Condition Transaction described in clause (i) thereof, the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such subsequent transaction is permitted under this Agreement or any Loan Document, any such ratio, test or basket shall be required to comply with any such ratio, test or basket on a Pro Forma Basis assuming such Limited Condition Transaction and the other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until such time as the applicable Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated or expires.

(b) Notwithstanding anything to the contrary herein, with respect to any Indebtedness or Liens incurred in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (including, without limitation, any tests based on the Consolidated Total Leverage Ratio, Consolidated Interest Expense, Adjusted Consolidated Interest Expense, the First Lien Leverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Interest Coverage Ratio, Consolidated EBITDA or Adjusted Consolidated EBITDA) (any such amounts, the “Fixed Amounts”) substantially concurrently with any Indebtedness or Liens incurred in reliance on a provision of this Agreement that requires compliance with a financial ratio or test (including any tests based on the Consolidated Total Leverage Ratio, Consolidated Interest Expense, Adjusted Consolidated Interest Expense, the First Lien Leverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Interest Coverage Ratio, Consolidated EBITDA or Adjusted Consolidated EBITDA) (any such amounts, the “Incurrence-Based Amounts”), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the incurrence of the Incurrence-Based Amounts.

SECTION 1.07. Divisions. For all purposes under this Agreement, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction’s laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

SECTION 1.08. Interest Rates; Benchmark Notification. The interest rate on a Loan denominated in Dollars or a Permitted Foreign Currency may be derived from an interest rate benchmark that is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event or a Term ESTR Transition Event, Section 2.14(b) and (c) provide the mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof (including, without limitation, (i) any such alternative, successor or replacement rate implemented pursuant to Section 2.14(b) or (c), and (ii) the implementation of any Benchmark Replacement Conforming Changes pursuant to Section 2.14(d)), including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

SECTION 1.09. Permitted Foreign Currency Calculations. (a) For purposes of determining the Dollar Equivalent of any Loan or Letter of Credit denominated in a Permitted Foreign Currency or any related amount, the Administrative Agent shall determine the Exchange Rate as of each applicable Exchange Rate Date with respect to each Permitted Foreign Currency in which any requested or outstanding Loan or Letter of Credit is denominated and shall apply such Exchange Rates to determine such amount (in each case after giving effect to any Loan to be made or repaid or Letter of Credit issued on or prior to the applicable date for such calculation), and each such amount shall be the Dollar Equivalent of such Loan or Letter of Credit until the next required calculation thereof pursuant to this paragraph; provided that the Administrative Agent shall in addition determine the Dollar Equivalent of any Letter of Credit denominated in any Permitted Foreign Currency as provided in Section 2.05(e).

(b) For purposes of any determination under Section 6.01, 6.02, 6.04 or 6.05 or under Article VII, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than Dollars shall be translated into the Dollar Equivalent at the currency exchange rates in effect on the date of such determination (with such currency exchange rates being determined by the Borrower in good faith); provided that no Default shall arise as a result of any limitation set forth in Section 6.01, 6.02, 6.04 or 6.05 being exceeded solely as a result of changes in currency exchange rates from the currency exchange rates applicable at the time or times the applicable transaction was initially consummated in reliance on the applicable exception to the limitation set forth in such Section.

SECTION 1.10. Release of Specified GEC Entities. Notwithstanding anything to the contrary in this Agreement (but subject to Section 5.12(a)) or in any other Loan Document, it is acknowledged and agreed that, on the Seventh Amendment Effective Date, each Specified GEC Entity has been released from all of its obligations under this Agreement and the other Loan Documents (including, without limitation, all of its obligations under the Guarantee Agreement), and all security interests created by the Security Documents in Collateral owned by each Specified GEC Entity immediately prior to the Seventh Amendment Effective Date have been released.

SECTION 2.01. Commitments. Subject to the terms and conditions set forth herein, (a) each Tranche A Term Lender agrees to make a Tranche A Term Loan denominated in Dollars to the Borrower on the Closing Date in a principal amount not exceeding its Tranche A Term Commitment and (b) each Revolving Lender agrees to make Revolving Loans denominated in Dollars or a Permitted Foreign Currency to the Borrower from time to time, in each case during the Revolving Availability Period, in an aggregate principal amount that will not result in such Revolving Lender's Revolving Exposure exceeding such Lender's Revolving Commitment or the Aggregate Revolving Exposure exceeding the Aggregate Revolving Commitment. Tranche A Term Loans may be ABR Loans or Term Benchmark Loans, as further provided herein. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Loans. Amounts repaid or prepaid in respect of Term Loans may not be reborrowed.

SECTION 2.02. Loans and Borrowings. (a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.16, each Borrowing shall be comprised entirely of (i) in the case of Borrowings in Dollars, ABR Loans or Term Benchmark Loans and (ii) in the case of Borrowings in any Permitted Foreign Currency, Term Benchmark Loans or RFR Loans, as applicable, in each case of the same Permitted Foreign Currency, in each case as the Borrower may request in accordance herewith. Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan advanced to it in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Term Benchmark Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; provided that a Term Benchmark Borrowing that results from a continuation of an outstanding Term Benchmark Borrowing may be in an aggregate amount that is equal to such outstanding Borrowing. At the time that each ABR Revolving Borrowing and/or RFR Revolving Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not be more than a total of ten Term Benchmark Borrowings at any time outstanding unless the Administrative Agent otherwise agrees. Notwithstanding anything to the contrary herein, an ABR Revolving Borrowing may be in an aggregate amount that is equal to the entire unfunded balance of the Aggregate Revolving Commitment or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.05(e).

SECTION 2.03. Requests for Borrowings. To request a Borrowing, the Borrower shall notify the Administrative Agent of such request by submitting a Borrowing Request (a) in the case of a Term Benchmark Borrowing denominated in Dollars, not later than 11:00 a.m., Local Time, three U.S. Government Securities Business Days before the date of the proposed Borrowing, (b) in the case of a Term Benchmark Borrowing denominated in Euro, not later than 11:00 a.m., Local time, three Business Days before the date of the proposed Borrowing, (c) in the case of an RFR Borrowing denominated in Sterling, not later than 11:00 a.m., New York City time, five RFR Business Days before the date of the proposed Borrowing, and (d) in the case of an ABR Borrowing, not later than 1:00 p.m., New York City time, on the date of the proposed Borrowing. Each such Borrowing Request shall be irrevocable (provided that the Borrowing Request in connection with any acquisition or other investment permitted under Section 6.04 may be conditioned on the closing of such acquisition or other investment, as applicable) and shall be confirmed promptly by hand delivery or facsimile to the Administrative Agent of a written Borrowing Request signed by a Financial Officer of the Borrower. Each such Borrowing Request shall specify the following information (to the extent applicable, in compliance with Sections 2.01 and 2.02):

- (i) specifying the Class of the requested Borrowing;
- (ii) the currency and the aggregate amount of such Borrowing;
- (iii) the requested date of such Borrowing, which shall be a Business Day;

(iv) whether such Borrowing is to be an ABR Borrowing, a Term Benchmark Borrowing or an RFR Borrowing;

(v) in the case of a Term Benchmark Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";

(vi) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06(a), or, if the Borrowing is being requested to finance the reimbursement of an LC Disbursement in accordance with Section 2.05(e), the identity of the Issuing Bank that made such LC Disbursement; and

(vii) that as of such date Sections 4.02(a) and 4.02(b) are satisfied.

If no election as to the Type of Borrowing is specified, then, if the specified currency of such Borrowing is Dollars, the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Term Benchmark Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. If no currency is specified with respect to any requested Revolving Loan, the Borrower shall be deemed to have selected Dollars. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04. [Reserved].

SECTION 2.05. Letters of Credit. (a) General. Subject to the terms and conditions set forth herein, the Borrower may request (and each Issuing Bank shall issue) Letters of Credit for the Borrower's own account (or for the account of any Restricted Subsidiary so long as such Issuing Bank has completed its customary "know your client" procedures with respect to such Subsidiary), in each case, denominated in Dollars or any Permitted Foreign Currency and in a form reasonably acceptable to the Administrative Agent and the applicable Issuing Bank, at any time and from time to time during the Revolving Availability Period. The Borrower unconditionally and irrevocably agrees that, in connection with any Letter of Credit issued for the account of any Subsidiary as provided above, the Borrower will be fully responsible for the reimbursement of LC Disbursements, the payment of interest thereon and the payment of fees due under Section 2.12(b) in respect thereof to the same extent as if it were the sole account party in respect of such Letter of Credit. Notwithstanding anything contained in any letter of credit application or other agreement (other than this Agreement or any Security Document) submitted by the Borrower to, or entered into by the Borrower with, any Issuing Bank relating to any Letter of Credit, (i) all provisions of such letter of credit application or other agreement purporting to grant Liens in favor of such Issuing Bank to secure obligations in respect of such Letter of Credit shall be disregarded, it being agreed that such obligations shall be secured to the extent provided in this Agreement and in the Security Documents, and (ii) in the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of such letter of credit application or such other agreement, as applicable, the terms and conditions of this Agreement shall control. On the Closing Date (or on the date specified in the relevant notice to the Administrative Agent), each Existing Letter of Credit shall, without any further action by any Person, be deemed to have been issued as a Letter of Credit hereunder (without any breakage or transfer charges in connection therewith) and shall for all purposes hereof (including paragraphs (d) and (e) of this Section) be treated as and constitute a Letter of Credit. On the Fifth Amendment Effective Date, the Specified Citi Letter of Credit shall, without any further action by any Person, be deemed to have been issued as a Letter of Credit hereunder (without any breakage or transfer charges in connection therewith) and shall for all purposes hereof (including paragraphs (d) and (e) of this Section) be treated as and constitute a Letter of Credit.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit or the amendment, renewal or extension of an outstanding Letter of Credit (other than any automatic renewal permitted pursuant to paragraph (c) of this Section), the Borrower shall hand deliver or fax (or transmit by electronic communication, if arrangements for doing so have been approved by such Issuing Bank) to the applicable Issuing Bank and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the requested date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section), the currency and amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be requested by the applicable Issuing Bank as necessary to enable such Issuing Bank to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. An Issuing Bank shall not be obligated to issue any trade Letter of Credit (unless it otherwise consents) and no Letter of Credit shall be issued, amended, renewed or extended unless (and upon issuance, amendment, renewal or extension of any Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (i) the sum of the LC Exposure shall not exceed the LC Sublimit, (ii) the Aggregate Revolving Exposure shall not exceed the Aggregate Revolving Commitment, (iii) the face amount of the Letters of Credit issued by the applicable Issuing Bank shall not exceed the LC Commitment of such Issuing Bank (unless it otherwise agrees) and (iv) following the effectiveness of any Maturity Date Extension Request with respect to the Revolving Commitments of any Class, the LC Exposure in respect of all Letters of Credit of such Class having an expiration date after the fifth Business Day prior to the applicable Existing Maturity Date shall not exceed the aggregate Revolving Commitments of such Class of the Consenting Lenders extended pursuant to Section 2.22. Each Issuing Bank agrees that it shall not permit any issuance, amendment, renewal or extension of a Letter of Credit to occur unless it shall give to the Administrative Agent written notice thereof as required under paragraph (l) of this Section. Notwithstanding anything herein to the contrary, an Issuing Bank shall have no obligation hereunder to issue any Letter of Credit if (x) any law applicable to such Issuing Bank from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit the issuance of letters of credit generally or the Letter of Credit in particular or (y) such issuance shall violate such Issuing Bank's internal policies that are applicable to letters of credit generally.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Revolving Maturity Date (unless such Letters of Credit have been cash collateralized or backstopped on or prior to such fifth Business Day pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank); provided that (x) any Letter of Credit may, upon the request of the Borrower, include a provision whereby such Letter of Credit shall be renewed automatically for additional periods (but not beyond the date that is five Business Days prior to the Revolving Maturity Date (unless such Letters of Credit have been cash collateralized or backstopped on or prior to such fifth Business Day pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank)) unless the applicable Issuing Bank notifies the beneficiary thereof at least 30 days prior to the then-applicable expiration date that such Letter of Credit will not be renewed and (y) clause (c) (i) above shall not apply to a Letter of Credit if such long-dated Letter of Credit is consented to by the applicable Issuing Bank. For the avoidance of doubt, if the Revolving Maturity Date in respect of any Class of Revolving Commitments shall be extended pursuant to Section 2.22, "Revolving Maturity Date" as referenced in this paragraph shall refer, with respect to the Class of Letters of Credit associated with such Class of Revolving Commitments, to the Revolving Maturity Date in respect of any Class of Revolving Commitments as extended pursuant to Section 2.22; provided that, notwithstanding anything in this Agreement (including Section 2.22 hereof) or any other Loan Document to the contrary, the Revolving Maturity Date, as such term is used in reference to any Issuing Bank or any Letter of Credit issued thereby, may not be extended with respect to any Issuing Bank without the prior written consent of such Issuing Bank.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Lenders, the Issuing Bank that is the issuer of such Letter of Credit hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrower for any reason. Such payment by the Revolving Lenders shall be made (i) if the currency of the applicable LC Disbursement or reimbursement payment shall be in Dollars, then in Dollars and (ii) if the currency of the applicable LC Disbursement or reimbursement shall be a Permitted Foreign Currency, then in Dollars in an amount equal to the Dollar Equivalent of such LC Disbursement or reimbursement payment, calculated by the Administrative Agent using the Exchange Rate on the applicable LC Participation Calculation Date. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender further acknowledges and agrees that, in issuing, amending, renewing or extending any Letter of Credit, the applicable Issuing Bank shall be entitled to rely, and shall not incur any liability for relying, upon the representation and warranty of the Borrower deemed made pursuant to Section 4.02 unless, at least one Business Day prior to the time such Letter of Credit is issued, amended, renewed or extended (or, in the case of an automatic renewal permitted pursuant to paragraph (c) of this Section, at least one Business Day prior to the time by which the election not to extend must be made by the applicable Issuing Bank), the Majority in Interest of the Revolving Lenders shall have notified the applicable Issuing Bank (with a copy to the Administrative Agent) in writing that, as a result of one or more events or circumstances described in such notice, one or more of the conditions precedent set forth in Section 4.02(a) or 4.02(b) would not be satisfied if such Letter of Credit were then issued, amended, renewed or extended (it being understood and agreed that, in the event any Issuing Bank shall have received any such notice, no Issuing Bank shall have any obligation to issue, amend, renew or extend any Letter of Credit until and unless it shall be satisfied that the events and circumstances described in such notice shall have been cured or otherwise shall have ceased to exist).

(e) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, then the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount in the currency of such LC Disbursement equal to such LC Disbursement not later than 12:00 noon, Local Time, on the Business Day immediately following the day that the Borrower receives such notice; provided that, in the case of an LC Disbursement denominated in Dollars in an amount equal to or in excess of \$500,000, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Borrowing in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Borrowing. If the Borrower fails to reimburse any LC Disbursement by the time specified above in this paragraph, the applicable Issuing Bank shall promptly notify the Administrative Agent, and the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the currency and amount of the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each applicable Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the amount then due from the Borrower in Dollars (in the case of any such amount denominated in a Permitted Foreign Currency, in an amount equal to the Dollar Equivalent thereof calculated by the Administrative Agent as set forth in paragraph (d) above), in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders under this paragraph), and the Administrative Agent shall promptly remit to the applicable Issuing Bank the amounts so received by it from the applicable Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement (other than the funding of an ABR Revolving Borrowing as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision thereof or hereof, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, the Issuing Banks or any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit, any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank (as finally determined by a court of competent jurisdiction in a final and nonappealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit, and any such acceptance or refusal shall be deemed not to constitute gross negligence or willful misconduct.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Each Issuing Bank shall promptly notify the Administrative Agent and the Borrower in writing (via hand delivery, facsimile or other electronic imaging) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the applicable Revolving Lenders with respect to any such LC Disbursement in accordance with paragraph (e) of this Section.

(h) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement in full, at (i) in the case of any LC Disbursement denominated in Dollars, and at all times following the conversion to Dollars of the reimbursement obligation with respect to any LC Disbursement made in Euro or Sterling pursuant to paragraph (e) of this Section, at the rate per annum then applicable to ABR Revolving Loans and (ii) in the case of an LC Disbursement denominated in any other Permitted Foreign Currency, at all times prior to the conversion of the reimbursement obligation with respect thereto to Dollars pursuant to paragraph (e) of this Section, at a rate per annum determined by the applicable Issuing Bank (which determination will be conclusive absent manifest error) to represent its cost of funds plus the Applicable Rate used to determine interest applicable to Term Benchmark Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement in full when due pursuant to paragraph (e) of this Section, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment, and shall be payable on demand or, if no demand has been made, on the date on which the Borrower reimburses the applicable LC Disbursement in full.

(i) Cash Collateralization. If any Event of Default shall occur and be continuing, on the Business Day on which the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, a Majority in Interest of the Revolving Lenders) demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders, an amount in cash (in the currency of each applicable Letter of Credit) equal to the LC Exposure of the Revolving Lenders with respect to the Letters of Credit issued on behalf of the Borrower as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Section 7.01. The Borrower also shall deposit cash collateral in accordance with this paragraph as and to the extent required by Section 2.11(b), 2.20(c) or 2.22(c). On or prior to the Seventh Amendment Effective Date, the Borrower shall deposit cash collateral in respect of each Specified GEC Letter of Credit in an amount equal to 105% of the face amount of such Specified GEC Letter of Credit; provided that the obligation to deposit such cash collateral in respect of each Specified GEC Letter of Credit shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of the Seventh Amendment Effective Date. Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Notwithstanding the terms of any Security Document, moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to (i) the consent of a Majority in Interest of the Revolving Lenders (treating the Classes of Revolving Commitments and Revolving Loans as one Class) and (ii) in the case of any such application at a time when any Revolving Lender is a Defaulting Lender (but only if, after giving effect thereto, the remaining cash collateral shall be less than the aggregate LC Exposure of all the Defaulting Lenders), the consent of each Issuing Bank), be applied to satisfy other obligations of the Borrower under this Agreement. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived. If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.11(b), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower to the extent that, after giving effect to such return, the Aggregate Revolving Exposure in respect of the Revolving Commitments or Revolving Loans would not exceed the Aggregate Revolving Commitment and no Default shall have occurred and be continuing. If the Borrower is required to provide an amount of cash collateral hereunder pursuant to Section 2.20(c), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower to the extent that, after giving effect to such return, no Issuing Bank shall have any exposure in respect of any outstanding Letter of Credit that is not fully covered by the Revolving Commitments of the non-Defaulting Lenders and/or the remaining cash collateral and no Default shall have occurred and be continuing. If the Borrower is required to provide an amount of cash collateral hereunder in respect of any Specified GEC Letter of Credit, the applicable portion of such amount (to the extent not applied as aforesaid) shall be returned to the Borrower solely to the extent that the exposure of any Issuing Bank under any Specified GEC Letter of Credit shall have been permanently reduced or terminated following the Seventh Amendment Effective Date and no Default shall have occurred and be continuing hereunder.

(j) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time with notice to the Administrative Agent, designate as additional Issuing Banks one or more Revolving Lenders, that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower and shall specify the LC Commitment of such Issuing Bank, executed by the Borrower, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and (ii) references herein to the term "Issuing Bank" shall be deemed to include such Revolving Lender in its capacity as an issuer of Letters of Credit hereunder.

(k) Resignation or Termination of an Issuing Bank. Any Issuing Bank may resign as a "Issuing Bank" hereunder upon 30 days' prior written notice to the Administrative Agent, the Lenders, and the Borrower; provided that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant Issuing Bank shall have identified a successor Issuing Bank reasonably acceptable to the Borrower willing to accept its appointment as successor Issuing Bank and the effectiveness of such resignation shall be conditioned upon such successor assuming the rights and duties of the Issuing Bank. In the event of any such resignation as Issuing Bank, the Borrower shall be entitled to appoint from among the Lenders a successor Issuing Bank hereunder; provided, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of the resigning Issuing Bank except as expressly provided above. The Borrower may terminate the appointment of any Issuing Bank as an "Issuing Bank" hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Issuing Bank acknowledging receipt of such notice and (ii) the third Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such resignation or termination shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the resigning or terminated Issuing Bank pursuant to Section 2.12(b). Notwithstanding the effectiveness of any such resignation or termination, the resigning or terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or termination, but shall not be required to issue any additional Letters of Credit.

(l) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be requested by the Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancelations and all disbursements and reimbursements, (ii) reasonably prior to the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the stated amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date, amount and currency of such LC Disbursement, (iv) on any Business Day on which the Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and the currency and amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(m) LC Exposure Determination. For all purposes of this Agreement, the amount of a Letter of Credit that, by its terms or the terms of any document related thereto, provides for one or more automatic increases in the stated amount thereof shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at the time of determination.

SECTION 2.06. Funding of Borrowings. (a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 3:00 p.m., Local Time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower and designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement denominated in Dollars as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.05(e) to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, (A) in the case of Loans denominated in Dollars, the greater of the applicable Overnight Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (B) in the case of Loans denominated in a Permitted Foreign Currency, the applicable Overnight Rate or (ii) in the case of the Borrower, the interest rate applicable to (A) in the case of Loans denominated in Dollars, ABR Loans of the applicable Class and (B) in the case of Loans denominated in a Permitted Foreign Currency, the interest rate applicable to the subject Loan pursuant to Section 2.13. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

SECTION 2.07. Interest Elections. (a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Term Benchmark Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a Borrowing of a different Type (provided that Borrowings denominated in a Permitted Foreign Currency may not be converted into ABR Borrowings but instead must be prepaid in the original currency of such Loan) or to continue such Borrowing and, in the case of a Term Benchmark Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election in writing by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Revolving Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery, facsimile or other electronic transmission to the Administrative Agent of a written Interest Election Request signed by a Financial Officer of the Borrower.

(c) Each Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Term Benchmark Borrowing; and

(iv) if the resulting Borrowing is to be a Term Benchmark Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Term Benchmark Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Term Benchmark Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period (i) in the case of a Term Benchmark Borrowing denominated in Dollars, such Borrowing shall be converted to an ABR Borrowing and (ii) in the case of a Term Benchmark Borrowing denominated in a Permitted Foreign Currency, such Borrowing shall be continued as a Borrowing of the applicable Type for an Interest Period of one month. Notwithstanding any contrary provision hereof, if an Event of Default under clause (h) or (i) of Section 7.01 has occurred and is continuing with respect to the Borrower, or if any other Event of Default has occurred and is continuing and the Administrative Agent, at the request of a Majority in Interest of the Lenders of any Class has notified the Borrower of the election to give effect to this sentence on account of such other Event of Default, then, in each such case, so long as such Event of Default is continuing, (i) no outstanding Borrowing denominated in Dollars may be converted to or continued as a Term Benchmark Borrowing, (ii) unless repaid, each Term Benchmark Borrowing denominated in Dollars shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (iii) unless repaid, each Term Benchmark Borrowing denominated in a Permitted Foreign Currency shall be continued as a Term Benchmark Borrowing with an Interest Period of one month's duration.

SECTION 2.08. Termination and Reduction of Commitments.

(a) Unless previously terminated, (i) the Tranche A Term Commitments shall automatically terminate and be reduced to \$0 on the Closing Date upon the making of the Tranche A Term Loans and (ii) the Revolving Commitments shall automatically terminate and be reduced to \$0 on the Revolving Maturity Date.

(b) The Borrower may at any time terminate, or from time to time permanently reduce, the Commitments of any Class; provided that (i) each partial reduction of the Commitments of any Class shall be in an amount that is an integral multiple of \$500,000 and not less than \$1,000,000 and (ii) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.11, the Aggregate Revolving Exposure would exceed the Aggregate Revolving Commitment.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination or reduction of the Revolving Commitments delivered under this paragraph may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

SECTION 2.09. Repayment of Loans; Evidence of Debt. (a) The Borrower hereby unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan made by such Revolving Lender to the Borrower on the Revolving Maturity Date and (ii) to the Administrative Agent for the account of each Tranche A Term Lender the then unpaid principal amount of each Tranche A Term Loan made by such Tranche A Term Lender to the Borrower as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder. The records maintained by the Administrative Agent and the Lenders shall be prima facie evidence of the existence and amounts of the obligations of the Borrower in respect of Loans made to the Borrower, LC Disbursements, interest and fees due or accrued, in each case, with respect to the Borrower hereunder; provided that the failure of the Administrative Agent or any Lender to maintain such records or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section, the accounts maintained by the Administrative Agent maintained pursuant to paragraph (c) of this Section shall control.

(c) The Administrative Agent shall, in connection with maintenance of the Register in accordance with Section 9.04(b)(iv) maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal, premium, interest or fees due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) Any Lender may request that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrower of such Loans shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

SECTION 2.10. Amortization of Tranche A Term Loans. (a) Subject to adjustment pursuant to paragraph (c) of this Section, the Borrower shall repay to the Administrative Agent, for the account of each Tranche A Term Lender, Tranche A Term Borrowings on each date set forth below in the aggregate principal amount set forth opposite such date (provided that if any such date is not a Business Day, such payment shall be due on the immediately preceding Business Day):

SECTION 2.11. Prepayment of Loans.

(a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, without premium or penalty, subject to Section 2.11(i) below and Section 2.16.

(b) In the event and on each occasion that the Aggregate Revolving Exposure exceeds the Aggregate Revolving Commitment (including as a result of any revaluation of the Dollar Equivalent of any Loan or Letter of Credit pursuant to Section 1.09), the Borrower shall, within one Business Day, prepay its Revolving Borrowings (or, if no such Revolving Borrowings are outstanding, deposit cash collateral in an account with the Administrative Agent in accordance with Section 2.05(i)) in an aggregate amount equal to such excess.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of the Borrower or any Restricted Subsidiary in respect of any Prepayment Event (including by the Administrative Agent as loss payee in respect of any Prepayment Event described in clause (b) of the definition of the term "Prepayment Event"), the Borrower shall, within five Business Days after such Net Proceeds are received, prepay Term Borrowings in an aggregate amount equal to 100% of the amount of such Net Proceeds (or, if the Borrower or any of its Restricted Subsidiaries has incurred Indebtedness that is permitted under Section 6.01 that is secured, on an equal and ratable basis with the Term Loans, by a Lien on the Collateral permitted under Section 6.02, and such Indebtedness is required to be prepaid or redeemed with the Net Proceeds of any event described in clause (a) or (b) of the definition of the term "Prepayment Event", then by such lesser percentage of such Net Proceeds such that such Indebtedness receives no greater than a ratable percentage of such Net Proceeds based upon the aggregate principal amount of the Term Loans and such Indebtedness then outstanding; provided that to the extent the holders of such other Indebtedness decline to have such Indebtedness prepaid or redeemed, the amount so declined shall promptly (and in any event within five Business Days after the date of such rejection) be applied to prepay Term Borrowings in accordance with the terms hereof (such Net Proceeds amount, as reduced in accordance with the proviso to this paragraph (c), the "Net Proceeds Prepayment Amount"); provided that, in the case of any event described in clause (b) (or clause (a), solely with respect to any such event occurring (i) prior to the Fifth Amendment Effective Date, (ii) during the Fifth Amendment Period, with respect to Net Proceeds not to exceed \$50,000,000 in the aggregate or (iii) following the Fifth Amendment Period Termination Date, with respect to Net Proceeds in an amount not to exceed 50% of the aggregate Net Proceeds in respect of such event) of the definition of the term "Prepayment Event" and so long as no Event of Default under Section 7.01(a), 7.01(b) or, solely with respect to the Borrower, Section 7.01(h) or 7.01(i) has occurred and be continuing if the Borrower shall, on or prior to the date of the required prepayment, deliver to the Administrative Agent a certificate of a Financial Officer to the effect that the Borrower intends to cause the Net Proceeds from such event (or a portion thereof specified in such certificate) to be applied within 365 days after receipt of such Net Proceeds to be reinvested in the business of the Borrower or its Restricted Subsidiaries, or to enter into an acquisition permitted by this Agreement, then no prepayment shall be required pursuant to this paragraph in respect of the Net Proceeds in respect of such event (or the portion of such Net Proceeds specified in such certificate, if applicable) except to the extent of any such Net Proceeds that have not been so applied by the end of such 365-day period (or within a period of 180 days thereafter if by the end of such initial 365-day period the Borrower or one or more Restricted Subsidiaries shall have committed to invest such proceeds), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so applied.

(d) Following the end of each fiscal year of the Borrower, commencing with the fiscal year ending December 31, 2020, the Borrower shall prepay Term Borrowings in an aggregate amount equal to the Specified ECF Percentage of Excess Cash Flow for such fiscal year (such amount, as reduced in accordance with the provisos to this paragraph (d), the “ECF Sweep Amount”); provided that such amount shall be reduced by the aggregate amount of prepayments of Term Borrowings and Revolving Borrowings (but only to the extent accompanied by a permanent reduction of the corresponding Commitment) made pursuant to paragraph (a) of this Section and the aggregate amount of voluntary prepayments or repurchases of other Indebtedness secured by the Collateral on a pari passu basis to the Liens on the Collateral securing the Obligations, in each case, during such fiscal year (and, at the Borrower’s option (and without deducting such amounts against the subsequent fiscal year’s prepayment computation pursuant to this paragraph (d)), after the end of such fiscal year but prior to the date on which the prepayment pursuant to this Section for such fiscal year is required to have been made). Each prepayment pursuant to this paragraph shall be made on or before the date on which financial statements are delivered pursuant to Section 5.01(a) with respect to the fiscal year for which Excess Cash Flow is being calculated (and in any event not later than the last day on which such financial statements may be delivered in compliance with such Section).

(e) In the event that any distribution (whether in cash, securities or other property) is made to any creditor of, or holder of interests in, a Specified GEC Entity (other than (A) in satisfaction of (x) the Specified GEC DIP Financing or (y) Wind Down Costs, (B) to the extent such distribution is (x) funded by either forgiveness of the Specified GEC DIP Financing and/or a settlement contribution from the Borrower or its Subsidiaries and (y) to (i) Oaktree Capital Management, L.P., any of its Affiliates or any fund or managed account of any of the foregoing, up to \$3,000,000 in the aggregate or (ii) any other creditor of a Specified GEC Entity, up to \$20,000,000 in the aggregate or (C) any distribution to a Specified GEC Entity) is made after the occurrence of a Specified GEC Bankruptcy Event or in connection with the Ecommerce Restructuring (any such distribution, a “Specified GEC Entity Bankruptcy Distribution” and the aggregate amount of all such distributions the “Specified GEC Entity Bankruptcy Distribution Amount”), then the Borrower shall, within five (5) Business Days (or such later time as the Administrative Agent may agree) after the payment of such Specified GEC Entity Bankruptcy Distribution, prepay Term Borrowings in an aggregate amount equal to 100% of the Specified GEC Entity Bankruptcy Distribution Amount (or, if the obligations under the First Lien Note Purchase Agreement are required to be prepaid or redeemed with the Specified GEC Entity Bankruptcy Distribution Amount, then by such lesser percentage of such Specified GEC Entity Bankruptcy Distribution Amount such that the obligations under the First Lien Note Purchase Agreement receive no greater than a ratable percentage of such Specified GEC Entity Bankruptcy Distribution Amount based upon the aggregate principal amount of the Term Loans and such obligations under the First Lien Note Purchase Agreement then outstanding; provided that to the extent the holders of such obligations under the First Lien Note Purchase Agreement decline to have such obligations prepaid or redeemed, the amount so declined shall promptly (and in any event within five (5) Business Days after the date of such rejection) be applied to prepay Term Borrowings in accordance with the terms hereof).

(f) Notwithstanding any other provisions of Section 2.11(c) or (d), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event by or Excess Cash Flow of a Foreign Subsidiary of the Borrower giving rise to a prepayment pursuant to Section 2.11(c) or (d) (a “Foreign Prepayment Event”) are prohibited or delayed by applicable local law from being repatriated to the Borrower, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or (d), as the case may be, and such amounts may be retained by such Subsidiary, and once the Borrower has determined in good faith that such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law, then the amount of such Net Proceeds or Excess Cash Flow will be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved if such amounts were repatriated) to the repayment of the Term Loans pursuant to Section 2.11(c) or (d), as applicable, (B) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would have a material adverse tax or cost consequence with respect to such Net Proceeds or Excess Cash Flow, the amount of Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary; provided that when the Borrower determines in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would no longer have a material adverse tax consequence with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow shall be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved against if such amounts were repatriated) to the repayment of the Term Loans pursuant to Section 2.11(c) or Section 2.11(d), as applicable, and (C) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would give rise to a risk of liability for the directors of such Subsidiary, the Net Proceeds or Excess Cash Flow so affected will not be required to be taken into account in determining the amount to be applied to repay Term Loans at the times provided in Section 2.11(c) or Section 2.11(d), as the case may be, and such amounts may be retained by such Subsidiary; provided that when the Borrower determines in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event would no longer give rise to liability for the directors of such Subsidiary, such Net Proceeds shall be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved against if such amounts were repatriated) to the repayment of the Term Loans pursuant to Section 2.11(c) or (d), as applicable.

(g) Prior to any optional prepayment of Borrowings under this Section, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment delivered pursuant to paragraph (g) of this Section. In the event of any mandatory prepayment of Term Borrowings made at a time when Term Borrowings of more than one Class remain outstanding, the aggregate amount of such prepayment shall be allocated among the Term Borrowings of each such Class (including the Incremental Tranche B Term Loans and the Refinancing Tranche B Term Loans and, to the extent provided in the Incremental Facility Amendment or Refinancing Facility Agreement for any Class of other Incremental Term Loans or Refinancing Term Loans, respectively, the Borrowings of such Class) pro rata based on the aggregate principal amount of outstanding Borrowings of each such Class; provided that any Term Lender (including each Incremental Tranche B Term Lender and Refinancing Tranche B Term Lender and, to the extent provided in the Incremental Facility Amendment or Refinancing Facility Agreement for any Class of other Incremental Term Loans or Refinancing Term Loans, any Lender that holds Term Loans of such Class) may elect, by notice to the Administrative Agent in writing (via hand delivery, facsimile or other electronic imaging) at least one Business Day prior to the required prepayment date, to decline all or any portion of any prepayment of its Loans pursuant to this Section (other than (x) an optional prepayment pursuant to paragraph (a) of this Section or (y) a mandatory prepayment triggered by an event described in clause (c) of the definition of the term “Prepayment Event”, neither of which may be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay such Loans may be retained by the Borrower.

(h) The Borrower shall notify the Administrative Agent in writing (via hand delivery, facsimile or other electronic imaging) of any optional prepayment and, to the extent practicable, any mandatory prepayment hereunder (i) in the case of a prepayment of a Term Benchmark Borrowing, not later than 1:00 p.m., Local Time, three Business Days before the date of prepayment, (ii) in the case of a prepayment of an ABR Borrowing, not later than 1:00 p.m., New York City time, one Business Day before the date of prepayment and (iii) in the case of an RFR Borrowing denominated in Sterling, not later than 11:00 a.m., New York City time, five Business Days before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that (A) if a notice of optional prepayment is given in connection with a conditional notice of termination of the Revolving Commitments as contemplated by Section 2.08, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Section 2.08 and (B) a notice of prepayment of Term Borrowings pursuant to paragraph (a) of this Section may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the applicable Class of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13.

(i) In the event that, on or prior to the date that is six months after the First Refinancing Facility Agreement Effective Date, the Borrower (A) prepays, repays, refinances, substitutes or replaces any Refinancing Tranche B Term Loans in connection with a Repricing Transaction (including, for the avoidance of doubt, any prepayment made as a result of a Prepayment Event described in clause (c) thereof that constitutes a Repricing Transaction) or (B) effects any amendment, modification or waiver of, or consent under, this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each applicable Refinancing Tranche B Term Lender, (I) in the case of clause (A), a premium of 1.00% of the aggregate principal amount of the Refinancing Tranche B Term Loans so prepaid, repaid, refinanced, substituted or replaced and (II) in the case of clause (B), a fee equal to 1.00% of the aggregate principal amount of the Refinancing Tranche B Term Loans that are the subject of such Repricing Transaction outstanding immediately prior to such amendment. If, on or prior to the date that is six months after the First Refinancing Facility Agreement Effective Date, all or any portion of the Refinancing Tranche B Term Loans held by any Refinancing Tranche B Term Lender are prepaid, repaid, refinanced, substituted or replaced pursuant to Section 2.19 as a result of, or in connection with, such Refinancing Tranche B Term Lender not agreeing or otherwise consenting to any waiver, consent, modification or amendment in connection with a Repricing Transaction, such prepayment, repayment, refinancing, substitution or replacement will be made at 101% of the principal amount so prepaid, repaid, refinanced, substituted or replaced. All such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction in Dollars and in immediately available funds.

SECTION 2.12. Fees. (a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender (other than a Defaulting Lender) in accordance with its Pro Rata Share of the Aggregate Revolving Commitments for the period from and including the Closing Date to but excluding the date on which the Revolving Commitments terminate (or are otherwise reduced to zero), a commitment fee which shall accrue at the Applicable Rate on the average daily unfunded amount of the aggregate Revolving Commitment of such Revolving Lender. Such accrued commitment fees accrued through and including the last day of March, June, September and December of each year shall be payable in arrears on the fifteenth day following such last day and on the date on which all the Revolving Commitments terminate, commencing on the first such date to occur after the Closing Date. For purposes of computing commitment fees, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender.

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Rate then used to determine the interest rate applicable to Term Benchmark Revolving Loans on the average daily amount of such Lender's aggregate LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date on which all of such Lender's Revolving Commitments terminate and the date on which such Lender ceases to have any LC Exposure and (ii) to each Issuing Bank a fronting fee, which shall accrue at a rate per annum equal to 0.125% on the average daily amount of the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Closing Date to but excluding the later of the date of termination of all the Revolving Commitments and the date on which there ceases to be any such LC Exposure, as well as such Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the fifteenth day following such last day, commencing on the first such date to occur after the Closing Date; provided that all such fees shall be payable on the date on which all the Revolving Commitments terminate and any such fees accruing after the date on which all the Revolving Commitments terminate shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this paragraph shall be payable within 10 days after demand.

(c) The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(d) The Borrower agrees to pay to the Arrangers and the Administrative Agent, for the account of each applicable Arranger and Lender, such other fees as shall have been separately agreed upon in writing (including pursuant to the Fee Letter and including upfront fees, which may be in the form of original issues discounts to the Loans) in the amounts and at the times so specified.

(e) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Revolving Lenders entitled thereto. Fees paid hereunder shall not be refundable under any circumstances.

(f) All commitment fees, participation fees, fronting fees and other fees payable pursuant to this Section and all interest shall be computed on the basis of a year of 360 days, except that (i) interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate and (ii) interest computed for any Borrowing denominated in Sterling shall, in each case, be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

SECTION 2.13. Interest. (a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each Term Benchmark Borrowing shall bear interest at the Adjusted Term SOFR Rate or the EURIBO Rate, as applicable, for the Interest Period in effect for such Borrowing plus the Applicable Rate. The Loans comprising each RFR Borrowing shall bear interest at a rate per annum equal to the Adjusted Daily Simple RFR plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, and an Event of Default under Section 7.01(a), (b), (h) or (i) shall have occurred and be continuing, such overdue amount shall bear interest, on and from such date, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other overdue amount, 2.00% per annum plus the rate applicable to ABR Revolving Loans as provided in paragraph (a) of this Section. Payment or acceptance of the increased rates of interest provided for in this paragraph (c) is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent, any Issuing Bank or any Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of a Revolving Loan of any Class, upon termination of the Revolving Commitments of such Class; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of a Term Benchmark Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

SECTION 2.14. Alternate Rate of Interest.

(a) Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section 2.14, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing of any Class that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate or the EURIBO Rate, as the case may be, for such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the Adjusted Daily Simple RFR; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by a Majority in Interest of the Lenders of any Class (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing of such Class that the Adjusted Term SOFR Rate or the EURIBO Rate, as the case may be, for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period or (B) at any time, the Adjusted Daily Simple RFR will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders of such Class by telephone, facsimile or other electronic imaging as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders of such Class that the circumstances giving rise to such notice no longer exist, (i) in the case of Borrowings denominated in Dollars, (A) any Interest Election Request that requests the conversion of any Borrowing of such Class to, or continuation of any Borrowing of such Class as, a Term Benchmark Borrowing shall be ineffective, and such Borrowing shall be continued as an ABR Borrowing and (B) any Borrowing Request for a Term Benchmark Borrowing of such Class shall be made as a request for an ABR Borrowing, (ii) in the case of Borrowings denominated in Euros, until the Administrative Agent notifies such Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) if such Term Benchmark Loan is denominated in Dollars, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, an ABR Loan denominated in Dollars on such day and (ii) if such Term Benchmark Loan is denominated in any Permitted Foreign Currency, then such Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), at the Borrower's election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Permitted Foreign Currency other than Dollars shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (iii) in the case of RFR Loans denominated in Sterling, such Loans shall, at the Borrower's election, either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent thereof) immediately or (B) be prepaid in full immediately.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m., New York City time, on the fifth Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders of each Class.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, with respect to a Loan denominated in Euros, if a Term ESTR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that, this clause (c) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Borrower a Term ESTR Notice. For the avoidance of doubt, the Administrative Agent shall not be required to deliver any Term ESTR Notice after the occurrence of a Term ESTR Transition Event, and may do so in its sole discretion.

(d) In connection with the implementation of a Benchmark Replacement, the Administrative Agent and the Borrower will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(e) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section.

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate or Term ESTR) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Term Benchmark Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, either (x) the Borrower will be deemed to have converted any request for a Term Benchmark Borrowing denominated in dollars into a request for a Borrowing of or conversion to ABR Loans or (y) any Term Benchmark Borrowing or RFR Borrowing denominated in a Permitted Foreign Currency shall be ineffective. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Term Benchmark Loan or RFR Loan in any Permitted Foreign Currency is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Permitted Foreign Currency is implemented pursuant to this Section 2.14, (i) if such Loan is denominated in Dollars, then on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), such Loan shall be converted by the Administrative Agent to, and shall constitute, an ABR Loan denominated in Dollars on such day or (ii) if such Loan is denominated in any Permitted Foreign Currency, then (x) any Term Benchmark Loan shall, on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), at the Borrower's election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Loan, such Loan denominated in any Permitted Foreign Currency shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time and (y) any RFR Loan shall bear interest at the Central Bank Rate plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate cannot be determined, any outstanding affected RFR Loans, at the Borrower's election, shall either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Permitted Foreign Currency) immediately or (B) be prepaid in full immediately.

SECTION 2.15. Increased Costs. (a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender or any Issuing Bank;

(ii) impose on any Lender or any Issuing Bank or the applicable interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender, such Issuing Bank or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender, such Issuing Bank or such other Recipient hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender, such Issuing Bank or such other Recipient, the Borrower will pay to such Lender, such Issuing Bank or such other Recipient, as applicable, such additional amount or amounts as will compensate such Lender, such Issuing Bank or such other Recipient, as applicable, for such additional costs or expenses incurred or reduction suffered.

(b) If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has had or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy), then, from time to time upon the request of such Lender or such Issuing Bank, the Borrower will pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth in reasonable detail the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section and the calculation thereof shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as applicable, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or expenses incurred or reductions suffered more than 180 days prior to the date that such Lender or such Issuing Bank, as applicable, notifies the Borrower of the Change in Law giving rise to such increased costs or expenses or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or expenses or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding any other provision of this Section, no Lender or Issuing Bank shall demand compensation for any increased cost or reduction pursuant to this Section if (i) it shall not at the time be the general policy or practice of such Lender or Issuing Bank to demand such compensation in similar circumstances under comparable provisions of other credit agreements and (ii) such increased cost or reduction is due to market disruption, unless such circumstances generally affect the banking market and when the Required Lenders have made such a request.

SECTION 2.16. Break Funding Payments. (a) In the event of (i) the payment of any principal of any Term Benchmark Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (ii) the conversion of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto, (iii) the failure to borrow, convert, continue or prepay any Term Benchmark Loan on the date specified in any notice delivered pursuant hereto (whether or not such notice may be revoked in accordance with the terms hereof) or (iv) the assignment of any Term Benchmark Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19(b) or 9.02(c), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event (excluding loss of profit). A certificate of any Lender setting forth in reasonable detail any amount or amounts that such Lender is entitled to receive pursuant to this Section and the reasons therefor, and showing the calculation thereof, shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof. Notwithstanding the foregoing, this Section will not apply to losses, costs or expenses resulting from Taxes.

(b) With respect to RFR Loans, in the event of (i) the payment of any principal of any RFR Loan other than on the Interest Payment Date applicable thereto (including as a result of an Event of Default), (ii) the failure to borrow or prepay any RFR Loan on the date specified in any notice delivered pursuant hereto (whether or not such notice may be revoked in accordance with the terms hereof), (iii) the assignment of any RFR Loan other than on the Interest Payment Date applicable thereto as a result of a request by the Borrower pursuant to Section 2.19(b) or 9.02(c), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section and the reasons therefor, and showing the calculation thereof, shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof. Notwithstanding the foregoing, this Section will not apply to losses, costs or expenses resulting from Taxes.

SECTION 2.17. Taxes. (a) Payment Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under this Agreement or any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Loan Parties. The Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Evidence of Payment. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Loan Parties. The Loan Parties shall jointly and severally indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case that are payable or paid by the Administrative Agent in connection with this Agreement or any other Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from, or reduction of, withholding Tax with respect to payments made under this Agreement or any other Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f)(ii)(A), 2.17(f)(ii)(B) or 2.17(f)(ii)(D)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding Tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under this Agreement or any other Loan Document, executed originals of IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under this Agreement or any other Loan Document, IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed originals of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit J-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10-percent shareholder” of the Borrower within the meaning of Section 871(h)(3)(B) of the Code or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN or Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-2 or Exhibit J-3, IRS Form W-9 and/or another certification document from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit J-4 on behalf of each such direct or indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from, or a reduction in, U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under this Agreement or any other Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Closing Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts paid pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph, in no event will any indemnified party be required to pay any amount to any indemnifying party pursuant to this paragraph the payment of which would place such indemnified party in a less favorable net after-Tax position than such indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Loan Documents.

(i) For purposes of this Section, the term "Lender" includes any Issuing Bank and the term "applicable law" includes FATCA.

SECTION 2.18. Payments Generally; Pro Rata Treatment; Sharing of Setoffs. (a) Except to the extent otherwise provided herein, the Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.15, 2.16 or 2.17, or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 1:00 p.m., New York City time), on the date when due, in immediately available funds, without any defense, setoff, recoupment or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account or accounts as may be specified by the Administrative Agent, except that payments required to be made directly to any Issuing Bank shall be so made, payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payment received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under this Agreement or any other Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder of principal or interest in respect of any Loan or LC Disbursement shall, except as otherwise expressly provided herein, be made in the currency of such Loan or LC Disbursement; all other payments hereunder and under each other Loan Document shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal or interest on any of its Revolving Loans, Term Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans, Term Loans and participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall notify the Administrative Agent of such fact and shall purchase (for cash at face value) participations in the Revolving Loans, Term Loans and participations in LC Disbursements of other Lenders to the extent necessary so that the aggregate amount of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans, Term Loans and participations in LC Disbursements; provided that if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders or the Issuing Banks, as applicable, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Banks, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(d) or (e), 2.06(a) or (b), 2.17(e), 2.18(d) or 9.03(c), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations in respect of such payment until all such unsatisfied obligations have been discharged and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.19. Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.15, or if any Loan Party is required to pay any Indemnified Taxes or additional amounts to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agree to pay all reasonable and documented assignment fees in connection with any such designation or assignment and delegation.

(b) If (i) any Lender has requested compensation under Section 2.15, (ii) a Loan Party is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender has become a Defaulting Lender or (iv) any Lender has become a Declining Lender under Section 2.22, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights (other than its existing rights to payments pursuant to Section 2.15 or 2.17) and obligations under this Agreement and the other Loan Documents (or, in the case of any such assignment and delegation resulting from a Lender having become a Declining Lender, all its interests, rights and obligations under this Agreement and the other Loan Documents as a Lender of the applicable Class with respect to which such Lender is a Declining Lender) to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment and delegation); provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and, if a Revolving Commitment is being assigned, each Issuing Bank), which consent shall not unreasonably be withheld or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed participations in LC Disbursements, accrued interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder (including, if applicable, the prepayment fee pursuant to Section 2.11(i) (with such assignment being deemed to be an optional prepayment for purposes of determining the applicability of such Section)) (if applicable, in each case only to the extent such amounts relate to its interest as a Lender of a particular Class) from the assignee (in the case of such principal and accrued interest and fees (other than any fee payable pursuant to Section 2.11(i)) or the Borrower (in the case of all other amounts (including any fee payable pursuant to Section 2.11(i))), (C) the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b), (D) in the case of any such assignment and delegation resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a material reduction in such compensation or payments and (E) such assignment and delegation does not conflict with applicable law. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver or consent by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation have ceased to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

SECTION 2.20. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) commitment fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 2.12(a);

(b) the Commitments, Loans and Revolving Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders or any other requisite Lenders have taken or may take any action hereunder or under any other Loan Document (including any consent to any amendment, waiver or other modification pursuant to Section 9.02); provided that any amendment, waiver or other modification requiring the consent of all Lenders or all Lenders adversely affected thereby shall, except as otherwise provided in Section 9.02, require the consent of such Defaulting Lender in accordance with the terms hereof;

(c) if any LC Exposure exists at the time a Revolving Lender becomes a Defaulting Lender, then:

(i) [reserved];

(ii) all or any part of the LC Exposure (other than any portion thereof attributable to unreimbursed LC Disbursements with respect to which such Defaulting Lender shall have funded its participation as contemplated by Sections 2.05(e) and 2.05(f)) of such Defaulting Lender shall be reallocated among the non-Defaulting Revolver Lenders in accordance with their respective Applicable Percentages but only to the extent that (x) the sum of all non-Defaulting Revolving Lenders' Revolving Exposures plus such Defaulting Lender's LC Exposure does not exceed the sum of all non-Defaulting Revolving Lenders' Revolving Commitments and (y) such reallocation does not cause the aggregate Revolving Exposure of any non-Defaulting Lender to exceed such non-Defaulting Lender's Revolving Commitment; provided that, subject to Section 9.18, no reallocation under this clause (ii) shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender's increased exposure following such reallocation;

(iii) if the reallocation described in clause (ii) above cannot, or can only partially, be effected, the Borrower shall within one Business Day following notice by the Administrative Agent cash collateralize for the benefit of the Issuing Banks the portion of such Defaulting Lender's LC Exposure that has not been reallocated in accordance with the procedures set forth in Section 2.05(i) for so long as such LC Exposure is outstanding;

(iv) if any portion of such Defaulting Lender's LC Exposure is cash collateralized pursuant to clause (iii) above, the Borrower shall not be required to pay participation fees to such Defaulting Lender pursuant to Section 2.12(b) with respect to such portion of such Defaulting Lender's LC Exposure for so long as such Defaulting Lender's LC Exposure is cash collateralized;

(v) if any portion of the LC Exposure of such Defaulting Lender is reallocated pursuant to clause (ii) above, then the fees payable to the Lenders pursuant to Sections 2.12(a) and 2.12(b) shall be adjusted to give effect to such reallocation;

(vi) [reserved]; and

(vii) if all or any portion of such Defaulting Lender's LC Exposure is neither reallocated nor cash collateralized pursuant to clause (ii) or (iii) above, then, without prejudice to any rights or remedies of any Issuing Bank or any other Lender hereunder, all participation fees payable under Section 2.12(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Banks (and allocated among them ratably based on the amount of such Defaulting Lender's LC Exposure attributable to Letters of Credit issued by each Issuing Bank) until and to the extent that such LC Exposure is reallocated and/or cash collateralized; and

(d) so long as such Revolving Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, amend, renew or extend any Letter of Credit unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be fully covered by the Revolving Commitments of the non-Defaulting Revolving Lenders and/or cash collateral provided by the Borrower in accordance with Section 2.20(c), and participating interests in any such issued, amended, renewed or extended Letter of Credit will be allocated among the non-Defaulting Revolving Lenders in a manner consistent with Section 2.20(c)(ii) (and such Defaulting Lender shall not participate therein).

In the event that (i) a Bankruptcy Event with respect to a Revolving Lender Parent shall occur following the Closing Date and for so long as such Bankruptcy Event shall continue or (ii) any applicable Issuing Bank has a good faith belief that any Revolving Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, such Issuing Bank shall not be required to issue, amend, renew or extend any Letter of Credit, unless such Issuing Bank shall have entered into arrangements with the Borrower or the applicable Revolving Lender, satisfactory to such Issuing Bank to defease any risk to it in respect of such Lender hereunder.

In the event that the Administrative Agent, the Borrower and each applicable Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused the applicable Revolving Lender to be a Defaulting Lender, then the LC Exposure of the Revolving Lenders shall be readjusted to reflect the inclusion of such Revolving Lender's Revolving Commitment and on such date such Revolving Lender shall purchase at par such of the Revolving Loans of the applicable Class of the other Revolving Lenders of such Class as the Administrative Agent shall determine may be necessary in order for such Revolving Lender to hold such Revolving Loans of such Class in accordance with its Applicable Percentage; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Revolving Lender was a Defaulting Lender; provided further that, except as otherwise expressly agreed by the affected parties, no change hereunder from a Defaulting Lender to a non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Revolving Lender's having been a Defaulting Lender.

SECTION 2.21. Incremental Extensions of Credit. (a) At any time and from time to time, commencing on the Closing Date and ending on the latest Maturity Date, subject to the terms and conditions set forth herein, the Borrower may, by notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request (i) to add one or more additional tranches of term loans denominated in Dollars (the "Incremental Term Loans"), (ii) one or more increases in the aggregate amount of any Class of Term Loans (each such increase, a "Incremental Term Loan Increase"), (iii) to add one or more additional tranches of revolving commitments (each, an "Incremental Revolving Commitment", and the loans made pursuant thereto, the "Incremental Revolving Loans"), (iv) solely during the Revolving Availability Period, one or more increases in the aggregate amount of the Revolving Commitments (each such increase, a "Revolving Commitment Increase" and, together with the Incremental Term Loans, any Incremental Term Loan Increase, any Alternative Incremental Facility Debt and the Incremental Revolving Commitments, the "Incremental Extensions of Credit", the Incremental Revolving Commitments and the Incremental Revolving Loans, together with the Incremental Term Loans, any Revolving Commitment Increase and any Incremental Term Loan Increase, the "Incremental Facilities") or (v) Alternative Incremental Facility Debt, in an aggregate principal amount of up to (i) the sum of (x) the greater of \$300,000,000 and 75.0% of Consolidated EBITDA for the four consecutive fiscal quarters of the Borrower most recently ended on such date for which financial statements have been delivered pursuant to Section 5.01(a) or (b), plus (y) the amount of any voluntary prepayments of the Term Loans and any Alternative Incremental Facility Debt and permanent reductions in the amount of the Revolving Commitments, in each case, to the extent not funded with long-term Indebtedness (the sum of (x) and (y), the "Incremental Dollar Basket"), plus (ii) an additional amount if both (x) after giving effect to the incurrence of such additional amount and the application of the proceeds therefrom (assuming that the full amount of such Incremental Extensions of Credit being established on such date has been funded on such date), the Consolidated Total Leverage Ratio is equal to or less than 1.50 to 1.00 (assuming any such Incremental Revolving Commitments being established on such date are fully drawn and excluding any amounts incurred concurrently in reliance on the Incremental Dollar Basket) (it being understood that if the proceeds of the relevant Incremental Extensions of Credit will be applied to finance a Limited Condition Transaction and the Borrower has made an LCT Election, compliance with the Consolidated Total Leverage Ratio test prescribed above may be determined as of the LCT Test Date in respect of such Limited Condition Transaction on a Pro Forma Basis) and (y) the Consolidated Total Leverage Ratio as at the end of each of the two most recently ended fiscal quarters for which financial statements have been delivered pursuant to Section 5.01(a) or (b) is equal to or less than 1.50 to 1.00 (this clause (i), the "Incremental Ratio Basket"); provided that, at the time of each such request and upon the effectiveness of each Incremental Facility Amendment, (A) no Event of Default has occurred and is continuing or shall result therefrom (or, in the event the proceeds of any Incremental Extension of Credit are used to finance any Limited Condition Transaction permitted hereunder for which the Borrower has made an LCT Election, no Event of Default shall exist and be continuing as of the LCT Test Date for such Limited Condition Transaction), (B) the representations and warranties of the Borrower and each other Loan Party, as applicable, set forth in the Loan Documents would be true and correct in all material respects (or, in the case of representations and warranties qualified as to materiality or Material Adverse Effect, in all respects) on and as of the date of, and immediately after giving effect to, the incurrence of such Incremental Extension of Credit (or, if incurred in connection with a Limited Condition Transaction, on the LCT Test Date) (provided that in the event the proceeds of any Incremental Extension of Credit are used to finance any Investment permitted hereunder, such condition precedent related to the making and accuracy of such representations and warranties may be waived or limited as agreed between the Borrower and the Lenders providing such Incremental Extension of Credit, without the consent of any other Lenders) and (C) the Borrower shall have delivered a certificate of a Financial Officer to the effect set forth in clauses (A) and (B) above; provided, further that in the event that the Borrower incurs any Incremental Facility or Alternative Incremental Facility Debt in reliance on clause (x) of the Incremental Dollar Basket for the purpose of refinancing all or any portion of the Borrower's 4.625% Notes due 2024 (the "2024 Notes"), the Borrower shall, within five Business Days of the incurrence of such Indebtedness, apply any Net Proceeds thereof not so applied to the refinancing of the 2024 Notes (including principal, accrued interest and any make-whole premium payable in respect thereof) to the prepayment of Tranche A Term Loans pursuant to Section 2.11(a) (it being agreed that such prepayment shall not reduce the amount of any amortization payments in respect of the Tranche A Term Loans pursuant to Section 2.10). Each Class of Incremental Term Loans and Incremental Revolving Commitments, and each Revolving Commitment Increase, shall be in an integral multiple of the \$5,000,000 and be in an aggregate principal amount that is not less than \$25,000,000; provided that such amount may be less than \$25,000,000 if such amount represents all the remaining availability under the aggregate principal amount of Incremental Extensions of Credit set forth above.

(b) The Incremental Facilities (i) shall be documented pursuant to an Incremental Facility Amendment and rank pari passu in right of payment in respect of the Collateral and with the Obligations in respect of the Revolving Commitments and the Initial Term Loans, (ii) shall not have a borrower other than the Borrower, (iii) shall not be secured by any property or assets of the Borrower or any Restricted Subsidiary other than the Collateral or guaranteed by any Subsidiaries other than the Loan Parties and (iv) shall, except as otherwise set forth herein, be on terms and subject to conditions as agreed between the Borrower and the Lenders providing the applicable Incremental Extension of Credit and to the extent such terms (other than with respect to maturity, amortization and pricing) are inconsistent with those governing the other Loans hereunder, the covenants and events of default of any Incremental Facility shall be, when taken as a whole, no more favorable to the Lenders providing the applicable Incremental Facility than the terms governing the Loans hereunder (as determined in good faith by the Borrower), unless (1) the Lenders receive the benefit of such more restrictive terms (it being understood to the extent that any covenant is added for the benefit of any Incremental Facility, no consent shall be required from the Administrative Agent or any Lender to the extent that such covenant is also added for the benefit of the Lenders), (2) such more restrictive terms only apply after the Latest Maturity Date or (3) such terms shall be reasonably satisfactory to the Administrative Agent and the Borrower; provided, further, that (A) any Incremental Tranche A Term Loan shall not have (1) a final maturity date earlier than the Tranche A Term Maturity Date (but may have “springing maturity” provisions that are not more favorable to the lenders than those contained in this Agreement with respect to the Tranche A Term Loans) or (2) a weighted average life to maturity that is shorter than the remaining weighted average life to maturity of the then-remaining Tranche A Term Loans; provided that the requirements set forth in the foregoing clause (A) shall not apply to any Indebtedness consisting of a customary bridge facility so long as such bridge facility converts into long-term Indebtedness that satisfies this clause (A); (B) any Incremental Tranche B Term Loan shall not have (1) a final maturity date earlier than the Maturity Date for any then outstanding Term Loans (but may have “springing maturity” provisions that are not more favorable to the lenders than those contained in this Agreement with respect to the then outstanding Term Loans) or (2) a weighted average life to maturity that is shorter than the remaining weighted average life to maturity of the then-remaining Term Loans; provided that the requirements set forth in the foregoing clause (B) shall not apply to any Indebtedness consisting of a customary bridge facility so long as such bridge facility converts into long-term Indebtedness that satisfies this clause (B); (C) any Incremental Revolving Commitment or any Revolving Commitment Increase shall not have a maturity date that is earlier than the Revolving Maturity Date and shall not require any scheduled amortization or mandatory commitment reductions prior to the Revolving Maturity Date and (D) any Incremental Term Loan Increase shall be treated the same as the Class of Term Loans being increased (including with respect to maturity date thereof), shall be considered to be part of the Class of Term Loans being increased and shall be on the same terms applicable to such Term Loans. Notwithstanding anything to the contrary in this Agreement and for the avoidance of doubt, any Incremental Facility Amendment may contain “most favored lender” and call protection provisions and, in the case of any Incremental Facility Amendment documenting any Incremental Tranche B Term Loan, provisions then customary for loans of such Type. Notwithstanding the foregoing, if the all-in-yield applicable to any such Incremental Tranche B Term Loan determined as of the initial funding date for such Incremental Tranche B Term Loan is more than 0.50% higher than the corresponding all-in-yield applicable to the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans, then the interest rate margin for the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans, as the case may be, shall be increased by an amount equal to the difference between the all-in-yield with respect to such Incremental Tranche B Term Loan and the corresponding all-in-yield on the Incremental Tranche B Term Loans or Refinancing Tranche B Term Loans, as applicable, minus 0.50% (for purposes of such calculation and with respect to any such facility, (x) subject to clause (z) below, all-in yield shall be deemed to include all upfront fees and original issue discount (based on a four-year average life to maturity or, if less, the remaining life to maturity) payable to all lenders providing such facility, (y) if the Incremental Tranche B Term Loan includes an interest rate floor greater than the applicable interest rate floor with respect to the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans and such floor is greater than the Adjusted Term SOFR Rate for a 3-month Interest Period at such time, such excess amount (above the greater of such floor and such Adjusted Term SOFR Rate) shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the interest rate margin under the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans shall be required, but only to the extent an increase in the interest rate floor in the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans, as applicable, would cause an increase in the interest rate then in effect thereunder, and in such case, the interest rate floor (but not the interest rate margin) applicable to the Incremental Tranche B Term Loans or the Refinancing Tranche B Term Loans, as applicable, shall be increased to the extent of such excess and (z) all-in yield shall exclude structuring, advisory, success, underwriting, commitment, arrangement, ticking, amendment, consent and similar fees payable in connection therewith whether or not shared with all lenders providing such facility and any other fees not paid by the Borrower generally to all lenders providing such facility ratably or, if only one lender (or affiliated group of lenders) is providing such facility, are fees of the type not customarily shared with lenders generally).

(c) Any additional bank, financial institution, existing Lender or other Person that elects to extend Incremental Extensions of Credit (i) shall, to the extent a consent would be required under Section 9.04 if such additional bank, financial institution, existing Lender or other Person were taking an assignment of Loans or Commitments, be approved by the Borrower and the Administrative Agent (and, in the case of any Incremental Revolving Commitment or Revolving Commitment Increase, each applicable Issuing Bank) (such approval not be unreasonably withheld) (any such bank, financial institution, existing Lender or other Person being called an “Additional Lender”) and (ii) if not already a Lender, shall become a Lender under this Agreement pursuant to an amendment (an “Incremental Facility Amendment”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each such Additional Lender and the Administrative Agent. No Lender shall be obligated to provide any Incremental Extension of Credit unless it so agrees. Commitments in respect of any Incremental Extension of Credit shall become Commitments (or in the case of any Revolving Commitment Increase to be provided by an existing Revolving Lender, an increase in such Lender’s Revolving Commitment) under this Agreement upon the effectiveness of the applicable Incremental Facility Amendment. An Incremental Facility Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement or to any other Loan Document as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section (including to provide for voting provisions applicable to the Additional Lenders comparable to the provisions of clause (B) of the second proviso of Section 9.02(b)). To the extent required by the relevant Additional Lenders as set forth in the relevant Incremental Facility Amendment, the effectiveness of any Incremental Facility Amendment and the making of the initial Borrowings thereunder shall be subject to the satisfaction on the effective date thereof of each of the conditions set forth in clauses (a) and (b) of Section 4.02 (it being understood and agreed that all references to a Borrowing in clauses (a) and (b) of Section 4.02 shall be deemed to refer to the applicable Incremental Facility Amendment).

(d) On the date of effectiveness of any Revolving Commitment Increase, (i) the aggregate principal amount of the Revolving Loans outstanding (the “Existing Revolving Borrowings”) immediately prior to the effectiveness of such Revolving Commitment Increase shall be deemed to be repaid, (ii) each Revolving Commitment Increase Lender that shall have had a Revolving Commitment prior to the effectiveness of such Revolving Commitment Increase shall pay to the Administrative Agent in same day funds an amount equal to the amount, if any, by which (A) (1) such Revolving Commitment Increase Lender’s Applicable Percentage (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Resulting Revolving Borrowings (as hereinafter defined) exceeds (B) (1) such Revolving Commitment Increase Lender’s Applicable Percentage (calculated without giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Existing Revolving Borrowings, (iii) each Revolving Commitment Increase Lender that shall not have had a Revolving Commitment prior to the effectiveness of such Revolving Commitment Increase shall pay to the Administrative Agent in same day funds an amount equal to (1) such Revolving Commitment Increase Lender’s Applicable Percentage (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Resulting Revolving Borrowings, (iv) after the Administrative Agent receives the funds specified in clauses (ii) and (iii) above, the Administrative Agent shall pay to each Revolving Lender of the Applicable Class the portion of such funds that is equal to the amount, if any, by which (A) (1) such Revolving Lender’s Applicable Percentage (calculated without giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Existing Revolving Borrowings, exceeds (B) (1) such Revolving Lender’s Applicable Percentage (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) multiplied by (2) the aggregate principal amount of the Resulting Revolving Borrowings, (v) after the effectiveness of such Revolving Commitment Increase, the Borrower shall be deemed to have made new Revolving Borrowings (the “Resulting Revolving Borrowings”) in an aggregate principal amount equal to the aggregate principal amount of the Existing Revolving Borrowings and of the Types and for the Interest Periods specified in a Borrowing Request delivered to the Administrative Agent in accordance with Section 2.03 (and the Borrower shall deliver such Borrowing Request), (vi) each Revolving Lender of the Applicable Class shall be deemed to hold its Applicable Percentage of each Resulting Revolving Borrowing (calculated after giving effect to the effectiveness of such Revolving Commitment Increase) and (vii) the Borrower shall pay each Revolving Lender any and all accrued but unpaid interest on its Loans comprising the Existing Revolving Borrowings. The deemed payments of the Existing Revolving Borrowings made pursuant to clause (i) above shall be subject to compensation by the Borrower pursuant to the provisions of Section 2.16 if the date of the effectiveness of such Revolving Commitment Increase occurs other than on the last day of the Interest Period relating thereto. Upon each Revolving Commitment Increase pursuant to this Section, each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Revolving Commitment Increase Lender, and each such Revolving Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Lender’s participations hereunder in outstanding Letters of Credit such that, after giving effect to such Revolving Commitment Increase and each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit held by each Revolving Lender (including each such Revolving Commitment Increase Lender) will equal such Revolving Lender’s Applicable Percentage.

(e) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

(f) The Borrower may (i) incur Incremental Facilities under the Incremental Dollar Basket or the Incremental Ratio Basket in such order as it may elect in its sole discretion and shall be allowed to classify under which basket such Incremental Facilities are being incurred at the time of such Incurrence and (ii) later reclassify Indebtedness incurred under the Incremental Dollar Basket as incurred under the Incremental Ratio Basket, if at the time of such reclassification, the Borrower would have been permitted to incur such Indebtedness under the Incremental Ratio Basket.

(a) The Borrower may, by delivery of a Maturity Date Extension Request to the Administrative Agent (which shall promptly deliver a copy thereof to each of the Lenders) not less than 30 days prior to the then-existing Maturity Date for the applicable Class of Commitments and/or Loans hereunder to be extended (the "Existing Maturity Date"), request that the Lenders extend the Existing Maturity Date in accordance with this Section; provided that, for the avoidance of doubt, each Lender may elect to agree or not agree, in its sole discretion, to an extension of a Maturity Date. Each Maturity Date Extension Request shall (i) specify the applicable Class of Commitments and/or Loans hereunder to be extended, (ii) specify the date to which the applicable Maturity Date is sought to be extended, (iii) specify the changes, if any, to the Applicable Rate to be applied in determining the interest payable on the Loans of, and fees payable hereunder to, Consenting Lenders (as defined below) in respect of that portion of their Commitments and/or Loans extended to such new Maturity Date and the time as of which such changes will become effective (which may be prior to the Existing Maturity Date) and (iv) specify any other amendments or modifications to this Agreement to be effected in connection with such Maturity Date Extension Request; provided that no such changes or modifications requiring approvals pursuant to the provisos to Section 9.02(b) shall become effective prior to the Existing Maturity Date unless such other approvals have been obtained. In the event a Maturity Date Extension Request shall have been delivered by the Borrower, each Lender shall have the right to agree to the extension of the Existing Maturity Date and other matters contemplated thereby on the terms and subject to the conditions set forth therein (each Lender agreeing to the Maturity Date Extension Request being referred to herein as a "Consenting Lender" and each Lender not agreeing thereto being referred to herein as a "Declining Lender"), which right may be exercised by written notice thereof, specifying the maximum amount of the Commitment and/or Loans of such Lender with respect to which such Lender agrees to the extension of the Maturity Date, delivered to the Borrower (with a copy to the Administrative Agent) not later than a day to be agreed upon by the Borrower and the Administrative Agent following the date on which the Maturity Date Extension Request shall have been delivered by the Borrower (it being understood and agreed that any Lender that shall have failed to exercise such right as set forth above shall be deemed to be a Declining Lender). If a Lender elects to extend only a portion of its then existing Commitment and/or Loans, it will be deemed for purposes hereof to be a Consenting Lender in respect of such extended portion and a Declining Lender in respect of the remaining portion of its Commitment and/or Loans, and the aggregate principal amount of each Type and currency of Loans of the applicable Class of such Lender shall be allocated ratably among the extended and non-extended portions of the Loans of such Lender based on the aggregate principal amount of such Loans so extended and not extended. If Consenting Lenders shall have agreed to such Maturity Date Extension Request in respect of Commitments and/or Loans held by them, then, subject to paragraph (d) of this Section, on the date specified in the Maturity Date Extension Request as the effective date thereof (the "Extension Effective Date"), (i) the Existing Maturity Date of the applicable Commitments and/or Loans shall, as to the Consenting Lenders, be extended to such date as shall be specified therein, (ii) the terms and conditions of the applicable Commitments and/or Loans of the Consenting Lenders (including interest and fees (including Letter of Credit fees) payable in respect thereof) shall be modified as set forth in the Maturity Date Extension Request and (iii) such other modifications and amendments hereto specified in the Maturity Date Extension Request shall (subject to any required approvals (including those of the Required Lenders) having been obtained) become effective.

(b) Notwithstanding the foregoing, the Borrower shall have the right, in accordance with the provisions of Sections 2.19(b) and 9.04, at any time prior to the Existing Maturity Date, to replace a Declining Lender (for the avoidance of doubt, only in respect of that portion of such Lender's Commitment and/or Loans subject to a Maturity Date Extension Request that it has not agreed to extend) with a Lender or other financial institution that will agree to such Maturity Date Extension Request, and any such replacement Lender shall for all purposes constitute a Consenting Lender in respect of the Commitment and/or Loans assigned to and assumed by it on and after the effective time of such replacement.

(c) If a Maturity Date Extension Request has become effective hereunder:

(i) solely in respect of a Maturity Date Extension Request that has become effective in respect of the Revolving Commitments, not later than the fifth Business Day prior to the Existing Maturity Date, the Borrower shall make prepayments of Revolving Loans and shall provide cash collateral in respect of Letters of Credit, in each case, in the manner set forth in Section 2.05(i), such that, after giving effect to such prepayments and such provision of cash collateral, the Aggregate Revolving Exposure as of such date will not exceed the aggregate Revolving Commitments of the Consenting Lenders extended pursuant to this Section (and the Borrower shall not be permitted thereafter to request any Revolving Loan or any issuance, amendment, renewal or extension of a Letter of Credit if, after giving effect thereto, the Aggregate Revolving Exposure would exceed the aggregate amount of the Revolving Commitments so extended);

(ii) solely in respect of a Maturity Date Extension Request that has become effective in respect of the Revolving Commitments, on the Existing Maturity Date, the Revolving Commitment of each Declining Lender shall, to the extent not assumed, assigned or transferred as provided in paragraph (b) of this Section, terminate, and the Borrower shall repay all the Revolving Loans made by each Declining Lender to the Borrower to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder, it being understood and agreed that, subject to satisfaction of the conditions set forth in Section 4.02, such repayments may be funded with the proceeds of new Revolving Borrowings made simultaneously with such repayments by the Consenting Lenders, which such Revolving Borrowings shall be made ratably by the Consenting Lenders in accordance with their extended Revolving Commitments; and

(iii) solely in respect of a Maturity Date Extension Request that has become effective in respect of a Class of Term Loans, on the Existing Maturity Date, the Borrower shall repay all the Loans of such Class made by each Declining Lender to the Borrower, to the extent such Loans shall not have been so purchased, assigned and transferred, in each case together with accrued and unpaid interest and all fees and other amounts owing to such Declining Lender hereunder, it being understood and agreed that, subject to satisfaction of the conditions set forth in Section 4.02, such repayments may be funded with the proceeds of new Revolving Borrowings made simultaneously with such repayments by the Revolving Lenders.

(d) Notwithstanding the foregoing, no Maturity Date Extension Request shall become effective hereunder unless, on the Extension Effective Date, the conditions set forth in clauses (a) and (b) of Section 4.02 shall be satisfied (with all references in such Section to a Borrowing being deemed to be references to such Maturity Date Extension Request) and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Financial Officer of the Borrower.

(e) Notwithstanding any provision of this Agreement to the contrary, it is hereby agreed that no extension of an Existing Maturity Date in accordance with the express terms of this Section, or any amendment or modification of the terms and conditions of the Commitments and the Loans of the Consenting Lenders effected pursuant thereto, shall be deemed to (i) violate the last sentence of Section 2.08(c) or Section 2.18(b) or 2.18(c) or any other provision of this Agreement requiring the ratable reduction of Commitments or the ratable sharing of payments or (ii) require the consent of all Lenders or all affected Lenders under Section 9.02(b).

(f) The Borrower, the Administrative Agent and the Consenting Lenders may enter into an amendment to this Agreement to effect such modifications as may be necessary to reflect the terms of any Maturity Date Extension Request that has become effective in accordance with the provisions of this Section.

(g) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

SECTION 2.23. Refinancing Facilities. (a) The Borrower may, on one or more occasions, by written notice to the Administrative Agent, obtain Refinancing Term Loan Indebtedness. Each such notice shall specify the date (each, a "Refinancing Effective Date") on which the Borrower proposes that such Refinancing Term Loan Indebtedness shall be made, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent; provided that:

(i) no Event of Default of the type set forth in Section 7.01(a), (b), (h) (with respect to the Borrower) or (i) (with respect to the Borrower) shall have occurred and be continuing;

(ii) substantially concurrently with the incurrence of such Refinancing Term Loan Indebtedness, the Borrower shall repay or prepay then outstanding Term Borrowings of the applicable Class made to the Borrower (together with any accrued but unpaid interest thereon and any prepayment premium with respect thereto) in an aggregate principal amount equal to the Net Proceeds of such Refinancing Term Loan Indebtedness, and any such prepayment of Term Borrowings of such Class shall be applied to reduce the subsequent scheduled repayments of Term Borrowings of such Class to be made pursuant to Section 2.09(a) ratably,

(iii) such notice shall set forth, with respect to the Refinancing Term Loan Indebtedness established thereby in the form of Refinancing Term Loans, to the extent applicable, the following terms thereof: (a) the designation of such Refinancing Term Loans as a new "Class" for all purposes hereof, (b) the stated termination and maturity dates applicable to the Refinancing Term Loans of such Class, (c) amortization applicable thereto and the effect thereon of any prepayment of such Refinancing Term Loans, (d) the interest rate or rates applicable to the Refinancing Term Loans of such Class, (e) the fees applicable to the Refinancing Term Loans of such Class, (f) any original issue discount applicable thereto, (g) the initial Interest Period or Interest Periods applicable to Refinancing Term Loans of such Class and (h) any voluntary or mandatory commitment reduction or prepayment requirements applicable to Refinancing Term Loans of such Class (which prepayment requirements may provide that such Refinancing Term Loans may participate in any mandatory prepayment on a pro rata basis with any Class of existing Term Loans, but may not provide for prepayment requirements that are materially more favorable to the Lenders holding such Refinancing Term Loans than to the Lenders holding such Class of Term Loans) and any restrictions on the voluntary or mandatory reductions or prepayments of Refinancing Term Loans of such Class, and

(iv) such Refinancing Term Loan Indebtedness will, to the extent secured, rank pari passu or junior in right of payment and of security with the other Loans and Commitments hereunder on the terms set out in an Acceptable Intercreditor Agreement.

(b) Any Lender or any other Eligible Assignee approached by the Borrower to provide all or a portion of the Refinancing Term Loan Indebtedness may elect or decline, in its sole discretion, to provide any Refinancing Term Loan Indebtedness.

(c) Any Refinancing Term Loans shall be established pursuant to a Refinancing Facility Agreement executed and delivered by the Borrower, each Refinancing Term Lender providing such Refinancing Term Loan and the Administrative Agent, which shall be consistent with the provisions set forth in clause (a) above (but which shall not require the consent of any other Lender). Each Refinancing Facility Agreement shall be binding on the Lenders, the Loan Parties and the other parties hereto and may effect amendments to the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect provisions of this Section, including any amendments necessary to treat such Refinancing Term Loans as a new "Class" of loans hereunder. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Facility Agreement.

(d) Notwithstanding anything to the contrary contained in this Section, unless the Administrative Agent shall agree otherwise, after giving effect to any transaction contemplated in this Section, there shall not be more than six Classes of Loans or Commitments (including any revolving and term loan facilities) hereunder at any one time outstanding.

ARTICLE III

Representations and Warranties

The Borrower (with respect to itself and, where applicable, the Restricted Subsidiaries) represents and warrants to the Administrative Agent, each of the Issuing Banks and each of the Lenders that:

SECTION 3.01. Organization; Powers. Each of the Borrower and the Restricted Subsidiaries (a) is duly organized, validly existing and, to the extent that such concept is applicable in the relevant jurisdiction, in good standing (to the extent such concept exists in the relevant jurisdictions) under the laws of the jurisdiction of its organization (except, in the case of any Restricted Subsidiary, to the extent the failure to be so could not (either individually or in the aggregate) reasonably be expected to result in a Material Adverse Effect), (b) has the corporate or other organizational power and authority to carry on its business as now conducted, to execute, deliver and perform its obligations under this Agreement and each other Loan Document and (c) except where the failure to be so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, is qualified to do business in, and, to the extent that such concept exists in the relevant jurisdiction, is in good standing in, every jurisdiction where such qualification is required.

SECTION 3.02. Authorization; Due Execution and Delivery; Enforceability. This Agreement has been duly authorized, executed and delivered by the Borrower and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of the Borrower or such Loan Party, as applicable, enforceable against such Person in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

SECTION 3.03. Governmental Approvals; No Conflicts. Except as set forth on Schedule 3.03, the execution, delivery and performance by each Loan Party of each Loan Document to which it is a party (a) as of the date such Loan Document is executed, do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect and except (i) filings necessary to perfect Liens created under the Loan Documents or (ii) where failure to obtain such consent or approval, or make such registration or filing, in the aggregate, would not reasonably be expected to have a Material Adverse Effect, (b) will not violate any Requirement of Law applicable to the Borrower or any Restricted Subsidiary, (c) will not violate or result in a default under any indenture, agreement or other instrument binding upon the Borrower or any Restricted Subsidiary or their respective assets, or give rise to a right thereunder to require any payment, repurchase or redemption to be made by the Borrower or any Restricted Subsidiary or give rise to a right of, or result in, termination, cancellation or acceleration of any obligation thereunder, except with respect to any violation, default, payment, repurchase, redemption, termination, cancellation or acceleration under this clause (c) or clause (b) above that would not reasonably be expected to have a Material Adverse Effect and (d) will not result in the creation or imposition of any Lien on any asset of the Borrower or any Restricted Subsidiary, except Liens created under the Loan Documents or permitted by Section 6.02.

SECTION 3.04. Financial Condition; No Material Adverse Change. (a) The Audited Financial Statements and the Unaudited Financial Statements present fairly, in all material respects, the financial position of the Borrower and the Subsidiaries on a combined consolidated basis as of such dates and their results of operations and cash flows for the period covered thereby, and were prepared in accordance with GAAP consistently applied throughout the period covered thereby except as otherwise expressly noted therein, subject to normal year-end audit adjustments and, in the case of the Unaudited Financial Statements, the absence of footnotes.

(b) Since December 31, 2018, no event, change or condition has occurred that has had, or would reasonably be expected to have, a Material Adverse Effect.

SECTION 3.05. Properties. (a) Each of the Borrower and the Restricted Subsidiaries has good title to, or valid leasehold (or license or similar) interests in or other limited property interests in, all its real and personal property necessary for the conduct of its business (including the Mortgaged Properties), (i) free and clear of Liens, other than Liens expressly permitted by Section 6.02 and (ii) except for minor defects in title or interest that do not interfere with its ability to conduct its business as currently conducted or as proposed to be conducted or to utilize such properties for their intended purposes, in each case, except where the failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) To the knowledge of the Borrower or any Restricted Subsidiary, (i) each of the Borrower and the Restricted Subsidiaries owns, or has a valid and enforceable right to use, any and all trademarks, service marks, trade names, corporate names, logos, domain names, URLs, copyrights (including published and unpublished works of authorship, website and mobile content, data and other compilations of information, and any moral rights therein or thereto), rights in software, patents, patent rights, trade secrets, database rights, design rights and any and all other intellectual property or similar proprietary rights throughout the world and all common law rights, registrations and applications for registrations, renewals, extensions, reissuances and divisionals therefor (collectively, "IP Rights") that are used in or necessary for its business as currently conducted, and (ii) the use thereof by the Borrower and each Restricted Subsidiary does not infringe upon, misappropriate or otherwise violate the rights of any other Person, except, in each case of (i) and (ii), for any such failures to own or have rights to use, or any such infringements, misappropriations or other violations that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. No claim or litigation regarding any IP Rights owned or used by the Borrower or any Restricted Subsidiary is pending or, to the knowledge of the Borrower or any Restricted Subsidiary, threatened against the Borrower or any Restricted Subsidiary that, individually or in the aggregate, would reasonably be expected to result in a Material Adverse Effect.

SECTION 3.06. Litigation and Environmental Matters. (a) There are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened in writing against or affecting the Borrower or any Restricted Subsidiary that would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

(b) Except with respect to any matters that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, none of the Borrower or any Restricted Subsidiary (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability or, to the knowledge of the Borrower or any Restricted Subsidiary, there is a reasonable basis for any such Environmental Liability, (iii) has received notice of any claim with respect to any Environmental Liability, or (iv) is reasonably expected to incur any Environmental Liability with respect to any Release on any real property now or previously owned, leased or operated by it.

SECTION 3.07. Compliance with Laws. Each of the Borrower and the Restricted Subsidiaries is in compliance with all Requirements of Law, except where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

SECTION 3.08. Sanctions; Anti-Corruption Laws. The Borrower has implemented and maintains in effect policies and procedures designed to promote compliance by the Borrower, the Restricted Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, and the Borrower and the Restricted Subsidiaries and their respective officers and employees (when acting in their role as officers and employees) and to the knowledge of the Borrower, the respective directors of the Borrower and its Restricted Subsidiaries (when acting in their role as directors) and agents (in their capacity as such) are in compliance in all material respects with Anti-Corruption Laws and applicable Sanctions and are not knowingly engaged in any activity that would reasonably be expected to result in the Borrower being designated as a Sanctioned Person. None of the Borrower, any Restricted Subsidiary or any of their respective directors, officers or employees is a Sanctioned Person. None of the Borrower or any Restricted Subsidiary is operating, organized or resident in any Sanctioned Country.

SECTION 3.09. Investment Company Status. None of the Borrower or any other Loan Party is required to register as an “investment company” under the Investment Company Act.

SECTION 3.10. Federal Reserve Regulations. None of the Borrower or any Restricted Subsidiary is engaged or will engage, principally or as one of its important activities, in the business of purchasing or carrying margin stock (within the meaning of Regulation U of the Board of Governors) or extending credit for the purpose of purchasing or carrying margin stock. No part of the proceeds of the Loans will be used, directly or indirectly, for any purpose that violates the provisions of Regulations U or X of the Board of Governors.

SECTION 3.11. Taxes. Except to the extent that failure to do so would not reasonably be expected to result in a Material Adverse Effect, each of the Borrower and each Restricted Subsidiary (a) has timely filed or caused to be timely filed all Tax returns and reports required to have been filed by it and (b) has timely paid or caused to be timely paid all Taxes required to have been paid by it, except where the validity or amount thereof is being contested in good faith by appropriate proceedings and where the Borrower or such Restricted Subsidiary, as applicable, has set aside on its books adequate reserves therefor in conformity with GAAP.

SECTION 3.12. ERISA. (a) Except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect, no ERISA Event has occurred or is reasonably expected to occur.

(b) Except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect, (i) each Foreign Pension Plan is in compliance in all material respects with all Requirements of Law applicable thereto and the respective requirements of the governing documents for such plan, (ii) with respect to each Foreign Pension Plan, none of the Borrower, its Affiliates or any of their respective directors, officers, employees or agents has engaged in a transaction that could subject the Borrower or any Restricted Subsidiary, directly or indirectly, to a tax or civil penalty and (iii) with respect to each Foreign Pension Plan, any underfunding has been reflected in the financial statements furnished to Lenders in respect of any unfunded liabilities in accordance with GAAP.

SECTION 3.13. Disclosure(a) . Notwithstanding anything contained in this Agreement, no Mortgage shall be executed and delivered to the Administrative Agent with respect to any real property located in an area identified by the Federal Emergency Management Agency (or any successor agency) as a “special flood hazard area” with respect to which flood insurance has been made available under Flood Insurance Laws unless and until each Lender has received, at least 30 calendar days prior to such execution and delivery, a “Life-of-Loan” Federal Emergency Management Agency Standard Flood Hazard Determination (together with a notice about special flood hazard area status and flood disaster assistance duly executed by the Borrower and each applicable mortgagor relating thereto) (provided, that in no event shall the Borrower be required to deliver more than one flood determination to the Lenders as a whole) and each such lender has confirmed to the Administrative Agent that flood insurance due diligence and flood insurance compliance has been completed to its reasonable satisfaction (such written confirmation not to be unreasonably withheld or delayed); provided however that the time period for execution and delivery of any such Mortgage (and any related documents pursuant to the Collateral and Guarantee Requirement) by the applicable Loan Party shall, to the extent necessary, be automatically extended to the date on which the Administrative Agent is permitted under this Section to enter into such Mortgage.

(b) If any material assets (other than Excluded Property) including any Material Real Property, or any IP Rights (other than Excluded Property) are acquired by a Loan Party after the Closing Date (other than assets constituting Collateral under the applicable Security Document that become subject to the Lien created by such Security Document upon acquisition thereof), the Borrower will notify the Administrative Agent and the Lenders thereof, and, if requested by the Administrative Agent or the Required Lenders, the Borrower will cause such assets to be subjected to a Lien securing the Obligations and will, subject to the Collateral and Guarantee Requirement, take, and cause the Loan Parties to take, such actions as shall be necessary to grant and perfect such Liens, including actions described in paragraph (a) of this Section, and otherwise cause the Collateral and Guarantee Requirement to be satisfied, all at the expense of the Loan Parties.

(c) Notwithstanding anything herein to the contrary, with respect to pledges of, or grants of security interests in, assets acquired by a Loan Party after the Closing Date (including Equity Interests of newly-acquired Restricted Subsidiaries) or that cease to be Excluded Property after the Closing Date, the Loan Parties shall have the timeframe set forth in the definition of "Collateral and Guarantee Requirement", or provided for in the Collateral Agreement or other applicable Security Document, or if no timeframe is so provided, ninety (90) days (or such longer period as agreed by the Administrative Agent, acting reasonably) after the date of such acquisition (or after the date such assets cease to be Excluded Property) to comply with the requirements of clauses (a) and (b) above.

(d) To the extent any Specified Foreign Subsidiary is to be added on or after the Sixth Amendment Effective Date as a Loan Party, the Borrower and each Loan Party shall enter into such amendments as reasonably requested by the Administrative Agent so that such Specified Foreign Subsidiary can become a Loan Party on substantially equivalent terms as Loan Parties that are U.S. Subsidiaries (in each case taking into consideration any local law prohibitions, requirements and limitations as well as any relevant customary practices with respect to such Specified Foreign Jurisdiction, as reasonably agreed between Administrative Agent and the Borrower).

SECTION 5.14. Credit Ratings. The Borrower will use commercially reasonable efforts to cause the credit facilities made available under this Agreement to be continuously rated by S&P and Moody's (but not any particular rating). The Borrower will use commercially reasonable efforts to maintain a corporate rating (but not any particular rating) from S&P and a corporate family rating (but not any particular rating) from Moody's, in each case, in respect of the Borrower.

SECTION 5.15. Post-Closing Date Matters. As promptly as practicable, and in any event within the time period specified in Schedule 5.15 (or such longer period as the Administrative Agent, acting reasonably, may agree to in writing), after the Closing Date, (i) the Borrower shall, and shall cause each of its subsidiaries that is a Loan Party to, deliver all Mortgages that are required to be delivered pursuant to, and otherwise satisfy, the Collateral and Guarantee Requirement (if any), except to the extent otherwise agreed by the Administrative Agent pursuant to its authority as set forth in the definition of the term "Collateral and Guarantee Requirement" and (ii) the Borrower shall deliver, or cause to be delivered, the items specified in Schedule 5.15 hereof or complete such undertakings described on Schedule 5.15 hereof, if any, on or before the dates specified with respect to such items, or such later dates as may be agreed to by, or as may be waived by, the Administrative Agent in its reasonable discretion.

SECTION 5.16. Sixth Amendment Collateral Matters. As promptly as practicable, and in any event within the time period specified on Schedule 5.16 (or such longer period as the Administrative Agent may agree to in writing), after the Sixth Amendment Effective Date, the Borrower shall deliver, or cause to be delivered, the items specified in Schedule 5.16 hereof or complete such undertakings described on Schedule 5.16 hereof, if any, on or before the dates specified with respect to such items, or such later dates as may be agreed to by, or as may be waived by, the Administrative Agent.

SECTION 5.17. Account Control Agreements. Each Loan Party shall, within sixty (60) days after the Seventh Amendment Effective Date (or such later date as the Administrative Agent may reasonably agree), enter into a springing account control agreement (each, a “**Blocked Account Agreement**”), in form reasonably satisfactory to the Administrative Agent, with the applicable Loan Party, the Administrative Agent and any financial institution with which such Loan Party maintains a Material Account (collectively, the “**Blocked Accounts**”). Subject to the immediately succeeding sentence, from and after the date that is sixty (60) days after the Seventh Amendment Effective Date (or such later date as the Administrative Agent may reasonably agree pursuant to the immediately preceding sentence), each Loan Party shall ensure that this Section 5.17 is satisfied at all times. In the event that, after the Seventh Amendment Effective Date, any Loan Party opens a new deposit account or securities account that is a Material Account, such Loan Party shall, within sixty (60) days after the date on which such Material Account was opened (or such later date as the Administrative Agent may reasonably agree), enter into a Blocked Account Agreement with respect to each such Material Account.

(xx) any Liens on cash or deposits granted in favor of any Issuing Bank to cash collateralize any Defaulting Lender's participation in Letters of Credit or other obligations in respect of Letters of Credit, in each case as contemplated by this Agreement;

provided that the expansion of Liens by virtue of accretion or amortization of original issue discount, the payment of dividends in the form of Indebtedness, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an incurrence of Liens for purposes of this Section. For purposes of determining compliance with this Section, (x) a Lien need not be incurred solely by reference to one category of Liens described in this Section but may be incurred under any combination of such categories (including in part under one such category and in part under any other such category) and (y) in the event that a Lien (or any portion thereof) meets the criteria of one or more of such categories hereof, the Borrower and the Restricted Subsidiaries shall, in their sole discretion, classify such Lien (or any portion thereof) solely between and among such categories.

Notwithstanding the foregoing, (i) the Borrower will not, nor will the Borrower permit any of its Restricted Subsidiaries that are Loan Parties to suffer to exist any Lien on any Indenture Restricted Property to secure Indebtedness for borrowed money without equally and ratably securing the Obligations hereunder for so long as such Indebtedness for borrowed money shall be so secured, (ii) the Borrower will not permit any of its Subsidiaries that are not Loan Parties to suffer to exist any Lien on any U.S. IP Rights of any of such Subsidiaries to secure Indebtedness for borrowed money and (iii) the Borrower shall not, nor will the Borrower permit any of its Restricted Subsidiaries to, assume or permit to exist any Lien on any of their assets securing obligations of, or providing support for, the Released Group, other than, in each case, with respect to Indebtedness currently in effect on the Seventh Amendment Effective Date.

Notwithstanding anything to the contrary contained in this Agreement, solely during the period commencing on the Sixth Amendment Effective Date and ending on the date that is 35 days thereafter, the Borrower shall be permitted to deposit and hold in a segregated deposit account subject to an account control agreement in favor of the First Lien Noteholder Representative amounts representing Net Proceeds of the Indebtedness incurred under the First Lien Note Purchase Agreement that are to be applied to redeem the 2024 Notes or to prepay Tranche A Term Loans in accordance with the terms of this Agreement (the "Designated First Lien Note Proceeds") (together, as applicable, with amounts representing interest credited to such account and immaterial excess amounts resulting from the Borrower's reasonable good faith estimate of amounts payable in connection with such repayment or redemption), pending application thereof to such redemption and repayment, which in the case of the 2024 Notes shall be on or prior to such 35th day and in the case of any Tranche A Term Loans shall be within five Business Days after the Sixth Amendment Effective Date. It is agreed that that (i) the Designated First Lien Note Proceeds shall be applied solely to such redemption and repayment and shall not be used for any other purpose and (ii) solely during such 35-day period, the perfected Lien on such deposit account and such amounts therein in favor of the First Lien Noteholder Representative shall be permitted under this Section 6.02 and other relevant provisions of this Agreement and shall not preclude the Indebtedness under the First Lien Note Purchase Agreement from constituting Alternative Incremental Facility Debt permitted by Section 6.01(a)(xv); provided that such deposit account may remain open after such 35th day so long as no amounts are on deposit therein (other than interest earned with respect to amounts previously deposited therein which is promptly transferred to another account of the Borrower), but the Borrower shall either close such account or cause such account control agreement to be terminated reasonably promptly after the end of such 35-day period.

SECTION 6.03. Fundamental Changes. (a) The Borrower will not, nor will the Borrower permit any of its Restricted Subsidiaries to, merge into or consolidate with any other Person, or permit any other Person to merge into or consolidate with it, or liquidate or dissolve, divide or otherwise dispose of all or substantially all of its properties and assets to any Person or group of Persons (which, for the avoidance of doubt, shall not restrict the change in organizational form), except that:

(i) any Restricted Subsidiary may merge into or consolidate with (A) the Borrower so long as the Borrower shall be the continuing or surviving Person (and continues to be organized under the laws of the same jurisdiction), (B) [reserved] and (C) any other Restricted Subsidiary in a transaction in which the surviving entity is a Restricted Subsidiary and, if any party to such merger or consolidation is a Loan Party, either (x) the continuing or surviving entity is a Loan Party or (y) the acquisition of such Loan Party by such continuing or surviving Person is otherwise permitted under 6.04; provided, that, after giving effect to any such activities under this Section, the Loan Parties are in compliance with the Collateral and Guarantee Requirement to the extent required by Sections 5.12 and 5.13;

(ii) any Restricted Subsidiary may dispose of all or any of its properties and assets in a transaction permitted pursuant to Section 6.05, so long as such disposition does not constitute a disposition of all or substantially all of the properties and assets of the Borrower and the Restricted Subsidiaries taken as a whole;

(iii) any Restricted Subsidiary may liquidate or dissolve; provided that in the case of any dissolution or liquidation of a Restricted Subsidiary that is a Loan Party, such Subsidiary shall at or before the time of such dissolution or liquidation transfer its assets to another Loan Party unless such disposition of assets is permitted under Section 6.05;

(iv) any Restricted Subsidiary may engage in a merger, consolidation, dissolution or liquidation, the purpose of which is to effect an Investment permitted pursuant to Section 6.04 or a disposition permitted pursuant to Section 6.05; and

(v) so long as no Default or Event of Default shall have occurred and be continuing, or would result therefrom, the Borrower may merge or consolidate with (or Dispose of all or substantially all of its assets to) any other Person; provided that (A) the Borrower shall be the continuing or surviving Person or (B) if (x) the Person formed by or surviving any such merger or consolidation is not the Borrower (y) the Borrower is not the Person into which the Borrower has been liquidated or (z) in connection with a Disposition of all or substantially all of the Borrower's assets, the Person that is the transferee of such assets is not the Borrower (any such Person, a "Successor Borrower"), (1) the Successor Borrower shall be an entity organized or existing under the laws of the United States, (2) the Successor Borrower shall expressly assume all the obligations of the Borrower under this Agreement and the other Loan Documents to which the Borrower is a party pursuant to a supplement, amendment or restatement hereto or thereto in form reasonably satisfactory to the Administrative Agent, (3) if reasonably requested by the Administrative Agent, the Borrower shall have delivered to the Administrative Agent an officer's certificate and an opinion of counsel, each stating that such merger or consolidation and such supplement, amendment or restatement to this Agreement or any Loan Document comply with this Agreement and (4) if reasonably requested by the Administrative Agent or any Lender, the Successor Borrower shall have delivered to the Administrative Agent all documentation and other information required by bank regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the USA PATRIOT Act and to the extent the Successor Borrower qualifies as a "legal entity customer" under the Beneficial Ownership Regulation, a Beneficial Ownership Certification in relation to the Borrower; provided, further, that if the foregoing are satisfied, the Successor Borrower, will succeed to, and be substituted for, the Borrower under this Agreement and the original Borrower will be released.

(b) The Borrower and the Restricted Subsidiaries, taken as a whole, will not engage to any material extent in any business other than businesses of the type conducted by the Borrower and the Restricted Subsidiaries on the Closing Date; provided that businesses reasonably related, incidental or ancillary thereto to the business conducted by the Borrower and the Restricted Subsidiaries, taken as a whole, on the Closing Date or reasonable extensions thereof shall be permitted hereunder.

Notwithstanding the foregoing, following the Seventh Amendment Effective Date, the Borrower shall not, nor will the Borrower permit any of its Restricted Subsidiaries to, merge into or consolidate with any member of the Released Group, permit any member of the Released Group to merge into or consolidate with any Loan Party or divide or otherwise dispose of assets to any member of the Released Group

(ix) the Borrower may make cash payments in connection with any conversion or exchange of Convertible Indebtedness in amount equal to the sum of (i) the principal amount of such Convertible Indebtedness and (ii) the proceeds of any payments received by the Borrower or any of its Restricted Subsidiaries pursuant to the exercise, settlement or termination of any related Permitted Bond Hedge Transaction;

(x) the Borrower may make payments in connection with a Permitted Bond Hedge Transaction and the settlement of any related Permitted Warrant Transaction (i) by delivery of shares of the Borrower's Equity Interests upon net share settlement thereof or (ii) by (A) set-off against the related Permitted Bond Hedge Transaction and (B) payment of an early termination amount thereof in common Equity Interests of the Borrower upon any early termination thereof;

(xi) the Borrower may declare and make Restricted Payments in an aggregate amount not to exceed, at the time such Restricted Payments are made and after giving effect thereto, the Available Amount at such time; provided that the Borrower may only make Restricted Payments under this clause (xi) if (x) no Default or Event of Default has occurred and is continuing (or would result therefrom) and (y) both (A) after giving effect thereto on a Pro Forma Basis, the Consolidated Total Leverage Ratio shall not exceed 1.50:1.00 and (B) the Consolidated Total Leverage Ratio as at the end of each of the two most recently ended fiscal quarters for which financial statements have been delivered pursuant to Section 5.01(a) or (b) does not exceed 1.50 to 1.00; and

(xii) (i) any non-cash repurchases or withholdings of Equity Interests in connection with the exercise of stock options, warrants or similar rights if such Equity Interests represent a portion of the exercise of, or withholding obligations with respect to, such options, warrants or similar rights (for the avoidance of doubt, it being understood that any required withholding or similar tax related thereto may be paid by the Borrower or any Restricted Subsidiary in cash), and (ii) loans or advances to officers, directors and employees of the Borrower or any Restricted Subsidiary in connection with such Person's purchase of Equity Interests of the Borrower, provided that no cash is actually advanced pursuant to this clause (ii) other than to pay taxes due in connection with such purchase, unless immediately repaid.

(b) The Borrower will not, nor will the Borrower permit any Restricted Subsidiary to, prepay, redeem, purchase or otherwise satisfy any Indebtedness that is subordinated in right of payment to the Obligations (excluding, for the avoidance of doubt, any subordinated obligations owing to the Borrower or any Restricted Subsidiary) (collectively, "Restricted Debt Payments"), except for:

- (i) payments of Indebtedness created under this Agreement or any other Loan Document;
- (ii) regularly scheduled interest and principal payments as and when due in respect of any such Indebtedness, other than payments in respect of such Indebtedness prohibited by the subordination provisions thereof;
- (iii) refinancings of Indebtedness with the proceeds of other Indebtedness permitted under Section 6.01;
- (iv) [reserved];
- (v) [reserved];
- (vi) payments required by the terms of the relevant Indebtedness, which terms are designed to ensure such instrument would not be treated, at issuance, as an "applicable high yield discount obligation" within the meaning of Section 163(i) of the Code; and
- (vii) the conversion of such Indebtedness to, or exchange of such Indebtedness for, Qualified Equity Interests of the Borrower.

For purposes of this Section, if any Restricted Payment (or a portion thereof) would be permitted pursuant to one or more provisions described above and/or one or more of the exceptions contained in this Section, the Borrower and the Restricted Subsidiaries may divide and classify such Restricted Payment (or a portion thereof) in any manner that complies with this covenant.

SECTION 6.09. Transactions with Affiliates. The Borrower will not, nor will the Borrower permit any Restricted Subsidiary to, sell, lease or otherwise transfer any assets to, or purchase, lease or otherwise acquire any assets from, or otherwise engage in any other transactions (or series of related transactions) involving aggregate consideration in excess of \$20,000,000 with, any of its Affiliates, except (i) transactions that are at prices and on terms and conditions not less favorable to the Borrower or such Restricted Subsidiary, taken as a whole, than could be obtained on an arm's-length basis from unrelated third parties, (ii) transactions (A) between or among the Loan Parties not involving any other Affiliate or (B) between or among Restricted Subsidiaries that are not Loan Parties, (iii) Restricted Payments made to the Borrower or any Restricted Subsidiary permitted under Section 6.08 and Investments in Subsidiaries permitted under Section 6.04 and any other transaction involving the Borrower and the Restricted Subsidiaries permitted under Section 6.03 to the extent such transaction is between the Borrower and one or more Restricted Subsidiaries or between two or more Restricted Subsidiaries, (iv) the payment of reasonable fees to directors of the Borrower or any Restricted Subsidiary who are not employees of the Borrower or any Restricted Subsidiary, and compensation and employee benefit arrangements paid to, and indemnities provided for the benefit of, directors, officers, consultants or employees of the Borrower or the Restricted Subsidiaries in the ordinary course of business, (v) any issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment agreements, stock options and stock ownership plans approved by the Borrower's board of directors, (vi) employment and severance arrangements entered into in the ordinary course of business between the Borrower or any Restricted Subsidiary and any employee thereof and approved by the Borrower's board of directors, (vii) payments made to other Restricted Subsidiaries arising from or in connection with any customary tax consolidation and grouping arrangements, (viii) the Specified GEC DIP Financing and (ix) the Ecommerce Restructuring.

SECTION 6.10. Restrictive Agreements. The Borrower will not, nor will the Borrower permit any Restricted Subsidiary to enter into or permit to exist any agreement or other arrangement that prohibits, restricts or imposes any condition upon (a) the ability of the Borrower or any Restricted Subsidiary to create, incur or permit to exist any Lien upon any of its assets that are Collateral or required to be Collateral to secure the Obligations or (b) the ability of any Restricted Subsidiary that is not a Loan Party to pay dividends or other distributions with respect to any of its Equity Interests, to make or repay loans or advances to the Borrower or any Loan Party or to transfer any of its properties or assets to the Borrower or any Loan Party; provided that the foregoing shall not apply to (A) restrictions and conditions imposed by law or by this Agreement, any Loan Document, any Incremental Facility Amendment, any Refinancing Facility Agreement, any document governing any Refinancing Term Loan Indebtedness or Refinancing Indebtedness or any document governing Alternative Incremental Facility Debt, (B) restrictions and conditions imposed by the Existing Senior Notes Documents as in effect on the Closing Date or any agreement or document evidencing other Indebtedness permitted under clause (ii) of Section 6.01(a); provided that the restrictions and conditions contained in any such agreement or document taken as a whole are not materially less favorable (as determined by the Borrower in good faith) to the Lenders than the restrictions and conditions imposed by the Existing Senior Notes Documents or restrictions otherwise customary for the relevant type of Indebtedness (which may be in the form of "high-yield-style" notes or term loans), (C) in the case of any Restricted Subsidiary that is not a wholly owned Restricted Subsidiary, customary restrictions and conditions imposed by its organizational documents or any related joint venture or similar agreements; provided that such restrictions and conditions apply only to such Restricted Subsidiary and to the Equity Interests of such Restricted Subsidiary, (D) customary restrictions and conditions (as determined by the Borrower in good faith) contained in agreements relating to the sale of a Restricted Subsidiary or any assets of the Borrower or any Restricted Subsidiary, in each case pending such sale; provided that such restrictions and conditions apply only to such Restricted Subsidiary or the assets that are to be sold and, in each case, such sale is permitted hereunder, (E) restrictions and conditions existing on the Closing Date and identified on Schedule 6.10 (and any extension or renewal of, or any amendment, modification or replacement of the documents set forth on such schedule that do not expand the scope of, any such restriction or condition in any material respect), (F) restrictions and conditions imposed by any agreement relating to Indebtedness of any Restricted Subsidiary in existence at the time such Restricted Subsidiary became a Restricted Subsidiary and otherwise permitted by clause (vii) of Section 6.01(a) or to any restrictions in any Indebtedness of a non-Loan Party Restricted Subsidiary permitted by clause (viii) or clause (xix) of Section 6.01(a), in each case if such restrictions and conditions apply only to such Restricted Subsidiary and its subsidiaries, (G) customary prohibitions, restrictions and conditions (as determined by the Borrower in good faith) contained in agreements relating to a Permitted Receivables Facility, (H) any encumbrance or restriction under documentation governing other Indebtedness of the Borrower and any Restricted Subsidiaries permitted to be incurred pursuant to Section 6.01, provided that such encumbrances or restrictions will not materially impair (as determined by the Borrower in good faith) (1) the Borrower's ability to make principal and interest payments hereunder or (2) the ability of the Loan Party to provide any Lien upon any of its assets that are Collateral or required to be Collateral, (I) customary provisions in leases, licenses, sublicenses and other contracts (including non-exclusive licenses and sublicenses of intellectual property) restricting the assignment thereof, (J) restrictions imposed by any agreement relating to secured Indebtedness or other Liens permitted by this Agreement to the extent such restriction applies only to the property securing such Indebtedness or covered by such Liens, (K) restrictions on cash (or Permitted Investments) or other deposits imposed by agreements entered into in the ordinary course of business (or other restrictions on cash or deposits subject to or constituting Permitted Encumbrances), (L) customary restrictions contained in leases, subleases, licenses, sublicenses or asset sale agreements otherwise permitted hereby so long as such restrictions relate only to the assets subject thereto, (M) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of the Borrower or any Restricted Subsidiary and (N) customary net worth provisions contained in real property leases entered into by Subsidiaries, so long as the Borrower has determined in good faith that such net worth provisions would not reasonably be expected to impair the ability of the Borrower and its Subsidiaries to meet their ongoing obligations.

SECTION 6.11. Amendment of Material Documents, Etc. The Borrower will not, nor will the Borrower permit any of its Restricted Subsidiaries to, amend, modify or waive its certificate of incorporation, bylaws or other organizational documents, if the effect of such amendment, modification or waiver would be materially adverse to the Lenders without the consent of the Required Lenders, other than in connection with clause (a) of the definition of “Ecommerce Restructuring”.

SECTION 6.12. Consolidated Adjusted Interest Coverage Ratio. The Borrower will not permit the Consolidated Adjusted Interest Coverage Ratio as of the last day of any period of four consecutive fiscal quarters of the Borrower ending (a) on or after the Closing Date and prior to the Third Amendment Effective Date to be less than 2.75 to 1.00, (b) on or after the Third Amendment Effective Date and prior to the Fifth Amendment Effective Date to be less than 2.25 to 1.00, (c) on or after the Fifth Amendment Effective Date and prior to January 1, 2025 to be less than 1.75 to 1.00 and (d) on or after January 1, 2025 to be less than 2.00 to 1.00.

Notwithstanding the foregoing, if, with respect to any period of four consecutive fiscal quarters ending on or prior to March 31, 2025, the Borrower shall have delivered to the Administrative Agent a Fifth Amendment Period Termination Notice, then, with respect to such period and each subsequent period of four consecutive fiscal quarters of the Borrower, the ratios set forth in the preceding paragraph shall not apply and the Borrower will not permit the Consolidated Adjusted Interest Coverage Ratio as of the last day of any such period of four consecutive fiscal quarters of the Borrower to be less than 2.25 to 1.00 (the “Unamended Consolidated Adjusted Interest Coverage Ratio”).

The provisions of this Section are solely for the benefit of the Revolving Lenders, the Tranche A Term Lenders and the Incremental Tranche B Term Lenders and, unless otherwise provided in any Incremental Facility Amendment, not for the benefit of any lenders providing any other Incremental Facility. Notwithstanding the provisions of Section 9.02, the Required Covenant Lenders may (i) amend or otherwise modify this Section or, solely for the purposes of this Section, the defined terms used, directly or indirectly, therein, or (ii) waive any non-compliance with Section 6.12 or any Event of Default resulting from such non-compliance, in each case without the consent of any other Lenders.

SECTION 6.13. Consolidated Adjusted Total Leverage Ratio. The Borrower will not permit the Consolidated Adjusted Total Leverage Ratio for any period of four consecutive fiscal quarters of the Borrower ending on or about any date during any period set forth below, to exceed the ratio set forth below opposite such period:

The provisions of this Section are solely for the benefit of the Revolving Lenders, the Tranche A Term Lenders and the Incremental Tranche B Term Lenders and, unless otherwise provided in any Incremental Facility Amendment, not for the benefit of any lenders providing any other Incremental Facility. Notwithstanding the provisions of Section 9.02, the Required Covenant Lenders may (i) amend or otherwise modify this Section or, solely for the purposes of this Section, the defined terms used, directly or indirectly, therein, or (ii) waive any non-compliance with this Section or any Event of Default resulting from such non-compliance, in each case without the consent of any other Lenders.

Notwithstanding the foregoing, following the completion of a Permitted Acquisition involving aggregate consideration in excess of \$100,000,000 (a “Material Acquisition”) that, on a pro forma basis would result in an increase in the Consolidated Adjusted Total Leverage Ratio, if the Borrower shall so elect by a notice delivered to the Administrative Agent within 30 days following such completion (a “Total Leverage Increase Election”), the applicable maximum Consolidated Adjusted Total Leverage Ratio set forth above with respect to each four-fiscal quarter period ending within 18 months following the completion of such Material Acquisition shall be increased by 0.50 to 1.00 (the period during which any such increase in the Consolidated Adjusted Total Leverage Ratio shall be in effect being called a “Total Leverage Increase Period”). The Borrower may terminate any Total Leverage Increase Period by a notice delivered to the Administrative Agent whereupon, on the last day of the fiscal quarter during which such notice was given and on the last day of each fiscal quarter thereafter until another Total Leverage Increase Period has commenced as provided in this paragraph, the maximum Consolidated Adjusted Total Leverage Ratio shall be the applicable ratio set forth above. If a Total Leverage Increase Election shall have been made in accordance with the terms of this paragraph, the Borrower may not make another Total Leverage Increase Election until a period of least one fiscal quarter during which a Total Leverage Increase Period is not in effect shall have occurred following the termination or expiration of the most recent prior Total Leverage Increase Period.

SECTION 6.14. Changes in Fiscal Periods. The Borrower will not make any change in fiscal year; provided, however, that the Borrower may, upon written notice to the Administrative Agent, change its fiscal year to any other fiscal year reasonably acceptable to the Administrative Agent, in which case the Borrower and the Administrative Agent will, and are hereby authorized by the Lenders, to make any adjustments to this Agreement that are necessary to reflect such change in fiscal year.

SECTION 6.15. Amendments to Indebtedness.

(a) Amend or otherwise modify any of the Existing Senior Notes Documents, if the effect of such amendment, modification, change or waiver would be adverse in any material respect to the Lenders without the consent of the Required Lenders.

(b) Amend or otherwise modify any document, agreement or instrument evidencing any Indebtedness that is subordinated in right of payment to the Obligations (excluding any subordinated obligations owing to the Borrower or any Subsidiary) other than amendments, modifications or changes that do not affect the subordination or payment provisions thereof (if any) in a manner adverse in any material respect to the Lenders.

(c) Amend or otherwise modify any of the First Lien Note Documents in a manner adverse in any material respect to the Lenders (as determined reasonably and in good faith by the Borrower) without the consent of the Required Lenders.

SECTION 6.16. Existing Senior Notes. Notwithstanding anything to the contrary in this Agreement, at any time, directly or indirectly, repay, prepay, exchange, refinance or defease any of the Existing Senior Notes or repurchase, redeem, retire or otherwise acquire any of the Existing Senior Notes other than (a) regularly scheduled payments of interest or fees due under the Existing Senior Notes Documents (as in effect on the date hereof), (b) with cash proceeds of issuances of other unsecured notes that constitute Refinancing Indebtedness with respect to the Existing Senior Notes or (c) with cash proceeds of Equity Interests (other than Disqualified Stock) issued by the Borrower, provided that (i) the Borrower may incur (x) Indebtedness that is secured by the Collateral on a *pari passu* basis with the Obligations to refinance the Senior Notes due 2027, so long as, after giving effect thereto, the First Lien Leverage Ratio does not exceed 2.50:1.00 (or, after the Covenant Termination Date, 2.75:1.00), or (y) Indebtedness that is secured by the Collateral on a junior basis to the Obligations to refinance the Senior Notes due 2027, so long as the Consolidated Secured Leverage Ratio does not exceed 3.75:1.00. Notwithstanding the foregoing, (A) the Borrower may purchase Senior Notes due 2027 at price not to exceed 80% (or 85%, to the extent the Consolidated Total Leverage Ratio is less than 2.50:1.00) of par in an aggregate amount not to exceed \$50,000,000, *plus* (x) to the extent the Consolidated Total Leverage Ratio is less than 3.00:1.00, 50% (or 100% to the extent the Consolidated Total Leverage Ratio is less than 2.50:1.00) of the amount available to be used under Section 6.08(a)(iv) at such time; provided that, to the extent used pursuant to this Section 6.16, such amount shall reduce the amount available under Section 6.08(a)(iv) and (B) the Borrower may repay or repurchase Senior Notes due 2027 using proceeds of Revolving Loans or cash, so long as the First Lien Leverage Ratio is less than or equal to 2.50:1.00 (or 2.75:1.00 following the Covenant Termination Date) on a Pro Forma Basis, provided that any cash so applied that is not from a borrowing under this Agreement shall be treated as an incurrence of a corresponding amount of Consolidated First Lien Debt.

SECTION 6.17. Material Assets. Notwithstanding anything in this Agreement to the contrary, the Borrower shall not, and shall not permit any of its Subsidiaries to (i) directly or indirectly transfer, by means of contribution, sale, assignment, lease or sublease, license or sublicense, or other disposition of any kind (including, for avoidance of doubt, as an Investment, Restricted Payment or asset sale), any (x) Material Intellectual Property of a Loan Party to any person other than a Loan Party, (y) Material Intellectual Property of a Subsidiary that is not a Loan Party other than to the Borrower or any other Subsidiary or (z) other assets of any Loan Party that are material to the business of the Borrower and its Subsidiaries, taken as a whole (“Other Material Business Assets”) to any person that is not a Loan Party or to any member of the Released Group, except in each case (a) non-exclusive licenses permitted pursuant to clause (v) of the definition of Permitted Encumbrances and the granting of Liens permitted by Section 6.02, in each case, for bona fide business purposes, (b) non-exclusive licenses as set forth on Schedule 6.01(d) under the heading “Material Assets” and (c) for the avoidance of doubt, as part of the bona fide sale to a third party of the business that uses such IP Rights or Other Material Business Assets in a transaction permitted by Section 6.05 (so long as such IP Rights, if applicable, will not constitute Material Intellectual Property after giving effect to the disposition of such business).

SECTION 6.18. Minimum Liquidity. The Borrower will not permit Liquidity to be less than \$300,000,000 as of the last Business Day of any fiscal month ending during the Liquidity Test Period.

(b) the Borrower shall fail to pay any interest on any Loan or any fee or any other amount (other than an amount referred to in clause (a) of this Section) payable under this Agreement or any other Loan Document, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of five Business Days;

(c) any representation or warranty made or deemed made by or on behalf of the Borrower or any Restricted Subsidiary in this Agreement or any other Loan Document, or in any report, certificate or financial statement furnished pursuant to or in connection with this Agreement or any other Loan Document, shall prove to have been incorrect in any material respect when made or deemed made and, to the extent capable of being cured, such incorrect representation or warranty shall remain incorrect for a period of 30 days following written notice thereof from the Administrative Agent to the Borrower;

(d) the Borrower shall fail to observe or perform any covenant, condition or agreement contained in (i) Section 5.02(a), 5.04 (with respect to the existence of the Borrower), 5.11, 5.16 or Article VI of this Agreement or (ii) Section 7 of the Seventh Amendment; provided that, unless otherwise provided in any Incremental Facility Amendment, any failure to comply with Section 6.12 or 6.13 of this Agreement shall not constitute an Event of Default with respect to any Incremental Loans (other than the Incremental Tranche B Term Loans) unless and until the Administrative Agent or the Required Covenant Lenders shall have terminated the Revolving Commitments or exercised remedies with respect to outstanding Revolving Loans, Tranche A Term Loans or Incremental Tranche B Term Loans pursuant to this Article VII;

(e) any Loan Party shall fail to observe or perform any covenant, condition or agreement contained in (i) Section 5.17 (after giving effect to any permitted extensions thereunder) and such failure shall continue unremedied for a period of 10 days from the earlier of (x) the date on which a Responsible Officer of the Borrower or such Subsidiary obtains knowledge thereof or (y) written notice thereof from the Administrative Agent or any Lender to the Borrower or (ii) any other provision of this Agreement or any other Loan Document (other than those specified in clause (a), (b), (d) or (e)(i) of this Section), and such failure shall continue unremedied for a period of 30 days from the earlier of (x) the date on which a Responsible Officer of the Borrower or such Subsidiary obtains knowledge thereof or (y) written notice thereof from the Administrative Agent or any Lender to the Borrower;

(f) the Borrower or any Restricted Subsidiary shall fail to make any payment (whether of principal, interest, premium or otherwise and regardless of amount) in respect of any Material Indebtedness when and as the same shall become due and payable (after giving effect to any applicable grace period under the documentation representing such Material Indebtedness);

(g) any event or condition occurs that results in any Material Indebtedness becoming due or being terminated or required to be prepaid, repurchased, redeemed or defeased prior to its scheduled maturity or that enables or permits (with all applicable grace periods in respect of such event or condition under the documentation representing such Material Indebtedness having expired) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf, or, in the case of any Hedging Agreement, the applicable counterparty, to cause any Material Indebtedness to become due, or to terminate or require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; provided that this clause (g) shall not apply to (v) any secured Indebtedness that becomes due as a result of the voluntary sale, transfer or other disposition (including as a result of a casualty or condemnation event) of the assets securing such Indebtedness (to the extent such sale, transfer or other disposition is not prohibited under this Agreement) so long as such Indebtedness is repaid in accordance with its terms (including as such terms may be modified or waived in connection with such sale or transfer), (w) [reserved], (x) any Indebtedness that becomes due as a result of a voluntary refinancing thereof permitted under Section 6.01, (y) any conversion of, or trigger of conversion rights with respect to, any Convertible Indebtedness in accordance with its terms (whether or not such conversion is to be settled in cash or capital stock or a combination thereof) unless such conversion results from any event of default thereunder or a “change of control”, “fundamental change” or similar occurrence thereunder; provided that the Borrower has the right to settle any such Indebtedness into Equity Interests of the Borrower (and (1) nominal cash payments in respect of fractional shares and cash payments in respect of accrued and unpaid interest in accordance with the terms or conditions thereof and (2) cash payments in an amount not to exceed the principal amount of such Convertible Indebtedness that would be payable as a result of a mandatory redemption or maturity of such Convertible Indebtedness) or (z) termination events or similar events occurring under any Hedging Agreement (other than a termination event or similar event as to which the Borrower or any of its Restricted Subsidiaries is the defaulting party) that constitutes Material Indebtedness (it being understood that paragraph (f) of this Section will apply to any failure to make any payment required as a result of such termination or similar event);

(h) except as otherwise provided in Section 7.02, (i) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (A) liquidation, reorganization or other relief in respect of the Borrower or any Restricted Subsidiary or its debts, or of a substantial part of its assets, under any Federal, State or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (B) the appointment of a receiver, trustee, custodian, sequestrator, conservator, liquidator, administrative receiver, administrator, receiver and manager or similar official for the Borrower or any Restricted Subsidiary or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered or (ii) the Borrower or any Loan Party that is a Material Subsidiary (A) admits publicly its inability to pay its debts as they fall due or (B) has a moratorium declared in relation to any of its Indebtedness;

(l) an ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred and are continuing and remain uncured, would reasonably be expected to result in a Material Adverse Effect;

(m) any Lien purported to be created under any Security Document shall cease to be, or shall be asserted by any Loan Party not to be, a valid and perfected Lien on any material portion of the Collateral, with the priority required by the applicable Security Document, except as a result of (i) permission under any Loan Document (including the sale or other disposition of the applicable Collateral in a transaction permitted under the Loan Documents), (ii) the release thereof as provided in Section 9.14, (iii) the Administrative Agent's failure to (A) maintain possession of any stock certificate, promissory note or other instrument delivered to it under any Security Document or (B) file Uniform Commercial Code continuation statements (or equivalent statements in any other relevant jurisdiction) or (iv) as to Collateral consisting of Mortgaged Property, to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage;

(o) any Guarantee purported to be created under any Loan Document shall cease to be or shall be asserted by any Loan Party not to be, in full force and effect, except as in accordance with the terms of the Loan Documents (including a result of the release thereof as provided in the applicable Loan Document or Section 9.14); or

(p) a Change in Control shall occur;

then, and in every such event (other than an event with respect to the Borrower described in clause (h) or (i) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, (ii) declare the Loans then outstanding to be due and payable in whole (or in part (but ratably as among the Classes of Loans and the Loans of each Class at such time outstanding), in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower hereunder, shall become due and payable immediately and (iii) require the deposit of cash collateral in respect of LC Exposure as provided in Section 2.05(i), in each case, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in the case of any event with respect to the Borrower described in clause (h) or (i) of this Section, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower hereunder, shall immediately and automatically become due and payable and the deposit of such cash collateral in respect of LC Exposure shall immediately and automatically become due, in each case, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; provided, however, that, unless otherwise provided in any Incremental Facility Amendment, upon the occurrence and during the continuance of any Event of Default attributable to a failure to comply with Section 6.12 or 6.13, (w) actions pursuant to clause (i) may be taken by a Majority in Interest of the Revolving Lenders (excluding any Defaulting Lenders) with respect to the Revolving Loans only (without the requirement for Required Lender action) or by the Administrative Agent at the direction of such Lenders, (x) actions pursuant to clause (ii) with respect to the Tranche A Term Loans may be taken by a Majority in Interest of the Tranche A Term Lenders (excluding any Defaulting Lenders) with respect to the Tranche A Term Loans only (without the requirement for Required Lender action) or by the Administrative Agent at the direction of such Lenders, (y) actions pursuant to clause (ii) with respect to the Incremental Tranche B Term Loans may be taken by Required Covenant Lenders (without the requirement for Required Lender action) or by the Administrative Agent at the direction of such Lenders and (z) only if action has been taken in respect of such Event of Default under clause (i) (with respect to the Revolving Loans) by a Majority in Interest of the Revolving Lenders (excluding any Defaulting Lenders) or by the Administrative Agent at the direction of such Lenders or has been taken in respect of such Event of Default under clause (ii) (with respect to the Tranche A Term Loans or the Incremental Tranche B Term Loans) by a Majority in Interest of the Tranche A Term Lenders or the Required Covenant Lenders, as the case may be (excluding in each case any Defaulting Lenders) or by the Administrative Agent at the direction of such Lenders, then such Event of Default will be deemed to be an Event of Default with respect to any Incremental Facility or Refinancing Term Loans hereunder and the remedies set forth above can be exercised in respect of any such Incremental Facility or Refinancing Term Loans.

SECTION 7.02. Exclusion of Certain Subsidiaries. Solely for the purposes of determining whether a Default has occurred under clause (h) or (i) of Section 7.01, any reference in any such paragraph to any Restricted Subsidiary shall be deemed not to include any Restricted Subsidiary affected by any event or circumstance referred to in such paragraph that (x) is not a Loan Party, (y) is not a Material Subsidiary and (z) does not own any Material Intellectual Property or other assets material to the business of the Borrower and its Subsidiaries, taken as a whole; provided that (i) if it is necessary to exclude more than one Restricted Subsidiary from clause (h) or (i) of Section 7.01 pursuant to this paragraph in order to avoid a Default, the aggregate consolidated assets of all such excluded Restricted Subsidiaries as of such last day may not exceed 5.0% of the Consolidated Total Assets of the Borrower and the Restricted Subsidiaries and the aggregate consolidated revenues of all such excluded Restricted Subsidiaries for such four fiscal quarter period may not exceed 5.0% of the consolidated revenues of the Borrower and the Restricted Subsidiaries and (ii) in no circumstance shall the Borrower be excluded from clause (h) of (i) of Section 7.01.

The Administrative AgentSECTION 8.01. Appointment and Other Matters.

(a) Each of the Lenders and the Issuing Banks hereby irrevocably appoints the entity named as Administrative Agent in the heading of this Agreement and its successors to serve as administrative agent and collateral agent under the Loan Documents and authorizes the Administrative Agent to take such actions and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the United States of America, each of the Lenders and the Issuing Banks hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's or such Issuing Bank's behalf. Without limiting the foregoing, each Lender and each Issuing Bank hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) In performing its functions and duties hereunder and under the other Loan Documents, the Administrative Agent is acting solely on behalf of the Lenders and the Issuing Banks (except in limited circumstances expressly provided for herein relating to the maintenance of the Register), and its duties are entirely mechanical and administrative in nature. Without limiting the generality of the foregoing:

(i) the Administrative Agent does not assume and shall not be deemed to have assumed any obligation or duty or any other relationship as the agent, fiduciary or trustee of or for any Lender, Issuing Bank or holder of any other obligation other than as expressly set forth herein and in the other Loan Documents, regardless of whether a Default or an Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term "agent" (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and the transactions contemplated hereby;

(ii) where the Administrative Agent is required or deemed to act as a trustee in respect of any Collateral over which a security interest has been created pursuant to a Loan Document expressed to be governed by the laws of the United States of America, any State thereof or the District of Columbia, the obligations and liabilities of the Administrative Agent to the Secured Parties in its capacity as trustee shall be excluded to the fullest extent permitted by applicable law;

(iii) nothing in this Agreement or any Loan Document shall require the Administrative Agent to account to any Lender or Issuing Bank for any sum or the profit element of any sum received by the Administrative Agent for its own account.

(c) The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender or an Issuing Bank as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent. The terms "Issuing Banks", "Lenders", "Required Lenders" and any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity as a Lender, Issuing Bank or as one of the Required Lenders, as applicable. The Person serving as Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders or the Issuing Banks.

(d) The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents); provided that the Administrative Agent shall not be required to take any action that (i) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification satisfactory to it from the Lenders and the Issuing Banks with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided, and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower, any Subsidiary or any other Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity.

(e) The Administrative Agent may perform any of and all its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of and all their respective duties and exercise their respective rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

(f) In case of the pendency of any proceeding with respect to any Loan Party under any Federal, State or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Administrative Agent (irrespective of whether the principal of any Loan or any LC Disbursement shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim under Sections 2.12, 2.13, 2.15, 2.16, 2.17 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Lender, each Issuing Bank and each other Secured Party to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Issuing Banks or the other Secured Parties, to pay to the Administrative Agent any amount due to it, in its capacity as the Administrative Agent, under the Loan Documents (including under Section 9.03). Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to, or accept or adopt on behalf of any Lender or Issuing Bank, any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

(g) Notwithstanding anything herein to the contrary, neither the Arrangers nor any Person named on the cover page of this Agreement as a Syndication Agent or a Documentation Agent shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities provided for hereunder.

(h) The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Banks, and, except solely to the extent of the Borrower's rights to consent pursuant to and subject to the conditions set forth in this Article, none of the Borrower or any Subsidiary shall have any rights as a third party beneficiary of any such provisions. Each Secured Party, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and the Guarantees of the Obligations provided under the Loan Documents, to have agreed to the provisions of this Article.

(a) Neither the Administrative Agent nor any of its Related Parties shall be (i) liable for any action taken or omitted to be taken by it under or in connection with this Agreement or the other Loan Documents (x) with the consent of or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in the Loan Documents) or (y) in the absence of its own gross negligence or willful misconduct (such absence to be presumed unless otherwise determined by a court of competent jurisdiction by a final and nonappealable judgment) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by fax, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of any Loan Party to perform its obligations hereunder or thereunder.

(b) The Administrative Agent shall be deemed not to have knowledge of any (i) notice of any of the events or circumstances set forth or described in Section 5.02 unless and until written notice thereof stating that it is a "notice under Section 5.02" in respect of this Agreement and identifying the specific clause under said Section is given to the Administrative Agent by the Borrower, or (ii) notice of any Default or Event of Default unless and until written notice thereof (stating that it is a "notice of default") is given to the Administrative Agent by the Borrower, a Lender or an Issuing Bank. Further, the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in this Agreement or any other Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of this Agreement or any other Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article IV or elsewhere in this Agreement or any other Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent or (vi) the creation, perfection or priority of Liens on the Collateral. Notwithstanding anything herein to the contrary, the Administrative Agent shall not be liable for, or be responsible for any loss, cost or expense suffered by the Borrower, any Subsidiary, any Lender or any Issuing Bank as a result of, any determination of the Revolving Exposure or the component amounts thereof or any portion thereof attributable to each Lender or Issuing Bank.

(c) Without limiting the foregoing, the Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 9.04, (ii) may rely on the Register to the extent set forth in Section 9.04(b), (iii) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (iv) makes no warranty or representation to any Lender or Issuing Bank and shall not be responsible to any Lender or Issuing Bank for any statements, warranties or representations made by or on behalf of any Loan Party in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Bank, may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit and (vi) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

SECTION 8.03. Successor Administrative Agent.

(a) Subject to the terms of this paragraph, the Administrative Agent may resign from its capacity as such upon 30 days' notice of its intent to resign to the Lenders, the Issuing Banks and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower (which shall not be unreasonably withheld or delayed), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed by the Borrower and such successor.

(b) Notwithstanding paragraph (a) of this Section, in the event no successor Administrative Agent shall have been so appointed and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its intent to resign, the retiring Administrative Agent may give notice of the effectiveness of its resignation to the Lenders, the Issuing Banks and the Borrower, whereupon, on the date of effectiveness of such resignation stated in such notice, (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents; provided that, solely for purposes of maintaining any security interest granted to the Administrative Agent under any Security Document for the benefit of the Secured Parties, the retiring Administrative Agent shall continue to be vested with such security interest as collateral agent for the benefit of the Secured Parties and, in the case of any Collateral in the possession of the Administrative Agent, shall continue to hold such Collateral, in each case until such time as a successor Administrative Agent is appointed and accepts such appointment in accordance with this paragraph (it being understood and agreed that the retiring Administrative Agent shall have no duty or obligation to take any further action under any Security Document, including any action required to maintain the perfection of any such security interest), and (ii) the Required Lenders shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent; provided that (A) all payments required to be made hereunder or under any other Loan Document to the Administrative Agent for the account of any Person other than the Administrative Agent shall be made directly to such Person and (B) all notices and other communications required or contemplated to be given or made to the Administrative Agent shall also directly be given or made to each Lender and each Issuing Bank. Following the effectiveness of the Administrative Agent's resignation from its capacity as such, the provisions of this Article and Section 9.03, as well as any exculpatory, reimbursement and indemnification provisions set forth in any other Loan Document, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent and in respect of the matters referred to in the proviso under clause (i) above.

SECTION 8.04. Acknowledgements of Lenders and Issuing Banks.

(a) Each Lender and each Issuing Bank acknowledges that it is engaged in making, acquiring or holding commercial loans in the ordinary course of its business and that it has, independently and without reliance upon the Administrative Agent, any Arranger or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement as a Lender, and to make, acquire or hold Loans hereunder. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger or any other Lender or Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information (which may contain material, non-public information within the meaning of the United States securities laws concerning the Borrower and its Affiliates) as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

(b) Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Closing Date, or delivering its signature page to an Assignment and Assumption or any other Loan Document pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, this Agreement and each other Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Closing Date.

(c) (i) Each Lender and Issuing Bank hereby agrees that (x) if the Administrative Agent notifies such Lender or Issuing Bank that the Administrative Agent has determined in its sole discretion that any funds received by such Lender or Issuing Bank from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously transmitted to such Lender or Issuing Bank (whether or not known to such Lender or Issuing Bank), and demands the return of such Payment (or a portion thereof), such Lender or Issuing Bank shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender or Issuing Bank shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Lender or Issuing Bank under this Section 8.04(c) shall be conclusive, absent manifest error.

(ii) Each Lender and Issuing Bank hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a "Payment Notice") or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender and Issuing Bank agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender or Issuing Bank shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Borrower and each other Loan Party hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party.

(iv) Each party's obligations under this Section 8.04(c) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 8.05. Collateral Matters.

(a) Except (x) with respect to the exercise of setoff rights of any Lender in accordance with Section 9.08 or (y) with respect to a Secured Party's right to file a proof of claim in an insolvency proceeding, no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms thereof.

(b) In furtherance of the foregoing and not in limitation thereof, no arrangements in respect of Cash Management Services the obligations under which constitute Secured Cash Management Obligations and no Hedging Agreement the obligations under which constitute Secured Hedging Obligations will create (or be deemed to create) in favor of any Secured Party that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under this Agreement or any other Loan Document. By accepting the benefits of the Collateral, each Secured Party that is a party to any such arrangement in respect of Cash Management Services or any Hedging Agreement shall be deemed to have appointed the Administrative Agent to serve as administrative agent and collateral agent under the Loan Documents and agreed to be bound by the Loan Documents as a Secured Party thereunder, subject to the limitations set forth in this paragraph.

(c) The Secured Parties party hereto irrevocably authorize the Administrative Agent, at its option and in its discretion, to release or subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document and any Acceptable Intercreditor Agreement to the holder of any Lien on such property that is permitted by Section 6.02(a)(v). The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

(d) The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the applicable Collateral in satisfaction of some or all of such Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.02 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the applicable Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

(e) The Lenders and the other Secured Parties party hereto hereby irrevocably authorize and instruct the Administrative Agent to, without any further consent of any Lender or any other Secured Party, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify any Acceptable Intercreditor Agreement; provided that the specific consent of counterparties to any Hedging Agreement the obligations under which constitute Secured Hedging Obligations, each provider of Cash Management Services the obligations under which constitute Secured Cash Management Obligations, or each Issuing Bank shall be required for any amendment, renewal, extension, supplement, restatement, replacement or waiver to the extent its rights and obligations solely in its capacity as such are materially adversely affected. The Lenders and the other Secured Parties irrevocably agree that any Acceptable Intercreditor Agreement entered into by the Administrative Agent shall be binding on the Secured Parties, and each Lender and each of the other Secured Parties hereby agrees that it will take no actions contrary to the provisions of an Acceptable Intercreditor Agreement. The foregoing provisions are intended as an inducement to any provider of any Indebtedness not prohibited by Section 6.01 hereof to extend credit to the Loan Parties and such persons are intended third-party beneficiaries of such provisions.

SECTION 8.06. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of the Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of, or performance of the Loans, the Letters of Credit, the Commitments, or this Agreement,

(iv) if to any other Lender, to it at its address or email address (or fax number) set forth in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by fax shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications, to the extent provided in paragraph (b) of this Section, shall be effective as provided in such paragraph.

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet and intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices under Article II to any Lender or any Issuing Bank if such Lender or such Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications or may be rescinded by any such Person by notice to each other such Person.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgment) and (ii) notices and other communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefore; provided that, for both clauses (i) and (ii) above, if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(c) Change of Address, etc. Any party hereto may change its address or fax number for notices and other communications hereunder by notice to the other parties hereto.

(d) Platform.

(i) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make any Communications by posting such Communication on Debt Domain, IntraLinks, SyndTrak or any other electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Platform").

(ii) Although the Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a user ID/password authorization system) and the Platform is secured through a per-deal authorization method whereby each user may access the Platform only on a deal-by-deal basis, each of the Lenders, each of the Issuing Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Platform, and that there are confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Banks and the Borrower hereby approves distribution of the Communications through the Platform and understands and assumes the risks of such distribution.

(iii) THE PLATFORM AND THE COMMUNICATIONS ARE PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS, OR THE ADEQUACY OF THE PLATFORM AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE PLATFORM AND THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY ARRANGER, ANY DOCUMENTATION AGENT, ANY SYNDICATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, "**APPLICABLE PARTIES**") HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER, ANY ISSUING BANK OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET OR THE PLATFORM EXCEPT TO THE EXTENT SUCH DAMAGES ARE FOUND IN A FINAL AND NON-APPEALABLE JUDGMENT OF A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM THE BAD FAITH, WILLFUL MISCONDUCT OR GROSS NEGLIGENCE OF AN APPLICABLE PARTY OR ANY OF ITS RELATED PARTIES.

(iv) Each Lender and each Issuing Bank agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender or Issuing Bank (as applicable) for purposes of the Loan Documents. Each Lender and each Issuing Bank agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender's or Issuing Bank's (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(v) Nothing herein shall prejudice the right of the Administrative Agent, any Lender or any Issuing Bank to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 9.02. Waivers; Amendments. (a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. Without limiting the generality of the foregoing, the execution and delivery of this Agreement, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Sections 2.14(b), 2.21, 2.22, 2.23 and 9.02(c), none of this Agreement, any other Loan Document or any provision hereof or thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower, the Administrative Agent and the Required Lenders (provided that the Administrative Agent shall post any such amendments reasonably promptly after such amendment becomes effective) and, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood and agreed that a waiver of any Default or Event of Default will not constitute an increase in the Commitment of any Lender), (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, in each case without the written consent of each Lender adversely affected thereby (it being understood and agreed that a waiver of any Default or Event of Default will not constitute a reduction in the principal amount of any Loan), (iii) postpone the scheduled maturity date of any Loan, or the date of any scheduled payment of the principal amount of any Term Loan under Section 2.10 or the applicable Incremental Facility Amendment or the required date of reimbursement of any LC Disbursement, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender adversely affected thereby (it being understood and agreed that a waiver of any Default or Event of Default will not constitute a postponement of the scheduled maturity date of any loan, or the date of any scheduled payment of principal, interest or fees payable hereunder), (iv) change the last sentence of Section 2.08(c), Section 2.18(a), Section 2.18(b), Section 2.18(c) or any other Section hereof or any other Loan Document providing for the ratable treatment of the Lenders, in each case in a manner that would alter the pro rata termination of commitments or sharing of payments required thereby, without the written consent of each Lender adversely affected thereby, (v) change any of the provisions of this Section or the definition of the term "Required Lenders" or "Majority in Interest" or any other provision of this Agreement or any other Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or otherwise modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as applicable); provided that, with the consent of the Required Lenders, the provisions of this Section and the definition of the term "Required Lenders" or "Majority in Interest" may be amended to include references to any new class of loans created under this Agreement (or to lenders extending such loans) on substantially the same basis as the corresponding references relating to the existing Classes of Loans or Lenders; provided further that the definition of "Required Covenant Lenders" may be amended to include the Lenders in respect of any additional Incremental Facility that will have the benefit of Section 6.12 or 6.13 to the extent provided in any Incremental Facility Amendment without the consent of any other Lenders, (vi) release all or substantially all of the value of the Guarantees provided by the Loan Parties under the Security Documents, in each case without the written consent of each Lender (except as expressly provided in Section 9.14 or the Security Documents) (including any such release by the Administrative Agent in connection with any sale or other disposition of any Subsidiary upon the exercise of remedies under the Security Documents), it being understood and agreed that an amendment or other modification of the type of obligations guaranteed under the Security Documents shall not be deemed to be a release of any Guarantee, (vii) release all or substantially all the Collateral from the Liens of the Security Documents without the written consent of each Lender (except as expressly provided in Section 9.14 or the applicable Security Document (including any such release by the Administrative Agent in connection with any sale or other disposition of the Collateral upon the exercise of remedies under the Security Documents), it being understood and agreed that an amendment or other modification of the type of obligations secured by the Security Documents shall not be deemed to be a release of the Collateral from the Liens of the Security Documents), (viii) waive any condition set forth in Section 4.01 (other than as it relates to the payment of fees and expenses of counsel), or, in the case of any Loans made or Letters of Credit issued on the Closing Date, Section 4.02, without the written consent of each Lender with a Revolving Commitment and each Issuing Bank (as applicable), (ix) change any provisions of this Agreement or any other Loan Document in a manner that by its terms adversely affects the rights in respect of Collateral securing the obligations owed to, or payments due to, Lenders holding Loans of any Class differently than those holding Loans of any other Class, without the written consent of Lenders representing a Majority in Interest of each affected Class, (x) change the rights of the Tranche A Term Lenders to decline mandatory prepayments as provided in Section 2.11 or the rights of any Additional Lenders of any Class to decline mandatory prepayments of Term Loans of such Class as provided in the applicable Incremental Facility Amendment, without the written consent of Tranche A Term Lenders or Additional Lenders of such Class, as applicable, holding a majority of the outstanding Tranche A Term Loans or Incremental Term Loans of such Class, (xi) change Section 6.12 or 6.13 or the definitions of "Consolidated Adjusted Interest Coverage Ratio" or "Consolidated Adjusted Total Leverage Ratio" (or in each case any of the component definitions thereof), in each case solely as used within such Sections, without the written consent of the Required Covenant Lenders (and the Consent of any other Lenders shall not be required) and (xii) change Section 6.18 without the written consent of the Required Revolving Lenders; provided further that (A) no such agreement shall amend, modify, extend or otherwise affect the rights or obligations of the Administrative Agent or any Issuing Bank without the prior written consent of the Administrative Agent or such Issuing Bank, as applicable, (B) any waiver, amendment or other modification of this Agreement that by its terms affects the rights or duties under this Agreement of the Lenders of one or more Classes (but not the Lenders of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite number or percentage in interest of each affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time (provided that any change that would directly and adversely affect a Class of Lenders hereunder shall require the written consent of the Majority in Interest with respect to each such Class directly and adversely affected thereby) and (C) if the terms of any waiver, amendment or other modification of this Agreement or any other Loan Document provide that any Class of Loans (together with all accrued interest thereon and all accrued fees payable with respect to the Commitments of such Class) will be repaid or paid in full, and the Commitments of such Class (if any) terminated, as a condition to the effectiveness of such waiver, amendment or other modification, then so long as the Loans of such Class (together with such accrued interest and fees) are in fact repaid or paid in full and such Commitments are in fact terminated, in each case prior to or substantially simultaneously with the effectiveness of such amendment, then such Loans and Commitments shall not be included in the determination of the Required Lenders with respect to such amendment. Notwithstanding any of the foregoing, (1) no consent with respect to any waiver, amendment or other modification of this Agreement or any other Loan Document shall be required of any Defaulting Lender, except with respect to any waiver, amendment or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be affected by such waiver, amendment or other modification, (2) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent (i) to cure any ambiguity, omission, mistake, defect or inconsistency, (ii) to comply with local law or advice of local counsel, (iii) to cause any guarantee, collateral security document (including Mortgages) or other document to be consistent with this Agreement, the other Loan Documents and each Acceptable Intercreditor Agreement or (iv) to give effect to the provisions of Section 2.14(b) or to amend time periods, minimum amounts and currency exchange rate calculations mechanics with respect to borrowing and payment mechanics with respect to the Revolving Commitments solely to the extent necessary to implement a Permitted Foreign Currency and (3) this Agreement may be amended to provide for Incremental Extensions of Credit in the manner contemplated by Section 2.21, the extension of the Maturity Date as provided in Section 2.22 and the incurrence of Refinancing Commitments and Refinancing Loans as provided in Section 2.23, in each case without any additional consents, and such amendments may effect such changes to the Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower, to give effect to the existence and the terms of the Incremental Extensions of Credit, the extension of the Maturity Date or the incurrence of Refinancing Commitments and Refinancing Loans, as applicable, and to the extent permitted under the terms of this Agreement, will be effective to amend the terms of this Agreement and the other applicable Loan Documents (including to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other applicable Loan Documents with the other Term Loans and the accrued interest and fees in respect thereof and to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders), in each case, without any further action or consent of any other party to any Loan Document.

(c) In connection with any Proposed Change requiring the consent of all Lenders or all affected Lenders, if the consent of the Required Lenders (and, to the extent any Proposed Change requires the consent of Lenders holding Loans of any Class pursuant to clause (iv) of paragraph (b) of this Section, the consent of a Majority in Interest of the outstanding Loans and unfunded Commitments of such Class) to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section being referred to as a “Non-Consenting Lender” for purposes of this clause (c)), then the Borrower may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) if the Administrative Agent is not such Non-Consenting Lender, the Borrower shall have received the prior written consent of the Administrative Agent (and, if a Revolving Commitment is being assigned, each Issuing Bank), which consent shall not unreasonably be withheld or delayed, (ii) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (with such assignment being deemed to be an optional prepayment for purposes of determining the applicability of such Section) from the assignee (in the case of such principal and accrued interest and fees or the Borrower (in the case of all other amounts)), (iii) the Borrower or such assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b), (iv) such assignment does not conflict with applicable law and (v) the assignee shall have given its consent to such Proposed Change and, as a result of such assignment and delegation and any contemporaneous assignments and delegations and consents, such Proposed Change can be effected. Any assignment required pursuant to this Section may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee, and the Lender required to make such assignment shall not be required to be a party to such Assignment and Assumption.

(d) Notwithstanding anything herein to the contrary, the Administrative Agent may, without the consent of any Secured Party, consent to a departure by any Loan Party from any covenant of such Loan Party set forth in this Agreement or any Security Document to the extent such departure is consistent with the authority of the Administrative Agent set forth in the definition of the term “Collateral and Guarantee Requirement”.

(e) The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute waivers, amendments or other modifications on behalf of such Lender. Any waiver, amendment or other modification effected in accordance with this Section, shall be binding upon each Person that is at the time thereof a Lender and each Person that subsequently becomes a Lender.

SECTION 9.03. Expenses; Indemnity; Damage Waiver. (a) The Borrower shall pay (i) all reasonable, documented and invoiced out-of-pocket expenses incurred by the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents and their respective Affiliates (without duplication), including the reasonable fees and documented charges and disbursements of a single primary counsel and to the extent reasonably determined by the Administrative Agent to be necessary, one local counsel in each appropriate jurisdiction, in connection with the structuring, arrangement and syndication of the credit facilities provided for herein and any credit or similar facility refinancing or replacing, in whole or in part, any of the credit facilities provided for herein, as well as the preparation, negotiation, execution, delivery and administration of this Agreement, the other Loan Documents or any waiver, amendments or modifications of the provisions hereof or thereof, (ii) all reasonable, documented and invoiced out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable, documented and invoiced out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank, any Lender or any Arranger, including the reasonable, documented and invoiced fees, charges and disbursements of counsel for any of the foregoing, in connection with the enforcement or protection of its rights in connection with the Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Borrower shall indemnify the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”), against, and hold each Indemnitee harmless from, any and all Liabilities and related expenses (including the reasonable and documented fees, charges and disbursements of one firm of counsel for all such Indemnitees, taken as a whole, and, if reasonably necessary, of a single firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee and, if reasonably necessary, of another firm of local counsel in each appropriate jurisdiction (which may include a single firm of special counsel acting in multiple jurisdictions) for such affected Indemnitee)), incurred by or asserted against such Indemnitees arising out of, in connection with or as a result of any actual or prospective claim, litigation, investigation or proceeding relating to (i) the structuring, arrangement and syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement, the other Loan Documents or any other agreement or instrument contemplated hereby or thereby, (ii) the performance by the parties to this Agreement or the other Loan Documents of their respective obligations hereunder or thereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby, (iii) any action taken in connection with this Agreement, including, but not limited to, the payment of principal, interest and fees, (iv) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit) or (v) any actual or alleged presence or Release of Hazardous Materials on, at, to or from any Mortgaged Property or any other property currently or formerly owned or operated by the Borrower or any Subsidiary, or any other Environmental Liability related in any way to the Borrower or any Subsidiary, in each case, whether based on contract, tort or any other theory and whether initiated against or by any party to this Agreement or any other Loan Document, any Affiliate of any of the foregoing or any third party (and regardless of whether any Indemnitee is a party thereto); provided that the foregoing indemnity shall not, as to any Indemnitee, apply to any Liabilities or related expenses to the extent they are found in a final and non-appealable judgment of a court of competent jurisdiction to have resulted from (A) the bad faith, willful misconduct or gross negligence of such Indemnitee, (B) a claim brought by the Borrower or any Subsidiary against such Indemnitee for material breach of such Indemnitee’s obligations under this Agreement or any other Loan Document or (C) a proceeding that does not involve an act or omission by the Borrower or any of its Affiliates and that is brought by an Indemnitee against any other Indemnitee (other than a proceeding that is brought against the Administrative Agent or any other agent or any Arranger in its capacity or in fulfilling its roles as an agent or arranger hereunder or any similar role with respect to the Indebtedness incurred or to be incurred hereunder). This paragraph shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) To the extent that the Borrower fails to indefeasibly pay any amount required to be paid by it under paragraph (a) or (b) of this Section to the Administrative Agent, any Issuing Bank or any Related Party of any of the foregoing (and without limiting its obligation to do so), each Lender severally agrees to pay to the Administrative Agent, such Issuing Bank or such Related Party, as applicable, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (it being understood and agreed that the Borrower's failure to pay any such amount shall not relieve the Borrower of any default in the payment thereof); provided that the unreimbursed expense or Liability or related expense, as applicable, was incurred by or asserted against the Administrative Agent or such Issuing Bank in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent or any Issuing Bank in connection with such capacity; provided further that, with respect to such unpaid amounts owed to any Issuing Bank in its capacity as such, or to any Related Party of any of the foregoing acting for any Issuing Bank in connection with such capacity, only the Revolving Lenders shall be required to pay such unpaid amounts. For purposes of this Section, a Lender's "pro rata share" shall be determined by its share of the sum of the total Revolving Exposure, unfunded Revolving Commitments and, except for purposes of the second proviso of the immediately preceding sentence, the outstanding Term Loans and unfunded Term Commitments, in each case at that time. The obligations of the Lenders under this paragraph are subject to the last sentence of Section 2.02(a) (which shall apply mutatis mutandis to the Lenders' obligations under this paragraph).

(d) To the extent permitted by applicable law (i) the Borrower shall not assert, and the Borrower hereby waives, any claim against the Administrative Agent, any Arranger, any Syndication Agent, any Documentation Agent any Issuing Bank and any Lender, and any Related Party of any of the foregoing Persons (each such Person being called a "Lender-Related Person") for any Liabilities arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet), and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof; provided that, nothing in this Section 9.03(d) shall relieve the Borrower of any obligation it may have to indemnify an Indemnitee, as provided in Section 9.03(b), against any special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(e) All amounts due under this Section shall be payable promptly after written demand therefor.

SECTION 9.04. Successors and Assigns. (a) General. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign, delegate or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and (ii) no Lender may assign, delegate or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section), the Arrangers, the Syndication Agents, the Documentation Agents and, to the extent expressly contemplated hereby, the Related Parties of any of the Administrative Agent, any Arranger, any Syndication Agent, any Documentation Agent, any Issuing Bank and any Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign and delegate to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent of (A) the Borrower (such consent not to be unreasonably withheld or delayed); provided that no consent of the Borrower shall be required (1) for assignments of Commitments or Loans of any Class to another Lender under such Class, an Affiliate of a Lender under such Class or an Approved Fund and (2) if an Event of Default of the type set forth in Section 7.01(a), (b), (h) or (i) has occurred and is continuing, for any other assignment and delegation; provided further that the Borrower shall be deemed to have consented to an assignment and delegation of rights and obligations unless it shall object thereto by written notice to the Administrative Agent within five Business Days after having received notice thereof, (B) the Administrative Agent (such consent not to be unreasonably withheld or delayed); provided that no consent of the Administrative Agent shall be required for an assignment and delegation of all or any portion of a Term Commitment or Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund and (C) each Issuing Bank (such consent not to be unreasonably withheld or delayed) in the case of any assignment and delegation of all or a portion of a Revolving Commitment or any Lender's obligations in respect of its LC Exposure.

(ii) Assignments and delegations shall be subject to the following additional conditions: (A) except in the case of an assignment and delegation to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment and delegation of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment and delegation (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment and delegation or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment and delegation is delivered to the Administrative Agent) shall not be less than \$5,000,000 or, in the case of an Incremental Tranche B Term Loan, \$1,000,000 (treating contemporaneous assignments by or to two or more Approved Funds as a single assignment for purposes of such minimum transfer amount), unless each of the Borrower and the Administrative Agent otherwise consents (such consent not to be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if an Event of Default of the type set forth in Section 7.01(a), (b), (h) or (i) has occurred and is continuing, (B) each partial assignment and delegation shall be made as an assignment and delegation of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit the assignment and delegation of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment and delegation shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500; provided that (1) only one such processing and recordation fee shall be payable in the event of simultaneous assignments and delegations by or to two or more Approved Funds, (2) the Administrative Agent may waive or reduce such fee in its sole discretion and (3) with respect to any assignment and delegation pursuant to Section 2.19(b) or 9.02(c), the parties hereto agree that such assignment and delegation may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment and delegation need not be a party thereto, and (D) the assignee shall deliver to the Administrative Agent any tax forms required by Section 2.17(f) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain MNPI) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable law, including Federal, State and foreign securities laws.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned and delegated by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned and delegated by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment, delegation or other transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.04(c).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and, as to entries pertaining to it, any Issuing Bank or any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon receipt by the Administrative Agent of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(f) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment and delegation required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that the Administrative Agent shall not be required to accept such Assignment and Assumption or so record the information contained therein if the Administrative Agent reasonably believes that such Assignment and Assumption lacks any written consent required by this Section or is otherwise not in proper form, it being acknowledged that the Administrative Agent shall have no duty or obligation (and shall incur no liability) with respect to obtaining (or confirming the receipt) of any such written consent or with respect to the form of (or any defect in) such Assignment and Assumption, any such duty and obligation being solely with the assigning Lender and the assignee. No assignment or delegation shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph and, following such recording, unless otherwise determined by the Administrative Agent (such determination to be made in the sole discretion of the Administrative Agent, which determination may be conditioned on the consent of the assigning Lender and the assignee), shall be effective notwithstanding any defect in the Assignment and Assumption relating thereto. Each assigning Lender and the assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the Administrative Agent that all written consents required by this Section with respect thereto (other than the consent of the Administrative Agent) have been obtained and that such Assignment and Assumption is otherwise duly completed and in proper form, and each assignee, by its execution and delivery of an Assignment and Assumption, shall be deemed to have represented to the assigning Lender and the Administrative Agent that such assignee is an Eligible Assignee.

(vi) The words "execution", "signed", "signature" and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as applicable, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar State laws based on the Uniform Electronic Transactions Act.

(c) Participations. Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Bank, sell participations to one or more Eligible Assignees (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitments and Loans of any Class); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations (C) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (D) the Participant will under no circumstances (x) be subrogated to, or substituted in respect of, the Lender's claims under this Agreement and (y) have otherwise any contractual relationship with, or rights against, the Borrower under or in relation to this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (i), (ii), (iii), (vi) or (vii) in the first proviso to Section 9.02(b) that affects such Participant or requires the approval of all the Lenders. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the requirements and limitations therein, including the requirements under Section 2.17(f) (it being understood and agreed that the documentation required under Section 2.17(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment and delegation pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.18 and 2.19 as if it were an assignee under paragraph (b) of this Section and (B) shall not be entitled to receive any greater payment under Section 2.15 or 2.17, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such participation was made with the Borrower's prior written consent. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.19(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement or any other Loan Document (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under this Agreement or any other Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Certain Pledges. Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Bank, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to a natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other "central" bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in this Agreement and the other Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Arrangers, any Syndication Agent, any Documentation Agent, any Issuing Bank, any Lender or any Affiliate of any of the foregoing may have had notice or knowledge of any Default or incorrect representation or warranty at the time this Agreement or any other Loan Document is executed and delivered or any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any LC Exposure is outstanding and so long as the Commitments have not expired or terminated. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement or any other Loan Document, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Revolving Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank, or being supported by a letter of credit that names such Issuing Bank as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a "Letter of Credit" outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(d) or 2.05(e). The provisions of Sections 2.15, 2.16, 2.17, 2.18(e) and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment or prepayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of (x) any Loan Document and/or (y) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 9.01), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an "Ancillary Document") that is an Electronic Signature transmitted by fax, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower without further verification thereof and without any obligation to review the appearance or form of any such Electronic signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders and the Borrower, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Administrative Agent's and/or any Lender's reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrower to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) or other amounts at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrower against any of and all the obligations then due of the Borrower now or hereafter existing under this Agreement held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement and although such obligations of the Borrower are owed to a branch or office of such Lender or such Issuing Bank different from the branch or office holding such deposit or obligated on such Indebtedness. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; provided that the failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender and each Issuing Bank under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have.

SECTION 9.09. Governing Law; Jurisdiction; Consent to Service of Process. i) This Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the State of New York.

(b) The Borrower irrevocably and unconditionally agrees that it will not, and will not permit any controlled Subsidiary to, commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, any Lender, any Issuing Bank or any Related Party of any of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in the Borough of Manhattan and of the United States District Court for the Southern District of New York (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits, for itself and its property, to the jurisdiction of such courts and agrees that all claims in respect of any action, litigation or proceeding shall be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such Federal court. Each party hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, any Lender or any Issuing Bank may otherwise have to bring any action, litigation or proceeding relating to this Agreement or any other Loan Document against any Loan Party or any of its properties in the courts of any jurisdiction.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action, litigation or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12. Confidentiality. Each of the Administrative Agent, the Lenders and the Issuing Banks agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Related Parties, including accountants, legal counsel and other agents and advisors, it being understood and agreed that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and any failure of such Persons acting on behalf of the Administrative Agent, any Issuing Bank or the relevant Lender to comply with this Section shall constitute a breach of this Section by the Administrative Agent, such Issuing Bank or the relevant Lender, as applicable, (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (provided, that to the extent practicable and permitted by law, the Borrower has been notified prior to such disclosure so that the Borrower may seek, at the Borrower's sole expense, a protective order or other appropriate remedy), (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies under this Agreement or any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, provided that each Lender and the Administrative Agent shall use commercially reasonable efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies (f) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its Related Parties) to any Hedging Agreement relating to the Borrower or any Subsidiary and its obligations hereunder or under any other Loan Document, (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided for herein or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facilities provided for herein, (h) with the consent of the Borrower, (i) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Lender or any Issuing Bank or any Affiliate of any of the foregoing on a non-confidential basis from a source other than the Borrower or any Subsidiary, which source is not known by the recipient of such information to be subject to a confidentiality obligation or (j) to any credit insurance provider relating to the Borrower or its Obligations. For purposes of this Section, "Information" means all information received from the Borrower or any Subsidiary relating to the Borrower or any Subsidiary or their businesses, other than any such information that is available to the Administrative Agent, any Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.13. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or participation in any LC Disbursement, together with all fees, charges and other amounts that are treated as interest on such Loan or LC Disbursement or participation therein under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) that may be contracted for, charged, taken, received or reserved by the Lender or Issuing Bank holding such Loan or LC Disbursement or participation therein in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan or LC Disbursement or participation therein but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender or Issuing Bank in respect of other Loans or LC Disbursements or participation therein or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender or Issuing Bank.

SECTION 9.14. Release of Liens and Guarantees. Subject to the reinstatement provisions set forth in any applicable Security Document, unless an Event of Default has occurred and is continuing, a Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by such Loan Party shall be automatically released, upon the consummation of any transaction permitted by this Agreement as a result of which such Loan Party ceases to be a Restricted Subsidiary or becomes an Excluded Subsidiary (or in case the Borrower elects that any Designated Subsidiary that would otherwise constitute an Excluded Subsidiary cease to be a Designated Subsidiary); provided that, if so required by this Agreement, the Required Lenders (or if applicable, the Lenders) shall have consented to such transaction and the terms of such consent shall not have provided otherwise; provided, further, however, that notwithstanding the foregoing, without the consent of the Required Lenders, no Loan Party shall be released from its obligations under the Loan Documents if such Loan Party either (a) becomes an Excluded Subsidiary as a result of any transaction undertaken by the Borrower or any Subsidiary or (b) ceases to be a Subsidiary but the Borrower or a Subsidiary or Affiliate thereof retains any direct or indirect Equity Interest in, or otherwise Controls, such Person, unless (i) the transaction pursuant to which such Loan Party becomes an Excluded Subsidiary or ceases to be a Subsidiary is entered into for legitimate bona fide business purposes (other than for purposes of releasing guarantees or collateral hereunder) in good faith with an unaffiliated third party (or with a joint venture entity pursuant to a joint venture entered into for legitimate bona fide business purposes with an unaffiliated third party), (ii) at the time of such release (and after giving effect thereto), all outstanding Indebtedness and Liens of any such Subsidiary becoming an Excluded Subsidiary, and all Investments previously made in any such Subsidiary or other Person remaining outstanding after giving effect to the relevant transaction, would then be permitted to be incurred or made in accordance with the relevant provisions of Section 6.01, Section 6.02, Section 6.04 and Section 6.08 (for this purpose, with the Borrower being required to reclassify any such items made in reliance upon such Subsidiary or other Person being a Loan Party or a wholly-owned Subsidiary on another basis as would be permitted by such applicable Section), and any previous asset sale to such Subsidiary pursuant to Section 6.05 shall be re-characterized and would be permitted at the time of such release, as if the same were made to a Subsidiary that was not a Loan Party (and all items described above in this clause (ii) shall thereafter be deemed re-characterized as provided above in this clause (ii)), (iii) such Subsidiary or other Person shall not be (or shall simultaneously be released as) an obligor with respect to any other Indebtedness of the Borrower or any other Subsidiary (other than, in the case of a Subsidiary that becomes an Excluded Subsidiary, Indebtedness of any other Subsidiary becoming an Excluded Subsidiary as part of the same transaction) and (iv) such Subsidiary or other Person owns no assets which were previously transferred to it by another Note Party which constituted Collateral or proceeds of Collateral (or the transfer of any such assets to such Subsidiary or other Person by such Note Party would be permitted hereunder immediately following such release). Upon any sale or other transfer by any Loan Party (other than to the Borrower or any other Loan Party) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral pursuant to Section 9.02, the security interests in such Collateral created by the Security Documents shall be automatically released. Upon the release of any Loan Party from its Guarantee in compliance with this Agreement, the security interest in any Collateral owned by such Loan Party created by the Security Documents shall be automatically released. On the date on which all (1) Obligations have been paid in full in cash (other than (x) Secured Hedging Obligations not yet due and payable, (y) Secured Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations not yet accrued and payable) and (2) all Letters of Credit have expired or been terminated (other than Letters of Credit that have been cash collateralized or backstopped in an amount, by an institution and otherwise pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank), all obligations under the Loan Documents and all security interests under the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section, and in connection with any Collateral becoming Excluded Property, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party’s expense, all documents that such Loan Party shall reasonably request to file or register in any office, or to evidence, such termination or release, or, in the case of Collateral becoming Excluded Property, to effect, to file or register in any office, or to evidence the release of any security interest created by the Security Documents in such assets. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent. Each of the Secured Parties irrevocably authorizes the Administrative Agent, at its option and in its discretion, to effect the releases set forth in this Section.

SECTION 9.15. Certain Notices. Each Lender, each Issuing Bank and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that, pursuant to the requirements of the USA PATRIOT Act and/or the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies such Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender, such Issuing Bank or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the USA PATRIOT Act and the Beneficial Ownership Regulation, and each Loan Party agrees to provide such information from time to time to such Lender, such Issuing Bank and the Administrative Agent, as applicable.

SECTION 9.16. No Fiduciary Relationship. The Borrower, on behalf of itself and its subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, the Borrower, the Subsidiaries and their respective Affiliates, on the one hand, and the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks and their respective Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks or their respective Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications. The Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks and their respective Affiliates may be engaged, for their own accounts or the accounts of customers, in a broad range of transactions that involve interests that differ from those of the Borrower, the Subsidiaries and their respective Affiliates, and none of the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks or any of their respective Affiliates has any obligation to disclose any of such interests to the Borrower, the Subsidiaries or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower hereby waives and releases any claims that it or any of its Affiliates may have against the Administrative Agent, the Arrangers, the Syndication Agents, the Documentation Agents, the Lenders, the Issuing Banks or any of their respective Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 9.17. Non-Public Information. (a) Each Lender acknowledges that all information, including requests for waivers and amendments, furnished by the Borrower or the Administrative Agent pursuant to or in connection with, or in the course of administering, this Agreement will be syndicate-level information, which may contain MNPI. Each Lender represents to the Borrower and the Administrative Agent that (i) it has developed compliance procedures regarding the use of MNPI and that it will handle MNPI in accordance with such procedures and applicable law, including Federal, State and foreign securities laws, and (ii) it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain MNPI in accordance with its compliance procedures and applicable law, including Federal, State and foreign securities laws.

(b) The Borrower and each Lender acknowledge that, if information furnished the Borrower pursuant to or in connection with this Agreement is being distributed by the Administrative Agent through the Platform, (i) the Administrative Agent may post any information that the Borrower has indicated as containing MNPI solely on that portion of the Platform as is designated for Lenders' employees and representatives willing to receive such MNPI (such employees and representatives, "Private-Siders"); and (ii) if the Borrower has not indicated whether any information furnished by it pursuant to or in connection with this Agreement contains MNPI, the Administrative Agent reserves the right to post such information solely on that portion of the Platform as is designated for Private-Siders. The Borrower agrees to clearly designate all information provided to the Administrative Agent by or on behalf of the Borrower that is suitable to be made available to Lenders' public-side employees and representatives who do not wish to receive MNPI (such employees and representatives, "Public-Siders"), and the Administrative Agent shall be entitled to rely on any such designation by the Borrower without liability or responsibility for the independent verification thereof.

SECTION 9.18. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or Issuing Bank that is an Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or Issuing Bank party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.19. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

SECTION 9.20. Cashless Settlement. Notwithstanding anything to the contrary contained in this Agreement, any Lender may exchange, continue or rollover all or a portion of its Loans in connection with any refinancing, extension, loan modification or similar transaction permitted by the terms of this Agreement, pursuant to a cashless settlement mechanism approved by the Borrower, the Administrative Agent and such Lender.

SECTION 9.21. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

“Benchmark Replacement Adjustment” shall mean, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Noteholder Representative (acting at the direction of the Required Noteholders) and the Issuer giving due consideration to (a) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (b) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for Dollar-denominated syndicated credit facilities at such time.

“Benchmark Replacement Date” shall mean the earliest to occur of the following events with respect to the then-current Benchmark:

(a) in the case of clause (a) or (b) of the definition of “Benchmark Transition Event,” the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or

(b) in the case of clause (c) of the definition of “Benchmark Transition Event,” the first date on which all Available Tenors of such Benchmark (or the published component used in the calculation thereof) have been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be non-representative; provided that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (c) and even if any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

The Noteholder Representative may select information sources or services in its reasonable discretion to ascertain the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR or any other Benchmark, or any component definition thereof or rates referred to in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Issuer, any Noteholder or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Section 1.10 Basket Usage. Notwithstanding anything in this Agreement to the contrary, for purposes of testing availability under any basket or dollar-based threshold set forth in this Agreement or any other Note Document (including baskets measured as a percentage of Consolidated EBITDA) (an “NPA Basket”) that corresponds to a basket or dollar-based threshold under the First Lien Credit Agreement or corresponding First Lien Loan Document as of the date hereof (a “Corresponding Credit Agreement Basket”), the Note Parties shall be deemed to have utilized such NPA Basket as of the Closing Date in an amount equal to the amount by which the Corresponding Credit Agreement Basket has been utilized as of the Closing Date (including as a result of the issuance of the Notes and other actions after the original date of the First Lien Credit Agreement and on or prior to the date hereof), such that the amount available to be incurred under such NPA Basket as of the Closing Date shall be equal to the amount available under the Corresponding Credit Agreement Basket as of the Closing Date.

(b) the Required Noteholders determine that for any reason in connection with an Issuance or a conversion thereto or a continuation thereof that Adjusted Term SOFR for any requested Interest Period does not adequately and fairly reflect the cost to such Noteholders holding such Notes, and the Required Noteholders have provided notice of such determination to the Noteholder Representative,

then, in each case, the Noteholder Representative will promptly so notify the Issuer and each Noteholder, and the Noteholder Representative (acting at the direction of the Required Noteholders) and the Issuer shall endeavor to establish an alternate rate of interest to Adjusted Term SOFR that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable, and any such amendment shall become effective at 5:00 p.m. on the fifth (5th) Business Day after the Noteholder Representative shall have posted such proposed amendment to all Noteholders and the Issuer unless, prior to such time, Noteholders comprising the Required Noteholders have delivered to the Noteholder Representative written notice that such Required Noteholders object to such amendment.

(b) Optional redemptions of Notes shall be allocated *pro rata* among the Noteholders and shall be applied against the remaining scheduled installments of principal due in respect of such Notes as directed by the Issuer (and absent such direction, in direct order of maturity).

(c) Each such notice of redemption shall specify the redemption date and principal amount of Notes to be optionally redeemed and shall be irrevocable (*provided*, that such redemption may be conditioned upon the occurrence of certain events and revocable in the event that such events do not occur on the applicable date or dates) and shall commit the Issuer to redeem by the amount stated therein on the date stated therein. All redemptions under this Section 2.10 shall be accompanied by accrued and unpaid interest on the principal amount to be redeemed to but excluding the date of redemption and any Redemption Premium.

(a) Not later than the fifth Business Day following the deemed receipt (pursuant to the definition of “Net Cash Proceeds”) of Net Cash Proceeds in respect of any Prepayment Event (including by or on behalf of the Noteholder Representative as loss payee in respect of any Prepayment Event described in clause (b) of the definition of the term “Prepayment Event”), the Issuer shall apply an amount equal to 100% of such Net Cash Proceeds to redeem outstanding Notes (including payment of applicable Redemption Premium), subject to and in accordance with Section 2.11(d); *provided, however*, that (x) so long as no Event of Default under Section 7.01(b) or Section 7.01(c) or, solely with respect to the Issuer, Section 7.01(g) or Section 7.01(h) has occurred or is continuing and (y) in the case of any event described in clause (a) or (b) of the definition of the term “Prepayment Event” (with respect to clause (a), in the event of any such event occurring (i) prior to the Covenant Termination Date, with respect to Net Cash Proceeds not to exceed \$50,000,000 in the aggregate or (ii) following the Covenant Termination Date, with respect to Net Cash Proceeds in an amount not to exceed 50% of the aggregate Net Cash Proceeds in respect of such event), if a Financial Officer of the Issuer shall, on or prior to the date of the required redemption, deliver to the Noteholder Representative a certificate of a Financial Officer to the effect that the Issuer intends to cause the Net Cash Proceeds from such event (or a portion thereof specified in such certificate) to be applied within 365 days after receipt of such Net Cash Proceeds to be reinvested in the business of the Issuer or its Subsidiaries, or to enter into an acquisition permitted by this Agreement, then no redemption shall be required pursuant to this paragraph in respect of the Net Cash Proceeds in respect of such event (or the portion of such Net Cash Proceeds specified in such certificate, if applicable) except to the extent of any such Net Cash Proceeds that have not been so applied by the end of such 365-day period (or within a period of 180 days thereafter if by the end of such initial 365-day period the Issuer or one or more Subsidiaries shall have committed to invest such proceeds), at which time a redemption shall be required in an amount equal to such Net Cash Proceeds that have not been so applied.

(b) In the event that the Issuer or any Subsidiary shall receive Net Cash Proceeds from the issuance of Indebtedness for money borrowed (other than Indebtedness for money borrowed permitted pursuant to Section 6.01 (other than Refinancing Indebtedness incurred to refinance any Notes hereunder)), the Issuer shall, substantially simultaneously with (and in any event not later than the fifth Business Day next following) the receipt of such Net Cash Proceeds by the Issuer or such Subsidiary, apply an amount equal to 100% of such Net Cash Proceeds to redeem outstanding Notes in accordance with Section 2.11(d).

(c) [Reserved].

(d) Subject to Section 2.11(e), mandatory redemptions of outstanding Notes under this Agreement shall be applied as directed by the Issuer (or, in the absence of such direction, *first*, ratably among the Notes and applied in direct order of maturity to the scheduled installments of principal due in respect of the Notes); *provided, however*, each Noteholder shall have the right to elect, by written notice to the Noteholder Representative no later than 12:00 (noon), New York City time, one (1) Business Day prior to date of the mandatory redemption of the outstanding Notes, to decline all (but not a portion) of its pro rata share of such redemption other than with respect to a redemption pursuant to clause (d) above (such declined amounts, the “Declined Proceeds”), in which case such Declined Proceeds shall be retained by the Issuer and its Subsidiaries, subject, in any event, to the prepayment terms of the First Lien Credit Agreement; *provided, further*, that a mandatory redemption of outstanding Notes pursuant to 2.11(g) shall be subject to the prior written consent of each Noteholder whose Notes are to be redeemed (with respect to such Noteholder’s pro rata share of such mandatory redemption).

(e) The Issuer shall (i) give prior written notice to the Noteholder Representative of any redemption required under this Section 2.11 no later than 12:00 (noon), New York City time, three (3) Business Days prior to the date of redemption, and (ii) deliver to the Noteholder Representative, at the time of the making of each such redemption, a certificate signed by a Financial Officer of the Issuer setting forth in reasonable detail the calculation of the amount of such redemption. Each notice of redemption shall specify the redemption date and the principal amount of each Note (or portion thereof) to be redeemed.

(f) Notwithstanding anything in this Section 2.11 to the contrary, if at the time that any redemption would be required under clause (a) above, the Issuer is required to (or to offer to) repurchase or prepay any other Indebtedness (including any First Lien Term Loans or Alternative Incremental Facility Debt) secured on a *pari passu* basis with the Obligations pursuant to the terms of the documentation governing such Indebtedness with Net Cash Proceeds (such Indebtedness required to be offered to be so repurchased or prepaid, the “Other Applicable Indebtedness”), then the Issuer may apply such amount on a pro rata basis to the redemption of the Notes and to the repurchase, redemption or prepayment of the Other Applicable Indebtedness (determined on the basis of the aggregate outstanding principal amount of such Notes and Other Applicable Indebtedness at such time); *provided* that the portion of such prepayment, redemption or repurchase allocated to the Other Applicable Indebtedness shall not exceed the amount of such Net Cash Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, thereof shall be allocated to the Notes in accordance with the terms hereof, and the amount required to be used to make prepayments or redemptions hereunder shall be reduced accordingly; *provided, further*, that to the extent the holders of the Other Applicable Indebtedness decline to have such Indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within five (5) Business Days after the date of such rejection) be applied to prepay the Notes in accordance with the terms hereof.

(g) In the event that any distribution (whether in cash, securities or other property) is made to any creditor of, or holder of interests in, a Released Guarantor (other than (A) in satisfaction of (x) the DIP Financing or (y) Wind Down Costs or (B) to the extent such distribution is (x) funded by either forgiveness of the DIP Financing and/or a settlement contribution from the Issuer or its Subsidiaries and (y) to (i) Oaktree Capital Management, L.P., any of its Affiliates or any fund or managed account of any of the foregoing, up to \$3,000,000 in the aggregate or (ii) any other creditor of a Released Guarantor, up to \$20,000,000 in the aggregate or (C) any distribution to a Released Guarantor) is made after the occurrence of a Specified GEC Bankruptcy Event or in connection with the Ecommerce Restructuring (any such distribution a “Specified GEC Entity Bankruptcy Distribution” and the aggregate amount of all such distributions the “Specified GEC Entity Bankruptcy Distribution Amount”), then the Issuer shall, within five (5) Business Days (or such later time as the Noteholder Representative may agree) after the payment of such Specified GEC Entity Bankruptcy Distribution, with the prior written consent of each Noteholder pursuant to Section 2.11(d), prepay the Notes in an aggregate amount equal to 100% of the Specified GEC Entity Bankruptcy Distribution Amount (or, if the obligations under the First Lien Credit Agreement are required to be prepaid or redeemed with the Specified GEC Entity Bankruptcy Distribution Amount, then by such lesser percentage of such Specified GEC Entity Bankruptcy Distribution Amount such that the obligations under the First Lien Credit Agreement receive no greater than a ratable percentage of such Specified GEC Entity Bankruptcy Distribution Amount based upon the aggregate principal amount of the First Lien Term Loans and such obligations under the First Lien Credit Agreement then outstanding; *provided* that to the extent the holders of such obligations under the First Lien Credit Agreement decline to have such obligations prepaid or redeemed, the amount so declined shall promptly (and in any event within five (5) Business Days after the date of such rejection), with the prior written consent of each Noteholder pursuant to Section 2.11(d) be applied to prepay the Notes in accordance with the terms hereof.

(h) Notwithstanding any other provisions of Section 2.11(a), (A) to the extent that any of or all the Net Cash Proceeds of any Prepayment Event by a Foreign Subsidiary of the Issuer giving rise to a prepayment pursuant to Section 2.11(a) (a “Foreign Prepayment Event”) are prohibited or delayed by applicable local law from being repatriated to the Issuer, the portion of such Net Cash Proceeds so affected will not be required to be taken into account in determining the amount to be applied to redeem outstanding Notes at the times provided in Section 2.11(a), and such amounts may be retained by such Subsidiary, and once the Issuer has determined in good faith that such repatriation of any of such affected Net Cash Proceeds is permitted under the applicable local law, then the amount of such Net Cash Proceeds will be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved if such amounts were repatriated) to the redemption of the Notes pursuant to Section 2.11(a), (B) to the extent that and for so long as the Issuer has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Prepayment Event would have a material adverse tax consequence with respect to such Net Cash Proceeds, the amount of Net Cash Proceeds so affected will not be required to be taken into account in determining the amount to be applied to redeem outstanding Notes at the times provided in Section 2.11(a), and such amounts may be retained by such Subsidiary; *provided* that when the Issuer determines in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Prepayment Event would no longer have a material adverse tax consequence with respect to such Net Cash Proceeds, such Net Cash Proceeds shall be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved against if such amounts were repatriated) to the redemption of the Notes pursuant to Section 2.11(a), and (C) to the extent that and for so long as the Issuer has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Prepayment Event would give rise to liability (or a material risk of liability) for the directors of such Subsidiary, the Net Cash Proceeds so affected will not be required to be taken into account in determining the amount to be applied to redeem outstanding Notes at the times provided in Section 2.11(a), and such amounts may be retained by such Subsidiary; *provided* that when the Issuer determines in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Prepayment Event would no longer give rise to liability for the directors of such Subsidiary, such Net Cash Proceeds shall be taken into account as soon as practicable in determining the amount to be applied (net of additional taxes payable or reserved against if such amounts were repatriated) to the redemption of the Notes pursuant to Section 2.11(a).

(i) All redemptions under this Section 2.11 shall be accompanied by accrued and unpaid interest on the principal amount to be redeemed to but excluding the date of redemption and the Redemption Premium.

Section 2.12 Requirements; Change in Circumstances.

(a) Notwithstanding any other provision of this Agreement, if any Change in Law shall impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of or credit extended by any Noteholder (except any such reserve requirement which is reflected in the Adjusted Term SOFR), subject any Noteholder to any Tax (other than Indemnified Taxes and or Excluded Taxes) or shall impose on such Noteholder or the Term SOFR market any other condition affecting this Agreement or the Notes purchased by such Noteholder due to the Adjusted Term SOFR, and the result of any of the foregoing shall be to increase the cost to such Noteholder of making or maintaining any Note or to reduce the amount of any sum received or receivable by such Noteholder hereunder (whether of principal, interest or otherwise), then the Issuer will pay to such Noteholder upon demand such additional amount or amounts as will compensate such Noteholder for such additional costs incurred or reduction suffered.

(b) If any Noteholder shall have determined that any Change in Law regarding capital adequacy or liquidity has or would have the effect of reducing the rate of return on such Noteholder's capital or on the capital of such Noteholder's holding company, if any, as a consequence of this Agreement or the Notes purchased by such Noteholder pursuant hereto to a level below that which such Noteholder or such Noteholder's holding company could have achieved but for such Change in Law (taking into consideration such Noteholder's policies and the policies of such Noteholder's holding company with respect to capital adequacy or liquidity), then from time to time the Issuers shall pay to such Noteholder such additional amount or amounts as will compensate such Noteholder or such Noteholder's holding company for any such reduction suffered.

(c) A certificate of a Noteholder setting forth the amount or amounts necessary to compensate such Noteholder or its holding company, as applicable, as specified in clause (a) or (b) above shall be delivered to the Issuer and shall be conclusive absent manifest error. The Issuer shall pay such Noteholder the amount shown as due on any such certificate delivered by it within thirty (30) days after its receipt of the same.

(d) Failure or delay on the part of any Noteholder to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital shall not constitute a waiver of such Noteholder's right to demand such compensation; *provided, however*, that the Issuer shall not be under any obligation to compensate any Noteholder under clause (a) or (b) above with respect to increased costs or reductions with respect to any period prior to the date that is one hundred eighty (180) days prior to such request if such Noteholder knew or could reasonably have been expected to know of the circumstances giving rise to such increased costs or reductions and of the fact that such circumstances would result in a claim for increased compensation by reason of such increased costs or reductions; *provided further*, that the foregoing limitation shall not apply to any increased costs or reductions arising out of the retroactive application of any Change in Law within such 180-day period. The protection of this Section 2.12 shall be available to each Noteholder regardless of any possible contention of the invalidity or inapplicability of the Change in Law that shall have occurred or been imposed.

(e) For the avoidance of doubt, for purposes of this Section 2.12, all requests, rules, guidelines or directives in connection with the Dodd-Frank Wall Street Reform and Consumer Protection Act shall, and all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities pursuant to Basel III shall, be deemed to be a Change in Law regardless of the date adopted, issued, promulgated or implemented.

(f) Notwithstanding any other provision of this Section, no Noteholder shall demand compensation for any increased cost or reduction pursuant to this Section 2.12 if (i) it shall not at the time be the general policy or practice of such Noteholder to demand such compensation in similar circumstances under comparable provisions of other note purchase agreements and (ii) such increased cost or reduction is due to market disruption, unless such circumstances generally affect the private placement market when the Required Noteholders have made such a request.

Section 2.13 Change in Legality.

(a) Notwithstanding any other provision of this Agreement but subject to Section 1.09, which shall control in the event of a conflict (as reasonably determined by the Noteholder Representative and the Issuer) between this Section 2.13 and Section 1.09, if any Change in Law shall make it unlawful for any Noteholder to make or maintain any Note at the Adjusted Term SOFR or to give effect to its obligations as contemplated hereby with respect to the Adjusted Term SOFR, then, by written notice to the Issuer and to the Noteholder Representative:

(i) such Noteholder may declare that the Adjusted Term SOFR will not thereafter (for the duration of such unlawfulness) be a constituent rate in the calculation of interest hereunder; and

(ii) The Noteholder Representative (acting at the direction of the Required Noteholders) and the Issuer shall in good faith negotiate an alternative constituent rate to be used to calculate interest hereunder.

(b) For purposes of this Section 2.13, a notice to the Issuer by any Noteholder shall be effective as to each Notes made by such Noteholder, if lawful, on the last day of the Interest Period then applicable to such Notes; in all other cases such notice shall be effective on the date of receipt by the Issuer in accordance with this Agreement.

(c) Notwithstanding any other provision of this Agreement, in the event that on or after the date hereof (or, with respect to any Noteholder, such later date on which such Noteholder becomes a party to this Agreement) the adoption of or any change in any Law or in the interpretation or application thereof by any competent Governmental Authority shall make it unlawful for a Noteholder or its lending office to hold the Notes (and, in the opinion of such Noteholder, the designation of a different lending office would either not avoid such unlawfulness or would be disadvantageous to such Noteholder), then such Noteholder shall promptly notify the Issuer thereof, following which if such Law shall so mandate, the Notes shall be prepaid by the Issuer on or before such date as shall be mandated by such Law in accordance with Section 2.10.

Section 2.14 Indemnity. The Issuer shall indemnify each Noteholder against any actual loss (other than loss of margin) or expense that such Noteholder may sustain or incur as a consequence of:

(a) any event, other than a default by such Noteholder in the performance of its obligations hereunder, which results in such Noteholder receiving any amount on account of the principal of any Note prior to the last day of the Interest Period in effect therefor (a "Breakage Event") or

(b) any default in the making of any payment or redemption required to be made hereunder.

In the case of any Breakage Event, such loss shall include an amount equal to the excess, as reasonably determined by such Noteholder, of (i) its cost of obtaining funds for its Note that is the subject of such Breakage Event for the period from the date of such Breakage Event to the last day of the Interest Period in effect (or that would have been in effect) for such Note over (ii) the amount of interest likely to be realized by such Noteholder in redeploying the funds released or not utilized by reason of such Breakage Event for such period. A certificate of any Noteholder setting forth any amount or amounts which such Noteholder is entitled to receive pursuant to this Section 2.14 shall be delivered to the Issuer and shall be conclusive absent manifest error.

Section 2.15 Pro Rata Treatment. Except as required under Section 2.13, and as otherwise provided in this Agreement, each Issuance, each payment of interest on the Notes and each reduction of the Note Commitments shall be allocated pro rata among the Noteholders in accordance with their respective applicable Commitments (or, if such Commitments shall have expired or been terminated, in accordance with the respective principal amounts of their outstanding Notes). Each Noteholder agrees that in computing such Noteholder's portion of any Issuance to be made hereunder, the Noteholder Representative may, in its discretion, round each Noteholder's percentage of such Issuance to the next higher or lower whole dollar amount; *provided* that this Section 2.15 shall not be construed to apply to any payment obtained by a Noteholder as consideration for the assignment or sale of a participation in any of its portion of any Note or Commitment to any assignee or participant.

Section 2.16 Sharing of Setoffs. Each Noteholder agrees that if it shall, through the exercise of a right of banker's lien, setoff or counterclaim against the Issuer or any other Note Party, or pursuant to a secured claim under Section 506 of the Bankruptcy Code or other security or interest arising from, or in lieu of, such secured claim, received by such Noteholder under any applicable bankruptcy, insolvency or other similar law or otherwise, or shall by other means, obtain payment (voluntary or involuntary) in respect of any Note as a result of which the unpaid portion of its Notes shall be proportionately less than the unpaid portion of the Notes of any other Noteholder, it shall be deemed simultaneously to have purchased from such other Noteholder at face value, and shall promptly pay to such other Noteholder the purchase price for, a participation in the Notes of such other Noteholder, so that the aggregate unpaid amount of the Notes and participations in Notes held by each Noteholder shall be in the same proportion to the aggregate unpaid amount of all Notes then outstanding as the amount of its Notes prior to such exercise of banker's lien, setoff or counterclaim or other event was to the amount of all Notes outstanding prior to such exercise of banker's lien, setoff or counterclaim or other event; *provided, however*, that if any such purchase or purchases or adjustments shall be made pursuant to this Section 2.16 and the payment giving rise thereto shall thereafter be recovered, such purchase or purchases or adjustments shall be rescinded to the extent of such recovery and the purchase price or prices or adjustment restored without interest. The Issuer expressly consents to the foregoing arrangements and agree that, subject to applicable Law, any Noteholder holding a participation in a Note deemed to have been so purchased may exercise any and all rights of banker's lien, setoff or counterclaim with respect to any and all moneys owing by the Issuer to such Noteholder by reason thereof as fully as if such Noteholder had purchased a Note directly from the Issuer in the amount of such participation.

Section 2.17 Payments.

(a) The Issuer shall make each payment (including principal of or interest on any Issuance or any Fees or other amounts) hereunder and under any other Note Document not later than 1:00 p.m., New York City time (or such later time as the Noteholder Representative may agree), on the date when due in immediately available funds, without setoff, defense or counterclaim, in Dollars. Each such payment shall be made to the Noteholder Representative. Any payments received after 1:00 p.m. may, in the Noteholder Representative's sole discretion, be deemed received on the immediately succeeding Business Day.

(b) Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Issuance or any Fees or other amounts) hereunder or under any other Note Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or Fees, if applicable.

(c) Unless the Noteholder Representative shall have received notice from the Issuer prior to the date on which any payment is due to the Noteholder Representative for the account of the Noteholders hereunder that the Issuer will not make such payment, the Noteholder Representative may assume that the Issuer has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Noteholders the amount due. In such event, if the Issuer does not in fact make such payment, then the Noteholders severally agree to repay to the Noteholder Representative forthwith on demand the amount so distributed to such Noteholder in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Noteholder Representative, at a rate determined by the Noteholder Representative to represent its cost of overnight or short-term funds (which determination shall be conclusive absent manifest error).

Section 2.18 Taxes.

(a) All payments by or on account of any obligation of the Issuer or any other Note Party hereunder or under any other Note Document shall be made free and clear of and without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax in respect of any such payment, the applicable withholding agent shall be entitled to make such deductions or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law. If such Tax is an Indemnified Tax, the sum payable by the applicable Note Party shall be increased as necessary so that after making all required deductions and withholdings (including deductions and withholdings applicable to additional sums payable under this Section 2.18), each Noteholder (or, in the case of payments made to the Noteholder Representative for its own account, the Noteholder Representative) receives an amount equal to the sum it would have received had no such deductions or withholdings been made.

(b) Without duplication of the prior subsection (a), the Note Parties shall jointly and severally timely pay all Other Taxes to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Noteholder Representative, timely reimburse it for the payment of any Other Taxes.

(c) The Note Parties shall jointly and severally indemnify and hold the Noteholder Representative and each Noteholder harmless, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes paid or payable by the Noteholder Representative or such Noteholder, as the case may be, (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.18) and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Issuer by a Noteholder, or by the Noteholder Representative on its behalf or on behalf of a Noteholder, shall be conclusive absent manifest error.

(d) Each Noteholder shall, and does hereby, severally indemnify and hold the Noteholder Representative harmless and shall make payment in respect thereof within ten (10) days after demand therefor, (i) against any Indemnified Taxes attributable to such Noteholder (but only to the extent that any Note Party has not already indemnified the Noteholder Representative for such Indemnified Taxes and without limiting the obligation of the Note Parties to do so), (ii) against any Taxes attributable to such Noteholder's failure to comply with the provisions of Section 9.04(f) relating to the maintenance of a Participant Register and (iii) against any Excluded Taxes attributable to such Noteholder, in each case, that are payable or paid by the Noteholder Representative in connection with any Note Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Noteholder by the Noteholder Representative shall be conclusive absent manifest error. Each Noteholder hereby authorizes the Noteholder Representative to set off and apply any and all amounts at any time owing to such Noteholder under this Agreement or any other Note Document against any amount due the Noteholder Representative under this paragraph.

(e) As soon as practicable after any payment of any Taxes by the Issuer or any other Note Party to a Governmental Authority pursuant to this Section 2.18, the Issuer shall deliver to the Noteholder Representative the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Noteholder Representative.

(f) Status of Noteholders.

(i) Any Noteholder that is entitled to an exemption from or reduction of any withholding Tax with respect to any payments made under any Note Document shall deliver to the Issuer and the Noteholder Representative, at the time or times reasonably requested by the Issuer or the Noteholder Representative, such properly completed and executed documentation as the Issuer or the Noteholder Representative may reasonably request to permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Noteholder, if reasonably requested by the Issuer or the Noteholder Representative, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Issuer or the Noteholder Representative as will enable the Issuer or the Noteholder Representative to determine whether or not such Noteholder is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the immediately preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 2.18(f)(ii)(A), (B) and (D)) shall not be required if in the Noteholder's reasonable judgment such completion, execution or submission would subject such Noteholder to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Noteholder.

(ii) Without limiting the generality of the foregoing,

(A) each Noteholder that is not a Foreign Noteholder shall deliver to the Issuer and the Noteholder Representative on or prior to the date on which such Noteholder becomes a Noteholder under this Agreement (and from time to time thereafter upon the reasonable request of the Issuer or the Noteholder Representative), executed copies of IRS Form W-9 certifying that such Noteholder is exempt from U.S. federal backup withholding tax;

(B) each Foreign Noteholder shall, to the extent it is legally entitled to do so, deliver to the Issuer and the Noteholder Representative on or prior to the date on which such Foreign Noteholder becomes a Noteholder under this Agreement (and from time to time thereafter upon the reasonable request of the Issuer or the Noteholder Representative), whichever of the following is applicable:

(1) in the case of any Foreign Noteholder claiming the benefits of an income tax treaty to which the U.S. is a party (x) with respect to payments of interest under any Note Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Note Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) two executed copies of IRS Form W-8ECI;

(3) in the case of any Foreign Noteholder claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, (x) executed copies of a certificate substantially in the form of Exhibit H-1 to the effect that such Foreign Noteholder is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Issuer within the meaning of Section 871(h)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code, and that no payments payable to such Noteholder are effectively connected with the conduct of a U.S. trade or business (a “U.S. Tax Compliance Certificate”) and (y) two executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent any Foreign Noteholder is not the beneficial owner, two executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2, Exhibit H-3 or Exhibit H-4, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if such Foreign Noteholder is a partnership (and not a participating Noteholder) and one or more direct or indirect partners of such Foreign Noteholder are claiming the portfolio interest exemption, such Foreign Noteholder may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-3 on behalf of each such direct or indirect partner;

(C) each Foreign Noteholder shall, to the extent it is legally entitled to do so, deliver to the Issuer and the Noteholder Representative on or prior to the date on which such Foreign Noteholder becomes a Noteholder under this Agreement (and from time to time thereafter upon the reasonable request of the Issuer or the Noteholder Representative), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Issuer or the Noteholder Representative to determine the withholding or deduction required to be made; and

(D) if a payment made to any Noteholder under any Note Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Noteholder were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Noteholder shall deliver to the Issuer and the Noteholder Representative at the time or times prescribed by applicable Law and at such time or times reasonably requested by the Issuer or the Noteholder Representative such documentation as is prescribed by applicable requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and may be necessary for the Issuer and the Noteholder Representative to comply with their obligations under FATCA, to determine whether such Noteholder has complied with such Noteholder's obligations under FATCA and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.18(f)(ii)(D), the term "FATCA" shall include any amendments made to FATCA after the date of this Agreement and the term "Noteholder" shall include the Noteholder Representative.

(E) if the Noteholder Representative is a "United States person" within the meaning of Section 7701(a)(30) of the Code (a "U.S. Person"), it shall provide the Issuer, on or prior to the date that it becomes a party to this Agreement, with an executed copy of IRS Form W-9 or (2) if the Noteholder Representative is not a U.S. Person, then it shall provide the Issuer with an executed copy of IRS Form W-8ECI with respect to fees received on its own behalf and any such other documentation prescribed by applicable Law and reasonably requested by the Issuer that would allow the applicable Issuer to make payments to the Noteholder Representative with respect to such fees without deduction or withholding of any U.S. federal withholding Taxes. If the Noteholder Representative is not a U.S. Person, such Noteholder Representative shall provide the Issuer, on or prior to the date that it becomes a party to this Agreement, with a duly completed copy of IRS Form W-8IMY (or successor form) certifying that it is either (i) a "qualified intermediary" and that it assumes primary withholding responsibility under Chapters 3 and 4 of the Code and primary Form 1099 reporting and backup withholding responsibility for payments it receives for the account of others or (ii) a "U.S. branch" and that the payments it receives for the account of others are not effectively connected with the conduct of a trade or business in the U.S. and that it is using such form as evidence of its agreement with the Issuer to be treated as a United States person with respect to such payments (and the Issuer and the Noteholder Representative agree to so treat the Noteholder Representative as a United States person with respect to such payments as contemplated by U.S. Treasury Regulations Section 1.1441-1(b)(2)(iv)(A)), with the effect that the Issuer can make payments to the Noteholder Representative without deduction or withholding of any Taxes imposed by the United States.

Each Noteholder agrees that if any documentation it previously delivered pursuant to this Section 2.18(f) expires or becomes obsolete or inaccurate in any respect, it shall update such documentation or promptly notify the Issuer and the Noteholder Representative in writing of its legal inability to do so. Each Noteholder hereby authorizes the Noteholder Representative to deliver to the Note Parties and to any successor Noteholder Representative any documentation provided by such Noteholder to the Noteholder Representative pursuant to this Section 2.18(f).

(g) If the Noteholder Representative or any Noteholder determines, in its sole discretion, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Issuer or any other Note Party or with respect to which such other Note Party has paid additional amounts pursuant to this Section 2.18, it shall pay over such refund to the Issuer or such Note Party (but only to the extent of indemnity payments made, or additional amounts paid, by the Issuer or such Note Party under this Section 2.18 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses of the Noteholder Representative or such Noteholder (including Taxes), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this clause (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this clause (g) to the extent that the payment thereof would place the indemnified party in a less favorable net after-Tax position than the position that the indemnified party would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This Section 2.18(g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the Issuer, any other Note Party or any other person.

(h) Each party's obligations under this Section 2.18 shall survive the resignation or replacement of the Noteholder Representative or any assignment of rights by, or the replacement of, a Noteholder, the termination of the Note Documents, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Note Document.

(a) In the event (i) the Issuer or any other Note Party is required to pay any additional amount to or indemnify any Noteholder or any Governmental Authority on account of any Noteholder pursuant to Section 2.12 or Section 2.18, (ii) any Noteholder has become a Defaulting Noteholder or (iii) any Noteholder refuses to consent to any amendment, consent, waiver or other modification of any Note Document requested by the Issuer that requires the consent of all Noteholders, all affected Noteholders or a greater percentage of the Noteholders than the Required Noteholders and such amendment, consent, waiver or other modification is consented to by the Required Noteholders, the Issuer may, at its sole expense and effort (including with respect to the processing and recordation fee referred to in Section 9.04(c)), upon notice to such Noteholder and the Noteholder Representative, require such Noteholder to transfer and assign, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all of its interests, rights and obligations under this Agreement (or, in the case of clause (ii) above, all of its interests, rights and obligations with respect to the Commitments that is the subject of the related consent, amendment, waiver or other modification) to an assignee that shall assume such assigned obligations (which assignee may be another Noteholder, if a Noteholder accepts such assignment); *provided, however*, that (x) such assignment shall not conflict with any law, rule or regulation or order of any court or other Governmental Authority having jurisdiction, (y) the Issuer shall have received the prior written consent of the Noteholder Representative, which consent shall not unreasonably be withheld (it being acknowledged and agreed that (A) the consent of the Noteholder Representative shall not be required under this clause (y) in the case of an assignment of a Note to a Noteholder or an Affiliate or Related Fund of a Noteholder and (B) the consent of any person that would otherwise be required under this clause (y) shall not be required if such person is the Noteholder required to make any such transfer and assignment hereunder), and (z) the Issuer or such assignee shall have paid to the applicable Noteholder in immediately available funds an amount equal to the sum of the principal of, and interest accrued to the date of such payment on, the outstanding Notes of such Noteholder plus all Fees and other amounts accrued for the account of such Noteholder hereunder (including any Redemption Premium); *provided further*, that, no such transfer and assignment shall be required if prior to any such transfer and assignment, the circumstances or event that resulted in the amounts paid pursuant to Section 2.18 cease to result in amounts being payable under Section 2.18 (including as a result of any action taken by such Noteholder pursuant to clause (b) below). Each Noteholder hereby grants to the Noteholder Representative an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Noteholder as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Noteholder's interests hereunder in the circumstances contemplated by this Section 2.19(a).

(b) If the Issuer or any other Note Party is required to pay any additional amount to or indemnify any Noteholder or any Governmental Authority on account of any Noteholder, pursuant to Section 2.18, then such Noteholder shall use reasonable efforts (which shall not require such Noteholder to incur an unreimbursed loss or unreimbursed cost or expense or otherwise take any action inconsistent with its internal policies or legal or regulatory restrictions or suffer any disadvantage or burden deemed by it to be significant) (x) to file any certificate or document reasonably requested in writing by the Issuer or (y) to assign its rights and delegate and transfer its obligations hereunder to another of its offices, branches or Affiliates, if such filing or assignment would reduce amounts payable pursuant to Section 2.18, as the case may be, in the future.

Section 2.20 Benchmark Replacement Setting.

Notwithstanding anything to the contrary herein or in any other Note Document, upon the occurrence of a Benchmark Transition Event, the Noteholder Representative (acting at the direction of the Required Noteholders) and the Issuer may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. (c) Amend or otherwise modify any of the First Lien Loan Documents in a manner adverse in any material respect to the Noteholders (as determined reasonably and in good faith by the Issuer) without the consent of the Required Noteholders.

Section 6.13 Changes in Fiscal Periods. Make any change in fiscal year; *provided*, however, that the Issuer may, upon written notice to the Noteholder Representative, change its fiscal year to any other fiscal year reasonably acceptable to the Noteholder Representative (acting at the direction of the Required Noteholders), in which case the Issuer and the Noteholder Representative will, and are hereby authorized by the Noteholders, to make any adjustments to this Agreement that are necessary to reflect such change in fiscal year.

Section 6.14 Existing Senior Notes. Notwithstanding anything to the contrary in this Agreement, at any time, directly or indirectly, repay, prepay, exchange, refinance or defease any of the Existing Senior Notes or repurchase, redeem, retire or otherwise acquire any of the Existing Senior Notes other than (a) regularly scheduled payments of interest or fees due under the Existing Senior Notes Documents (as in effect on the date hereof), (b) with cash proceeds of issuances of other unsecured notes that constitute Refinancing Indebtedness with respect to the Existing Senior Notes or (c) with cash proceeds of Equity Interests (other than Disqualified Stock) issued by the Issuer, *provided* that the Issuer may incur (x) Indebtedness that is secured by the Collateral on a *pari passu* basis with the Obligations to refinance the Senior Notes due 2027, so long as, after giving effect thereto, the First Lien Leverage Ratio does not exceed 2.50:1.00 (or, after the Covenant Termination Date, 2.75:1.00), or (y) Indebtedness that is secured by the Collateral on a junior basis to the Obligations to refinance the Senior Notes due 2027, so long as the Consolidated Secured Leverage Ratio does not exceed 3.75:1.00. Notwithstanding the foregoing, (A) the Issuer may purchase Senior Notes due 2027 at price not to exceed 80% (or 85%, to the extent the Consolidated Total Leverage Ratio is less than 2.50:1.00) of par in an aggregate amount not to exceed \$50,000,000, *plus* (x) to the extent the Consolidated Total Leverage Ratio is less than 3.00:1.00, 50% (or 100% to the extent the Consolidated Total Leverage Ratio is less than 2.50:1.00) of the amount available to be used under Section 6.08(a)(iv) at such time; *provided* that, to the extent used pursuant to this Section 6.14, such amount shall reduce the amount available under Section 6.08(a)(iv) and (B) Issuer may repay or repurchase Senior Notes due 2027 using proceeds of revolving credit borrowings under its First Lien Credit Agreement or cash, so long as the First Lien Leverage Ratio is less than or equal to 2.50:1.00 (or 2.75:1.00 following the Covenant Termination Date) on a Pro Forma Basis, *provided* that any cash so applied that is not from a borrowing under the First Lien Credit Agreement shall be treated as an incurrence of a corresponding amount of Consolidated First Lien Debt.

Section 6.15 Material Assets. Notwithstanding anything in this Agreement to the contrary, Issuer shall not, and shall not permit any of its Subsidiaries to directly or indirectly transfer, by means of contribution, sale, assignment, lease or sublease, license or sublicense, or other disposition of any kind (including, for avoidance of doubt, as an Investment, Restricted Payment or asset sale), any (a) Material Intellectual Property of a Note Party to any person other than a Note Party, (b) Material Intellectual Property of a Subsidiary that is not a Note Party other than to the Issuer or any other Subsidiary or (c) other assets of any Note Party that are material to the business of the Issuer and its Subsidiaries, taken as a whole ("Other Material Business Assets") to any Subsidiary that is not a Note Party or to any member of the Released Group, except in each case, (i) non-exclusive licenses permitted pursuant to clause (v) of the definition of Permitted Encumbrances and the granting of Liens permitted by Section 6.02, in each case, for bona fide business purposes, (ii) non-exclusive licenses as set forth on Schedule 6.01(d) under the heading "Material Assets" and (iii) for the avoidance of doubt, as part of the bona fide sale to a third party of the business that uses such IP Rights or Other Material Business Assets in a transaction permitted by Section 6.05 (so long as such IP Rights, if applicable, will not constitute Material Intellectual Property after giving effect to the disposition of such business).

ARTICLE VII

EVENTS OF DEFAULT

Section 7.01 Event of Default. In case of the happening of any of the following events (each, an "Event of Default"):

(a) any representation or warranty made or deemed made in or in connection with any Note Document or the issuances of Notes hereunder, or any representation, warranty, statement or information contained in any report, certificate, financial statement or other instrument furnished in connection with or pursuant to any Note Document, shall prove to have been incorrect or untrue in any material respect when so made, deemed made or furnished;

(b) default shall be made in the payment of any principal of any Note when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for redemption thereof or by acceleration thereof or otherwise;

(c) default shall be made in the payment of any interest on any Note or any Fee or any other amount (other than an amount referred to in clause (b) above) due under any Note Document, when and as the same shall become due and payable, and such default shall continue unremedied for a period of five (5) Business Days;

(d) default shall be made in the due observance or performance by the Issuer or any Subsidiary of any covenant, condition or agreement contained in Section 5.02(a), Section 5.04 (with respect to the existence of the Issuer), Section 5.11, Section 5.13, Section 5.14 or Article VI;

(e) default shall be made in the due observance or performance by the Issuer or any Subsidiary of any covenant, condition or agreement contained in (i) Section 5.15 (after giving effect to any permitted extensions thereunder) and such failure shall continue unremedied for a period of 10 days from the earlier of (x) the date on which a Responsible Officer of the Issuer or such Subsidiary obtains knowledge thereof or (y) written notice thereof from the Noteholder Representative or any Noteholder to the Issuer or (ii) any other provision of any Note Document (other than those specified in clause (b), (c), (d) or (e)(i) above) and such default shall continue unremedied for a period of thirty (30) days from the earlier of (x) the date on which a Responsible Officer of the Issuer or such Subsidiary obtains knowledge thereof or (y) written notice thereof from the Noteholder Representative or any Noteholder to the Issuer;

(f) (i) the Issuer or any Subsidiary shall fail to make any payment, regardless of amount, due in respect of any Material Indebtedness, when and as the same shall become due and payable after any grace or cure period, or (ii) (x) any other event or condition occurs that results in any Material Indebtedness becoming due or being terminated prior to its scheduled maturity, and (y) any other event or condition occurs that enables or permits (with all applicable grace periods in respect of such event or condition under the documentation representing such Material Indebtedness having expired) the holder or holders of any Material Indebtedness or any agent on its or their behalf, or, in the case of any Hedging Agreement, the applicable counterparty, to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; *provided* that an event of default under Section 6.12 or Section 6.13 of the First Lien Credit Agreement as in effect on the date hereof shall not constitute an Event of Default with respect to the Notes unless and until the lenders thereunder have declared the First Lien Debt then outstanding to be immediately due and payable and the First Lien Credit Agreement to be terminated, in each case in accordance with the First Lien Credit Agreement, and such declaration has not been rescinded on or before such date; *provided, further*, that (x) clause (ii) shall not apply to (A) secured Indebtedness that becomes due as a result of the voluntary sale or transfer or other disposition (including as a result of a casualty or condemnation event) of the property or assets securing such Indebtedness (to the extent such sale, transfer or other disposition is not prohibited under this Agreement) so long as such Indebtedness is repaid in accordance with its terms (including as such terms may be modified or waived in connection with such sale or transfer), (B) any Indebtedness permitted by this Agreement that becomes due or required to be repurchased or offered to be repurchased as a result of the voluntary sale, transfer or other disposition (including as a result of a casualty or condemnation event) of assets of the Issuer and its Subsidiaries pursuant to customary asset sale offer or asset sale prepayment provisions applicable to such Indebtedness (so long as the relevant sale, transfer or other disposition is not prohibited under this Agreement or under the agreement governing such other Indebtedness and the requirements of Section 2.11(a) have been or are being satisfied in connection therewith), (C) any Indebtedness that becomes due as a result of a voluntary refinancing thereof permitted under Section 6.01, (D) any conversion of, or trigger of conversion rights with respect to, any Convertible Indebtedness in accordance with its terms (whether or not such conversion is to be settled in cash or capital stock or a combination thereof) unless such conversion results from any event of default thereunder or a “change of control”, “fundamental change” or similar occurrence thereunder; *provided* that the Issuer has the right to settle any such Indebtedness into Equity Interests of the Issuer (and (1) nominal cash payments in respect of fractional shares and cash payments in respect of accrued and unpaid interest in accordance with the terms or conditions thereof and (2) cash payments in an amount not to exceed the principal amount of such Convertible Indebtedness that would be payable as a result of a mandatory redemption or maturity of such Convertible Indebtedness) or (E) termination events or similar events occurring under any Hedging Agreement (other than a termination event or similar event as to which the Issuer or any of its Subsidiaries is the defaulting party) that constitutes Material Indebtedness (it being understood that paragraph (f)(i) of this Section 7.01 will apply to any failure to make any payment required as a result of such termination or similar event) and (y) clauses (i) and (ii) shall not apply to any Indebtedness if any such breach or default is (I) remedied by the Issuer or the applicable Subsidiary or (II) waived (including in the form of amendment) by the required holders of the applicable item of Indebtedness, in either case, prior to the acceleration of Notes pursuant to this Section 7.01;

(g) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (A) relief in respect of the Issuer or any Subsidiary, or of a substantial part of the property or assets of the Issuer or any Subsidiary, under the Bankruptcy Code, as now constituted or hereafter amended, or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law for the winding-up, administration, dissolution or reorganization of the Issuer or any Subsidiary, (B) the appointment of a receiver, trustee, custodian, sequestrator, conservator, administrator or similar official for the Issuer or any Subsidiary or for a substantial part of the property or assets of the Issuer or any Subsidiary, or (C) the winding-up or liquidation of the Issuer or any Subsidiary; and, in any such case, such proceeding or petition shall continue undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered;

(h) the Issuer or any Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking relief under the Bankruptcy Code, as now constituted or hereafter amended, or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law for the winding-up, administration, dissolution or reorganization of the Issuer or any Subsidiary, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in clause (g) above, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator, administrator or similar official for the Issuer or any Subsidiary or for a substantial part of the property or assets of the Issuer or any Subsidiary, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) become unable, admit in writing its inability or fail generally to pay its debts as they become due or otherwise becomes insolvent;

(i) one or more judgments shall be rendered against the Issuer or any Subsidiary or any combination thereof and the same shall remain undischarged for a period of sixty (60) consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to levy upon any material assets or properties of the Issuer or any Subsidiary to enforce any such judgment and such judgment or judgments is or are for the payment of money in an aggregate amount in excess of \$75,000,000 (other than any such judgment covered by insurance (other than under a self-insurance program) to the extent a claim therefor has been made in writing and liability therefor has not been denied by the insurer);

(j) any Note Document for any reason shall cease to be in full force and effect (other than in accordance with its terms), or any Note Party shall deny in writing that it has any further liability under any Note Document (other than as a result of the discharge of such Note Party in accordance with the terms thereof);

(k) (x) any security interest purported to be created by any Security Document shall cease to be, or shall be asserted in writing by any Note Party not to be, a valid, perfected, first priority security interest in any material portion of the Collateral covered thereby, except (i) to the extent that any such loss is covered by a lender's title insurance policy and the related insurer shall not have declined that such loss is covered by such title insurance policy, (ii) as a result of permission under any Note Document (including the sale or other disposition of the applicable Collateral in a transaction permitted under the Note Documents) or (iii) the release thereof as provided in Section 9.20 or (y) the Obligations shall cease to constitute "Equal Priority Obligations" under the Intercreditor Agreement or, in any case, such intercreditor provisions shall be invalidated or otherwise cease to be legal, valid and binding obligations of the parties thereto, enforceable in accordance with their terms;

(l) an ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred and are continuing and remain uncured, would reasonably be expected to result in a Material Adverse Effect;

(m) any Guarantee purported to be created under any Note Document shall cease to be or shall be asserted by any Note Party not to be, in full force and effect, except in accordance with the terms of the Note Documents; or

(n) there shall have occurred a Change of Control;

then, and in every such event (other than an event with respect to the Issuer described in clause (g) or (h) above), and at any time thereafter during the continuance of such event, the Noteholder Representative may, and at the request of the Required Noteholders shall, by notice to the Issuer, take the following actions, at the same or different times: (i) terminate forthwith the Commitments, (ii) declare the Notes then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Notes so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and the Redemption Premium and all other liabilities and Obligations of the Issuer accrued hereunder and under any other Note Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Issuer, anything contained herein or in any other Note Document to the contrary notwithstanding; and in any event with respect to the Issuer or any Note Party described in clause (g) or (h) above, the Commitments shall automatically terminate and the principal of the Notes then outstanding, together with accrued interest thereon and any unpaid accrued Fees and the Redemption Premium and all other liabilities of the Issuer accrued hereunder and under any other Note Document, shall automatically become due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Issuer, anything contained herein or in any other Note Document to the contrary notwithstanding; and (iii) exercise any and all of its other rights and remedies under applicable Law (including the UCC) or at equity, hereunder and under the other Note Documents.

Section 7.02 Payment of Redemption Premium. Notwithstanding anything in this Agreement to the contrary, the Redemption Premium (if any) shall automatically be due and payable at any time the Obligations become due and payable prior to the Maturity Date in accordance with the terms hereof as though such Indebtedness was optionally redeemed and shall constitute part of the Obligations, whether due to acceleration pursuant to the terms of this Agreement (in which case it shall be due immediately, or upon the giving of notice to the Issuer, as may be required under Section 7.01), by operation of law or otherwise (including on account of any bankruptcy filing), in view of the impracticability and extreme difficulty of ascertaining the actual amount of damages to the Noteholders or profits lost by the Noteholders as a result of such acceleration, and by mutual agreement of the parties as to a reasonable estimation and calculation of the lost profits or damages of the Noteholders as a result thereof. Any Redemption Premium payable pursuant to this Agreement shall be presumed to be the liquidated damages sustained by each Noteholder as the result of the early termination, acceleration or redemption, and the Issuer agrees that any such Redemption Premium is reasonable under the circumstances currently existing. The Redemption Premium (if any) shall also become due and payable under this Agreement in the event the Obligations (and/or this Agreement) are satisfied or released, in each case, by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or any other means. If any Redemption Premium becomes due and payable pursuant to this Agreement, such Redemption Premium shall be deemed to be principal of the Notes and Obligations under this Agreement (other than for income Tax purposes), and interest shall accrue on the full principal amount of the Notes (including such Redemption Premium) from and after the applicable triggering event in the definition of "Redemption Premium" or in this Section 7.02. In the event a Redemption Premium is determined not to be due and payable by order of any court of competent jurisdiction, including by operation of the Bankruptcy Code, despite such a triggering event in the definition of "Redemption Premium" or in this Section 7.02 having occurred, such Redemption Premium shall nonetheless constitute Obligations under this Agreement for all purposes hereunder. THE ISSUER HEREBY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE REDEMPTION PREMIUM (IF ANY) AND ANY DEFENSE TO PAYMENT (OTHER THAN THE DEFENSE OF PRIOR PAYMENT), WHETHER SUCH DEFENSE MAY BE BASED IN PUBLIC POLICY, AMBIGUITY, OR OTHERWISE. The Issuer, the Noteholder Representative and the Noteholders acknowledge and agree that any Redemption Premium due and payable in accordance with this Agreement shall not constitute unmatured interest, whether under Section 5.02(b)(3) of the Bankruptcy Code or otherwise. The Issuer further acknowledges and agrees, and waives any argument to the contrary, that payment of such amount does not constitute a penalty or an otherwise unenforceable or invalid obligation. The Issuer expressly agrees that (i) the Redemption Premium (if applicable) is reasonable and is the product of an arm's-length transaction between sophisticated business people, ably represented by counsel, (ii) the Redemption Premium (if applicable) shall be payable notwithstanding the then prevailing market rates at the time payment is made, (iii) there has been a course of conduct between the Noteholders and the Issuer giving specific consideration in this transaction for such agreement to pay the Redemption Premium (if applicable), (iv) the Issuer shall be estopped hereafter from claiming differently than as agreed to in this Section 7.02, (v) the Issuer's agreement to pay the Redemption Premium (if and when applicable) is a material inducement to the Noteholders to purchase the Notes and (vi) the Redemption Premium (if applicable) represents a good faith, reasonable estimate and calculation of the lost profits, losses or other damages of the Noteholders, and it would be impractical and extremely difficult to ascertain the actual amount of damages to the Noteholders or profits lost by the Noteholder as a result of such event.

Section 7.03 Exclusion of Certain Subsidiaries. Solely for the purposes of determining whether a Default has occurred under clause (g) or (h) of Section 7.01, any reference in any such paragraph to any Subsidiary shall be deemed not to include any Subsidiary affected by any event or circumstance referred to in such paragraph that (x) is not a Loan Party, (y) is not a Material Subsidiary and (z) does not own any Material Intellectual Property or other assets material to the business of the Issuer and its Subsidiaries taken as a whole; provided that (i) if it is necessary to exclude more than one Subsidiary from clause (g) or (h) of Section 7.01 pursuant to this paragraph in order to avoid a Default, the aggregate consolidated assets of all such excluded Subsidiaries as of such last day may not exceed 5.0% of the Consolidated Total Assets of the Issuer and the Subsidiaries and the aggregate consolidated revenues of all such excluded Subsidiaries for such four fiscal quarter period may not exceed 5.0% of the consolidated revenues of the Issuer and the Subsidiaries and (ii) in no circumstance shall the Issuer be excluded from clause (g) or (h) of Section 7.01.

Section 7.04 Application of Funds. After the exercise of remedies provided for in Section 7.02, including without limitation, the acceleration of the Notes, all payments and proceeds in respect of any of the Obligations received by Noteholder Representative or any Noteholder under any Note Document, including any proceeds of any sale of, or other realization upon, all or any part of the Collateral, shall be applied by the Noteholder Representative in accordance with Section 5.02 of the Collateral Agreement.

ARTICLE VIII

THE NOTEHOLDER REPRESENTATIVE

Section 8.01 Duties, Agreements and Acknowledgments, etc.

Each of the Noteholders hereby irrevocably appoints the Noteholder Representative as its agent and authorizes the Noteholder Representative to take such actions on its behalf and to exercise such powers as are delegated to the Noteholder Representative by the terms of the Note Documents, together with such actions and powers as are reasonably incidental thereto. Each Noteholder also irrevocably authorizes the Noteholder Representative to execute and deliver the Intercreditor Agreement and to take such action, and to exercise the powers, rights and remedies granted to the Noteholder Representative thereunder and with respect thereto. Without limiting the generality of the foregoing, the Noteholder Representative is hereby expressly authorized to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, that are consistent with the provisions of, or relate to transactions permitted by, this Agreement and the Security Documents.

The person serving as the Noteholder Representative hereunder shall have the same rights and powers in its capacity as a Noteholder (if it is a Noteholder) as any other Noteholder and may exercise the same as though it were not the Noteholder Representative, and the term "Noteholder" or "Noteholders" shall, unless otherwise expressly indicated, unless the context otherwise requires or unless such person is in fact not a Noteholder, include each person serving as Noteholder Representative hereunder in its individual capacity. Such person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Note Party or any subsidiary of a Note Party or other Affiliate thereof as if it were not the Noteholder Representative hereunder. The Noteholders acknowledge that, pursuant to such activities, the Noteholder Representative or its Affiliates may receive information regarding any Note Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Note Party or such Affiliate) and acknowledge that the Noteholder Representative shall not be under any obligation to provide such information to them.

The Noteholder Representative shall not have any duties or obligations except those expressly set forth in the Note Documents. Without limiting the generality of the foregoing, (a) the Noteholder Representative shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing or an Event of Default exists, and the use of the term "agent" herein and in the other Note Documents with reference to the Noteholder Representative is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine or any applicable Law; it being understood that such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties, (b) the Noteholder Representative shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated by the Note Documents that the Noteholder Representative is required to exercise in writing by the Required Noteholders (or such other number or percentage of the Noteholders as shall be necessary under the circumstances as provided in Section 9.08; *provided* that the Noteholder Representative shall not be required to take any action (i) that, in its opinion or the opinion of its counsel, may expose the Noteholder Representative to liability or that is contrary to any Note Document or applicable Law and (ii) unless, upon demand, of the Noteholder Representative, it receives an indemnification satisfactory to it from the Noteholders against all liabilities that, by reason of such action or omission, may be imposed on, incurred by or asserted against the Noteholder Representative), and (c) except as expressly set forth in the Note Documents, the Noteholder Representative shall not have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Issuer or any Subsidiary that is communicated to or obtained by the person serving as the Noteholder Representative or any of its Affiliates in any capacity. The Noteholder Representative shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Noteholders (or such other number or percentage of the Noteholders as is necessary or as the Noteholder Representative believes in good faith shall be necessary under the circumstances as provided in Section 9.08); *provided* that, any action taken or not taken by the Noteholder Representative at the direction of the Required Noteholders (or such other number or percentage of the Noteholders as is necessary or as the Noteholder Representative believes in good faith shall be necessary under the circumstances as provided in Section 9.08) shall not constitute gross negligence or willful misconduct, or in the absence of its own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable judgment). The Noteholder Representative shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice (conspicuously labelled as a 'notice of default' and describing such Default or Event of Default) thereof is given to the Noteholder Representative by the Issuer or a Noteholder, and the Noteholder Representative shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Note Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Note Document or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of any Note Document or any other agreement, instrument or document, (v) the creation, perfection or priority of any Lien on the Collateral or the existence, value or sufficiency of the Collateral or to assure that the Liens granted to the Noteholder Representative pursuant to any Note Document have been or will continue to be properly or sufficiently or lawfully created, perfected or enforced or are entitled to any particular priority, (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Note Document, other than to confirm receipt of items expressly required to be delivered to the Noteholder Representative or (vii) any property, book or record of any Note Party or any Affiliate thereof. Notwithstanding anything contained herein to the contrary, the Noteholder Representative shall not have liability to any Noteholder arising from confirmation of the amount of outstanding Notes or the component amounts thereof.

The Noteholder Representative shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper person. The Noteholder Representative may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. The Noteholder Representative may consult with legal counsel (who may be counsel for the Issuer), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Noteholder Representative may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it (including without limitation the Noteholder Representative's officers, directors, agents, employees and affiliates). The Noteholder Representative and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The Noteholder Representative shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Noteholder Representative acted with gross negligence or willful misconduct in the selection of such sub-agent. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Noteholder Representative and any such sub-agent, and shall apply to their respective activities in connection with the issuance of the Notes provided for herein as well as activities as the Noteholder Representative.

The Noteholder Representative shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet, or intranet website posting or other distribution), believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. In determining compliance with any condition hereunder to the issuance of a Note, that by its terms must be fulfilled to the satisfaction of a Noteholder, the Noteholder Representative may presume that such condition is satisfactory to such Noteholder unless the Noteholder Representative has received notice to the contrary from such Noteholder prior to the issuance of such Note.

The Noteholder Representative may resign at any time, on thirty (30) days' notice, by notifying the Noteholders and the Issuer. Upon any such resignation, the Required Noteholders shall have the right to appoint a successor. If no successor shall have been so appointed by the Required Noteholders and shall have accepted such appointment within thirty (30) days after the retiring Noteholder Representative gives notice of its resignation, then the retiring Noteholder Representative may (but shall not be obligated to), on behalf of the Noteholders, appoint a successor Noteholder Representative. In either case, the successor shall be approved by the Issuer (which approval shall not be unreasonably withheld or delayed and shall not be required if an Event of Default shall have occurred and be continuing). If no successor agent has accepted appointment as the Noteholder Representative by the date which is thirty (30) days following the retiring or removed Noteholder Representative's notice of resignation or removal, the retiring or removed Noteholder Representative's resignation or removal, as applicable, shall nevertheless thereupon become effective and the Noteholders shall perform all of the duties of the Noteholder Representative hereunder until such time, if any, as the Issuer or the Required Noteholders, as applicable, appoint a successor agent as provided for below (except that in the case of any collateral security held by the Noteholder Representative on behalf of the Noteholders under any of the Note Documents, the retiring or removed Noteholder Representative shall, as gratuitous bailee, continue to hold such collateral security until such time as a successor Noteholder Representative is appointed). In addition to the foregoing, if the person serving as the Noteholder Representative is a Defaulting Noteholder, the Issuer (so long as no Event of Default has occurred and is continuing) may, to the extent permitted by applicable Law, by notice in writing to such person, remove such person as the Noteholder Representative. Upon any such removal by the Issuer, the Issuer shall have the right, with the consent of the Required Noteholders (not to be unreasonably withheld or delayed), to appoint a successor Noteholder Representative meeting the qualifications set forth above. With respect to any resignation or removal of a person acting as the Noteholder Representative, upon the acceptance of its appointment as the Noteholder Representative hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Noteholder Representative (other than any rights to indemnity payments owed to the retiring Noteholder Representative), as applicable, and the retiring or removed Noteholder Representative, as the case may be, shall (to the extent not already discharged as provided above) be discharged from its duties and obligations hereunder (other than its duty of confidentiality). The fees payable by the Issuer to a successor Noteholder Representative shall be the same as those payable to its predecessor unless otherwise agreed between the Issuer and such successor. After the Noteholder Representative's resignation or removal hereunder, as the case may be, the provisions of this Article VIII and Section 9.05 shall continue in effect for the benefit of such retiring or removed Noteholder Representative, as applicable, its subagents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as the Noteholder Representative.

Each Noteholder acknowledges that it has, independently and without reliance upon the Noteholder Representative or any other Noteholder and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Noteholder also acknowledges that it will, independently and without reliance upon the Noteholder Representative or any other Noteholder and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Note Document, any related agreement or any document furnished hereunder or thereunder. Except for notices, reports and other documents expressly required to be furnished to the Noteholders by the Noteholder Representative herein, the Noteholder Representative shall not have any duty or responsibility to provide any Noteholder with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Note Parties or any of their respective Affiliates which may come into the possession of the Noteholder Representative or any of its Related Parties, and the Noteholder Representative shall not have any responsibility with respect to the accuracy of or the completeness of any information provided to the Noteholders.

Each Noteholder acknowledges and agrees that neither such Noteholder, nor any of its Affiliates, participants or assignees, may rely on the Noteholder Representative to comply with such Noteholder's, Affiliate's, participant's or assignee's customer identification program, or other obligations required or imposed under or pursuant to the PATRIOT Act or the regulations thereunder, including the regulations contained in 31 CFR 103.121.

In case of the pendency of any proceeding with respect to any Note Party under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, the Noteholder Representative (irrespective of whether the principal of any Note shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Noteholder Representative shall have made any demand on the Issuer) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise: (i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Notes and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Noteholders, and the Noteholder Representative allowed in such judicial proceeding; and (ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such proceeding is hereby authorized by each Noteholder and each other Secured Party to make such payments to the Noteholder Representative and, in the event that the Noteholder Representative shall consent to the making of such payments directly to the Noteholders or the other Secured Parties, to pay to the Noteholder Representative any amount due to it, in its capacity as the Noteholder Representative, under the Note Documents. Nothing contained herein shall be deemed to authorize the Noteholder Representative to authorize or consent to, or accept or adopt on behalf of any Noteholder, any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Noteholder or to authorize the Noteholder Representative to vote in respect of the claim of any Noteholder in any such proceeding.

Each Noteholder agrees that it will not take any enforcement action hereunder or under any other Note Document, accelerate the Obligations under any Note Document, or exercise any right that it might otherwise have under applicable law or otherwise to credit bid at foreclosure sales, UCC sales, any sale under Section 363 of the Bankruptcy Code or other similar dispositions of Collateral. Notwithstanding the foregoing, however, a Noteholder may (a) take action to preserve or enforce its rights against a Note Party where a deadline or limitation period is applicable that would, absent such action, bar enforcement of the Obligations held by such Noteholder, including the filing of proofs of claim in a case under the Bankruptcy Code or (b) exercise such Noteholder's setoff rights in accordance with Section 9.06.

Notwithstanding anything to the contrary contained herein or in any of the other Note Documents, the Issuer, the Noteholder Representative and each Secured Party agrees that no Secured Party (other than the Noteholder Representative) shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee under the Guarantee Agreement, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Noteholder Representative on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the other Note Documents may be exercised solely by the Noteholder Representative.

In the event of a foreclosure by the Noteholder Representative on any of the Collateral pursuant to a public or private sale or in the event of any other disposition (including pursuant to Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Note Party is subject), (a) the Noteholder Representative as agent for and representative of the Secured Parties, shall be entitled, at the direction of the Required Noteholders, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Noteholder Representative at such sale or other disposition and (b) the Noteholder Representative or any Noteholder may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Noteholder Representative at the direction of the Required Noteholders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Noteholder Representative shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Noteholder Representative shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles; *provided* that any actions by the Noteholder Representative with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Noteholders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Noteholders contained in Section 9.08 of this Agreement), (iv) the Noteholder Representative on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the applicable Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Noteholder Representative may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

(a) Each Noteholder hereby agrees that (i) if the Noteholder Representative notifies such Noteholder that the Noteholder Representative has determined in its sole discretion that any funds received by such Noteholder from the Noteholder Representative or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Noteholder (whether or not known to such Noteholder) (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, an “Erroneous Payment”) and demands the return of such Erroneous Payment (or a portion thereof); provided that, without limiting any other rights or remedies (whether at law or in equity), the Noteholder Representative may not make any such demand under this clause (a) with respect to any Erroneous Payment unless such demand is made within ninety (90) days of the date of receipt of such Erroneous Payment by such Noteholder, such Noteholder shall promptly, but in no event later than two (2) Business Days thereafter (or such later date as the Noteholder Representative may agree), return to the Noteholder Representative the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived by the Noteholder Representative) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Noteholder to the date such amount is repaid to the Noteholder Representative in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Noteholder Representative in accordance with banking industry rules on interbank compensation from time to time in effect and (ii) to the extent permitted by applicable law, such Noteholder shall not assert any right or claim to the Erroneous Payment, and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Noteholder Representative for the return of any Erroneous Payments received, including, without limitation, waiver of any defense based on “discharge for value” or any similar theory or doctrine. A notice of the Noteholder Representative to any Noteholder under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Noteholder hereby further agrees that if it receives a payment from the Noteholder Representative (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or a notice of payment sent by the Noteholder Representative with respect to such payment, (y) that was not preceded or accompanied by notice of payment, or (z) that such Noteholder otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each case, if an error has been made each such Noteholder is deemed to have knowledge of such error at the time of receipt of such Erroneous Payment, and to the extent permitted by applicable law, such Noteholder shall not assert any right or claim to the Erroneous Payment, and hereby waives, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Noteholder Representative for the return of any Erroneous Payments received, including without limitation waiver of any defense based on “discharge for value” or any similar theory or doctrine. Each Noteholder agrees that, in each such case, it shall promptly (and, in all events, within two (2) Business Days of its knowledge (or deemed knowledge) of such error) notify the Noteholder Representative of such occurrence and, upon demand from the Noteholder Representative, it shall promptly, but in all events no later than one Business Day thereafter, return to the Noteholder Representative the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Noteholder to the date such amount is repaid to the Noteholder Representative in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Noteholder Representative in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The Issuer and each other Note Party hereby agrees that (x) in the event an Erroneous Payment (or portion thereof) is not recovered from any Noteholder that has received such Erroneous Payment (or portion thereof) for any reason (and without limiting the Noteholder Representative’s rights and remedies under this Section 8.02), the Noteholder Representative shall be subrogated to all the rights of such Noteholder with respect to such amount and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Issuer or any other Note Party.

(d) In addition to any rights and remedies of the Noteholder Representative provided by law, Noteholder Representative shall have the right, without prior notice to any Noteholder, any such notice being expressly waived by such Noteholder to the extent permitted by applicable law, with respect to any Erroneous Payment for which a demand has been made in accordance with this Section 8.02 and which has not been returned to the Noteholder Representative, to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final but excluding trust accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by Noteholder Representative or any of its Affiliate, branch or agency thereof to or for the credit or the account of such Noteholder. Noteholder Representative agrees promptly to notify the Noteholder after any such setoff and application made by Noteholder Representative; provided, that the failure to give such notice shall not affect the validity of such setoff and application.

(e) Each party’s obligations under this Section 8.02 shall survive the resignation or replacement of the Noteholder Representative, the termination of the Note Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Note Document.

All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt if delivered by hand or overnight courier service or sent by fax or on the date five Business Days after dispatch by certified or registered mail if mailed, in each case delivered, sent or mailed (properly addressed) to such party as provided in this Section 9.01 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 9.01. As agreed to among the Issuer, the Noteholder Representative and the applicable Noteholders from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable person provided from time to time by such person.

Section 9.02 Survival of Agreement. All covenants, agreements, representations and warranties made by the Issuer herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Note Document shall be considered to have been relied upon by the Noteholders and shall survive the purchase by the Noteholders of the Notes, regardless of any investigation made by the Noteholders or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Note or any Fee or any other amount payable under this Agreement or any other Note Document is outstanding and unpaid and so long as the Commitments have not been terminated. The provisions of Section 2.18, Article VIII and Section 9.05 shall remain operative and in full force and effect regardless of the resignation or replacement of the Noteholder Representative, expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Notes, the expiration of the Commitments, the termination of the Note Documents, the invalidity or unenforceability of any term or provision of this Agreement or any other Note Document, or any investigation made by or on behalf of the Noteholder Representative or any Noteholder.

Section 9.03 Binding Effect. This Agreement shall become effective when it shall have been executed by the Issuer and the Noteholder Representative and when the Noteholder Representative shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto.

(a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Issuer, the Noteholder Representative or the Noteholders that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

(b) Each Noteholder may assign to one or more assignees all or a portion of its interests, rights and obligations under this Agreement (including all or a portion of its Commitments and the Notes at the time owing to it) to any Eligible Transferee; *provided* that, unless an Event of Default under clauses (b), (c), (g) or (h) of Section 7.01 has occurred and is then continuing, (i) if, following such assignment, Oaktree Noteholders would not constitute Required Noteholders and no other Noteholder, together with its Affiliates and Related Funds that are, or are simultaneously becoming, Noteholders, would constitute Required Noteholders, such assignment shall require the prior written consent of the Issuer (which consent shall not be unreasonably withheld, conditioned or delayed) and (ii) to the extent that, following such assignment, the proposed assignee, together with its Affiliates and Related Funds that are, or are simultaneously becoming, Noteholders, would constitute Required Noteholders, such assignment shall require the prior written consent of the Issuer (provided that the Issuer shall be deemed to have consented to such assignment unless it shall have delivered written notice to the assigning Noteholder and the Noteholder Representative of its rejection of such assignment within five (5) Business Days of receiving notice thereof) unless such assignment is made to a Noteholder or an Affiliate or Related Fund of a Noteholder, *provided* that, in the case of this clause (ii), the Issuer shall have the right to reject only up to two such proposed assignments in the aggregate, after which any assignment in accordance with this clause (ii) (other than to an assignee that has been previously rejected by the Issuer in accordance with this Section 9.04(b) or any Affiliate or Related Fund of such Person) will not require the Issuer's consent.

(c) Unless such assignment is made to a Noteholder or an Affiliate or Related Fund of a Noteholder and subject to clause (ii) below, (i) the amount of the Notes or Commitments of the assigning Noteholder subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Noteholder Representative) shall not be less than \$1,000,000 in respect of Notes or Commitments (or, if less, the entire remaining amount of such Noteholder's Notes or Commitments), (ii) the parties to each such assignment shall (A) electronically execute and deliver to the Noteholder Representative an Assignment and Acceptance via an electronic settlement system acceptable to the Noteholder Representative or (B) if no such system shall then be being utilized by the Noteholder Representative, manually execute and deliver to the Noteholder Representative an Assignment and Acceptance, together with a processing and recordation fee of \$3,500 (other than in the case of an assignment by a Noteholder to an Affiliate or Related Fund of such Noteholder); *provided*, that the Noteholder Representative may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment and (iii) the assignee, if it shall not be a Noteholder, shall deliver to the Noteholder Representative an Administrative Questionnaire, all documentation and other information reasonably determined by the Noteholder Representative to be required by applicable regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act and tax documentation required under Section 2.18(f). Upon acceptance and recording pursuant to clause (e) of this Section 9.04, from and after the effective date specified in each Assignment and Acceptance, (A) the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Noteholder under this Agreement and (B) the assigning Noteholder thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Noteholder's rights and obligations under this Agreement, such Noteholder shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.12, 2.14, 2.18 and 9.05 with respect to facts and circumstances occurring prior to the effective date of such assignment, as well as to any Fees accrued for its account and not yet paid). Any assignment or transfer by a Noteholder of its rights or obligations under this Agreement that does not comply with this Section 9.04(c) shall be treated for purposes of this Agreement as a sale by such Noteholder of a participation in such rights and obligations in accordance with, and to the extent permitted by, Section 9.04(g).

(d) By executing and delivering an Assignment and Acceptance, the assigning Noteholder thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Noteholder warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Commitment, and the outstanding balances of its Notes, in each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance; (ii) except as set forth in (i) above, such assigning Noteholder makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Note Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Issuer or any Subsidiary or the performance or observance by the Issuer or any Subsidiary of any of its obligations under this Agreement, any other Note Document or any other instrument or document furnished pursuant hereto; (iii) such assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (iv) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements delivered pursuant to Section 5.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) such assignee will independently and without reliance upon the Noteholder Representative, such assigning Noteholder or any other Noteholder and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) such assignee appoints and authorizes the Noteholder Representative to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Noteholder Representative by the terms hereof, together with such powers as are reasonably incidental thereto; (vii) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement and the other Note Documents are required to be performed by it as a Noteholder and (viii) such assignee represents and warrants that it is an Eligible Transferee and is not a Defaulting Noteholder.

(e) The Noteholder Representative, acting solely for this purpose as a non-fiduciary agent of the Issuer, shall maintain at one of its offices, a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Noteholders, and the Commitment of, and principal amount of (and stated interest on) the Notes owing to, each Noteholder pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error and the Issuer, the Noteholder Representative and the Noteholders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Noteholder hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Issuer and, solely with respect to itself or any Noteholder (with respect to such Noteholder's interest only), at any reasonable time and from time to time upon reasonable prior written notice, or any other person as reasonably necessary to ensure that such Commitment, Note or other obligation is in registered form under Section 5f.103 of the United States Treasury Regulations. Notwithstanding anything to the contrary contained in this Agreement, the right, title and interest of the Noteholders and their assignees in and to the Notes shall be transferrable only upon notation of such transfer in the Register and no assignment thereof shall be effective until recorded therein.

(f) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Noteholder and an assignee, an Administrative Questionnaire (including all applicable “know your customer” information requested by the Noteholder Representative and tax documentation required under Section 2.18(f)) completed in respect of the assignee (unless the assignee shall already be a Noteholder hereunder), the processing and recordation fee referred to in clause (b) above, if any, and, if required, the written consent of the Issuer and the Noteholder Representative to such assignment, the Noteholder Representative shall (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Issuer. No assignment shall be effective unless it has been recorded in the Register as provided in this clause (f); *provided, however*, that the failure to promptly provide notice thereof as required under clause (iii) of the immediately preceding sentence shall not in and of itself render any such assignment ineffective.

(g) Each Noteholder may without the consent of the Issuer or the Noteholder Representative sell participations to one or more banks or other entities in all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Notes owing to it); *provided, however*, that (i) such Noteholder’s obligations under this Agreement shall remain unchanged, (ii) such Noteholder shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participating banks or other entities shall be entitled to the benefit of the cost protection provisions contained in Sections 2.12, 2.14 and 2.18 (subject to the requirements and limitations therein, including the requirements under Section 2.18(f), it being understood that the documentation required under Section 2.18(f) shall be delivered to the participating Noteholder) to the same extent as if they were Noteholders; *provided* that such participant (A) agrees to be subject to the provisions of Section 2.19 as if it were an assignee under clause (b) of this Section 9.04(g); and (B) shall not be entitled to receive any greater payment under Section 2.12, 2.14, 2.18, or 2.20, with respect to any participation, than its participating Noteholder would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the participating bank or other entity acquired the applicable participation and (iv) the Issuer, the Noteholder Representative and the Noteholders shall continue to deal solely and directly with such Noteholder in connection with such Noteholder’s rights and obligations under this Agreement, and such Noteholder shall retain the sole right to enforce the obligations of the Issuer relating to the Notes and to approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers decreasing any fees payable hereunder with respect to the Notes or Commitments in which such person participates or the amount of principal of or the rate at which interest is payable on the Notes in which such person participates, extending any scheduled principal payment date or date fixed for the payment of interest on the Notes in which such person participates, increasing or extending the Commitments in which such person participates or releasing all or substantially all of the value of the Guarantees of the Obligations by the Note Parties or all or substantially all of the Collateral). Each Noteholder that sells a participation pursuant to this Section 9.04(g) shall, acting as a non-fiduciary agent of the Issuer, maintain a register on which it records the name and address of each participant and the principal amounts of (and related interest on) each participant’s participation interest with respect to the Note (each, a “Participant Register”); *provided* that no Noteholder shall have any obligation to disclose all or any portion of the Participant Register to any person (including the identity of any participant or any information relating to a participant’s interest in any Commitments, Notes or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that such Commitment, Note or other obligations is in registered form under Section 5f.103 of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Noteholder shall treat each person whose name is recorded in the Participant Register as the owner of such participation or granted Note for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Noteholder Representative (in its capacity as Noteholder Representative) shall have no responsibility for maintaining a Participant Register.

(h) Any Noteholder or participant may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.04, disclose to the assignee or participant or proposed assignee or participant any information relating to the Issuer and its Subsidiaries furnished to such Noteholder by or on behalf of the Issuer and its Subsidiaries; *provided, however*, that, prior to any such disclosure of information that constitutes Information (as defined in Section 9.16), each such assignee or participant or proposed assignee or participant shall execute an agreement (including through click-through or other customary methods) whereby such assignee or participant shall agree (subject to customary exceptions) to preserve the confidentiality of such confidential information on terms no less restrictive than those applicable to the Noteholders pursuant to Section 9.16.

(i) Any Noteholder may (without the consent of the Issuer or the Noteholder Representative) at any time collaterally assign all or any portion of its rights under this Agreement to secure extensions of credit to such Noteholder or in support of obligations owed by such Noteholder (including, if such Noteholder is a fund that invests in bank loans, to a trustee for holders of obligations owed, or securities issued, by such fund); *provided, however*, that no such assignment shall release a Noteholder from any of its obligations hereunder or substitute any such assignee for such Noteholder as a party hereto and any foreclosure or exercise of remedies by such assignee or trustee shall be subject to the provisions of this Section 9.04 regarding assignments in all respects.

(j) [Reserved].

(k) The Issuer shall not assign or delegate any of its rights or duties hereunder without the prior written consent of the Noteholder Representative and each Noteholder, and any attempted assignment without such consent shall be null and void.

(l) Any attempt to transfer any Note or portion thereof, or any rights or duties thereunder, not in compliance with this Agreement shall be null and void, and neither the Issuer nor the Noteholder Representative shall give any effect to the Register to such attempted transfer.

(m) [Reserved].

(n) Subject to compliance with any applicable securities laws and the conditions set forth herein, assignments to the Issuer of Notes pursuant to this Section 9.04 may only be made through customary auction or other procedures pursuant to which offers to Noteholders shall be made on a pro rata basis to Noteholders (but, for the avoidance of doubt, such purchases shall not be required to be consummated on a pro rata basis), in each case as the Issuer may elect, and shall be subject to the following additional conditions:

(i) immediately following such repurchase, no Event of Default has occurred and is continuing;

(ii) the consideration for any such proposed purchase is cash; and

(iii) if the Issuer is the assignee (including through contribution or transfers set forth in clause (ii) above), (A) the principal amount of such Notes, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Issuer shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (B) the aggregate outstanding principal amount of Notes of the remaining Noteholders shall reflect such cancellation and extinguishment of the Notes then held by such Noteholder and (C) the Issuer shall promptly provide notice to the Noteholder Representative of such contribution, assignment or transfer of such Notes and the Noteholder Representative, upon receipt of such notice, shall reflect the cancellation of the applicable Notes in the Register;

provided, that, notwithstanding anything to the contrary, none of the Issuer or any of its Subsidiaries shall be required to represent that it is not in possession of any material non-public information with respect to the Issuer, their Subsidiaries or their respective securities in connection with any assignment pursuant to this clause (n).

(o) [Reserved].

(p) No Note Party may purchase First Lien Obligations in excess of the amounts permitted by the First Lien Loan Documents as in effect on the Closing Date.

Section 9.05 Expenses; Indemnity.

(a) The Issuer agrees to pay all reasonable, documented and invoiced out-of-pocket expenses incurred by the Noteholder Representative in connection with the issuance of the Notes provided for herein, the due diligence investigation in connection with, structuring and arrangement of the Notes provided herein, the preparation of this Agreement and the other Note Documents (including any post-closing work) and any similar note or credit facility refinancing or replacing, in whole or in part, any of the Notes provided for herein, as well as the preparation, negotiation, execution, delivery and administration of this Agreement, or in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions hereby or thereby contemplated shall be consummated), whether obtained prior to or subsequent to the Closing Date, or incurred by the Noteholder Representative or any Noteholder in connection with the enforcement of its rights in connection with this Agreement and the other Note Documents or in connection with the Notes issued hereunder (and in connection with the protection of such rights), including the reasonable and documented fees, charges and disbursements of Sullivan & Cromwell LLP, counsel to the Noteholders, and Holland & Knight LLP, counsel to the Noteholder Representative, and to the extent reasonably determined by the Noteholder Representative or the Noteholders to be necessary, one local counsel in each appropriate jurisdiction for the Noteholder Representative and the Noteholders, taken as a whole (and, solely in the case of a perceived or actual conflict of interest, one additional local counsel to the conflicted Person, in each appropriate jurisdiction).

(b) The Issuer agrees to indemnify the Noteholder Representative and each of its Related Parties (the “Noteholder Representative Indemnitees”), each Noteholder and each Related Party of any of the foregoing persons (the “Noteholder Indemnitees”; together with the Noteholder Representative Indemnitees, each an “Indemnitee” and collectively, the “Indemnitees”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, penalties, judgments, charges and disbursements (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of (I) one primary outside counsel to the Noteholder Representative Indemnitees, taken as a whole and if necessary or appropriate, of one local counsel in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) to all Noteholder Representative Indemnitees, taken as a whole and (II) one primary outside counsel to the Noteholder Indemnitees, taken as a whole (and, solely in the case of a perceived or actual conflict of interest where the Noteholder Indemnitee affected by such conflict notifies the Issuer of the existence of such conflict and thereafter retains its own counsel, one additional counsel to all similarly situated Noteholder Indemnitees, taken as a whole) and if necessary or appropriate, of one local counsel in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) to all Noteholder Indemnitees, taken as a whole (and, solely in the case of a perceived or actual conflict of interest where the Noteholder Indemnitee affected by such conflict notifies the Issuer of the existence of such conflict and thereafter retains its own counsel, one additional counsel to all similarly situated Noteholder Indemnitees, taken as a whole)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the preparation, execution, enforcement or delivery of this Agreement or any other Note Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto or thereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or the issuance and administration of the Notes, (ii) the use of the proceeds of the Notes, (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto, or (iv) any actual or alleged generation, presence, discharge or Release of Hazardous Materials on any property while currently or formerly owned, leased or operated by the Issuer or any Subsidiary, or any Environmental Liability related in any way to the Issuer or the Subsidiaries; *provided, however*, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction in a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee (and any Indemnitee receiving payment under this Section 9.05(b) shall promptly refund the amount of such payment to the extent that there is a final and nonappealable judgment of a court of competent jurisdiction that such Indemnitee was not entitled to indemnification in respect of such payment by virtue of such Indemnitee’s gross negligence or willful misconduct), (y) except with respect to the Noteholder Representative Indemnitees, arise out of a claim brought by the Issuer or any Subsidiary against such Indemnitee for material breach of such Indemnitee’s obligations under this Agreement or any other Note Document or (z) arise out of any dispute solely among the Indemnitees (other than disputes involving claims against the Noteholder Representative in its capacity as such or in a similar agency role). This Section 9.05(b) shall not apply to Taxes, other than Taxes that represent losses, claims, damages, liabilities or expenses arising from any non-Tax claim.

(c) Each Noteholder shall indemnify and hold harmless the Noteholder Representative Indemnitees (to the extent not indefeasibly and timely indemnified by or on behalf of the Issuer and without limiting the obligation of the Issuer to do so), based on and to the extent of such Noteholder's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought), from and against any and all losses, claims, damages, liabilities and related expenses (including reasonable and documented or invoiced out-of-pocket fees and expenses of one primary outside counsel for the Noteholder Representative Indemnitees, taken as a whole and if necessary or appropriate, of one local counsel in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) to all Noteholder Representative Indemnitees)) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any Noteholder Representative Indemnitee in any way relating to or arising out of or in connection with this Agreement or any other Note Document or any action taken or omitted to be taken by the Noteholder Representative Indemnitees; *provided, however*, that such indemnity shall not, as to any Noteholder Representative Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction in a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Noteholder Representative Indemnitee. Without limiting the foregoing, each Noteholder shall promptly following written demand therefor, pay or reimburse the Noteholder Representative based on and to the extent of such Noteholder's pro rata share of all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement (whether through negotiations, legal proceedings or otherwise) of any rights or remedies under this Agreement or the other Note Documents (including all such out-of-pocket costs and expenses incurred during any legal proceeding, including any proceeding under any debtor relief law, and including all respective fees, charges and disbursements of one primary outside counsel for the Noteholder Representative Indemnitees, taken as a whole and if necessary or appropriate, of one local counsel in each relevant material jurisdiction (which may include a single special counsel acting in multiple jurisdictions) to all Noteholder Representative Indemnitees). For purposes hereof, a Noteholder's "pro rata share" shall be determined based upon its share of the outstanding Notes and unused Note Commitments at such time (or if such indemnity payment is sought after the date on which the Notes have been paid in full and the Note Commitments are terminated in accordance with such Noteholder's pro rata share immediately prior to the date on which the Notes are paid in full and the Note Commitments are terminated). To the extent permitted by applicable Law, no party hereto shall assert, and each hereby waives, any claim against any other party hereto or any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Note Document or any agreement or instrument contemplated hereby, any Note or the use of the proceeds thereof; *provided* that nothing contained in this sentence shall limit the Issuer's indemnification obligations under Section 9.05(b) to the extent such special, indirect, consequential and punitive damages are included in any third party claim in connection with which any Indemnitee is entitled to indemnification hereunder. Except with respect to the Noteholder Representative Indemnitees, the Issuer shall not be liable for any settlement of any proceeding effected without its prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed), but if settled with the Issuer's prior written consent or if there is a final and non-appealable judgment by a court of competent jurisdiction in any such proceeding then the Issuer agree to indemnify and hold harmless each Indemnitee in respect thereof pursuant to Section 9.05(b). If the indemnifying party has reimbursed any Indemnitee for any legal or other expenses in accordance with this Section 9.05 and there is a final and non-appealable judicial determination by a court of competent jurisdiction that the Indemnitee was not entitled to indemnification or contribution rights with respect to such payment pursuant to this Section 9.05, then the Indemnitee shall promptly refund such amount.

(d) The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Notes, the expiration of the Commitments, the termination of the Note Documents, the resignation or replacement of the Noteholder Representative, the invalidity or unenforceability of any term or provision of this Agreement or any other Note Document, or any investigation made by or on behalf of the Noteholder Representative, any Noteholder, or any Related Party of the foregoing persons. All amounts due under this Section 9.05 shall be payable within thirty (30) days of written demand therefor.

Section 9.06 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Noteholder is hereby authorized, subject to the prior consent of the Noteholder Representative (acting at the direction of the Required Noteholders), at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Noteholder to or for the credit or the account of the Issuer against any of and all the obligations of the Issuer now or hereafter existing under this Agreement and other Note Documents held by such Noteholder, irrespective of whether or not such Noteholder shall have made any demand under this Agreement or such other Note Document and although such obligations may be unmatured; *provided* that in the event that any Defaulting Noteholder shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Noteholder Representative for further application in accordance with the provisions of Section 2.21(a)(ii) and, pending such payment, shall be segregated by such Defaulting Noteholder from its other funds and deemed held in trust for the benefit of the Noteholder Representative and the Noteholders, and (y) the Defaulting Noteholder shall provide promptly to the Noteholder Representative a statement describing in reasonable detail the Obligations owing to such Defaulting Noteholder as to which it exercised such right of setoff. Each Noteholder agrees to notify the Noteholder Representative and the Issuer promptly after any such setoff and application; *provided*, the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Noteholder under this Section 9.06 are in addition to other rights and remedies (including other rights of setoff) which such Noteholder may have.

Section 9.07 Applicable Law. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 9.08 Waivers; Amendment.

(a) No failure or delay of the Noteholder Representative, any Noteholder in exercising any power or right hereunder or under any other Note Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Noteholder Representative and the Noteholders hereunder and under the other Note Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Note Document or consent to any departure by the Issuer or any other Note Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Issuer in any case shall entitle the Issuer to any other or further notice or demand in similar or other circumstances.

(b) Except as expressly set forth herein, neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Issuer, the Noteholder Representative and the Required Noteholders; *provided, however*, that no such agreement shall (1) decrease the principal amount of, or extend the maturity of or any scheduled principal payment date or date for the payment of any interest, without the prior written consent of each Noteholder affected thereby (it being understood and agreed that a waiver of any Default or Event of Default will not constitute a reduction in the principal amount of the Notes), (2) increase or extend the Commitment (it being understood that a waiver of any condition precedent or the waiver of any Default, Event of Default or mandatory prepayment shall not constitute an increase of any Commitment of any Noteholder) or decrease or extend the date for payment of any Fees or any other amount due and payable hereunder to any Noteholder without the prior written consent of such Noteholder, (3) amend or modify the provisions of Section 9.04(k), the provisions of this Section 9.08, or release from the Guarantee Agreement any of the Issuer or all or substantially all of the Subsidiary Guarantors or release all or substantially all of the Collateral (except as otherwise permitted herein or in the other Note Documents), without the prior written consent of each Noteholder directly adversely affected thereby, (4) [reserved], (5) [reserved], (6) reduce the percentage contained in the definition of the term "Required Noteholders" without the prior written consent of each Noteholder (it being understood that with the consent of the Required Noteholders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Noteholders on substantially the same basis as the Commitments on the date hereof unless such extensions of credit are provided for purposes of influencing the voting thresholds under this Agreement), (7) amend or modify the provisions of Section 2.15 or any other provision of the Note Documents requiring the ratable sharing of payments of the Noteholders without the prior written consent of each Noteholder affected thereby and (8) directly or indirectly (x) subordinate the Obligations in right of payment to any other Indebtedness or (y) subordinate the Liens on all or a material portion of the Collateral securing the Obligations to any other Lien on the Collateral securing any other Indebtedness; *provided, further*, (A) no such agreement shall amend, modify or otherwise affect the rights, duties, obligations or indemnities of the Noteholder Representative hereunder or under any other Note Document without the prior written consent of the Noteholder Representative and (B) for the avoidance of doubt, the consent of the Required Noteholders shall not be required for any amendment, waiver or modification made pursuant to clauses (1) through (8) of this paragraph.

(c) Notwithstanding anything to the contrary contained in this Section 9.08 or otherwise in this Agreement or any other Note Document, (i) this Agreement and any other Note Document may be amended, supplemented or otherwise modified, or any provision thereof waived, with the consent of the Noteholder Representative and the Issuer without the need to obtain the consent of any Noteholder, if such amendment, supplement, modification or waiver is delivered in order to (A) cure ambiguities, omissions, mistakes or defects, to fix incorrect cross references or similar inaccuracies or to effect administrative, technical, immaterial or other similar changes not materially adverse to the Noteholders (as reasonably determined by the Noteholder Representative and the Issuer), (B) cause any Security Document to be consistent with this Agreement and the other Note Documents and (C) make such modifications as are required in connection with the addition of any Foreign Subsidiaries as Note Parties, as provided in Section 5.12(d), (ii) this Agreement and any other Note Document may be amended, supplemented or otherwise modified, or any provision thereof waived, with the consent of the Noteholder Representative and the Issuer without the need to obtain the consent of any Noteholder for technical changes if the Noteholders shall have received at least five Business Days' prior written notice thereof and the Noteholder Representative shall not have received, within five Business Days following the date of such notice to the Noteholders, a written notice from the Required Noteholders stating that the Required Noteholders object to such amendment, modification, supplement or waiver and (iii) without the consent of any Noteholder, the Issuer and the Noteholder Representative or any other collateral agent may enter into any amendment, supplement or modification of any Note Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest of the Secured Parties in any Collateral or additional property to become Collateral for the benefit of the Secured Parties or as required by local law to give effect to, or protect any security interests for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Law or this Agreement or in each case to otherwise enhance the rights or benefits of any Noteholder under any Note Document. The Noteholder Representative shall make available to the Noteholders copies of each such amendment or other modification to this Agreement.

(d) Notwithstanding anything to the contrary herein, no Defaulting Noteholder shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Noteholders or each affected Noteholder may be effected with the consent of the applicable Noteholders other than Defaulting Noteholders), except that (x) a Defaulting Noteholder shall retain and have all voting rights in Sections (1)(a)(i)(1) and (1)(a)(i)(2), and (y) any waiver, amendment or modification requiring the consent of all Noteholders or each affected Noteholder that by its terms affects any Defaulting Noteholder disproportionately adversely relative to other affected Noteholders shall require the consent of such Defaulting Noteholder.

Section 9.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Note, together with all fees, charges and other amounts which are treated as interest on such Note under applicable law (collectively the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Noteholder holding such Note or participation in accordance with applicable law, the rate of interest payable in respect of such Note or participation hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Note or participation but were not payable as a result of the operation of this Section 9.09 shall be cumulated and the interest and Charges payable to such Noteholder in respect of other Notes or participations or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Noteholder.

Section 9.10 Entire Agreement. This Agreement and the other Note Documents constitute the entire contract between the parties relative to the subject matter hereof. Any other previous agreement among the parties with respect to the subject matter hereof is superseded by this Agreement and the other Note Documents. Nothing in this Agreement or in the other Note Documents, expressed or implied, is intended to confer upon any person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder and, to the extent expressly contemplated hereby, the Related Parties of each of the Noteholder Representative and the Noteholders) any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Note Documents.

Section 9.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER NOTE DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER NOTE DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Note Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein, to the fullest extent permitted by applicable law, shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.13 Counterparts; Electronic Execution. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart of a signature page of this Agreement in electronic (i.e., “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Agreement. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that nothing herein shall require the Noteholder Representative to accept electronic signatures in any form or format without its prior written consent.

Section 9.14 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

(a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in the Borough of Manhattan in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Note Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that (except as permitted below) all claims in respect of any such action or proceeding shall be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Noteholder Representative or any Noteholder may otherwise have to bring any action or proceeding in the courts of any jurisdiction solely in connection with the exercise of any rights under any Security Document.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Note Documents in any New York State or Federal court referenced in clause (a). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01 or as otherwise required by applicable law. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 9.16 Confidentiality. Each of the Noteholder Representative and the Noteholders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' officers, directors, employees and agents, including accountants, legal counsel and other advisors (it being understood that the persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to any regulatory authority or quasi-regulatory authority (such as the National Association of Insurance Commissioners), in which case (to the extent not legally prohibited) the relevant Note Party shall be informed promptly, except with respect to disclosures to the National Association of Insurance Commissioners or with respect to any audit or examination conducted by bank accountants, credit risk insurers or any governmental, regulatory or self-regulatory authority exercising examination or regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, in which case (to the extent not legally prohibited) the relevant Note Party shall be informed promptly, (d) in connection with the exercise of any remedies hereunder or under the other Note Documents or any suit, action or proceeding relating to the enforcement of its rights hereunder or thereunder, (e) subject to an agreement containing provisions substantially the same as or no less restrictive than those of this Section 9.16, to (i) any actual or prospective assignee of or participant in any of its rights or obligations under this Agreement and the other Note Documents or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Issuer or any Subsidiary or any of their respective obligations, (f) with the consent of the Issuer, (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 9.16 by such person and (h) to market data collectors, similar service providers to the lending industry, and service providers to the Noteholder Representative and the Noteholders, in each case in connection with the administration, settlement and management of this Agreement and the other Note Documents. Each of the Noteholder Representative and the Noteholders agrees not to use any Information for any purpose or in any manner other than evaluating the performance of the Issuer and its Subsidiaries hereunder and enforcing the rights, remedies and obligations hereunder and under the other Note Documents. For the purposes of this Section 9.16, "Information" shall mean all information received from the Issuer and related to the Issuer or its business, other than any such information that was available to the Noteholder Representative or any Noteholder on a nonconfidential basis prior to its disclosure by the Issuer. Notwithstanding anything contrary provided above in this Section 9.16, the Noteholder Representative may publicize its services and roles as Noteholder Representative in connection with the transactions contemplated hereunder, including, without limitation, issuing a press release and granting interviews with and providing information to the financial press and other media; *provided*, that, the Noteholder Representative or Noteholder, as applicable, shall consult with the Issuer prior to the dissemination of any such written materials and each such person shall use commercially reasonable efforts to agree upon mutually satisfactory text therefor.

Section 9.17 PATRIOT Act Notice. Each Noteholder and the Noteholder Representative (for itself and not on behalf of any Noteholder) hereby notifies the Issuer that pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies the Issuer, which information includes the name and address of the Issuer and other information that will allow such Noteholder or the Noteholder Representative, as applicable, to identify the Issuer in accordance with the PATRIOT Act.

Section 9.18 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Note Document), the Issuer acknowledges and agrees that: (a) (i) the arranging and other services regarding this Agreement provided by the Noteholder Representative and the Noteholders are arm's-length commercial transactions between the Issuer and its Affiliates, on the one hand, and the Noteholder Representative and the Noteholders, on the other hand, (ii) the Issuer has consulted its own legal, accounting, regulatory and Tax advisors to the extent it has deemed appropriate and (iii) the Issuer is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Note Documents; (b) (i) the Noteholder Representative and Noteholder is and has been acting solely as a principal and has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Issuer or any of its Affiliates, or any other person, and (ii) none of the Noteholder Representative or any Noteholder has any obligation to the Issuer or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Note Documents; and (c) the Noteholder Representative, the Noteholders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Issuer and its Affiliates and none of the Noteholder Representative or any Noteholder has any obligation to disclose any of such interests to the Issuer or any of its Affiliates. To the fullest extent permitted by Law, the Issuer hereby waives and releases any claims that it may have against the Noteholder Representative and the Noteholders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transactions contemplated hereby.

Section 9.19 Intercreditor Agreement.

(a) Each Noteholder irrevocably authorizes the Noteholder Representative to execute and deliver the Intercreditor Agreement and each other intercreditor agreement contemplated by the terms of this Agreement and to take such action, and to exercise the powers, rights and remedies granted to the Noteholder Representative thereunder and with respect thereto.

(b) Each Noteholder irrevocably authorizes the Noteholder Representative to execute and deliver other intercreditor documentation (for example and without limitation documentation with respect to intercreditor arrangements for *pari passu* secured indebtedness envisioned by the debt and Liens covenants herein) in form and substance satisfactory to the Noteholder Representative (acting at the direction of the Required Noteholders) and to take such action, and to exercise the powers, rights and remedies granted to the Noteholder Representative hereunder and with respect thereto.

Subject to the reinstatement provisions set forth in any applicable Security Document, unless an Event of Default has occurred and is continuing, a Note Party shall automatically be released from its obligations under the Note Documents, and all security interests created by the Security Documents in Collateral owned by such Note Party shall be automatically released, upon the consummation of any transaction permitted by this Agreement as a result of which such Note Party ceases to be a Subsidiary or becomes an Excluded Subsidiary (or in case the Note Party elects that any Designated Subsidiary that would otherwise constitute an Excluded Subsidiary cease to be a Designated Subsidiary); *provided* that, if so required by this Agreement, the Required Noteholders (or if applicable, the Noteholders) shall have consented to such transaction and the terms of such consent shall not have provided otherwise; *provided, further, however,* that notwithstanding the foregoing, without the consent of the Required Noteholders, no Note Party shall be released from its obligations under the Note Documents if such Note Party either (x) becomes an Excluded Subsidiary as a result of any transaction undertaken by the Issuer or any Subsidiary or (y) ceases to be a Subsidiary but the Issuer or a Subsidiary or an Affiliate thereof retains any direct or indirect Equity Interest in, or otherwise Controls, such Person (other than with respect to the Released Guarantors), unless (a) the transaction pursuant to which such Note Party becomes an Excluded Subsidiary or ceases to be a Subsidiary is entered into for legitimate bona fide business purposes (other than for purposes of releasing guarantees or collateral hereunder) in good faith with an unaffiliated third party (or with a joint venture entity pursuant to a joint venture entered into for legitimate bona fide business purposes with an unaffiliated third party), (b) at the time of such release (and after giving effect thereto), all outstanding Indebtedness and Liens of any such Subsidiary becoming an Excluded Subsidiary, and all Investments previously made in any such Subsidiary or other Person remaining outstanding after giving effect to the relevant transaction, would then be permitted to be incurred or made in accordance with the relevant provisions of Section 6.01, Section 6.02, Section 6.04, and Section 6.08 (for this purpose, with the Issuer being required to reclassify any such items made in reliance upon such Subsidiary or other Person being a Note Party or a wholly-owned Subsidiary on another basis as would be permitted by such applicable Section), and any previous asset sale to such Subsidiary pursuant to Section 6.05 shall be re-characterized and would be permitted at the time of such release, as if the same were made to a Subsidiary that was not a Note Party (and all items described above in this clause (b) shall thereafter be deemed re-characterized as provided above in this clause (b)), (c) such Subsidiary or other Person shall not be (or shall simultaneously be released as) an obligor with respect to any other Indebtedness of the Issuer or any other Subsidiary (other than, in the case of a Subsidiary that becomes an Excluded Subsidiary, Indebtedness of any other Subsidiary becoming an Excluded Subsidiary as part of the same transaction) and (d) such Subsidiary or other Person owns no assets which were previously transferred to it by another Note Party which constituted Collateral or proceeds of Collateral (or the transfer of any such assets to such Subsidiary or other Person by such Note Party would be permitted hereunder immediately following such release). Upon any sale or other transfer by any Note Party (other than to the Issuer or any other Note Party) of any Collateral in a transaction permitted under this Agreement, or upon the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral pursuant to Section 9.08, the security interests in such Collateral created by the Security Documents shall be automatically released. Upon the release of any Note Party from its Guarantee in compliance with this Agreement, the security interest in any Collateral owned by such Note Party created by the Security Documents shall be automatically released. On the date on which all Obligations have been paid in full in cash (other than contingent indemnification obligations not yet accrued and payable), all obligations under the Note Documents and all security interests under the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section, and in connection with any Collateral becoming Excluded Property, the Noteholder Representative shall execute and deliver to any Note Party, at such Note Party's expense, all documents that such Note Party shall reasonably request to file or register in any office, or to evidence, such termination or release, or, in the case of Collateral becoming Excluded Property, to effect, to file or register in any office, or to evidence the release of any security interest created by the Security Documents in such assets. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Noteholder Representative or the Noteholders. Each of the Secured Parties irrevocably authorizes the Noteholder Representative, at its option and in its discretion, to effect the releases set forth in this Section.

Upon request by the Noteholder Representative at any time, the Required Noteholders will confirm in writing the Noteholder Representative's authority to release or subordinate its interest in particular types or items of property, or to release any Subsidiary Guarantor from its Guarantee under the Guarantee Agreement pursuant to this Section 9.20. In each case as specified in this Section 9.20, the Noteholder Representative will promptly upon the request of the Issuer (and each Noteholder irrevocably authorizes the Noteholder Representative to), at the Issuer's expense, execute and deliver to the applicable Note Party such documents as the Issuer may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Security Documents, or to evidence the release of such Subsidiary Guarantor from its Guarantee under the Guarantee Agreement, in each case in accordance with the terms of the Note Documents and this Section 9.20 (and the Noteholder Representative may rely conclusively on a certificate of a Responsible Officer of the Issuer to that effect provided to it by any Note Party upon its reasonable request without further inquiry). Any execution and delivery of documents pursuant to this Section 9.20 shall be without recourse to or warranty by the Noteholder Representative (other than a representation that the Noteholder Representative has not transferred the security interests granted to the Noteholder Representative in any Collateral to any other person). Any execution and delivery by the Noteholder Representative pursuant to this Section 9.20 or the release provisions of any Security Document shall be without recourse to or warranty by the Noteholder Representative (other than the absence of any encumbrance created, or transfer made, by it).

Section 9.21 Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Note Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Noteholder that is an Affected Financial Institution arising under any Note Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Noteholder that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Note Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 9.22 [Reserved].

Section 9.23 Representations and Warranties of the Noteholders. Each Noteholder severally and not jointly represents and warrants to, and agrees with, the Issuer as of the Closing Date, and on any date of any assignment pursuant to Section 9.04, that:

(a) It is either (A) a Qualified Institutional Buyer, (B) an Institutional Accredited Investor or (C) a non-U.S. person (as such term is defined in Regulation S under the Securities Act (“Regulation S”)) and will not acquire the Notes for the account or benefit of any U.S. Person, and it is purchasing the Notes outside the United States in an offshore transaction in accordance with Regulation S;

(b) It has such knowledge and experience in financial and business matters and investments in general that make it capable of evaluating the merits and risks of the Notes and the transactions contemplated by this Agreement (and has sought such accounting, legal, tax and other advice as it has considered necessary to make an informed investment decision);

(c) It acknowledges that it has been afforded: (a) the opportunity to ask such questions as it has deemed necessary of, and to receive answers from, representatives of the Issuer and its Subsidiaries concerning the merits and risks of investing in the Issuer and its Subsidiaries; (b) access to information about the Issuer and its Subsidiaries, their results of operations, financial condition, and cash flows, and their business generally, in each case sufficient to such Noteholder’s satisfaction to enable such Noteholder to evaluate whether or not to proceed with the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby; and (c) the opportunity to obtain such additional information that such Noteholder believes is necessary to make an informed investment decision with respect to the Notes and the consummation of the transactions contemplated by this Agreement;

(d) It acknowledges and agrees that neither the Issuer nor any of its Subsidiaries is making any representations or warranties whatsoever, express or implied, except for those representations and warranties contained in Article III of this Agreement or in any certificate delivered in connection herewith, and it acknowledges and agrees that, except for such representations and warranties, it is purchasing the Notes on an “as is/where is” basis. In making the decision to enter into this Agreement and the documents contemplated hereby to which it is a party and to consummate the transactions contemplated hereby, other than reliance on the representations and warranties contained in Article III of this Agreement, such Noteholder acknowledges and agrees that it has relied solely on its own independent investigation, analysis, and evaluation of the Issuer and its Subsidiaries and hereby disclaims reliance on any other representations and warranties;

(e) It is acquiring the Notes for its own account, for investment purposes only and not with a view to any distribution thereof or with any present intention of offering or selling any of the Notes in a transaction that would not otherwise comply with the Securities Act or the securities laws of any state of the United States;

(f) It (A) understands that the Notes have not been registered under the Securities Act or the securities laws of any states and that the Notes are being issued by the Issuer in transactions exempt from the registration requirements of the Securities Act and (B) agrees that neither all nor any part of the Notes may be offered or sold except pursuant to effective registration statements under the Securities Act or pursuant to applicable exemptions from registration under the Securities Act and in compliance with applicable state laws; and

(g) It understands that the exemption from registration afforded by Rule 144 (the provisions of which are known to such Noteholder) promulgated under the Securities Act depends on the satisfaction of various conditions, and that, if applicable, Rule 144A may afford the basis for sales only in limited amounts.

**SEPARATION AGREEMENT AND GENERAL RELEASE
PITNEY BOWES INC.**

August 7, 2024

James Arthur Fairweather
85 Point Beach Dr
Milford, Connecticut 06460-7647

Dear James:

This letter agreement (the "Agreement") is by and between you and Pitney Bowes Inc. and/or its parent, subsidiaries, affiliates, divisions, related business entities, and with respect to each of them, their predecessors, successors, and assigns, employee benefit plans or funds, and with respect to each such entity, all of its or their past, present and/or future directors, officers, attorneys, fiduciaries, representatives, shareholders, agents, employees, heirs, personal representatives, benefit plans, trustees, administrators and assigns, whether acting on behalf of a company entity or in their individual capacities (collectively the "Company Entities"). Your Benefit Information, regardless of whether you sign this Agreement, is provided in a separate document.

Because of the subject of this letter, its tone necessarily is formal. However, on behalf of the Company Entities, I want to express our sincere appreciation for the contributions you have made during your employment. I also want to convey to you our best wishes for your future.

Except with respect to agreements, plans, policies, or programs referred to herein, this Agreement supersedes any and all previous agreements, either signed or unsigned, with respect to your employment or termination of employment, except that you specifically agree to continue to be bound by: any patent or intellectual property provisions; any restrictive covenant provisions regarding, without limitation, non-competition, non-solicitation and non-disclosure; any non-disparagement provisions; and any Proprietary Interest Protection Agreement, all of which shall specifically survive and continue in full force and effect. Wherever in this Agreement it requires you to sign this Agreement containing a waiver and release, it is also meant to require that you sign an Updated Waiver and Release on or about your Last Day of Work if requested to do so by the Company. By signing this Agreement you also agree to sign such Updated Waiver and Release requested by the Company.

1. **LAST DAY OF WORK/SEPARATION DATE:**

Your Last Day of Work for Pitney Bowes Inc. (the “Company”) will be March 31, 2025 and your Separation Date will be April 1, 2025, unless an earlier Last Day of Work and Separation Date are required due to a significant change in current business conditions and/or needs. For purposes of your 2024 annual bonus, the Company agrees to apply the same performance multiplier for 2024 applied to comparable employees (e.g., if comparable employees are being paid at 110% of target, your 2024 annual bonus will also be paid at 110% of target, and if comparable employees are being paid at 80% of target, your 2024 annual bonus will also be paid at 80% of target), with such annual bonus paid when annual bonuses for then active employees of the Company are paid, but no later than March 15, 2025. The period of your continued employment through March 31, 2025 shall be referred to herein as the “Continuation Term.” As of your Separation Date, you shall not represent yourself as being an employee, officer, agent or representative of the Company for any purpose. If your employment is not terminated as of the Separation Date, this Agreement shall be immediately revoked and deemed null and void.

2. **SEVERANCE TERMS AND CONDITIONS:**

Your “Annual Base Salary” is \$605,690.00 and your service recognized under the Severance Plan is 25 years and 8 completed months of service.

- a. **Base Severance.** Subject to eligibility under the Company’s Severance Pay Plan (“Severance Plan”), you will receive severance benefits of two (2) weeks base pay equal to the gross sum of \$23,295.76, even if you do not sign this Agreement (“Minimum Benefit”). Base pay is your base salary rate of pay recognized for Severance Plan purposes. As used in this Agreement, Base Severance Period means the period you will be receiving Base Severance.
- b. **Conditional Severance.** Subject to the terms of the Company’s Severance Pay Plan and if you sign this Agreement and comply with all its terms, you will receive Conditional Severance benefits of 50 weeks base pay equal to the gross sum of \$582,394.00 (“Conditional Benefit”). The Conditional Benefit is in addition to your Minimum Benefit. As used in this Agreement, the term Conditional Severance Period means the period of time you are receiving Conditional Severance.
- c. If you sign this Agreement and comply with all its terms, the Company will provide you with a pro-rata annual bonus, if any, for 2025 (the “***Pro-Rata Bonus***”), which Pro-Rata Bonus, if any, shall take into consideration the period of time in 2025 in which you were employed by the Company and actual Company results, and be determined at the discretion of the Company’s Board of Directors. The Pro-Rata bonus, if any, will be paid to you when annual bonuses for then-active employees of the Company are paid, but no later than March 15, 2026.
- d. Base Severance and Conditional Severance will be paid in a stream of payments on regular paydays following your Separation Date.

- e. **Tax Withholding.** Severance payments made pursuant to this Agreement are taxable and the Company will withhold required federal, state and employment taxes from these payments.
- f. **Unemployment Compensation.** The decision to apply for state unemployment compensation is your own. If you choose to apply for Unemployment Compensation (Connecticut ID Number 3717208) based on the termination of your employment with the Company, the Company may be asked to characterize the circumstances of your termination of employment. If asked the Company will answer all inquiries truthfully.
- g. **Continued Performance of Job Responsibilities.** Payment of any Severance and your continued employment through the Separation Date is contingent upon your performance of job responsibilities assigned to you by the Board of Directors and the Company's Interim Chief Executive Officer at acceptable levels and your compliance with the Company's Policies and Procedures as well as you remaining an employee in good standing through your Separation Date.

If your employment is terminated by Pitney Bowes for any reason other than for "Cause"¹ prior to the end of the Continuation Term, the Company agrees that it shall pay you the balance of what you would have been paid had you worked for the full Continuation Term, and you will still be eligible for the severance provided under this Agreement. However, if you voluntarily resign or are terminated for "Cause" prior to the end of the Continuation Period, you will not be eligible for any additional payments from the Company had you worked for the remainder of the Continuation Term and will not be eligible for the severance provided under this Agreement.

- h. **Balances You Owe the Company.** You agree that any money you owe the Company may be deducted from any Severance paid, subject to applicable law.
- i. **Severance Period.** For purposes of this Agreement, the term Severance Period means the period from your Separation Date through to the end of the period in which you are receiving any severance payments or through the entire bridged period if that applies to you.

¹ "Cause" shall mean (i) your willful and continued failure to perform substantially the duties of your employment (other than due to physical or mental incapacity); (ii) your willful engaging in illegal conduct or gross misconduct which is materially and demonstrably injurious to the Company; (iii) your willful disclosure of confidential or trade secret information of the Company (or any of its affiliates) to anyone who is not entitled to receive such information; (iv) your willful breach of your Proprietary Information Protection Agreement (to the extent applicable on or after September 4, 2024); or (v) your engaging in embezzlement from the Company; provided, however, that no act or failure to act, on your part, shall be considered "willful" unless it is done, or omitted to be done, by you in bad faith or without reasonable belief that your action or omission was in the best interests of the Company. Prior to terminating you for "Cause," the Company agrees to provide you with fifteen (15) days' written notice of such termination, and you will have the opportunity to cure such conduct, if curable, during said 15-day period.

- j. **Death.** If you should die at any time after the date you have executed this Agreement any unpaid Severance shall be paid to your estate in a lump sum payment as soon as practicable after death. Your estate will be entitled to such unpaid Severance even if your death occurs prior to the end of the Continuation Term.

3. **HEALTH CARE COVERAGE:**

a. **Your Current Coverage**

Generally, your current medical, prescription drug and dental coverage elections and related costs will continue until the end of the month in which your employment terminates. Immediately thereafter, other coverage (including COBRA or Retiree Medical coverage) shall begin, depending on your eligibility and your coverage elections.

b. **Your COBRA Coverage**

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), you have the right to elect to continue your Pitney Bowes medical, prescription drug and/or dental coverage for up to 18 months after your coverage as an active employee ends. Shortly after your Separation Date, Willis Towers Watson will mail a kit containing COBRA information to your home. **You will be required to make your COBRA election by contacting Willis Towers Watson (through the Pitney Bowes Services Center) directly by phone or through their website. Failure to provide payment will result in a lapse of coverage.**

Coverage may cease before the end of the COBRA period if certain events take place (please refer to “Your Benefits Information Handbook” for more information). When the COBRA period has ended you may be offered coverage under your provider's individual coverage conversion provision, if offered by the provider. The individual coverage offered may not be the same coverage offered under the active or COBRA plan.

c. **Your COBRA Premium**

You will be charged the full COBRA premium (102%) for your COBRA coverage beginning the first day of the month after your employment terminates.

Eligibility for Active Rate Period. However, if you sign this Agreement (and, if applicable, an Updated Waiver and Release) and comply with its terms, you will be eligible for COBRA medical coverage at the active employee rate for the first six (6) months of your COBRA period. Thereafter, you will pay the full COBRA rate (102%) for the remainder of your eligible COBRA period. The active employee rate will end if you find new employment and are eligible for medical and dental coverage from your new employer during the six-month period. If you are eligible for the Active Rate Period, to obtain the company subsidy you must enroll in COBRA coverage with Willis Towers Watson by phone or through their website. Follow the directions in your COBRA package sent to you by Willis Towers Watson soon after your Last Day of Work.

Bridging to Retiree Medical and Dental Coverage. If you are within two (2) years of qualifying for retiree medical and dental coverage (age 55 and 10 years of service with the Company after age 45), if you sign this Agreement, the Company will bridge you to retiree medical and dental eligibility. Although you currently are not eligible for retiree medical and dental coverage under the Pitney Bowes Medical Plan, if you sign this Agreement we are prepared to bridge you to eligibility for retiree medical and dental coverage by continuing active employee medical and dental coverage until **April 30, 2026**. In no event will the active rate medical period be less than six (6) months from the Last Day Worked. Bridging you to retiree medical and dental eligibility will not affect your separation payments as described above. Rather the Company will provide medical and dental coverage at active employee rates until you reach retiree medical and dental eligibility and at that point you will be converted to retiree medical and dental coverage. You will also have concurrent COBRA rights. You will be responsible for making full and timely payments of medical and dental premiums. ***Failure to make full and timely payment of medical and dental premiums when due will result in lapse of coverage and will affect your eligibility for retiree medical and dental coverage or COBRA coverage as the case may be.*** Your medical and dental coverage during this period will be administered through Willis Towers Watson (e.g., direct billed). **The active employee rate will end if you find new employment and are eligible for medical and dental coverage from your new employer but your bridging service will continue until your Retiree Medical and Dental eligibility date.** You will be eligible to elect Retiree Medical and Dental on the first day of the month following the date you become eligible for such coverage.

Rate Changes. Rates charged by the Company for medical and dental coverage, including active, COBRA and Retiree coverage, is subject to change when it is changed for active employees (usually annually effective January 1st).

If you do not receive your COBRA materials, please contact Willis Towers Watson at 1-888-469-7276. You will be direct billed for this coverage on a monthly basis. Note that you are responsible to contact Willis Towers Watson during transition periods regarding your medical and dental coverage choices.

Failure to make full and timely payment of premiums when due will result in a lapse of coverage.

d. **Dental**

The cost of dental coverage continuation will be based on COBRA rates for the entire COBRA period.

If you wish to elect COBRA, follow the instructions in the COBRA package sent to you by Willis Towers Watson soon after your Last Day of Work. You must pay your COBRA premiums directly to Willis Towers Watson LLC (through the Pitney Bowes Services Center) to continue your COBRA coverage. Failure to make full and timely payment of premiums will result in lapse of coverage.

e. **Flex Dollars**

Any Flex Dollars will cease upon your Separation Date. However, if you sign this Agreement, and comply with all its terms, your Flex Dollars will continue through the period during which you are eligible for the active employee rate and elect continued coverage.

4. **LIFE INSURANCE COVERAGE:**

If you sign this Agreement and comply with all its terms, you will receive Company-provided term life insurance coverage equal to one year of your base salary in effect as of your Separation Date for a one-year period following your Last Day of Work (the "Extended Coverage Period"). There is no employee-paid monthly premium for this life insurance coverage but you will have imputed income based on this coverage pursuant to tax law to the extent the coverage exceeds \$50,000.

5. **PENSION PLAN:**

Since you are within two (2) years of either age 55 or 10 years of service and if you sign this Agreement, the Company will bridge you to Early Retirement for Pension Plan purposes. Even though you are fully vested in the Pension Plan, in order to qualify for Early Retirement under the Pension Plan you will need to be bridged until **April 29, 2026**. If the weeks of your Severance Period are insufficient to get you to **April 29, 2026**, the Company will bridge you to Early Retirement eligibility for up to 24 months from your Last Day Worked. In your case you will be bridged to **April 29, 2026**. After December 31, 2014, no further accruals will occur under the Pension Plan. Therefore, your Severance Period will only count toward your eligibility for Early Retirement under the Pension Plan. In some cases, pension benefits described in this Agreement may be paid under the Pitney Bowes Pension Restoration Plan, instead of the Pension Plan, in accordance with either plan terms or the law. The Company always reserves the right to amend, modify, or terminate its employee benefits plans in the ordinary course of business, even as those plans and policies may impact you, without prior notice.

If you wish to take a lump sum distribution under the Pension Plan, you must elect that form of distribution by the later of the date you turn age 55, the end of your Severance Period, or 45 days from the date on your term vested letter notifying you of your vested retirement benefit under the Pitney Bowes Pension Plan. Thereafter your benefit must be paid in monthly payments (an annuity). If you have a benefit under the nonqualified Pension Restoration Plan, unless you notify us otherwise before your Last Day of Work, you will receive a lump sum payment of Pension Restoration Plan thirteen (13) months after Last Day of Work. It is your responsibility to maintain a current address at Pitney Bowes and to notify the Pitney Bowes Benefits Center at 1-888-469-7276 before required deadline dates to commence your Pension Plan benefits. You should request a Pension kit at least 60 days, but not more than 90 days, in advance of your anticipated benefit payment date.

6. **RE-HIRE POLICY:**

In furtherance of your transition from the Company, you agree not to apply for re-employment with the Company or with any of the Company Entities and/or be placed as a temporary employee with the Company or with any of the Company Entities through an outside employment agency and that the Company Entities need not consider you for re-employment or for placement as a temporary employee by an outside employment agency should you apply until after two (2) years from your Separation Date in any operation as an employee, consultant, job shopper, contract employee or temporary.

7. **STOCK OPTIONS, PERFORMANCE STOCK UNITS, CASH INCENTIVE UNITS, STOCK CASH INCENTIVE UNITS AND RESTRICTED STOCK UNITS:**

If you sign this Agreement and comply with all of its terms and all other applicable award financial goals are met, and you do not exercise your right to revoke, you will be bridged to retirement for the purposes described in this paragraph and then in accordance with the terms of Pitney Bowes Severance Policy – Treatment of Stock Options and your Award Agreement, the stock options and restricted stock units granted to you before your Separation Date that are at least partially vested or outstanding for one year as of your Separation Date will continue to vest and remain exercisable, in accordance with the vesting schedule in the Notice of Grant Agreement.

Upon your becoming eligible for retirement (10 years of service, including bridging to 10 years of service, and age 55) any outstanding stock option awards and restricted stock units will immediately vest, and any outstanding stock option awards may be exercised for the remainder of the original term of each grant. The Company shall pay you a prorated payout for your outstanding Performance Stock Units (PSUs) or Cash Incentive Units (CIUs) at the close of each respective cycle when the value of the PSUs or CIUs are determined. The payout is based on your total completed months of active service through your Last Day of Work with the Company during each 36 month PSU or CIU cycle divided by 36 and multiplied by a percentage based on the achievement of performance-based targets associated with PSUs or CIUs as determined by the Board. Any stock options granted to you for which no vesting has occurred as of your Separation Date (or restricted stock units outstanding for less than one year) are automatically forfeited on your Separation Date. All options, whenever granted, are subject to the terms and conditions of your stock option award agreement and the Pitney Bowes Stock Plan. Regarding Stock Cash Incentive Units (SCIU), their treatment will be as provided for in your SCIU Award Agreement. However, any SCIUs granted to you for which no vesting has occurred as of your Separation Date (generally awarded within one year prior of your Separation Date) are automatically forfeited on your Separation Date.

If you wish to arrange for a "cashless exercise" of your stock options, you will need to contact Shareworks no later than 2:30 p.m. (E.S.T.) on the expiration date (or 11:30 a.m. of the expiration date if on that day the New York Stock Exchange is closing at 1:00 p.m.). If your expiration date falls on a weekend or holiday, you must submit your exercise form not later than the time specified above on the last business day before the expiration date. Any required forms to execute your transaction must be received by Shareworks by these deadline dates and times. You can contact Shareworks at 1.877.380.7793 (U.S. and Canada) or 1.403.515.3909 (International.). If you fail to follow this procedure relating to your exercise deadline, you will not be permitted to exercise your options and your options will be forfeited and they will not be reinstated. Contact Shareworks at the above number if you have questions regarding exercise procedures.

8. **CHANGE IN CONTROL:**

In the event that your employment is terminated under circumstances that would entitle you to compensation and benefits under the Company's Senior Executive Severance Policy, as amended and restated effective September 11, 2023 (the "Severance Policy"), including but not limited to termination on your Last Day Worked on March 31, 2025, the compensation and benefits provided under this Agreement will be increased so they are no less than those provided under the Severance Policy.

9. **RETURN OF PROPERTY:**

You agree that you have returned or will return by your Separation Date all property belonging or licensed to the Company or Company Entities, including but not limited to, office equipment, computers, laptops, peripherals, hardware, software, manuals, databases, computerized data, pagers, cellular phones, blackberries or similar devices, keys, identification cards, card access to Company or customer buildings and any documents and files, regardless of format, provided to or created by you in the course of your employment by the Company.

10. **WAIVER & RELEASE:**

- a. By signing this Agreement, you agree that in exchange for the payments and other benefits and consideration contained in this Agreement to which you are not otherwise entitled, you, on behalf of your heirs, executors, administrators, trustees, legal representatives and assigns, forever release and discharge the Company Entities from any and all claims, actions, suits, demands, obligations, losses, liabilities, debts, obligations for damages (including but not limited to compensatory, exemplary and punitive damages), expenses, back pay, reinstatement, attorneys' fees and costs whether known or unknown, against any of the Company Entities, arising up to and including the date you sign this Agreement, including but not limited to claims arising under the following laws including any amendments to them: Title VII of the Civil Rights Act of 1964; the Civil Rights Act of 1991; the Equal Pay Act of 1963; the Age Discrimination in Employment Act of 1967; the Older Workers Benefit Protection Act of 1990; the Americans With Disabilities Act of 1990; the ADA Amendments Act; the Employee Retirement Income Security Act of 1974; the Worker Adjustment and Retraining Notification Act of 1988; the National Labor Relations Act; 42 U.S.C. 1981; the Family and Medical Leave Act of 1993; the Connecticut Fair Employment Practices Act; the Connecticut Family and Medical Leave Law; the Connecticut Age Discrimination and Employee Insurance Benefits Law; the Connecticut Smokers' Rights Law; and any and all other claims arising under or out of any other federal, state, or local statute, law, constitution, ordinance or regulation or any other claims sounding in tort or contract, including but not limited to claims relating to express or implied contracts, public policy, negligence, personal injury, emotional distress, invasion of privacy, detrimental reliance, promissory estoppel, common law claims or any other claims arising out of or relating to your employment with the Company Entities. Specifically, and without limitation, you waive any rights that you may have under the Pitney Bowes Incentive Program, the Key Employee Incentive Program, the Pitney Bowes Senior Executive Severance Policy, and agree that no additional cash incentives or payments are owed to you, except as provided herein.
- b. Without detracting in any respect from any other provision of this Agreement, you, in consideration of the payments and benefits provided to you in this Agreement, agree and acknowledge that this Agreement constitutes a knowing and voluntary waiver of all rights or claims you have or may have against the Company Entities as set forth herein, including, but not limited to, all rights or claims arising under the Age Discrimination in Employment Act of 1967 ("ADEA"), as amended, including, but not limited to, all claims of age discrimination in employment and all claims of retaliation in violation of the ADEA.

- c. To the fullest extent of the law and subject to the provisions of paragraph (d) below you represent and affirm that (i) you have not filed or caused to be filed, on your behalf, or are not aware of any lawsuit, complaint or claim for relief against any of the Company Entities, that you do not have a pending claim of unlawful discrimination, harassment, sexual harassment, abuse, assault, or other criminal conduct or retaliation and you will not file or cause a filing on your behalf any lawsuit, complaint or claim for relief against any of the Company Entities; and (ii) you have no knowledge of any purported improper, unethical or illegal conduct or activities and have not reported any such conduct or activities to any supervisor, manager, department head, Human Resources representative, Corporate Compliance representative, agent or other representative of the Company, to any member of the Company's legal or compliance departments, to PB Resolve, or to the Ethics Hotline. You will be deemed to have sued the Company Entities if you elect to participate in and/or accept any settlement from any class action filed against any of the Company Entities.
- d. Nothing in this Agreement shall prohibit or restrict you from (i) making any disclosure of information required by law; (ii) providing information to, or testifying or otherwise assisting in any investigation or proceeding brought by any federal or state regulatory or law enforcement agency or legislative body, any self-regulatory organization, or the Company's legal or compliance departments; or (iii) testifying, participating in or otherwise assisting in a proceeding relating to an alleged violation of the Sarbanes-Oxley Act or any federal, state or municipal law relating to fraud or any rule or regulation of the Securities and Exchange Commissioner, or any self-regulatory organization.

11. **NON-WAIVER OF VESTED OR LEGAL RIGHTS:**

By signing this Agreement you are not releasing any rights or claims which cannot be released by law including: (1) claims to enforce your rights under your Indemnification Agreement dated April 10, 2024, or claims for coverage under the Company's Directors & Officers Liability Insurance Policy; (2) claims to enforce this Agreement; (3) any and all accrued or vested benefits subject to the terms of applicable Company benefit plans and COBRA (for example, vested pension rights, COBRA rights to continued coverage for medical, prescription and dental, and conversion to individual coverage for life insurance); (4) claims that may arise after the date that you sign this Agreement; (5) workers' compensation claims; or (6) your right to file a charge with an administrative agency such as the Equal Employment Opportunity Commission; however you are waiving all rights to recover money or other relief in connection with any such charge.

12. **AFFIRMATIONS:**

By signing this Agreement, you affirm as follows: (1) you have been paid for all hours worked, with the exception of hours worked within the pay period that includes the date you sign this Agreement and/or hours worked subsequent to the date you sign this Agreement, if you sign this Agreement before you receive your final active employee paycheck; (2) you are not owed any monies from the Company other than any amounts or payment specified in this Agreement or the Benefits Upon Separation attachment; (3) you have not suffered any on-the-job personal injury for which you have not already filed a claim; (4) you have been allowed to take all leave and afforded all other rights to which you are entitled under the Family and Medical Leave Act (FMLA) and under any applicable state family and medical leave laws, which means, among other things, that the Company has not in any way interfered with, restrained or denied your exercise of (or attempt to exercise) any federal and/or state FMLA rights, nor terminated or otherwise discriminated or retaliated against you for exercising (or attempting to exercise) any such rights.

13. **COOPERATION:**

You agree to cooperate fully with reasonable requests in the handling or investigation of any administrative charges, government inquires or lawsuits involving any of the Company Entities that relate to matters that arose while you were an employee of the Company. The Company will reimburse you for any reasonable out-of-pocket expenses you incur by reason of such cooperation, including any loss of income. Pitney Bowes Announces Value-Maximizing Exit Path for Global Ecommerce Segment

Company Sells Controlling Interest in Global Ecommerce Entities to Hilco Commercial Industrial, Which Intends to Lead Orderly and Expeditious Wind-Down of Global Ecommerce Business

Transaction Paves Way for Company to Eliminate ~\$136 Million in Annual Losses and Fully Focus on Core, Cash-Generating Businesses

STAMFORD, Conn. August 8, 2024 – Pitney Bowes Inc. (NYSE: PBI) (“Pitney Bowes” or the “Company”), a global shipping and mailing company that provides technology, logistics and financial services, today announced that it has sold a controlling interest in the entities representing a substantial majority of the Global Ecommerce (“GEC”) segment (the “GEC Entities”) operating in the U.S. to Hilco Commercial Industrial, an affiliate of Hilco Global (“Hilco”), to support a value-maximizing liquidation of certain of the GEC Entities under the protection of Chapter 11 of the U.S. Bankruptcy Code. This sale of the controlling interest occurred on August 8, 2024. Hilco is a recognized leader in helping companies maximize the value of their assets and has worked with numerous organizations to wind-down operations in an efficient, responsible manner.

Pitney Bowes’ Board of Directors (the “Board”) conducted a comprehensive strategic review, with the assistance of independent legal and financial advisors, prior to ultimately determining that this exit path for GEC is in the best interests of both the Company’s shareholders and other stakeholders. Notably, the GEC segment had been struggling to achieve profitability over the past several years in the face of macroeconomic and industry headwinds. The Company expects this exit path to eliminate substantially all of the losses associated with GEC, which were equal to approximately \$136 million for the year ended December 31, 2023. Pitney Bowes is committed to ensuring that this process is as seamless as possible for GEC employees, customers, partners and vendors.

Lance Rosenzweig, Interim Chief Executive Officer and a member of the Board, commented:

“When the Company announced our four strategic priorities in late May, we committed to working with speed and urgency to complete a comprehensive review of alternatives for GEC. We are pleased to have delivered on that commitment by concluding a productive review and identifying an exit path for GEC that provides for an orderly and efficient wind-down of the business, which will ultimately maximize value for Pitney Bowes shareholders. This path also gives us a clear runway to streamline the Company and increase profitability across our core, cash-generating businesses: SendTech, Presort and Financial Services. In conjunction with our cost reduction efforts and progress on cash optimization, exiting GEC will also allow Pitney Bowes to make substantial progress in deleveraging our balance sheet. With these steps, we will be well positioned to deliver stronger results in 2025 and pursue enhanced value for shareholders in the years to come.”

The Company’s SendTech and Presort segments will continue to operate in the normal course, and customers, partners and vendors should not expect any impact. Additionally, the Pitney Bowes Bank will not be affected by the GEC exit and will also continue to conduct business in ordinary course.

Overview of GEC Exit Path

Key details associated with the liquidation and wind-down, which were approved by Pitney Bowes' Board and GEC's independent governing body, as applicable, are as follows:

- Pitney Bowes has entered into amendments to the Company's credit agreement and note purchase agreement to allow for the GEC exit without triggering any events of default for Pitney Bowes and also release the guarantees and liens provided by the GEC Entities.
- Under Hilco's ownership, two of the GEC Entities today commenced voluntary cases under Chapter 11 of the U.S. Bankruptcy Code.
- Pitney Bowes and GEC have signed a restructuring support agreement ("RSA") to facilitate GEC's smooth transition into Chapter 11. In accordance with the RSA, a subsidiary of Pitney Bowes has committed to provide the GEC Entities, subject to court approval, an approximately \$45 million in debtor-in-possession ("DIP") financing in the form of a delayed draw term loan. This DIP financing will support the efficient liquidation of the GEC Entities through the Chapter 11 cases.
- Pitney Bowes anticipates that it will incur one-time cash costs not to exceed approximately \$150 million in connection with the GEC exit.
- The parties expect that the wind-down process, which will require certain approvals from the bankruptcy court, will conclude in early 2025.
